

With pride and deep appreciation of its sons' and daughters' contribution toward VICTORY THE COMMUNITY RECOGNIZES ITS RESPONSIBILITY

TO ITS WAR VETERANS . . .

AND PROMISES AID IN ALL WAYS
THAT WILL HELP RETURNING WAR
VETERANS ENJOY A PEACEFUL AND
SUCCESSFUL LIFE.

The community's responsibility in serving the needs of those men and women from this area who have been and will be discharged from the armed forces was well stated recently in an editorial which read as follows:

What Our Community Must Do For The Veteran

"The G. I. Bill of Rights is the most generous legislation for veterans that has existed at the end of any major war. It has its faults, some of which are already being remedied but it is a good start.

"Under the G. I. Bill, the veteran gets adequate dismissal pay; the sick get hospital care; the disabled get vocational retraining to fit them for new jobs and some get pensions; the younger veterans are eligible for further education; other veterans may receive assistance in buying homes or starting businesses.

"The best part of all this is that help comes to the veteran when he needs it most, in the years right after the war when he is making his start in the world. Veterans of other wars have had to wait for years before they received any help, and when it came it was often too late to do any good.

"But don't get the idea that the G. I. Bill of Rights solves the veteran problem. It doesn't. Ultimately the veteran problem must be solved in this community. That means we must solve it, you and I and the fellow down the street. That is our responsibility.

"Through the G. I. Bill the federal government gives us the tools to work with in helping the veteran. We must use those tools. We are the fellows who have to do the work. There is a job for every one of us.

"Service officers of our veteran organizations must help the disabled to prepare and present their claims, promptly, while there is still a chance of restoring the disabled man to full usefulness. Anyone who has followed a single case knows how much work these service officers put in with never a thought of glory or of compensation.

"Our school teachers must help the younger veterans to plan their further education, give them tests, interpret their service education, advise them on the choice of schools and otherwise supply that guidance without which the general educational provisions of the G. I. Bill may prove to be worse than useless.

"Our businessmen must help the aspiring young veterans to make good use of the loans which the G. I. Bill provides, help them to discover opportunities and make good use of them, initiate them into the ways of the man who has to meet a payroll.

"All of us must be ready to help the boys when they come home, some bearing honorable wounds, others bewildered and confused, most, we hope, bright with promise and eager to begin living. All of them, in one way or another, will need our help. We must do all that we can to show them the road back. Our work is cut out for us. We cannot do less than our best for the boys who have done so much for us."

What This Community Is Now Doing For The Veteran

At the suggestion of the Governor of Michigan, a meeting was called in Clarkston to which representatives of all organized groups in the community were invited for the purpose of setting up a local Office of Veterans Affairs. Such an organization has now been completed. It operates the center at the Independence Township Hall, Clarkston. Naturally there are certain expenses involved in maintaining such a center and in giving the extensive service which it renders. The greatest need of the O. V. A. is a financial one. Therefore, any contributions which any citizen or organization wishes to make are not only welcome, but they are solicited. The O. V. A. is not the project of any local group or organization. It belongs to the community, it is a community responsibility and must be supported by the community.

What The Local O. V. A. Counseling Center Is Doing

Most of our soldiers, sailors and marines . . . at the present time . . . are still in the armed forces. However, Michigan veterans are now being discharged at the rate of about 1000 per month. The O. V. A. Program provides information and counseling service not only to service men in this war, discharged World War II veterans, whose numbers will increase, but also to their families and to the veterans of previous wars.

The trained, O. V. A. counselor in charge of the local Center recognizes that there is nothing mysterious or intricate about the information to be dispensed, for, after all, the counsel to the veterans on "jobs", "education", "loans", etc. is the same type that the same individual would have desired if there had been no war and if he had not been given selective preference. He would have sought counsel then and he will now. The only difference is that the "pre-

ferred status" is new and comes in a large volume at one time.

