CLARKSTON, MICHIGAN, FRIDAY, AUGUST 1, 1947

NUMBER 48

Clarkston Team Wins 2 Games

The Clarkston Merchants baseball team added 2 more victories to their credit over the weekend, winning from a class "B" team Detroit Saturday 4-1 and Byron Sunday 12-1. Saturday's tilt started out to be a pitcher's duel between O'Roark of Clarkston and Osborne Day of Detroit with O'Roark outlasting his opponent 4-1. Clarkston scored one run in the first when Ronk doubled and came home on G. Kelley's single to left. Detroit tied it up in the fifth but Clarkston came right back in their half to score 3 more on Detroit's only error of the game, singles by G. Kelley and Walters followed by Secord's fielders choice. That ended the scoring for the day as both pitchers hurled shut-out ball the rest of the game. O'Roark only allowed the opponents 4 hits while the home team collected 9 off Day.

Day, Pryzyskinski; O'Roark, Hitchcock.

Sunday's game with Byron was rather one sided as Clarkston defeated them by a big score for the third time this year. The Merchants didn't have any trouble getting runs in this contest, scoring 2 runs in the first, 3 in the 4th, 1 in the 5th, 2 in the 6th, and 4 in the 8th, while Nesmith was holding Byron to 1 run and 3 hits. Ted struck out 13 batters.

Rotary Club News

Dick Norton, Rotarian from Detroit, was the principal speaker at the Rotary Club meeting Monday evening at the First Methodist Church.

Dick gave an enthusiastic description of the International Rotary Convention recently held in San Francisco. His description of the train trip to the coast was most interesting.

"Al" Lee led the singing with Charlie Robinson at the piano. Charlie gave a short account of the airplane flight to Howell made by several of our local Rotarians.

Visiting Rotarians were Phil Williams, Birmingham—Dick Norton, Detroit—Art Johnson, George Kimball, Andy Adams, Tom Corbin and John Cheslik, Waterford—Drayton. Hugh Dickie, Pontiac—George King, Boynton Beach, Florida.

The meal was prepared and served by Mrs. Harold Kennedy, chairman, assisted by Mrs. Glenn Howland, Mrs. Wm. Watson, Mrs. Clark Souby and Adele Thomas. W. A. Ridgley

Mr. and Mrs. Leo Haigas of Pontiac and Elmer Wilder of Oakwood were Sunday guests of Mr. and Mrs. Guy Allen.

Notice

All persons who are interested in participating in a women's bowling league and who are not already a member of the Clarkston League please call either of the following numbers within the next two weeks: Howe's Lanes 5011 or Clarkston 2951 after six.

Any business firm interested in sponsoring a women's bowling team please call either of the above phone numbers.

Local Rotarians Fly To Howell

On Monday eight Rotarians from the Clarkston Club and a Rotarian from the Waterford - Drayton Plains Club with his associate flew to Howell to attend the weekly meeting.

As the four planes landed at the Howell Airport they were met by Past District-Governor Brady and President Aiken of the Howell Club who ferried the group to the meeting.

To make the day more enjoyable Reverend W. Harold Pailthorp, former pastor of the Clarkston Methodist church was invited as a guest of the club to make the Clarkstonians welcome.

Another Rotarian, Monsieur Marcel P. Boullard, member of the Paris, France, Club was present. He had flown the Atlantic Ocean on the first step of his American trip and brought greetings from the President of the Paris Club.

Howell is having its parking problems and the program speaker was a salesman for a parking meter company. It might be noted here that among local guests were the Mayor and Council and the board of directors of the Howell Board of Commerce.

Following the meeting the caravan from Clarkston was shown about the town and taken back to the airport, accompanied by Rev. Pailthorp and Monsieur Mouillard, boarded their planes and returned to the Pontiac Airport.

In the caravan, Robert L. Jones flew in a plane piloted by Gerald O'Dell; Charles Robinson was with Pilot Roy Alger. Harold Kennedy, Ronald A. Walter and Wm. Stamp flew in a cabin plane with Jack Wignall a member of the Waterford - Drayton Rotary Club and owner of the Pontiac Aero Service at the Pontiac Airport. Charles Robinson replaced Harold Kennedy on the return trip in his plane. Fred Groven flew over and back in a plane piloted by Stephen Bone, an instructor associated with Jack Wignall. Incidentally, Fred acted as pilot a good part of the return trip.

It was a grand day for flying. Visibility was perfect. The reception at Howell was all that could be expected and all the members of the group enjoyed a wonderful time.

Surprise Party Marks Birthday

On Wednesday evening of last week Mrs. Allan Hinz was honored at a surprise birthday party at the home of Mr. and Mrs. James Stites. Twenty neighborhood friends gathered in the recreation room in the Stites home and enjoyed an evening of games and visiting. Mrs. Hinz received many lovely gifts.

To close a pleasant evening refreshments were served from a table centered with a large birthday cake.

Plans Made For Peach Festival

The fourteenth annual Michigan Peach Festival will be held in Romeo August 30, 31 and September 1. Paul Ritter, president of 1947 Peach Festival Association said today.

