CLARKSTON, MICHIGAN, FRIDAY, MAY 31, 1946

NUMBER 38

## Vets' Counselors Dine In Clarkston

The Tri-county veterans' counselors will meet at the Clarkston Methodist church next Tuesday evening, June 4th. Dinner will be served at 7 o'clock. All veterans are cordially invited to attend. However, reservations are limited and any veteran who wishes to attend should contact Ray Ainsley by Friday evening. There will be several good speakers.

## Rotary Club News

Leon Wilcox of the Waterford-Drayton Rotary Club, Fred Groven Jr., son of Fred Groven, and Howard Huttenlocher of the Pontiac Rotary Club were guests of the Clarkston Club on Monday of this week.

Local members and wives who expect to attend the National Convention at Atlantic City over the week-end are Mr. and Mrs. Lloyd C. Megee, Mr. and Mrs. Earl Terry, Mr. and Mrs. Garnet E. Poulton and Mr. and Mrs. Robert C. Beattie.

The meeting was in charge of Robert C. Beattie who introduced Howard Wareham of Holly, who showed a motion picture depicting the change in transportation from the early trains of the past to the aeroplanes of the future.

The picture reminded one that automobiles had brought better roads and better roads had in turn brought better and faster automobiles. The thought throughout was that the towns that prospered through the many changes had been the towns that took advantage of the changes.

The first towns had been on waterways. Then with the railways opening new territory, the towns having the best locations prospered most. The automobiles brought super-highways and towns along these highways grew ahead of towns not so located. Now the towns are adding airports to bring air traffic to their localities and so keep up with this changing world. Fenton has an airport. Holly is considering an airport. Who knows, perhaps air fields will replace the "tourist camp" found in so many resort towns.

## Clarkston Locals

John Turek of the Clarkston News received a Christmas greeting card last Saturday that had been mailed in Corpus Christi, Texas, last December.

Last Sunday morning about 12 members of the Campbell-Richmond Post 63, American Legion, attended the service at the Waterford Community Church. Members of the Waterford Township Post were also guests. Rev. Wright Van Flew delivered an especially fine sermon.

Mrs. Richard Bullen made a flying trip to Florida to see her folks. She went by plane a week ago Friday and returned by plane last Monday. Her father, George D. King, has returned to his home in Boynton Beach from the West Palm Beach hospital. His health is improving each day and he hopes to return to his home in Clarkston this summer.

## Coming Events

June 5th, Wednesday—The Past Matrons and Past Patrons of the local O.E.S. chapter will be honored. Reservations for this event must be in today. Call Mrs. Sam Carson, Clarkston 5809, or Mrs. Elmer Going, Pontiac 31-0546.

June 9th—Sunday evening—Baccalaureate service for the graduates of the local high school will be held at the Methodist church.

June 12th—Wednesday evening—Commencement exercises will be held in the school auditorium.

## Local Girl Graduates At Southern College

Mary Alice Carr

Miss Mary Alice Carr, daughter of Mr. and Mrs. Charles D. Carr of Clarkston, will graduate from Southern Seminary and Junior College, Beuna Vista, Virginia, this month.

Miss Carr is the third daughter to attend Southern Seminary, and she has made many friends among the students because of her nice personality. Miss Carr is active in the clubs and organizations of the college, being a member of the Saddle Club, the International Relations Club, the Hockey Team and the Little Theatre.

## WOMAN HOME FROM CHINA WRITES INTERESTING LETTER

A very interesting letter was received by Mr. and Mrs. George Perry from their friend Mrs. George A. Fitch who just returned from China. Many here will remember Mrs. Fitch whose husband works with the Y. M. C. A. in China. She has spoken to groups in Clarkston on two occasions. She says in her letter that she left for China last November and it took a month to reach Chungking. She flew back from Shanghai in 42 hours.

The letter reads: Long before I hit the high spots of the Himalayas, I struck the "low" of being turned down on my passport. So suppose I give you both ups and downs. Up's—1. Both Generalissimo Chiang and Gen. Wedemeyer approved my visit to China before the war ended. 2. With Congressman Judd's help I received my passport Nov. 9th. 3. I sailed by U. S. Army Transport on Nov. 14 with 9 berths in every cabin (I had all 9 to myself). 4. Caught the first BOAC plane out of Karachi for Calcutta. 5. The CNAC trip over the Hump—jagged peaks jutting thru clouds; rice fields like gardens far below, snow clad Himalayas in distant sunshine. 6. From Kunming to Chungking. "Only 2 1/2 hours by air" (This was to forget Chungking's winter blanket of fog). 7. Landed the next day in Chungking—a month to the day from New York. 8. Found my husband.

Down's—1. The State Department was adamant against women going and turned me down. 2. Armistice weekend I had to decide if I would go by boat, before I could learn if I could fly. 3. Discovered "destination Karachi" meant all of India yet to cross. 4. Congress leaders exalting Bose, students demonstrating, the general poverty, and the cry "Quit India", depressed me. 5. Student troubles in Kunming, but two schools of thought: "Protest civil war to the G'sissimo" Protest also to Mao Tsetung. 6. Arose at 3:30 a. m.; 4:30 at field; 6:00 in plane; 8:00 out again; 10:30 took off; 2:30 p. m. came down, not in Chungking but in Chengtu. 7. First impression: too many people, not enough buses, not enough anything. 8. Lost my purse.

Later I knew China was suffering the deterioration, devastation and destitution of eight years of war and blockade. In the overall picture some things were worse than I had thought; some things changed while I was there; but I have returned reassured that my basic thesis was correct: There is far more to commend than to condemn. The Chinese are a wonderful people, with a cheerfulness in adversity, a resilience after disaster, unsurpassed elsewhere in the world.

Mrs. Fitch goes on to tell about talking to G.I.'s in China and getting their viewpoints on life there. She gives her views on China and Communism and mentions China and her students. She says while they were in Shanghai Mr. Fitch was UNRRA's Deputy Director in charge of Displaced Persons and after she left he went to Kaifeng as Deputy Director for Honan province. In a letter to her he says: "This morning we had five representatives from as many cities in the flooded area to the south-

## Our Boys and Girls In the Service

Among those discharged from the naval service on May 22nd at the Great Lakes Separation Center was Charles C. Perry, ETM 2/c of 6950 Dixie Highway.

Jesse W. McCrary, GM 3/c, of 8535 Clark Road, route 2, Clarkston, received his discharge from the naval service at Great Lakes separation center on May 24.

Sat. May 11

Dear Mr. and Mrs. Stamp: It's pretty early for me to be writing letters but I have a couple of minutes rest, so I thought I had better send you my change of address. They made me ship's company here and most likely I'll be here until discharged.

I have applied for two different transfers but to no avail, so I guess I'm stuck. I'm working in P.A.O. that's navy for Personal Accounting Office—running International Business machines. It is very interesting and will offer me a good future. Well, I'll have to sign off. The Chief just came in so that means work.

My new address is: William A. Sharp, S 2/c, Brks. 611 - U.S.N.T.C., Great Lakes, Ill.

P. S.—The paper has been coming fine, and it's as good as a letter from home, and that's really good.

May 15, 1946

Marburg

Dear Sir: This is to let you know that I'm on my way home, so you can stop sending me the Clarkston News.

I really enjoyed the paper very much, and I hope you will thank everyone that helped make it possible. It is a great morale builder. Thanks again and so long for now.

—Floyd Sommers

## W.S.C.S To Have Quarterly Meeting

The Woman's Society for Christian Service of the Methodist Church will hold the quarterly business meeting at the church on Wednesday afternoon, June 5th, at 2 o'clock. On account of the shortages of food there will be no pot-luck luncheon. Every member is urged to attend as there is important business to be discussed. It is hoped that there will be 100% attendance.

## Swimming Lessons At Deer Lake

This year as in other years the county chapter of the American Red Cross will provide swimming instructors at the various beaches throughout the county. There will be classes at Deer Lake starting at 10:00 a. m. on Wednesday, June 19th. R. H. Palmer of Pontiac will be the instructor and the two young ladies who instructed here last year will assist him.

