## Local O.E.S. Chapter Has Friendship Nite

On Monday night the Joseph C. Bird Chapter, O.E.S., held "Friendship Night". There were about 225 attended. The Oakland county officers were the honored guests. Initiation took place during the first part of the evening when Marjorie Smith and Marjorie Vliet became members.

Following the work in the chapter room the members and guests were invited to the dining room where refreshments were served. The refreshment table was beautifully arranged with very timely decorations. In the center was a May pole, about 1 1/2 or 2 feet tall, topped with a small bunch of violets. Holding each pastel streamer was a pretty little character doll. Pastel colored candles in crystal holders flanked the May pole. A large silver tea service graced each end of the table. Mrs. Blaine Jones and Mrs. Percy Lowry poured. Mrs. Jones was responsible for the pretty decorations.

The refreshment committee included Mrs. O. C. Adams, chairman, Mrs. Howard Dean and Mrs. Margaret Harris.

Guests were from Detroit, Berkeley, Farmington, Rochester, Orion, Commerce, Birmingham, Flint and Pontiac.

## Poppies Will Be Sold May 24 and 25

"A flower of hope for the living, as well as of tribute to the dead". This is the way the memorial poppy appears to those who handle the funds received by the Legion and Auxiliary on Poppy Day. This year the bright, little red flower will be sold in Clarkston and vicinity on Friday and Saturday, May 24 and 25.

The government provides compensation and hospital care for disabled veterans and assistance for families of the dead, but we all know how often difficulties and delays are encountered in securing official help. When a veteran is sick and discouraged, he needs immediate help. When children are hungry they cannot wait for cases to be processed and claims to be proved. That is when the Legion and Auxiliary step in with emergency aid. That is when the dimes, quarters and dollars contributed for the memorial poppies prove a God-send to those suffering from the results of war.

These little red poppies are made at the hospitals by the disabled veterans who are remunerated for their work. The distribution of the poppies next week will be by unpaid volunteers and all contributions will go into the welfare and rehabilitation fund.

## Baseball Game Sunday Afternoon

On Sunday afternoon at 2:30 the Clarkston Baseball team, which is sponsored by Roy's Standard Super Service, will play the Wilson Foundry team from Pontiac on the local diamond. This team from Pontiac is composed of colored boys who are good ball players, so your home team will need your support. Be there.

Dear Mr. Stamp:

First of all I want to thank you for the paper. I've been getting them all right along and have certainly enjoyed them. If it wasn't for your paper I believe I'd have lost track of everyone back there.

I see that most of the fellows are getting out now. I plan on heading for home soon myself, so you may stop sending the paper. I just want you to know that I've sure enjoyed it for the last two years and will never be able to thank you enough.

There isn't much news over here—things are going along swell for me, so I can't do much kicking. The food is good and so are the living conditions.

Well you can see that I am struck for words so I'll just call this IT.

Thanks again for the paper and the boxes that you and the people of Clarkston have sent.

Dear Mr. Stamp:

It is my great pleasure to inform you that you need no longer send the Clarkston News to me over here. Please send it to my home from now on as I wish to subscribe immediately upon my return.

I want to thank you again for your kindness in sending the paper to me and all the other boys who are in or have been in the service. It has meant a lot to me to have that little bit of hometown news every week.

I am here at the port now and expect to be on the boat within 3 or 4 days. We are having chilly, wet, wind, typical spring "channel weather" now. It's uncomfortable to be outside in this kind of weather.

I'll sign off for now. See you soon.

Sincerely,  
Lt. Glen Batten

Dear Mr. and Mrs. Stamp:

Please accept my humble apologies for not writing sooner. I appreciate receiving the Clarkston News every week. Even though it is composed of a small number of pages, it is so full of news about home and the home folks. I never miss an item—even read the "Want Ads". Your column "By the Way" is always very interesting, with its collection of passing thoughts.

Pine Camp, where I am stationed at present, is close to the northern border of New York state. We are only 35 miles from the St. Lawrence river. During the war this camp was used to train armored divisions, but since the fighting ceased it has remained open for one purpose, the Disciplinary Barracks. This is for the detention of American soldiers who ran afoul of the law. At one time there was also a Prisoner of War camp, but almost all of the Germans have been sent home.

