CLARKSTON, MICHIGAN, FRIDAY, SEPTEMBER 21, 1945

NUMBER 3

World War 2 Veterans Joining Legion

The regular meeting of the American Legion Post, held on Tuesday, was very interesting in that two World War 2 Veterans, Mrs. Shirley Douglas Mosher and Clark E. Soulbey joined the Post. Mrs. Mosher is the first lady member of the local post.

The adjutant, James Sutton, had expressed a desire to resign and at the meeting his resignation was accepted with regret, as he had completed his tasks in a capable manner. Clark E. Soulbey was elected to the office for the balance of the year.

1st Lieut. Forrest Ferguson, who is visiting at the home of his wife's mother and father, Mr. and Mrs. William Herke, was a guest.

Herbert Baynes, local Veterans' counselor gave an interesting report on the work being done by the local office.

A large share of the evening's discussion, centered around a legion home for the two hundred and over veterans of World War 2 from Clarkston and vicinity.

4-H Club News

The Clarkston 4-H Club met on Thursday evening of last week at the home of Mary Jo Pettengill. A short business meeting was held and the outcome of the State Fair held at East Lansing was discussed. The next meeting will be held at the home of Russell Hubbard at 8 o'clock on Thursday night, Sept. 27th.

Legion Auxiliary Installs Officers

On Tuesday night the Legion Auxiliary met in the Rotary rooms for the regular business meeting. Plans for a donation to the Christmas Gift Shop at the Percy Jones Hospital were made. The officers for the ensuing year were installed by Past President Mrs. Lyman Girst. The new officers are president, Mrs. Floyd Fullerton; 1st vice president, Mrs. Henri Buck; 2nd vice president, Mrs. Lyman Girst; secretary, Mrs. John Alander; treasurer, Mrs. William Herke; sergeant-at-arms, Mrs. William Jens; historian, Mrs. William Goulet; chaplain, Mrs. W. H. Stamp.

The wives of veterans of World Wars I and II are eligible to belong to the Legion Auxiliary and are cordially invited to attend the meetings. The meetings are held the third Tuesday night of each month at 8 o'clock.

Last Sunday L. D. Hemingway of Clarkston and William Jens of Ortonville, both members of the Eugene Derragon Post No. 1008, V. F. W. of Pontiac, went with other members of the post to visit Yokohama, until after V-J Day. Percy Jones Hospital in Battle Creek. Clarence Dusenberry was in charge of the program that was presented at the hospital in the afternoon and at the annex at Ft. Custer in the evening. The program consisted of tap dancing by 8 girls and singing. Mrs. Dusenberry accompanied the group. Lunch was served in the hospital dining-room. Most of the fellows who enjoyed the program were young men in their teens or early twenties who could get about on crutches, canes or in wheel chairs. They seemed quite cheerful and were more than pleased with the program.

Our Boys and Girls In The Service

Chief Petty Officer Clark Soulbey has received his discharge from the Navy and he and Mrs. Soulbey are back in Clarkston.

The following interesting letter was received by Mr. and Mrs. C. H. Soulbey from their son, Max, who is serving in the Pacific area:

Sept. 6-45

Dear Mom and Dad:

I hope some of my letters have reached you by this time. Things have been terribly mixed up since we left for Tokyo and our mail hasn't caught up with us yet.

Hope you are both well and hope things are looking better back there, now that the war is over. Things certainly seem a lot different out here. Censorship has ceased now, so we can find a little more to write about and can give you our location.

We left Tokyo Bay a few days ago and are now back in Okinawa. I think we'll be seeing more of Japan, though, in a short time. At present our chances of being home before Christmas look quite favorable. I sure hope so, because this year I want to be home for the holidays more than ever before. Our family should be together this year and enjoy a Christmas like we used to have before the war.

I suppose you heard the broadcast from the Missouri when the surrender was being signed. We were at anchor near the Missouri and could observe all that was going on. Although it was a cloudy day, the air was filled with B-29's and Navy planes. It was a great sight and one that I'll long remember.