The festival, held annually in celebration of the eastern belt's crop of Early Hale Haven, Hale Haven, Red Haven, Albertas, Fertile Hale and Golden Jubilee peaches, is expected to be an even better festival this year since the crop is estimated to be a good one.

A highlight of the Michigan Peach festival is the crowning of a Michigan Peach Queen. Annually, the most beautiful, the most poised girl—the girl with the nicest personality in five counties (between the ages of 17 and 22) is chosen to reign over the festival.

The queen will be selected August 15, Mr. Ritter said, following preliminary contests which will be held in the counties of Lapeer, Genesee, Oakland, St. Clair and Macomb; the previous week.

Clarkston Locals

David Leak of Clarkston and Dick Allen and Tony Siegman of Waterford have returned to their homes after spending two delightful weeks at Interlochen Music Camp. The boys are glad that they had the opportunity of attending the camp and feel that their two weeks there were very profitable. Besides spending several hours a day in class and practicing their recreational program was varied. They say their meals were exceptionally good and sleeping quarters were comfortable.

Mr. and Mrs. George Hoalgar and family spent Sunday at Keego Harbor with the latter's mother.

Former Residents Travel Abroad

Friends of Mrs. James Wallace Jacobus, a former resident of Waterford, will be interested to know that she and her daughter, Dr. Jean J. Austin, are now spending some time at Lake Geneva in Switzerland. They have traveled in Holland, Belgium, France and Italy and will soon leave for London and places of interest in England. From England they plan to go to Copenhagen and from there into Germany.

While in Antwerp, Belgium, Mrs. Jacobus attended the graduation of her daughter from the Prince Leopold Institute of Tropical Medicine. All of the courses are given in the French language and Dr. Austin was graduated with the highest honors ever given an American doctor.

Mrs. Jacobus plans to return to this country the last of August and Dr. Austin sails for the Belgium Congo in September.

4-H Club Sponsors County Fair

Parents, leaders and friends associated with 4-H Club work in Oakland County are sponsoring a county agricultural fair, on August 20th to 23rd. The event will be held on the 4-H farm just north of Pontiac on M-24. A Board of Directors including Karl Rhodes, Clare Fuller, Mrs. Elwyn Younker, Thomas G. Crighton and Robert Gavette have taken over the active management and this week issued their first fair premium book listing 48 pages of premiums. The premium list will include all the major breeds of livestock, crops and general exhibits including foods, canning, conservation, clothing, electrical and others. Premiums offered amount to \$1,200.

Township representatives of the 4-H Agricultural Association are as follows: Mrs. Thomas Crichton, Mrs. R. J. Newell, Mrs. Karl Rhodes, Mrs. Russell Pickering, Mrs. John Irwin, Mrs. Fred Johnson, Mrs. A. W. Emery, Mr. A. J. Heslip, Mr. Stuart Braid, Mr. Byron Carpenter, Mrs. Ora Foxrith, Mr. Clare Fuller, Mrs. Elwyn Younker, Mr. Bert Wermuth, Mr. James Smith, Mrs. Walter Welberry, Mrs. Vernon Green, Mrs. Mabel Grace, Mr. Stanley A. Grace, Miss Mary Jane Lewis, Mrs. Ellsworth Huff, Mrs. Norma Irish, Mrs. Alfred Smithling, Mrs. Walter Miller, Mr. Arthur Birkett and Mrs. Alfred Hutchinson.

The Oakland County Dairy Extension Planning Committee will provide exhibits of interest to farmers throughout fair week. E. W. Alchin, assistant county agent, states that the Dairy Planning Committee consisting of Keith Middleton, Lake Orion; Robert Rees, Holly; Kenneth Rucker, Wixom and William Edgar of Clarkston have made plans and assisted the Extension Office in living up exhibits. The theme of the exhibits will be "Increased Efficiency through Better Management".

Mr. Alchin says that subjects to be presented by displays, and demonstrations will be feeding, breeding, herd health and sanitation, dairy testing and labor saving devices. The labor saving exhibits will be provided by the Michigan Emergency Farm Labor Services, and will only be available August 22 and 23. The 4-H Club boys and girls will provide demonstrations in caring and showing of animals.

People who attend this year's 4-H fair will see a greatly improved fair over any presented during the past 11 years according to Karl D. Bailey, county agricultural agent. The county has provided 3 large quonset buildings each 40 x 100 ft., to house the largest livestock and 4-H exhibit ever assembled in Oakland County.

1800 4-H Club members representing nearly every community will have exhibits.

Credit for the building development as an aid to the promotion of 4-H Club work should go to the Oakland County Board of Supervisors according to Mr. Bailey. The buildings and grounds committee of which James Gardener of Milford is chairman and the Agricultural Extension Committee of which Howard Hillman of Davisburg is chairman and the Board of County Auditors of which R. Y. Moore is chairman, have all been active in completing the building and equipment and it is expected that everything will be in readiness when the fair opens August 20. Yet to be installed are water, light and fencing.

Clarkston Locals

Mrs. Alice Lyon of Detroit is spending the summer in Clarkston.

Mrs. Vera Craven and son Gary, spent the weekend with her mother in Lapeer.