The lessons will start at 10:00 a. m. on Wednesday, June 19th. Classes will be for beginners, intermediate, advanced swimmers and for junior and senior life saving. Certificates will be awarded at the end of the season.

Enroll now with Charles W. Robinson and save time the opening day at the beach. However, whether you enroll now or not, be at the beach on time on the morning of June 19th and a class will be ready for you. Any junior or senior life savers who wish to assist Mr. Palmer should give their names to Mr. Robinson.

## Clarkston Locals

Mrs. Josephine Smith of Ceres is visiting at the home of Mrs. F. M. Thompson in Waterford.

## FARM TRAINING FOR VETS

Veterans are entitled to training in agriculture under the G. I. Bill. By arranging with a qualified farm operator, the veteran can receive training pay while working, or a veteran who is operating a farm can receive instruction pay under certain conditions. Your Veterans' Affairs office or county agricultural agent can give you details.

## TRAINED OVERWORKS

Disabled veterans taking "on-the-job" training and their employers are required to make weekly reports on progress, work attendance, etc. This is to protect both the veteran and the employer. A trainee engaged in home and carpeting work recently reported to the Dayton Regional Office as follows:

"Monday, 10 hours laying linoleum; Tuesday, 10 hours laying linoleum; Wednesday, 12 hours laying carpeting; Thursday, 10 hours laying linoleum; Friday, 10 hours laying linoleum; Saturday, did not work, too damn tired."

Plant a good garden and help the food shortage.

## Michigan State Has 678 Graduates

Michigan State College's 88th annual graduation exercises will be held for approximately 650 undergraduates and 28 advanced students at 3 o'clock Saturday afternoon, June 8, in the college auditorium, President John A. Hannah announces.

Dr. Edmund E. Day, president of Cornell University, will deliver the commencement address, speaking on "The Three-Fold Responsibility of Education in a Free Society". Baccalaureate services will be conducted at 3 p. m. Sunday, June 2. Dr. Bernard C. Clausen, pastor of the Euclid Avenue Baptist Church, Cleveland, will have as his subject, "That Beautiful Life".

Among the candidates for bachelor's degree is Malvina Smith of Clarkston.

## S. O. S.

500 Million People are Starving! In Greece—Many families have no food.

In Poland—Lucky people have one crumb of bread each day.

In Holland—Children eat beets three times a day.

In France—Milk is for small babies only.

## Will You Be a Good Neighbor?

Salvage Fat. It takes 10 pounds of fat to make each person's annual soap supply.

Every Meal Low in Wheat. "Save a loaf, and save a life". Use up the foods on your pantry shelf.

Never Throw Away a Crumb. Two slices out of many loaves are wasted.

Divide Your Daily Bread With the Desperate and Destitute. If every family would save just half a slice of bread daily, it would amount to half a million loaves.

Garden and Can. Store, and Freeze Produce. An extra vegetable a day, sends more bread on its way.

Introduce New Dishes. Oatmeal for breakfast and in bread, muffins, meat loaves and cookies.

Vow Not to Eat More Than Your Share. Adults might well eat bread or cereal only once a day.

End Meals With Fruit Instead of Cake or Pie. It will be much better for your teeth.

Mrs. Fred Groven and son and daughter have returned to their home on Ortonville Road after spending the winter in Delray Beach, Fla.

The American Legion and Auxiliary realized over \$300 from the sale of poppies last week. These organizations are grateful to all who helped make "Poppy Day" such a success.

## Victory Reunion At Ann Arbor In June

More than 6,000 alumni are expected to return to the University of Michigan campus for the Victory Reunion on June 20, 21, and 22, according to an estimate made by T. Hawley Tapping, general secretary of the Alumni Association.

Meanwhile, plans for two of the major events in the reunion program were announced by Karl Litzberg, general chairman of the Victory Reunion Committee. Four prominent alumni will be the speakers at the Victory Reunion dinner on Thursday evening, June 20, opening event on the program.

The speakers will be William H. Stoneman, noted foreign correspondent of the Chicago Daily News; Col. Joseph R. Darnall, of the United States Medical Corps, a veteran of both wars; Miss Margaret Ann Ayres, of Detroit, who served overseas with the American Red Cross; and Walter G. Kirkbride, of Toledo, president of the national Alumni Association.

Two well known alumnae are scheduled as the speakers at the Alumnae Luncheon on Friday, June 21. They will be Mrs. Arthur Vandenberg, wife of Michigan's senior senator, and Sigrid Arne, well known Associated Press correspondent.

## Girl Scout News

The Clarkston Girl Scouts met on Tuesday, May 21st. The overnight hike that was planned for May 24th has been postponed until June 7th. We were taught how to make Klondike sleeping rolls from blankets and oilcloth. At the close of our meeting we enjoyed some group singing.

Mary Jane Beattie, Scribe

## Community Activities

Library open at 8:00 Friday evening.

Community party at 8:30 Friday evening.

Lutheran Instruction Class at 9:30 Saturday morning.

Catholic Instruction Class at 10:00 Saturday morning.

Library open at 9:00 Saturday morning.

Modern and old time dance between 9:00 and 1:00 Saturday evening.

Catholic Mass at 8:15 Sunday morning.

Lutheran Sunday school at 9:45 Sunday morning.

Lutheran services at 11:00 Sunday morning.

Waterford-Drayton Rotary Club meeting Tuesday noon.

Library open at 7:15 Tuesday evening.

Boy Scout meeting at 7:15 Tuesday evening.

American Legion meeting at 8:00 Tuesday evening.

Lutheran Guild meeting at 12:30 Wednesday noon.

Board of directors will meet at 8:00 Wednesday evening.

Youth meeting between 7:00 and 10:00 Wednesday evening.

Choir of Christ Lutheran church meets at 7:30 Thursday evening.

The Sunday school children of Christ Lutheran church are to gather at the Club House at 1:30 Saturday, June 8, for games and refreshments. Mrs. Stanley Hawkins, Barbara Beedle, and Rev. Philip Jordan will be in charge of the games and Mrs. Roy Olson and Mrs. Walter Schmuck will be in charge of the refreshments.

The Ladies' Guild of Christ Lutheran church will meet for pot luck dinner at 12:30 Wednesday afternoon to which all women of the church and friends of the church are invited. The business meeting will begin at 1:30. Mrs. Richard King will conduct the meeting.

The Cub Pack meeting was held Friday evening with Den 1 taking the parent attendance plaque by having 100 per cent attendance. The awards given were a wolf badge to Billy Kenifeck, Jack Hedrick, and Emory Shook; a wolf gold arrow to Billy Kenifeck, and a wolf silver arrow to Billy Kenifeck and Billy Wood; the bear badge to Ronald Correll, and bear gold arrows to Ronald Kepicko and Rodney Attwater; the lion silver arrow to Mike Siegman, and lion badge to Dick Gorman and Dean Grafmiller.

John Abel, athletic director of Yellow Coach, spoke to the boys on baseball. Scout Troop 31 were guests of the Cubs.

The Cubs will have five ball teams this year and plan to play two games a week with the first one falling on June 17.

Women wishing to help on the library project are asked to be at the library between 1:00 and 4:00 on Wednesdays. Books may also be borrowed and returned at this time.

## By The Way

In spite of the cool weather many folks left this week to spend a few days in the north fishing. Real optimists I guess. As summer approaches traffic will get heavier and heavier. It is hoped that safety will be uppermost in the mind of every driver. In this district where there are so many lakes it would be well for every child to know how to swim. Now is the opportune time to let your child get instructions from capable teachers. The Red Cross will have instructors at Deer Lake starting on June 19th. A community house for Clarkston is still common talk. It is something that this vicinity needs badly and something that perhaps could be realized if the whole community would work toward that goal.

This week the builders started to put the roof on Les Howe's bowling alley on the Dixie. It will seem good to have some good, clean recreation spot close to Clarkston. The senior class of the local high school with Mr. and Mrs. Brabec and Miss Campbell returned home yesterday after a bus trip to Chicago and a boat trip to Mackinac Island. They had a good time and were ready for a few hours sleep when they reached home.

