CLARKSTON, MICHIGAN, FRIDAY, JULY 18, 1947

NUMBER 46

Annual Meeting Held Monday

At the annual meeting of the Clarkston School District, held on Monday, the attendance, including board members, totaled 9.

The treasurer's report showed that the bonds covering the school site has been retired and that the district is in a better condition, financially, than ever, following the establishment of the new school.

Depositories were chosen for the school funds the same as last year. The bond money is kept in the Community Bank in Pontiac and the general funds are kept in the Clarkston State Bank. Due to the larger amount of money in the treasurer's hands the bond was increased to twenty thousand dollars.

Following the meeting the board convened and elected officers. The general election held earlier in the day re-elected Elmer Pettengill and Orlo Willoughby, so the board will be the same as last year. The new officers are: Elmer Pettengill, president; Orlo J. Willoughby, secretary; Keith Leak, treasurer; Gerald O'Dell and Paul Henry, trustees.

Wallace Ridgley, former principal, accepted the position as superintendent of the schools.

Camp Agawam In Full Swing

Camp Agawam the Boy Scout Camp of the Clinton Valley Council at Tommys Lake near Lake Orion is in full swing. Scouts from all parts of Oakland and Macomb counties are in attendance.

On Sunday, July 6 an impressive water carnival was staged by Mr. Perry Warner, Waterfront Director. Many parents and visitors were present to witness the event. Visitors are welcome at Camp Agawam on any Sunday or on arrival and departure days.

The second period opened Sunday, July 13 and is filled to capacity. There is still room for additional campers however, in the last two weeks of camp which start Sunday, July 20 and Saturday, July 26 respectively. All scouts not yet registered for camp who plan to attend during the last two weeks are urged to sign up immediately. Camp registrations may be made through the local Scoutmaster or at the Council Headquarters, 319 National Bldg., Pontiac 14.

Nature Lore, Handicraft, Advanced Woodcraft, Waterfront, and many other activities fill the schedule at Camp Agawam. A Court of Honor is held on the last night of each period to present scout advancement awards earned.

On Saturday and Sunday, July 12 and 13 a group of Scoutmasters and Commissioners from all three Districts of the Clinton Valley Council met at Camp Agawam for a training course in Troop Camping under expert instructors.

NOTICE

All persons who are interested in participating in a women's bowling league and who are not already a member of the Clarkston League please call either of the following numbers within the next two weeks: Howe's Lanes 5011 or Clarkston 2951 after six. Any business firm interested in sponsoring a women's bowling team please call either of the above phone numbers.

McCann-Kelley Rites Read At Clarkston Methodist Church

Mrs. Lee G. Kelley

An altar banked with palms and garden flowers, lighted cathedral candles and a lighted cross high above the altar formed the setting for the wedding of Evelyn Jane McCann and Lee G. Kelley at the Clarkston Methodist Church last Saturday evening at eight o'clock. The Reverend Walter C. B. Saxman read the double ring ceremony in the presence of 250 guests.

The bride is the daughter of Mr. and Mrs. Ralph J. McCann of Maybee Road and the bridegroom is the son of Mr. and Mrs. Arthur J. Kelley, Sr., of Ortonville Road.

The bride, given in marriage by her father, was gowned in candlelight satin of Victorian age fashioned with a fitted bodice with a scalloped net yoke and tiny satin covered buttons from the neckline to the waistline in the back. The long-fitted sleeves formed points over the wrists. A bustle effect with deep folds fell from the waistline into a full skirt with a train. Her fingertip veil of illusion was edged with small brocaded scallops to match the neckline of the gown and was held in place by a silver beaded tiara. She wore an antique pearl necklace and carried a bouquet of white carnations centered with a gardenia corsage from which fell a shower of white satin streamers.

Mrs. Lyle E. Walker of Clarkston, as matron of honor, was gowned in canary yellow, water taffeta styled with round neckline, cap sleeves and full skirt. She wore mits to match her gown and a yellow net cap with a tailored bow at the hairline in the back. She carried a cascade bouquet of roses, carnations and delphinium.

Bridesmaids were Mrs. Russell Wilson and Joyce McCann, sisters of the bride and Mrs. Malen Elsworth. Their gowns of seafoam green, dusty pink and lucerne blue and their matching taffeta mits and net caps were made identical to those of the matron of honor. They carried cascade bouquets of spring flowers with showers of satin ribbon.

Charlene Wilson, niece of the bride, was a pretty, little flower girl. She carried a basket of spring flowers and scattered rose petals in the path of the bride. Russell Wilson, Jr., nephew of the bride, carried the rings on a small satin pillow.

Mr. Kelley was assisted by Lyle Walker as best man. Gordon Kelley, brother of the bridegroom, Marion Beemer and Alton Secord seated the guests.

Adele Thomas presided at the organ and Mrs. William Mansfield sang "Because" and "I Love You Truly".

Mrs. McCann chose for her daughter's wedding, a rose crepe dress, small white hat and white accessories. She wore a corsage of white carnations. Mrs. Kelley was in grey and black print with a black and white hat and white accessories. Her flowers were pink carnations.

