CLARKSTON, MICHIGAN, FRIDAY, NOVEMBER 9, 1945

NUMBER 10

## Wolves Trip Orion To Stay Unbeaten

In the longest game of the season, the Clarkston Wolves defeated Lake Orion 14-6 to chalk up a perfect record for the season. The game was frequented by penalties, time outs, fumbles and believe it or not, darkness. It was actually dark when the game came to a conclusion.

Clarkston was very slow starting out and an Orion shift had them baffled for a while. Orion drew first blood in the 2nd quarter when a spot pass over the line to end Rowland who ran across the goal line gave them six points. The try for the point was blocked. Clarkston followed closely with a touchdown when Sharp plunged through tackle. He also scored the extra point on a left end run. The score at the half was 7-6 for the Wolves and midway in the 3rd period LaPlante, on his pet play, the double cutback, ran 30 yards for a touchdown. The first try for the point was nullified by a penalty. The second try, a place kick by Sharp, split the uprights giving the Wolves a 14-6 advantage.

There was an exchange of punts in the last quarter and it became so dark it was hard to tell who had the ball. The game took 2 hours and 2 minutes to be completed. Both teams were handicapped by injuries, but showed up well.

This was the final game for backs Frank Ronk, Bill Sharp and Walt Laplante. Norm (Tiny) Johnson, 230 pound guard and Jack Zollner, 225 pound tackle, also played their last game.

## Notice

Any club or group wishing to do some worth while work; and at the same time be neighborly, is asked to contact Mrs. L. D. Gaynor, Red Cross representative in Springfield Township, phone Clarkston 4893. Mrs. Gaynor has just received a large amount of material for baby rompers and navy kit bags. Instructions are furnished. In other districts organizations are having all day meetings and getting the Red Cross work done while they visit and enjoy potluck luncheons. Organizations in this district are asked to help. Call Mrs. Gaynor today.

## Coming Events

Saturday, Nov. 10th. The local Legion Post is sponsoring a party in the Opera House. Everyone is invited. By attending you might get your poultry for your Thanksgiving dinner.

On Wednesday, Nov. 14th, the Clarkston Royal Neighbors will meet at the home of Mrs. Mary Baldwin. A potluck luncheon will be served at 12:30.

On Friday, Nov. 16th, the Joseph C. Bird Chapter, O. E. S., of Clarkston, will hold a bazaar and bake sale at the Masonic Temple, starting at 10:00 a. m.

Friday, Nov. 16 there will be a creamed chicken dinner served at the Seymour Lake Church house. Serving will commence at 5 p. m. Mrs. Iva Miller, Mrs. Mary Losche and Mrs. Caroline Harrison are in charge.

Friday, Nov. 16th. The Clarkston Rotary Club is sponsoring a party in the Opera House. There will be turkeys, ducks and chickens. The public is invited.

## Our Boys and Girls In The Service

Among those discharged from the naval service on November 1 at the Great Lakes Training station in Illinois, was Frederick P. Steiner, AMMPIC(T), of 88 Orion Road, Clarkston.

William G. Howland has started his Navy training at Great Lakes, Ill. His address is: William G. Howland, A/S, Co. 1216, USNTC, Great Lakes, Ill.

Lieut. (j. g.) Arthur Clark spent the weekend at his home here. A guest at his home for the weekend was Miss Beverly Eshbacher, of Evanston, Ill. On Sunday Mr. and Mrs. Lee M. Clark were hosts at a family dinner at their home on Holcomb street.

SHANGHAI (Delayed)--Melvin L. Rauch, seaman first class, USNR, 22, 8493 Andersonville rd., Clarkston, Michigan, carried an unlucky number through a lucky voyage to be among the first American Naval personnel to move into Shanghai, China, after the end of hostilities.

The unit which carried this distinction was organized under the mysterious name of NABU 13--or Naval Advance Base Unit 13. Members of the group, most of them Seabees, were the first Americans to move through the Yangtze and Wangpoo Rivers in eight years, since shortly after the ill-fated PANAY had been bombed and sunk in 1937.

The group of LST's (landing ship, tank) which brought the unit to Shanghai from their organizing point at Calcutta, Samar Island, stopped en route at Okinawa to rendezvous with their escorting vessels and to take on necessary supplies.

The trip was marked by foul weather, including two typhoons, and the exploding of a floating mine that rocked one of the LST's but the most serious casualty was the "dunking" of one of the crewmen, who was promptly rescued by his mates.

San Fernando La Union

Oct. 30, 1945

Hello Everyone:

I thought it about time for me to write you a few lines and let you know all's well.

Since coming from Europe we haven't done a thing worth while.

Just lying around and doing a little camp guard--we're really a non-essential unit. Sometime, after the first of the year, we should sail for home. Several boys from around home are here in this company; Lyle Peltier, rte. 1,

Clarkston; Bud Collins, Oxford; Stanley Kittner, Pontiac and Owen Smith from Rochester and there are several other boys from all over our great State. All are a grand group of fellows and it has been an honor and a privilege to serve with them. We all have the same amount of points and all so we will get home at the same time.

I'm not only saying this for myself, but for all the rest of the soldiers over here. When we get back the crooked politicians will no longer be in office. We used to think they were for the people but it has been proven lately that they are only looking out for their interests and the rest of their friends on knob hill. All I can say is that it'll be a great day when all of the boys get home.

I have been receiving the paper very regularly and I enjoy it. I want to thank you from the bottom of my heart for sending it to me, and I know all of the rest of the fellows feel the very same way.

I guess I've said enough for one night, so I'll close hoping to see you all in the next few months.

Your friend,

Bill O'Roark

Nov. 4, 1945

Kearns, Utah

Hello Mr. and Mrs. Stamp:

I've come to the conclusion that it's about time I write and let you know what it's like out here. The camp, for appearances, is nothing to write home about, but underneath it, it's a pretty good place. The chow is a considerable improvement over my last base. The marvelous thing about this field is that they have a system for everything. In fact, it is about the most efficient army camp I have been to.

The camp is located on a high spot in a valley between two of the ranges of the Rocky Moun-

## Detroit News Sends Speaker On China

A self-styled ambassador of good-will for China, William Wolf, will address students of Clarkston schools on November 20, at 10 a. m.

Having traveled 7,000 miles in some seven months through that country, stopping at tiny villages and country homes, Wolf has made a sincere attempt to understand the Chinese people and their ways of living. He endeavors to explain to American schoolchildren that the customs of the Chinese must be understood by us, just as ours must be understood by them, that peace between the countries may be maintained.