The Annual Church Meeting and Fourth Quarterly Conference of the Methodist Church will be held next Wednesday, June 5, at 8:00 o'clock. Dr. Clyde Donald, district superintendent, will preside at the meeting. The annual reports of the church will be presented at this time. All members of the church are urged to be present.

## Annual Church Meet

The Annual Church Meeting and Fourth Quarterly Conference of the Methodist Church will be held next Wednesday, June 5, at 8:00 o'clock. Dr. Clyde Donald, district superintendent, will preside at the meeting. The annual reports of the church will be presented at this time. All members of the church are urged to be present.

## MUSIC IN THE AIR ON THE NIGHT OF JUNE 8

Yes music will fill the air at the Methodist church on the night of June 8th when the students of Mrs. Charles Matthews will be presented at a public recital. Great plans are being made for this very special event. The girls will be in formal; the church parlors will be beautifully decorated and the program will be extra fine.

This little notice in the paper is to be your invitation to attend this lovely affair.

## Clarkston Locals

Mrs. Edwin M. Clark of Detroit is spending some time at the home of her son and daughter-in-law, Mr. and Mrs. L. M. Clark.

Born to Mr. and Mrs. William Terry of Maybee Road a 9 1/2 lb. son on May 26th at the Pontiac General Hospital.

Mrs. Emma Young and her son and daughter-in-law, Mr. and Mrs. Kenneth Young and family spent Memorial Day in Grand Haven.

On Tuesday L. D. Hemingway went to the veteran's hospital at Dearborn and delivered two dignitaries from Clarkston and one from the girls in the Clarkston State Bank.

## The Guiding Hand

He who guides my deeds each day Must truly be a sainted soul. For off the path, I often stray As listlessly thru life I stroll.

When through this life I try to guide A child in ways I think are best, I find my patience oft' times tried And tolerance put to the test.

But what of those who have no means Of telling us whereof we err, Except examples placed in scenes, Arranged by forces over there.

Oh, let me be alert to things With lessons hidden at the core. Let me be guided by the strings That regulate progression's door.

Yes, let me sense the guiding hand That steers me through a foggy course. Let me more fully understand The love and patience of its force. —ROBERT C. BEATTIE (all rights reserved)

## Holly Theatre

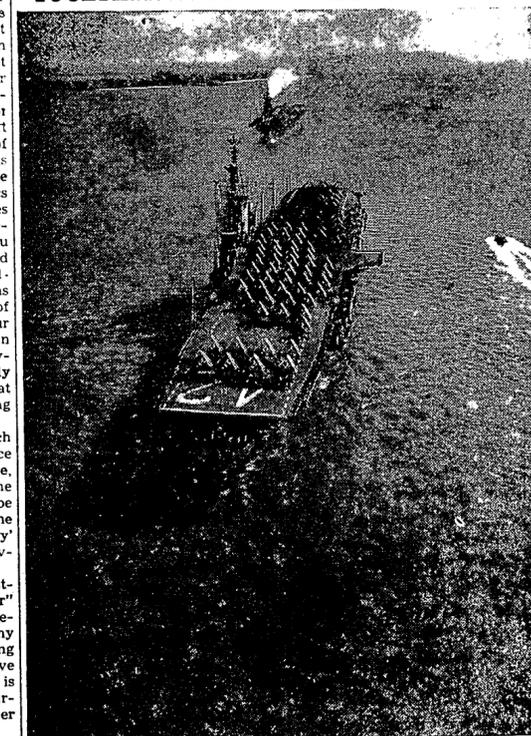

"The Friendly Playhouse"

THURS., FRI., SAT, May 30-31, June 1—3 big days, 2 big features. Roy Rogers, Gabby Hayes, Dale Evans in SONG OF ARIZONA. Jim Bannon, Ross Hunter in OUT OF THE DEPTHS.

SUN., MON., June 2-3, John Wayne, Walter Brennan, Vera Hruba Ralston in DAKOTA.

TUES., WED., THURS, June 4-5-6—William Marshall, Vera Hruba Ralston in MURDER IN THE MUSIC HALL.

## WORLD'S LARGEST CARRIERS SAIL TOGETHER AS EIGHTH FLEET MANEUVERS

The USS Franklin D. Roosevelt (foreground) and the USS Midway (astern) take part in maneuvers of the U. S. Eighth Fleet, which is under the command of Admiral Marc A. Mitscher, USN. Both 45,000-tonners they are two of the three largest carriers in the world, the other one being the USS Coral Sea. The present maneuvers will extend into the summer.

**Waterford**

Emery Beedle, chairman of the Wolverine Boy's State Committee of the American Legion, Waterford Township Post 431, announced that Jack Davidson has been selected to represent the Legion at East Lansing, June 13-21.

Mrs. James Saylor and son, Jack, and Robert Allen left Tuesday for a trip through Canada, where they will visit relatives and friends in Owen Sound, Tara and Chesley, returning through northern Michigan.

Mr. and Mrs. William Korthaus left on Monday evening for Indianapolis where they will visit relatives for several days.

Mr. and Mrs. Claud Hoadley are visiting relatives in Florida.

The Ladies' Auxiliary of the Community Church will meet on Thursday at the home of Mrs. Wm. Hunt for a cooperative luncheon at 1 p. m. Mrs. Louis Dorman will

be co-hostess. There will be an election of officers. Donations of clothing for an orphanage in Kentucky will be received and articles for a box to be sent to Percy Jones Hospital.

Mr. and Mrs. Frank Schultz entertained relatives from Detroit and Flint Sunday.

The Moms met at the home of Mrs. J. H. Ettinger recently with 13 members present. Plans were made to purchase bed lamps and other needed articles for Percy Jones Hospital. Mrs. Walter Watson will entertain the group June 12, at which time officers will be elected. Refreshments were served.

Mrs. Kenneth Valentine has returned home from a Pontiac hospital where she underwent surgery.

The Good Will Club met recently at the home of Mrs. Oscar Virgin with 10 members and two guests—Mrs. Kenneth Sutherland and Mrs. Allena Jeckles—present. An afghan was completed and another started. Mrs. George Kimball will entertain the group in June in Friendship Hall, Community Activities building.

Mr. and Mrs. Ronald Hardley are the parents of a daughter, Bonnie Lynn, born Friday at Pontiac General Hospital.

Mrs. Jerry Mejeur Sr., Miss Trena Mejeur and Mrs. John Bullen, all of Kalamazoo, were guests of Mr. and Mrs. Jerry Mejeur Jr. and family a few days this week.

Forty-six adults and children attended the Bible Hour program at Grand Rapids Saturday.

Rev. Wright Van Plew returned home from Philadelphia Friday after attending a conference of the Independent Fundamentalist Churches of America.

The Holmes Hardware Store opened for business Friday at 5845 Dixie Highway. M. B. Holmes is manager and owner of the building which was recently completed.

Brownie Troop No. 3 are planning a banquet for their fathers at the Waterford Village school on June 6 at 6:30 p. m.

Arthur Johnson, principal of the Waterford Village school, announced recently that an eleventh grade will be added to the school next fall for students from Drayton Plains and Waterford who have been rejected from nearby high schools. The school bus garage will be converted into a classroom and laboratory. Ninth grade students from nine other schools will be divided between Waterford and Drayton Plains.

**School Election**  
 Saturday is the last day to register for coming school election, June 10. Registration may be made from 9 a. m. to 4 p. m., except on holidays, and on Saturday from 9 a. m. until 4 p. m. through Friday at Donelson, Drayton Plains, Four Towns, Waterford Center and Waterford Village schools.

Besides voting for one trustee for the board, there are two other ballots. One concerns whether the township should levy a tax of five percent for a period of five years to create a building and sinking fund.

The other is whether the township should increase the 15 mill tax limitation for five years to permit the tax to be levied as specified in the building and sinking fund ballot.

Persons having voted on school elections in their present districts within the past two years will not need to register.

