GRACE McVITTIE AND STUART FARNER WED
 Nuptial vows were pledged by Grace McVittie and Stuart Farnar of Flint before a background of palms, white flowers and lighted tapers in candelabra at the Central Methodist church Saturday afternoon. Dr. Lloyd H. Nixon read the service before a large number of relatives and friends at 3 o'clock.

Mr. and Mrs. Kenneth McVittie are the parents of the bride and the bridegroom is the son of Mr. and Mrs. Farnar of Holly.
 Features of the candlelight satin gown chosen by the bride were a bustle back and a fan shaped train. The bodice was styled with a net yolk with bead trim and long sleeves ending in points over the wrists. Her fingertip veil fell from an Alencon lace hat and she wore pearls, a gift of the bridegroom and carried on a Bible a shower bouquet centered with a gardenia.
 Matron of honor, Mrs. Robert Thompson, wore a gown of pink faille with a heart shaped neckline and a bustle bow. Long pink mitts, a heart shaped bonnet and veil and an arm bouquet of blue iris and carnations completed her ensemble.
 Horace Day of Flint assisted as best man and Warren McVittie,

Pleasant Ridge and Kenneth A. McVittie, Detroit, brothers of the bride, were ushers.
 A dark brown street length dress with an orchid flower hat and a corsage of yellow roses were selected by Mrs. McVittie for her daughter's wedding. Mrs. Harry Farnar of Davison, aunt of the bridegroom, was wearing a black and white street dress with a corsage of pink roses.
 One hundred and fifty guests were received at the reception held in the church parlors following the ceremony. An all white arrangement of roses, carnations and baby mums, a three tiered cake and lighted tapers decorated the refreshment table. Presiding at the silver services were Mrs. David Baird of Midland and Mrs. Kenneth Sutherland of Rochester.
 Leaving for a short honeymoon the new Mrs. Farnar was wearing a wine colored wool jersey dress with gold and brown accessories and a gardenia corsage. On their return the bridal couple will make their home in Flint.
 The bride was graduated from Pontiac High school and is a member of Beta Sigma Phi sorority and the bridegroom is a graduate of Clarkston High school.
 Out of town guests came from Flint, Midland, Sault Ste. Marie, Cleveland, Toledo, Rochester, Royal Oak and Detroit.
 Mr. and Mrs. John Miller, Sam Miller and Mrs. Margaret Peirson

spent last Saturday at Port Huron visiting Mr. Miller's brother George who is quite ill.
 Mr. and Mrs. Kenneth Miller were dinner guests at the John Miller home Monday evening.
 The building committee of Christ Lutheran Church and the Rev. S. E. Engstrom, of Minneapolis, Minn. who is the Executive Director of Home Millions for the Augustana Synod of the United States, and the Rev. Stanley Sanberg of Chicago who is the Regional Director of this area will be dinner guests at the home of the Rev. and Mrs. Philip A. Jordan next Thursday evening at 5:30. An important meeting will follow.
 Mrs. Agnes Flickinger left on Tuesday for a month's stay in California with friends. Mrs. Harry Harrup will look after Woman's Club affairs while Mrs. Flickinger is away.
 Mr. and Mrs. Thomas Sherk have returned home from Florida where they spent a month with Mr. and Mrs. J. Price Hill of Pontiac.
 Mrs. A. W. Mertens enjoyed having her family in Tuesday evening to help her enjoy her birthday cake.
 The Auxiliary of the Community Church has received a letter from the mission home at Ivis, Kentucky in appreciation for the packages sent there before. The group will be having more to send in the near future and would appreciate donations of usable clean clothing for this purpose.
 The Rev. Philip Jordan of Christ Lutheran Church read a letter Sunday morning recently received by Edward Sternberg from a young man in Germany who wrote to thank Mr. Sternberg for the pair of shoes which he had donated towards the clothing drive last spring which the church sponsored. This is the third letter of appreciation received by donors who had included their name and addresses in the articles. All letters have been very interesting.
 Mr. and Mrs. Orrin Barber returned to their home at Sault Ste. Marie after having spent nearly a week here with relatives. Mr. Barber came to have medical attention on his right eye which he recently injured while at work.
 Mr. and Mrs. Robert Mehlberg spent last weekend in Toledo. While there they attended a family gathering in honor of Mrs. Mehlberg's sister Mrs. Henry Meyers who was observing her birthday.

