CLARKSTON, MICHIGAN, FRIDAY, OCTOBER 26, 1945

NUMBER 8

Rotarians and School In Hallowe'en Party

Student Council members headed by Wally LaPlante have arranged a program for the night of Oct. 31st. The Clarkston Rotary Club is likewise shouldering a good part of the work and planning toward making Hallowe'en a night of fun and frolic. Ron Walter is chairman of the committee and is being assisted by Earl Terry, Seymour Miller, William Vliet and Carl Brabec.

Numerous prizes for costumes will be at hand with the Rotary supplying the judges for this event. Cider seems very scarce and soft drinks may be needed to supplement what the current apple crop has failed to supply. Frank Ronk and Harold Horn are to be responsible for the makings of a bonfire, football players will lead the torch-light procession down town and back to the school. Harold Smith is in charge of the snake dance.

Later in the evening Charles Robinson and other talented musicians will furnish music for the "Grave-Diggers Ball" now being promoted by the Sophomore class under the direction of class adviser Patricia Niblack. The public is invited.

All in all, if weather gives these organizations as much as half of a break, the Hallowe'en Party will be a gala, colorful event.

Obituary

Norman Davison

Norman Davison, 87, passed away last Friday at Clarkston Rest Haven, where he had been for the past three years.

He was born at Highland, Aug. 2, 1858. In 1881 he married May Eldred at Cass City. He was a retired farmer and a member of the Baptist church.

Surviving are three sons, Kenneth of Red Wing, Minn., Norman of Clarkston and Paul of Detroit and two grandchildren.

The funeral service was held on Sunday afternoon at the Clarkston Baptist church with the Reverend Walter C. Ballagh officiating. Burial was in the West Highland cemetery.

4-H Club News

The Clarkston 4-H Club met at the home of Alma and Naomi Cheslik for the October meeting. At the business meeting the 4-H Achievement Day program was discussed. The day for the regular meetings was changed. Refreshments were served and a social hour was enjoyed. The next meeting will be held at 8 p.m. on Nov. 7th at the home of Floyd Marlowe. The 4-H Achievement Day program will be on Nov. 10th and all 4-H members should attend.

Junior Literary Club Met in Drayton Plains

The Junior Literary Club met at the home of Mrs. Harlan Oakes in Drayton Plains on Thursday night of last week. The Roll Call was answered by giving a humorous story from the Readers Digest. At the business meeting it was voted to buy new books for the library. A splendid paper was given by Mrs. Harold Weston on "They're Still The Same Inside" by Helena Huntington Smith. The next meeting will be on Nov. 1st at the home of Mrs. Harry Colwell in Pontiac.

Our Boys and Girls In The Service

Cpl Forrest (Bud) Irish is home for a few days enroute to Chandler Field, Ariz. Bud is with the air force and for many months has been stationed at Boca Raton, Fla.

Among those released from the naval service at the U. S. Naval Personnel Separation Center at Great Lakes, Ill., on Oct. 19th was Ronald R. Stocker, Cox., of 119 N. Holcomb St.

Clifford G. Waterbury Jr. of Route 2, Clarkston, Michigan, who has been serving in India for the past 3 months with a unit of the Army Airways Communications System, has been promoted to the grade of Private First Class, his organization has announced.

Pfc. Waterbury, formerly employed by Pontiac Motor Corp., Pontiac, Michigan, is a communications specialist. His unit has helped to provide the radio communications, navigation aids, and airfield controls necessary for the mass movement of aircraft over India.

October 19-1945

Dear Mr. Stamp:

It has been quite some time since I wrote you last but have been moving around a lot lately and never get settled before I get home to move on.

I am going to take this opportunity to thank you and the Service Mothers for sending me the home town paper. I really enjoy keeping in touch with what is going on back there as it looks like it will be sometime before I get home.

I left the States on the 20th of July and celebrated V-J day in Honolulu. I have had enough addresses since then and hope I haven't put you out too much to change them. I have only received the August and September issues but the others will be forwarded to me. I hope that it won't be long now before I get stationed permanently as it takes so long for all of my mail to reach me when I am traveling around.

This Pacific is a good deal different than the Atlantic. I am glad to get to see both. While I am out here I hope to be able to see Japan and China and I stand a good chance by being in the Regular Navy.

It is really hard to imagine that Fall is here because the weather has been so warm lately, but I hear that you have had several frosts back home already.

I will close for now, thanking you again for sending me the paper. I doubt if I will be able to get home for Christmas, but I hope to get a leave early next year.

Sincerely

Milo E. Shaw, MoMM1c

Tuesday, Oct. 23

Dear Mr. & Mrs. Stamp:

Right now I'm feeling quite homesick; every day some of our old girls get discharged and new ones take their places. We, few old timers on this station will soon be the strangers.

The weather has been at its loveliest, makes me want to be home more than ever to tramp in our woods or go hunting. I see by the papers you send that a lot of the boys are coming home. Clarkston will look more like itself now. It was most deserted when I was last home. I'm starting to do my Christmas shopping already, so soon. Probably won't be home 'til I'm out, which won't be until at least February.

Thanking you again for the paper,

Marie Crooker

Farm Bureau Plans Roll Call Campaign

Oakland County Farm Bureau plans for the 1946 Roll Call Campaign were completed on Oct. 8 at its Oct. monthly board meeting held at Waterford Town Hall. Howard Chanter has been appointed Roll Call Manager by the Roll Call committee, made up of John Rees, chairman from Holly, Bob Long from Milford, George Haack, Wixom, Ward Eagle, Farmington, Howard Chanter, Davisburg, Mrs. Iva Miller, Clarkston, Milton Miller, Oxford, George Scott, Oxford, and Mr. Gus Mix, District Representative from Michigan Farm Bureau. Mr. Chanter attended a meeting in Lansing Oct. 11 where Roll Call managers from 51 counties met to discuss details of the annual volunteer membership Roll Call Campaign. The Oakland County Farm Bureau goal for 1946 is 842 members. Present membership is 665.

