CLARKSTON, MICHIGAN, FRIDAY, NOVEMBER 23, 1945

NUMBER 12

Clarkston Scouts Aid State Police

On Saturday morning four of Clarkston's Boy Scouts, David Saxman, Jimmy Huttenlocher, Raymond Day and David Leak, under the supervision of Willard Wells, went to the much talked of spot near Davisburg where the body of Mrs. Lydia Thompson was found, and raked the ground for a great distance around to try and find the weapons or some evidence that would help solve the crime. The boys worked from about 8:30 or 9:00 in the morning until the middle of the afternoon. There were other scouts from the county helping to do the job. However, nothing was discovered.

Rotary Club News

The Clarkston Rotary Club had the pleasure of listening to a very interesting talk by Lt. (jg) Edwin J. Beattie on the war in the Pacific. He had on exhibit a map taken from a wrecked Jap flier, as well as the special cloth maps used by the United States.

Other guests were William Yoh and Dr. P. Mark Todd, the latter of Osceola, Mo.

The date for the annual Rotary Football banquet was set for Dec. 3, 1945, and will be open to the public. Tickets may be secured from members of the Rotary Club after next Monday.

Girl Scout News

When the Girl Scouts met last Tuesday plans were made for a clean-up-the-town campaign. Metal waste baskets are being purchased by the Girl Scout troops and these will be placed on the street corners. We will be divided into squads to pick up papers on the school grounds and down town.

The Penny Line was quite successful in spite of the inclement weather. We made about \$25 in all. We want to thank the townspeople for their cooperation.

Sally Stageman is a second class scout now.

After our regular business meeting we enjoyed singing songs.

Mary Beattie, Scribe.

Plan Farmers' Week 4-H Club Fur Show

Oakland county 4-H boys and girls will join with other club members in the state this year in exhibiting their furs at a special fur show to be held in conjunction with Farmers' Week at Michigan State College January 28 to 31.

This will be the first show of this kind according to word received by Karl D. Bailey, county agricultural agent, from Arnold O. Haugen, game extension biologist of M. S. C. Special prizes will be awarded for proper care and handling of furs and for prize pelts. A public fur sale is planned for the closing day of the show that is expected to bring the boys and girls top prices for their pelts. Many of the state's largest fur buyers will be bidding.

For information on ways to participate in one of the state's 4-H fur trapping and management projects and how to enter the 4-H fur show, contact County Agent Karl D. Bailey.

Our Boys and Girls In The Service

Those discharged from the naval service at the Great Lakes Center on November 13th, were Richard Lowrie, Lt. (jg), of route 2, Clarkston and Donald E. Steiner, BM2c, of 88 Orion road. On November 14th Floyd A. Justus, ABM2c (T) of 6641 Maple Dr., route 2, Clarkston, received his discharge at the same center.

Among those discharged from the naval service on Nov. 15th, at Great Lakes, Ill., was Bartlett J. Mann, Pay Clerk 2c, of 135 N. Main street, Clarkston.

Richard B. Shaugnessy, radioman, third class, 60 South Main St., Clarkston, and other Navy men who served on the artillery barge, USS WYTHE have received an official "Well Done" for the part they played in the hectic Okinawa operations.

Six days before the actual beginning of the Okinawa campaign, the WYTHE'S crew was watching the opening phases of the largest Pacific amphibious action up to that time.

Before the thundering attack of April 1, the WYTHE was assigned to a logistics area set up in Kerama Retto, a small island group 15 miles west of the southern tip of the main island. When Easter Sunday D-Day arrived, the crew of the WYTHE began its long days and nights supplying scores of small patrol and landing craft with water, fuel and provisions.

During the entire action, while suicide planes were barreling out of the skies at our Fleet units, the WYTHE suffered no major casualty.