The Waterford Township American Legion Post 431 and the Ladies Auxiliary will meet next Tuesday evening at 8:00 in a private room at the Old Mill Hotel for a very important business meeting to be followed by the monthly social meeting with refreshments. Many matters of importance need to be brought up at this meeting and all members are urged to attend.
 Little JoCarol Miller, daughter of Mr. and Mrs. Samuel Miller, has been confined to St. Joseph's Mercy Hospital with bronchial pneumonia.
 The thirteen Good News Clubs will hold a rally at the Community Church at 7:30 Saturday evening, with Elizabeth Jencks in charge. The program will include two Gospel Sound films shown by Joseph Jencks of Clarkston. The films are "The Prodigal Son" and "The Toy Soldier". The rally is open to all wishing to attend.
 There is to be a brief congregational meeting at the Community Church right after the morning service this Sunday.
 153 persons attended the first meeting of Christ Lutheran Church held at the Williams Lake School last Sunday. There were 104 in Sunday School. These services are open to all wishing to attend. The Rev. Philip A. Jordan is the pastor. Sunday School begins at 9:45 and church at 11:00.
 The annual party for the Waterford Township Volunteer Fire Department with their wives as guests, will be held at the Old Mill Hotel, Tuesday evening, at 6:30.
 Twenty-five persons gathered at the home of Mr. and Mrs. Ernest Stevens Tuesday evening for the monthly meeting of the Adult Bible Class of the Community Sunday school. Mrs. Stevens conducted the lesson and Henry Mehlberg gave the Bible lesson. The next meeting will be at the home of Mr. and Mrs. Arthur Davis with Mrs. Margaret Wignall and Mrs. William King assisting. The refreshment committee will include Mrs. Charles Maxwell, Mrs. E. D. Spooner and Mrs. John Miller. Roll call will be answered with a verse of scripture containing the word "Charity".
 Fifteen persons attended the business meeting of the Sunday school staff of the Christ Lutheran Sunday school at the home of Mr. and Mrs. Howard Peterson Tuesday evening. The Rev. Philip A. Jordan gave a very interesting and instructive lesson on Sunday school work. During the business meeting, which was conducted by the pastor, plans were made to sponsor a membership drive during lent which begins February 19. The next meeting will be at the home of Mrs. Roland Grover on February 12. Refreshments were served by the hostess.

COMMUNITY ACTIVITIES BOARD OF DIRECTORS MEETING HELD FRIDAY
 The Board of Directors of Community Activities, Incorporated met last Friday evening at the home of Harry Harrup and plans were made to hold a membership meeting this week at the Williams Lake School. The youth program is to continue and the Saturday evening Modern and Old Time dance will also be carried on. A committee was named Friday evening to look after those two activities with Lloyd Gidley named chairman to work with Donald Weaver, Mrs. Helen Sanford and Gordon Paull. The Board of Directors of the Waterford Township Youth Group gathered at the Mountain View Country Club at Maceday Lake Tuesday evening to make the vacant building ready for a youth gathering Wednesday evening. The first Modern and Old Time dance since the burning of the Community Activities Building will be held this Saturday evening between 9:00 and 1:00 at the Mountain View Country Club.
 Checks were made out on Friday for all outstanding debts and obligations of the club. A building committee will be named very soon and will immediately make plans for a new Community Building to be erected on the same location at the earliest possible date, as it is felt that it is needed by many groups. Most groups which had met in the building which was burned last Tuesday night are meeting temporarily in other quarters.
 The Pinochle Club will meet at the home of Mr. and Mrs. Norman Bartell at 8:00 Monday evening.

FARMERS!
THIS IS NO TIME TO STAND ALONE
 You want the right answers to all-important questions before every farmer today: What is going to happen to farm prices, and to farming as a business in the next few years? The next ten years? How can I steady myself for storms that may come? What can I do to continue agriculture as a strong, prosperous business? How can I do something that will help?
Join 1,000,000 FARMERS in the FARM BUREAU
 THE FARM BUREAU is fighting your battle for fair prices, good laws, and a square deal for farmers. Men of ability represent our membership to Congress, to the state legislatures, to business, industry and labor. Farm Bureau members are informed and organized to act on legislation and other proposals that will affect their business!
 The Farm Bureau has advanced and protected members' interest many times in the past. You can depend upon it in the years ahead!
 YOU CAN HELP YOURSELF now and in the years to come by being a member of the Farm Bureau. Take an active part in it. Continue your membership. Nearly 1,000,000 families are members in 46 states. More than 45,000 farmers are members in Michigan. Family membership is \$5 per year.