If you need to register for the school election on June 10 do it this week. You may register at the Donelson, Drayton Plains, Four Towns, Waterford Center, or Waterford village schools until 4:00 this afternoon (Friday) or at the Covert School building until 4:00 this afternoon and between 9:00 a. m. and 8:00 p. m. on Saturday. This is an important election so don't forget to register. If you have voted in your school district within the last two years it will not be necessary to re-register.

**Veteran's News**

Q. My husband still has attacks of malaria which he contracted in the service. His claim for pension is pending. If our local doctor treats him at home will the Veterans Administration pay the doctor's bill?

A. Yes, the Veterans Administration will reimburse your physician for such treatment if the service connection has been established or if the claim for pension is still in the process of adjudication.

Q. I am receiving a pension for a service-connected disability, but my disability seems to be getting worse. Can I apply for more pension?

A. Yes, by applying at the nearest Veterans Administration office for another physical examination and a reconsideration of your case.

**FACTS TO REMEMBER**

More architectural and mechanical engineers are needed by the Veterans Administration in conjunction with its hospital construction program and other building projects in Ohio, Kentucky and Michigan. Qualified, interested persons contact Personnel Services, Veterans Administration Branch Office No. 6, 52 South Starling Street, Columbus 8, O.

DON'T contact the Veterans Administration for a house, a job, surplus property or a car. DO contact the Veterans Administration for educational or training benefits, disability claims, National Service Life Insurance, G.I. loans or medical care.

**MSC IN ATOM RESEARCH**

Michigan State College is one of 24 midwestern educational institutions which have been invited to cooperate in research toward peacetime use of atomic energy, with the facilities of a "super laboratory" in and near Chicago at its disposal. Departments concerned are chemistry, physics, engineering, and biological science.

**FOLKS FROM EVERYWHERE**

Students from 81 Michigan counties, 44 other states, the District of Columbia, two U. S. territories, and 17 foreign countries are enrolled this term at Michigan State College. Total enrollment is 8,091, including 2,302 war veterans. Michigan students number 5,993. Highest ranking counties in number of students enrolled are Wayne, Ingham, Oakland, Kent, and Genesee.

**MSC PICTURE TOPS**

A picture submitted by the public relations department of Michigan State College has won first place in national competition sponsored by the American College Public Relations Association. Showing an animal husbandry student, Ann Curtis of Bay City,

showing a horse as part of her course of work, the picture was widely used. Nearly 200 colleges and universities entered the contest.

**Red Cross News**

A monthly average of 630 veterans have been given service during the past four months by the two home service offices of the Oakland County Chapter of the American Red Cross according to Mrs. Noble, chairman of the home service committee of the chapter. Service to these veterans has been given by volunteers and home service staff members. In anticipation of an increasing load in service to veterans a group of fifteen volunteers have recently been given a basic home service training course and two staff members have received special training from the American National Red Cross.

Service given during the past four months has consisted of: assistance with claims and reports; consultation and guidance; hospitalization and various other activities.

Besides service to veterans the chapter has had a monthly average of 700 active servicemen during this same period. This service consisted of reports to Red Cross field directors; verification of the need for furloughs and extensions; health and welfare reports; consultation and guidance to family problems.

Mrs. Claire Gaukler, chairman of knitting of the Oakland County Chapter of the American Red Cross, announces that more knitters are needed to complete quotas which have been assigned to the local chapter. Children's sweaters numbering 600 have been allotted to this chapter and women are urged to assist with these garments which are needed for relief of children in foreign countries. Besides this quota the chapter also has yarn for knitted garments for men in our army and navy hospitals. This quota includes 500 bed socks, 1,000 cast socks and 1,000 regular socks. Individuals wishing to knit may leave their names and addresses at the chapter office, Pontiac 4-3575.

Mrs. Gaukler stresses the need for garments included in each quota. Red Cross warehouses have been depleted of the large stocks of garments made during the war which have all been distributed. It is now necessary to complete further supplies of garments, not only that our men in hospitals may be comfortable but that children in foreign countries do not suffer.

**TEACHER TO BELGIUM**

Dr. Harry R. Hoppe, assistant professor of English at Michigan State College, has been awarded a fellowship for study in Belgium during the coming year. He was one of three men selected for fellowships by the Belgian-American Educational Foundation, Inc.

**News To Farmers**

**WEEDING TOP TASK FOR HOME GARDENER**  
 June, in the garden, means a little planting, a little pruning, a little watering, a little dusting and spraying, and lots of weeding. All added together, it makes one of the busiest and most important months in the entire gardening

year. Here are some suggestions: June 1-10—Keep planting the spring garden and start to plant some of the fall garden. If tomatoes, peppers, eggplant, and tender flower annuals have not been set out, do so now. Make second seeding of corn and beans. Sow lima beans, pumpkin, squash, melons and cucumbers. Plant late potatoes. Sow seed of cabbage, broccoli, cauliflower, and brussels sprouts for fall crops.

Dahlias may be set out any time during June. Continue making gladiolus plantings at ten day intervals up to the last of June.

June 10-20—Start dusting sweet corn with 5% DDT or rotenone to control corn borer. Make five applications at five-day intervals. Keep squash plants dusted with rotenone to control vine borer.

Watch beans for Mexican bean beetle. Spray or dust with rotenone, covering top and underside of leaves for control. Dust or spray potatoes with mixture of 5% DDT

and copper dusts or Bordeaux mixture.

Pinch back chrysanthemums to get bushy growth and abundance of bloom. Stake delphinium, holdyocks and other tall perennials. June 20-30—Stop cutting asparagus. Apply ten pounds of 10-6-4 or other high nitrogen fertilizer per 100 foot row. Watch for, and remove, suckers on lilacs, roses, and any other grafted trees or shrubs.

Water plants during dry spells. Be particularly careful with newly set evergreens. Water lawn thoroughly, soaking soil to depth of three or four inches. Don't just sprinkle.

Battle weeds. June is the month to whip the weed problem. Weeds rob garden plants of food and moisture. Hoe them out or pull them out by hand, but get rid of the weeds. This is a good time to use one of the 2, 4-D sprays to destroy lawn weeds, too. Be careful not to get 2, 4-D on garden plants, however.

Dewey Johnson of V.F.W. Post 4102, Drayton Plains, reports the poppy sale started Friday, May 24, was a complete success. All the poppies were sold the first day.

Mr. Johnson and the Post wishes to extend thanks to the people for their fine support and to the Ladies' Auxilliary of the Post for their fine work.

The W.C.T.U. held their annual May breakfast last week at the church. The guest speaker was Mrs. Elizabeth Irwin of Detroit, president of the 17th district.

In the absence of Rev. C. J. Sutton of the United Presbyterian Church, the following supplies have been secured: The Rev. D.

S. Carmichael and Rev. Phillip Jordan gave the morning and evening services Sunday, May 26 and Rev. Nelson Kring will speak at both services on June 2. The Elders will be in charge of any further details.

**Decoration Day Celebration**

Drayton Plains community is completing plans for a Memorial Day celebration at Drayton Plains Cemetery preceded by a parade composed of eight sections under the command of Col. P. Newman, grand marshal.

Those participating in the parade and ceremony are the following organizations:

Boy Scouts of America, Troop 52; Drayton Plains and Waterford Cub Scouts, Waterford Township

school band, V.F.W. Post 4102, including vets of World Wars I and II; Ladies' Auxilliary of the Drayton Plains men's Club; Blue Star Mothers of Drayton Plains; Ladies' Auxilliary of V.F.W. Post 4102; Drayton Plains Men's Club; Girl Scouts of America.

Festivities will be preceded by a flag-raising ceremony at Drayton Plains school after which the parade will form on Sashabaw Road facing Dixie Highway. It will move at 10:10 a. m. and will proceed southeast to Hatchery Road and Dixie Highway and counter-march back to the bridge crossing the Clinton river where a ceremony consisting of decoration of the water in commemoration of our Sailor Dead by the Women's Auxilliary of V.F.W. Post 4102. The parade will then move northwest on Dixie Highway to the cemetery at the intersection of Williams Lake Road and Dixie Highway, where ceremonies will be in charge of the V.F.W. in dedication of several cemetery lots designated by the township board to be used by veteran dead and in decoration of several vets' graves.

