Clarkston Graduate Given Scholarship

Names of the 338 high school graduates who will receive University of Michigan Regents-Alumni Scholarships were announced today by Clark Tibbitts, administrator of the University's scholarship program.

The scholarships are provided by the university to help in the development of leadership and productive citizenship in all parts of the state. High scholarship, leadership qualifications, and a real desire to acquire a university education were major factors considered by the university's scholarship committee in making the awards.

The scholarship carries a stipend sufficient to pay the semester fees for the freshman year at the university and will be renewed through the sophomore, junior, and senior years provided the scholastic performance warrants such action.

Appreciation is extended by the university to the local school officials and the 68 University of Michigan alumni clubs in the state who helped in the task of arranging preliminary interviews, filling out application forms and arranging for the psychological and achievement tests which were a part of the selection process.

Among the graduates receiving these scholarships is Henry Huber of route 1, Clarkston. Henry is the valedictorian of the senior class at the Clarkston high school.

Large Crowd Attends Dance

If anyone is laboring under the mistaken idea that square dancing is one of the lost arts he should have sauntered past Edw. Whipple's garage last Friday night. The "up and coming" group known as the "Waterford Melodiers" were playing a brand of music that would make anyone dance. No less than 14 sets were on the floor at one time and there were as many bystanders listening to Lloyd Gidley's "Swing your partner" and "Grand right and left" as the party came into full swing.

Mr. Whipple was introduced to the crowd by master of ceremonies Floyd R. Fullerton and he extended a hearty welcome to all present. A rose was presented to each lady guest and there was a rushing business at the hot dog stand. The garage was appropriately trimmed with American Legion colors and large baskets of beautiful flowers were presented Mr. Whipple by the Clarkston State Bank, VanWels and the local American Legion Post.

Clarkston as a whole and Mr. Whipple, in particular, can well be proud of the fine new building opening for business, and by the number of worshippers grouped about the new cars on the floor it should be a good year for "Old Chief Pontiac".

During intermission the crowd enjoyed musical entertainment by Art Bureau and his four young sons from Oakwood. It is understood that the act is breaking into "big time vaudeville" in the near future.

The American Legion and Auxiliary were invited, by Mr. Whipple, to sponsor this dance to celebrate the opening of the garage, and all proceeds were donated to the organizations. They wish to thank Mr. Whipple and all who assisted in making this dance such a pleasant affair.

Notice

The stores and the bank will be open all day next Wednesday, May 29, and will be closed all day Thursday, Memorial Day.

Here are three of the many disabled ex-servicemen in two Michigan Veterans' Hospitals who, during the past year, made the two million Memorial Poppies that will be sold by The American Legion and Auxiliary just prior to Memorial Day. Proceeds will be used to aid the needy and disabled of both World Wars, their families, and the families of the dead. May 24-25 will be Poppy Days in Clarkston.

Band and Chorus Give Annual Concert

On Wednesday night the Clarkston High School Band and Chorus under the direction of Harold F. Lamb presented their annual concert in the school auditorium.

Those who heard these young people marvelled at the way they played some of the difficult numbers. Mr. Lamb has done an outstanding job with both the band and the chorus. The selections were varied. Some were the old sentimental numbers and others were the stirring marches.

The chorus this year was exceptionally large and their singing was extra fine. Their timing and harmony showed much work and patience on the part of Mr. Lamb.

Most every person loves band music and the audience appreciated every number especially the Honeyuckle Polka, Lightening Fingers and Teddy Trombone in which Frank Ronk played a cornet solo, Walt LaPlante a clarinet solo and Don Smith, Katherine LaPlante and Richard Allen excelled themselves on the trombones.

During intermission Patricia Hoyt sang two pretty numbers with Ruth Davies playing the piano accompaniment.

At the close of the program Patricia Hoyt, in behalf of the chorus and band, presented Mr. Lamb with a gift in appreciation of his work with them during the year.

Legion and Ladies Met Tuesday

At the meetings of the local Legion Post and Ladies' Auxiliary on Tuesday night plans were completed for the Poppy Day dance on Friday night, and also for the Memorial Day ceremonies.

The post received a Special Service Certificate from the Federal Bureau of Investigation which reads:

Special Service Certificate Awarded to Campbell-Richmond Post No. 63, American Legion, in grateful recognition of outstanding service to the Federal Bureau of Investigation during World War II.

J. Edgar Hoover, Director.

Rotary Club News

On Monday the Clarkston Rotary Club was served a chicken dinner with all the trimmings.

The speaker of the evening was Hon. Arthur E. Moore, Judge of Probate for Oakland County. His talk dealt with a number of interesting items concerning probate court procedure. His remarks on wills and the need to keep them up to date under changing conditions was accepted as unusually timely.