Little Miss Mary Lynn Muncie will leave Sunday with her uncle and aunt, Mr. and Mrs. Frank Petty, to spend a week at Rogers City.

Mr. and Mrs. Earl Terry have returned home after enjoying two weeks in northern Michigan.

Mr. and Mrs. David Stewart and daughter, Shanna, spent the weekend at Ludington.

Mr. and Mrs. Guy A. Walter are entertaining their two grandchildren, Virginia and Christine Walter of Cleveland, Ohio.

Mr. and Mrs. Alfred Lee and son, David, attended the Kirk family reunion at Lapeer Park on Sunday.

Mr. and Mrs. Richard Snover and family are spending the week in the north near Gaylord.

Mr. and Mrs. Roland Wiechert, Mr. and Mrs. Wm. Allen and Mr. and Mrs. George Keiser Jr. spent Sunday at Brown City with Mr. and Mrs. Freddie Wiechert.

Guests last week at the home of Mr. and Mrs. Ben Comstock were her brother and his wife, Mr. and Mrs. Charles Mahoney of Des Moines, Iowa. Other guests on Sunday were Mr. and Mrs. Cleveland Collins of Detroit.

Parents of school children are reminded that the school library is open every Wednesday from 11 to 12 noon.

Mrs. E. Knoblock To Be Speaker

You are invited to attend an exceptionally interesting program at the Seymour Lake Church on Friday evening (tonight) at 8 o'clock. The Seymour Lake Extension Club has invited Mrs. Ernest V. Knoblock of Detroit to be the speaker. Mrs. Knoblock will talk on how to arrange flowers for bouquets, centerpieces and decorations. She has had a wide experience in this sort of thing and has many novel suggestions to offer. She even arranges weeds into wonderful bouquets and she delights in showing these arrangements to others.

Many Thanks To Those Who Helped

The School Library Board and the parents of the children who use the library are indeed grateful to all who helped make the waste paper drive last week such a success. Approximately \$39 was realized. The drive was sponsored by the American Legion. Special thanks go to Herbert Beach, Eldon Rouse, W. J. "Pat" Rushing, and the Cub Scouts and to Edw. D. Whipple for the use of his truck.

The next paper drive will be for the benefit of the Boy Scouts and will be in their charge. Everyone is asked to start saving their waste paper now. The date of the drive will be announced later.

Shower Honors Mrs. R. L. Jones

On Wednesday evening Mrs. Robert L. Jones was honored at a pink and blue shower at the home of Mrs. Roderick Muma.

A pleasant evening was spent playing appropriate games and visiting. Many pretty gifts were presented to Mrs. Jones in a daintily trimmed basket which stood in front of the fireplace.

Refreshments were served from a table covered with a lace cloth and centered with a mirror on which was a vase representing a mother pushing a baby carriage. The cab was filled with sweetpeas. This arrangement was flanked with pink and blue tapers in crystal holders.

4-H State Fair August 26-29

Two thousand Michigan 4-H club members are hard at work on their projects which will be exhibited at the state 4-H club show at Michigan State college, August 26 to 29.

State leaders predict approximately 1200 animals for the livestock exhibit. Projects in clothing, canning, crops, dairy, gardening, and other farm and home skills will be exhibited in the MSC auditorium during the four-day show. The annual auction sale of steers, lambs, and market pigs will take place Thursday, August 28.

Clarkston Locals

Mrs. Alice Lyon of Detroit is spending the summer in Clarkston.

Mrs. Vera Craven and son Gary, spent the weekend with her mother in Lapeer.

Little Miss Mary Lynn Muncie will leave Sunday with her uncle and aunt, Mr. and Mrs. Frank Petty, to spend a week at Rogers City.

Mr. and Mrs. Earl Terry have returned home after enjoying two weeks in northern Michigan.

Mr. and Mrs. David Stewart and daughter, Shanna, spent the weekend at Ludington.

Mr. and Mrs. Guy A. Walter are entertaining their two grandchildren, Virginia and Christine Walter of Cleveland, Ohio.

Mr. and Mrs. Alfred Lee and son, David, attended the Kirk family reunion at Lapeer Park on Sunday.

Mr. and Mrs. Richard Snover and family are spending the week in the north near Gaylord.

Mr. and Mrs. Roland Wiechert, Mr. and Mrs. Wm. Allen and Mr. and Mrs. George Keiser Jr. spent Sunday at Brown City with Mr. and Mrs. Freddie Wiechert.

Guests last week at the home of Mr. and Mrs. Ben Comstock were her brother and his wife, Mr. and Mrs. Charles Mahoney of Des Moines, Iowa. Other guests on Sunday were Mr. and Mrs. Cleveland Collins of Detroit.

Parents of school children are reminded that the school library is open every Wednesday from 11 to 12 noon.

Rotary Anns Visit Camp

On Tuesday several of the Clarkston Rotary Anns visited Camp Grace Bentley, the camp for crippled children on the shores of Lake Huron at Jeddo. The women were greatly pleased to see this beautiful place and how well these unfortunate children are taken care of. They took with them a trunk full of clothing, shoes, games and books and those in charge at the camp assured them that every item would be put to good use and would be appreciated. There were 98 children at the camp.