Following the ceremony a reception was held in the church parlors. The refreshment table was covered with a white cloth and was centered with a four tiered wedding cake topped with a tiny bride and groom standing beneath a wedding bell. Lighted tapers in crystal candelabra and bowls of roses and carnations made the table very attractive.

Mr. and Mrs. Kelley left on a trip into Canada and to Niagara Falls. For traveling Mrs. Kelley

Plans Made For Legion Building

At the monthly meeting of the Campbell - Richmond No. 63, of the American Legion, a new building committee, headed by Arthur Franky, was chosen to find a site for a Legion building.

It is expected that, before the next regular meeting, the new officers will be installed at a special meeting.

Boys Get Chance To Play Baseball.

Civic Stadium in Hamilton, Ont., will be the scene of a baseball try-out camp Thursday, Friday and Saturday, August 7-8-9, conducted by the World's Champion St. Louis Cardinals. It has been announced by Mr. Art Mullen, President of the Hamilton Cardinals.

The Cardinal system, which has sent more young players to the major leagues than any other baseball organization, is sending three of its ace scouts to Hamilton to conduct the daily workouts which will begin at 11 o'clock each morning and continue throughout the day. C. S. "Pop" Kelchner, Dean of baseball scouts, will be in charge of the camp. Bennie Borgmann, 1946 pilot of the Rochester Red Wings of the International League, and Joe Cusick, former Holy Cross star and veteran minor league player and manager, will assist Mr. Kelchner in the camp work.

Every boy in this vicinity between the ages of 16 and 23 is invited to attend this camp and permit the Cardinal scouts to appraise his ability. As evidenced by the experience of scores of boys all over the country who were signed to contracts on the basis of their performance in trial camps last year, attending such a camp is one of the quickest and surest ways to get started on a career in professional baseball for those who qualify. All boys should bring their own baseball shoes and gloves. Any player signed to a contract will be reimbursed for any expense incident to attending the camp.

Clarkston Locals

Kermit Jones MM3/C, son of Mr. and Mrs. William Jones of Miller Road is home on a 28 day leave. He is attached to the USS Cavalier which has been in the China theater and is now in drydock in Los Angeles, Calif., until August 1st.

wore a brown gabardine suit with gold colored top coat and matching accessories and the gardenia corsage from her bridal bouquet. On their return they will make their home at 5234 Sashabaw Rd. Since Mrs. Kelley graduated from the Clarkston High School in 1943 she has been employed at the Clarkston State Bank.

Before her marriage on Saturday Mrs. Kelley was feted at many delightful affairs. Among them was a party shower at the home of Mr. and Mrs. R. D. Kelley on Wednesday evening of last week honoring both the bride and the bridegroom. A buffet supper was served to 28 guests including Mr. Kelley's immediate family. They enjoyed playing cards and spent the greatest part of the evening presenting the honored couple with good things to eat.

Waste Paper Drive Next Wednesday

Have you got one, two or three bundles of waste paper ready for the drive next Wednesday. The bigger the load, the better because the drive is for the benefit of the elementary school library. The Campbell-Richmond Post, American Legion is in charge and they ask that all bundles are at the curb by one o'clock so that they can get the collecting done in the afternoon.

Get your bundles ready now.

Mr. and Mrs. J. Thompson Miller arrived from Miami, Fla., last Friday evening to spend a few months at their home on S. Main Street.

(continued on page six)

Local Girl Speaks Vows Saturday

A very pretty double ring wedding took place at St. Michael's Church in Pontiac on Saturday morning at 10 o'clock when Nora Louise Shaughnessy, daughter of Mr. and Mrs. John R. Shaughnessy of Clarkston, and William Joseph Reuter, son of Mrs. Florence Reuter of Pontiac, spoke their marriage vows in the presence of 150 guests.

Nuptial High Mass was read by the Reverend Louis Evon before an altar beautifully decorated with vases of white flowers and lighted candles.

The bride, given in marriage by her father, wore a white, eyelet embroidered gown fashioned with a fitted bodice with round neckline and cap sleeves and a new longer length full skirt. Her white hat matched her gown. She carried a shower bouquet of white carnations centered with a gardenia corsage. White satin streamers fell from the bouquet, to the hem of her gown. Her only jewelry was a single strand of pearls, a gift of the bridegroom.

Mrs. Paul Shaughnessy of Drayton Plains was her sister-in-law's only attendant. She was gowned in yellow eyelet embroidery styled with a fitted bodice, a peplum at the waist and a full circular skirt. She also wore a matching hat and carried yellow daisies and yellow roses with long, blue streamers.

Assisting Mr. Reuter as best man was Paul Shaughnessy, brother of the bride. Seating the guests were Edward Hennessy and the bridegroom's cousin, Jack Zimmerman. Miss Cecile Cloonan played the traditional music on the organ and Mrs. Jack Zimmerman sang.