Richard Shaughnessy, formerly radio man 2nd class in the U. S. Navy, was a guest.

The members of Campbell-Richmond Post No. 63, American Legion, are asked to meet at O'Dell's Drug Store on Sunday morning at 10:30 to go to the Waterford Community church. Rev. Wright Van Plew will bring a special message and the Clarkston Legion Post and the Waterford Township Post will be guests.

Veterans Attention!

Before paying taxes on property the veterans are asked to inquire about tax exemption. Floyd Andrews, township supervisor, will be glad to advise any veteran and help fill out the tax exemption papers any time before June 4th.

Our Boys and Girls in the Service

WITH THE EIGHTH ARMY IN JAPAN—Private First Class Arthur J. Kelley Jr., of Clarkston, is among the men serving with the 1st Cavalry Division in the occupation of the Nippon capital.

Overseas 16 months, Kelley is assigned to the 8th Cavalry Regiment, guarding important buildings in the Tokyo area. He wears the Asiatic-Pacific Ribbon, the Good Conduct Medal, and the Victory Medal.

As a civilian Kelley attended Clarkston high school and was later employed on a poultry farm. He entered the army December 28, 1944 and took his basic training at Fort Riley, Kansas.

His parents, Mr. and Mrs. Arthur J. Kelley, reside on route 2, near Clarkston.

Walters-Wiechert

Last Saturday night at 8 o'clock the Davisburg Methodist church was the scene of a pretty wedding when Mary Walters and Lyel Wiechert spoke their marriage vows at a candlelight ceremony before an altar decorated with baskets of sweetpeas and roses and palms.

The bride who was given in marriage by her brother was charming in a gown fashioned with sleeves pointed over the wrists and a court train. Her lace trimmed veil was held by a pointed coronet. She carried white roses with an orchid corsage in the center.

Mrs. William Allen as matron of honor wore a gown of pink taffeta and lace. Her headpiece was a colonial bonnet and she carried sweetpeas and roses. The two bridesmaids, Audrey Wiechert, sister of the bridegroom and Mrs. Robert Walters wore aqua and baby blue respectively. Both carried colonial bouquets. Shirley Wiechert and Naomi Samuels were flower girls and were sweet in white dresses. They carried sweetpeas and roses in white baskets.

The ring bearer was the bride's little brother, Cal Walters. He carried both rings on a white satin pillow.

The bride's mother was dressed in light blue with white accessories and the bridegroom's mother wore aqua with white accessories. Both mothers wore a corsage of gardenias.

Following the ceremony a reception for 125 guests was held in the church parlors. The bride's table was covered with a lace cloth and was centered with a tiered wedding cake.

After the reception the young couple was honored at a dance. Mr. and Mrs. Wiechert left for a northern Michigan honeymoon. For travelling the bride chose a gray gabardine suit with black accessories and an orchid corsage.

Guests were from Flint, Chicago, Detroit, Sebawaing, Pigeon, Pontiac, Clarkston and Davisburg. Prior to the wedding day Mrs. Wiechert was honored at four lovely showers at which she received many beautiful and useful gifts.

Caution!

For some reason, spring and early summer brings out the urge in some youngsters and some not so young, to see how many street lights they can hit with their guns. Air rifles seem the popular type. If lights continue to be broken, it will be necessary to have the court handle a few cases as the use of guns is prohibited in the village. This warning should be brought to the notice of all children using air rifles.

Program Arranged For Memorial Day

The Memorial Day program next Thursday is in charge of A. E. Butters, H. G. Kennedy and Edw. Whipple. The parade will form on Miller Road, just off Main St., at 9:30 a. m., and will be headed by the school band. The service will be held on the school grounds and will start at 10:00 a. m.

The speaker of the day will be the Reverend Philip A. Jordan, pastor of the Christ Lutheran church in Waterford Township.

In case of rain the service will be held in the school building. Edw. D. Whipple will act as the Grand Marshal.

Everyone is invited and urged to observe Memorial Day by attending this service. Occasionally there are those who have no transportation. If that is true in your case, feel free to call A. E. Butters at Clarkston 3771.

Large Attendance at Banquet Thursday

On Thursday evening of last week about 150 mothers and daughters enjoyed the annual Mother and Daughter banquet at the Methodist church. The banquet tables were attractive with beautiful floral centerpieces and lighted ivory tapers. At each place was a program with a pretty paper lace cover tied with a pastel colored bow in which was fastened a small colored candle. The delicious chicken dinner prepared by the women of the W.S.C.S., was served by the men of the church.

