NUMBER 2

Internee Speaks At Rotary

Davison Club Visits Clarkston
Seldom has the Clarkston Rotary Club listened to a more interesting topic than was presented last Monday by G. W. Lambeth, who was interned by the Japs in Manila. Mr. Lambeth, who is a traveling representative for the International Harvester Co., was in Manila when the Japs struck Pearl Harbor, and on January 4, 1942, was interned as an enemy alien.

The first instructions of the internees were to bow to all Jap soldiers, even to the lowest in the ranks and "to bow" meant to bend nearly to the ground. Improper bows were met with slaps in the face—and the Japs could slap with both hands.

Food consisted largely of rice and corn in such small amounts that the children would scrape the cracks in the tables for any stray kernels. Normal calorie consumption for a person doing light work is about 2500 but the Japs allowed about 600 calories per day.

His description of how one dies of malnutrition was a description that could only have been given by one who had seen many die that way. However the Japs demanded death certificates stating some other cause as "the Japanese Imperial Army does not starve prisoners."

When the Allies began bombing to retake the Philippines, it became a crime for the internees to watch the planes. Anyone caught watching was forced to stand for hours watching the sun. One young man, who was caught, was not only forced to watch the sun but was seated on a hill of red ants.

Mr. Lambeth remarked that he had heard that on neighboring islands the internees had been killed to keep them from being rescued. When it became apparent to the Japs that they would lose the island they burned every home they could, to pay the natives for not helping them, and remaining true to the allies.

The talk was so interesting and presented in such a forceful manner, based on actual experience, that although the speaker talked 35 minutes longer than the usual speaker, no one got restless, and in fact all could have welcomed a longer talk.

Guests included Pvt. D. W. Jockweg, Allan Hinz, David and "Bud" Yoh and twelve members of the Davison Rotary Club.

A very fine dinner was served by the ladies of the Methodist Church.

Coming Events

The Clarkston Home Extension Club will meet at the home of Mrs. George Perry on Friday, Sept. 14th, at 2 o'clock. This will be an organization meeting and all who are interested in the lessons for the year are urged to attend.

Tuesday, Sept. 18—The Campbell-Richmond Post No. 69 of the American Legion and the Ladies' Auxiliary will have their regular monthly meetings at 8 o'clock.

Thurs., Sept. 20—The Service Mother's Club will meet at the home of Mrs. Carl Irish, 8780 Perry Lake Rd. There will be a pot-luck luncheon at 12:30. A full attendance is requested.

Our Boys and Girls In The Service

Pvt John T. Waid, U.S.M.C., is home on a short leave from California.

Lieut. Herbert Beach has received his discharge from the air corps and is back in Clarkston.

Pvt Earl Garneau who is with the Marine Corps in California is confined to the hospital with scarlet fever.

Word has been received by Mr. and Mrs. Forrest Jones that their son, Gordon, has left the Marshall Islands and is on his way to Saipan.

W. Blaszczak who has been home on a short furlough has returned to Laredo, Texas where he expects to receive his discharge from the Army Air Corps.

PFC Russell G. See of route 2, Clarkston, has reported to Baer Field, Ft. Wayne, Indiana, I Troop Carrier Command air base, for re-employment and reassignment. He went overseas in 1944 and was stationed in England where he drove a truck. He returned to the United States in July, 1945.

This week we received an interesting folder from PFC Wm. (Bill) O'Rourke who is in the Pacific. It contains an historical map and brief history of the Panama canal. In looking over the facts about the canal this one was especially interesting—"The Canal can handle any ship now afloat, with the exception of the "Normandie" and the "Queen Mary" which are too large for the lock chambers. It can handle at the present time 48 ships per day or about 17,000 in a year."

Aug. 28-45

Dear Mr. and Mrs. Stamp:

I am sorry I haven't written sooner but I have been awfully busy moving around for the last two months. I just got back from France about a week ago and the stork has called on my wife and I, so now we have a baby daughter, Pamela, born August 4th. I have arranged transportation for them so it won't be long before I will be able to introduce them to the folks back home. My wife is very anxious to get to Clarkston as I have told her so much about it and how swell the folks are. My wife reads the Clarkston News and enjoys it very much. I'll close for this time, thanking you for the good, old hometown paper. It's really swell of you to send it to all of us overseas.

Wishing you the best of luck
Frank Lovejoy
Honnington, England

P.S. I should be seeing the old hometown about the 1st of October, I hope.

Wednesday 29, August, 1945

Semper-Fidelis U.S.M.C.

Dear Folks:

Just a line or two to let you know that I am still alive and very happy, at the present. Right now the moon is up over the lake and is very beautiful. It reminds me of the moon over Park Lake so much that it makes me homesick. There is a slow, gentle breeze coming through the canyon. The weather on this island is very much like the weather at home. The island itself is very beautiful with its odd assortment of flowers and typical Japanese big top trees.