The primary duty of the O. V. A. Counselor is to act as a transfer agent in referring individuals who seek counsel and information, through the proper channels, to whatever person or organization is best able to solve the individual's problem. Beyond that it is the duty of the Counselor to follow through on the case and make sure that a proper and satisfactory conclusion is attained. For those cases which cannot be handled in routine fashion by the Counselor, he has at his command, the assistance and services of a number of sub-committees whose members are qualified to give educational, social, health, professional, etc., information and service so that a successful solution of the problem may be reached.

O. V. A. Information Center Office Hours

The O. V. A. Counselor is present at the Independence Township Hall, Clarkston from 7:00 to 9:00 P. M., from Monday through Thursday and other times by appointment. He can be reached by calling Clarkston 2402.

Community Attitude

The value of any service depends upon the community attitude, reflected through the O. V. A. Counselor and the citizens generally. This service should be on the basis of one neighbor serving another. The element of "case work" must be completely eliminated. The veteran will reject charity but welcome help; resent pity but welcome friendliness. He will want work and he will want to take his place in the community, but on equal terms with all. In short, the O. V. A. Counselor is simply performing as a "Good Neighbor" with a new title. To do so, no new rules or technique have to be learned or followed.

Finally, please tell the veterans about the Center. Tell them to use it if necessary. Tell them to go there and register. Records of all veterans from the community are kept at the Center whether they need help or not.

This community can take pride in the fact that it recognizes and is doing something to discharge its responsibilities to those who are serving their country in the armed forces . . . with their very lives if need be . . . to keep aglow the flaming torch that lights our lives to the end that millions yet unborn may know the boom of liberty. For any veteran's information you may need, phone Clarkston 2402 or call personally at the

The Hilltopper
On Friday, October 5, the Junior Class will sponsor a dance at the Clarkston High School. The "Wishing Well", as it is named, will last from 9:00 until 12:00. The music will be supplied by Walt LaPlante and his orchestra. The committees are as follows: Decorations—Joyce Moore, Jane Brooks, Francis Comstock, Allen Coventry, Floyd Marlowe, Jim Fuller, Kitty Rockwell, and Barbara Broadway. Advertising—Ida Beattie, Ruth Davies, and Peggy Brown. Refreshments—Pat Hoyt, Marian Emery, and Art Hutchinson. Ticket Chairmen—

Katherine LaPlante, Shirley Rebe, Cleanup Chairmen—Glen Davison, Jack Hagen, and Bruce Watson.
The dance is open to the public, so let's, everyone come.
NEWS FROM WARREN ETTER
Since Warren has entered Great Lakes he has had many singular experiences. His latest two being: cook and letter writer. Some buddy of his from Ohio never learned to write and Warren is charged with sending letters to the lad's girl back home. Naturally, the Ohio boy does the dictation and Warren says he really makes the language sizzle.
Several of Miss Campbell's English classes sent Warren 60 letters when Mr. Brablec complained that he was simple unable to keep up with Warren's rapid-fire stream of letters from Illinois.
Linda Myers, president of the class of '45, is attending Hillsdale College and is taking part in athletics and activities as she did here.
She writes that studies are tough but not impossible. She speaks with enthusiasm about college life and only regrets that Albin "hook" Hillsdale 13-6 in the opening football game.
The magazines to which our school subscribes: There are many magazines in our School Library. These magazines are placed throughout the school for students to read after they have completed