Mrs. Walter Saxman very graciously thanked all who had made the banquet possible and then introduced the toastmaster, Mrs. Charles Robinson. Mrs. Elmer Pettengill gave the toast to the daughters and her daughter, Mary Jo Pettengill, gave the toast to the mothers. Patricia Hoyt sang a very pretty number, "Without a Song" and Ruth Davies played the piano accompaniment. The guest speaker was Mrs. Dwight Large of Kalamazoo. Mrs. Large felt quite at home as she had many friends here eight years ago when her husband, the Reverend Dwight Large was the pastor of the Methodist church. Mrs. Large reviewed the book, "Mama's Bank Account" by Katherine Forbes, in a very dramatic way. It was a very appropriate story for such an occasion and everyone enjoyed the presentation a great deal.

To close the program Mrs. Saxman led the group in saying mother and daughter pledges.

Baccalaureate

Sunday evening June 9, baccalaureate service will be held in the Methodist church for the graduating class of Clarkston High School. The sermon for this year will be given by Reverend Walter Ballagh with Reverend W. C. B. Saxman assisting. Music will be furnished by Adele Thomas and the Methodist choir under the direction of Mr. Orlo Willoughby.

Local Girl Graduates

Miss Inez Mae Miller of Clarkston will be one of the 825 senior students to be graduated at Stephens College, Columbia, Mo., on Tuesday evening, May 28. She is the daughter of Mr. and Mrs. Seymour S. Miller Sr., 89 North Holcomb St., Clarkston, Mich.

The five day commencement program for the 113th Senior Class of Stephens College will start Friday evening, May 24, with the commencement play, "Pride and Prejudice". Other highlights of the graduation ceremonies will include the Senior Commencement Dance featuring Frankie Masters and his orchestra, and the traditional Junior Ivy Fete, when a junior student will be crowned queen to preside at next year's fete.

Sunday, May 26, will be the traditional White Sunday at Stephens College, when Dr. Walter Pulk Binns, president of William Jewell College of Liberty, Mo., will deliver the Baccalaureate address to the outgoing seniors.

The All School Awards Convocation will be held Tuesday, May 28, the last day of commencement exercises at the college. As has been the custom for the past several years, the members of the graduating class will present the final commencement program—"The Voice of the Senior Class"—Tuesday evening, followed by the presentation of the diplomas by Dr. James M. Wood, president of Stephens College.

Galloping Breakfast

On Tuesday of this week the Mary Circle of the Methodist W.S.C.S. held a Galloping Breakfast at the church. This rather unique affair was arranged by Mrs. Roy Gundry and Mrs. Garnet Poulton. Plans were started several months ago but the date was not divulged.

Two or three of the members to render taxi service and Tuesday, about the noon hour, they called at the homes of the other members and took them, just as they were, to enjoy a breakfast at the church. Some of the women were in house dresses and slippers, some wore aprons, few had combed their hair and with exception of two or three none had used any make-up.

The tables were arranged like a small horseshoe and had centerpiece of Iceland poppies. The small colored glasses that held the fruit juice helped to make the tables very attractive. The committee was kept quite busy cooking and serving pancakes, sausage and coffee.

The group enjoyed visiting and will be eagerly looking forward to another surprise affair.

Waterford

James Sutton, S 2/c, of Toledo spent the week end with his parents, Mr. and Mrs. James Sutton Sr., on a 22 day leave, and left the first of the week for a visit with relatives in Florida.

Saturday will be a big day for Bible Hour students of the Community Church. Winners for the year's grand prize for memory work will leave Community Church at 5 a. m. and go in a group to Grand Rapids to attend the Children's Bible Hour broadcast. About 45 boys and girls have completed the prescribed course and will be in the group. They plan to be back by 4 p. m.

Mr. and Mrs. Hermañ Walter, 71 Tregent in Pontiac, announce the approaching marriage of their daughter, Beatrice Marie Walter, on June 22 to Irvin George, son of Mr. and Mrs. William George of Oxford. This will be a home wedding with the Rev. Milton Lundahl officiating. The Walters made their home in Waterford several years.

54 Seniors Prepare for Commencement

Wednesday evening June 12 at 8 o'clock, 54 Seniors will receive diplomas. Mr. Fred A. Miller, administrator in the Program Development Section of the Ford Motor Company, will address the class on the subject, "Your Future Is In Training".

The program will begin when Mrs. Charles S. Matthews and Adele Thomas play the processional, "March de Pontificale" and the Junior Class leads the graduates to the stage. Reverend Walter Ballagh will give the invocation. Joyce McCann will then present the salutatory, "Responsibilities of Today's Youth". Henry Huber, this year's valedictorian, will then speak on "Occupational Opportunities". Mrs. Matthews and Adele Thomas will play the waltz from Tchaikowski's "Sleeping Beauty Ballet".