In the Disciplinary Barracks we have 1,850 ex-G.I.'s who are serving time for crimes ranging from continuous AWOL to murder. The barracks do not look like a jail, but are ordinary two story barracks enclosed in a double fence with guard towers every 100 feet. Of course we do have one cell block for solitary confinement, where boys are put when they get too unruly.

We have had some escapes, but in 9 out of 10 cases the boys are soon apprehended and returned to confinement. One of the escapes I recall because it shows how the

This lovely affair will be open to the public and everyone is cordially invited to attend.

Plans are being made to have the room for these young artists, a bower of beauty. There will be three guest artists, Spenceley Butters, violinist and Mary Edgar and Dan Adams, vocalists.

June 8 is a date to remember.

## Clarkston Locals

Mr. and Mrs. John Mann have returned from Florida after spending the winter in Orange City.

On Wednesday evening Mrs. Charles Matthews entertained her music class at her home on Church St. The group enjoyed games, music and refreshments.

Inmates study all angles in their efforts to get free. A certain guard was detailed every day to take three men on their job, which, at that time was digging a trench outside of the fence. Evidently these inmates had studied their guard and decided he was an easy mark, so one of them feigned sickness and collapsed. The guard became excited and ran to a phone to call the hospital. When he returned from the phone call all three of the inmates had vanished, as the camp is closing. Gradually the inmates are being transferred to other institutions and soon all the guards will be sent to other posts. In the army we never know what is going to happen, so I'll have to wait until I get to my next camp before I send you a new address.

Thanks again for sending the Clarkston News.

Sincerely,  
Sgt. Wm. H. Mansfield

## Clarkston Nine Whips Ortonville

On Tuesday afternoon the baseball team from the Clarkston school went to Ortonville and beat the team there on its home ground. Although the game finished with the ridiculous score of 12 to 7, some of the boys played good ball.

The starting lineup for Clarkston was: pitcher, Dean Anderson; catcher, Charles McGee; 1st base, John Adams; second, Bill Ludwig; shortstop, Gerald Kidder; third, Harold Smith; left field, Wayne Longair; center field, Glenn Davison; right field, Bruce Watson.

After two innings the Clarkston lineup was changed and a halt was called on the Ortonville scoring. Harold Horne went to the mound for Clarkston and allowed only two hits. No runs were scored by Ortonville after the second inning. In the mighty seventh Clarkston dashed to home plate with 6 runs.

The finish lineup for Clarkston was: c—Walt LaPlante; p—Harold Horne; 1b—Glenn Davison; 2b—Charles McGee; ss—Frank Ronk; 3b—Harold Smith; lf—Wayne Longair; cf—Bill Wyckoff; rf—Henry Huber.

**Waterford-Drayton Rotary Club News**

Major Irving Lieberman, a graduate of Columbia University and recently returned from Europe, was the guest speaker at Tuesday's meeting of the Waterford-Drayton Rotary club. Major Lieberman, now head of the extension division of the library, was in charge of the library program for army personnel in Europe before the end of the war. He briefly told of his experiences in the army and then outlined his plans, using his army experience, in developing library services for rural communities. Major Lieberman hopes to be able to get a book mobile unit into this area, the use of which proved more useful than any other library service used in the army.

Ed Leland, Boy Scout executive, spoke briefly about scouting in this area and gave an outline of what they hope to accomplish.

Among the guests were James Price, Clarkston Rotarian; James Covert, Pontiac Rotarians and George Richardson and Lew E. Tipper.

pointed out the dire need of churches, food, and clothing in the other countries.