their studies: American Girl, Time, American Boy, Boy's Life, National Geographic, News Week, Field and Stream, Outdoor Life, Hunting and Fishing, Home Craftsman, Jack and Jill, The Instructor, Popular Mechanics, Vital Speeches of the Day, The Nations' Journal, Correct English, Seventeen, Hygeia.
Miss Beirlein's 8th grade class held a farewell party Sept. 28 for Joan Bredlow who is moving to Dallas, Texas, where her father is now employed.
The 8th grade students who were on the committee for the party are: Norma Terry, Marilyn Mortimore, Betty Stauter, Carolyn Waterbury, Orville Marlowe, Henry Burkert, Peter Tersigni, and Lee Johnson.
The class wishes Joan a fine trip to the South and her classmates are looking forward to letters from her. Joan has been a leading student in her grade and served as President of the class last year.
Several letters have been received from Warren Etter, U. S. N. He would like very much to hear from his school friends. Come on kids, let's write. His address is: Warren Etter, A.S. Company 1133 U. S. N. T. C. Great Lakes, Illinois.
We chose our class colors and flowers last week, deciding upon Kelly green and white for the colors and the white carnation for the flower. A committee has been appointed to choose a suitable motif for our class.
Tommy Slick, a former member of our class, left Thursday for Germantown, Maryland, where she will make her home. We all hated to see her leave, and wish her the best of luck.
Virginia Hall.
Mr. Andrews, Township Supervisor, gave the school three canvas stretchers. These were originally used by the Civilian Defense workers.
This equipment will be used for training boys and girls how to take care of injured or sick people. One has been placed in the ticket booth near the entrance to the gym for use in the event of some emergency. The school expresses its thanks to Mr. Andrews for his thoughtfulness in supplying this equipment.
The members of the second year Latin Class have organized a Latin Club. Their officers are: President, Katherine LaPlante; Pro-Chairman: Kenneth Hempstead.
They meet in class every first Thursday in the month. Since this is a newly organized club, initiation will soon be in order. For entertainment, plans have been made to have movies and plays about Roman customs. On certain occasions, the year Latin students will be the guests of the second year students.
Attendance was very good during the first month of school. The Sophomores were high and Freshmen low among the high school classes. The percentages were: Seventh grade, 96.2; Eighth grade, 95.8; Ninth grade, 87.5; Tenth grade, 96.9; Eleventh grade, 96.3; Twelfth grade, 96.1.

Loans On Potatoes
Oakland County farmers this year may again receive a Commodity Credit Corporation loan on their late crop potatoes under the Government's 1945 price support program, according to Walter R. Cook, Chairman of the county AAA committee.
Loans will be available beginning September 15 through December and all papers must be completed by December 31. Applications will be received at the county AAA office.
As in past years, the loan program will be the principal means of price support for late potatoes. Loans at 3% interest will be available on late potatoes that may be stored well.
Loans are payable on demand not later than next April 1. Beginning January 1, potatoes may be delivered in lieu of payment, in accordance with CCC's delivery schedule, the prescribed condition and manner, and if the appropriate grades of each lot are offered.
Oakland County support prices per hundred pounds for U. S. No. 1 grade potatoes, packed in new or thoroughly renovated sacks and loaded on board a through carrier in carlots at shipping points, are: \$2.05 for September; \$2.10 for October; \$2.20 for November; and \$2.30 for December. Differentials and other details concerning these prices may be obtained at the county AAA office.
Loan rates on late potatoes in Oakland county for U. S. No. 1 quality are \$1.39 per cwt. farm storage; \$1.49 per cwt. warehouse storage. For U. S. No. 1 size B and U. S. No. 2 the rates are 47 cents per cwt. in farm storage and 57 cents per cwt. in warehouse storage. These loan rates and support prices are the same throughout all counties in Michigan.

Beware Coughs from common colds That Hang On
Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.
Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.
No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

"We get our hot water ON TAP"

"For years I have been accustomed to the convenience of electricity in our home. Our all-electric kitchen has given me many extra hours of enjoyment with Bobby, and time for just plain relaxation too. Now we have an automatic electric water heater, and do we enjoy it! Gone forever are the slow ways of the past, heating water for dishes, baths and washes. Today with our water heater John has plenty of hot water on tap for his morning shave and shower. I have plenty of hot water at all times for the household chores, and young Bobby doesn't raise half the fuss about his bath now. Yes, our life is more complete and more enjoyable now that we get our hot water on tap."