In Health Or In Sickness . . .
MUCH DEPENDS UPON AN Adequate Supply Of HOT WATER
 When sickness comes a dependable supply of hot water is one of the first essentials. Good soap and hot water are considered one of the most effective germicides anyone can use in the home. And cleanliness of body, of clothing and home all spell happier, better living and better health.
 To assure an adequate hot water supply for your family, install an automatic dependable GAS water heater as soon as possible. It's the clean, safe economical way to end your hot water problem.

EXAMS
Mr. Ridgely announced the schedule for the first semester exams last week. Students who have been on the honor role for the three marking periods of this semester will be excused from two

exams. Pupils who have been neither absent nor tardy this marking period will be excused from one exam. Every student must take at least two exams.

Christmas vacation by taking a quick jaunt to Florida. Mr. Felten traveled down on the streamliner "South Wind". On the trip down he met several acquaintances, including a former student from Benton Harbor. He noticed the disappearance of snow in Kentucky and Tennessee and the appearance of flowers and semi-tropical plants in Alabama.

Christmas Day found Mr. Felten in the Southern tip of Florida spending the day with relatives and friends. On New Years Day he enjoyed a swim in the ocean. On the three weeks trip he visited in Palm Beach, Daytona Beach, Fort Lauderdale and Miami.

Mr. Felten returned via the flyer "Dixie Flangler" with a beautiful Florida tan, a wealth of stories about his trip.

DEBATE
Clarkston's final debate of the season was held here at Clarkston last Friday. The Clarkston negative team, Ken Hempstead and Barbara Rioux, was given the decision by Mr. George Fistler of Pontiac who acted as judge.

The Sandusky High School affirmative team coached by Miss Blanche Kipp consisted of Ervin Ostic and Peggy Baurke. Mary Secan acted as chairman.

Mr. Ridgely announced Clarkston's record as two wins, one loss, and one debate which does not count because of our opponent's forfeit.

BASKETBALL AT HOLLY TODAY
Clarkston's first and second teams will meet Holly there Friday, January 17. This is the first time the second team can be seen in action. A return game will be played with Holly later in the season.

OLD GHOST
To the tune of "Californis has nothing on us" Clarkstonites dodged raindrops in the gym last week. Yes, the roof is leaking again. Mr. Francis, Mr. Boyns and some of the boys joined the bucket brigade and put pails under the drips. For last Friday's game the Thayer invention was again used—buckets fastened to the ceiling. Saturday "Doc" Thayer and Mr. Bonner went up on the roof and cleared it of snow and ice. Plans have been made to keep the drains free from ice by running an electric wire through the drain pipe.

Sigler Urges Prompt Payment of Bonus

Delivering his inaugural address to the 64th Michigan Legislature on January 2, Governor Kim Sigler urged prompt action by the lawmakers in setting up machinery to pay the soldiers' bonus.

He said, "By constitutional amendment the people have directed that we borrow not to exceed \$270,000,000 for the purpose of paying a bonus to the service men and women of World War II. The amendment contains no machinery for carrying out the people's directive. This makes necessary the passing of legislation setting up such machinery. Prompt action by the Legislature will result in better service to our veterans, and a very probable financial saving to the state.

"I understand that pursuant to order, the Adjutant General of Michigan has taken the necessary preparatory steps to act as the agency to administer the payment of the bonus, and that enabling legislation will be necessary to complete his authority. I therefore recommend that these matters be given prompt attention.

"I prefer to leave my suggestions about the financing of the veterans' bonus until I discuss the State's over-all financial problems with you."

Warning the legislators that subversive activities exist in Michigan he challenged them to be alert. "We should be aware that there is within our country a small but efficient and powerful element which seeks to undermine and destroy our system of government, and substitute for it a communistic or Sovietized form of society.

"We find them working their way into all social and governmental structures, using the technique known as 'boring from within'. They work behind closed doors and deny their affiliations and their true allegiances. They sail under false colors, in the hope of creating confusion, discord and strife.

"You and I must be alert to this menace. We cannot sit idly by and fail to challenge them to the end that their nefarious conduct shall be fully exposed and the sunlight of public opinion bear fully upon them.