Mr. Miller, the speaker of the evening, has had a varied background. For many years he was superintendent of schools at Grant, Michigan. He was director of education for the W. K. Kellogg Foundation Camps, consultant in education at the Universities of Michigan and Chicago, training specialist in the war department, and at present is directing the training work for veterans at Ford Motor Company.

Mr. Carl Brablec, superintendent, and Mr. Wallace A. Ridgley, principal, will present the diplomas to the class. After the benediction by Reverend Ballagh, the pianists will play "Torch Light March" for recessional and the graduates will form a reception line to receive congratulations. Miss Mary Campbell is class adviser.

Clarkston Wins 3-2 Over Brighton

In a contest that went nine innings, Clarkston subdued a determined Brighton aggregation. Clarkston pounded the ball hard but what seemed like sure hits were snagged by the opposition.

Clarkston scored in the first inning when Ash doubled, stole third and scored when LaPlante singled. Brighton tied the score in the fourth. Young was hit by a pitched ball and stole second. Koskovich grounded to Smith who trapped Young between second and third. In the run-down McGee hit the runner in the back and Young reached third safely. Ronk retrieved the ball and threw to second to catch Koskovich. The throw was high and went into right field. Huber fielded the ball, but held on to it while Young scored from third.

No more scoring was done until the ninth. Koskovich walked, stole second and reached third on an infield out. Gibson singled and Koskovich scored. In the ninth for Clarkston, Wyckoff reached first on an error. Ronk hit a terrific blow right back to the pitcher who doubled Wyckoff off first. McGee reached first on an error. Huber reached first on an error by the first baseman. McGee stole third. Smith singled scoring McGee and Huber reached third. Horn grounded to short who fumbled allowing Huber to score with the winning run.

Davison struck out eight men, walked four, and hit one batter. He allowed three hits. Koskovich was nicked for seven hits, walked none and struck out two batters. In the league Clarkston has won four and lost three.

The aggregate assembled there. Were made to stand the greatest wear. Each deed a block hewn by some thought. To form, and plan the steeple wrought. Each block a jewel with edges straight. Unnicked by pettiness or hate, Laid down on block to form the wall. That made the steeple strong and tall. Yet some deeds did not make blocks right. To build a steeple strong and tight. Their coloring was not the best. To blend their shadings with the rest. Unfit for use in any place. These blocks fell heaped about the base. Retracting from the over all. Of beauty builded in the wall.

American Legion "Poppy Day" Dance

Yes—it's a dance again tonight at the Clarkston school with that unforgettable music played by Chuck Chandler and his orchestra and the lyrics sung by his top vocalist. Dancing will be from 9 until 1, and, providing the Clarkston grocers have the correct "hex" on the meat and bun situation there will be plenty to eat again.

So, a hearty welcome is extended to all who enjoy good company and a good time. Make it a good "Poppy Day".

More Afghans

During the past few months Clarkston has sent ten afghans to the veterans at the hospital in Dearborn. One of these went as an Easter gift and this week two more are ready to be delivered. Mrs. J. R. Campbell, who has been responsible for these lovely gifts, has received word that there will be a new wing added to the hospital and many beds will be added this fall, which means that more and more afghans will be appreciated.

Those who are interested in doing this worthwhile work are urged to continue making the 8" squares over the summer and by fall there would likely be enough squares ready for two or three afghans. The disabled veterans who receive these lovely, warm covers are very grateful to the women for their thoughtfulness and when they are able to leave the hospital and go to their homes they are proud to take the afghans with them.

Clarkston Locals

Mr. and Mrs. James McBain of Clarkston-Orion Road, attended open house honoring Mrs. Eliza Minard on her hundredth birthday at her home in Pontiac on Tuesday.

The Clarkston Fire Department responded to a call on Thursday morning only to find that their efforts were useless when the Clayton Lowes' home at 9925 Ortonville Road was totally destroyed by fire. A kerosene stove exploded. Mrs. Lowes managed to get the children to safety but was unable to save any of the belongings.

Stop in at the Rummage Sale at the Township Hall in Clarkston today or tomorrow. You might find something you have been looking for, for some time.

The South Eastern Association of Veterans' Counselors will hold their monthly meeting at the Clarkston Methodist church on Tuesday, June 4th.