Celebration Marks 25th Anniversary

Mr. and Mrs. Jas. Bennett Are Hosts Saturday and Sunday

Last Saturday, Oct. 20th reminded Mr. and Mrs. James Bennett that 25 years ago, on October 20th, 1920, they spoke their marriage vows in Parkhill, Ontario. In celebration of this eventful day they held open house at their home on Overlook Drive on Saturday evening. Their many friends called to extend best wishes and reminisce a little for the Bennetts have lived in Clarkston for about 21 years. They have one daughter, Marie and one son, Emery.

A feature of the evening was a mock wedding presented by the young folks. Ann Barrows was the bride; Emery Bennett, the groom; Elaine Watson carried the bride's train; Marie Bennett was the minister and Pat Watson acted as the bride's father. These young people had a lot of fun depicting this little skit and the adults enjoyed a good laugh.

The refreshment table was covered with a beautiful lace cloth and was centered with a three tiered wedding cake topped with a miniature bride and groom. The cake was on a large mirror and around the base of the cake were long silver leaves and white baby mums. At each end of the table was a lighted taper in a crystal holder. Mrs. George Perry presided at the table and Mrs. Roy Gundry and Mrs. Percy Craven assisted. Large bouquets of white and bronze chrysanthemums were used in profusion about the house.

Mr. and Mrs. Bennett received many lovely gifts.

On Sunday Mr. and Mrs. Bennett were hosts to 35 guests at a two o'clock dinner at their home. One of the dinner guests was a guest at their wedding 25 years ago and one of the couples at the dinner was a bride and groom on their honeymoon. They were married Saturday in Strathroy, Ont. The bride was Mrs. Bennett's niece. White chrysanthemums centered the dinner table and lighted white tapers in crystal holders were used at each end of the table. Charles Richardson of Ferndale proposed the toast to the bride and Jack Spence of Windsor, the toast to the groom. Mr. and Mrs. Bennett responded and were not quite as nervous and excited as they were 25 years ago.

Mr. and Mrs. Bennett received some beautiful gifts and the best wishes of their many friends.

The guests were from Ferndale, Redford, Windsor and Strathroy, Ont.

Boy Scout News

At our Monday night meeting 28 scouts were present. We had an advancement period and also played several games. Plans were made to sell Readers Digest again this year. We will appreciate renewals and new subscriptions. This year we will sell a 2 year subscription for service men at \$3.00.

Raymond Day, Scribe

Local Pastor Represents Spiritual Mobilization

"Victory and war's end increase the importance of restoring America's basic freedoms and spiritual ideals. Communism and Socialism are rising tides elsewhere and have strong champions in America. Collectivism, whether fascist, communist, or socialist, is un-American and anti-Christian. Government cannot fully control and create economic life without destroying personal freedom. Increased wartime bureaucratic controls brought moral degeneration which concerns religionists of all faiths."

This is the opinion of James W. Fifield, Jr., D. D., Los Angeles pastor and director of Spiritual Mobilization, a national movement to preserve constitutional government in the U. S. and to protect its basic freedoms and spiritual ideals. Dr. Fifield reports that the movement has enlisted 1731 representatives from coast to coast, representing nineteen denominations, and that two million laymen have signed its basic freedom's pledge.

"Spiritual dedication and effective morality must be rallied at interdenominational, interfaith and interracial levels," warns Dr. Fifield. "The atomic bomb, which all nations will soon have, confirms the spiritual imperative. It will not be an easy nor a brief undertaking, but in it may be wrapped up the future of the things that matter most to Christians and to Americans."

In Clarkston Spiritual Mobilization is represented by the Rev. Walter C. B. Saxman of The Methodist Church.

Local Girl Hurt In Accident Wednesday

On Wednesday night Evelyn McCann of Clarkston was hurt in a car accident on the road near Commerce. She was taken to St. Joseph Mercy hospital and the extent of her injuries has not been determined. The driver of the car received a few cuts and was treated at the hospital and released.

It will be worth your while to attend this meeting. Dr. James Ferguson, Moderator of the General Assembly and Dr. Albert E. Kelley, director of World Wide Christian Advance, will be the speakers. Thomas Doyle, director of publicity has asked for cars. Please notify him if you want to attend this conference and need transportation.

CHRIST LUTHERAN CHURCH

Community Activities Building

Philip A. Jordan, Pastor

9:45—Sunday School—classes with teachers for all ages. All children in the community, not already in Sunday School, are invited to attend this service. There is also an adult class.

The pastor has chosen "The Great Obligation of Church Going" as his topic for the 11:00 o'clock service this Sunday morning. The adult instruction class will meet at the parsonage on Tuesday next week instead of on Wednesday as usual.

The Grand Rapids district meeting will be held in Detroit next Friday, Nov. 2nd and Mrs. Frank Schlutow will go as a delegate from this church. The Reverend and Mrs. Jordan will also attend.

The Gethsemane Lutheran church in Berkley is dedicating the first unit of their new church next Friday evening, Nov. 2nd, and all from the Christ church who are interested in attending are urged to do so.

The Guild of the church sponsored its first penny supper and festival on Tuesday evening and were well pleased with the results.

SUNNYVALE CHAPEL

Waterford Center Schoolhouse
9:00—Morning Worship—Sermon topic—"Elements of a Successful Church"

Wiechert-Allen Rites Read Saturday Night

A very pretty wedding took place in the Clarkston Baptist church last Saturday night at eight o'clock when Reberta Wiechert, daughter of Mr. and Mrs. Roland Wiechert, and William J. Allen, son of Mr. and Mrs. Guy Allen, both of Clarkston, spoke their marriage vows at a double ring candlelight service in the presence of 125 guests. The Reverend Walter C. Ballagh officiated. Across the front of the sanctuary were large baskets of light colored gladioli, palms and lighted candles. Lighted white candles were also used in the church auditorium.