We have a nice campsite in between two mountains with a large lake at the end of the canyon. Every evening after work, we go for a short dip, then to chow, and then our usual letter writing. We have movies every other night, which are usually the latest and are most always very good.

The chow situation is a lot different than when I came out thirty-three months ago. Fresh foods are a common thing here now, and believe me, they beat "C" and "K" Rations. Tonight we had braised beef with gravy and mashed potatoes, whole wheat bread, butter and jam, and fairly good coffee.

I would like to have time out to thank the Mother's Club of Clarkston for the attention that is paid to the home town Service Men and Women. I am sure that they all feel the same as I. The little comforts that are so thoughtfully sent out here, really keep us in touch with the home front.

In a very short while, I will be able to thank you in person, for by the time that you receive this letter, I will be on my way to the good old U.S.A. I can truthfully say that this has been the longest three years that I have spent in my short life. Many nights have gone by in a cold muddy foxhole on Saipan, Tinian, Guam, Marshall Islands, "and a few others that I can't mention", thinking of the

Enrollment Large In Upper Grades

Clarkston Public School opened its doors to 468 students on the opening day of school. Several people on vacations have not yet reported and some were still attending fairs.

The total enrollment was nearly identical to that of last year, although some of the elementary classes were smaller and the upper grades slightly larger.

Mrs. Warren, who taught grade 2 last year was tentatively assigned to the 4th grade room because of the resignation of a new teacher who was unable to report for work here. Mr. Brabec is trying to locate a teacher to succeed Mrs. Warren who will leave at the end of September.

Coach Thayer had about 20 boys out for football practice and was wishing that some of the big fellows who had just registered would come out for training. The first game is with Goodrich Sept. 21, here.

The Senior class has 54 members, larger by 4 than the "biggest ever" class of last year. The Juniors number 58, Sophomores 53, Freshmen 39, Seventh 42, and the Eighth 36.

Class elections will be held Friday morning and the Student Council elections in the week following. Students are already eagerly planning extra-curricular activities.

Clarkston Locals

Violet Jones of Reelford has been spending the week with her grandparents, Mr. and Mrs. Forrest Jones.

Welling Squier left on Monday for Howe, Ind., where he will resume his studies at Howe Military School.

Guests at the home of Mr. and Mrs. J. Thompson Miller for the past ten days were Mr. and Mrs. Leon Hunnicke of Miami, Fla. They left on Wednesday for their daughter's home in St. Louis, Mo.

1945 Wheat Purchase Program

A wheat purchase program that offers farmers the full parity price for 1945 crop loan wheat was announced August 25, 1945 by the Department of Agriculture, in accordance with provisions of the Stabilization Extension Act of 1944.

Farmers putting wheat under Commodity Credit Corporation loan will have the option of selling the wheat next spring to the Production and Marketing Administration at 15 cents a bushel above the applicable loan value, less charges. The 1945 loan rate for Oakland county is \$1.50 per bushel, says Walter R. Cook, County Chairman. The purchase program is applicable to both farm-stored and warehouse stored wheat.

All unredeemed farm-stored loan wheat on April 1 next, which is delivered to PMA by the producer in accordance with the instructions, will be purchased by PMA. The purchase price will be the applicable loan value for the wheat delivered, plus 15 cents per bushel, but not more than the ceiling price. The producer will be paid the difference between (1) the purchase price and (2) the unpaid amount of the note plus interest to the date of delivery to PMA. No storage payment will be made by PMA on farm-stored loan wheat that is purchased.

All unredeemed warehouse-stored loan wheat in Michigan will be purchased as of May 1, 1945. The purchase price will be the applicable loan value for the wheat represented by the warehouse receipts, plus 15 cents per bushel, but not more than the ceiling price. The producer will be paid the difference between (1) the purchase price and (2) the unpaid amount of the note plus interest through the date of purchase and including the amount of accrued unpaid warehouse charges through the storage year under the Uniform Grain Storage Agreement.

nic big fireplace at home, and a roof overhead that did not leak.

I have seen two of the home town boys since I have been over here, Cliff Bennett and Bill Wilson. It is really a big thrill to meet at least a small part of the old gang, and to talk over old times and times that we are going to have when we get back. Well I hope that I will see them all in the States shortly, so until we meet, I am wishing the best of luck to everyone.