Water heaters are not generally available for sale now. A few are being manufactured and distributed. It will be to your advantage to have your name on your electrical dealer's list, so that you will be able to get one at the earliest possible time.

TURN ON THE ELECTRIC LIFE

A home wherein the owner has ample opportunity to enjoy the many facilities for relaxation and comfort that he has had built in, is the all-electric home. The time-, health- and labor-saving advantages of electricity say, "Turn on the electric life."

October 5, 1945

Drayton

Dr. Morrell M. Jones
Dr. Morrell M. Jones of 4021 Saginaw Trail Drayton Plains passed away last Friday in the Henry Ford Hospital in Detroit where he had been for two days. He was born in Imlay City on April 14, 1891. He graduated from the Detroit College of Medicine and surgery in 1915. He had been in practice for 30 years and for 17 had practiced in Oakland County. In January 1941 he was elected head of the department of gynecology and obstetrics at Pontiac General Hospital. He had served as chief of staff at St. Joseph Mercy Hospital and was a member of the American Medical Society, Michigan State Medical society and the Oakland County Medical society.

Dr. Jones was a veteran of World War I, having enlisted in the medical corps in 1917. He served in France as a junior battalion surgeon with the 104th regiment of the 26th division. He was a member of the American Legion and also the Veterans of Foreign Wars.

Besides his widow he is survived by a daughter, Mrs. Shirley Humphreys of Pontiac and two sisters, Mrs. Effie Large and Mrs. Beatrice Butler of Imlay City.

The funeral service was held at the First Presbyterian church in Pontiac on Monday afternoon with Reverend William H. March officiating. Burial was in the Imlay City cemetery.

Sgt. Leslie Pickup arrived home on Thursday of last week. He has been in Germany for the past 3 years. His wife is the former Alice Appleton of Drayton Plains.

The third cooperative supper and entertainment with the third group in charge was held in the C. U. Presbyterian church on Wednesday evening of last week. At 6:30 one hundred and fifty enjoyed a grand meal. John Watkins had charge of the program that followed. Roy Dancy gave the invocation. Mr. and Mrs. Kirby McLeur were in charge of the group singing. Dr. Rowley read the scripture and Mrs. Forrest Gibson offered prayer. Ross Barber sang a pretty number. The topic for discussion was "Action". Those taking part were: Floyd Wilson, "Action in the home"; Cliff Schoenhals, "Action in the neighborhood"; Mrs. Katherine Cubie, "Action in the church"; Rev. C. J. Sutton, "Action and the Lord Jesus Christ". The meeting closed with the singing of "Blest Be The Tie That Binds" and the benediction by the pastor.

Dr. and Mrs. L. G. Rowley were hosts to the C. U. Presbyterian choir on Thursday evening in honor of Miss Inez Sutton, daughter of Rev. and Mrs. C. J. Sutton, who is leaving soon to teach English in Cairo, Egypt. She expects to be gone for three years. She received many lovely and useful gifts.

Cpl. Marcella Host, marine corps women's reserve, in on her way home as a civilian after 27 months in service. She is one of the first group of women discharged from the west coast base under the marine corps point system for women. Since her enlistment she has been stationed at Cherry Point, El Centro, Calif., and at the marine base in San Francisco, as a radio operator. She was trained in Madison, Wis. She is the daughter of Mr. and Mrs. A. J. Host of Pontiac, formerly of Drayton Plains.

campaign—which means getting the remains of all the plants which are through for the season ready for plowing under or put into the compost pile. Corn stalks may be cut into short pieces and plowed under, or if they have been infested with the European corn borer, burned, because getting rid of these corn stalks is one of the best methods of controlling that pest.

Crops which are to be stored should be left in the ground until there is danger of the ground freezing. They will keep better in the ground until then than anywhere. Late cabbage and related crops can be left until severe weather, also.