## Waste Paper Drive Saturday, May 18

Let's lend a hand to our Cub Scouts. All they ask you to do is to bundle every scrap of waste paper and have it at the curb by 3 o'clock Saturday (tomorrow) afternoon. ## Rotary Club News

At the meeting of the Clarkston Rotary Club on Monday night president-elect Ralph Marshall gave a report on the 153rd district meeting held in Windsor, Ont., recently. Harry J. Merritt, corporation counsel of Oakland county, was introduced by Joe Seeterlin as the guest speaker. Mr. Merritt talked on the life and adventures of Paul Bunyan. He emphasized the fact that we hear of the Greek legends and the Roman legends, plenty of them, but really the only legendary heroic figure of colossal size that we have in America is Paul Bunyan. This giant lumberjack has been credited with many amazing deeds. His pet was Babe, the blue ox, which measured according to the "tall tales of the lumber camps", 42 ax handles and a plug of tobacco between the horns. Mr. Merritt's talk was exceptionally interesting.

Among the guests at the meeting, besides Mr. Merritt, were Dr. R. D. Hills and George Barnard, members of the Waterford-Drayton club.

 Mr. and Mrs. H. B. Mehlberg went to Lansing on Saturday.  
 Mr. and Mrs. Edward George and daughter of Detroit were guests of Mr. and Mrs. John Watchpocket on Sunday.  
 Mrs. Glenna Hernandez entertained with a bridal shower Sunday, honoring Valentine Van Heel, who will become the bride of Delmont Walter on May 29. Fifteen guests were present. "Bug" was played during the afternoon after which refreshments were served. The honoree received many lovely gifts.

The Mothers Club luncheon at Kingsley Inn, Bloomfield, was attended by 52 women Thursday. Mrs. Jack Donahue sang two numbers accompanied by Mrs. Martin Wager. This meeting was the last for the current school year.  
 Mr. and Mrs. Ed Lamberton and son, Earl, and Mary Jane and Bobby Beattie attended the ball game in Detroit and went to Belle Isle on Sunday.  
 Mrs. Ruth Earl and Walter Whitfield had as their dinner guests Sunday Mrs. Ida Beattie, Mr. and Mrs. Robert Beattie, Ida May and Margaret Ann Beattie.  
 Mrs. Etta Campbell, who spent the past several months with her daughter, Miss Agnes Campbell, in Washington, D. C., is spending some time at her home here.  
 Honoring his mother, Mrs. Ida Beattie, on her birthday, Mr. and Mrs. John Beattie were host and hostess to twelve guests at a dinner on Tuesday noon at their farm home at Columbiaville. Guests were present from Pontiac, Pine Lake, Williams Lake, Alba, and Waterford.  
 Mrs. James Saylor and son, Jack, went to Davison on Saturday.  
 Mrs. Clara Wiles is quite ill at her home and will be confined to her bed for quite some time.  
 Thirty mothers attended the program given by Mrs. Maxine Powell's first and second grade last Friday afternoon. The children, dressed in the proper attire, presented "Snow White and the Seven Dwarfs". The performance was very well done.  
 Mrs. Maxine Powell and Mabel Double attended the Class Room Teachers Organization meeting in Royal Oak as delegates from the Waterford Township schools Tuesday evening.  
 The tenth grade of the village school left today (Friday) for a trip to Mackinac Island and will return Sunday. This is the annual class trip. Mrs. Helen Sanford and Raymond Powell will accompany the class.  
 The children in Mrs. Florence Borst's and Mrs. Gloria Sherman's rooms honored their mothers with a program and tea on Friday, May 10.  
 Ushers met each mother at the door and escorted them to their seats. Each child presented his mother with a corsage which he had made.  
 A program consisting of "Mother's Day" selections and various other numbers was presented by children of both rooms.  
 Following the program a tea was served by the children. Mary Kay Nelson and Carolyn Cross presided at the table.