Love
Jerry Hendricks

Annual Banquet Next Wednesday

The Clarkston Parent-Teachers Association will hold the annual banquet to introduce and welcome the school faculty at the school next Wednesday night, Sept. 19th, at 7 o'clock. The committees are striving to make this a success. The public is invited. Places are limited so you are asked to get your reservations in early. Make your reservations by phoning Mrs. Charles Robinson, 2801, or at O'Dell's Drug Store.

Boy Scout News

The Boy Scouts of Clarkston are planning a special program for the first regular meeting of the troop next Monday to welcome new members and candidates. All old members of troop No. 49 will report in uniform. The summer meetings have been for swimming, baseball and other vacation activities, with exceptionally good attendance. We expect to break all previous membership and attendance records. Our Scoutmaster, Mr. Ivonen, is making a whole-hearted effort in trying to make our troop as outstanding as possible in the rural district in which we live. The troop committee should also be complimented on its all out support in backing our program and activities one hundred per cent.

The Scribe

Waterford-Drayton Rotary Club News

It was Past President's day at Tuesday's meeting of the Waterford-Drayton Rotary Club in the Community Activities Building. Past President William A. Cohoon, program chairman for the day, introduced Hal Barrows, Past President of the Highland Park Rotary. Mr. Barrows chose as his subject, "Military Training for our Young Men". It is his contention that military training would better fit our young men physically, mentally and morally; it would help to correct physical defects and delinquency and it would put rich and poor on a basis of equality. He concluded that through this program we would become a strong nation internationally.

Howard Huttenlocher, Pontiac Rotarian and a resident of Clarkston, presented a brief resume on the proposed program of improvements to be made on Camp Agawam, the Boy Scout camp at Tompaw Lake.

Secretary VanWelt read a number of letters of appreciation from the teachers of Waterford Township for the token of welcome presented by the Waterford-Drayton Rotary Club.

Among the guests of the day were Clark Adams, Richard Fisher and M. E. Meagher, all Pontiac Rotarians.

DDT, The New Insecticide

The wide publicity, and general acceptance, of DDT as an insecticide, based almost wholly on the success attained in its use by the armed forces for alleviating and controlling specific conditions, does not justify the public clamor for DDT as a "cure all" for everything under the sun, says Charles Figg, Commissioner of Agriculture. Neither does it justify the present trend to produce commercial products under a fanciful trade name containing some DDT and attempt marketing to the public for wide and varied claims.

The abbreviation "DDT" has been adopted for that class of chemical compounds known generally as Dichloro-diphenyl-trichloroethane.

The manufacture, sale, and distribution of this product in Michigan is governed by the Insecticide and Fungicide law. It may not be labeled in a false, deceptive, or misleading manner, and the label must state plainly the correct names and percentage amounts of each and every ingredient having insecticidal properties and the total percentage of inert ingredients.

DDT, as an insecticide, is usually mixed or compounded with other materials to make it suitable for application.

W. C. Geagley, Chief Chemist, State Department of Agriculture, cautions purchasers to examine the label, therefore, for:
Active Ingredients: Dichloro-diphenyl-trichloroethane%
Inert Ingredients: Total%
Above all, do not be misled by catchy trade names or false claims. Follow the advice and recommendations of the Michigan State College and other agencies for guidance.

Senior Kick-off Friday, Sept. 21

The senior class of the Clarkston high school is starting off the school year right by sponsoring the first dance of the season. It will be Friday night, Sept. 21st. The theme of the decorations will be in football style to celebrate the opening of the football season. Come On Folks! This is what we've been waiting for, so let's help make it a big success.

Walt LaPlante's new band will furnish the music. The chairmen of the committees are as follows: refreshments, Bill Sharp, tickets, Marjorie Anderson; decorations, Joyce McCann; lights, Frank Ronk.

A Reminder For Hunters

Approach of hunting seasons brings a reminder from the conservation department that automatic, semi-automatic, or automatic guns larger than 22 caliber may be used legally only if capacities of magazines and chambers combined are reduced to six shells or cartridges.

Plugs must be fitted in a manner that will prevent removal from loading ends.

Expanding bullets are not banned; tracer or exploding bullets are.

Michigan's new firearms law, effective September 6, does not affect slide, bolt, or lever action firearms, even though capable of holding more than six shots.

Clarkston Locals

Mrs. Lewis Putnam and infant son of Jacksonville, Fla., are visiting her parents, Mr. and Mrs. John W. Putnam. T/Sgt Putnam, U.S.M.C., is expected home on leave from California.

Mrs. J. Thompson Miller entertained her club from Detroit on Tuesday. The group enjoyed luncheon at Hack's Diner and a fine social time at the Miller home in the afternoon. The members of this club have enjoyed times together ever since they did Red Cross work during World War I.