I'll try to give you a brief description of our part in the occupation of Japan. On Aug. 10th we were operating north of Okinawa when we were ordered back to port. Upon returning we were directed to fuel and proceed towards Tokyo. We knew something big was coming off, but didn't like the idea of going near Japan before they ceased hostilities. Before reaching Japan we joined other ships and started cruising off the Japanese coast. This lasted for days and days. Finally we moved in towards Tokyo Bay and a destroyer came out to meet us and transferred a Japanese Naval officer to our ship. He was to be our pilot when we started into Tokyo. A typical, slant-eyed, grinning Jap, but acted the part of a polite gentleman. The morning of the 28th we started into the Bay, sweeping ahead of the San Diego and other ships which comprised the first force to enter Japan. We remained in the Bay over night and the next day went out and brought in the Missouri and Iowa. The remaining days were spent an anchor near Yokohama, until after V-J Day. Everything went along very smoothly and naturally we got another "Well Done" from Admiral Nimitz. I saw lots of interesting sights along the waterfront and could easily see the damage done by our B-29's at Yokohama. Large white letters on a building in Yokohama caught our attention the second day. They were painted by Prisoners of War and read "3 Cheers—U.S. Navy—Army—Come after us".

In all, it was something I had never dreamed of seeing for a long time and especially under those conditions. Now that it's over we're hoping they won't find too much for us to do. Our main thought now is to get back home as quickly as possible.

How soon will Clark be discharged? I should be eligible in a few months, once they start lowering the points. I suppose you have given me all of the news in the letters that are on the way. Hope we get some mail before we leave here again. I'll write again soon.

Love

Max

Home Extension Club Met Last Friday

The Clarkston Home Extension club met at the home of Mrs. George Perry last Friday afternoon for their organization meeting. The following officers were elected: chairman, Mrs. George Perry; secretary and treasurer, Mrs. Glenn Howland; leaders, Mrs. Carl Mayer and Mrs. Ralph Thayer with Mrs. William Edgar as alternate; publicity, Mrs. Robert Beattie.

The next meeting will be held at the home of Mrs. William Edgar. The date will be announced later.

J. Jos. Culey of Overlook Drive is ill and is confined in St. Joseph Mercy Hospital in Pontiac.

Faculty Honored Wednesday Night

Annual Banquet Is Sponsored by P.T.A. On Wednesday night the Clarkston P.T.A. held the annual banquet honoring the school faculty. Those who attended enjoyed a very fine dinner served at tables centered with artistic arrangements of red and white gladioli in crystal bowls, with lighted yellow candles in crystal holders at each end. On the platform was a large basket of beautiful white gladioli. The Reverend Walter Ballagh gave the invocation and the dinner was served by a number of Clarkston's capable young ladies.

After the dinner Orlo J. Willoughby led in group singing and Adele Thomas presided at the piano. Mrs. Russell Colton, president of the P.T.A., called upon Carl Brablec, school superintendent, to introduce the members of the school board and also the members of the school faculty. Mrs. Willoughby then sang two very pretty numbers, "Sylvia" by Ole Speaks and "I Heard You Go By" by Daniel Wood. Mrs. Colton then presented the P.T.A. officers for this year. Mrs. Howard Johnson, membership chairman, reported that there were 194 enrolled in the P.T.A. Others who gave reports included Mrs. Leslie Shanks who gave a brief outline of what had been done in the past year on the work in the elementary library. She explained that it paid to save waste paper because \$389.24 had been put into the library fund from the waste paper sales. Besides that, \$85.42 had been realized at the Book Tea held last spring and \$6.75 had been received from the Prof's Book Shop in Pontiac for the sale of some of their waste paper. The P.T.A. last year donated \$125.00 for library use. The stock of books at the present time is very gratifying and the library is open one afternoon a week for the children.