They toured the grounds, visited the cabins and main building which houses the dining-room, kitchen, infirmary, etc. They were served refreshments on the beautiful big enclosed porch which is along the front of the main building overlooking the lake.

The Rotary Anns who have the work for the crippled children as their project were pleased with their day's trip. They learned much about what is being done for these children.

Those who went to the camp were Mrs. Garnet Poulton, Mrs. George Perry, Mrs. Wallace Ridgley and Mrs. Ralph Marshall.

The young folks are reminded that the elementary school library is open every Wednesday from 11 until 12 o'clock.

Clarkston Locals

Mr. and Mrs. L. F. R. Bellows and daughter, June, have returned to their home on North Main St. after spending the past several months in Florida.

The friends of Frank Howland will be glad to know that he is able to be about again after being ill and confined to his bed for the past week.

Mr. and Mrs. W. C. Bower of New York City and Delray Beach, Fla., spent a couple of days last week with Mrs. David Newlands. They were on their way from California to Lake Placid, N. Y.

Obituaries

William T. Edwards
William T. Edwards of 9725 Ellis Road passed away in a Pontiac hospital last Friday. He was born in London, England December 9th, 1884, the son of Thomas and Elizabeth Duckett Edwards. On April 3, 1907, he married Ella Knowles in Pontiac.

Besides his widow he is survived by two sons, Clare of Lapeer and Harry of Oakwood; four grandchildren; two sisters, Mrs. Anna Milton of Davisburg, and Mrs. Lillian Cook of Holly and one brother of Pontiac.

The funeral was held at the residence on Monday afternoon with the Reverend Robert W. Bell of Fenton officiating. Burial was in Lakeview cemetery, Clarkston.

Mrs. Harriett Elizabeth Hibner

Early Thursday morning death claimed Mrs. Harriett Elizabeth Hibner at her home at 51 E. Washington after an illness of six months. She was born in St. Paul, Minnesota, February 27, 1868, the daughter of John and Ruth Pattee. On April 21, 1896 she married Herman Hibner in Waterford, Mich. Mrs. Hibner lived in Oakland County since 1891. She was a member of the Clarkston Baptist Church and the Joseph C. Bird chapter, O. E. S., of Clarkston.

Besides her husband she is survived by one daughter, Mrs. Dorothy Guy of Saginaw; five grandchildren; one great grandchild; two brothers, John J. Pattee of Spokane, Wash., and William Pattee of Lapeer, Mich., and two sisters, Mrs. Nellie Davis of Saginaw, Mich., and Mrs. Ruth Jones of Columbus, Ohio.

The funeral service will be at the Ogdan-Kennedy Funeral Home on Saturday afternoon at 2:00 o'clock with the Reverend William S. Ross, pastor of the Clarkston Baptist Church, officiating. Burial will be in Lakeview cemetery.

Notice

The elementary school library is open every Wednesday from 11 until 12 a. m. An adult librarian is in charge and the young people are at liberty to spend the hour in the library if they care to.

Milford Fair August 6-9

Next week August 6 - 9 the 63rd Milford Fair will open its gates with Educational - Entertaining - and Thrilling Events.

The Raun Cherokee Rodeo will play afternoon and evening performances along with the Thrill Show Acts each evening. The Majestic Greater Shows with 12 major rides will be on the midway.

Kiddies Day, Thursday and Championship Horse Pulling Contests, Friday and Saturday will thrill both young and old.

This year the fair will open its gates at Wednesday noon, August 6, with a gala parade.

Miss Priscilla Goodspeed of Grand Rapids is visiting her aunt, Mrs. David Newlands.

XX Corps History To Be Written

Veterans of the non-divisional units, which spearheaded General Patton's drive through France, are being requested to submit their names and current addresses for a roster to be used in connection with distribution of a history of the famed XX Corps.

Lieutenant General Walton H. Walker, Commanding General of the Fifth Army, and former commander of the historic XX "ghost corps", announced that the history is in the process of preparation, and requests that all communications bearing names and addresses be directed to Fifth Army Headquarters, 1660. East Hyde Park Boulevard, Chicago, Illinois, Attention: XX Corps.

The Fifth Army Commander was Senior Corps Commander for the late General George S. Patton, Jr., and led the XX Corps of Armored and Infantry Divisions in its drive across France and Germany into Austria. With its non-divisional units, the XX Corps drove through a campaign that crumbled the Siegfried Line at one point and liberated the Nazi torture mill at Buchenwald.

To date some 6,000 names and addresses of former members have been collected, but this is far short of the 32,000 officers and enlisted men who were assigned to its non-divisional units.

It is General Walker's desire to place a copy of the history in the hands of every soldier who played a role in the campaign of the historic Corps.