One of our local boys is being kept busy in Europe doing the work that has been his ambition since he was old enough to scan the future and make plans as to his career. When thoughts of a realization, he aimed to become a flyer, but when the time came to transfer a great number of men from the air corps to the infantry he was one of what he thought the unlucky fellows. However, he finds now that it was all for the best, for at the present time he is the sports editor for the Bremen Port Commander, a GI paper published every Friday by the Public Relations office, Bremen Port Command. This boy is none other than Pvt. Byron Miller, son of Mr. and Mrs. Seymour Miller of Holcomb street.

Byron keeps the men posted on all sports events and follows up with a write-up on the results of all games. Many of his articles have appeared in the Paris edition and the Franklin edition of the Stars and Stripes. As a sports writer, Byron is doing a splendid job, and although, like most of the fellows, he would like to be with his folks at Christmas time, he is so interested in his work that he is glad to stay where he can have many opportunities in the writing field. He now wears the insignia of a U. S. War Correspondent.

Lack of space forbids us copying Byron's articles, especially the long ones, but just to let the home folks know what he is doing the following short write up taken from the Bremen Port Commander will give you some idea of his work:

BPC ELEVEN PLAYS BERLIN AT STADIUM

Tomorrow at Ike Stadium at 2 o'clock the Bremen eleven will try to return to its old winning ways when it meets Berlin CG BPC, after winning its first three games, slumping in its last two games, losing to Seine and Oise Base Sections.

Last week's game with Oise was a costly tussle, for the Bears lost the services of both Johnny Lascari and Angie Lawrence, two of the anchors of a strong line. Lascari suffered a chipped ankle. Both Lawrence and a sprained ankle. Both might be out of the lineup for the rest of the season. In addition, hasty Paul Buck will not play against Berlin, being on furlough.

Though the starting backfield of Dulaney, Scott, Schrobacz and Railey is intact, Coach Dailey has elected to start the second-string quartet of Sabatini, Schnyder, Farmer and Giordano.

Little is known about the Berlin team, except that it is a light outfit. BPC will hold considerable weight advantage in both line and backfield.

WANT ADS

We have a splendid line of baby cabs. As low as \$12.95. Wingle-mire Furniture Store—Holly.

All kinds of upholstering done by Alvin Grate, phone Clarkston 2407.

Waste Paper Drive Wednesday, Nov. 28

Everyone is reminded that there will be a waste paper collection in this district on Wednesday, November 28, sponsored by the library board of the elementary school library. Bundles are to be at the curb by two o'clock. See that you do your part to furnish books for the children.

Anyone wishing to spend an evening helping Mrs. Leslie Shanks catalogue the new books is asked to contact her at once, phone 3831. This work takes time and Mrs. Shanks would like to get these books on the shelves as quickly as possible. With the help of someone this necessary job could be speeded and the children would get the benefit of the books much sooner.

Obituary

Mrs. Anna G. Seeley

Mrs. Anna G. Seeley, of Holly and formerly of Clarkston, passed away at a Pontiac hospital on Saturday.

Mrs. Seeley was born December 15, 1872, the daughter of Edmond and Alice Anderson Foster of near Clarkston. She attended the Clarkston schools, the State Normal College at Ypsilanti and graduated as a nurse from the Saginaw General Hospital. On March 15, 1910, she married Andrew Seeley of Holly. She was a member of the Holly Methodist church. She and her folks are well known in Clarkston. In the Clarkston Baptist church is a stained window, placed there in memory of her grandparents, the Frederick Posters.

Her only survivor is a sister, Mrs. D. B. Lyons, of Howell.

The funeral service will be held at the Dryer Funeral Chapel in Holly on Wednesday afternoon at 2 o'clock, with the Reverend Alan Gray, pastor of the Holly Methodist church officiating. Burial will be in Lakeside cemetery in Holly.

Sunrise Service

Thankful worshippers will gather at the Waterford Community Church at 7:30 a. m. Thanksgiving morning for a service of praise and thanksgiving. Rev. Dorc Frazier, Pastor of the Stoney Creek Community Church will bring the morning meditation, and Mrs. A. Hardley will sing.

Immediately following this service a co-operative breakfast will be held. Mrs. John Miller will be in charge. All are cordially invited to attend.