June 5th - Wednesday - The Joseph C. Bird chapter, O.E.S., will have a Past Matron's and Past Patron's night. As the reservations for this lovely affair will be limited you are asked to call Mrs. Sam Carson, Clarkston 5809, or Mrs. Elmer Going, Pontiac 31-0546, before June 1st.

Built with Perfection

Behold, I saw a steeple rise From common clay—toward the skies And on this steeple I would lay The deeds I'd done all thru the day.

IS MEDICINE DESTROYING ITSELF?

★ Things dramatic capture the imagination, sometimes to the point of distorting the perspective. This is as true in medicine as in other fields. The sensational results with sulfa drugs and penicillin are examples.
 Less dramatic, but responsible for saving uncounted lives, are the broader public health measures. Sewage disposal, swamp clearance, water, milk, and food inspection are but a few of these triumphs.
 The physician and the pharmacist have always been leaders in the field of preventive medicine. This fact led James Brice to observe, "Medicine is the only profession that labors incessantly to destroy the reason for its own existence."
 The fight, however, is far from won. Diagnosis and treatment of disease are still the primary functions of the physician. The accurate filling of prescriptions is our responsibility as pharmacists.

HENRY HUBER WINS U. OF M. SCHOLARSHIP

Our enterprising senior, Henry Huber, is receiving honors from all sides lately. He has just received news from the university informing him of his appointment to the annual scholarship presented to one student from each high school providing the competitive examinations given by the university to the candidates are treated in a manner acceptable to the judges.
 Henry has attained the rank of Eagle Scout while in the local troop and has shown much leadership and academic ability. He is also a member of the baseball team. We look forward to hearing from Henry when he enrolls and starts on what we are certain will be a promising career.

LOCAL STUDENT GETS READER'S DIGEST AWARD

Henry Huber, valedictorian of the graduating class at Clarkston High School, has been given the Tenth Annual Award of The Reader's Digest Association for students who by their successful school work give promise of attaining leadership.
 Henry will receive an honorary subscription to the Reader's Digest for one year and an engraved certificate from the editors, "in recognition of past accomplishment and in anticipation of unusual achievement to come."

Since 1937 The Reader's Digest Association has presented these awards yearly in senior high schools throughout the United States and Canada to the highest honor student of the graduating class.

SPEECH STUDENTS RECEIVE AWARDS

Doris Boyns, Barbara Rioux and Joyce McCann received fine dictionaries, with their names printed in gold lettering upon the covers, from the Detroit News.

These students, under Miss Campbell's direction, had competed in the contests at Clawson several weeks ago. The fine prizes should encourage other students to take part in the program next year. We are proud of the distinction which the speakers brought to Clarkston High School.

TEACHING STAFF

Fourteen teachers have turned in signed contracts to the Board of Education. Two of these are new people and the others are members of the present teaching staff.

Miss Marian Martin, now teaching in Tecumseh, Mich., will succeed Miss MacDonald, first grade, who plans to continue her training at Alma College. Mrs. Monzelle Clark of Pontiac will teach English and speech.

Three vacancies are to be filled: one in Social Studies, another in math and the third, later elementary teaching.

"Horses To You"

There was another horse at the Clarkston High School this last week—a beautiful chestnut horse by the name of "Ritz". Of course he was only on canvas, against an autumn background, but nevertheless you would have thought that he could breath and eat oats.

The painting was done by Phyllis Fullerton, who has been at this horse painting job for some time now. She enjoys all types of art work and has recently completed

a water color of the "Broken columns of a Greek theater at Tamoru" which is to be hung in the latin room, but her first love is "horses". Anyway horses are practically in her blood. Her great great grandfather raised and bred race horses. He owned the great "Jessie Templeton" and "Kitty Foyle" whose racing records have never been broken. He owned the hotel at Lansing in the hey-day of harness racing and these famous horses hung up their records on the Lansing track. Then too, her great grandfather practically "grew up" in oil paint, and his beautiful animal pictures are unforgettable. Her grandfather went in for nature pictures and her mother has many blue ribbons testifying to the first places won at fairs and art exhibits around the country. But, none of them could do a horse like Phyllis—one that fairly rolls his eyes at you. And she knows horses. Several years ago she started collecting every scrap of information she could obtain on horses. She has piles of scrap-books and without reference she can tell you all of the great horses, their owners, their value, their blood lines, their stride, the trainers and the jockeys, the type of track each prefers and the number of beats to the gallop—in fact anything and everything about a horse.

The Fullerton family and friends are busy kicking themselves again this spring because this is the fifth consecutive time Phyllis has picked the Kentucky Derby winner—and they didn't put money on "Assault". That Saturday when he "kissed the boys good-bye" at the turn of the track, Phil let out a yell and fairly talked him into a "whirlaway" finish. She picked him because of his blood lines which showed breed stamina. He was sired by "Bold Venture", the Kentucky Derby winner ten years ago and "Bold Venture" was sired by "Equador" who was classed second to none. And so again she collected.