During his talk, Wolf will reveal the importance of bamboo to China's economy--the part bamboo plays in even such professions as medicine and journalism. The gong as a percussion type of musical instrument will be demonstrated, and many ordinarily unknown, but interesting, facts about them will be brought out. The soy bean, which is a Chinese discovery, will also be discussed, as well as Chinese food, clothing, family life and the Chinese alphabet.

Wolf, who has spent a number of weeks speaking to Detroit schoolchildren, and students in schools of the surrounding counties, is sponsored by The Detroit News.

## Emery Bennett Celebrates Birthday

Last Saturday Emery Bennett, son of Mr. and Mrs. James Bennett, celebrated his eleventh birthday which occurred on Thursday, November 1st. Eleven guests were entertained at his home from two until five o'clock in the afternoon.

The group enjoyed playing games with many receiving prizes. At the close of the afternoon, birthday cake and ice cream were served.

Emery received many lovely gifts and the best wishes of his friends.

## Clarkston Locals

Miss Fern Hockey, of Oakland Lake, is now a beauty operator at the Alta Marie Beauty Shop. Miss Hockey has had eight years experience in some of the best known shops in Oakland County.

The Methodist Youth Fellowship contributed \$25.00 to the Port Huron Camp project. This is for the purchase of a camp site just north of Port Huron on Lake Huron for the use of junior aged boys and girls for Institutes and Training Schools.

This time of the year the mountain peaks are almost all covered with snow. During the day the uppermost peaks are covered by clouds and when the sun sets it makes the peaks look transparent.

While in Salt Lake City last weekend, I visited Temple Square. On the Square, the Mormons built their houses of worship. These include a temple, a tabernacle, an assembly hall and a museum. Visitors are allowed in all of these buildings except the temple, where entrance rights are reserved for true Mormons, alone. It required four years to build the Tabernacle and the acoustics in it are amazing. A pin dropped two hundred feet would sound like it was released right next to your ear.

The Temple required exactly 40 years to the day to construct. The building cost a little over four million dollars. It is scarcely believable to look at it and conceive it was constructed by human hands. The religion here, in population, runs about 50 percent Mormon and the rest is composed of all the other religions.

I also visited the Great Salt Lake, but there was actually nothing to see this time of the year. I will close for now and remain, Sincerely,

Pvt. John A. Baughman

Mindanao, Oct. 14, 1945

Dear Mr. Stamp:

You haven't any idea how much I have enjoyed getting the Clarkston News and reading about all of the other fellows in the service.

I am coming home soon and I am hoping that I can enjoy Thanksgiving dinner with the folks, that is, if everything goes alright.

Please stop sending the paper now. Maybe I should have told you sooner. Can't think of anything else to say, so will close for now. Hope to see everyone soon.

FFC Ellis Jencks

## W. S. C. S. Circles Plan Bazaar

This week the Circles of the Methodist W. S. C. S. held the November meetings. On Tuesday the Mary Circle met at the home of Mrs. Iva Miller. A delicious chicken dinner was served at noon and the regular business meeting followed.

Mrs. Charles Robinson was named chairman of the booth at the bazaar at the church on November 29th. Each member is urged to make a contribution. The Circle will have a Farewell Christmas party at the home of Margaret Harris on Main St., on Wednesday, Dec. 12th. To this meeting each member is asked to bring a 50c gift to be put into a gift basket. Rev. Saxman attended the meeting and explained to the group the reorganizing of the circles at the close of the year.

25 members and friends of the Martha Circle met at the home of Mrs. Lloyd Sibley on Wednesday to enjoy a delightful Thanksgiving dinner. Assisting the hostess were Mrs. Glen Boner, Mrs. Dave Stewart, Mrs. Anna Fleming and Mrs. Ruth Gudgeff. Places were marked with corsages of bronze baby mums tied with dainty yellow ribbon. After the dinner was served the business meeting was conducted by Mrs. Roy Gundry. One of the guests, Lieut. Mary Gassick, told of many of her experiences in Great Britain and Iceland, which the group thoroughly enjoyed. Appropriate games brought to a close a most delightful afternoon.

The Dorcas Circle met at the home of Mrs. Howard Johnson on Wednesday afternoon. A potluck luncheon was served at 12:30 to about 15. At the business meeting the miscellaneous booth at the bazaar was discussed and it was decided that each member would contribute something that will sell for not less than one dollar. Several church projects were discussed.

## Unusual Happens At Military School

Last weekend Lieutenant Commander Garrett Lewis Prible, U. S. N., and Mrs. Prible went to Hoove, Ind., to be guests of their son who is attending Howe Military School. The boy was pleased to have his folks with him to celebrate his 13th birthday on Friday and also to celebrate "Founder's Day" at the school on Nov. 3 and 4.

It was on Sunday that the unusual happened when Lt. Com. Prible did the reviewing at the dress parade. This was his son's first dress parade and no doubt the boy was proud to have his father participate.

Lt. Com. Prible is now stationed at Grosse Ile and he and Mrs. Prible make their home at Huntoon Lake.

## Local Students Are Attending Michigan State

Among the 5,709 students enrolled at Michigan State College for the fall term are 89 men and 275 women from Oakland County, Registrar Robert S. Linton announces.

Total enrollment includes 5,281 regular civilian students -- 1,793 men and 3,488 women. In addition, 325 Army trainees and 103 short course students are receiving instruction at Michigan State this fall.

Eighty Michigan counties, 39 other states, the District of Columbia, two United State territories and 15 foreign countries are represented in the student enrollment. Only 643 of the students are out-of-state residents.

Wayne leads all Michigan counties with 1,056 students enrolled. Ingham and Oakland are second and third, with 882 and 364 respectively. New York is first among other states with 146 students enrolled.

Foreign countries represented are Brazil, Canada, China, Colombia, Costa Rica, Cuba, Ecuador, El Salvador, Haiti, Honduras, India, Mexico, Nicaragua, Panama and Peru. Hawaii and Puerto Rico are the two U. S. territories represented.

## Waterford-Drayton Rotary Club News

On Monday evening, November 5th, the Waterford-Drayton Rotary Club held its annual Ladies' Night at the Community Activities Bldg. After the presentation of flowers to the ladies, the evening progressed through dinner and a number of hilarious skits presented by members of the club and their wives. The two outstanding events were the presence of the Hindu Mystic, Nur-Al-Din, by Doc. Cohoon and the International Milk Bottle Contest by James C. Covert, Mrs. George H. Kimball, Jr., Mrs. C. J. Sutton, John Cheslik, Clifford Schoenhals, Leon Wilcox and Edward Fuller. The evening's entertainment closed with community singing led by Rev. Sutton and Mrs. H. B. Mehlberg. Guests were Mr. and Mrs. Ferris King, Mr. and Mrs. Robert Beattie, Miss Roberta Van Welt and William Schunk.