**Fowler-Langdon Wedding**  
 Evelyn Irene Fowler, daughter of Mr. and Mrs. Harry Fowler, became the bride of Donald W. Langdon, son of Mr. and Mrs. Lyle Langdon, Saturday evening, May 4, at a candlelight service in the Drayton Plains United Presbyterian church.  
 The Rev. C. J. Sutton performed the double ring ceremony at 7:30 o'clock before the altar banked with peonies, gladioli, palms and candelabra on each side.  
 The bride was given in marriage by her father and wore a gown of white taffeta bodice, inserted net yoke and long sleeves with points over the hands. The full net skirt extended into a train. A tiara of orange blossoms and net held in place her fingertip veil. She carried a bouquet of snapdragons, stephanotis, tea roses and gardenias. Her only jewelry was a string of pearls, a gift from the groom.  
 Le Etta Criswell was maid of honor wearing a yellow floor-length dress and carried yellow daffodils on aqua moline. Betty Jane, sister of the bride, was bridesmaid and was dressed in a floor-length gown of pink and carried pink carnations on blue moline. In a floor-length dress of white net over blue taffeta was Carolyn Williams, flower girl.  
 William Robb was best man and Ancil Criswell was groomsmen. Ushers were Gordon Nelson and William Krause.  
 Mrs. Fowler chose an aqua dress with a corsage of yellow roses and Mrs. Langdon wore navy blue and a corsage of red roses.  
 After the ceremony 90 guests attended a reception held in the church parlors. A long lace covered table was centered with a three-tier wedding cake. Out of town guests were from Adrian, Ann Arbor and Pontiac.  
 The bride chose for travel, a suit of gold and black with black accessories.

**JUNIORS FETE SENIORS**

The Seniors, class of '46, were honored Friday, May 10th, by the Juniors, with a semi-formal banquet and dance. The auditorium was decorated with spring colors and May poles.

Kenneth Hempstead was general chairman of the program. The Junior speakers were the president, Harold Smith, Pat Hoyt, Grace Oswald, and Verlee Van Camp. Norman Johnson, president of the Senior class, gave the "thank you" to the Juniors. Other speakers were Mr. Brablec, Mr. Ridgley, and Miss Campbell, the '46 class advisor. The main speak-

er of the evening was Rev. Ballagh, who gave an entertaining speech on "Mistakes". Mrs. Barrows is class advisor for the Juniors and "took a bow".

Athletic awards were presented to Frank Ronk and Walt LaPlante, music awards to Barbara Krem and Donald Smith, scholastic awards to Joyce McCann and Henry Huber and a citizenship award to Jack Zolner.

Music for the dance was furnished by Carl Stull's orchestra from Flint. The Juniors want to express their thanks to the Mothers who helped make the banquet a success and also for the generous help of our teachers.

**HOMEMAKING III GIRLS VISIT MICHIGAN STATE**

Girls of the Homemaking department took part in the annual High School Day program at Michigan State College last Thursday.

Fifteen hundred high school girls from all over the state spent the day at East Lansing. Homemaking girls from the college were hostesses to the group and acted as guides on trips through the Home Economics Building, Nursery School, Home Management House, and women's dormitories.

The girls from Clarkston were in that part of the program entitled "Careers in Home Economics". College seniors described the positions that they would be holding this fall.

Evelyn Sanford, Shirley Zettel, Virginia Hall, Phyllis Schwalm, Jackie Welsh, Bertie Lou Bachelor, Ella Belle Vick, Doris Boyns, Joyce Stitt, Charlotte Finzel, and Miss Kloock made the trip.

**GIRLS' SOFTBALL TEAM PLAYS WATERFORD**

The girls' softball team played their third game of the season at Waterford last Friday. The team is made up entirely of 9th and 10th grade girls. The line-up was as follows:

Pitcher	Doris Van Wagner
Catcher	Marjorie Jones
1st base	Pat A. Watson
2nd base	Mary Jo Pettengill
3rd base	Jean Gorman
Shortstop	Phyllis Weyer
Right field	Joyce Nimphie
Center field	Sally Curry
Center field	Shirley Powell
Left field	Barbara Rioux

Waterford won by a score of 22-9. Their runs were scored in the first few innings of play. Clarkston girls settled down in the fifth and held the opponent scoreless. The girls organized only recently and have shown much improvement under Miss Niblack's assistance. Next season should find them a much more experienced team.

**HOME EC. GIRLS ENTER VOCATIONAL TRAINING UNIT**

Homemaking III girls are spending this six weeks marking period on a unit entitled "Vocations".