Mrs. Shaughnessy, mother of the bride, wore an aqua crepe dress with white accessories and Mrs. Reuter was dressed in black and white print jersey with black accessories. Both mothers wore pink carnations and rubrum lilies. The young couple was happy to have their grandmothers attend the nuptial rites. The bride's grandmother, Mrs. Barnes, wore navy crepe with a small navy hat and white accessories. The bridegroom's grandmother, Mrs. Zimmerman, was in black and white print with small black hat and black accessories. They both wore pink carnations.

Following the ceremony a wedding breakfast was served to the wedding party and the immediate families at Rotunda Inn and at one o'clock a reception was held at St. Michael's Hall. The refreshment table was centered with a three tiered wedding cake topped with a miniature bride and groom and toward the ends of the table were beautiful arrangements of white flowers and lighted white tapers. Miss Clara Bell and Mrs. Neil Helms of Pontiac, friends of the bride, served the cake and punch.

Mr. and Mrs. Reuter left on a honeymoon in northern Michigan. For traveling Mrs. Reuter wore a black and white print dress, a large black hat and black accessories and the gardenia corsage from her bridal bouquet. On their return they will make their home in Clarkston for a time.

Mrs. Reuter attended the Clarkston schools and graduated from St. Michael High School in Pontiac in 1943. Mr. Reuter graduated from the Pontiac High School in 1943 and served with the Eighth Air Force in the European area.

Prior to her marriage Mrs. Reuter was honored at several very lovely affairs. On Tuesday evening of last week Mrs. Neil Helms entertained at a miscellaneous shower at her home in Pontiac and the following evening another miscellaneous shower honored Mrs. Reuter at the home of Mrs. William Frankentfield at Sylvan Lake.

Jean Girst Is Honor Guest

On Thursday of last week Jean Girst was honored at the home of Mrs. Keith Lowrie on Andersonville Road.

The table was centered with a pretty arrangement of roses and floating candles.

During the afternoon appropriate games were played and the gifts were presented to the bride-to-be from notes concealed in balloons, telling where to find the packages.

Guests were from Waterford, Pontiac, Rochester and Clarkston. Miss Girst will become the bride of William E. Clement, Jr., at a ceremony at the Waterford Community Church on August 15th.

Mr. and Mrs. J. Thompson Miller arrived from Miami, Fla., last Friday evening to spend a few months at their home on S. Main Street.

Mr. Earl F. Buffum To Be Ordained

Mr. Earl F. Buffum, a member and deacon of the First Baptist Church of Clarkston will be ordained to the Baptist ministry at the church next Monday, July 21, at 7:30 p. m. More than forty churches have been invited to send pastor and messengers. The parts in the program will be taken by the visiting brethren.

Mr. Buffum has been called to the pastorate of the First Baptist Church at Lyons, Michigan. He has been a member of the Clarkston Baptist Church for almost a year and has served as a deacon and chorister. He is highly commended by his fellow members for his zeal and ability as a Christian leader.

The churches invited not only include about twenty local Baptist churches but also churches in Grand Rapids, Cedar Springs, Royal Oak, Marlette, Melvin, Cass City, Stanton, Saginaw, Ionia, Greenville and many other places. The council meets at 1:30 p. m. to examine Mr. Buffum and will be served a luncheon in the church at 5:30 p. m. The ordination service will take place at 7:30 and everyone is invited to attend.

O. E. S. Picnic At Kerr Park

The Oakland County Association O. E. S. will hold its annual picnic, July 20, at Kerr Park, Rochester, on Hamlin road and Crooks road. A pork Bar-be-cue dinner will be served at 2 P. M. The chairman of the event is Ernest Morrow, Birmingham, with Lowell Ramsey, Farmington, as co-chairman. The patrons, associate patrons, and sentinels of all chapters will be in charge of the picnic and also the tickets.

Other committee chairmen are: Food, preparations and purchasing—Lowell Ramsey; Tickets—Kenneth Anthony, Pontiac; Ticket collections—Mel Matthews, Commerce; Games and Prizes—James Shaw, Walled Lake; First Aid—Franklin Dawling, Bloomfield Twp.; Clean Up Squad—Howard Johnson, Clarkston; Parking—Sidney Fellows, Areme, Pontiac; Publicity—William C. Pfahler, Areme, Pontiac.

Bring own dishes and silver for your family. The picnic will be held rain or shine as there is shelter for inclement weather.

Prospective Bride Feted At Shower

Last Saturday afternoon Mrs. Earl Hoyt entertained at a miscellaneous shower at her home on Allen Road honoring Betty Clark. The group had a nice time visiting and presenting Miss Clark with many beautiful gifts.

The refreshment table was beautifully arranged with a white umbrella, a miniature bride and groom and garden flowers. Guests were from Birmingham, Pontiac, Detroit and Clarkston.

Clarkston Locals

Mrs. Minnie Ronk of Milwaukee, Wis., is visiting at the Robert C. Beattie home on South Main St.

Mrs. William Goulet left on Thursday for Kitchener, Ontario, to attend the funeral of her aunt.

Last Sunday Mr. and Mrs. Les Shanks visited Camp Lookout, near Elberta, Mich., where their ten year old son, Billy, is spending his vacation. They were very much impressed with the camp and its management and were happy to find Billy contented and having a wonderful time. Their daughter, Sue, who has been visiting relatives in Ft. Pierce, Fla., for the past few weeks, is expected home on Saturday night. She will come by plane, leaving Florida at 11:45 in the morning and arriving at Willow Run about 7:00 in the evening.