By The Way

Many a time the parents of this writer have told him of the old plank "Toll Road" running through Howell from Detroit to Lansing, on which oxen hauled freight for the communities. Then the railroad came through and as the oxen were kept on farms, driving horses started to using the road. It was covered with dirt, became a free road and was known as the "Grade". About the time I appeared on the scene and was old enough to ride a bicycle my home town of Howell was getting used to automobiles, gravel had replaced the dirt road and the "Grade" was now being called Grand River Avenue. As better automobiles demanded better roads Grand River was paved and became known as US-16. Monday as we were at the airport I asked Roy Alger, who had an air map, if any number had been assigned the road as a means of air travel. He could find none. I do not know of any way science can find a different or more modern way to travel unless it is a jet propelled plane. Someday I would like to ride in one of those. . . .

Monday this writer had the opportunity to try out a theory. It worked. On my last trip I, some years ago, had been given a "Thrill", probably safe, it nevertheless "thrilled" me out of flying for fun. However, the thought prevailed that I would never pass up a trip and that aviation presented a safe modern means of transportation that one should use for his own convenience. No, a thousand times no, I will not be a "Stunt" flier—but I would be a passenger, without fear. . . . In spite of the rainy spring and late planting some of the gardens around Clarkston are looking grand—as though the yield would be better than ever. . . . Motorists are urged to drive carefully and save lives. Seven miles of the Dixie Highway north of Telegraph Road is being patrolled to try and decrease the accidents in this area which is considered the worst in the state.

Sylvia Hemingway Is 11 Years Old

Last Saturday afternoon Sylvia Hemingway celebrated her 11th birthday by being hostess to fourteen of her girl friends.

The group enjoyed an afternoon of games and Sylvia received many lovely gifts and the best wishes of her young friends.

Dainty refreshments, including birthday cake, were served.

Almost But Not Quite

It could be lots of fun. To plan a picnic treat. Then drive a hundred miles To find a place to eat. Then sit upon the ground In poison ivy plants, And let yourself be chewed By hordes of starving ants.

There's nothing quite so nice As smelling of a rose, It is a rare delight To tantalize the nose. Of all the things of earth It is the rarest gem, But sharp and ugly thorns Protrude along the stem.

It could be grand to be A multimillionaire, With luxury and ease To be found everywhere. If but the gates that bar The entrance to the grounds, Could keep all jealousy And hatred out of bounds.

Now women folks could learn To love our streams and lakes, If they were sure that they Were free from ugly snakes. We'd sleep in peace at night With skeeters on the wing, The world would be allright If skeeters did not sting.

Waterford

Twelve members of the Ladies Guild of Christ Lutheran Church gathered at the home of Mrs. Stanley Hawkins last Wednesday for the July-August meeting. Mrs. Hawkins opened the meeting, which followed the pot luck picnic dinner, with a prayer. Mrs. Albert Dryden conducted the meeting at which time Mrs. Carl Zander, Mrs. Edward Reiner, and Mrs. William Roughton were named as a nominating committee to prepare a slate for the next meeting on September third. Mrs. Dryden

and Mrs. J. H. Helman volunteered as Guild Greeters each Sunday morning during the month of August.

Christmas cards were given out to members present to sell. The meeting on August third will be at the home of Mrs. Emery Beedle with Mrs. Ben Robinson and Mrs. Edward Reiner as co-hostesses.

Mrs. William Roughton gave an interesting sketch of the life of Warner Sallman and had on display three of his pictures, "The Lord is My Shepherd", "The Head of Christ", and "Christ at Heart's Door". She gave a little of the background of the pictures.

Donna Kay Lamberton, Joelin Hawkins, and Verona Adams are spending two weeks at Camp Sherwood near Lapeer.

Eighty-one persons representing the Community Church, Sunday School, and Daily Vacation Bible School enjoyed the annual picnic at Davisburg Park last Saturday. Games for all ages were enjoyed.

The single men with Larry Giddings as captain defeated the married men with David Mehlberg as captain. After a picnic supper the group had a period of devotion.

The Alton Golls, Henry Mehlbergs, and the Howard-Burt family enjoyed a picnic at the Ortonville Park on Sunday.

Mr. and Mrs. Stanley Hawkins and daughters Garnet and Gwendlyn are spending a week in New York state with Mr. Hawkins' mother.

Mary Louise Buck will be guest soloist at the 11:00 morning service at Christ Lutheran Church this Sunday. Earl Grahl will be the speaker in the absence of the Rev. Philip Jordan who is on vacation.

Mr. and Mrs. Robert Mehlberg took the latter's mother, Mrs. J. C. McMachen, back to Toledo over the weekend. Mrs. McMachen had been visiting a sister at Davison.

Mrs. John Myers is still a patient at St. Joseph's Mercy hospital in Pontiac.

Mrs. W. K. Ryan returned home on Sunday from St. Joseph's Mercy hospital where she had recently underwent a major operation.

Mrs. Elizabeth Attwater is spending this week in Detroit with her son-in-law and daughter, Mr. and Mrs. R. E. Myers.

The Ladies Auxiliary of the Waterford Township American Legion Post No. 431 will meet at the home of Mrs. Glenn Campbell at 8:00 Monday evening for a meeting which will include the annual election of officers.