Paul Henry, as chairman of the recreation committee, gave an interesting report of activities that had been planned, some started and some realized during the past two or three years. Mrs. Colton told further of the work that had been accomplished by the P.T.A. in the past year. She mentioned the fact that \$100.00 had been donated for playground equipment; that the Cub Scouts had been organized and that pictures had been purchased for one of the grade rooms. Mrs. Colton asked for more P.T.A. members and announced that the next meeting would be on October 17th and that Joe Haus of Holly would speak on "History of Oakland County". She invited those who had hobby displays to bring them to the next meeting. Some had already agreed to bring antiques.

Wallace Ridgley, high school principal, outlined the high school curriculum. He reviewed some of the work that had been done last year and reminded his listeners that the local high school had received a three year accrediting by the University of Michigan, the highest that can be obtained. He explained that there were three courses for students—a preparatory course for those who intend to enter college; a commercial course and a general course. "Of course," he said, "there are certain subjects that are musts for all students. These are required by the state."

Mrs. William Vliet, principal of the elementary school, gave a resume of the work in the grades in previous years and explained that the teachers in the elementary grades aimed to guide the child so as to make him or her fit physically, mentally and socially. In other words reading, writing and arithmetic did not cover the curriculum for the younger grades but were in the program which included work, rest and recreation. All of the talks were greatly appreciated and many of the parents realized the task that lies ahead for the school teachers this year and for the years while their "Mary" and "Johnny" are laying the foundations for their future years.

Farewell Party Honors Tommy Slick

On Tuesday night Shirley Terry and Ruth Davies entertained at the Terry home on Holcomb Street honoring Tommy Slick at a farewell party. Dinner was served at 6:30 and in the evening the girls attended a show in Pontiac. Tommy leaves next week with her parents to make her home in Washington, D.C.

Mrs. Lee M. Clark is ill and is confined to Goodrich hospital.

Waste Paper Drive Wednesday, Sept. 26

Paper is very essential during the reconversion period. It is hoped that the home folk will not cease to cooperate. Every scrap of waste paper can be used and what home is without some waste paper. Next Wednesday the paper will be collected in Clarkston. Have your bundles at the curb by 2 o'clock. Those living outside of town are asked to bring their bundles to the corner of Church and Main Streets where the Beattie Motor Sales used to be. Let's make this the biggest paper drive we have ever had in Clarkston. Of course to do this you must help.

"Booster Night" At Brandon Grange Hall

On Friday night, Sept. 28th, the Brandon Grange will have a "Booster Night" at their hall in Ortonville. The big program will start at 8:30 and will feature George Pullen, ventriloquist and sleight-of-hand artist. There will also be a talkie movie, "Our America". A lunch will be served after the program. The public is invited. The Grange says "Come, bring your family and neighbors."

County Wins Outstanding Honors

Some outstanding honors have been won by Oakland County 4-H club members in the State 4-H Show just completed at Michigan State College in East Lansing, according to Mary Woodward, home demonstration agent, and Lyn Lewis, district club agent.

County winners from all over Michigan exhibited their 4-H club project work at this annual affair.

In home economics, two Clarkston club members, Marian Emery of Waterford and Mary Jo Pettengill of Clarkston, won first place with their demonstration in "preparation of beans for the freezer locker". The same girls were the winning county team in 1944, and were in the state contest this year for the second time. Marian Emery is the daughter of Dr. A. W. Emery and lives near Waterford. She is completing her 3rd year in canning and also carries projects in dairy and food preparation. Marian won third place in the Sears Canning Contest. Mary Jo Pettengill lives in Clarkston and is the daughter of the Elmer R. Pettengills. She is also finishing her 3rd year of canning and is interested in foods and sheep projects. Mary Jo won first place in the county canning contest sponsored by the local Sears store.

Mary Jane Lewis, who lives with her mother, Mrs. Mary Lewis, in Drayton Plains, participated in several events. She won first place in the clothing judging contest. Her exhibit of a complete costume—suit with all accessories received a blue ribbon. This was her fifth year project in clothing. She exhibited cup cakes for her 3rd year in foods and received a blue ribbon. She was also in the Dress Revue.