Everyone will be glad to learn that Richard Lord, two year old son of Mr. and Mrs. Howard Lord, who suffered an injury to his right eye last Saturday is recovering nicely. The doctor has said that the sight will not be impaired. Richard accidentally had a screw driver run into his eye and injured it badly.

Waterford

Twenty young people attended the Luther League meeting of Christ Lutheran Church at the home of Tommy Eddy, 2351 Hickory Drive. The group enjoyed a swim at 4 p. m. followed by a supper. Afterwards a business meeting was held, followed by a program centering around the topic, "The Christian Philosophy of George Washington Carver".

Fire Destroys Mt. Bethel Church

Last Monday morning about 6:30 lightning struck the steeple on the Mount Bethel Methodist Church and caused a fire which destroyed the building entirely. The church which is situated in the south part of Groveland Township is a landmark in this part of the county.

The fire swept through the building so fast that the people in the district could not save any of the contents. The Clarkston Fire Department went to the scene but their efforts were in vain. The bolt of lightning scattered fragments of the steeple over the adjoining fields. Damage was estimated at approximately \$4,500.

The church was erected in 1872 after services had been held in an old log structure for many years. It had a seating capacity of over 200 and services were held regularly each Sunday. The Reverend Cecelia Learn of Davisburg was the pastor. There was a Sunday School organization and children of many faiths attended.

Rotary Members See Doubleheader

On Wednesday most of the members of the Clarkston Rotary enjoyed the annual baseball day by attending the double header at Detroit.

Following the game dinner at Kingsley Inn was enjoyed. Short talks were given by the club president, Robert L. Jones and Lloyd "Slip" Megee. A very lovely piece of luggage was presented to Carl Brablec, former superintendent of the Clarkston Schools and a member of the Rotary Club. Mr. Brablec is leaving Clarkston to head the school system in Roseville.

Old Time Dancing On Saturday Night

You are invited to attend a dance at the Mountain View Country Club on Saturday night, July 19th. A good time is assured. There will be good music and old time dancing. Have a good time from 9 until 1. Meet your old friends and make some new ones. This dance is sponsored by Community Activities, Inc.

Mrs. Emma Young returned to her home on Thursday night of last week after enjoying several days with relatives in Grand Haven, Mich.

A Summer Storm

In winter time it's common thought of drifted roads and havoc wrought.

By snow and ice on road and trail, As winter winds whip up a gale.

We face these storms without despair, For life's a battle everywhere. We are resigned those months to spend. Submissive to the very end.

But, with the coming of the spring, There is a change in everything. Each storm breeds fear and discontent. Within a heart that's pleasure bent.

For some old cause, we know not why Our summer must be hot and dry. The storms that come upon the scene, We feel are out of place and mean.

So youth resents each little knock That shoves its ship upon a rock. There is no place in life's spring-time, For anything but sun to shine.

Thru middle age or summer years, When men cash in on their careers, They frantically drive storms away, For when it's clear they're making hay.

When comes the winter time of life, One graciously accepts its strife. The seasoned ones, with thinking wise Expect some clouds in winter skies.

Mrs. David Mephram and sons, David Jr., and Harold, are spending three weeks at their cottage at Diamond Lake.

Mr. and Mrs. Aldrich Locke of Fenton and Mr. and Mrs. Lovell Hurd of Highland Park were Saturday evening dinner guests at the home of Mrs. Hurd's mother, Mrs. Emaline Hurd.

Others at the home of Mrs. Hurd on Saturday were Mr. and Mrs. Clayton Grobe of Lapeer.

Mrs. Hutchinson is spending several days of this week at the home of Mr. and Mrs. Clayton Grobe in Lapeer.

TWINS CLASSIFY EXCELLENT

On a recent tour of classification of Michigan State Institutional Herds the above twins, Reformatory Tulip Aaggie, Valdesa, 2342862, and Reformatory Aaggie Tulip Valdesa, 2342863, registered Holsteins of the Michigan Reformatory Herd at Ionia, Michigan, were classified "EXCELLENT" by C. N. Vickers of Lamar, Colorado, official authorized Inspector of the Holstein Association of America.

Excellent is the highest rating for type that is possible for an animal to receive. Only about 1.4% of the more than 15,000 cows in production and bulls three years of age or over that have been officially classified by the National Holstein Association during the past year were able to score high enough to qualify for this honor.

The interested officials are left to right, Alton B. Clark, Coordinator of the Bureau of Institutional Farms, Charles Figy, Michigan's Director of Agriculture, Joel R. Moore, Warden at Michigan Reformatory, and W. C. Armstrong, Herdsman, at the Reformatory.

be and is hereby appointed for hearing said petition. It is further Ordered, that public notice thereof be given by publication of a copy of this order, once each week, for three successive weeks previous to said day of hearing, in the Clarkston News, a newspaper printed and circulated in said County.