On Sunday Mrs. Vera Craven entertained fifteen guests at a chicken dinner honoring Private and Mrs. John Craven. Dinner was served about three o'clock at a table centered with an attractive arrangement of garden flowers. The guests were from Armada, Romeo, Pontiac and Clarkston. Pvt Craven left on Monday for his station at Parris Island, S.C.

All-out Drive For Navy Enlistments

An all-out drive for voluntary Navy enlistments among men 17 through 37 years of age, regardless of draft classification, was announced today by Lieutenant Byron E. Flechtner, Officer in Charge of Navy Recruiting in Lower Michigan.

"With Victory ours on all fighting fronts, men enlisting in the Navy now will find unparalleled opportunities for advancement," Comdr. Flechtner says. "Service in the peacetime Navy offers pleasant as well as gainful duty, with many features necessarily impossible under the wartime conditions of the past several years. Among these are expanded recreational facilities, unlimited range of travel, and generous shore liberty and annual leaves. In addition, Navy Schools, acknowledged to be among the finest in the country, will continue training men for responsible positions, particularly in the Regular Navy."

Comdr. Flechtner noted that the Navy's peacetime requirements in many petty officer ratings will be several times greater than the number of men remaining in these trades and professions after demobilization under the point system. Thus men enlisting now will find the field wide open for rapid advancement to high-paying ratings in all branches of the naval service.

With the end of hostilities, the Navy is stressing the enlistment of single men, 17 to 30, in the Regular Navy. The term of Regular Navy enlistment has been reduced from six years to four, and in the light of wartime experience, physical requirements have been substantially lowered, particularly in regard to vision, height and weight. Naval Reserve enlistments for 2, 3, and 4 years are open to men 17 through 37, regardless of marital status.

Complete information on peacetime Naval Service may be obtained at the Navy Recruiting Station, Third Floor, Federal Building, Detroit, or at the Navy Recruiting Stations located in Flint, Grand Rapids, Jackson, Kalamazoo, Lansing and Saginaw.

Bass and Bluegill Plantings to Be Cut

Material reduction in number of bass and bluegills to be planted in inland waters of Michigan this fall is announced by the conservation department.

Unfavorable weather during the spawning season last spring seriously limited smallmouth bass production. Also, the department's present policy of holding some young fish for planting in their second year limits the productive capacity of hatcheries. Second-year bass average four to five inches in length; bluegills two inches.

Downstate lakes in which winterkill was excessive early this year will receive first attention although lakes in both peninsulas will be planted. Principal bass and bluegill production is in hatcheries located at Drayton Plains, Wolf Lake, Lydell near Grand Rapids, Hastings, Hillsdale, and Benton Harbor. A number of cooperative rearing ponds are maintained upstate.

Clarkston Locals

Mrs. Harry B. Yoh is ill and is confined at Pontiac General Hospital.

The Clarkston Royal Neighbors met at the home of Mrs. William Goulet on Wednesday. Twenty-five enjoyed the pot-luck luncheon. The regular business meeting was held in the afternoon.

ANDERSONVILLE CHURCH

Harold Bater, Pastor
Morning Worship 10:30 E.W.T.
Sunday School 11:30 E.W.T.

By The Way

Smoke could be seen coming from many chimneys around town the last few days. The weather turned so chilly this week after such a warm weekend that many of the school classrooms have vacant seats. A great many children are confined to their homes with severe colds. . . . Cheese lovers were happy this week when they found they could purchase cheese without red points. But before long red points will be history and we will all feel as though we are living in a new world. . . . Now would be a good time for Clarkston to start thinking of a community house of some kind.

Perhaps this would be a good memorial to our boys and girls who were in service in World War II. Other small communities are figuring on such buildings where old and young could hold organization meetings, concerts, lectures, dances and parties of all kinds. Clarkston needs such a building and now would be a good time to consider it. . . . Get your reservations in early for the P.T.A. banquet next Wednesday night. . . . Seems good to hear of our boys and girls too, returning from overseas. Mr. Gassick had a letter from Mary saying she is heading for the U.S.A. . . . How about all of us getting in on the "kick-off" by attending the Clarkston high school's first football game of the season, with Goodrich, here, next Friday, Sept. 21st, and then attending the Senior's Kick-off in the school auditorium that night. . . . Have you noticed the beautiful flower gardens about town? The late blooms seem more colorful this year than ever before. The gardens at the Glenn Howland home and the home of Ada Searce are really worth seeing. . . . More good news was disclosed on Thursday morning when it was announced that restrictions on lumber would be lifted as of September 30th.

Clarkston Locals

Mrs. Alice Lyon has returned to her home in Detroit after spending the summer in Clarkston.

Mrs. Bertha Terry had the misfortune to fall and break her leg on Wednesday morning. She is at the Pontiac General Hospital.