Literary Club Meets In Drayton Plains

The Junior Literary Club met at the home of Mrs. James DenHelder in Drayton Plains on Thursday night, November 15th. Six members and the sponsor answered roll call by giving a famous quotation and naming the author. At the business meeting the group agreed to spend \$10 for two gifts for men at the Percy Jones Hospital. The Penny March closed the business meeting. A very interesting book report written by Mrs. Harry Colwell on "Party Line," by Louise Baker, was read by Mrs. Charles St. John.

After light refreshments were served by the hostess, the group adjourned. The next meeting will be on Thursday, November 29th, at the home of Mrs. Charles St. John in Pontiac.

Wheel Chair For Disabled Veterans

The Clarkston Service Mothers met at the Masonic Temple last Thursday. A pot-luck luncheon was served at noon. The group decided to send a collapsible wheel chair to the Percy Jones Hospital. They also voted to send an extra gift to the boys at the Percy Jones Hospital who are from this district. In order to raise the money for these gifts they decided to stress the sale of the paper products. At the present time they have a fine selection of children's books and gift stationery besides all other household paper products.

The group agreed to cancel the December meeting and meet again the third Thursday in January.

Musical

On Sunday evening, November 25, at 7:30 p. m. a Thanksgiving Musical will be presented at the Waterford Community Church, under the auspices of the Church Choirs. A delightful program has been prepared.

In addition to many selections by the Senior Choir, numbers will be given by the Junior Choir, Mr. E. Stepleton, guest soloist from Pontiac, Mr. Bruce Huntwork, trumpeter, and the Sunnysvale Junior quartet. Piano solos will be rendered by Mrs. C. Coventry and Miss Joan Kray.

All are urged to attend this service.

IFCA Conference

The Michigan Regional of the Independent Fundamental Churches of America will hold their monthly Bible Conference at the Waterford Community Church, on Monday, November 26.

The program for the day will begin at 10:00 a. m. with devotions led by Mr. Marvin Potter, Rev. John Pinches of Detroit as speaker. Luncheon will be served at noon by the Ladies' Auxiliary.

The afternoon program will include Rev. E. B. Jones of Minneapolis, Minn., Rev. H. K. Miller, of Hammond, Ind., and Rev. John Douglas of Hudsonville, Michigan. A short business session will be held after which dinner will be served by the ladies, for the convenience of those coming from a distance.

In the evening, Rev. P. H. Kadey of Flint will present a beautiful illustrated message at 7 o'clock and Rev. H. K. Miller will be the evening speaker.

Music will be furnished at the conference by Rev. and Mrs. E. M. Main of Ferndale, and Rev. Nelson Krings, of Waterford.

The public is cordially invited to attend all services.

MAGAZINES—subscriptions taken for any magazine in print. Place your Christmas order now. David Saxman, phone Clarkston 2731.

Wall Mirrors. Exceptionally large assortment of all sizes and shapes for every purpose. Finest plate glass. Wingle-mire Furniture Store—Holly.

WANTED — Painting and decorating work. F. Lohmann & Son. Painting Contractors, 7224 Andersonville Road, phone Pontiac 31-1947.

YOUNG LADY would like household by the hour. Phone Clarkston 4311.

WOMEN'S PLACE ON THE PAYROLL?

Clare Booth-Luce, Connecticut's glamorous Congresswoman and playwright, writing in The American Weekly with this Sunday's (Nov. 25) issue of The Detroit Sunday Times, tells why she believed women's place is in the home, although industry is welcoming women workers and surveys indicate they are just as eager for jobs. Get Sunday's Detroit Times.

Visit The Bazaar Thursday, Nov. 29

The W. S. C. S. of the Clarkston Methodist church will hold a bazaar in the church parlors on Thursday, Nov. 29. Each of the four Circles will have a booth chocked full of the finest Christmas suggestions. The Priscilla Circle will have a novel Mexican booth. Here you will find gifts that are colorful and unique.

Starting at 12 noon a hot luncheon will be served. The public is invited.