"Above all else, we must keep America American, and the place for us to start is here in Michigan", the governor said.

70 PER CENT OF DAIRY HERDS ARE IN SOUTHERN MICHIGAN

Although dairying is the largest and most widely scattered farming enterprise in Michigan, 70 per cent of the dairy cows are south of a line from Muskegon to Bay City.

A. C. Baltzer, extension dairy specialist at Michigan State College, reports a recent study of the dairy animals in Michigan. The lower half of the lower peninsula of Michigan has 70 per cent of the total number of dairy cows. The remaining 30 per cent is divided equally between the upper peninsula and the upper half of the lower peninsula.

The dairy specialist believes great opportunity exists for carefully planned and operated dairy enterprises in the upper part of lower Michigan. The increase in the number of farms with electricity makes possible extension of dairy operations with the use of less hired labor.

COUNTY P.T.A. TO MEET

The regular meeting of the Oakland County P.T.A. came so close to the holidays it was canceled for that date but will be held January 17th starting at 8 p. m. in the Walled Lake High School.

A very enjoyable program has been planned with Mr. Floyd Webb of the AAA as guest speaker. His topic to be "Safety".

The musical portion of the program will consist of numbers by the Walled Lake Band and Songs by "The Lakeland Singers".

The tagging of fish to trace their travels is an ancient practice, as even Izaak Walton noted the tying of ribbons to the tails of Atlantic salmon in the early 1600's.

CRANKY HARRY

Agriculture Dept. Is In Accord with Governor's Message

The Executive staff of the State Department of Agriculture is very much in accord with the agricultural section of Governor Sigler's message delivered at the opening Session of the 1947 Legislature, states Charles Figy, Director, and that every effort will be made by the Department to carry out the Governor's recommendation.

Figy says that there is nothing in the agricultural part of the

Governor's message that the Department would be in conflict with and he feels that putting these recommendations into effect would not be difficult.

Research in marketing is very important. Projects are already being considered by the Department of Agriculture to cooperate with the United States Department of Agriculture under the Flannagan-Hope Act. Appropriations by the State Legislature to match federal funds will make it possible to study new methods in marketing, inspection, and certification.

The Governor's suggestion for

better standardization of dairy products is heartily endorsed by Figy. Amendments to present dairy laws are necessary to better define manufactured dairy products.

Airplane transportation has increased the hazards of insect pest and plant disease. Laws and regulations to provide for sterilization and disinfection of airplanes and landing fields are necessary and should not be difficult to enforce.

The Department of Agriculture is making a serious effort to properly allocate funds appropriated by the Legislature for advertising with an effort to inform the consumers of the quality of Michigan products. This also has the Governor's endorsement.

The State Department of Agriculture is considering a revision of the policy in handling state funds made available to agricultural fairs and shows to better provide the incentive for better quality and more efficient production as suggested by the Governor.

"An acreage goal will be established on the basis of past growing history for each farmer who expects to grow three or more potatoes this year."

The necessity for establishing acreage goals in connection with the Government's price support guarantee provided by the Steagall Amendment to the Stabilization Act is a result of the bumper production in 1946 when a surplus of 100 bushels above all requirements was produced.

Each grower in the county will receive a questionnaire from the AAA office which asks for data on the grower's potato acreage during each of the past three years and for his intended acreage for 1947.

Michigan Water Is Typhoid-Free

In Michigan, 1946 marked the 13th successive year in which no case of typhoid fever occurred that was traceable to a public water supply, according to the Michigan Department of Health.

Typhoid fever is now spread only by carriers in Michigan. Eighty-eight cases were reported in the state during 1946 compared to 3,122 in 1900.

Michigan's typhoid control program emphasizes safety of public water supplies, complete pasteurization of milk supplies, proper sewage disposal and safe food handling. All known typhoid carriers are registered with the Health Department and visited four times each year by state or local health officials to be sure that they are not employed as food handlers or in water treatment plants.

During 1946 the number of known carriers in Michigan decreased from 288 to 262. Typhoid will become automatically self-extinguishing if epidemics are prevented, because there will be no new carriers created.

New Fishing Laws In the Making

The \$1.00 trout stamp, a later trout season, an end to free licenses for resident anglers' wives, and requiring licenses for sport fishing in the Great Lakes all have won the endorsement of the conservation commission. The commission is recommending legislators' consideration of all four proposals at the current session.