3 things you should know about the Bond-a-Month Plan

1. What is it?

The Bond-a-Month Plan is a new, easy, automatic way of buying U. S. Savings Bonds. It is for businessmen, farmers, professional men, everyone who can't buy Bonds on the Payroll Savings Plan, yet still wants to save regularly. If you're not on a payroll—and have a checking account—the Bond-a-Month Plan is for you!

2. How does it work?

You authorize the bank in which you have a checking account to buy U. S. Savings Bonds for you. Then every month the bank buys a Bond in the amount you have selected, registers the Bond in your name, sends it to you, and deducts the purchase price from your balance.

3. What do you gain?

Of course your biggest gain is the financial security and independence that come from saving steadily and surely for future needs. But you also gain a generous return on your savings—\$400 back in just 10 years for every \$300 you save today. And you have the satisfaction of knowing that every Bond you buy helps keep your country financially sound. Why not start your automatic saving right away? Michigan To Be Accredited State

In 1930 Michigan was the third state in the Union to become a federally modified accredited Bovine Tuberculosis state. To do this meant, after all the cattle in the state had been tested, reacting animals to the test cannot exceed more than one-half of one per cent of the total cattle population. To continue this federal accredited standing, all of the cattle in the state must be tested periodically, based on testing records, according to Dr. C. F. Clark, State Veterinarian of the Department of Agriculture.

During the recent World War period, it has been difficult to maintain a staff to keep all of the counties up to date. With some additional staff now available, Dr. Clark reports that just recently it was possible to cover and complete the testing of five counties, viz., Allegan, Cass, Hillsdale, Kalamazoo and St. Joseph.

Michigan has been fortunate in that in no case since the first federal accreditation was granted to the state in 1930, has it been relinquished, and according to the present testing schedule, indications are that all counties that are nearing their required testing limitation, will be taken care of within the proper time.

The Crusaders at Waterford Church Saturday Evening, July 19

The Crusaders, a men's gospel team from Wheaton college in Wheaton, Ill., will present a sacred program at the Waterford Community Church, sponsored by the Young Peoples' Society, on Saturday evening, July 19th, at 7:30.

Now on a six-week tour which will take them into fourteen states, Washington, D. C., and Ontario, Canada, the four men students left the college June 11 and will end their tour in Mountain Lake, Minn., on July 27.

Speaker for the group is Frank Freed, a veteran coming to the college after serving in the army over two years and earning the Purple Heart. Freed was president of this year's junior class at the college and was a member of the College debating team. His home is in Washington, D. C.

Dick Reed, a veteran of three years in the navy, is song leader. A baritone soloist, Reed sings weekly with Beverly Shea on the Club Aluminum program, on the ABC network. While in the service in Japan, Reed was soloist at Yokohama Youth for Christ meetings. Reed's home is in Streator, Ill.

Norman Voth, cornetist and tenor, joins Reed in singing several duet numbers. Voth has played frequently at Youth for Christ meetings.

Bill Wareham, pianist, is a navy veteran of two years who has played at many Youth for Christ meetings, as well as at regular church services. He is from Glen Ellyn, Ill.

Red Cross News

Mrs. T. W. Eustis, chairman of home service of the Oakland County Chapter American Red Cross, wishes to remind all veterans of World War II that national life insurance, which has lapsed, can be reinstated before August 1. All veterans are urged to take action before the deadline. Forms for this purpose are available at the Home Service Office, 410 Pontiac State Bldg., Pontiac. Insurance policies may be reinstated by the payment of two-months premium and a statement of present health.

The local chapter will again carry on its inquiry service to and from foreign countries which was discontinued at the close of the war. In re-establishing the service, however, the American Red Cross wishes to state that results cannot be guaranteed because of the great dislocation of persons in all foreign countries. Much has already been done by refugee agencies and the Red Cross is now anxious to assist all individuals who have not been able to locate friends and relatives. This service will again be directed within the local chapter by a

corps of volunteers.

A total of 819 individuals approached the chapter for varying types of assistance during the past month. Of these 568 were servicemen, many of them wishing assistance in filing claims.

Veteran's News

World War II veterans who expect to enter college for the first time this fall under educational provisions of the G. I. Bill should make application to the Veterans Administration as soon as possible.

VA, Branch Office officials in Columbus, Ohio today cited three important steps to be followed by veterans who plan to enter school for the first time since their release from service:

1. The veteran should go to his nearest VA office, educational institution or one of the various service organizations and obtain VA Form 1950, which is the application for education and training under the G. I. Bill. VA or the other agencies will assist him in filling out this application.

2. The application, together with a certified or photostatic copy of the veteran's discharge paper, should be sent to the VA regional office having jurisdiction over the territory in which the veteran resides. In Ohio, Michigan and Kentucky these offices are located in Detroit, Cleveland, Cincinnati and Louisville. If married, the veteran also should submit a county clerk of court copy of his marriage certificate in order to claim additional subsistence allowance for a dependent. The regional office will process the application and determine the

amount of education and training to which the veteran is entitled. If qualified, the veteran will receive a certificate of eligibility.