## Literary Club Meets in Pontiac

Last week the Junior Literary Club met at the home of Mrs. Harry Colwell in Pontiac. Roll call was answered by all members with a "pet superstition."

At the business meeting it was announced that the club had purchased three new books for the club library. After the Penny March, a very fine paper was given by Mrs. Earl Card on "Give Orphans a Break," by Howard Whitman.

Following the regular meeting a surprise shower honored Mrs. Harlan Oakes. She received many very lovely gifts.

The next regular meeting will be held at the home of Mrs. James DenHerder in Drayton Plains.

To close a pleasant evening the hostess served light refreshments.

## 25th Anniversary Celebrated Sunday

Last Sunday Mr. and Mrs. Carl D. Ganther of 10412 Andersonville road, entertained 14 guests at a two o'clock dinner at their home to mark their twenty-fifth wedding anniversary. Several of the guests attended the wedding in 1920 and a few of them were members of the bridal party.

The dinner table was attractive with a beautiful arrangement of yellow and white chrysanthemums in the center, flanked by yellow and white candles in crystal holders. This was the same color scheme used at the wedding table 25 years ago.

Mr. and Mrs. Ganther received many lovely gifts.

The guests included Mr. and Mrs. Arthur B. Post, of Detroit, Mr. and Mrs. Harold Wells and son, Michael, of Pontiac, Mr. and Mrs. Frank Schenck of Williams Lake, Mr. and Mrs. Harry Kreher and sons, Tom and Charles of Waterford, Mrs. A. L. Cook and Miss Margaret Cook of Rochester and Miss Minnie Mae Cook of Andersonville Rd.

Mrs. Gray Robertson entertained her bridge club at her home on Monday night. At the close of a delightful evening the hostess served dainty refreshments.

## Church News

CLARKSTON METHODIST  
Walter C. B. Saxman, Minister  
9:45 Church School. Music appreciation will be led by Orlo J. Willoughby.

The Sunday School officers and teachers of the Sunday School will meet at the home of Jo Ann McCaffrey at 8:00 Wednesday evening.

The Adult Instruction Class will meet with the pastor at 7:30 on Thursday evening.

A new youth instruction class will be started in the near future and all young people interested in joining the class are asked to contact Rev. Jordan.

## Waste Paper Drive Wednesday, Nov. 28

The next collection of waste paper in this district will be held on Wednesday, November 28. The bundles are to be at the curb by 2 o'clock. The proceeds from this collection will buy books for the elementary library at the school. This is one project in which every person is asked to participate. If, by saving and donating your waste paper you are instrumental in furnishing books for the school library, then you have done something really worth while. You should visit the library some time and see what a grand job has been done.

The library is in need of book ends. Perhaps there are those who have some discarded book ends, maybe only one of a pair that could be used to good advantage. Even if the book ends are old and worn and perhaps have been hidden away because they were an eyesore, a little bit of paint would fix them up and they would not only be very useful, but they would dress up the library shelves. Take a look and see if you can find any book ends that could be used. They would be appreciated.

## Baptist Auxiliary Meets Wednesday

On Wednesday, November 14th, the Ladies' Auxiliary of the Clarkston Baptist Church will meet at the church for an all day meeting starting at 10:00 a. m. A potluck luncheon in charge of Mrs. Walter Ballagh and Mrs. Alex Olson will be served at noon.

The women will tie a quilt and pack a box for the Hiawatha-Land Mission in the upper peninsula. Those having suitable clothes or toys that they would like to contribute for the box are asked to have them at the church on that day or call Clarkston 4711 for a pick-up. For several years the women of the church have sent a box to this mission and everything that has been sent has been put to use and was greatly appreciated. Perhaps you can help this year. Clothing, dishes, bedding are some of the articles needed for the box.

## Andersonville News

A good crowd attended the Harvest Festival sponsored by the P. T. A. at Andersonville last Saturday. More than one hundred enjoyed the ham supper at tables attractive with orange and black place mats, oak leaves, bitter-sweet, jack o' lanterns and lighted orange candles.

The mothers who prepared the meal and took charge in the kitchen did a fine job and the girls who served were alert and very courteous. The committee is grateful to all who helped make the affair a success including those who contributed food, the women who worked in the kitchen, the girls who served and the very fine people who attended.

## Andersonville News

The Andersonville P. T. A. held the regular meeting at the school on Thursday.

The Ladies' Aid of the Andersonville Church met on Wednesday for an all day meeting. The group served on baby's rompers for the Red Cross. A potluck luncheon was served at noon.

to discuss problems of the veterans. \$35.55 was the amount received from the booth at the Lutheran Guild bazaar. The next meeting will be a potluck luncheon at the Community Activities building on November 14th.

Fourteen members of the Ladies' Auxiliary of the Community church met at the home of Mrs. Albert Kray. During the business meeting which followed the potluck luncheon, Mrs. Ernest Stevens was elected secretary to fill the vacancy caused by the resignation of Mrs. Clifford Wood. Members voted to each pay \$1.00 in November and December for the decorating fund, instead of having a bake sale. Rev. VanPlew told the group about a serviceman whom he had visited. The auxiliary has sent several packages and cards to this man. \$139.50 was given to the decorating fund. Mrs. Fay Allen was welcomed as a new member. The next meeting will be on December 6th at the home of Mrs. John Miller.

Mrs. Fred Attwater was called to Detroit on Thursday because of the illness of her son-in-law, R. E. Myers.

June Harris spent several days of the past week in Rock Island, Ill., as the guest of her sister, Mary Buck, who is a student at Augustana College.

The Rev. and Mrs. Philip A. Jordan entertained the class of seven young people who were confirmed last Sunday at Christ Lutheran Church, at a dinner on Tuesday evening at the parsonage.

Mrs. Robert Bliss is convalescing at her home following a major operation at Pontiac General hospital four weeks ago.

Mrs. David Crist and Mrs. Hudson, of Davison, were guests of Mrs. Emaline Hurd on Sunday.

Major Charles D. Harris arrived home from Okinawa on Monday and is spending a leave with his wife, Mrs. Shirley Harris, and daughter and his parents, Mr. and Mrs. H. F. Buck.

Staff Sergeant Emerson Mitchell, who has been stationed at Keesler Field, Biloxi, Miss., since returning from overseas has received his discharge and has returned home.

Mr. and Mrs. Fred Mitchell, and son, Emerson, left on Wednesday for Iron River, where they will visit Mr. Mitchell's mother and also do some hunting.