Mrs. Lewis F. R. Bellows Jr., and her mother, Mrs. George Hickey, have returned to Detroit after spending a week with Mrs. L. F. R. Bellows in Clarkston.

The Perfect Day

Impregnated with life the new morning air
Foretold of a day so bright and so fair.
The sparkle of sun on the dew drenched lawn
Added to the beauty that came with the dawn.
Unhindered thru space, one's vision could peer,
The air was so light and so perfectly clear,
And here all around us as if in a dream
Were the shimmering lakes and soft winding streams.
There was a concrete road and a willing car,
Both were bidding to take us on journeys far.
Then added to this and by no means the least,
The comforting thoughts that the world is at peace.
That we could enjoy to the fullest extent
The blessings of nature so lavishly spent.
And now that our nation is finished with war,
The sun seems more brilliant than ever before.
The folks of our land have a right to be gay,
Thanking God for the joys that come with the day.

hospital there.
There are over 460 school children enrolled in the village school which is about 140 less than were enrolled when school closed last fall. The new Williams Lake school has helped considerably.
The children had their first bond and stamp sale on Tuesday. They bought two twenty-five dollar Victory Bonds and \$15.45 worth of Victory stamps. Bonds and stamps will be sold each Tuesday morning and delivered to the children on Wednesday.
Rev. and Mrs. Wright VanPlew had as their guests this past week, his parents from Chicago.
James Sutton Jr., S1/c of Gulfport, Miss., is spending a 19 day leave with his parents, Mr. and Mrs. James Sutton, Sr.
Mr. and Mrs. August Jacober, who have been at their cabin in Comins, Mich for several weeks, have returned home.
The Waterford Township Firefighters and their families enjoyed a picnic at Davisburg on Sunday.
Mr. and Mrs. Charles Maxwell and family visited friends in Flint on Sunday.
Robert Hardley, son of Mr. and Mrs. Arnold Hardley, left on Saturday for Wheaton, Ill., where he will attend Wheaton Bible School.
Mr. and Mrs. A. VanAcker of Detroit were guests at the H. B. Mehlberg home on Sunday.
On Tuesday evening 11 members of the Adult Bible Class of the Community church met at the home of Mr. and Mrs. H. B. Mehlberg. Mrs. Ernest Stevens had charge of the business meeting. The group voted to assist with the dinner at the church homecoming on September 30th. Mrs. Stevens and Mrs. Arthur Davis will have charge of the kitchen and Mrs. Frank Schultz, the dining-room. The group will meet at the church on October 9th with Mrs. William Granger and Mrs. Wallace Brown as hostesses. The roll call word will be "obey". There will be an election of officers.
The Bible story hour sponsored by the Community church under the direction of Elizabeth Jencks and Mrs. Stephen Phetteplace began on Sept. 10th. The schedule is as follows: Monday—N. Waterford, home of Mrs. Doyle Smith; central Waterford, home of George Attwater. Tuesday—Williams Lake, home of Calvin Thornton; Moon Valley, home of Emory Clark; Williams Lake School conducted by Mrs. H. B. Mehlberg and Mrs. Frank Schultz. Wednesday—Windiate Park, home of B. W. Kenifeck and Earl West. Thursday—Whitfield Estates, home of Stanley Hawkins; Lotus Lake, home of Alton Goll. Friday—N. Williams Lake, home of Don Henchler; Dixie Trail, home of Helling Burquist. These classes are held after school.
Vivian Marie Carnett and Lloyd J. Maggard, both of Pontiac, were united in marriage on Monday evening, at 7:30, by the Rev. Howard Jewell, at his residence. They were attended by Marie Pace and Berkeley Reeves of Pontiac. They will make their home in Detroit.
Dickie Webber entered the Harbour Boy's school in Kalamazoo on Monday.
Mary Louise Buck left on Monday for Rock Island, Ill., to resume her studies at Augustana College.
William Pratt of Detroit spent Saturday at the H. B. Mehlberg home.
Kenneth McVittie has been discharged from the army and has returned home.
Mr. and Mrs. John Miller and Mr. and Mrs. K. Miller of Pontiac attended the Miller family reunion at Port Huron on Sunday.
On Friday evening Mrs. Fred Tuck and Mrs. H. B. Mehlberg entertained at a bridal shower honoring Phyllis Kniffen of Hazel Park who will be the bride of Donald Hamilton in October Games were enjoyed during the