3. The veteran should present the certificate of eligibility to the school or training establishment at the time of his enrollment. The institution will complete the certificate and return it to the appropriate VA regional office, which then may authorize payment of subsistence allowance

to the veteran.

Veterans unable to attend larger universities because of overcrowded conditions are advised by VA to check the possibilities of enrollment in smaller colleges where vacancies may be available.

There's a FACTORY on your Back Forty

LAST YEAR'S FARM PRODUCTION proved that the farm, however large or small, is more than a farm. It is a factory too—a factory for producing food. During the last full year of the war, the American farmer produced 1/3 more crops with 10% less manpower.

How? By using factory methods. By letting electrical power and electric equipment do the heavy, time-taking farm chores.

Production costs of your farm factory are reduced in direct proportion to increased output. Exactly as production costs are lowered in the city factory.

Our Farm Service Advisor will be glad to give you helpful advice on how electricity can step up production and put more dollars in your pocket. Just call your nearest Edison office and ask for the

Farm Service Advisor. He is trained and ready to help you make that new factory on your old "Back Forty" produce more for less.

- There are more than 200 farm jobs that electricity will do. In the farm yard and in the farm home—electricity does these jobs faster, better and for less money than doing them any other way. In water pumping, feed grinding, gutter cleaning, poultry brooding, milking, grain and hay finishing and hundreds of other jobs electricity is the dependable low cost way to increased profits.

The Detroit Edison Co.

Come in and see the cab that "breathes"

The cab is FLEXI-MOUNTED—cushioned on rubber against road shocks, torsion and vibration! ... Driver's compartment is wide, with more leg room. Wider, deeper windshield and windows increase visibility by 22%!

Panels and pick-ups have INCREASED LOAD SPACE. New, stronger, sturdier FRAMES are designed to carry greater loads greater distances for a longer time!

The Cab that "Breathes"
Fresh air is drawn in from the outside—heated in cold weather—and used air is forced out!

Longer wheelbases give you better load distribution. ... Chevrolet's famous FULL-FLOATING HYPOID REAR AXLES are geared for the load!

Chevrolet VALVE-IN-HEAD TRUCK ENGINES are world's most economical for their size. ... HYDRAULIC TRUCK BRAKES are exclusively designed for greater brake lining contact.

America's First Advance-Design Trucks
... acclaimed from coast to coast!

Everywhere ... wherever you go ... truck users are praising the sensational new line of Advance-Design Chevrolet trucks. Reason? They're really new, really different, introducing the unique cab that "breathes"—that almost literally "inhales" fresh air and "exhales" used air. *plus scores of other new features and innovations long-awaited—long-wanted! Built to be first, and built to last, they're big-looking, big-loading, powerful yet economical trucks to do a more profitable job for you. See them now.

*Fresh-air, heating and ventilating system optional at extra cost.

Farm Women To Meet At M. S. C.

Approximately 600 farm women from all parts of Michigan will arrive at Michigan State college for the annual Farm Women's Conference, July 21 to 25. Karl D. Bailey, county (agricultural) (home demonstration) agent, announces that the Oakland county delegation will be composed of: Mesdames: Arthur Simmons, LeRoy Barnes, J. H. Goodwin, Dora Looney and Gordon Bayton.

The program will open Monday evening, July 21, with Miss Rachel Markwell, state home demonstration agent leader, in charge. The group will be welcomed by R. J. Baldwin, director of the Michigan State college Extension Service. A response on behalf of the delegates will be given by Mrs. A. H. Torrey, chairman of the Michigan Home Extension Council.

Tuesday will be devoted to talks by home economics extension specialists and a discussion of current international situations by Dr. M. M. Knappen, MSC professor of history.

Wednesday's program will accent youth. A group from the Starr Commonwealth Home for Boys, Albion, will discuss the "Boy's Side of the Delinquency Problem". A panel discussion in the afternoon will deal with environment for youth.

On Thursday, MSC officials will speak on the college's relationship with students, the home, and agriculture. A feature of the evening program will be an address by Minnie Price, state home demonstration leader for Ohio.

Delegates include a minimum of four from each county. Counties with large enrollments in home economics clubs can have additional delegates. The women will be housed in Snyder hall and meetings will be held in Fairchild theater.

Gas House-heating Still Banned

The present ban on additional gas house-heating customers probably will remain in force for "at least two or three years," Division Manager David L. Brown of Consumers Power said today.

Mr. Brown said his company's plans to enlarge the supply of natural gas in this area were being delayed by a shortage of steel plates of the kind needed in the manufacture of steel pipe of large diameter.

"There's no shortage of gas in the Southwest, where our supply comes from," he said. "The problem is to get the natural gas to the places where it is needed. In our case that means to the Michigan natural gas fields which we are converting into storage areas."

"Use of these natural gas fields as storage areas will make it possible eventually for us to handle several times as much gas business as at present. But we need 150 miles of pipeline to bring the gas from the Panhandle Eastern line in southern Michigan to the storage fields in Clare, Osceola and Missaukee counties. Most of this 150 miles of pipeline must be 24 inches in diameter.