Immediately preceding the ceremony little Phyllis Ann Snover, niece of the bridegroom, and Shirley Ann Wiechert lighted the candles. They wore identical pink dresses with matching ribbons in their hair.

The bride, who was given in marriage by her father, was lovely in a white satin gown with a full net skirt and a sweetheart neckline. A full length net veil was held in place by a coronet of flowers and she carried a shower bouquet of white mums and roses. Her only jewelry was a single strand of pearls, a gift of the bridegroom.

The bride's only attendant was her sister, Audrey Wiechert, who wore a pale pink taffeta gown with a shoulder length veil and carried a bouquet of pink roses and white mums.

The bridegroom was assisted by George Keyser, Jr., as best man and Frank Ronk and Walter LaPlante acted as the groomsmen.

Mrs. Howard Lord presided at the organ and Robert L. Jones sang "Always" and "I Love You Truly."

The bride's mother chose for her daughter's wedding a black crepe dress with sequin trim and white accessories. Mrs. Allen was dressed in a fuchsia crepe with brown accessories. Both had corsages of gladioli.

A reception was held at the Groveland Grange Hall for 100 guests, after which the young couple left on a trip through the south. For travelling the bride wore aqua wool with black accessories and an orchid corsage. On their return they will make their home near Clarkston.

Out of town guests were from Birmingham, Sandusky, Okonville, Brown City, Lapeer, Oxford, Pontiac, Lake Orion, Milford and Waterford.

Rotary News

Guests at the Clarkston Rotary Club on Monday were Capt. Stoll, Leon Wilcox and Paul Shaughnessy.

The speaker was Floyd Miller who gave an interesting report on the consumer side of credit.

At Tuesday's meeting of Waterford - Drayton Rotary held at the Community Activities Bldg., James C. Covert, Superintendent of Waterford Township schools and program chairman for the day, before introducing Donald Weaver, visiting teacher of Waterford Township schools, made a few introductory remarks. He asserted that school officers and the teachers are striving to give the youngsters as good an opportunity as can be had anywhere in the state. He also stated that the by-products of modern teaching such as citizenship instruction, character building and cultural subjects are as important as the three R's.

Mr. Weaver in his address stated that under its present setup Waterford Twp schools system is one of the best in the state. Under supervision of Mr. Weaver, in cooperation with the teachers and the parents, all possible effort will be made to correct physical defects, improve home conditions, stimulate interest in sports, art, and musical and cultural subjects. Mr. Weaver concluded that under the present operation of the program, the teachers observe all the children under their care and if any defects appear, Mr. Weaver then studies and handles the case of each child and every effort is made to return the pupil to a normal and useful habit of life.

Guests were Homer D. Hoskins, Rev. Philip Jordan and Gene McNeive.

ANDERSONVILLE CHURCH

Harold Bater, Pastor

10:30—Morning Worship
11:30—Sunday School, Lloyd Miller, superintendent

Thursday night at 8 o'clock—Bible Study and Prayer Meeting

War Fund Drive Ends Monday

It hardly seems possible that the donations to the United War Fund are lagging. Perhaps that is because you have not given. When we know and realize how much good this fund does then falling short of the quota is almost unbelievable. There are two more days to go and in that time surely everybody in Independence Township will have given and given generously. If you have missed the solicitor just stop in at the Clarkston State Bank and the person in charge will gladly take your donation and give you a receipt.

Special Privileges Offered Re-enlistees

Today's army offers many advantages and privileges practically unheard of previously, according to Capt. F. A. Trumpf, head of the U. S. Army Recruiting office in Pontiac.

A man with World War II service who enlists in the regular army is entitled to his mustering out pay, the enlistment allowance, choice of service and the theatre in which he wants to serve, the captain pointed out.

The regular army offers an education, the opportunity to travel and a career with lifetime security, the recruiting officer declared.

All men discharged from the army between May 12 and Nov. 1 of this year are urged to investigate the special provision granted them when enlisting or reenlisting in the regular army.

Enlistments are being taken now at the U.S. Recruiting office, 531 1/2 West Huron Street, Pontiac, Michigan.

The special provision permits men discharged between May 12 and Nov. 1 to regain their former grade upon enlistment, but this provision expires Nov. 21. After Nov. 21 men discharged must enlist within 20 days from date of discharge in order to regain their former grade.

Original enlistments and reenlistments may be made in the regular army for periods of 18 months, two or three years. Men 17 or over are eligible for the regular army. However, no person under 18 years of age may be enlisted without written consent of his parents or guardian.

Men honorably discharged and enlisted within 20 days of discharge will be enlisted in the highest grade permanent or temporary which he held at the time of discharge, provided reenlistment is made before Feb. 1, 1946.

Reenlistment allowance will be paid to persons enlisted or reenlisted within 90 days of discharge on or after June 1, 1945. Fifty dollars will be paid for each year of completed service in the army, whether enlisted, commissioned or warrant grades, will be credited. Service is considered continuous when not interrupted at any one time for over 90 days.

The dependent or dependents of any enlisted man will receive a monthly family allowance during a period of enlistment or reenlistment contracted before July 1, 1946. The family of any enlisted man also will receive an allowance during any war declared by Congress plus six months.

The GI Bill of Rights is extended to any man who enlists or reenlists within one year after the passage of the Army Forces Voluntary Recruitment act of 1945 and will cover the man's first period of enlistment or reenlistment.