There will be a joint meeting of the Ladies' Auxiliary, with the husbands as guests; and the adult Bible class of the Community Church at the home of Mr. and Mrs. Ernest Stevens next Thursday evening at 8:30. Each couple is to bring own table service and two dishes of food to pass. Beverages will be furnished. There will be no business meeting but each one present is to answer roll call with his or her favorite Bible verse.

All MOMS are invited to go to Bob-lo next Friday with the State group of MOMS. Call Mrs. Henri Buck for further information.

Neal Schultz returned home on Tuesday from Pontiac General hospital where he has been a patient.

Barbara Jean Tuck returned to her home over the weekend after having been the guest of her grandparents, Mr. and Mrs. Henry Mehlberg, for a few days.

Mr. and Mrs. Charles Chamberlain of Grand Rapids were weekend guests of their mothers, Mrs. Francis Chamberlain and Mrs. Ben Miller.

Don't forget the annual school reunion at the village school this Saturday.

Earl Lamberton is spending this week with his cousins, Margaret Ann, Mary Jane and Bobbie Beattie at Torch Lake.

Mr. and Mrs. Al Kray and Joan left on Monday for a week's vacation in Canada.

Forty-seven persons enjoyed the Singerspiration at the home of Mr. and Mrs. Lawrence Giddings last Sunday evening. Bob Granger and Virginia Cooper of Pontiac conducted the service. Paul Matthews, also of Pontiac, was the speaker at the 7:30 evening service of the Community church. These three young people represent the Bob Jones College.

Vivian O'Roark, Margaret Ann Beattie, Ida May Beattie and Mrs. Ida Beattie spent last Wednesday at Ypsilanti. While there Ida May enrolled for a college course.

Frank Fox has been having some repairs done to his home.

The young people of the Community church are urged to attend the Pontiac Youth for Christ pic-

nic at Springdale Park, Birmingham, at 3:00 Saturday afternoon. Each one attending is asked to bring a picnic lunch and a grand time of fellowship will be enjoyed by all.

Twenty-eight young people enjoyed a Hamburg Fry which the King's Disciples Class sponsored Monday evening at the Ortonville Park. The program included a recreation period, a brief devotion period around the fire and the evening closed with a fagot consecration period.

Church News

WATERFORD COMMUNITY CHURCH

Wright VanPlew, Pastor

Sunday School at 10:00 with classes for all ages. Alton Goll is superintendent of the senior department and Donald Hetchler superintendent of the primary and beginners department.

Adult choir rehearsal at the church Wednesday evening at 8:30.

Combined picnic meeting of the Ladies' Auxiliary, with husbands as guests, and the Adult Bible Class at the Ernest Stevens home Thursday evening at 6:30. Each

couple is to bring own table service and two passing dishes. Roll call will be answered by each one giving his or her favorite Bible verse.

CHRIST LUTHERAN CHURCH

Located at Williams Lake School Philip A. Jordan, Pastor

Sunday School at 9:45 with Howard Peterson as superintendent of the senior department; Mrs. Stanley Hawkins superintendent of the primary department and Mrs. Roy Olson superintendent of the beginners department. There are classes with teachers for all ages.

Morning Worship at 11:00 with Earl Grahl, a deacon of the church, as speaker. There is a nursery for the small children each Sunday morning.

Persons having the need of a pastor before Reverend Philip Jordan returns in another week are urged to call the Reverend Carl Nelson; phone 4-3404. Rev. Nelson is the pastor of St. John's Lutheran Church.

SUNNYVALE CHAPEL

Waterford Center Schoolhouse

Morning worship at 9:00 with the Rev. Wright VanPlew speaking on "The Christian View of Childhood".

Sunday School at 10:00 with Floyd Evans as Superintendent.

Prayer meeting at 7:30 Tuesday evening.

Adult choir rehearsal at 7:00 Wednesday evening.

DRAYTON PLAINS UNITED PRESBYTERIAN CHURCH

Rev. C. J. Sutton, Minister

10 a. m.—Bible School, Elmer Boardway and Mrs. C. J. Sutton, superintendents.

11:00 Morning Worship.

Each week I used to get blue in the face holding my breath while waiting to see how our lovely wedding present "washables" would do in the wash. Too often for comfort there were faded colors, popped seams, and sad little shrunken things. It wasn't that our friends weren't generous in their choice of presents. The whole problem lay in the not-too-funny-for-the-budget riddle: when is a washable material really washable?

Pardon this bride while she adjusts her halo. I found the answer! Any material will come up smiling after a rub-down if it boasts the seal granted by the American Institute of Laundering, "Certified Washable."

Frankly, the credit for my big discovery goes to my laundry man. He's the one who told me all about the "laundry tested" seal. I'll admit I gave a lady-like snort at first; that was before I learned just what the seal means.

When the label is issued by the Institute to any merchandise the material has gone through a series of exacting tests. There are rigid standards set up concerning quality, color fastness, shrinkage, construction strength and "laundability." Test fabrics undergo actual washings at the non-profit Institute's research center.

Just as a single sample of the precise analysis, take the question of color fading. Colored material is exposed to the equivalent of 20 hours of direct sunlight at noon in June. If after that grueling test there is even a slight loss of color the material is rejected—no seal.