Col. Newman at that time will present an oration, the theme of which will be "Our Hero Dead". Taps will be sounded by the Boy Scouts.

Miss Agnes Hilton's room entertained the mothers with a program Thursday afternoon, May 23. A play, "Robin Hood", was presented and several readings, piano solos and songs by both grades. Those taking part were Betty Jo Reed, Jean Schlunt, Wanda Sue Kee, Yvonne Mitchell, Clare Johnson, Mary Ellen Morse, Beverly Willson, Bill Brinker, Janet Matson and Margaret Morse, with students of both grades singing.

Mr. and Mrs. Bernard Gould announce the birth of a daughter, Elaine Esther, on May 16, weighing 9 pounds and 4 ounces.

Mr. and Mrs. George Bishop (Eliene Snicker) announce the birth of a 5 1/2 pound daughter, Betty Ann, on May 20.

Mr. and Mrs. Patrick C. O'Dea (Iris Pugh) announce the birth of a 9 pound 2 ounce son, Patrick Collins Jr., on May 9. The O'Dea's live in Royal Oak. Mrs. O'Dea was a former teacher here in Drayton Plains and Mr. O'Dea is the son of Mr. and Mrs. Nick O'Dea of Saginaw Trail.

Mrs. Josephine Zottolo of New York City is visiting her daughter, Mrs. Bernard Gould of Fremont Street.

The Community United Presbyterian church was the scene of a delightful occasion on Friday of last week when the Adult Bible class held a reception honoring

**4-Club News**

Some of the outstanding dairy breeders of Oakland County have given their support to the 4-H Dairy Club Program in the county by listing heifer calves for sale to deserving 4-H club members at about one third selling price.

Myles Lowell, owner of the Beech Crest Farms of Farmington, sold a holstein heifer calf this week to Richard Palmer of the White Lake Club. The calf was out of a dam that produced 949 pounds of butterfat as a 4 year old, milked twice daily. Beech Crest Farm is a member of the No. 4 Dairy Herd Improvement Association.

Albert Lehman, owner of the Springgrove Farm sold to Karl Rhodes Jr., a 4-H Club member from Bloomfield Club, a registered Guernsey heifer ten weeks old.

Springgrove Farm is a member of the No. 3 Dairy Herd Improvement Association and one of the herds producing 30 pounds or more of butterfat in April. He has 16 cows which have produced 8,402 pounds of milk and 425 pounds of fat.

James R. Leece, Leehaven Farm of Ortonville, sold two registered Ayrshire calves to John and Paul Cook, members of the Seymour Lake 4-H Club. Leehaven Farm is a member of the No. 3 Dairy Herd Improvement Association.

Miss Sarah Van Hoosen Jones, owner of the Van Hoosen Farm, sold to Jerry Carpenter of the Bald Mountain Club, a registered holstein calf. This farm is a member of the No. 3 Dairy Herd Improvement Association. The herd of 102 cows has a record of an average of 11,582 pounds of milk and 406 pounds of fat.

**HOW TO REMOVE HEEL MARKS FROM FLOORS**

That's a question which is asked so often, and the Oakland County Home Demonstration Agent believes it is well to let housewives in on the answer.

Those marks contain a waxy substance, so instead of using a scouring powder, use a dry cleaning fluid. Scouring powder will take some of them off, but since cleaning fluid is a grease solvent, it's what you want to take the marks off.

Steel wool, moistened with liquid wax will also take the marks off. The home management specialist says it works well on linoleum. It's a time and temper saver.

**HOME-MADE FENCE CHARGERS DANGEROUS**

A good electric fence saves time, labor and materials—all of which are critical. But home-made fence controllers are dangerous and at times even deadly.

Some manufacturers have spent as long as six years making their electric fence controls "fool proof". The use of an approved electric fence gives the farmer and stockman an opportunity to fence in certain areas of pasture hastily and temporarily or for permanent fence.

It is known that in Michigan alone, hundreds of head of livestock and several persons die each year as the result of home-made fence chargers. Farmers should make certain the apparatus they have or purchase is approved by the underwriters or other approving bodies to make certain there will be no death to livestock or persons.

**CRACKDOWN DANGER**

The message, "Take It Easy", is important to the nation as a whole. Adoption of cautious, hurry-free habits in traffic will mean a reduction in the economic loss and drain on manpower resources resulting from street and highway accidents; it will mean an enormous saving to life and automobile insurance companies and those who pay the premiums for such insurance; it will ease the load on already overburdened medical and hospital facilities — and in many other ways taking it easy will bring direct or indirect benefit to society as a whole.

There is a further way, however, in which voluntary co-operation will benefit the man or woman behind the wheel. The current upward trend in accidents together with its resultant hue-and-cry brings the danger of crackdown campaigns by official bodies in a desperate effort to stem the accident tide. If everyone who walks or drives will take it easy in traffic there will be no excuse for hasty and ill-advised crackdown measures that will rob motoring of much of its freedom and enjoyment. To insure continued full and free use of your car, begin now to TAKE IT EASY!

**PLENTIFUL PROTEINS**

Three excellent protein foods, fish, eggs and poultry, are plentiful. They deserve special emphasis in home meal planning in order to relieve supplies of other foods needed for famine shipments overseas, according to Vivian MacFawn, extension nutrition specialist at Michigan State College. Fish stocks, particularly frozen fish, are at an all-time high. The seasonal peak of egg production is at hand. Markets in most parts of the country have abundant chicken and turkey supplies.

**CONCRETE FELLOWSHIP**

A fellowship has been established in the Michigan State College department of civil engineering for carrying out investigations on certain phases of concrete curing. The \$1,000 fellowship was established by Truscon Laboratories, Detroit.

**MUSIC STAFF CHOSEN**

A staff of 27 outstanding teachers and musicians has been employed to teach the first annual school music special course for high school musicians and school music teachers, June 17-July 7, at Michigan State College.

**THE TALE OF A COW**

Did you know that Michigan has 1,027,000 cows, producing 3.7 billion pounds of milk in 1945?

And that the revenue from the sale of this milk and dairy animals was well over \$200,000,000?

That the investment of modern equipment in Michigan dairy plants is for your protection and service?

Dairy products are first as vital food. For your good health, drink milk daily and use dairy products often.

The dairy cow provides a steady income for 80% of Michigan's 179,000 farms . . . jobs for 1 out of 15 people . . . and a health-giving vital food for everyone. Michigan cow—take a bowl!

**GOD HEALED HIM**

★ "I dressed his wounds, and God healed him," was the modest statement of the great French physician, Paré. It was he who first insisted on cleanliness and fresh air for his patients.

These things now are accepted as the minimum essentials for health, although in the sixteenth century they were revolutionary. Medical science has traveled a long road since the days of Paré. Some diseases have been eliminated, others drastically curtailed. Given full co-operation, physicians could eradicate many of the infectious diseases still rampant today. It is up to you to take advantage of the knowledge your physician possesses.

Your prescriptions will be promptly and accurately filled.

**Drayton Drug Store**  
E. G. Greer, Prop. Drayton Plains

**DAD CARRIED A LANTERN**

There were times when Mother had to wade through snow to carry wood to feed the kitchen stove. She heated water on the stove to thaw the pump. Then she pumped more water and carried it in to be heated on the same stove for cooking, scrubbing and bathing—and for thawing the pump again.

But on the farms of Michigan life has changed, and is continuing to change.

The greatest factor in that change has been the availability of electric power.

In the electrified farm home that lantern is almost a museum piece. In the kitchen, the bathroom and the laundry, water, hot and cold, is on tap. The ash pan is gone where the woodbox pineth.

The electric range is white and shining, and the calendar hangs over what was once the exit of the old black stovepipe.

The milk and butter that used to hang in the well before Dad's dad built the milk house out by the windmill are in the electric refrigerator now.

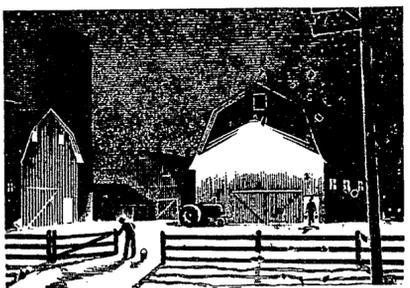

There's a broom in the closet for shooing the cat—an electric sweeper for the Brussels carpet.