The trout stamp, if approved, would be pasted on regular resident and nonresident fishing licenses by those anglers wishing to fish for brook, brown and rainbow trout. Trout fishing now is supported by costly restocking which currently is financed out of the general rod license income. Shifting of trout season from the last Saturday in April until Labor Day

to the second Saturday in May until the second Sunday in September would give more anglers better weather, it is said.

Efforts to have anglers' wives who fish and Great Lakes fishermen share the costs of protecting and maintaining sport fishing have been made by conservation clubs for several years.

Medical System Is Debate Subject Of State Schools

Michigan high school debaters this year are discussing the merits of government medical care plans.

There are 125 schools now enrolled in the Michigan High School Forensic Association, according to Lawrence W. Grosser, the Association manager. The Forensic Association is part of the University of Michigan Extension Service and is open to all state high schools.

Preliminary rounds of practice debates are now under way among the competing schools with a series of elimination tournaments scheduled to begin in February. These tournaments will select the finalists for the championship debate at the University on April 25.

The question being debated is: "Resolved, that the federal government should provide a system of complete medical care available to all citizens at public expense." Upper Peninsula high schools are enrolled in a separate league, managed by the Northern Michigan College of Education. Pamphlets and other debate materials are furnished to all schools by the University of Michigan Library Extension Service.

When the Ounce of Prevention Fails

★ Warning against accidents in the home and on the highways is old stuff to most of us. Many industries have made real progress in accident prevention, but our homes continue to produce minor and major injuries on an ever-increasing scale.

In spite of every precaution, accidents will occur. When the "ounce of prevention" fails, it is wise to have "the pound of cure" ready and at hand. See that your medicine cabinet is amply stocked with standard first-aid materials. Keep a first-aid kit in the pocket of your car. We shall be pleased to help you select the essential items from our complete stock.

First IN CAR PRODUCTION . . . *First* IN TRUCK PRODUCTION
First IN COMBINED CAR AND TRUCK PRODUCTION!

A GAIN at the close of 1946—when America's need for new motor cars and trucks is most urgent—the Chevrolet Motor Division of General Motors leads all other manufacturers in automotive production. This means that Chevrolet is *first in passenger car production—first in truck production—first in combined passenger car and truck production* . . . despite the fact that all Chevrolet plants were closed completely during the first three months of 1946! Naturally, Chevrolet hopes

to be able to build more and more of these fine products which America is buying so eagerly—the *only* motor car giving **BIG-CAR QUALITY AT LOWEST COST**—the *only* truck giving **BIG-TRUCK QUALITY AT LOWEST COST**—the complete Chevrolet line which stands out as the *lowest-priced line in its field!* Meanwhile, it stands to reason you'll get *bigger value and quicker delivery* by purchasing the product of America's largest builder of cars and trucks—*Chevrolet!*

Remember . . . **LARGEST PRODUCTION** means **QUICKEST DELIVERY** of your new car. Place and keep your order with us for a new Chevrolet and get biggest value as well as earliest possible delivery!

CHEVROLET—LOWEST-PRICED LINE IN ITS FIELD!

"2½ Tons of Milk Don't Take Much Muscle..."

Yes, some days those beautiful cows put out a whopping 2½ tons of milk. And they average over 4000 pounds every day in the year. Only five people—Carl, his wife, daughter, two sons—tend the cows, do the milking and all the other chores. *Five people!*

Of course, he's got costs. He uses two electric milking machines, electric grain elevator, hay hoist, water pump, two dairy water heaters. Counting his all-electric workshop and his house lighting, refrigerators, radios and so on, he uses about \$2.83 worth of electricity a day. Does it sound like a lot?

It's darn little compared to his daily income. Fact is, electricity is costing Carl Leiterwitz less than 2% of his gross receipts. And he says that before he put in electricity he was milking fewer cows—getting less milk—doing everything the hard way. Electricity has helped him increase production the easy way—and *make more money* (Incidentally, Carl has bought another farm and twenty Jerseys since this was written.)

Next time you are in town why not call on your Detroit Edison farm man? There's no obligation, of course—your Edison farm man has no equipment to sell. His job is to help you make the most efficient use of all the electricity you buy.

The Detroit Edison Co.

• Listen to the "NEW ELECTRIC HOUR"—
The HOUR OF CHARM. Every Sunday
afternoon at 4:30, Station WJR.