There are really three purposes of the label. First, to encourage the manufacture of really washable materials. Second, to guide you and me to wise, economical buying. And third, to give laundries a chance to provide satisfactory service.

When all those things can be had simply by watching for the Institute's seal, "Certified Washable," believe me, I'll be on the lookout from now on!

CALF TO BE SHOWN AT 4-H FAIR

The first calf from an Oakland County Artificial Breeders Association was born on the farm of George Campbell near Walled Lake, Tuesday evening, July 22nd. Glen Robinson, manager of Oakland County Artificial Breeder's Association No. 1 reports that the calf, a male, is doing fine. The sire of the calf was Edgeridge Ormsby Dean, one of the sires previously used by the Michigan Artificial Breeder's Cooperative at East Lansing but now returned to natural service.

E. W. Alchin, Assistant County Agricultural Agent on a farm call at the Campbell farm reports that the calf is a very type looking individual and regrets that it is a heifer. Mr. Campbell has consented to put the calf on exhibit

at the 4-H fair on August 22nd as a part of the artificial breeder's promotional exhibit.

Other farms having calves born in the near future as a result of artificial breeding are Lyman Joslyn, Charles Coe, William Peters of South Lyon, A. J. Heslip and Orville VanSickle of Northville and J. A. Brinks of Plymouth and many others.

Waterford
 Mr. and Mrs. Harry Mansfield and family of 51 Thorpe Street, Pontiac, have moved to the Henri Buck home at 6018 Andersonville Rd., which they recently purchased. Mrs. Buck and her family have moved to their home at 6245 Andersonville Road.
 A large crowd of people enjoyed the ice cream social last Friday evening which the Waterford group of the Woman's Club held at the corner of the Airport and Andersonville Roads. The Cook-Nelson band of Pontiac furnished splendid music.
 Barbara Jean Simmons had the misfortune to break both bones in her left arm just above the wrist on Monday while at play. She was taken immediately to St. Joseph's Mercy Hospital in Pontiac where it was set. She returned home on Tuesday.
 Mr. and Mrs. David Mehlberg and small son, David Elliott, left early Sunday morning for a vacation through eastern Canada, Niagara Falls, New York state and then to the home of Mr. and Mrs. Earl Bell at Collingswood, New Jersey.
 Mrs. George Attwater entertained sixteen young boys on Thursday evening after the Cub ball game. This was the tenth birthday of the Attwater's son, Russell. The boys enjoyed games and refreshments. Russell is spending this week in northern Michigan with his uncle and aunt, Mr. and Mrs. Richard Purvis, and their two children. The Purvis family is from Pontiac.
 A Baptismal service was held at the home of Mr. and Mrs. Donald Hetchler last Sunday afternoon at 3:00 for the congregations of both the Community Church and the Sunnyvale Chapel. Those from the Community Church to be baptized were Mrs. Donald Hetchler and Ruth Elaine Mitchell. Those baptized from the Sunnyvale Chapel were Carla Parker, Vera Parker, Marian Latoureau, Gabriel Roth, Olivia Roth, Dorothy

Pauline Wessman, Neva McCullum, Dorothy Price, Carolyn Remley, and Bertie Lou Newsbaum. There will be a similar service on August tenth for those who could not take part last Sunday. The time and place will be the same.
 Thursday, July 24, at 2:00 a very lovely membership tea was held on the lawn of Mrs. Louis Dorman on Dixie Highway, by the Women's Auxiliary of the American Legion, Post 431 of Waterford.
 The guest speaker was Mrs. Kitty Hathaway of Holly, who is the new 17th District president. She spoke on the Constitution and ideas of the American Legio

Mrs. Helen Shindorf of Pontiac spoke on Child Welfare and Rehabilitation.
 Other guests were Mrs. Loretta Cooley of Birmingham, Mrs. Albert Weber, Mrs. Ruth Parshall, Mrs. M. M. Hartman, Mrs. Robert Going, Mrs. Harvey Gabler, and Mrs. Wm. Hunt.
 Tiny sandwiches, cake, coffee, and tea were served from a lace covered table.
 Mrs. Henry Mehlberg, Mrs. David Mehlberg and Mrs. Fred Tuck entertained at the Mehlberg home last Friday evening at a miscellaneous shower honoring Mary Louise Buck who will become the bride of Victor (Bud)

Lindquist on August 16th. After the group had dressed miniature characters for a bridal party the honoree unwrapped her many beautiful gifts. The invited guests included Mrs. Henri Buck, Mrs. William Poland, Mrs. Emerson Mitchell, Mrs. Charles Harris, Mrs. Ashton Emery, Marian Emery, Mrs. Howard Burt, Lois Burt, Mrs. E. D. Spooner, Mrs. Kenneth McVittie, Mrs. Stuart Farnor, Mrs. Oscar Virgin, Mrs. Fred Mitchell, Mrs. Harry Harrup, Mrs. John Miller, Mrs. Arthur Davis, Mrs. Ida Hayden, Mrs. James Sutton, Mrs. Lyman Girst, Mrs. Leona McCaffrey, Mrs. Joseph Helman, Mrs. William Chase, Mrs. George Attwater, Mrs. James Saylor, Mrs.