3 Military Areas Announced Today

Establishment of three military areas to handle Organized Reserve Corps affairs within the Sixth Service Command was announced today by Major General David McCoub, Jr., commanding general of the service command.

Each of the three states in the service command, Illinois, Michigan and Wisconsin, will comprise a military area. Headquarters will be in Chicago, Detroit and Milwaukee, respectively. The deputy chiefs of staff for each state will supervise the military area in that state. Colonel W. M. McCarty is deputy chief of staff for Michigan affairs.

Most immediate problem to be handled by the three areas will be that of personal administration. Training and mobilization planning are not major factors, as they will depend upon post-war plans for the Organized Reserve Corps.

Before the war there were approximately 10,000 reserve officers in the Sixth Service Command. It is expected that the total will be higher upon final demobilization of the army.

AAA Committeeman Elections Scheduled

The schedule for the AAA committeeman elections in Oakland County was announced this week by Walter R. Cook, chairman of the AAA committee. He listed the communities, the polling places, and the dates and hours as follows: Waterford, Pontiac and Bloomfield, November 28 at the Waterford Township hall; Groveland and Springfield, December 3 at the Groveland Township hall; Brandon and Independence, December 5, at the Brandon Township hall. All meetings will be at 8 p. m.

In each community, farmers will elect three regular committeemen and two alternates. Elected at the same time will be delegates to a county convention to be held Dec. 7, where a county committee will be elected for the coming year.

The AAA chairman said approximately 2,000 farmers are eligible to cast ballots in community elections. This number includes all farmers who are cooperating in the agricultural conservation, sugar or crop insurance program.

Discussing the role of community committeemen, Mr. Cook pointed out that soil conservation will continue to loom large among the next year's program. Oakland County has been allocated \$119,148.00 for soil conserving practices, and committeemen will have more responsibility in working with their neighbors to round out soil-building plans for each individual farm. This is only one of the programs for which committeemen have a great responsibility.

Gas Is A Killer; Prevent Accidents

Poison gas killed 1,950 Americans last year, reports Oakland county agricultural agent. These were not war casualties, but victims of accidents.

Carbon monoxide was the poisonous gas in eight out of every nine cases, and 97 percent of the victims were struck in their own homes, according to the National Safety Council records.

Almost all fatalities by other kinds of gases occurred in industrial accidents.

Safety principles for avoiding monoxide poisoning in the home, as given by Karl D. Bailey, are:

1. Be sure that the damper in a stove or furnace pipe is never closed tightly enough to force gases into the room. It is better to regulate "draw" with a check draft.

2. A flue pipe to carry away burned gases is always necessary for gas ovens and water heaters.

3. Gas burners should burn with a transparent blue flame. If the flame has a white or yellow tint, adjustment is called for.

4. Never operate a gasoline engine in a closed place unless the exhaust is piped out of doors. Open shed doors before starting the truck, car or tractor.

Lend A Hand

You have heard many folks say "We are constantly being asked to give and to do," but isn't it a grand thing that we are able to "lend a hand" once in a while where help is greatly needed. The Veteran's hospital at Dearborn is in need of afghans. An appeal has been sent out by the Red Cross for 8 inch knitted squares of odd colors of yarn with a finished edge of black crochet. These will be put together with black yarn and some of the patients at the Veteran's hospital will be kept comfortable when they are able to sit up in a wheel chair or even when they are in bed. Mrs. J. R. Campbell of Caribou Inn, phone 2831, will be glad to accept these squares and put them together. She would like to get an afghan or two to the hospital by Christmas. If you have any odds and ends of yarn in your sewing basket, get the Christmas spirit now and start knitting some of these 8 inch squares. Call Mrs. Campbell for any further information.

Mr. and Mrs. Leland Masters, of Maple Drive were happy on Sunday to have their daughter, 1st Lt. Ruth E. Quinn, return home after an absence of many months. She has been serving in the European theatre of operations with the Army Nurse Corps.