Dinner guests of Mrs. Ida Beattie on Sunday were Mrs. John Larkin of Detroit, Mrs. Edwin Lambertson and sons and Oliver Beardslee.

Mr. and Mrs. Ira Powers, who have been spending some time in Detroit, have returned to their home.

Mrs. Earl Lambertson was called to Detroit on Tuesday by the death of her uncle.

Mrs. Minnie Ronk left on Thursday for Milwaukee, Wis., where she will spend the winter months with her sister.

On Tuesday Mrs. Ida Beattie entertained 12 members of the O. D. O. club at her home. A brush demonstration was the feature of the afternoon.

Mrs. Louis Hillman entertained 26 Brownies and two committee members at a Halloween party at the school.

A Brownie and Girl Scout committee has been organized for the troops in Waterford, Williams Lake, Clarkston, Drayton Plains and Waterford Center. Mrs. Bruce Martin was elected president and Mrs. Albert Kray, secretary and treasurer.

On November 14th the MOMS will meet at the Community Activities building for a potluck luncheon. Saturday (tomorrow) the MOMS are having a tag day. When you consider how much the MOMS have done for the boys at the Percy Jones hospital you realize that every penny you spend for a tag is put to good use. Be generous on Saturday.

A group of people representing the various organizations and the schools in Waterford township, was called together at the Waterford Township hall Tuesday evening to talk over and organize a Veterans' Counsel Center. Alfred Gale, township supervisor, was chairman for the evening. Mrs. A. A. Seeterlin had recently been on an educational tour along this line and reported to the group how it might help the returning veteran in establishing himself back into normal civilian living. By coming to this center he might learn how to make the proper contacts for entering business, buying homes, converting his insurance, about his hospital benefits and any number of other things in which he might need reference or information. It was pointed out that a returned veteran who has been wounded is allowed 15 points when taking a civil service examination and a veteran not wounded is allowed 10 points towards his final marks. Ray Taylor from the Manufacturers Association pointed out that this would not be a short range

affair, but that it would more than likely continue for at least 10 years. His association will be more than glad to cooperate with this center in doing this work which, he stressed, is very important work.

Mrs. Seeterlin was named Veteran's Counselor; the township board, the finance committee; William Van, Arthur Johnson, Harry Stump, Mrs. Ruth Ream and Jack Jacober the Executive committee and the advisory board will include representatives from the Veterans of Foreign Wars, MOMS, Blue Star Mothers, Red Cross, Woman's Club, Fire Fighters Association, Community Activities Incorporated, Men's Club, Rotary Club, Huron Gardens Association, American Legion, Manufacturer's Association, Webford Club and the schools of the township.

It was also pointed out that the Veterans may go to the Veterans of Foreign Wars, American Legion, American Red Cross, or Disabled Veterans for the power of attorney when needed. The time for the next meeting will be named later.

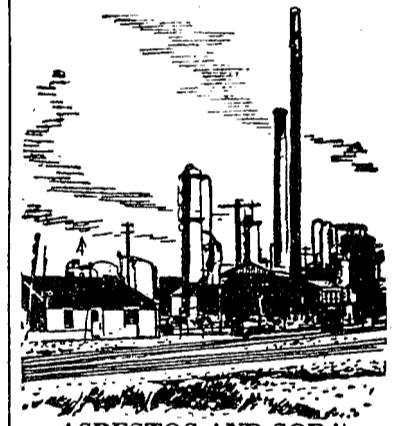

**CARD OF THANKS**  
 I wish to extend my sincere appreciation for the many beautiful cards and telephone calls which I have been receiving during my illness. The many calls from the Rev. Philip Jordan and friends have also been enjoyed very much. Mrs. Edward Reiner

**Achievement Day November 10**

The Oakland County 4-H club achievement day program will be held Saturday, November 10th at the Waterford Community Activities Building on Williams Lake road, beginning at 12:00 noon. About 300 members, parents and leaders are expected to attend this annual extension service event.

The achievement day will join Oakland County with 1,700,000 4-H club members throughout the nation who are celebrating national 4-H victory week, November 3rd to 11th. Special recognition is being given to 4-H club achievements during the war period.

**Behind Your Bonds Lies the Might of America**

**ASBESTOS AND SODA**  
 Great soda deposits, shale oil and asbestos rock lie under the surface of Wyoming. Potash beds and chromite deposits can be worked to add untold wealth to the Nation that guarantees Victory Bonds. The state has 157 distinct metals, non-metallic minerals and clays of present commercial value ready to be worked.

**GREYHOUND SERVICE FROM THIS CITY IS OPERATING AS USUAL**

There has been no interruption in bus service out of this city to all points served by Great Lakes Greyhound Lines and to many other places in the nation.

Our buses are running on their regular schedules, and trips may be made as usual. The local Agent will be glad to give you complete information about departure times and fares.

**GREAT LAKES GREYHOUND LINES**

During that time, 4-H club projects have included: Victory Garden Work, 1,000,000 acres; Poultry, 43,000,000 birds; Livestock, 2,000,000 head; Products canned, 74,000,000 quarts; Food prepared, 50,000,000 meals; Scrap collected, 400,000,000 pounds; and War Bonds purchased or sold, \$200,000,000.

Attention is now being centered on the beginning of an era of peace with its challenge to every 4-H member to help maintain a peaceful and prosperous world.

The program for the Oakland meeting was arranged by the County 4-H Club Council, headed by Karl E. Rhodes of Route 3, Pontiac. Events planned are as follows.

- 12:00 noon, basket lunch.
- 1:15 p. m. song session.
- 1:45 p. m., demonstration by Marian Emery and Mary Jo Pettengill, State Canning Champion Team.
- 2:00 p. m. movie.
- 3:00, presentation of certificates and pins.
- 4:00 p. m., adjournment.

**Community Activities**

- At the Club House
- Community Party at 8:00 this evening (Friday).
- Catholic Instruction Class at 10:30 Saturday morning.
- Modern and old time dancing at 9:00 Saturday evening.
- Catholic services at 8:15 Shnday morning.
- Lutheran Sunday School at 9:45 Sunday morning.
- Lutheran Church services at 11:00 Sunday morning.
- Library open between 3:30 and 4:30 Monday afternoon.
- Women's club serves supper to Michigan Dairy Association on Monday.
- Pinochle at 8:00 Monday evening.
- Waterford-Drayton Rotary Luncheon and meeting at noon on Tuesday.
- Library open between 3:30 and 5:02 Tuesday afternoon.
- Meeting for Girl Scout leaders at 7:30 Tuesday evening.
- Library work hours between 1:00 and 4:00 Wednesday afternoon.
- MOMS potluck dinner at noon on Wednesday.
- Library open at 7:00 Wednesday evening.
- Youth meeting between 7:00 and 10:00 Wednesday evening.
- Girl Scout Leaders course at 7:30 ednesday evening.
- Women's Club at 8:00 Thursday evening.