Local Boy At Tractor School

Charles Carpenter was the Oakland County representative to the 4-H farm tractor leader training school held this week at Michigan State College. 4-H Club Leaders from this territory were accompanied by Lyn Lewis, District Club Agent.

Sponsored by the Standard Oil Company (Ind.), it was the second year for 4-H tractor schools in Michigan. Similar in plan to that of 1944, four leader training schools held in various parts of the state will provide schooling for one 4-H leader from each county. This leader will return to his home county to assist in setting up a tractor club project.

Last year 1,081 Michigan 4-H members in 51 counties were enrolled in tractor projects.

Efficient operation, maintenance, repair and handling of the tractor, as well as tractor safety, are studied at the tractor schools for leaders and in the project classes.

By The Way

Surely some of this chilly weather makes some of you feel like seeing a football game, not necessarily a college game, but maybe a game where you know all of the players, say a high school game, perhaps the game this afternoon when the local high school team clashes with Linden. Good support from the sidelines make for better playing. . . . Some of the young folks forgot that those mean hallowe'en pranks were out dated several years ago, and so, many windows in the district have been covered with that precious household necessity, SOAP. Today hallowe'en is celebrated by having a good time. There is no destruction of property. "Fun" is the theme of the evening and this year will be no exception when young and old meet at the school for a good time. . . . Among the 6000 students receiving instruction at the Michigan State College this fall are 325 Army trainees and 604 war veterans.

Girl Scout News

The meeting of the Clarkston Girl Scouts on Tuesday was opened with the salute to the Flag and the repeating of the laws and promise. The Girl Scout's Penny Line will be made in downtown Clarkston on Saturday, Nov. 17th from 9 a.m. until 5 p.m. There will be two shifts, one from 9 until noon and the other from 1 until 5 o'clock. On October 30th we are going to have a Hallowe'en party at the school. Many interesting things are planned for this date. Christmas and "fall occasion" cards are still for sale. Order some today from any girl scout.

After the business meeting we sang songs.

Mary Beattie, Scribe

Mr. and Mrs. Ira Jones expect to leave for St. Cloud, Fla., next Wednesday.

Bob Clark Honored At Surprise Party

On Tuesday evening Robert (Bob) Clark was honored at a surprise birthday party at the home of Margaret Ann and Ida Beattie. Dinner was served to 14 at seven o'clock.

During the evening the young people had a good time playing games, dancing and singing. The group wished Bob many more happy birthdays.

A Change In His Plans

He'd planned for years the things he'd do
To build his fortunes higher.
Each day he thought of some way new

To stretch his golden spire.
He planned on discounts he could earn,
And other methods thrifty,
With all the tricks a man can learn

By time that he is fifty,
I need not say, he did succeed,
He made a pretty shilling,
His wealth was more than he would need.

In fact he'd made a killing,
But, yet he planned for greater days,
For greater golden packets;
And thus he found a dozen ways

To higher income brackets.
Then sickness came and wealth meant naught,
For when at death one's peer-
ing,

All the fortune one has wrought
Is slipping out of hearing.
So plans are changed at such a time,

From making unto spending,
And things are ours that once were mine
To make a happy ending.

—Robert C. Beattie

The young people of the C. U. Presbyterian church have planned a Halloween party to be held at the church tonight, Friday, Oct. 26th.

Mr. and Mrs. Roy Tewilliger and sons, Lieut. Allen and Herbert Tewilliger of Birmingham, were Monday guests of Mrs. Martha Tewilliger.

Mr. and Mrs. Charles Williams and daughter and Mrs. Grace Barnhart spent last Sunday afternoon in Northville as guests of Mr. and Mrs. Dean Griswold. Mrs. Griswold is seriously ill. They also drove to Howell and spent a short time with Mr. Williams' parents, Mr. and Mrs. Fred Williams.

Have you made your contribution to the Community War Fund? If not do it now.

A Moderators and Directors conference will be held in the Littlefield church in Detroit on Nov. 2nd. Dr. James Ferguson, Moderator of the General Assembly and Dr. Albert E. Kelly, Director of World Wide Christian Advance, will be the guest speakers.

252 Boy Scouts of Drayton Plains held a Court of Honor in the school auditorium last Thursday evening starting at 8 o'clock.

The Eisenhower medal was earned by several scouts through their participation in the waste paper drives during the past winter.

Mrs. W. Hawthorne of the Syers block was hostess at a bridal shower honoring Mrs. Edward Stenberg last Wednesday evening.

Mrs. R. E. Myers and daughter, Janet, of Detroit have been the guests of the former's mother, Mrs. Fred Attwater, for the past two weeks.

A delightful evening was spent at the home of Mr. and Mrs. Frank Jankawske on South Drive last Friday when their son, Charles, entertained the Community United Presbyterian church choir and the young peoples society. There were 42 guests present.

Red Cross News

An important corps in Volunteer Special Services of the Oakland County Chapter, American Red Cross is the Hospital and Recreation Corps, better known as Gray

Ladies. According to Mrs. W. C. Sproull, chairman, this corps was organized within the local chapter three and a half years ago, when Mrs. Ferdinand Broock, who had previously received her training in Detroit, became chairman. The first class was organized by Mrs. Broock in March 1942 and consisted of sixty-five volunteers. This class received its training at Pontiac General Hospital and shortly after graduation Mrs. Broock became vice-chairman of Volunteer Special Services after which Mrs. Sproull, who also had received her training in Detroit, directed succeeding classes. Since the first class, 326 Gray Ladies have taken the course prescribed by the American National Red Cross and have worked as volunteers in Oakland County Hospitals. In their work the Gray Ladies have performed a great variety of duties as a service to the over-worked war time staffs of hospitals as well as to the sick. Among their many services are: the feeding of patients unable to feed themselves, staffing information desks, sitting with other patients, assisting with care of patients under the direct supervision of a nurse. While organized as a war-time necessity in Oakland County, the Hospital and Recreation Corps is part of the established service of the American Red Cross and functions as a volunteer service in peace time as well as in war. The corps had its inception in 1913 at the close of World War I. It is the intention of the Oakland County Chapter to continue the service within the county as long as the hospitals need the Gray Ladies.