Out in Dad's domain electricity milks the cows, grinds the feed, hoists the hay and saws the wood. It separates the cream and shears the sheep, warms the baby chicks as no hen could warm them, and kids the hens themselves into getting up before daylight to be about the business of laying eggs.

The Detroit Edison Company already has made service available to 34,000 of the 37,000 farms in its 7,600 square miles of territory. Its objective is to see that electric service is within the reach of every one of those farms.

To that end Detroit Edison now is engaged in extending its lines some 600 miles into every remote corner of its rural territory. These extensions will be completed just as rapidly as materials and skilled labor can be obtained.

**THE DETROIT EDISON COMPANY**

**It's up to YOU to SELECT A NEW MANAGER for Michigan's largest industry**

**JUNE 18th**

**CHOOSE VERNON J. BROWN**  
REPUBLICAN GOVERNOR

### Farm Volunteers Help the Starving

More people in the world will be hungry and starving this year than at any time during the war. The department of agriculture reports that actually three-fourths of the world's population faces starvation.

Victory Farm Volunteers, young farm workers who organized during the war to insure plenty of food for men overseas, are fighting again this year, this time to clinch the peace. Mrs. Alice Soboleski, Victory Farm Volunteer supervisor for Oakland County Extension Service, Pontiac, has announced a VFV program that may easily be larger than at any time during the war.

High school boys between the ages of 14 and 18 help in the peacetime fight for food by spending their summer working on

farms. At the same time these workers will be earning a little money and enjoying country life. For those who prefer to live at home, farm jobs will be available by the day weeding carrots and onions, picking string beans, cucumbers, strawberries, and so on.

Mrs. Soboleski points out, however, that the life of a VFV is anything but cream and honey. Farm work is difficult, it requires early and long hours, and it means adapting one's self to the serenity of country living. Besides being physically fit, a prospective VFV must be sincerely willing to work and learn and should have a genuine desire to do farm work rather than some other kind of work. Farming is not a vacation, for it requires determination to stick to the job, hard work, co-operation and a desire to understand farm life.

High school youths who meet

the age and physical qualifications and who have their parents' consent may apply for farm work as a Victory Farm Volunteer. In view of the greater number of VFV's this year, it's important to apply for all-summer jobs now. Anyone who has done farm work before may wish to contact his former employer and return to his old job. Other prospective Victory Farm Volunteers should contact County Agricultural Agent, Karl D. Bailey, at 15 1/2 W. Huron or the Emergency Farm Labor Office at 15 1/2 W. Huron before farm jobs are filled.

his service-connected disability will select the doctor he prefers from an authorized list available at the nearest Veterans Administration contact office. The physician submits his bill to the Veterans Administration, which will pay him on the basis of a pre-determined schedule of fees.

However, if a veteran can be treated promptly in a Veterans Administration clinic in his home town, he must use that service.

### Veterans News BLIND-HE STUDIES TO HELP BLIND

Three years ago this Christmas a Jap mortar shell exploded on Bouganville, making an Ohioan blind for life. Today, a veteran, his goal is a career of social service work with the blind.

The veteran is Robert C. Oberhouse of Pemberville. Since his discharge a year ago, he has made and sold over \$6,000 worth of leather goods. He has taught a blind girl to walk, and assisted in teaching a blind man to become a teacher of the blind. He is equally proficient on most types of power machines and his favorite sports are dancing and ice and roller skating.

With the help of a Veterans Administration Contact Representative, he chose his life's career—social service work with the blind—and now he's studying toward that career at Bowling Green University.

### TRAINEES INCREASE DURING MONTH

Veterans participating in the vocational training and education program in Ohio, Kentucky and Michigan have increased 70.5 per cent since March 30.

World War II veterans receiving training in the three states totaled 84,273 by May 1. Only 49,419 were enrolled at the end of March.

Of the total now getting training, 41,541 are in Ohio, 33,057 in Michigan and 9,675 in Kentucky.

World War I veterans, direct your queries regarding United States Government Life Insurance to Veterans Administration, Washington 25, D. C.

### QUESTIONS AND ANSWERS

**Q.** I am now in college under the G.I. Bill. If I drop out for the summer and take a full-time job on a farm, may I resume my college course next fall and receive the same benefits under the bill?

**A.** Yes, but you will not receive subsistence for the time you are out of school.

**Q.** I served in the WAAC for one year, then served 1 1/2 years in the WAC. How much education am I entitled to under the G.I. Bill?

**A.** Qualified veterans are entitled to at least one year of education or training plus the length of time in active military service. You are entitled to 2 1/2 years. Service in the WAAC is not considered military service and is not considered in computation of length of military service.

**DON'T CHANGE TRAINING**  
Veterans enrolled in on-the-job training are cautioned not to change from one establishment to another without approval of the Veterans Administration. Such a practice is strictly against regulations governing the on-the-job training program.

**OHIO MEDICAL PLAN**  
Effective July 1, Ohio veterans with service-connected disabilities will be eligible for treatment by their home-town physicians, according to arrangements being made between the Veterans Administration and the Ohio State Medical Association. All Ohio physicians will be given an opportunity to participate in the program—designed to eliminate long trips by veterans needing medical care, and similar to the plan already in operation in Michigan.

Under the Ohio plan, a veteran needing out-patient treatment for

### Legal Notices

**G. EDSON HALLOCK, 812 Peoples State Bldg., Pontiac, Mich. STATE OF MICHIGAN—In the Circuit Court for the County of Oakland in Chancery.**

Thomas W. Monk, Plaintiff, vs. Stella C. Monk, Defendant.

No. D-17080

**ORDER FOR PUBLICATION**  
At a session of said Court, held in the Court House for the City of Pontiac, Oakland County, State of Michigan, this 15th day of May, 1946.

Present: Honorable H. Russel Holland, Circuit Judge.

It is satisfactorily appearing to the Court by the sworn Bill of Complaint now on file that the defendant, Stella C. Monk, is not a resident of the State of Michigan but that she is residing in Crossville, Tennessee.

On motion of G. Edson Hallock, attorney for the above named plaintiff, it is Ordered that said defendant, Stella C. Monk, cause her appearance to be entered in this cause within three (3) months from the date of this order, and in case of her appearance that she cause her answer to be served upon the plaintiff's attorney within twenty (20) days after service on her of a copy of said Bill of Complaint and notice of this order, and that in default thereof a Bill of Complaint will be taken as confessed, and

It is further Ordered that the within order be published as required by law and in accordance with the statute in such case made and provided.

H. Russel Holland, Circuit Judge.

G. Edson Hallock, Attorney for Plaintiff, 812 Peoples State Bldg., Pontiac, Mich. May 24, 31, June 7, 14, 21, 28, July 5

**DONALD E. ADAMS, Attorney at Law, 511 Com. Nat'l Bank Bldg., Pontiac, Michigan. STATE OF MICHIGAN—In the Probate Court for the County of Oakland. No. 49,839 C. N.**

At a session of said Court, held at the Probate Office in the City of Pontiac, in said County on the 9th day of May, A. D. 1946.

Present, Honorable Arthur E. Moore, Judge of Probate.

In the Matter of the Estate of Walter Williams, Deceased.

Ida Williams, widow of said deceased, having filed in said court a petition praying that the administration of said estate be granted to Donald E. Adams or to some other suitable person.

It is Ordered, That the 10th day of June, A. D. 1946, at nine o'clock in the forenoon, at said probate office, be and is hereby appointed for hearing said petition.

It is further Ordered, That public notice thereof be given by publication of a copy of this order once each week for three successive weeks previous to said day of hearing, in the Clarkston News, a newspaper printed and circulated in said county.

Arthur E. Moore, Judge of Probate

**G. EDSON HALLOCK, Attorney, 812 Peoples State Bldg., Pontiac, Mich. STATE OF MICHIGAN—In the Circuit Court for the County of Oakland, in Chancery.**

Karl Adam Schweitzer, Plaintiff, vs. Grace Edna Schweitzer, Defendant.