If onion tops have not died down, they may be broken over with a rake to hasten ripening of the bulb. Onions should be pulled when mature and spread out in a well ventilated room before storing.

A cover crop of rye is desirable to provide green manure and to prevent wind erosion of light soils during the winter months when there may be no snow cover.

Fall plowing is one way to help improve the texture of heavy clay soils. Such ground plowed and not harrowed will be improved by the alternate freezing and thawing during the winter.

Get Garden Ready For Winter

With October comes the time to get the garden ready for the winter. Much work can be done in the fall which will help out in the Spring when there never seems to be time enough for the gardener.

The first job is the clean-up

Community Activities

At the Club House

Modern and old time dancing beginning at 9:00 Saturday evening.
Library hour at 9:00 Saturday evening.
Sunday School at 9:45 on Sunday.

Lutheran services at 11:00 Sunday.
500 at 8:00 Monday evening.
Rotary luncheon noon on Tuesday.
Boy Scouts at 7:15 Tuesday evening.

Annual meeting of Christ Lutheran church at 8:00 Tuesday evening.

Library work between 1:00 and 4:00 Wednesday afternoon.

Library hour beginning at 7:00 Wednesday evening.

Youth gathering between 7:00 and 10:00 Wednesday evening.

The Potluck supper by Women's Club at 5:30 Thursday evening.

Membership meeting of the C. A. I. immediately after supper, Thursday evening.

The public is invited to the dance Saturday evening. Family parties are also urged to attend. There's always a good time.

Sixteen persons enjoyed pinocle at the Club House Monday evening. The group will meet again on October 15 with an invitation extended to couples.

The second evening of 500 is scheduled for Monday evening at 8:00. There will be prizes and everyone attending is asked to bring own sandwiches. Coffee will be furnished.

The Waterford - Drayton Rotary Club is served a luncheon by the Women's Club each Tuesday noon which is followed by an interesting program and business meeting. Norman Roth conducts the business meeting.

Last Wednesday evening there were about 175 youth at the Club House. Mrs. Helen Sanford and Donald Weaver are assisted each week by a couple of parents. Anyone wishing to assist in this work may contact Mrs. Sanford.

A lot of work has been done in our Community Library and there is still a lot to be done. There is to be an important meeting the Wednesday afternoon connected with the work hour. All interested in the library work are urged to attend the meeting. The luncheon gathering between 1:00 and 4:00.

The Women's Club is sponsoring a potluck supper at the Club House Thursday evening at 6:30 to be followed by the monthly Membership meeting. All attending the supper are asked to bring own table service and each family is to bring a covered dish.

The Cubs met at the Club house last Friday evening with the following boys receiving badges: Bob Cat, Ronald Huber, Marvin Main, and Robert Giroux; Wolf-David Eaton and Charles Kreher; Lion-Louis Rizzolo and Ronald Bartell; Weblow-Ronald Bartell, Daniel Segman and Robert Minton, gold arrows by William Jacober, Charles Kreher and Dan Grafmiller. The following boys received service stars: Louis Rizzolo, Dean Grafmiller, William

Sutton, Ronald Corell, Donald Helman, William Jacober, Donald Denhoff, Earl Lambertson, Robert Minton, Donald Dryden, Ronald Bartell, Daniel Selgman, Lawrence Olsbeck, John Sanderson, Clifford Wood, Carl Reed, Rodney Attwater, Ronald Minton, Mike Segman, John Bartell, James Cleland, Larry Grover, Lewis Fitzgerald, David Barber, Richard Skelton, Richard Gorman and Melverne Hillman. Don 5 won the Parent Attendance Plaque for the coming month. The theme for this month will be "Pioneering". The Cubs are sponsoring a paper drive through October 12 and anyone having bundles of paper to dispose of may call George Attwater and he will have a Cub pick it up. Mr. Attwater's phone number is 31-1737.