In the past three and a half years the Gray Ladies have volunteered their time at Pontiac General Hospital, St. Joseph Mercy Hospital, Royal Oak Hospital and to the Oakland County Infirmary.

Conservation News

A spectacular 377 per cent increase in sale of resident bow and arrow deer licenses this fall is reported by the conservation department.

Mid-October sales of licenses this year total 668 as compared with 640 sold prior to October 15, 1944. Forty-five nonresident licenses have been sold in recent weeks as compared with 26 during the same period in 1944.

Several factors contribute to increased interest in the sport, the department believes. The 1945 season has been lengthened materially by legislative action, extending from October 1 through November 5 as compared with the 14 day season (November 1-14) in 1944, first year when the entire state was opened to the sport. Also, archers who fail to secure bucks during the bow and arrow season this year may hunt during the regular gun season, November 15-30.

Department game men believe that the increase in sales of licenses also may reflect a new attitude on the part of sportsmen, an increased appreciation of hunting for its own sake and lesser emphasis on the kill.

Wind erosion, common in many parts of Michigan, can best be prevented by planting trees, preferably conifers, as windbreaks across the direction of prevailing winds.

Another week has passed without a forest fire having been reported by the conservation department, a near record in total elapsed time without a fire during fall months. Forests are greener than is usual at this season.

A total of 16,993 acres has been burned in 797 fires this year, nine fires during September burning only six acres, a record low for the month.

The Grand Sable sand dunes,

five square miles of shifting sands near Grand Marais, Alger county, are fifty to seventy feet high.

Special Frostings Vary Cake Flavor

What the well dressed cake should wear is sometimes doubtful. But for variety that will please the family the next time a cake comes out of the oven, Mary Woodward, home demonstration agent, suggests:

Let the cake cool, cut in pieces, dunk each piece quickly in corn syrup, then in chopped nut meats. Or, prepare a frosting by beating over hot water until fluffy ½ cup tart jelly and 1 unbeaten egg white.

Or, spread the cake with this mixture: 3 tablespoons butter, 5 tablespoons brown sugar, 2 tablespoons milk, and ½ cup each of wheat cereal flakes and chopped nuts; place under broiler until mixture bubbles.

Three moose have been seen recently in the Newberry district, two by timber operators working in the vicinity of the Fordney fire tower north of Newberry, a large bull moose in the McDonald Lake - Port Inland area south of

Blaney Lake.

of the hunting season. The Clarkston High School hunters had a demonstration on safety with firearms which was reported in detail in the last issue of the Clarkston News. This news was relayed to Detroit by Miss Campbell's English class and brought a hurried response. Detroit phoned back directly, asking for a time and place to photograph the Clarkston hunters. Unfortunately not all could be in the picture, but a representative group came togged as hunters of headlines instead of pheasants and rabbits.

The story and pictures are expected to appear in the Monday issue of the Detroit News.

SOPHOMORE NEWS

Last week, in this paper, the wrong news was sent in and I want to make a correction. The name of the dance is not "Hallowe'en Modernized", but "The Grave-Digger's Ball". Walt LaPlante and his band will not be available so our class has hired Emil Sutt and his Pontiac dance band to play for us that evening. Charles Robinson will play with them.

Of course the Student Council's Hallowe'en activities will come ahead of the dance.

Prizes are to be furnished by the Rotary Club for the best costumes.

SENIOR NEWS

The Senior play, "Shiny Nose", will be given the first week in December. Tryouts will be Wednesday and Thursday and the final cast will be chosen on Friday.

Plans are being made for the Senior assembly which will take place November 21. Joyce Lawson is the committee chairman.

Virginia Hall
BUY FROM OUR SCHOOL
Starting October 22 until Oct-

ber 31st the students of Clarkston High School are selling favorite magazines. Some of these magazines are: Collier's, American, and Woman's Home Companion. There are many more but these three sell most frequently.

If some student should come to you about subscribing for these magazines you may be sure of much wholesome reading. You will also be contributing to the athletic fund because the boys do need new basketball suits and the girls will probably want something for their teams, too.

Several magazines which would not guarantee delivery have been stricken from the list this year.

NEW ADDITION TO LIBRARY

We have received some new books in our school library. They are: Lake Huron, Lake Erie, Tom Harmon's "Pilots Also Pray" and New World of Machines.

These new books are available for any student.

Jackie Welsh

THREE NEW CHEER LEADERS
Clarkston High School would like to congratulate the three new cheer leaders for the splendid job they did at Pep-Session Oct. 18. Our boys really made fine looking "girls" in those pleated skirts. Thanks "Tink" Ronk, Glenn Davison and Harold Smith.

Our Cheer Leaders this year are: Ida Beattie, Doris Boyns, and Ruth Davies. They are going to town on those yells this year. They have given the boys courage when they have just about given up. You can tell how good they must be because we have won 2 out of 3 games so far this year with the help of the Cheer Leaders out front.

Community Activities

At the Club House
Cub Scout meeting promptly at 7:30 this evening (Friday).
Instruction Class of Christ Lutheran Church at 10:00 Saturday morning.

Instruction Class of the Catholic Church at 10:30 Saturday morning.

Modern and old time dancing at 9:00 Saturday evening.
Library hour at 9:00 Saturday evening.

Catholic services at 8:15 Sunday morning.

Lutheran Sunday school at 9:45 Sunday morning.

Lutheran Services at 11:00 Sunday morning.