evening and refreshments were served. Guests included, besides the honoree, her mother, Mrs. Earl Kniffen of Hazel Park, Mrs. Donald White, Mrs. Ida Hayden, Mrs. F. Buck, Mary Buck, Mrs. William Poland of Detroit, Mrs. John Miller, Mrs. William Chase, Mrs. John Watchpocket, Mrs. E. D. Spooner, Mrs. Charles Harris and Beverly Kniffen. The bride-to-be received many lovely gifts.
Howard Steele, son of Mr. and Mrs. William Thomas is in military training at Camp Jos. T. Robinson, Ark. He has been there about two months.
The paper drive sponsored by the Moms will end on Wednesday, Sept. 19th. Everyone is asked to take their bundles to the home of Mrs. Arthur Armstead on or before that date.
All parents who are receiving changes of addresses for their service men or women are asked to contact Mrs. C. W. Armstrong, rte. 7, Pontiac.
On Monday evening Mrs. John Myers entertained at a dinner honoring her daughter, Linda Jane, who leaves Sunday for Hillsdale College. Guests were Mary Alice Carr, Charlotte Maybee, Adrienne Volberding, all of Clarkston, Corinne and Patricia Sutes, Marjorie and Ethelyn Smith, Barbara Strickland, Clara VanZandt, Jean Girst, Jean Callahan, Barbara Fosdick and Virginia Knox.
Little Cheryl Green is a guest of her great aunt, Mrs. John Miller, while her mother, Mrs. Richard Green, is visiting her father, PFC Richard Green, in Tucson, Ariz.
John Miller is confined to his home with an injured knee.
Mrs. Roy Blakeslee is ill and is confined to her home.
Word has been received that T/Sgt. August Jacober is on his way home from the Pacific theater of war.
Mr. and Mrs. Benjamin J. Sutherland of Airport Road celebrated their golden wedding anniversary on Tuesday. They were married on September 11, 1895 and lived in Ann Arbor, Oxford and Pontiac until May 30th, 1928 when they moved into the home they built on Airport Road. Mr. Sutherland has been a drapery salesman for Waite and Co., for the past 25 years. They have two children, William B., and Mabel of New York City and 3 grandchildren, Lieut. William B. Sutherland, stationed in the Philippines; Memory Sutherland Johnson, WAVE, stationed at Kingsville, Texas and John Clark of New York City.
Miss Betty Hauxwell of Port Huron and Miss Jannetta Brooks have returned to their homes after spending a week with Mr. and Mrs. William Thomas. While they were here Mr. and Mrs. Thomas entertained at their home on Sunday afternoon. An outdoor concert and dinner were enjoyed by 84 guests.

Lutheran Sunday School at 9:45 Sunday morning.
Lutheran services at 11:00 Sunday morning.
Pinochle at 8:00 Monday evening.
Rotary Club Tuesday noon.
Boy Scouts at 7:15 Wednesday evening.
Library work between 1:00 and 4:00 Wednesday afternoon.
Library hour at 7:00 Wednesday evening.
Youth Instruction Class at 7:00 Thursday evening.
Women's Club at 8:00 Thursday evening.
Community Party at 8:00 Friday evening.
500 starts Monday evening, September 24th.

The Lutheran Sunday School opens at 9:45 with classes for all ages. Church follows at 11:00 with the Rev. Philip A. Jordan speaking on "The True Peace Table". Holy Communion will be observed during this service.
The Luther League will meet at the home of Audrey and Ruth Wood on Sunday evening for the monthly devotional period. All youth of the church are urged to attend.
Pinochle will be played at 8:00 Monday evening for the first time this fall. There will be prizes and refreshments. Couples are invited to attend.
The Women's Club will meet with Mrs. Leslie McFarland, Mrs. I. T. Kaines, Mrs. Albert Dryden and Mrs. George DeLap at 8:00 Thursday evening. Women members of Community Activities, Inc., are especially urged to attend.
Several women have worked hard each Wednesday afternoon getting the Community Library organized and have done a very good job which they may well be proud of.
Don't hesitate to come and look over your library and you're sure

to find a book that you'll want to read. If you have any good books to dispose of they'll be glad to put them on the shelves. If you have time on your hands between one and four on Wednesday afternoons the committee in charge will be glad to have you join them in this work.
Don't forget the dances at 8:30 each Saturday evening. Bring the family and friends and enjoy both modern and old time dancing. One of these days in the very near

future there will be a new floor in the room used for dancing. William McMurray is now the maintenance man of our Community Activities Building. This week he has been doing some painting along with the many other necessary jobs to be done around our building.
The Women's Club appreciates the cooperation given in the recent paper drive. A check for \$27.50 was received by the Club for the paper turned in.