As Phyllis does nothing by halves she is learning to ride five gaited horses for the show ring. Mrs. William Nicholson is her instructor and their favorite stable is "Outlands". However if you want to land in a quick and heated argument just say anything against a certain "hackney" by the name of "Major" owned by the Winegar stable. When Phil goes home on crutches and smelling more like a horse than the horse does then her family knows that she has had a wonderful day with "Major". However, the riding ability to date happens to be a one-sided affair. Phyllis persuaded her sister, Marilyn, to accompany her not long ago. Mary was mounted on material for the glue factory by the name of "Flossy". Flossy was led to the center of the ring and there they just stood. Time passed and Mary looked around to inquire if her hair looked okay. Up to that time she hadn't moved enough to disturb a hair—neither had the horse. Just then a man galloped up and asked, "Having trouble. Could I help you get started?" "Oh, no," said Mary, "I'm going fast enough". At this astounding statement the rider fainted. As for Mary, that was her first and last attempt.

Phyllis recently completed a picture for Dr. L. G. Rowley—a pair of Morgan mares, for his office, which have received much favorable comment, and of which the doctor is very proud. Praised by many fine artists as already tops in her line, Phyllis has her eyes on the Chicago Art Center, where she plans to study. So—all the luck in the world, Phyllis. If your ability continues to improve you'll probably come riding back some day on one of those canvas horses of yours and Major will be forgotten.

Veteran's News

Eight out of ten veterans are letting their National Service Life Insurance lapse. To reinstate it now, all the veteran has to do is get in touch with the nearest Veterans Administration office, make a statement that his health is as good as when he was discharged and pay only two monthly premiums.

Application for education or training under the Servicemen's Readjustment Act may be made to the nearest regional Veterans Administration office or to the educational institution the veteran wishes to attend.

Questions and Answers

Q. If I use part of the guaranty under the Servicemen's Readjustment Act to buy a house, how is the remaining guaranty computed?

A. To compute the used guaranty, subtract the amount of the guaranty on the realty loan from \$4,000. The sum remaining is the amount of realty guaranty available, or half that amount is the sum of personal property or business loan guaranty available.

Q. If the lender is not satisfied with the G.I. loan without additional security, may he require security in addition to the property purchased?

A. Yes. That is a matter between the lender and the veteran. The Veterans Administration does not object to its being given if the veteran is willing.

Q. My claim for a disability pension was turned down by the Veterans Administration. Can I appeal this decision?

A. Yes. Whenever a claim for pension, compensation or other benefit has been denied, appeal may be made to the Administrator of Veterans Affairs. This must be done within a year of the mailing of the original decision. You may consult your local Veterans Administration office or other approved organizations for assistance and advice.

JUNE 30TH IS DEADLINE

Here's the story. June 30, 1946, is the last day on which you can enlist or re-enlist in the regular army and still be sure of retaining your old grade and family allowance for the duration of your enlistment.

These are two very important points. First of all, if you have served with the army and earned a stripe or two, you can enlist within ninety days after discharge and before July 1, 1946, and be sure of keeping your grade. If you have a family and dependents you

can enlist before July 1, 1946, and make sure the family allowance will be continued for a 1½, 2, or 3 year enlistment period.

Those hard earned stripes mean extra pay. Why throw them away. Your family will live comfortably if you enlist now and get the advantage of the family allowance benefit.

So think it over and act today. These two points mean opportunities for advancement and added pay as well as that all important security for your family. Stop in at your nearest regular army recruiting station today. They'll give you all the information you want on that very important date, June 30, 1946.

NO RICE FOR BIRDS

A traditional ritual for brides will be foregone this year because

of the food conservation campaign.

According to Miss Roberta Hershey, extension nutritionist at Michigan State College, well wishers gathered at church doors to greet newlyweds as they emerge should not pelt them with rice, which has become a precious cereal because of the world famine.

Miss Hershey also urges that housewives brush up on the technique of becoming frugal in their kitchens. It is her contention that the success or failure of the food conservation program is largely up to the housewife, for a vast volume of food may be saved in the kitchen without pinching the family diet. Use of Michigan fruits and vegetables as substitutes for grain foods is urged as one way to conserve. Of course, No. 1 on the list is the elimination of waste.

Youths Volunteer to Help Farmers

Oakland County farmers who need workers will be interested in knowing that husky high school boys are volunteering for help.