No. D-16847

**ORDER OF PUBLICATION**  
At a session of said Court held at the Court House in the City of Pontiac on the 16th day of April, A. D. 1946.

Present: Hon. H. Russel Holland, Circuit Judge.

It is Ordered that the defendant, Karl Adam Schweitzer, that the defendant is not a resident of the State of Michigan, but resides at 2320 Eighth Avenue, Apartment 302, Altoona, Pennsylvania.

Therefore, it is Ordered that she appear and answer this bill of complaint, filed in this cause within three months from the date of this order, or said bill of complaint will be taken as confessed, and that this order be published as required by law in The Clarkston News, or a copy served upon the defendant in person, or by Registered Mail in accordance with the statute in such case made and provided.

H. Russel Holland, Circuit Judge.

At a session of said Court held at the Court House in the City of Pontiac on the 13 day of April, A. D. 1946.

Present: Hon. George B. Hartrick, Circuit Judge.

It is Ordered that the defendant, Viola G. Miller, that the defendant is not a resident of the State of Michigan, but resides in Marion, Wisconsin.

Therefore, it is Ordered that he appear and answer this bill of complaint, filed in this cause within three months from the date of this order, or said bill of complaint will be taken as confessed, and that this order be published as required by law in The Clarkston News, or a copy served upon the defendant in person, or by Registered Mail in accordance with the statute in such case made and provided.

George B. Hartrick, Circuit Judge.

**CLARE L. HUBBELL**  
CANDIDATE FOR  
REPUBLICAN NOMINATION  
**SHERIFF**  
OF OAKLAND COUNTY

**EXPERIENCE...**  
Clare L. Hubbell has devoted 21 years of his life to the job of law enforcement. Working at it full time, gaining experience with each year. Realizing more fully as time goes on the importance of serving efficiently and smoothly the people who put their trust and safety in his hands. You'll agree, experience is important, and Clare L. Hubbell has had that experience and training.

**RESIDENT...**  
Resident of Oakland county of thirty-five years and a taxpayer of Waterford Township for eighteen years. Mr. Hubbell can and does see the responsibility of this office through the eyes of the taxpayer and is fully aware of the importance in the community the office of Sheriff plays.

**ENDORSED...**  
Ask any law enforcement in the county or state and we believe he will say: "Clare L. Hubbell is fully qualified to take over the duties of Sheriff and efficiently perform these duties."

**PRIMARIES JUNE 18, 1946—VOTE!**

**They're making "tracks"**  
for more telephones in **CLARKSTON**

A good many folks are still waiting for telephones here, simply because we haven't the wire and cable we need to connect their homes with the central office.

We've ordered enough to give service to everyone who is waiting, and that wire and cable is being manufactured right now. But it will be a while before we receive it. Of course, after it does arrive, we'll need time to install it and connect it into the system.

Meanwhile, continuing our all-out effort to install telephones for as many waiting applicants as we can, we are loading our present equipment to the hilt. At the risk of temporarily lowering the quality of service, every telephone, every line, every piece of equipment we can use, is being employed to take care of as many of your friends and neighbors as possible. This policy will be continued until we can give everyone pre-war standards of service or better.

If you are waiting for a telephone, you can be sure your order will be filled in its proper turn as soon as facilities are available.

The Hilltopper

WASHED OUT

Friday Clarkston played Auburn Heights and the game was called on account of rain. Dean Anderson pitched for Clarkston. The teams played four full innings without any scores being made. In the fifth Auburn pushed across three runs and then the rains came. The game reverted to the score at the end of the last complete inning and at that time it was 0-0. Anderson, a promising sophomore, had good control and pitched four innings. As it is very near the end of the school year, no attempt will be made to play off this game.

CLARKSTON GOLFERS IN REGIONAL TOURNEY

LaPlante, Ronk, Dean Anderson and Sutphen went to Lapeer Sat-

urday to play golf in the regional tournament. The match was played under very adverse conditions. It rained constantly. There were five class A teams, two class B and two class C. Clarkston and Keego Harbor competed in the class C group. Keego won this match and will go to Ann Arbor to play in the finals. Last year, Keego won the State Class C title. This is the first year Clarkston has had a golf team and next year we expect to make a very good showing. Inasmuch as we were second we came home with the runner-up medals.

HOME EC. GIRLS LEARN ABOUT COSMETICS

Home Economics I classes have just completed a unit on cosmetics. The girls prepared lipstick, hand lotions, cold cream, and face powder.

The girls set up the following aims for the unit:

- 1. To become acquainted with the materials found in cosmetics.
2. To learn the cost of raw materials used so as to judge the value of cosmetics.

EIGHTH GRADE GIRLS VISIT PORRITT'S DAIRY

The girls in the eighth grade home economics class visited Porritt's Dairy at Lake Orion Friday. Mr. Porritt showed the girls around the dairy and explained the process of pasteurization, the washing and sterilization of bottles and the bottling of the milk. The tests for the butterfat content of milk were also explained, and the girls saw the churn for making butter. Mr. Porritt also told the girls the temperatures at which the various disease germs are killed during pasteurization.

Under the leadership of a sixth grade committee the grade children have contributed \$20.03 to aid in buying food for starving Europeans.

A number of mothers were welcome visitors in our rooms the afternoon of the P.T.A. Book Tea. The children enjoyed having them. A number of new books have been added to our elementary library. Trust the children to find them quickly! They were soon in circulation.

FOR POTATOES TASTY RECIPES

Taters, murphies, spuds... call them what you will, potatoes belong in every person's diet every day, according to nutritionists of the Michigan Department of Health, and in view of the world food famine their use is especially important now as an excellent substitute for wheat. Potatoes are good for breakfast, lunch or dinner and can be served in many ways. Below are a few recipes:

Potato Pancakes

Grate 2 raw potatoes and put immediately into 1/4 cup milk. Add 1 egg, beaten slightly, 2 tablespoons flour, 1 teaspoon salt, pepper, and 1 tablespoon finely chopped onion. Drop from a tablespoon onto a greased frying pan. Cook until well browned and crisp on both sides. Serve hot.

Potato Soup

3 cups cubed potatoes
2 tablespoons chopped onion
2 tablespoons fat
1 1/2 cups boiling water
4 cups milk
1 1/2 teaspoons salt
pepper

Cook the potatoes, onion, and fat in the water until the potatoes are tender. Add the milk, salt, and pepper. Heat and serve.

Potato Cakes

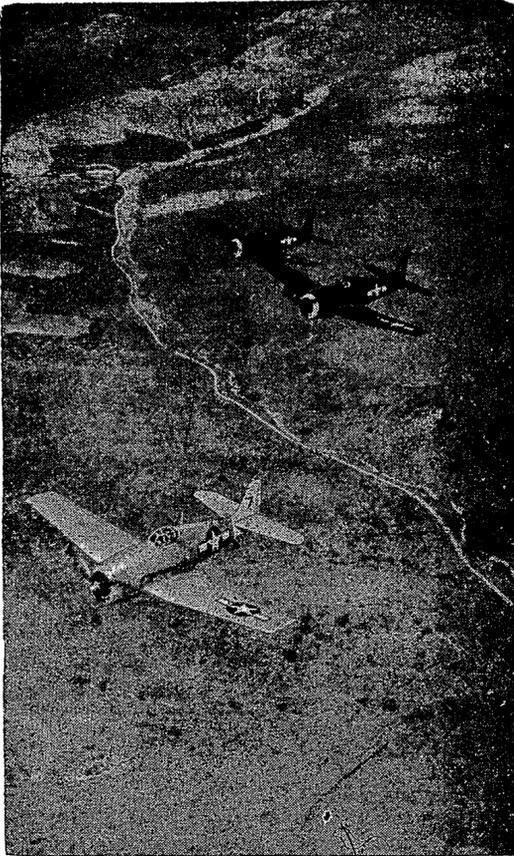

Shape cold mashed potatoes into small cakes; roll in flour. Fry golden brown in a little fat. For variety, add to the mashed potatoes chopped cooked meat or fish, or grated cheese.