Library open between 3:30 and 4:30 Monday afternoon.

Pinocle at 8:00 Monday evening.

Waterford - Drayton Rotary meeting at noon on Tuesday.

Library open between 3:30 and 5:00 Wednesday evening.

Youth meeting between 7:00 and 10:00 Wednesday evening.

The Cubs and their parents are urged to meet at the Club House promptly at 7:30 this evening in the church room. The meeting will have to be completed by 9:00 as another meeting for another group is scheduled for that time in that room. The theme for the Cub's meeting is "Pioneers". Parents are urged to come and help their son's den take home the "Parent Attendance Plaque".

The first instruction class for the Catholic children for this season began last Saturday morning and will be at 10:30 each Saturday morning.

The first Catholic service held in Waterford will begin at 8:15 this Sunday morning in the East Hall of the Club House.

The Women's Club is sponsoring a "Hard Time Dance" at 9:00 this Saturday evening with music for modern and old time dancing. Come in costume and win one of the prizes.

The Wednesday night youth gatherings are 7:00 until 10:00 each Wednesday evening and are confined to the youth in the seventh grade through the high

school. Because of the large crowds and variation in interests these limits must be made. Mrs. Helen Sanford and Donald Weaver are with the youth each week and would appreciate volunteers from parents to assist in the work.

The Women's Club met with Mrs. Louis Hillman, Mrs. Francis Kinkle, and Mrs. Harley Group last Thursday evening. Mrs. Agnes Flickinger conducted the business meeting at which time the group voted to serve pot-luck dinners the evening of the C. A. I. membership meetings, to serve a banquet to the Michigan Dairy Association on November 12, and to turn over \$100 to the treasurer of the C. A. I. The ladies are going to work on the room recently turned over to them by C. A. I. for a lounge room.

The group will meet next with Mrs. Clifford Wood, Mrs. Ernest Stevens, and Mrs. Leonard Roebke on November 15. The Sunshine Sisters for the past year were revealed with a gift for each one and then new Sisters for the coming year were chosen.

An American Legion Post was started last Thursday evening at the Club House and will be called the "Waterford Township Post". Henri Buck was elected commander; G. L. Towner, vice-commander; Richard Lambertson, junior vice commander; John Jacober, Adjutant; Kenneth McVittie, Jr., finance officer; Harry Hindman, sergeant at arms; William Pelton, chaplain and Lyman Girst, historian. The meetings will be held at the Club House the second and fourth Thursdays of each month. The next meeting will be November 8.

These Sauces Will Whet The Appetite

Padding sauces always add that finishing touch to many desserts.

If properly prepared, they are certain to make a hit with the family.

Mary Woodward, home demonstration agent, recommends these pudding sauces.

Combine 1 cup molasses 2 tablespoons butter, 1 tablespoon vinegar on 2 tablespoons of lemon juice. Heat to boiling and beat to a froth with a wooden spoon. This sauce is especially recommended on apple brown betty.

A good low-sugar meringue is made by making a 7-minute frosting of 2 egg whites, ¼ cup sugar, 2 tablespoons of water and

a few grains of salt. Grated apple and egg white provide a good topping for gingerbread.

This is the plan that we began in 1940

By 1940, Michigan Bell's rural expansion and improvement program had been under way for a number of years. That year we incorporated into it a plan worked out in cooperation with the Michigan Rural Communications Committee, a group of agricultural leaders. This plan called for a liberal amount of free line-construction, and small monthly payments in cases where any construction charges were involved. Its purpose was to bring telephones to more farm families, and a good start was made in that direction.

This is the war that delayed the plan that we began in 1940

For nearly four years, our fighting forces took almost all of the nation's telephone manufacturing output. Nevertheless, we installed all war-essential rural telephones. Today there are more farm telephones in Michigan than ever before. But line construction and switch-board expansion have not been able to keep pace with the increased demand for service. Now that the war is over, there is an enormous amount of work to be done.

This is when we expect to resume the plan that we began in 1940

Just as soon as trained manpower, materials and manufacturing facilities are available in sufficient quantities, we will push forward our \$13,500,000 5-year, rural expansion and improvement program. We have important new devices and construction methods which will make telephone service available to more rural folks. We intend to construct more lines so there will be fewer parties per line. We plan to bring dial service to more farm families. We are studying special features to make telephone service more valuable. These are but a few of many ways Michigan Bell expects to give better service to more rural people.

"We have six rooms, bath and kitchen... but that kitchen is a Shangri-la"

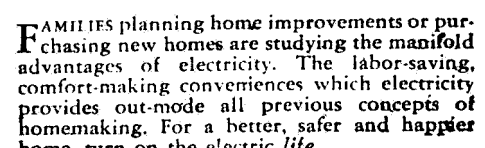

HOW THE ELECTRIC DISHWASHER WORKS

After scraping, place plates in wire rack that holds them to catch scouring spray.

Place special soap powder in corner, close door, turn control to "WASH."

Wash five minutes. After draining, two one-minute rinses with clear hot water.

Washed thoroughly, dishes dry in own heat, are left sparkling and sanitary.

"Six rooms, bath and kitchen are not the biggest home in the world, but ours is really one of the most livable homes I have ever seen. Take, for instance, our all-electric kitchen—it really is a Shangri-la. No longer does Mary dread preparing meals and cleaning up afterwards. The electric refrigerator permits purchasing in larger, more economical quantities. The electric range, with timer and temperature control, allows Mary to prepare the meals with a minimum of effort... in fact, meals can be started while she is downtown shopping. The garbage disposal unit and dishwasher make the clean-up job far easier, and the conveniences all add up to more time to enjoy our home. Yes, that kitchen is a Shangri-la."

Electric kitchen equipment is not generally available for sale now. Some is being manufactured and distributed. It will be to your advantage to have your name on your electrical dealer's list, so that you will be able to get it at the earliest possible time.