Harley Abbott, Emergency Farm Labor Field Assistant has been visiting the high schools in the county and interviewing the boys who are interested in farm work. He reports that many 14-18 year old youths will be available as soon as school is out. Many of these boys are experienced and capable. No farmer in Oakland County should go without enough labor this summer.

Karl D. Bailey, County Agricultural Agent, advises farmers to make their desires for help known to the high school superintendent or agricultural teacher in their territory now. They will co-operate with Mr. Abbott in taking farmers' orders and assisting in getting growers the kind of help requested.

Farmers may also call at the Oakland County Extension Service office located at 15 1/2 W. Huron Street, or phone Mrs. Alice Soboleski, Emergency Farm Labor Office assistant (4-2564) to place their request for help.

Co-operating in recruiting farm help is Carl Brablec, superintendent, Clarkston.

Veteran's News

Just one year ago this week the first World War II veteran was hospitalized by the Office of Veterans' Affairs under its Emergency Hospitalization plan which operates in connection with local veteran counseling centers.

Since that time 1,008 veterans have received this service. Those veterans were not eligible for federal hospitalization, or such an entitlement had not been established, or the Veterans Administration Facility had no beds for them. This represents a total cost of \$77,702.84 actually paid or in the process of being paid.

Ninety Oakland county veterans received this state assistance through the Office of Veterans' Affairs, which office was created by the legislature. One of the responsibilities of the Office of Veterans' Affairs under the act is to "provide such services to veterans as not otherwise offered by federal agencies".

The cost for hospitalization, prosthetic devices, blood plasma, medical expense, nurses, ambulance service and X-rays for these veterans from Oakland county already paid is \$6,212.71, and the estimated cost of cases in process is \$5,000 more. These amounts represent a considerable tax saving to the county as well as an earned and much needed service to the veterans.

Four hundred and fifty-two additional hospital cases are being processed, involving an estimated \$67,800. In addition to hospital admissions as shown above 141 cases were processed and channeled to other local, state and federal agencies for assistance, or were rejected by the Office of Veterans' Affairs as not being eligible

for emergency care under its program.

Lie Flat in Bed— And Read a Book

Veterans who have to lie flat on their backs in bed can now read a book on the ceiling. Special projectors make this feat possible in Veterans Administration Hospitals in Ohio, Kentucky, and Michigan.

Talking machine play recordings of favorite books for patients who can not see and special editions in Braille are available for the blind. Into the eye plastic wards go picture books and magazines for veterans with eye injuries.

The therapy accomplished by the library program is indicated by the case of the veteran who wouldn't speak to anyone for days, but finally spoke to the librarian when he asked her about a book.

Use Quonset Huts

A familiar sight to millions of fighting men, Quonset huts will soon appear at various Veterans Administration hospitals and installations to help solve the critical space shortage. The huts will be used for occupational therapy shops and recreation rooms at regional offices. This is already being done at the Lexington regional office.

Facts to Remember

In writing to the Veterans Administration, veterans must be sure to include all pertinent information for prompt service. Full name and address and service serial number are "musts" for all communications; insurance policy or claim numbers should also be included when appropriate.

Telephone thoughtfulness is appreciated, too

The driver who respects your property earns your respect and good-will. In the same way your rural line telephone neighbors appreciate your thoughtfulness in keeping your calls short... avoiding interruptions when they're talking... in carefully hanging up the receiver so that the line is kept free.

That way everyone gets better service. One of the principal objectives of our 5-year \$13,500,000 rural expansion and improvement program is to reduce the number of subscribers on overcrowded rural lines. This big program already is under way and will be stepped up as more and more materials become available.

7000 Tons Of Coal—Diet For A Day

Only enough for one day's electricity for the 3 1/2 million people we serve...

Pictured above is one normal day's diet for the giant furnaces of the Detroit Edison Company. We're using less than 7000 tons now, thanks to your help in conserving electricity. But our coal reserve is low. It may be two or three weeks before enough coal reaches us to permit unrestricted use of electricity.

You will be notified as soon as the emergency is over. Meanwhile it's urgent that ALL citizens in Southeastern Michigan continue to observe brown-out measures.

Drayton Plains

Mr. Joe Haas was guest speaker at the regular meeting of the Drayton Plains Men's Club Monday evening. He gave its history over a period of 125 years and showed pictures of interesting places in Oakland county.

Mr. Earl Grahl, president of the club, spoke on the necessity of corporation in community affairs by all citizens, schools, churches and clubs for the betterment of our young people and to bring forth a better good neighbor policy in

our community. Anyone having suggestions on how to improve these things are asked to discuss them at the next Men's Club meeting.