2 out of 3 rural telephones are dial operated today

ONLY ONE out of ten rural telephones was dial operated in 1937. Today two out of three have dial service. That illustrates some of the progress that has been made in improving rural telephone service.
Now that the war is over, bringing dial service to still more rural customers is only one of many improvements Michigan Bell plans to make as rapidly as sufficient materials, trained manpower and manufacturing facilities become available.
We have developed important new devices and construction methods which will make telephone service available to more rural folks. We intend to add more lines so there will be fewer parties per line.
We are conducting market and rural opinion surveys, so that we can more exactly meet the wants of telephone users. We are studying special features designed

to make telephone service more valuable. This indicates the way we are resuming our rural construction and improvement program. The program began long before the war. In 1940 we incorporated into it a rural construction plan suggested by the Michigan Rural Communications Committee, a group of agricultural leaders. But the entire program had to be curtailed because of wartime shortages.
Its resumption is an important part of Michigan Bell's 5-year, \$120,000,000 post-war expansion and improvement program. Of course, it will take time, for much telephone construction is slow, painstaking hand work.
However, we will work constantly toward our goal of providing the best possible rural service, to the largest number of people, at the lowest possible cost.

3 groups with 2 elders, 2 trustees and one church officer to contact every member of the church and familiarize them with the coming of Rally Day on Sept. 30. Three cooperative suppers are being held to which the public is invited. Just bring your own sandwiches and another dish of food. A good program will be given each Wednesday night. The first group held their supper last Wednesday night under the supervision of Roy Dancy, Lloyd Bowden, Alfred Hutchinson, Elmer Boardway and Clyde Harmon.

The Pearl Sutton Missionary Society will hold their regular meeting with Mrs. Frances Smith at the Frank Jones home on Sasabaw Road on Thursday, Sept. 20, at 7:30. Mrs. Maxine Shell will be the leader.

The W. C. T. U. will meet in the church parlors at noon next Tuesday. There will be a cooperative dinner. All members are urged to be present. The election of officers will take place. The following have been appointed as a nominating committee: Mrs. Frank Jeffrey, Mrs. Carlos Richardson

and Mrs. Waldron Keasey. Annual reports will be read at this meeting.

Miss Anna Mary Floyd, R. N., left by plane on Wednesday for Muskegon to visit friends in Hart for several days.

Mr. and Mrs. Charles Williams and daughter, Carolyn, and Mrs. Grace Barnhart went to Lapeer on Sunday where they visited Mrs. Barnhart's son, Ollie, who is quite ill and confined in the hospital.

Mr. and Mrs. George Welsh and family and Sgt. William Welsh visited relatives at St. Joseph, Mich., over the weekend.

Miss Ilene Gibson joined the nurse cadets at the Detroit Mercy College last Tuesday.

Mr. and Mrs. Dan Wadger and daughter, Euella, and Mrs. Nettie Zollner of Pontiac visited Mrs. Martha Tewilliger last Thursday.

Mrs. Richard Spiess of Corpus Christi, Texas, visited at the Ransom Robb home last Wednesday.

Mr. and Mrs. Ransom Robb spent last Monday at Greenfield and Tuesday they were in Detroit on business.

Mrs. George Coleman, Mrs. Elsie Thrasher and Mrs. Mamie O'Boyle flew to Milwaukee, Wis., to visit friends over the last weekend.

Mrs. Maude Carter has sold her furniture and home on South Drive and will leave soon to make her home with her son in Ferndale. The cooperative supper to be served at the church on Wednesday evening, Sept. 19th at 6:30, will be in charge of Harold Detweiler, Glenn Featherston, Waldron Keasey, Peder Neilson and Mrs. Grace Barnhart. The public is invited. Furnish your own sandwiches and a dish to pass. A fine program is being prepared.

Mr. and Mrs. Reuben Workman of Flint, uncle and aunt of Mrs. Mamie O'Boyle and Mrs. A. A. Solomon, visited in Drayton Plains last Sunday.

Mrs. Dorothy Calvert of St. Louis, Mo., spent last week as a house guest of Mr. and Mrs. George L. Welsh of Thirza Ct.

Several new buildings are being erected in Drayton Plains. Mr. and Mrs. Wheeler of the grocery store at the bridge are building a new store and living quarters The vacant property, between Meinrad Drive and Walton Boulevard, on the Dixie Highway is being graded. The large trees have been taken out and plans are to subdivide the property.

The Drayton Plains and Pontiac P. T. A. Mother Singers will start their rehearsals next Tuesday evening, Sept. 18th at 7:30, at the McConnell school in Pontiac.

Bob Becker, radio operator, will leave for his new assignment next Sunday. For the past two weeks he has been visiting his parents, Mr. and Mrs. Eugene Becker and friends.

For garnishes during the winter, put up 2 or 3 plants of parsley late this month for use during the winter.

The flavor of parsnips is improved by freezing, therefore many gardeners leave them in the ground and use them in late winter or before they start to grow again. They can also be dug in late fall and stored in boxes for use during the winter.