Church News

CLARKSTON METHODIST

Walter C. B. Saxman, Minister

The Adult Instruction Class will meet with the pastor at 8:00 Wednesday evening.

The new youth instruction class will meet for the first time at 9:30 Saturday morning, December 1st, at the Community Activities building. Young people thirteen years of age or over are invited to join the class. Some of the things studied by the group will be Luther's Small Catechism, Bible and Church history, Bible Geography, worship and hymns.

SUNNYSVALE CHAPEL

Waterford Center Schoolhouse

9:00 a. m. The sermon topic will be "Christ, Our Redeemer."

10:00 Sunday School — Floyd Evans, superintendent.

By The Way

It's amazing how many things we have to be thankful for in our first peace time Thanksgiving in many years. The boy scout got a real kick out of helping the State police on Saturday. They felt they were really trying to help solve a crime. The stork walk to the subdivision south of town is completed and a retaining wall has been placed in front of some of the property on South Main street. Outdoor Life magazine supplies figures showing that over the nation the average hunter has less than one chance in three of getting a deer (success percentage in Michigan last season was 30.9). The snow storm on Monday afternoon gave some of the hunters hope that there might be some snow in the north woods by the time they reached their hunting ground. Two hunters from Clarkston who were lucky enough to get their deer on the opening day went Durward Ash and his father, Walter Ash. The scarcity of houses has kept Clarkston from increasing its population in the last six weeks. If all reports are correct, about one hundred could have been added to the town's census.

Protect Children From Diphtheria

"Every death from diphtheria is preventable and some people should take the rap." This statement was made by Dr. Don Fraser, professor of Pathology, Medicine of the University of Toronto, before the 25th annual Michigan Public Health Conference in Grand Rapids on November 9.

Dr. Fraser said that while diphtheria is a safe and effective way of preventing diphtheria, it is not enough. We must educate parents so that they will have their children protected.

"Give diphtheria toxin to infants at nine months, to children again at ten months, and to the kid with a booster dose at three and a half years of age. This will keep the disease away," Dr. Fraser said.

Dr. F. S. Leeder, director of the Michigan Department of Health's Bureau of Epidemiology, told the conference that Michigan's increase in diphtheria cases due directly to failure to immunize. During the past three years distribution of diphtheria toxin had dropped 34 percent while the cases of the disease had more than doubled.

Clarkston Locals

Sunday dinner guests at the home of Mr. and Mrs. Carl Johnson were Mr. and Mrs. Jack Blaine and daughters of Detroit.

Just For Fun

I wouldn't care to shoot a hog. Just for the sport of killing him, I hate to see that look in his eye. That shows itself in humpback.

Most men, I think, feel silly when at the point of taking a hog. With sharp and gleaming battle knife.

But those who tote about a hog and brag to others of our hog. About their killing just for fun. Have not had death stare in their face.

It's not the kill that takes men north. In steady stream this time of year. For many hunt is never so fun. In quest of show 'n' go down a hog.

Instead, I think it's fellows. And freedom from the daily bread. That lures men into such a trap. To lift the pressure from the mind.

—Robert C. Beattie

 Lutheran Sunday School at 9:45.
 Lutheran services at 11:00 Sunday morning.
 Library open between 3:30 and 4:30 Monday afternoon.
 Pimochie at 8:00 Monday evening.
 Waterford-Drayton Rotary luncheon Tuesday noon.
 Library open between 3:30 and 5:00 Tuesday afternoon.
 Boy Scout troop 31 meets at 7:15 with Carl Putman.
 Library work period between 1:00 and 4:00 each Wednesday.
 Youth night between 7:00 and 10:00 Wednesday evening.
 Library open at 7:00 Wednesday evening.
 The Parent-Teacher Association of the new Williams Lake school held a luncheon at the Club house at 1:00 Thursday afternoon to which the township teachers and mothers of the district were invited. They served about 150 persons and the group now has

\$87.00 from the luncheon to start a fund for the Association. All attending report having had a grand luncheon. Games were enjoyed by the group.