"The pipe has been on order

for a long time but it is being held up, along with many orders from other companies throughout the country, by a shortage of steel plates. Without those plates, the pipe manufacturers can't even begin to catch up on their back orders. Delivery now is scheduled for the Spring of 1949. If we get the pipe fairly early in 1949, we may get enough gas into storage fields to help our situation during the winter of 1949-50. But if any further delays develop, it will be at least the winter of 1950-51 before we can think about taking on additional house-heating business."

Mr. Brown explained that the pipeline connecting the storage fields with the Panhandle Eastern pipeline in southern Michigan will require 113 miles of 24-inch pipe and 37 miles of 16-inch. These figures represent 25,712 tons of pipe or 757 carloads. In addition, several carloads of valves, bends and other equipment are needed.

"We don't like the ban on house-heating any more than prospective customers like it," Mr. Brown said. "We are in the business of selling gas and would like to expand the market rapidly. But the shortage of steel for pipe fabrication is something we can't help, and so long as the supply of gas

remains limited our first duty is to safeguard service to present customers."

The company is continuing to connect new customers who will use gas in comparatively small quantities for water heating, cooking and other domestic purposes apart from space heating.

Cliff Schoenhals, Mgr. DRAYTON PLAINS

Why Michigan Bell must ask for a Rate Increase

THERE has not been an increase in telephone rates in 21 years. From 1926 until 1937, our rates went down substantially. Except for even further reductions in local rates in a number of exchanges and decreases in toll rates, those 1937 rates are still in effect—despite the fact that the cost of almost everything... wages, taxes, supplies... has been going up.

For example, post-war wage adjustments alone have boosted our costs nearly \$11,000,000 a year, including settlements reached during the recent strike.

Actually, all our costs put together have gone up much faster than our income.

In the ten years since 1937, income has gone up 141%, costs have gone up 193% and our return on investment has dropped more than a third.

It's just simple arithmetic that 1937 rates won't work in 1947.

We've tried to make both ends meet without increasing rates. We've held off as long as possible. But now, we've got to ask for an increase—because it is absolutely necessary to protect our customers' service.

It will take a lot of money from investors to give more service and better quality service from here on. Investors will put up the money only if they are assured a fair return, which we cannot provide under our present rates.

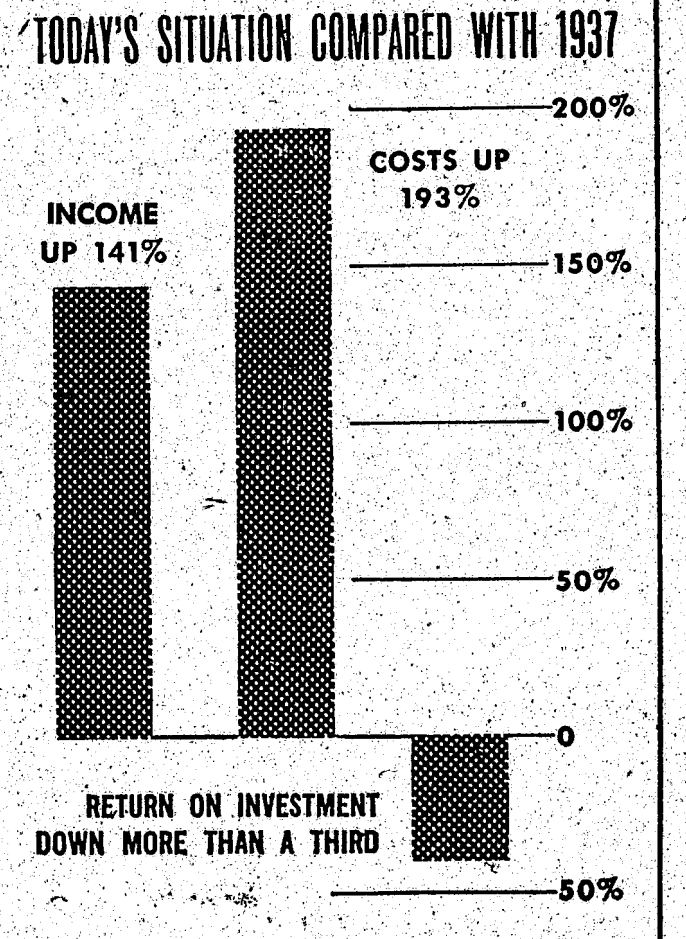

So the future quality of Michigan's telephone service depends on raising rates enough to assure the financial stability of your telephone company.

That's why we're going to ask the Michigan Public Service Commission* for a public hearing to review our proposed new schedule of rates. During the week of August 3, we'll publish details of the

*The body established by State law and appointed by the Governor to regulate utility rates.

proposed rates throughout Michigan Bell territory. After that, we'll file the petition with the Public Service Commission.

Telephone service will still be a bargain at the proposed rates. We'd rather not be asking for an increase. But that's the only way we can assure our customers the kind of service they want. For 1937 rates won't work in 1947.

Where the term "Income" is used above, its meaning is the same as "Revenue" or "Gross Income." When the term "Investment" is used, it means the original cost of the telephone property less the depreciation reserve accrued against the ultimate retirement of the property.