The public is invited to attend the dance at 9:00 Saturday evening. There will be modern and old time dancing. Refreshments will be sold.

The MOMS are meeting for a noon potluck dinner on Wednesday and will spend part of the afternoon addressing envelopes for service men. Those having young men and women from this community are urged to give their latest addresses to a MOM for the Christmas mail.

The Woman's Club will meet with Mrs. Leo Larkin, Mrs. Clifford Wood, Mrs. Ernest Stevens and Mrs. Leonard Roebke at 8:00 on Thursday evening. Mrs. Agnes Flickinger will conduct the meeting.

The right of confirmation, three baptisms and Holy Communion

for the Confirmation Class was included in the service of Christ Lutheran Church last Sunday morning. The class presented the Church with two new collection plates and a beautiful bouquet for the altar.

A surprise farewell party was held at the Club House Sunday evening by Christ Lutheran Church for Mr. and Mrs. Arthur Schott and two children. They have sold their home in Waterford and will leave this weekend for a visit with relatives in northern Michigan before leaving for California, where they plan to live. The Schotts were presented with a purse and they returned it to the church for the Building and

Lot Fund. Refreshments were served by Mrs. Glenn Terry and Mrs. Frank Schlutow.

500 was not played this week because of the other meetings being held here at the same time.

The newly organized Williams Lake Parent-Teachers Association is sponsoring a one o'clock luncheon at the Community Activities Building on Thursday, Nov. 15.

All interested in attending are asked to have reservations in to Mrs. Lester Patton by this coming Monday, phone 3-2221.

The Mothers Club will meet in the Community Library at 1:00 next Thursday afternoon, which is a week earlier than the usual time. This was made necessary because of another important meeting on the regular date.

**To the People of this Community**  
 Extra Victory Bonds are on sale. Bankers will say that they are the best investment ever offered you. The GIs in conquered Tokyo and Berlin will say that today is a new moment for you to show that you are keeping faith. The economist will say the Victory Loan is the greatest anti-inflation device ever. Ted R. Gamble, National Director of the War Finance Division, declares that millions of Americans are in action with inexhaustible supplies of an incomparable product to sell fellow Americans. The Victory Loan is all of these things. It represents your will to help the government pay off war costs, care for the wounded, maintain our troops abroad, finance the return to civilian life of millions of fighting men. From every angle, you will be serving your own best interest by seeking out the nearest Victory Bond salesman. You can't buy too many or too often for your own good.

**"I don't heat the kettle any more"**

"What with dishes, washes, and kiddies to bathe, it seems to me as though we always had the kettle on the stove. . . . But now I don't heat the kettle any more. Why? Because we have an automatic electric hot water heater. John sure enjoys it, because he always has hot water for shaving and his morning shower, and his disposition shows it. I know the kiddies like it, because the coaxing that used to mark their baths has given way to an earnest desire to splash around in the tub. As for myself, the always-on-tap hot water simplifies my daily tasks no end. The remarkable feature is the economy brought about by a special low rate for hot water heater owners."

Water heaters are not generally available for sale now. A few are being manufactured and distributed. It will be to your advantage to have your name on your electrical dealer's list, so that you will be able to get one at the earliest possible time.

**The DETROIT EDISON Co.**

See your dealer for information. He will be glad to help you decide upon the model that will fit your needs.

**NOV. 21, 1945**  
AN IMPORTANT DATE FOR  
**THOUSANDS OF ARMY VETERANS**  
NOW IN CIVILIAN LIFE

Between now and November 21, thousands of Army veterans will reenlist in Uncle Sam's new volunteer peacetime Army. Because men who have been discharged between May 12 and November 1 of this year and reenlist on or before November 21 will be able to return to the Army with the same grade as they held when discharged.

**HIGHLIGHTS OF THE NEW ENLISTMENT PROGRAM**

1. Enlistments for 1, 2 or 3 years. (1-year enlistments permitted for men with 6 months' service.)
2. Men reenlisting retain their present grades, if they reenlist within 20 days after discharge and before Feb. 1, 1946. The same applies to men discharged between May 12 and Nov. 21, 1945.
3. An increase in the reenlistment bonus to \$50 for each year of active service since the bonus was last paid, or since last entry into service.
4. 20% extra pay when overseas.
5. Paid furlough, up to 90 days, depending on length of service, with furlough travel paid to home and return, for men now in the Army who enlist.
6. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.
7. Option to retire at half pay for the rest of your life after 20 years' service—or three-quarters pay after 30 years. (Retirement income in grade of Master or First Sergeant up to \$155.25 per month for life.) All previous active federal military service counts toward retirement.
8. Benefits of GI Bill of Rights.
9. Family allowances for the term of enlistment for dependents of men who enlist or reenlist before July 1, 1946.
10. Choice of branch of service and overseas theater in Air, Ground or Service Forces on 3-year enlistments.

**"BEST JOB IN THE WORLD"**

These special privileges are typical of the new law recently passed by Congress. Few opportunities for a better career offer as many attractive advantages.

Can you think of any other job that would give you good pay, your food, clothing, quarters, free medical and dental care, world-wide travel, 30 days' furlough every year, education and training in any of nearly 200 skills or trades, and enable you to retire with a life income anytime after 20 years' service?

There isn't any! That's why a job in the Regular Army has been called "The Best Job in the World."

PAY PER MONTH— ENLISTED MEN	Starting Base Pay Per Month	MONTHLY RETIREMENT INCOME AFTER:	
		20 Years' Service	30 Years' Service
In Addition to Food, Lodging, Clothes and Medical Care			
Master Sergeant or First Sergeant	\$138.00	\$89.70	\$155.25
Technical Sergeant	114.00	74.10	128.25
Staff Sergeant	96.00	62.40	108.00
Sergeant	78.00	50.70	87.75
Corporal	66.00	42.90	74.25
Private First Class	54.00	35.10	60.75
Private	50.00	32.50	56.25

(a) Plus 20% Increase for Service Overseas. (b) Plus 50% if Member of Flying Cross, Parachutist, etc. (c) Plus 5% Increase in Pay for Each 3 Years of Service.

SENIOR NEWS

Our class won the 5.00 prize given for the best entry in the Halloween parade last Wednesday night.

The date for the play, "Shiny Nose" has not been decided upon as yet, but it will take place in the early part of December.