Says Carl Leiterwitz who owns a herd of 140 fine Guernseys and Holsteins. Below is the rest of the family—Carl's only helpers.

Drayton Plains CATHOLIC SERVICES IN SCHOOL AUDITORIUM
All those attending Mass previously at the Waterford Community Activities Building will please go to the Drayton Plains School auditorium, starting Sunday, Jan. 19 at 8:15 a. m. Catechism will be held there every Saturday at 10 a. m.
The board of directors of the Waterford Community Activities Youth Group met at the Mountain View Country Club on Tuesday evening for a pot-luck supper, a business meeting and a "working bee" to get ready for their regular Wednesday night dances.
The old time and modern dances will be held at Mountain View Country Club on Saturday night.

DRAYTON PLAINS P.T.A. MEETS AT SCHOOL TUESDAY
The Drayton Plains P.T.A. held their regular monthly business meeting and program at the school auditorium on Tuesday evening, Jan. 14. This being "Father's Night" the business meeting was in charge of the father vice chairman, Elmer Fangboner. The meeting was opened with prayer by James Vandersall. Mr. Fangboner presented br. Keith Riley of the Waterford Township Volunteer Firemen's Association, who explained and demonstrated the resistor purchased by the firemen last spring. Some interesting facts to know about the fire truck were related by Mr. Fangboner. The truck made 220 runs last year, which totalled up to 1,500 miles. A control of loss on property valued at \$996,000 was kept at \$185,000.

A letter of thanks for a donation from the previous P.T.A. meeting was read by Mrs. Leo Baumgartner from Rev. Father D. Hessler, who has been sent to Japan.
Mr. Harold Cole, juvenile officer and advisor, was the guest speaker.

Mrs. Iva Coverly's room received the prize for the most parents represented.
Mr. Max Fell introduced the new Cub Scout leaders and the Den mothers. The P.T.A., sponsors of the Cub Scouts, presented Dean Steward, treasurer of the Cubs, with a check for \$10.
Two violin and piano duets were given by Mr. and Mrs. James Vandersall.
The chairman announced that plans are under way and bids are to be let very soon for a temporary high school building.
Motion pictures were shown by "Bill" Goulet.

The W.C.T.U. will meet on Tuesday afternoon at 2 o'clock at the church. The guest speaker will be Justice of the Peace and lawyer Donald Adams. Everyone is invited.

Mrs. Grace Barnhart, Charles Williams and Ted Cleveland spent Sunday in Saginaw on business and visiting Mr. and Mrs. Orin Richmond, who are leaving soon for Arizona.
Mrs. Samuel Clark and daughter Betty are spending two weeks in Dundee, Ky. Mrs. Clark attended the funeral of her brother, Homer Whobrey last week.
Lewis Whobrey of Dundee, Ky., who is stationed with the U. S. Navy, spent a few days of last week at the Samuel Clark home.

Jerry Sutherland has been confined to his home several days with a cold.
A housewives' bowling league was organized at the Dixie Recreation on Tuesday afternoon, Jan. 14 at 1 o'clock, under the instruction of Mrs. Barbara Knight, with 16 joining. Mrs. Evelyn Bartle of Frembes St. was appointed secretary and treasurer. The league will bowl every Tuesday afternoon starting at 1 o'clock.

The Drayton Plains group of the P.T.A. Mother Singers met at the home of Mrs. Leverage Terry of Warren Drive on Monday evening for a cooperative supper, business meeting and social time. At the business meeting they made plans for a rummage sale to be held Feb. 1 at the Top Hatter, 53 1/2 Wayne St., Pontiac. Any donations would be appreciated.
A lesson on "Making Motions Count" and "Ironing Flat Pieces and a Man's Shirt" was given by Mrs. Donald Herr and Mrs. Maurice Young at the Home Extension Club meeting, which was held all day Wednesday at the church parlors. A cooperative dinner was served at noon.

The Lake Oakland Home Extension group also held their lesson on Wednesday at the home of Mrs. Claude Carter of Oakhurst Drive, with Mrs. Wm. Sutliff and Mrs. H. J. Priezt.

Waterford
Mrs. Otto Duguid entertained with a Tea at her home on Tuesday in honor of Mrs. Frank Schlutz for her birthday.
Mr. and Mrs. Forrest Milzow had the misfortune of having their home burn early Sunday morning and they were unable to save anything. There was a loss of \$5,200. The home, valued at \$5,000, with a loss of \$4,000 was covered by insurance, but the \$1,200 worth of contents were not covered.