The girls have set up the following goals for this unit:

1. To learn about different jobs and their requirements.
2. To understand the importance of personal appearance in relation to business.
3. To understand how health affects getting and keeping a job.
4. To understand the rights of employer and employee and how to maintain a happy relationship.
5. To try to discover which occupation one is most interested in and adapt the remainder of high school in that direction.

Vocational opportunities for girls in Clarkston were analyzed. Each girl selected four positions that interested her and is spending one at each. Those business concerns co-operating with the homemaking department are: Clarkston State Bank, Post Office, Alta Marie Beauty Shop, Village Market, Infra-Red Ray, Rita's Beauty Shop, and Carl's 5c and 10c Store.

**MEMO**

1. Board of Education has ordered that teachers shall not report for work on May 31. Any teachers who may be connected with the Memorial Day program sponsored by the American Legion should not leave before discharging their commitments on May 30th.

2. Teachers are advised to keep careful check on attendance, tardiness, excuses, errands, etc. of students because of failure to do so tends toward trouble during remaining weeks of school. Be fair, but firm.

**KEEP YOUR FLOCK ON A PAYING BASIS**

May is a busy month on the farm, but the successful poultry flock owner has a few "must" jobs to perform. Karl D. Bailey, agricultural agent of Oakland County, suggests that to keep your flock on a paying basis, the following practices should be followed:

Cull the laying flock regularly to remove non-producers. Check all layers for the presence of lice.

Move the developing pullets to range shelters at 8 to 10 weeks of age when weather permits.

If you plan to start a second brood of chicks, be sure to clean the brooder house thoroughly and move it to new ground if possible.

Don't forget to increase the size of feeders as chicks grow.

A plentiful supply of water is important to growing birds. Make certain the supply is adequate. The coccidiosis season is here.

The best protection against this disease is smaller broods and clean, dry sanitary brooding conditions.

Make every effort to feed the closely culled flock in the best way possible. A crumbly moist mash or pellet feeding each noon will increase profitable feed consumption.

Late hatched chicks will do best if the brood is held to 200 to 250 chicks.

**RED CROSS CHAIRMAN GIVEN CITATION OF HONOR**

H. Russel Holland, chairman of the 1946 Fund Campaign of the Oakland County Chapter American Red Cross was presented a citation of honor from the American National Red Cross at a recent meeting of the executive committee of the chapter. The presentation was made by C. G. Rudderham, chapter chairman and at the same time a certificate of honor was presented the local chapter. The citation and certificate were presented in recognition of the over-subscription of the 1946 fund campaign quota. Recent reports state that total contributions to date are \$210,516, as against a quota of \$193,500. As all returns are not available a final report will be made within the near future.

**One time there were two farmers**

One day Jake stopped over at Bill's farm. "Got a great plan to save money this winter," he said. "I'm mixin' a little sawdust with the feed. Hoss don't notice the difference."

Around Christmas they met again. "Say," Jake grinned, "you oughta try my system. Got the nag eatin' half sawdust an' half grain now. It's a lot cheaper."

Bill wasn't so sure. "B'lieve I'll stick to oats."

Along about spring plowing time Jake came over to Bill's place, looking kind of glum.

"What's wrong?" asked Bill. "Isn't your money-savin' idea workin'?"

"Oh, it worked fine," Jake said. "Had him trained so he was eatin' nothin' but sawdust. Only this mornin' the ornery cuss fell down an' wasn't able to get up. How 'bout lettin' me hire your hoss for my plowin'?"

**T**HERE'S a big "plowing" job ahead if Michigan Bell is to expand and improve telephone service and supply it to all who are waiting. *It can't be done on sawdust.*

Here is why. Thousands of thrifty people have their savings invested in Bell System securities. Their money makes good telephone service possible. In fact, Michigan Bell's 5-year \$150,000,000 expansion and improvement program will be financed largely by these and other investors. And that program will provide more and better telephone service for you.

So you see, our earnings are important all around. And telephone rates—such a small part of your monthly budget—must be maintained at a level which will keep our earnings adequate. Otherwise, investors would not put their money into the telephone business, and the future quality and extent of your telephone service would suffer.