The next dance here at school will be sponsored by the Seniors on November 16. The name we have chosen for it is the "Hunter's Ball," being appropriate for the time of year.

Virginia Hall

**TENTH GRADE**

The Halloween Dance which our class sponsored turned out very well, and we wish to thank everyone for co-operating so well.

Don Anderson has a cast on now and has returned home after spending seven days in the Detroit Otopathic Hospital in Highland Park. He is anxious to get well and back to school. He had three vertebrae in his back injured when the car he was driving overturned.

Sally Anne Curry

**SENIOR DANCE**

The Seniors are sponsoring a dance November 16, 1945, the "Hunter's Ball." Music will be furnished by Walt LaPlante and his Dance Band. It starts at 9 p. m. and dancing will continue until 12.

The committees are as follows: Refreshments, Joyce Stitt, Audrey Weichert and Betty Powell; Decorations, Jackie Welsh, Dolores Howell, Barbara Lindahl and Marjorie Anderson; Lights, Harold Horn and Kenneth Craft; Advertising, Cheri Lou Purdy, Evelyn Lane, Virginia Day, Wilma Ferguson and Doris Boyns; and Tickets, Cheri Lou Purdy and Evelyn Lane.

**New Chevrolets Now On Display**

Gleaming new 1946 Chevrolets, sounding an appealing note in sleek, modern styling, and embodying the latest results of new engineering progress, are on display today at Seeterlin Bros. Inc. in Clarkston.

The new models mark an outstanding step in Chevrolet's progress as top producer in the automotive industry," said Mr. Seeterlin, president of the Seeterlin Bros. Inc. "More Chevrolets than any other motor car were sold in 10 of the last 11 years of pre-war automotive production. We are confident that the new postwar car will once again be a sales winner.

"One of the most striking new features, which gives evidence of the inherent overall sturdiness of these cars, is the completely new front-end treatment, redesigned to emphasize the low, modern lines. The bumper, bumper guards, radiator grille, parking lamps, hood ornament and name emblem all present an appearance of new, graceful ruggedness."

Outstanding style distinction is immediately apparent in the stunning array of color combinations on the bodies by Fisher for the 1946 Chevrolet. Six different color schemes are available on all regular models. A range of three solid colors is provided, and in addition, ultra-smart two-tone hues are

**Styled to lead in Beauty**

Outstanding appearance features of the new 1946 Chevrolet include: new Beauty-Leader Styling; luxurious Body by Fisher; new Wide-Wing radiator grille; new hood ornamentation; new two-tone color harmonies; distinctive new instrument panel; and massive new "Car-Saver" bumpers both front and rear.

**Engineered to lead in Performance**

Notable engineering features include: Chevrolet's proved Valve-in-Head Thrift-Master Engine for performance with economy; the famous Unitized Knee-Action Ride for comfort; Extra-Easy Vacuum-Power Shift and Shockproof Steering for driving ease; and Positive-Action Hydraulic Brakes for smooth, safe, positive stops.

**Built to lead in Economy**

For years, Chevrolet has been the most economical of all largest-selling low-priced cars, from the all-round standpoint of gas, oil, tires and upkeep; and the new Chevrolet for 1946 is designed and built to maintain this reputation for highest quality at low cost. Be sure to see this beautiful new car at your Chevrolet dealer's.

### Frigidaire Now On Display Here

R. C. Ainsley, of Ainsley-Henry, local Frigidaire dealer, announced today that he had received his first new postwar Frigidaire model and that refrigerators have now been released for sale to the public. "These refrigerators," he said, "have been in production for some time, but have not been available to the public due to War Production Board restrictions."

"Now that restrictions have been lifted, the refrigerators now on hand and those that will be manufactured in the future will be for sale to the public. Right now," continued Mr. Ainsley, "the demand for new refrigerators far exceeds the supply, and, for a short while the supply will be limited, but every day production at Frigidaire is increasing and in a little while there will be enough new Frigidaire for everybody."

"Frigidaire Division, G. M. C. began a limited production of refrigerators following termination of its war contract in July. Following V-J day the all out job of

reconversion and production began at the huge Dayton plants where refrigerators, electric ranges and commercial refrigeration products are being made for civilian consumption. In an unbelievably short period of time, and due to its 25 years of experience in commercial and household refrigeration, Frigidaire reached peak efficiency."

Mr. Ainsley stated further that, "In that race to serve the American public as quickly as possible, Frigidaire did not lose sight of the fact that quality, dependability and service are equally as important as quantity. This fact is evidenced by the exclusive developments of Frigidaire which are contained in the new models now available to the public."

"The Meter-Miser, Super-Freezer, Lifetime porcelain finish, Kwickcube Ice Trays, Meat tender and other advantages that have served to make Frigidaire the world's largest manufacturer of refrigerators are again present, and are made with the same or better material than was used in prewar construction," added Mr. Ainsley.

"Little wonder," concluded Mr. Ainsley, "the public has made Frigidaire the favorite in the past. This year, as always, it will be 'Look to the Favorite, Look to Frigidaire.'"

Bald Mountain state recreational area, southeast of Lake Orion, will be the scene of field trial events November 9 and 11 arranged by the English Springer Spaniel Club of Michigan, Inc. The locale is part of the state's 100,000 acre southeastern Michigan recreational area project.

### Red Cross News

Six hundred Christmas packages for servicemen who must be on the high seas at Christmas time have been shipped by the Camp and Hospital committee of the Oakland County Chapter under the supervision of Miss Ro-

mayne Thompson, a member of the committee.

Two hundred of the six hundred packages were packed and shipped by Mr. Alex Lumsden, committee member from Southern Oakland County. All of the packages were financed by organizations and individuals of the county.

The high seas packages are a means of bringing a touch of Christmas to servicemen who, otherwise, would not have access to Christmas festivities.

### Test Soybeans For Moisture

Chances that moisture content of soybeans harvested in Michigan this fall will run fairly high prompts Karl D. Bailey, county agricultural agent, to caution farmers to use special measures to prevent spoilage in storage.

This is particularly true of frost damaged beans.

He says it is especially important this year to have moisture analyses made. If the beans contain more than 14 percent moisture, they are too wet for safe storage. Even though the grain is rattling in the pods, the beans still may contain too much moisture.

Spoilage is not so likely to take place during cold weather, but when the weather turns warm in the spring trouble begins.

The farm crops department at Michigan State college recommends several steps to prevent spoilage of beans having more than 14 percent moisture:

1—Run the grain through the combine, if necessary, to remove such foreign material as unthreshed pods, seeds and dirt.

2—Spread the grain 4 to 5 inches deep on a clean floor. Turn frequently to prevent heat damage and molding.