Prior to the meeting a turkey supper was served to members and guests by the Ladies Auxiliary with 75 attending.

Mrs. Neva Trost and Mrs. Virginia Palmer held a tea and art exhibit in their class rooms on Monday, May 20, from 3 to 4 p. m. Work accomplished by the students for the year was on display

Mr. and Mrs. Earl Paine of Dixie Highway honored their daughter Joan recently on her thirteenth birthday. The guests enjoyed a lovely birthday cake and ice cream. Afterwards the honoree opened her many nice gifts.

The group was then taken to the Waterford Community Activities building for an evening of dancing. Those present were: Janice Goulet, Normagean Terry, Patricia Gibson, Barbara Blue, Aletha Reed, Barbara Purdy, Joann Falkner, Charlotte and Shirley

Taylor, Marcille Shell, Susan Weiler, Shirley Boutin, Patsy O'Dea, Leita Enders, Nelda White and Marilyn Friday.

4-H Club News

The Clarkston 4-H Club met at the A. W. Emery home on Dixie Highway on Monday evening. The new officers elected are: president, Marian Emery; vice president, Jack Emery; secretary-treasurer, Alma Cheslik; news reporter, Pat Hoyt. The members outlined social and other activities for the coming summer months.

Meetings will be held the first and third Mondays of each month. The group enjoyed some piano playing and the evening closed with tempting refreshments served by the hosts.

For this Year's Vacation

Anywhere in the Nation PLAN AHEAD!

with Greyhound

You've waited a long time for this first peacetime summer—now there's every reason you can have that perfect vacation you've dreamed about. Playspots, summer resorts and hotels will be at their best, and Greyhound has increased its service to an all-time peak—with special Express buses, more frequent schedules, other improvements. But millions of others have been waiting and dreaming too—so plan ahead.

Check with the Greyhound agent on the best time to go—he may recommend a certain time of day . . . or a mid-week departure. Perhaps you'll find it best to arrange your trip after the summer rush—when Autumn highways are at their colorful best. Certainly you'll want confirmed reservations where you're stopping overnight.

Wherever you go—go Greyhound, for convenience, for comfort, for dollar-saving economy. Whatever you do—plan ahead.

IN MEMORIAM
In loving memory of our dear husband and father, Clarence E. Smith, who passed away one year ago today, May 24, 1945.
At early eve, when all was still God gave His great command, In silent peace, he passed away Into a better land. The time was short, the shock severe To part with one we loved so dear. Sadly missed by his wife and son.

APPRECIATION
My sincere appreciation is extended to all who remembered my wife while she was in the hospital. Also I wish to thank my neighbors and friends, especially the Oak Hill Farmer's Club, the Dorcas Circle of the W.S.C.S. and the Reverend Walter C. B. Saxman, for their many kindnesses, for the beautiful floral tributes and for the other expressions of sympathy extended me during my recent bereavement.
—William F. Pierce

The parents are urged to attend (the dads might enjoy the talk on baseball too). Each den is anxious to have the Parent Attendance plaque for the coming month and the parents have to earn this.
The O. D. O. Club will gather at the club house Monday morning and will spend the day tying a quilt in Friendship Hall. Pot luck dinner will be enjoyed at noon.
Couples are invited to join in the pinochle games on Monday. There are prizes and refreshments.
The final meeting of the Waterford Community Club will be held at the C.A.I. Building next Tuesday evening for the purpose of presenting to the shareholders a detailed financial statement of the exact surplus to be distributed to them.
This meeting is made necessary by the statutes covering dissolution and it is required that a majority of members approve the statement. If the financial statement is approved the money on hand will then be immediately available for distribution to the shareholders.
MOMs served a free turkey dinner to over two hundred veterans and guests last Thursday evening. The report is that both the dinner and program were very good. The program included music by the American Legion band of the Cook Nelson Post of Pontiac with Mil-

ton Hill as director. There was group singing led by Mrs. Vivian Radenbaugh with Mrs. Elmer Goring at the piano. The invocation was given by the Rev. Wright Van Plew; Mrs. Radenbaugh sang a solo with Mrs. Raymond Hoyt as her accompanist; there was instrumental music by Mrs. Martin Wager, Mrs. Virgil Campbell, and Mrs. William Watson; William Pelton introduced Sam Hill of Pontiac as toastmaster. Dr. Harold Furlong gave a very interesting talk. George Kimball Jr. gave a welcome to the veterans and Robert Allen responded with a poem which he had written to the MOMs. Harry Harrup extended greetings to the veterans in behalf of Community Activities, Incorporated. Mrs. Kenneth Faust, state president of MOMs, was an honored guest.
Don't forget to visit our library.