GIVE GENEROUSLY TO YOUR COMMUNITY WAR CHEST

Drayton Plains

Mr. and Mrs. Ross Barber will be in charge of the Hallowe'en party for the young people at the church tonight at 7:30.

Frank Jankawski had the misfortune to fall fifteen feet while working at his farm home at Midland last week. He suffered a fractured heel.

Miss Katherine Maria Leggett passed away at her home at 3800 Walton Blvd., on Tuesday, Oct. 23rd. She was born in Waterford Township on September 4, 1863, the daughter of Mortimer A. and Jennie M. Whitehead Leggett. She lived her entire life in Oakland county. Miss Leggett was a past president of the Woman's Literary Club and had done a great deal of traveling in the United States, England, France, Switzerland and Italy.

Need Agreement For Partnership

A good operating agreement is a principal mainstay of a successful father-and-son farm partnership, according to E. B. Hill, head of the farm management department at Michigan State college. He recommends that in drawing up an agreement, father and son prepare a list of what each expects to contribute in labor and investment. During the year, or at the end of the year, each may be paid from the farm income for what he contributes. Then after all other farm expenses are paid, the net returns can be divided on

an agreeable basis. If each contributes somewhat equally of the time and management, net returns might well be divided fifty-fifty.

Hogging Off Corn Popular This Fall

"Hogging-off" corn will be a popular way to feed much of the large acreage of soft corn in Michigan this fall.

It has the advantage of saving labor ordinarily required for husking, cribbing and feeding and is an especially good method of handling corn that has gone down. Then, too, corn fields are usually more sanitary for pigs, and fertility is left on the soil. On the disadvantage side are necessity for fencing, some waste of corn that is trampled into the ground, possible interference with seeding of wheat in the field, packing of the soil, and inability to get the pigs ready for market at the right time.

For successful "hogging off", good management practices are needed, says W. N. McMillen, animal husbandry specialist at Michigan State College. He warns that chilly rains in the late fall may cause trouble if proper shelter is not available. Cases of pneumonia often result, and losses in gains equal to several days feeding are common if proper protection is not provided. A good water supply, conveniently located also is essential.

Well-grown shoats in feeder condition are better adapted to corn field feeding than fat pigs that lack ambition. Sows and gilts should not run in the same corn field long enough to get too fat. It is a common practice to let the breeding hogs follow the pigs to clean up the field.

Hogs should ordinarily not be turned into the field until the corn is well dented. This is usually after silage cutting time, and from two to four weeks before it is dry enough to crib.

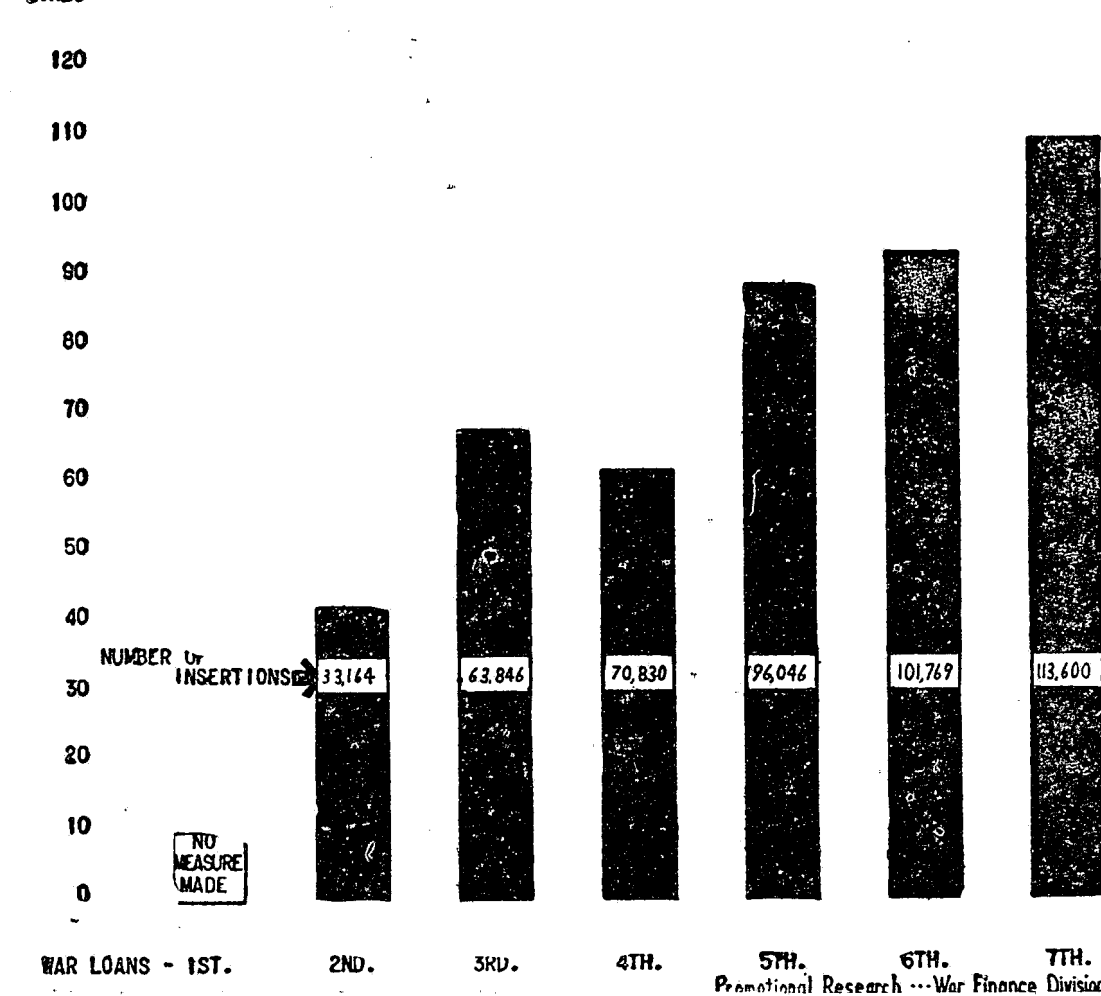

Before the pigs are turned into the corn field, they should be partly accustomed to corn feeding. This will help prevent scouring and promote better gains.