3—Do not put the grain in bins until moisture is 14 percent or less. Soybeans of unmarketable quality may be used for livestock feed.

substituted for part of the protein concentrate needed.

As a shortage of good soybean seed generally develops after a wet fall, farmers may find it wise to make certain of their spring seed supply now.

### All Nursery Stock Must Be Inspected Before Sold

Only this week four or five advertisements appeared in newspapers indicating that people were attempting to sell nursery stock without first having it inspected, says Charles Fize, Director of the State Department of Agriculture. Upon consulting with them, they related they knew nothing about the provisions of the law.

Act 189 of the Public Acts of 1931, classes nursery stock as trees, shrubs, vines and cuttings, other nursery grown material, cuttings, grafts, sections, buds, fruits and hardy herbaceous perennials, perennials, biennials, cissus, hollys and roots, cuttings, plants and plant products, capable of propagation, vegetable, field, vegetable and flower seedling plants, corns and other. This is one of the laws which the Bureau of Plant Industry operates.

It is unlawful for any person to sell or to offer for sale, to move or ship from one premises to other premises any nursery stock until such stock has been inspected by an authorized inspector, and a certificate of inspection covering it has been issued by the Director of Agriculture.

A. Boyer, Chief of the Bureau of Plant Industry, says that the rate is a protection against the stock has been inspected and the certificate of inspection purchase sum, knowledge of the posts or contracts that are which are so important to the species of plant life.

With the names of plant and plant diseases known and present not only in Michigan but in other states as well, every purchaser of nursery stock should demand a certificate of inspection of any plant material he purchases.

**DAIRYMEN TO MEET**  
Many of the owners of 18,000 dairy cows milked daily in Oakland County will be in attendance at the annual meeting of the four Dairy Herd Improvement Associations to be held at 8:00 P. M. Monday, November 12th at the Waterford Community Hall.

Several committees have arranged a very attractive program which will follow the banquet and will include: Dr. B. J. Killham, Michigan's leading authority on Bangs disease, the Four Flushers, and Mr. J. B. Mudge, a Dulemei veterinarian.

Officers and directors of the associations helping to sponsor the meeting are: Association no. 1 president—Earl Voorhees, Davison; vice president, Fred Beckman, Clarkston; secretary-treasurer, James Hunter, Orion; directors, Busch Porritt, Pontiac and Charles Zimmerman, Ortonville.

Association no. 3 president, Frank Williamson, Pontiac; vice president, John B. Rees, Holly; secretary-treasurer, Adolph Engler, Clarkston; directors, Carl Tucker,

Ortonville and William H. Edgar, Clarkston.

# DANGER POINT

The old fable of the last straw that broke the camel's back is too familiar to need repeating.

But it's worth remembering in connection with your Telephone Company. Some people may say: "Michigan Bell's doing a lot of business—taking in a lot of money. Let's tax 'em—cut their rates."

Michigan Bell is handling the biggest volume of business in history, is taking in more money than ever before. *But costs have gone up faster than income.* Higher wages, higher taxes, higher material costs—and rate reductions—have cut net earnings far below the pre-war rate, far below the average of other industries.

When earnings become insufficient, you don't notice any immediate effect on your telephone service. But, like the camel's back, there is a danger point—a point beyond which earnings that are too low will jeopardize the quality of service.

Michigan Bell customers want good service. The telephone bill is so small an item in their regular expenditures that customers want really good service even though it might cost a trifle more than they would need to pay for inferior service.

To again provide telephone service *when it is wanted and where it is wanted*, to give the quality of service you want in the future, Michigan Bell is undertaking a post-war construction program costing \$120,000,000 in the next five years. Money to finance that program must come from the savings of thrifty people who are willing to invest in Bell System securities. But, if prospects for future Telephone Company earnings are unattractive compared with those of other companies, people will place their savings elsewhere.

*The future quality of your telephone service depends on telephone rates sufficient to produce earnings attractive to investors. Too long a continuation of inadequate earnings would weaken our ability to meet expected post-war telephone needs.*

Drayton Plains

Mrs. Pearl Smith and Mr. and Mrs. Clarence Johnson of Birmingham were guests of Mrs. Mattie Tewilliger last Wednesday evening.

Mrs. Roy Cole and son, George, and family of Benton Harbor were guests of Mrs. Anna Losche last week.

Next Sunday will be "Men and Missions" day at the Drayton Plains and the Calvin Churches. The ministers will exchange places for the day. The Reverend John Hespit will bring a great message to the people of the Drayton Plains community. Every man is urged to invite his neighbor and family to attend the services.

The choir of the Drayton Plains C. U. Presbyterian church has started to prepare the Christmas music. They intend to sing "The Messiah" and have planned for several rehearsals.

The Roy Dancey Sunday School class will enjoy a hay ride on Saturday night followed by a supper at the Top Notch Inn on Dixie Highway. The young folks are looking forward to a grand time.

Last Friday night sixty members of the local church went to the Littlefield church in Detroit to hear Dr. James M. Ferguson, Moderator of the Church Assembly, and Dr. Albert E. Kelley, Executive Director of World Wide Christian Advance.

Mrs. A. A. Solomon and daughter, Mary Dean, Mrs. Mamie O'Boyle and Mr. Ray Thrasher have returned from Key West, and Mrs. Roy Stroope from Indiana. Their father, Dean Thrasher, returned home with them. Mr. Thrasher lived in Drayton Plains before going to Key West several

years ago. Eleetta Wilson is spending the weekend with friends in Flint.

The Home Extension Club will meet next Wednesday, Nov. 14th, with Mrs. Basil Thompson on Thirza Ct., for an all day meeting. There will be a cooperative luncheon at noon. The lesson will be on "Making Clothing Accessories." Some of the articles to be made are: wool mittens, wool jersey gloves and purses. The business meeting will start at 11 o'clock.

REMEMBER—the Young Peoples Rally at the Oakland Ave. church tonight for all Pioneers and Builders and their leaders. Banquet at 6:45.

PFC Roy Mitchell, son of Mr. and Mrs. Lawrence Mitchell, is stationed at Kwajalein in the Marshalls. The air transport command with which he is serving has made one of the finest records in relieving the wounded, evacuating the prisoners of war and being responsible for the movement of vital war supplies and food that has ever been known in history. This island is called the crossroads of the Pacific where planes stop to be serviced, refueled and have the passengers and crew fed. Pfc Mitchell was surprised one evening while seated at the mess hall table when Cpl. Kenneth Milleur, son of Mr. and Mrs. Kirby Milleur, of Drayton Plains, sat right across the table from him. Without a doubt the boys had much to talk about.