In Agriculture projects, two grand champions and one reserve grand champion went to Oakland County members. Robert Thomas of Lake Orion showed the grand champion 2 year old draft horse, Jack Fuller of Oxford exhibited the reserve grand champion Red Poll.

Other high place winners were as follows:

Mary Alice Carr, Clarkston, 3rd, Stock Horse.
Paul Smith, Pontiac, Grand Champion, Grade 2 Yr. Old Draft Horse.

Robert Thomas, Lake Orion, Grand Champion, Pony.
Mary Alice Carr, Clarkston, 3rd, Southdown Aged Ram.

John Adams, Clarkston, 2nd, Cheviot Ram Lamb.
Jack Emery, Waterford, 2nd, Cheviot Ewe Lamb.

Robert Thomas, Lake Orion, 3rd, Guernsey.
Jack Fuller, Oxford, 1st and 2nd, Red Poll Heifer; Reserve Grand Champion, Red Poll.

Shirley Rhodes, Pontiac, 1st, White Leghorns.
Paul Ruse, Lake Orion, 1st, Rabbits.

Donald Geeck, Pontiac, 1st, Rabbits.
Bruce Blatch, Pontiac, 1st, Rabbits.

Alma Cheslik, Clarkston, 1st, Rabbits.
Naomi Cheslik, Clarkston, 1st, Rabbits.
Glenia Burkhardt, Davisburg, 1st, Vegetables.
Gene Burkhardt, Davisburg, 1st, Vegetables.
Kenneth Smith, Davisburg, 1st, Vegetables.

District Governor Visits Clubs

The Clarkston Rotary Club was honored on Monday by a visit of the District Governor, Rotarian Harry O. Palmer, whose home club is Windsor, Ont. Mr. Palmer took as his theme, "The growth of the Rotary movement in War time." Although the meetings might have been held in buildings that had been bombed, the clubs sponsored new clubs in nearby districts. England was high in the list of new clubs while the members were interested to find that even Finland, had added some. Mr. Palmer expressed the hope and desire that Rotary Clubs throughout the World would take an active part in post war times.

Howard W. Huttenlocher said a few words on the expansion program of Camp Agawam, the Boy Scout camp at Tommy's Lake, and expressed the hope that the Rotary Club would help in the work. It was announced that a Charter Night would be held soon at Temperance, Mich.

Mr. Herbert Beach, ex-1st Lieut., of the United States Army Air Corps, was a guest.

The District Governor visited the Waterford-Drayton Club on Tuesday.

Program To Be Given To Extension Groups

Home economic extension group members are meeting in various centers in the county to open their 1945-46 years' program.

There will be a time to get acquainted, and to renew old friendships. Discussions will give out duties of the various officers. Mrs. Dora Looney, the county chairman, will report on the conference held this summer at Michigan State College. The program of lessons will be announced for the coming year. Of special interest there will be the outside speakers.

The schedule follows:
Milford—September 25—1:30 p. m. High School Gym. Speaker—Miss Rachel Markwell, State Home Demonstration Leader from Michigan State College.
Oxford—September 27—1:30 p. m. High School Gym.
Royal Oak and Rochester—September 28—Oakridge. Speaker—Mr. R. J. Baldwin, Director of Extension Work at Michigan State College.

Pontiac—October 2—1:30 p. m. Y.M.C.A. Speaker—Mr. Don Phillips from Michigan State College.

All officers should attend the meetings and we hope every member will also come. If you can't come to your own district Rally Day, come to another. Anyone interested in Extension Work is also invited to the Rally Day in their vicinity.

Their adviser is Miss Ward.

SAFETY FIRST

Girls of Miss Klock's Junior and Senior homemaking class received some first hand instruction in fire fighting Tuesday. Mr. Brablec had asked them to learn about the instructions on the extinguishers. Then Mr. Beattie explained the proper method of using the chemical extinguishers.

Several Boy Scouts got up a small bonfire in the school yard and the girls put it out in short order. They found the chemical to be very effective when played upon the base of the fire. It did not do much good when the stream was directed into the upper part of the flames.