The Mothers club of the village school met for the luncheon which was sponsored by the Williams Lake Parent-Teachers Association and then gathered in the library for the regular monthly business meeting which was conducted by Mrs. Eugene Cleland. Mrs. Richard Gorman announced that the Cubs, which are being sponsored by this group, are growing and now could use den mothers at both Maceday and Williams Lakes. Any interested in this work are asked to contact Mrs. Gorman or George Attwater, the Cubmaster. Mrs. William Stockford reported having been to the Parent Education Institute in Detroit on Tuesday, November 13, and having seen Mrs. Parks who will be at the library on December 5th. William Schunck, new superintendent of the Waterford Township schools, spoke on Thanksgiving, and gave the following reasons, why he, and we, should be happy this Thanksgiving: being alive; good health; good jobs; our families; this Country with our freedom of worship, schools and opportunities; and being able to live in this world of peace. The next regular meeting of the group will be at the village school on December 13 and will be in the form of a Christmas party with a general exchange of gifts.

Thirty members and two guests of the Woman's Club met in the East Hall Thursday evening for the regular monthly business meeting with Mrs. Agnes Flickinger in charge of the meeting. The group voted to turn \$300 over to C. A. I. to be used as needed. The cook books are now on sale for 50c by all members of the club. The next party will be in the

form of a Christmas party with a general exchange of gifts. The hostesses will be Mrs. Lester Patton, Mrs. Gordon Bryce, Mrs. Robert Mawhinney, and Mrs. Ardis Peck. Mrs. Donald Weaver and Mrs. Badge Donahue joined as members. Refreshments were served by Mrs. Clifford Wood, Mrs. William Gerber, Mrs. Leo Larkin and Mrs. Leonard Roebke.

Fourteen MOMS gathered at the Club house on Wednesday, November 14, for pot luck dinner. During the business meeting which followed the dinner it was reported that \$116.25 was realized from the tag day drive on November tenth. The committee to take care of the Christmas mail for the service folks overseas will meet at the home of Mrs. C. W. Armstrong the morning of November 20. The next regular meeting of the MOMS will be a pot luck dinner at the Club House on December 5.

Persons wanting to make reservations for any room at the Club House are asked to call Mrs. Jack Hall for the arrangements.

The new floor for the east hall and kitchens of the club house, have been promised to be all laid by December month.

Drayton Plains

The Drayton Plains Home Demonstration group met with Mrs. Thompson on Thirza Ct., last Wednesday for an all day meeting. Fourteen members enjoyed a lovely cooperative luncheon at noon. The meeting started at ten o'clock in the morning and the leaders, Mrs. Fred Appleton and Mrs. Maurice Young explained the lesson, which was on making purses, gloves and mittens. The luncheon was served promptly at 12 o'clock and in the afternoon the group busied themselves making some of the articles that they had received the instructions on. The group will meet with Mrs. Roy Dancy on November 28th for an all day meeting. The lesson will be on Christmas suggestions.

Mr. and Mrs. William Curtis and Floyd Wilson left on Wednesday for Gladwin, Michigan, for a few days of hunting.

The Adult Bible Class of the C. U. Presbyterian church held its regular monthly business meeting and class party on Friday night in the church parlors. Mr. and Mrs. Kirby Milleur had charge of the devotions. Refreshments were served at the close of the

evening.
 Mr. and Mrs. Elmer Bowday and family have moved from the Dixie Highway in Drayton Plains to Clarkston.
 Mr. and Mrs. Ross Barber were hosts to the Builders group of the Community Presbyterian church last Thursday evening. A delicious chicken dinner was served at 7 o'clock. After a devotional

period, the remainder of the evening was spent playing games. 18 young people were present.

A TONIC APPETIZER
 USE IT IN THE MASH
 Progressive poultry raisers and hatcheries all over the United States use Dr. Salsbury's Avi-Tab regularly. Many report benefits and improvements.
 This is because in many flocks there are some birds which a tonic appetizer will benefit. Perhaps you have some birds like that in your flock right now. If so, try a ten-day treatment with Dr. Salsbury's Avi-Tab. Watch how those birds respond.
 Birds eat it readily. We have it!