The Pearl Sutton Missionary society will meet with Eleetta Wilson on Hatfield Drive next Thursday evening, Nov. 15th, at 7:30. Mrs. Mamie O'Boyle will be the leader.

WTZ/c Worden McCreary and

Mrs. McCreary arrived home last Tuesday morning. He is on a 35 day furlough after being in the Pacific for many months.

Pvt. Rolland Bird arrived home on Tuesday after serving 28 months in India. He will be home for sixty days and then will go to Pennsylvania for his discharge.

The Blue Star Mothers held their regular meeting last Thursday in the school auditorium and pledged \$100.00 to the Blue Star Mother's chapter at Pine Lake. Mrs. Oscar Ream and Mrs. William Sutliff gave interesting reports on the convention held at Port Huron the latter part of October. Mrs. Ray Thrasher was honored with a state office at the convention. The Drayton Plains chapter will sponsor a brush demonstration on November 15th. The proceeds will be placed in the memorial fund. The public is invited to attend this affair which will be held in the school auditorium.

The following interesting letter was received by Mrs. L. G. Mitchell from her son, Cpl. Robert Mitchell:

Dear mother: I told you in my last letter that I would be going by boat to the northern tip of Honshu, but a day before I was to leave I was told to hop the next plane for the Alsugi Air Field, which is 40 miles from downtown Tokyo. We took off in bad weather and it kept getting worse, so we had to land at Osaka, which is on the island of Kyusun, the third largest of the Japan home islands. Osaka is about as large as Chicago and at least one fourth of it was completely destroyed.

We landed in Osaka in late evening and slept in the plane that night while the officers slept in the new Osaka hotel. All hotels in Japan are for officers only, much to our surprise. The officers sent a Jap out the next morning to pick us up and take us into town. A forty minutes ride from the outside of town took us to the museum where we stayed the next night. During that long ride I don't believe I saw more than three Japs who would give us a pleasant look or look happy. You can imagine how they feel toward us after the beating they took and it is very hard for them to stand the humiliation and the descension that came from losing a war. The Jap women wear what we call balloon pajamas and their shoes are hard to describe in a few words. The average Jap woman has a fair complexion and from ages three to sixty they are in uniform. The children march to school military style but instead of the leader carrying a Jap flag he carries an American flag.

Hoppaido, Oct. 19 Well, I've finally reached my destination before my long trip home. I flew up from Koushm yesterday and it was a pretty cold ride. This is the sixth island I have been stationed on since I've been overseas and I hope the last. My outfit is supposed to get two more battle stars and if they come through I'll have 64 points. I am at Chitose Air Field now. It is about half as large as Drayton Plains.

Love, Bob.

Fall Is Good Time To Plant Shrubs

Right now is a good time to plant shrubs.

O. I. Gregg, landscape extension specialist at Michigan State college, claims that they can be

transplanted any time in the fall after the leaves begin to drop. Fall planting is even better than spring planting, especially where the ground does not freeze too deeply, says Mr. Gregg, for it allows the roots to become established and ready to start growth early in the spring.

Another point in favor of fall planting—many persons aren't as busy at that time of year as in the spring.

In transplanting shrubs, some soil should be retained on the roots and good soil worked in about the plant. If water is available, run some in about the roots as the soil is added.

At least one-third of the older portions of the shrub should be pruned out and young shoots tipped back, before transplanting. If evergreens are transplanted in the fall, a large ball of earth should be moved along with the roots for best results. However, Mr. Gregg comments that late August is really the ideal time to transplant evergreens.

Atabrine Available To Veterans

The Office of Veteran's Affairs in conjunction with the Michigan Department of Health, has made available a supply of atabrine tablets, for free distribution to Michigan veterans suffering from malaria.

The supply of atabrine has been turned over to the Department of Health and in turn, a direct distribution has been made to local health officers, who have been advised as to the proper dosage to be administered to the veteran. Any veteran needing atabrine therapy, is urged to contact the local counselor of Veterans' Affairs. The counselor will then give the needed authority to make the atabrine available to the veteran.

Ninety distributing stations have been set up throughout the state by the Health Department to make this supply available on a statewide program.

Counselors have been requested to keep a medical record of all

attacks to enable the veteran to substantiate any claim that has been or may later be filed with the Veterans' Administration. The counselor has also been asked to assist the veteran, suffering from his first attack of malaria, so that a claim may be immediately filed with the Veterans' Administration.

Legal Notices

ESTES & COONEY, Attorneys, 812-13 Peoples State Bldg., Pontiac, Mich. NOTICE OF FORFEITURE OF LAND CONTRACT

To JESS ROZELLE and RAYMOND MYERS, 3 N. Perry St., Pontiac, Mich. You are hereby notified that a certain land contract, bearing date the 19th day of August, 1945, by and between ALBERT BARNETT and DALE BARNETT, his wife, of the first part, and JESS ROZELLE of the second part, is in default by reason of the non-payment of the installments of principal, interest in amount of \$171.24 due thereunder, and you are hereby further notified that the said Albert Barnett and Dale Barnett, his wife, elect to declare and do hereby declare said land contract forfeited, and you are hereby further notified to yield, surrender and deliver up possession of the premises in said land contract mentioned, of which you are now in possession under and by virtue of the terms thereof.

Said premises are described in said land contract as follows, viz: Lots 24 and 25 of Maplehurst Subdivision, Township of Pontiac, Oakland County, Michigan, according to the recorded plat thereof. ### Much Interest In Part-time Farming

Interest in part-time farming is at a new high if inquiries being received by Oakland County agricultural agent, and the farm management at Michigan State college are an indication.

Karl D. Bailey believes that

many families will live happily and possibly more profitably on small acreages not too far from regular employment. One caution that deserves attention is against the tendency of some to "bite off more than they can chew."

Another mistake that is sometimes made is going too heavily into debt. Generally this debt must be paid largely from income re-

ceived from non-farm work. Debt payments can become burdensome and if slack employment periods come, a real crisis may develop. It's generally advisable for the part-time farmer not to try to grow his own feed. This requires equipment and power, and so far no one has been able to equip a small farm cheap enough to produce field crops on an economical basis.

The four points to remember are: 1. Be sure to locate on good soil. 2. Plan the home for comfort and convenience. 3. Don't try to farm too much. 4. Beware of large debts.

### Beware Coughs from common colds That Hang On

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion, which goes right to the seat of the trouble to help loosen and expel accumulated phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beachwood extract with special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your doctor to tell you a bottle of Creomulsion with the understanding you must follow the way it quickly allays the cough, permits rest and sleep, or you are to have your money back.