Mr. Beattie brought material with which to re-charge the extinguishers and they were placed back on the walls in several parts of the building.

By The Way

Since mentioning flower gardens in last week's paper a visit has been made to the dahlias gardens at the home of George D. Walter on Perry Lake Road. There are to be found dahlias of all colors and many varieties. Some of the blooms are ten and twelve inches in diameter. Many have straight stiff looking petals while others are curling and shaggy. There was one variety that fooled all of us. The petals curled back in such a fashion that they covered the top of the stem and we didn't realize we were looking at the back of the flower. One side was just as beautiful as the other If you happen to drive out Andersonville Road through Waterford you want to be sure and see the display of large, colorful gladioli at the Henri Buck home Before too long the children in the subdivision south of town, and the grown-ups too, will be able to walk to town with some degree of safety. A sidewalk is to be laid on the west side of M15 as far as the village limits. The work is to be started very soon Some of the Clarkston business men are beginning to visualize some of their post-war plans. Garold O'Dell has been having a ripping time this week—ripping out counters, shelves, soda fountain equipment and well, just about everything has been piled on the street in front of the drugstore. But what a surprise is in store for everyone. We understand that the place is going to be "the last word".

Girl Scout News

The Girl Scouts of Clarkston held their first meeting for this fall on Tuesday afternoon under the leadership of Miss Campbell. This year there are fifteen girls in the troop and they are divided into two patrols—"The Lily of the Valley" patrol for girls 11 and 12 years old and "The Red Rover" patrol for the ten and eleven year olds. The officers are: president, Pat Carpenter; secretary, Maxine Sage; treasurer, Sylvia Peterson; scribe, Mary Beattie. We closed the meeting with the usual friendship circle.

Mary Beattie, Scribe

Work has been started on the addition to the Morgan Station, at the corner of Main street and Buffalo Street.

What To Do

Do you have teen aged kids at home,
Who lay their plans upon the phone;
To meet and shake a little shag,
To guzzle coke and chew the rag?
Have you been told in later years,
How you've messed up your whole career;
How things you think are out of date,
If mention's made of hours late?
Are you put down as under par,
If you've refused the family car;
That your old soul you might appease,
To do one night, just as you please?

Has moss so covered up your back,
And switched your thinking off the track;
That manners taught when you were young,
Are evidence you should be hung?

In business have you lost your grip,
Where youngsters think you are a drip;
Because from morn till night you strive,
To earn enough to keep alive?

If you are these, you're all washed out,
And not worth thinking much about;
You're too darned old for fancy frills,
But young enough to pay the bills.

"Women know what they want"

"One thing a dealer in electric appliances finds out early—women know what they want. They come into the shop with their minds pretty well made up—that's why they show so much interest in the electric water heater. They know they want convenience—which means having hot water always on tap. They know they want hot water all around the clock—washing, baths, cooking, dishwashing, scrubbing, laundry and many other household needs. They know they want their families to have the best. That's why they want electric water heating—dependable and trouble-free... completely clean. I'm always happy to tell them about electric water heaters and about Edison's special low rate for water heaters that reduces the cost to only a few cents a day... I'll be still happier when I'll have enough heaters to fill all orders. We don't have enough now to go around, but we do get a few from time to time and are taking care of orders just as fast as we can."

LARGE FAMILIES

An electric water heater of large capacity serves the multitude needs of the large, active family.

SMALL FAMILIES

The economy of a smaller electric water heater fits the limited needs of the small family.

WORKING FAMILIES

With everyone at work all day, the dependability of the electric water heater is appreciated.

Water heaters are not generally available for sale now. A few are being manufactured and distributed. It will be to your advantage to have your name on your electrical dealer's list, so that you will be able to get one at the earliest possible time.

PETE SAYS

Until that new car gets here, you should take the best care you can of the old one. Let us grease it and change the oil. Winter will soon be here and you will need different oil. Why not get it now?