Drayton Plains

Mrs. Clare Novess of Drayton Plains was honored at a pink and blue shower last Saturday evening at the home of Mrs. Jack Richards at 8465 Pontiac Lake Road. Lovely gifts were presented and games were played. To close, a pleasant evening delightful refreshments were served.

Mr. and Mrs. McCawski and two daughters and Mr. and Mrs. Doval Cole and daughter of Benton

Harbor and Mrs. Eddie Davis of Tipton, Indiana, spent last week with Mrs. Anna Losche.

Mrs. Charles Nolan, Sr., of Texas left on Wednesday for Madison, Wis., to visit her son, Bud Nolan and family. Mrs. Nolan has spent several weeks here visiting old friends and neighbors and her son, Charles, and family.

Mr. and Mrs. Waldron Keasey and family are spending this week at their cottage at Atlanta. Vernon Kee of Louella Dr., is

recovering from a recent operation at Pontiac General Hospital.

Mrs. Vern Waltz entertained on Tuesday, July 15th, honoring her son, Timmy's fifth birthday. 18 little folks and 4 mothers were present. A luncheon was served at noon. The feature of the afternoon was a horse and buggy ride around the block by Dar and Joy Fratt. Timmy received several lovely gifts from his little friends.

Mr. and Mrs. Ernest Summerfield and family of Hamilton, Ont., were guests of her brother-in-law and sister, Mr. and Mrs. Roy Dancy last Thursday and Friday. The Summerfields are touring the western states for two months.

Guests at the Dancy home on Sunday and Monday were Miss brother-in-law and sister, Mr. and Mrs. Roy Bankson of Port Huron.

Mrs. Grace Barnhart, Mrs. Charles Williams and daughter, Carolyn, were guests at the O. R. Barnhart home in Lansing on Monday. Mrs. O. R. Barnhart is seriously ill and is confined to her bed at her home.

The David Belisle Post No. 4102 VFW, which includes a WAC and a Wave, recently visited the tuberculosis sanatorium and presented the patients with home-made candies, cookies, cigars, books and cologne for the girls. Those who made the visit included Mrs. Leon-

ard Wood, hospital chairman and Mrs. Lyle Langdon, Mrs. Frank Koches and Mrs. Marion Urlick. The auxiliary presented a flag to the Blue Star Mothers for their Honor Roll.

Mrs. Minnie Hill has returned to her home in Orion after spending a few days with her son, Frank Jankowski and family on South Drive.

Mrs. Paul Wright moved last week from Pontiac to her home on Meinrad Drive in Drayton Plains.

The Pontiac P. T. A. Mother Singers will hold a picnic at the home of Mr. and Mrs. Charles Williams at Williams Lake on Monday evening at 6:30. A pot-luck supper will be served. Please furnish your own table service, sandwiches and a dish of food to pass.

Mr. and Mrs. Louie Thrasher Mrs. Mamie O'Boyle and Gordon Sylvester spent over the weekend at the Thrasher cottage at Bear Lake in northern Michigan.

Mrs. George Coleman and her uncle, David Finch, returned last Sunday from Sutton Bay where they had been visiting relatives.

The W. C. T. U. held a picnic supper at the home of Mr. and Mrs. William Pelton on Pelton Road last Tuesday evening. There were twenty present. At the business meeting a nominating committee was appointed as follows: Mrs. Russell Maybee, Mrs. Mary Tarlton and Mrs. Virginia Hangee. As August is the picnic month no regular meeting will be held.

The Pearl Sutton Missionary held their annual picnic at the summer home of Mr. and Mrs. Charles Williams at Williams Lake on Tuesday evening, July 15. The group enjoyed swimming, after which a pot-luck supper including grilled wieners and hamburgs was served out of doors on a picnic table. After supper everyone retired to the house for a short business meeting and a large box was packed with clothing and household articles for the A. L. and I. School at Annemarie, Ala. Due to the treasurer, Joan Frizelle leaving soon a new treasurer, Mrs. Mabel Barber, was appointed.

After the business meeting Miss Frizelle, was delightfully surprised when the group honored her with gifts and they played appropriate games. Miss Frizelle, daughter of Mr. and Mrs. Louis Frizelle of Farmer St., will become the bride of Erwin E. Lewis, son of Mrs. Ethel Lewis of 8 Washington St., Pontiac, on Saturday, August 23, at 4:00 p.m. in the United Presbyterian church.

Guests, besides the honoree and her mother, included Mrs. Barber, Mrs. Charles Nolan, Jr., Mrs. Donald Langdon, Mrs. William Moore, Mrs. Ralph Shell, Miss Anna Brown and Miss Barbara Kren.

Sam Helps with the Dishwashing

Dropped in at the Abernathy's just the other evening—and there was Sam, out in the kitchen with an apron on, helping his missus wash the supper dishes. (And then I learned later he'd helped cook the supper, too.)

Of course, Sam could have settled into his favorite chair, enjoyed his evening glass of beer, and left all the messy kitchenwork to Dixie. But he kind of likes her company—and she in turn certainly appreciates his help.

In fact, sharing the housework