Protein supplement is needed to round out the diet, particularly for growing pigs. A half-pound a day of 50 percent tankage or meat scraps is about right for each animal. Or, a half and half mixture of vegetable and animal protein is satisfactory.

VOLUME OF ADVERTISING SUPPORT IN WEEKLY NEWSPAPERS DURING WAR LOANS

Training Urged

The rank and file of returning veterans, and especially those who have seen action, strongly favor one year of military training for all young men between the ages of 17 and 21.

This statement came yesterday from Herman F. Luhrs, Veterans' Consultant for the General Motors Corporation and Michigan Chairman of the national Citizens Committee for Universal Military Training of Young Men.

"American Legion polls in military and naval hospitals, and at the various fronts, show that more than 80 percent of service men favor universal military training", Mr. Luhrs said. "In my tours, and in all my work with service men, I have not yet met a single one of them opposed to such training."

"Every organization that officially represents the rank and file of service men—Veterans of Foreign Wars, Jewish War Veterans, American Legion—strongly favor universal military training. Make no mistake—GI Joe wants it."

Some people have misguided confidence in the atomic bomb, Mr. Luhrs points out. They feel that with its secret in our possession national defense can be left to a small-sized Army and Navy and a band of scientists.

"Even if we assume that other nations may not discover the secret of the atomic bomb for another five years", Mr. Luhrs says, "we will still need a large reservoir of trained manpower. Atomic bomb or no atomic bomb, no attacks succeeds, and no enemy territory can be occupied, without big infantry armies."

"One defense against the atomic bomb is the Air Force. Our Air Force, in this war, exceeded 3,000,000 men, and it needed other millions in the Army, Navy and Marines to beat the enemy to his knees. The atomic bomb is no substitute for the Air Force and for other branches of service. Further, it is likely to be outlawed, just as was poison gas."

Conservation News

Uncle Sam decides how many migratory gamebirds can be brought back from Canada by Michigan hunters who cross the border to enjoy their sport.

The conservation department announces that federal law supercedes Michigan regulations which ordinarily allow the hunters to bring home as many birds as may be shot legally in the outstate places they visit.

Federal regulations provide that not more than the following numbers of migratory birds may

be imported into Michigan from Canada by any one person in any one calendar week.

Twenty ducks, including not more than one wood duck; eight woodcock; eight blue and snow geese except Ross' geese (singly or in the aggregate, plus four of some other kind or kinds, including brant; 25 coot; 25 sora; 15 rails and gallinules except sora and coot (in the aggregate of all kinds); 20 doves (10 each of mourning or turtle, and white-winged doves); 10 band-tailed pigeons. There is no limit on the American and red breasted mergansers.

Kroger-Selected Fresh ROLL BUTTER . . lb. 46c. BRING 'EM UP RIGHT! WAR CHEST. DOUBLE YOUR MONEY BACK GUARANTEE!

REMEMBER-- YOUR HOME NEWSPAPER. All matters handled through the Probate Court requires a certain amount of legal publication in one of the county papers. Foreclosing a mortgage entails publication of the foreclosure notice in a county paper. Either the probate court officers or your attorney will have your legal publication carried in The Clarkston News if you request it. We solicit the privilege of carrying such legal publications. This form of advertising is valuable to us. When you support us in this way we are able to give you a better paper week by week. The Clarkston News. Phone 4321. Clarkston, Mich.

Clarkston Locals

Mr. and Mrs. John Mann left on

Tuesday night for Orange City, Fla., where they will spend the winter months.

Last Thursday Mrs. Reginald Bird and her month old daughter, Kathleen Louise, of Royal Oak spent the day with Mrs. Bird's mother, Mrs. George Perry.

The many friends of Mrs. William Hungerford (Evelyn Davies) are anxiously awaiting the good news that her condition is improving and that she will soon be able to leave Pontiac General Hospital where she has been for the last two or three weeks. As we go to press we find that her condition is

about the same. Her husband has arrived from the Pacific area and his mother is here from Texas.

- Mrs. Stanley Irish and son, Todd, of Detroit spent last week with Cpl Irish's parents, Mr. and Mrs. Carl Irish.

Born to Captain and Mrs. Wilbur W. Walton an 8 lb. 1 oz. daughter, Barbara Clark, on Thursday, October 25th, at Garden City, L. I., New York.

Have you made your contribution to the Community War Fund? If not do it now.

Notice

Due to the press of private business, I will not be able to act as chairman of the Democratic party in Independence Township. Ralph Marshall

CARD OF THANKS

We wish to extend our sincere appreciation to our neighbors and friends for the beautiful floral tributes and for the many kind acts and thoughtfulness shown us in our bereavement. We especially wish to thank the Reverend Walter C. Ballagh for his comforting words and the Clarkston Rest Haven for their many kind deeds. Mr. and Mrs. N. E. Davison Mr. and Mrs. K. F. Davison Paul Davison

THE MYSTERY OF THE VANISHING LADY

A young beautiful widow smiled good night to her escort, then vanished utterly. Despite 17 years of patient, exhaustive investigation, police have failed to solve the mystery of her fate. The story of this "vanishing lady" is detailed

in The American Weekly with this Sunday's (Oct. 28) issue of The Detroit Sunday Times.