THE CAR THAT'S REALLY NEW!
1946 OLDSMOBILE
 WITH MANY NEW ADVANCEMENTS
 "Look to Olds For All That's New!" Look to America's oldest motor car manufacturer for the newest, smartest thing in 1946 models—and the newest, simplest way to drive. The 1946 Oldsmobile, with General Motors' new and finer Hydra-Matic Drive, is here now—for all to come and see!
 And it's truly NEW in every sense of the word. The appearance is different from any previous Oldsmobile—with newly tailored lines, smart new front-end design, and newly appointed Bodies by Fisher. The performance is new, due to smoother and livelier "Fire-Power" engines. There are many new advancements throughout the chassis to provide greater ruggedness and reliability.
 Hydra-Matic Drive is new, too. First introduced by Oldsmobile in 1939, and thoroughly battle-proved in fast Army tanks during the war, this great General Motors development has now been made even finer, smoother, and longer lasting than ever... for the new 1946 Oldsmobile.
 You are invited to come in, see and inspect this great new General Motors car. Oldsmobile has been building quality automobiles for nearly fifty years. This newest Oldsmobile is by far the finest—the best-built Oldsmobile of all time.
OFFERING THE NEW GENERAL MOTORS HYDRA-MATIC DRIVE
 NO CLUTCH PEDAL
 Hydra-Matic Drive is a combination of a fluid coupling and a fully automatic transmission. Gears shift automatically through all four forward speeds, and there's not even a clutch pedal in the car!

Drayton Plains

Gordon Barber, small son of Mr. and Mrs. Ross Barber, of McCormick drive, has returned to his home after spending three weeks with his great grandparents, Mr. and Mrs. W. J. Vance in Owen Sound, Ontario.

The Pearl Sutton Missionary society met in a group and heard Dr. Kellerberger at the Oakland Ave., United Presbyterian church in Pontiac. He gave a talk and showed pictures about "Leprosy." After the lecture the group re-

turned to the home of Misses Eleeta and Betty Wilson for a short business meeting and refreshments.

Navy Recruiting

Regular Navy enlistments for two, three, four or six year terms were announced this week by Commander Jasper E. Fleming, Officer in charge of Navy Recruiting for Lower Michigan. Previously, the term of enlistment in the Regular Navy was for four years.

"Regular Navy applicants 17

years of age now have a choice of serving for two or three years, or for minority," says Comdr. Fleming. "Men enlisting for minority are automatically discharged when they reach the age of 21."

Men of draft age are also eligible for Regular Navy enlistment, regardless of draft classification. Men 18 through 30 may enlist for two, three, four or six years.

The Navy's offer of varying terms of enlistment is expected to accelerate still further the current brisk rate of voluntary enlistment in the Regular Navy, Comdr. Fleming says. A goal of approximately 24,000 men per month for the Regular Navy has been set for the Regular Navy, apart from the Naval Reserve.

Out of a total of 32,511 voluntary enlistments in the months of August and September, 17,877 were for the Regular Navy. This figure does not include men already in the service who changed from Naval Reserve to the Regular Navy. Incomplete reports show that more than 9,000 men switched to Regular Navy from the reserve during the same period.

Peacetime service in the Regular Navy offers ambitious men many advantages. Among these are:

Expanded recreational facilities and wholesome companionship. Opportunities for rapid advancement in many ratings left vacant by the discharge of men under the point system.

A re-enlistment bonus of \$50 in all pay grades for each year served in the current term of active duty. Previously, men below the first three pay grades received only \$25.00.

Immediate payment of mustering-out pay, instead of waiting until final separation from the service.

Up to 60 days' leave, with transportation provided both ways.

Permanent extension of wartime 20 percent extra allowance for sea and overseas duty.

Family allowances extended for

the full period of enlistments and re-enlistments made prior to July, of next year.

Men in the first three pay grades may again choose either money allowance for dependent's quarters or family allowance.