Although you may not be able to have fresh green onions throughout the winter, by potting up a few clumps of chives and growing them indoors, you will have an excellent substitute. Watermelons when still green give a sharp metallic ring when snapped with the finger. Ripe ones give a dull hollow sound.

Ways To Handle Immature Corn

Handling the corn crop raised for grain may present some problems this fall as the amount of immature corn is expected to be greater this year.

County Agricultural Agent K. D. Bailey offers several suggestions for farmers who may find themselves undecided as to how to harvest the corn.

The farm crops department at Michigan State college classifies dent corn as mature when the moisture content is down to 40 per cent. At this stage it is fully dented and it is difficult to cut the kernel with the thumbnail. No problem is usually experienced with such grain if it is allowed to dry to about 25 per cent moisture before husking and storing.

Corn in the hard-dough stage when frost hits, should be left standing on the stalk as late as possible or cut and put in small shocks, until it can be husked. Corn in the soft-dough stage, if it is to be used for grain, can be

handled the same way. In either case, husking may be put off until very late in the fall.

Corn in the roasting-ear stage at frost might better be used for ensilage. Or it can be cut and shocked and the whole plant fed as needed without husking, or the field of corn may be pastured. The making of ensilage from only one husked or snapped ears has also been tried successfully, and this permits the storing more of the corn than when the entire plant is used. Silo filling should be done as quickly after frost as possible.

Special precautions are necessary when immature corn is husked and stored, but devices may be used in the cribs that will keep the ears in good condition.

Released Workers Continue Insurance

In response to numerous inquiries from former war-workers, W. H. Lichty, executive director of Michigan Hospital Service, announced today that Blue-Cross protection against hospital and surgical bills can be continued by workers released from war jobs. The procedure for continuing Blue Cross membership varies according to the place of employment, Lichty said. To avoid losing their protection, workers leaving employment should check immediately either with their employer or with any office of Michigan Hospital Service. Lichty estimated that two of every five Michigan War Workers and their families now are Blue Cross members.

Broccoli, Brussels sprouts and cabbage should be sprayed frequently with nicotine or rotenone at this time to control aphids. If rotenone is used it will also control cabbage worms.

REMEMBER-- YOUR HOME NEWSPAPER All matters handled through the Probate Court requires a certain amount of legal publication in one of the county papers. Foreclosing a mortgage entails publication of the foreclosure notice in a county paper. Either the probate court officers or your attorney will have your legal publication carried in The Clarkston News if you request it. We solicit the privilege of carrying such legal publications. This form of advertising is valuable to us. When you support us in this way we are able to give you a better paper week by week. The Clarkston News Phone 4321 Clarkston, Mich.

"Mary's like a

LITTLE LAMB in her all-electric kitchen"

"Just before the war Mary and I moved into a new home equipped with an all-electric kitchen. Mary's whole attitude about kitchens changed immediately. She used to be impatient with the way a kitchen ties a woman to the home. Now she's very happy with her homemaking tasks. Her electric range gives such uniform results that failures and disappointments are a rarity, and the automatic features make cooking much easier. Perhaps her favorite helper is the electric dishwasher. I did a little time-study of her dishwashing and found that the dishwasher saves her about one working day every month. My mechanical mind is fascinated by the garbage disposal unit in the sink. My wife says it's a real convenience--this way we never really have garbage. Well, I could go on a good deal longer about the help she gets from her mixer, juicer, percolator and toaster--and I guess I don't even need to mention her electric refrigerator, for everybody recognizes now that there's no other method of refrigeration that equals the modern, electric way. Boy! Our all-electric kitchen sure has made a difference in our household."

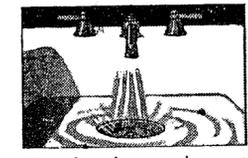

Electric kitchen equipment is not generally available for sale now. Some is being manufactured and distributed. It will be to your advantage to have your name on your electrical dealer's list, so that you will be able to get it at the earliest possible time.

Simply scrape refuse from dishes into disposal unit. It makes no difference whether refuse is soft or hard.

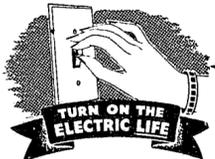

Close cover on disposal unit and turn on motor. Grinder reduces all refuse to a soft pulp in a few minutes.

Water from the tap washes away the finely ground material.

It's not too early to be thinking about what electricity can do for your home in the days to come. Forward-looking families are giving careful consideration to all the labor-saving, comfort-making conveniences that electricity can provide. They have learned by experience that the old-fashioned way is the wasteful way. They know that the magic of electricity can make their living better, safer and happier. They are about to turn on the electric life.

The DETROIT EDISON Co.