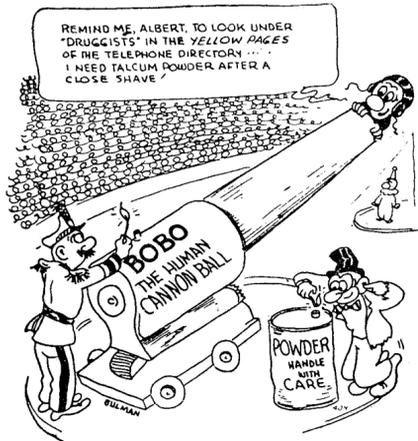

We believe our customers want good telephone service, even if it costs a trifle more than inferior service.

Technical improvements over the years have brought rates for good service down and have kept them down in the face of rising costs. But if the recent rapid rise in costs continues, rate increases may become necessary. In any event, Michigan Bell wants rates no higher—and no lower—than necessary to insure good telephone service.

DOES YOUR BEST
FARM HAND SLEEP
TOO MUCH? . . .
The most powerful worker on the
farm is electricity. He is never tired,
he never talks back, and the more
he works the lower his hourly wage.
He is ready to pitch in at any hour
of the day or night, and he never
wants a day off.
Start him on a job and he won't quit for a minute until you switch him off and
on to something else.
But, unfortunately, he can't think for himself. YOU have to think up the jobs
for him to do. You have to find out all the things he can do, get him the tools,
then give him the "go" sign, and he will work for you for pennies where other
hired men will cost you dollars.
A well-known farm paper has estimated that farmers and their help spend 65
per cent of their working time around the barns, cribs and other homestead
buildings. That is where the "electric hand" can do his best work. He can milk
the cows, saw the wood, pump the water, crib your corn, hoist and dry your
hay, grind the feed . . . and perform a surprising number of additional tasks if
you will find them for him. Electricity is right at your elbow now . . . awaiting
your next command. Don't let him sleep on the job.

### Drayton Plains

The Drayton Plains P.T.A. held their regular monthly meeting Tuesday evening May 14 in the school auditorium. Reports were given by the committees of last year. Mrs. Earl Springer gave a very complete and interesting report of the P.T.A. Convention

held at Sault Ste. Marie last week. Room prize was won by Mrs. Nancy Vance.

Mrs. Max Williams of Royal Oak installed the new officers for the coming year. They are: Mrs. Vern Terry, president; Mrs. Frank Sutherland, vice president; Mrs. Ann De Camp, teacher vice president; Mr. Elmer Fangbner, fathering secretary; Mrs. Harry Richardson, corresponding secretary; Mrs. Earl Springer, treasurer; Mrs. Vernon Waltz, historian; Mrs. Juanita Boaz and Mrs. Nolan Brown, delegates; Mrs. William Grosline and Mrs. Chas. Matson, alternate delegates.

Mrs. Williams presented Mrs. Boaz with a past president's pin.

Mrs. J. R. Berryman gave two piano solos. Mrs. Williams gave a book review on "Who Walks Alone". This is a true story and was wonderfully characterized by Mrs. Williams.

The Cub Scouts had a display of their handiwork.

Refreshments were served by mothers of the kindergarten. They were Mrs. Glenn Sutton, Mrs. William Grosline and Mrs. Kieth Morgan, with the assistance of the Girl Scouts.

A vote was made to entertain the Safety Patrol boys by taking them to see a Detroit ball game.

# NO ADDITIONAL GAS HOUSE HEATING EQUIPMENT CAN BE CONNECTED UNTIL AFTER NEXT WINTER!

In order to insure adequate service to its present customers, this company finds it necessary to decline to supply natural gas to additional customers for house-heating or other space-heating purposes. Therefore, only customers whose gas heating equipment already was in process of installation on May 10 will be connected after that date.

This announcement is made with great regret, but under existing conditions there is no alternative. Since war-time restrictions were lifted, the use of natural gas has been growing very rapidly. Total use of natural gas for all purposes in the Consumers Power Company service area has practically doubled since 1942. Gas for heating is being requested not only for almost every new home, but also for a large number of homes which formerly used other fuels.