Benefits of the G. I. Bill of Rights assured at end of new enlistment.

Free postage until 31 December, 1947.

Complete information about Regular Navy enlistments and re-enlistments may be obtained at the Navy Recruiting Station in the Federal Building in Detroit, or at Navy Recruiting Stations located in Flint, Grand Rapids, Jackson, Kalamazoo, Lansing and Saginaw.

"My electric life is wonderful

—and it will be still better"

"Life is wonderful . . . especially since I discovered the electric life. No more worrying about hot water in the morning for my husband's shaving, or during the day for the hot water needed for a thousand and one chores . . . and at night for the refreshing baths we all look forward to so much. My kitchen is electrified, too—an automatic range, an electric refrigerator, a garbage disposal unit and an electric dishwasher. A peek into my basement would reveal the biggest secret of all . . . an all-electric laundry that washes, rinses and damp-dries my clothes without my lifting a hand. Is it any wonder that my life is wonderful . . . and I know that it will be still better with the coming years and the miracles that electricity brings."

Electric equipment is not generally available for sale now. Some is being manufactured and distributed. It will be to your advantage to have your name on your electrical dealer's list, so that you will be able to get it at the earliest possible time.

<p>ELECTRIC KITCHEN</p> <p>There is real enjoyment in the all-electric kitchen with a clean range, a safe refrigerator, a labor-saving dishwasher and a modern garbage disposal unit.</p>	<p>ELECTRIC LAUNDRY</p> <p>Fatigue is a thing of the past with the many labor-saving advantages of the all-electric laundry. Electric washer, dryer and ironer all carry a share of the load.</p>
<p>FROZEN-FOOD STORAGE</p> <p>The family can have fresh foods at any season of the year with a safe, compact frozen-food unit.</p>	<p>AIR-CONDITIONING</p> <p>Proper year-round temperature for health and comfort in the home is the advantage in electric air-conditioning.</p>

"WE'RE MOVING RIGHT ALONG"

... BUT THE JOB HAS JUST BEGUN

Telephone equipment for civilians is beginning to flow from the factories. Michigan Bell's 5-year \$120,000,000 expansion and improvement program is off to a good start, with projects costing over \$5,000,000 already under way.

We've begun to install telephones in those areas where only telephone instruments are needed to provide service. By next spring, we expect to clear up virtually all orders of this type—more than one-third of the 125,000 waiting applications.

To fill the other orders, cable must be produced, placed and spliced; complex switching equipment must be engineered, manufactured and fitted in with existing apparatus. In many cases, new buildings must be erected.

This work is being rushed. But the job is so big that it will be 1947 before enough equipment is ready to serve everybody who wants a telephone. That means we must still ask your understanding and patience.

Give Roast Fowl Appetite Appeal

With the Thanksgiving and Christmas seasons approaching, roast turkey, chicken or other fowl will be the appetite tickling delicacy that will grace tables in most Michigan homes.

To put that final "just right" finish to the roast bird, Miss Roberta Hershey, extension nutrition specialist at Michigan State college, offers these suggestions:

To prepare a fowl for roasting, rub it with salt, brush with cooking oil or melted fat, and place

it on a rack in the roaster with the wings and legs drawn under the body and tied. Brown in a hot oven (450 degrees F.) for 20 to 30 minutes; then lower the temperature to about 300 to 325 degrees F, roasting 20 to 30 minutes for each pound the bird weighs. For added flavor baste every half hour with drippings.

Miss Hershey says a young bird should never be covered during roasting. But, if the bird is fairly old and tough, a little water may be added after browning, and the pan covered.

Peonies should be dug and di-

vided or transplanted now. However, if peonies are doing well, they should be left alone. Only when propagation is desired or when it is necessary to move them to a new location should peonies be disturbed. When re-

planting, the divisions should be placed in the ground so that the eyes or buds are about two inches below the surface. Peonies can be planted in the spring with success, but fall planting is preferred.

Beware Coughs from common colds That Hang On

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permits rest and sleep, or you are to have your money back. (Adv.)