Potato Crust

Line a baking dish with mashed potatoes. Fill center with vegetable stew and left-over bits of meat or fish. Cover with mashed potatoes. Bake in a hot oven (400 degrees F.) until hot through and brown on top. If you have just a little potato, make only the upper crust.

Potato Puff

To 3 cups mashed potatoes, add 1 egg yolk, hot milk to moisten, 2 tablespoons melted fat, salt, and any other seasoning you like. Beat well. Then fold in 1 stiffly beaten egg white. Pile lightly into a greased baking dish. Bake in a moderately hot oven (375 degrees F.) 30 minutes or until puffy and brown.

Trailed by two "mother" planes, a pilotless Navy Hellcat (Grumman F6F) soars over the San Diego area in a dress rehearsal for similar air data operations planned as part of the atomic bomb tests at Bikini atoll this summer. The drone (foreground) is controlled by the "mother" Hellcat immediately in the rear while a second plane serves as standby should the first one fail. During the tests four drones, each with two control planes, will be launched from the USS Shangri-la and will be controlled first from the carrier's deck, then from a mother plane in the air and finally from the ground control operator on Roi island where they will land. (Joint Army-Navy Task Force One Photo).

Church News

CLARKSTON METHODIST

9:45—Church school.
11:00 Morning worship service. Topic, "The Vital Spot".
3:00 — Church school teachers meeting.

10:00 Bible Study.
7:45 Evangelistic Service.
Prayer and praise service each night except Monday and Saturday.

ALFALFA SEED CROP POSSIBLE THIS YEAR

If the farmer does not particularly need hay, this season offers a good opportunity to try for an alfalfa seed crop.

The price for alfalfa seed stays around 50 cents a pound and there is a great shortage. In fact, there would be more alfalfa grown in Michigan today if an adequate supply of good seed were available.

If a farmer can make good use of the hay, the gamble of trying for seed crop might be too risky, however. Nevertheless, thin stands are usually worth the gamble. There is no rule to follow. The farmer must just let it go well past the bloom stage and see if any pods form. If not, he has lost, and can cut the crop for a rather poor grade of 'tough hay. If the pods form and weather permits harvesting and threshing, a seed crop will pay great dividends.

To those who definitely plan to use the first crop of the alfalfa field for hay, it is suggested they avoid letting the field get too far in bloom before starting—especially if there is a large acreage.

NEWS LINERS

Beginning Sunday, May 5th, we will sell hotel and cottage furniture originally made for and used in Deer Lake Inn. Florence M. Joubty, U. S. 10 (Dixie) and Jeppot Road, Phone 5631. 34tkc

WARTIME DISCOVERY VALUABLE ON FARM

Another war-time discovery has been found useful on the farm. "Goop", a magnesium dust, incorporated with a combination of asphalt and tar and used in incendiary bombs, is the latest of a long list of war products which may prove of agricultural value.

The burning of orchard brush has always been a problem to the orchardist. When trees are trimmed, much of the cut-away brush is green and does not burn well. Some incentive is needed.

Minard Farley of the Michigan Apple Commission got the idea and talked it over with Dr. H. B. Turkey, head of the department of horticulture and Richard C. Johnson of the department of forestry at Michigan State College. A government agency was contacted, and three drums of "goop" were sent to the college for experimental purposes.

The consistency of the product is like that of heavy clay, and it was difficult to ignite. After once started, the burning substance was thrown on the brush with shovels. It did an excellent job of keeping the fire going at a high temperature.

The idea of using the product to heat orchards during low temperature nights is being considered.

PASTURE IS BOTTLED SUNSHINE FOR DAIRY COWS

Cows naturally take to grass. Grass is bottled sunshine and gives health and bloom to both the animal and the milk she produces. A cow will eat from 125 to 150 pounds of grass daily if she can get it. And this is adequate dry matter to supply requirements for maintenance and milk production.

In urging that dairy farmers provide adequate pasture for their herds, it is pointed out that records of Michigan dairy herd improvement associations show that cows on abundant pasture make more money than those getting large quantities of grain.

Dairy cows want thick pasture, so they will not have to graze so far. If it is nutritious and tasty, and they have plenty of water and salt and bonemeal before them, little grain is necessary.

**GET YOUR VITAMINS**

The normal, healthy body, if given a chance, will make its own vitamins. The general idea that vitamins come only in bottles causes Mary Woodward, home demonstration agent of Oakland

County to come to the defense of good food. The body makes vitamin A from the carotene found in sweet potatoes, carrots and other yellow vegetables and from greens says Miss Woodward. Or it can make vita-

min A from egg yolk, cream or butter, and yes, even liver, the home demonstration agent says. If exposed to the sun, the body will make its own vitamin D. The body will store supplies of vitamins A and D, but vitamin C should be taken every day. A half grapefruit, glass of orange juice, or a large glass of tomato juice will supply the recommended daily requirements. The vitamin B complex had better come from a variety of foods including whole grain cereals, dried beans and other seeds instead of from a bottle, Miss Woodward thinks. And a calcium wafer cannot take the place of milk in the normal diet. Even skimmed milk has calcium, riboflavin and protein.

**POTATO FERTILIZATION HINTS ARE GIVEN**

How Oakland County potato growers can get the most from money spent for potato fertilizer is explained this week by Karl D. Bailey, county agricultural agent. It must not be forgotten that the potato is a heavy feeder and requires an abundance of quickly available plant food, Mr. Bailey says. High yields are possible only by a combination of practices such as plowing under a large growth of succulent leguminous green-manuring crops, the addition of stable manure, and the liberal application of properly balanced commercial fertilizer. Mr. Bailey cites Michigan State College experimental work as reported by E. D. Longnecker, of

the department of soil science. This work has been conducted for many years on a variety of soil types and has involved not only grades or analyses of fertilizer but also the placement of the fertilizer in relation to the seed piece. The best position for placing the fertilizer, according to Longnecker, is in bands two inches from either side of the seed piece and slightly below the seed level. Placing the fertilizer so that part of it contacts the seed tends to result in a poor stand. Broadcast applications are also less effective. Analysis of the fertilizer is important. Usually, according to Longnecker, a 3-12-12 gives the best results on loam, sandy loam and sand soils, while a 2-16-8 is preferable for silt loam soils. A higher proportion of potash in relation to the other two elements has not been effective in boosting yields further, but tends to delay maturity and result in potatoes of poor keeping quality. If the above-mentioned grades of fertilizer cannot be obtained, select one as similar as possible. Applying more than 500 pounds per acre has not proved profitable unless irrigation to supply needed moisture is available.

**America's Favorite Appeals to All Ages**

Ice cream is at the top of the list as America's favorite food. Whether served plain, with a sauce, combined with cake, or in cones it is the first choice of many people of all ages. It can't be included in your menus too often for it is one of the most delicious, as well as most nutritious, desserts there is to serve. There is no dessert problem that can't be solved with ice cream which can be served in countless new and interesting ways. What could be newer than vanilla ice cream topped with a fresh rhubarb and strawberry sauce. It is as pretty as a picture and oh! so delicious. This simple and easily prepared dessert is only as far away as your telephone—for the ice cream can be quickly and easily ordered from the nearest ice cream store. And the sauce—well—you can vary it to suit the contents of your refrigerator or cupboard. You may want to use other fresh or canned fruit or make a chocolate or butterscotch sauce. With a sauce, or without one, ice cream will still be "tops."

**RHUBARB STRAWBERRY SUNDAE**  
2 cups diced rhubarb (3/4 pound)  
1 tablespoon water  
1 cup sugar, or part sugar and part honey  
1 pint strawberries, washed and hulled  
1 quart vanilla ice cream  
Cook rhubarb with the water in a covered saucepan until rhubarb is tender, 3 to 5 minutes. Add sugar and sliced strawberries, and simmer 3 minutes longer, until berries are soft. Remove from heat and chill thoroughly. Serve a generous amount over the ice cream and the rest in a sauce dish. Makes 3 cups of sauce.

**EFFECTIVE JUNE 1st**
