Dobson-Hubbard Rites Read Last Week In The Service

At a candlelight service at the Grace Lutheran Church in Pontiac at 8:30 o'clock on Thursday night of last week Doris Martha Dobson, daughter of Mr. and Mrs. F. W. Dobson, and Pvt Robert J. Hubbard, son of Mr. and Mrs. Joseph Hubbard, spoke their mar- at a hospital in Jacksonville, Fla. riage vows before 150 guests. The Reverend Otto G. Schultz read the

The bride, who was given in marriage by her father, was charming in a gown of white lace with hoop skirt and lace trimmed train. Her full length blush veil fell from a tiara of orange blossoms and she carried a shower bouquet of red roses, white net and tiny white bells.

The bride's sister, Janette May Dobson, as maid of honor, was gowned in yellow net with yellow orange blossom tiara. Her colonial bouquet of yellow roses was outlined in green satin. Betty Burns of Drayton Plains and Florence Olson of St. Clair Shores, as bridesmaids, wore blue and pink respectively. All the attendants' tiac, formerly of Clarkston, who gowns had hoop skirts and the bridesmaids carried pink and blue bouquets outlined with matching

The flower girls, Solvej and Sylvia Petersen, were gowned in pink and blue brocade over satin and carried colonial bouquets. Gracie Williamson as ringbearer wore pale green lace over taffeta. She carried the ring on a white satin pillow covered with roses.

The bridegroom was assisted by William J. Williamson of Pontiac as best man and his brother, Eugene Hubbard of Clarkston and Leon J. Walling of Dearborn seated the guests.

The bride's mother, Mrs. Dobson, chose watermelon lace with a blue feather hat for her daughter's wedding and Mrs. Hubbard was in orchid with a white hat Both wore white carnations.

Following the ceremony a reception was held at the church. White lilies and lighted white candles in Fostoria candle holders were used on the white linen covered serving many. table and bride's table. The 5 tier wedding cake topped with a miniature bride and groom graced a small table.

The young couple left on a trip into northern Michigan. For travelling the bride wore a powder blue suit with white accessories · and a red rose corsage. At the end of a ten day furlough the bridegroom will report back at Camp Robinson, Ark., for reassignment and Mrs. Hubbard contemplates continuing her work at the Community National Bank in Pontiac.

Both Mr. and Mrs. Hubbard graduated from the Clarkston High School in the class of '43. Prior to their marriage Mrs. Hubbard was honored at many very lovely affairs one of which was a shower at the home of Mrs. P. J. Petersen and another was a delightful evening at the home of a friend in Grosse Pointe.

July 7, 1945 Dear Mr. & Mrs. Stamp:

Although I don't know you personally, I feel that I do from the many, many letters that I have read that were written to you from other boys and girls in tha service, showing their appreciation for your loyalty in sending them the Clarkston News. It has been a big help to me in keeping up with my friends and I know how they feel.

The other reason for writing this letter at this time is to say that I am coming home soon to be a civilian again and to take up where I left off. I happen to be one of the more fortunate boys and have the required amount of points to get a discharge. So, 1 am going to save you the time and trouble of sending any more papers.

Thank you and the mothers' club for all that you have done for so

Hope to meet you all after I have returned.

> Sincerely yours Willis O. Bird.

"To think of the time-consuming, wearying work I used to do that was unnecessary! There was the drudgery of handling the clothes through soaking, washing, rinsing and wringing out, then the jobs of hanging them out to dry, and gathering them in and ironing the lot by hand. And the buttons that were torn off ... and broken ... and lost! Well, those days are gone forever. Now I simply put the clothes in the washer, and go on about my business while the washer goes on about its business. Later I transfer the damp-dry clothes to the dryer-the only time I touch wetness-and in about 15 minutes they're ready for quick handling on the automatic ironer. My soapy-handed friends are awaiting the day-not so far off now, I hearwhen they, too, will no longer dread washday."

tricity in industry have been dramatized by their sudden, mass application in war. The development and acceptance of new electric appliances in the home has been more gradual . . . and hence less noted. Now look about you. Observe how electricity has taken over the work in your home. Reflect on the appliances you want and plan to buy. The changes in your own way of living demonstrate a truth that becomes indreasingly clear: The old-fashioned way is the waste-