The Michigan natural gas fields, which supply a large part of the gas distributed by Consumers Power Company, are being exhausted rapidly and, due to the shortage of materials necessary to enlarge pipe-line capacity, the supply of gas from Texas and Kansas cannot now be further increased to relieve the situation.

The Company is doing everything it can to improve the situation as soon as possible. It is proceeding with plans to convert two Michigan natural gas fields into storage areas, where gas

from the Southwest may be stored in warmer months to help meet the peak demands of winter. Though definite progress is being made, this large undertaking cannot be completed in time to be of benefit during the coming winter. This conversion of Michigan fields into storage areas requires the construction of a 150-mile pipe-line and a large gas pumping station, and the drilling of many additional wells in the fields, before they may be made useful for this purpose. The materials necessary to commence this work were expected to be available this spring, but now it appears they cannot be obtained before next fall.

A year ago the Company was forced to discontinue connecting additional gas space-heating customers in Lansing and other cities in that area, which are at present entirely dependent on the declining Michigan fields. Now it must reluctantly impose the same restrictions in all other areas it serves.

This limitation applies only to new installations. Customers who already are using gas for house-heating purposes will be supplied as usual.

We assure our customers, present and prospective, that every effort is being made to increase the available supply of natural gas and that this limitation will be lifted as soon as possible—But, it won't be for at least a year.

## Red Cross Ends Another Activity

The Oakland County Chapter of the American Red Cross has recently completed one more war time activity according to Mrs. Ferd Brock, chairman of Volunteer Special Services of the local chapter. Production workers, under the direction of Mrs. A. W. Kay, production chairman, completed 9,520 navy kit bags and 12,000 army kit bags. The final shipment of these items was made recently. The number of these articles completed tells only a part of the story of this accomplishment. The thousands of hours spent in preparation, sewing, counting, inspecting, packing and shipping reaches staggering figures.

While this particular activity is completed there still remains much to be done by the local chapter. Chapter volunteers are now engaged in completing quotas for civilian war relief in foreign countries. The American Military Government abroad has requested assistance from the American Red Cross to clothe civilians overseas who are departing in need of garments. Red Cross warehouses have been depleted of the large numbers of garments made by volunteer workers during the war years. All of these garments have been put into use and unless more are made many innocent victims of war will suffer. Groups wishing to assist the production corps of the local chapter may call the chapter office, Pontiac 4-3575.

## Veteran's News

Regional Offices to Handle All Disability Pensions

The adjudication of all claims for disability pensions will be taken over by Veterans Administration Regional Office after June 30, when the Veterans Administration Area Offices are closed throughout the country.

The Area Offices, one in each of the Army's Service Commands, were established as an emergency measure in February, 1944, to handle the adjudication of claims of veterans discharged for disability reasons, while Regional Offices adjudicated other disability claims. Regional Offices of Branch 6, which are located in Dayton and Cleveland, Ohio; Detroit, Michigan; and Lexington, Kentucky, will give priority to claims involving disability discharges.

Veterans desiring to file claims for disability pensions should contact their nearest Veterans Administration office.

## Closer Liaison Planned With Vet Groups

Liaison representatives of the American Legion, Veterans of Foreign Wars, Disabled American Veterans and the American Red Cross are scheduled to be assigned to the Veterans Administration Columbus branch office to effect closer liaison between the veterans their organizations represent and the Veterans Administration. Eugene L. Fattig has already been assigned to the branch office as American Legion representative.

The privilege of establishing liaison offices at the various branch offices in the nation has been extended to the major veterans' organizations which have national charters, provided office space is available.

The Veterans Administration investigates individually each case of a holder of a blue discharge from the army who applies for benefits under the Servicemen's Readjustment Act. The blue discharge may be given under conditions which are dishonorable, or under conditions which are not dishonorable. If the conditions of the discharge were not dishonorable, the holder of the blue discharge is eligible for benefits under the act.

If the holder of the blue discharge feels that he received it unjustly, he may take advantage of the provisions of the act and appeal to a board to review his discharge.