APPLICATIONS URGED FOR SCHOLARSHIPS
Those high school seniors in Michigan who are eligible to apply for a Regents-Alumni Scholarship at the University of Michigan are urged to make application as soon as possible.
Registrar Ira A. Smith says the deadline is Feb. 1 but urged that as many as possible should send in an application at once rather than wait until the last minute. Receipt of a huge number of requests on Feb. 1 will cause delay in action by the University's scholarship committee.

Kroger

MRS. SMITH: There are five other grocery stores in my neighborhood, but I still think that Kroger quality and values are best.

KROGER: In Cincinnati, Kroger's home town, there are nearly 1500 grocery stores and only 85 of them are Kroger stores, less than one in seventeen. Kroger values have to be good!

Church News

CLARKSTON BAPTIST CHURCH

Rev. William Spurgeon Ross, D. D. Pastor

10 a. m.—Church Bible School. Mr. Joseph Jencks is the superintendent. There is a congenial class for every age.

11 a. m.—Morning Worship. The pastor will speak on the subject, "Who Is On The Lord's Side?" You will enjoy the singing and the special music.

11 a. m.—Junior Church Service. This service is conducted by Mrs. Jencks for all children whose ages range from 5 to 12 years.

3 p. m.—Singspiration Rally. Several of the neighboring churches will send visitors. Our entire membership is invited to attend.

6:15 p. m.—Young People's Meeting. Mrs. Olive Grace Ross and about six young people are going to give a program on the subject, "Old Familiar Hymns". There will be singing, vocal music and a very interesting time.

7:30 p. m.—Evening Gospel Service. The pastor will speak on the subject, "Who Shall Be Ashamed? And Who Shall Not?" Donald Steiner and the Youth Choir will lead the singing and provide special music.

Wednesday, 7:30 p. m.—Mid-week Prayer Service, conducted by the pastor. Followed by the Youth Choir rehearsal.

Sunday, January 26, at 7:30 p. m. a great baptismal service. All who plan to receive the right hand of fellowship on February 2, should be baptized at this time. Opportunity to meet the deacons will be given next Sunday.

CLARKSTON METHODIST CHURCH

Walter C. B. Saxman, Minister

9:45 a. m.—Church School. Duane Hursfall, superintendent.

11 a. m.—Worship Service. The choir will sing "Jesus Master of the Storm" by Rogers. The sermon subject will be "The Church—the Center of Life".

7 p. m.—Youth Fellowship. David Saxman will speak on Medical Missions. The worship service will be in charge of Nancy Heinemann.

Monday, 8:15 p. m.—The official board meeting at the church.

9:15 p. m.—The board of trustees will meet.

Tuesday, 7:45 p. m.—Choir practice.

the Rev. S. E. Engstrom and the Rev. Stanley Sanberg will meet at the parsonage for dinner to be followed by a meeting.

Choir practice at 7:30 Thursday evening at the home of the Albert Drydens.

All wishing to take adult instruction for church membership are urged to contact the pastor.

WATERFORD COMMUNITY CHURCH

Wright VanPlew, Pastor

Sunday School begins at 10:00 with Alton Goll as superintendent of the senior department and Don Hetchler of the primary and beginners department.

Morning service at 11:15 with the Rev. Wright VanPlew speaking on "The Manhood of Jesus".

There is to be a brief congregational meeting after the morning service to which all members are urged to attend.

Youth gathering at 6:15 Sunday evening.

Evening service at 7:30 with the pastor speaking on "Why Did God Permit Sin?"

Prayer meeting at 7:30 Wednesday evening to be followed by choir rehearsal at 8:30.

Good News Rally at the church this Saturday (Jan. 18) at 7:30 to which the public is invited. Elizabeth Jencks will be in charge. Joseph Jencks of Clarkston will show two Gospel Sound Films. The films are "The Toy Soldier" and "The Prodigal Son".

ASSESSING OFFICERS TO RECEIVE INSTRUCTION

Municipal assessing officers in the state will receive a short course of instruction at the University of Michigan on Jan. 29, 30, and 31.

Approximately 100 city and village assessors are expected for the three-day program. The University's Extension Service is sponsoring the course in cooperation with the University's Institute of Public Administration, the Michigan Municipal League, the Michigan State Tax Commission and the Municipal Assessor's Association of Michigan.