Isabella Pratt, Mrs. Clinton Disbrow, Mrs. L. V. VanSycle, Mrs. Al Kray, Mrs. John Watchpocket, Mrs. Kenneth Sutherland, Mrs. William Thomas, Mrs. Ida Beattie, and Mrs. R. J. Mehlberg.
 Dainty refreshments were served by the hostesses. The Mehlberg home was very attractive with many vases of garden flowers in each room.

Right from the Horse's Mouth...
 Comes the Moisture That Can Ruin Your Stable

In cold weather, moisture and condensate from animals' breath play hob with any sort of wooden farm building—be it stable, cow barn, or poultry or hog house. Dampness rots the timbers; doors and windows swell and warp.

But the Simple Installation of
ELECTRIC VENTILATION
 Gives You Clean, Dry, Odorless Air
 Wherever Animals Are Housed

A good-sized hog will exhale as much as three quarts of moisture daily, a cow more than two gallons. That spells sure decay for wooden buildings. It can mean trouble with leather in the saddle rooms—trouble with feed and hay, with the livestock and their produce.
 Properly planned, correctly installed ventilation can check decay. Electric ventilation, automatically controlled by thermostats, will eliminate drafts, offensive odors, ammonia in the air, and condensate from animals' breath.
 See your Edison Farm Service Advisor for up-to-date, impartial and accurate advice on electric ventilating systems. He knows how to determine the size and type of ventilation you need. Plan now to be ready for winter.

The DETROIT EDISON COMPANY

Livestock Housing is Only One Way in Which ELECTRIC VENTILATION Helps the Farmer...
 It Cures His Hay BETTER
 Slices His Apples MORE SAFELY
 Makes His Home MORE COMFORTABLE

44 ways
 To get "Something for Nothing"

The railroads have received 44 "rules" demands from the leaders of the operating unions... representing engineers, firemen, conductors, trainmen and switchmen. They say they are seeking only changes in working conditions—not a wage increase.

More Money For Less Work
 But what kind of rules are being asked for? Twenty-eight of them would compel railroads to pay more money for the same, or less work; 7 would require additional and unnecessary men to do the same work; the rest would bring about changes in operating practices at increased cost.

For Instance:
 The Union leaders demand additional train and engine crews on Diesel-powered trains—one full crew for every power unit in the locomotive. A freight train hauled by a 4-unit Diesel would have to carry 4 engineers, 4 firemen, 4 conductors, and at least 8 brakemen, or a total of 20 men instead of 5.

"Made Work"—Sheer Waste
 The Union leaders demand that full-length freight trains be cut to about half their length, even though such trains are most efficient for low-cost service to you. This rule would call for twice as many locomotives, would double the number of trains, and make accidents more likely.

Additional equipment, yards, and other facilities required to take care of these short trains would cost hundreds of millions. What the Union leaders really want is to make more jobs.
 The Union leaders demand that when a crew in one class of service perform incidental service of another class, they will be paid not less than a day's pay for each class, even though all service is performed as a part of the same day's

work. The crew would get at least two days' pay for one day's work.
 The Union leaders demand that the present basic day for passenger con-

ductors and trainmen be reduced from 150 to 100 miles, which would have the effect of increasing their pay 50%. Such a run often takes only two or three hours!

You Can't Afford This Waste
 Demands like these are against the interests of the whole American people, who depend on railroad service for nearly everything they eat, wear and use.
 These rules would cost a BILLION DOLLARS annually—a gigantic waste which neither the railroads nor the country can afford.

Railroad workers are good citizens and good employees, with pride in their calling. Their record during the war was outstanding. We do not believe they fully understand the "featherbed" rules which the Union leaders are demanding. We do not believe they understand the harmful results which these rules would have to the railroad industry, to the millions of men and women dependent on railroads for their livelihood, and to the shipping and consuming public.

The great strength of America is in production—an honest day's work for an honest day's pay.

For only through greater production can we hope to stop the steady upward surge of living costs.

Surely, if ever there was a time in our history when we needed to work, not waste, this is it.

HELP BUILD AMERICA'S AIR POWER
on AIR FORCE DAY, AUGUST 1ST

No one today questions the fact that the whole future of the United States may rest in the very clouds over your head. And the new, reorganized Air Forces give thousands of eligible young men an opportunity to take an active part in building America's air power... on the ground as well as in the sky.

You may, for example, enlist in the Air Forces for three years. If you have a specialty which will qualify you, you may also be able to enlist in a grade at higher pay.

If you have had Air Forces experience, you may join the Air Reserve and continue your military aviation training outside of business hours.

Or, you may join the Air National Guard and perhaps become eligible for advanced technical training at special Air National Guard schools.

On Air Force Day, make a point of finding out everything about your Air Forces—especially the new Aviation Career Plan described below. Full details can be obtained at your U. S. Army Recruiting Station.

NOW—THE WORLD'S GREATEST OPPORTUNITY FOR A CAREER IN AVIATION

Today the Army Air Forces offer high school graduates an unprecedented opportunity to get the finest aviation schooling on earth—and select your school or course before you enlist.

The AAF Career Plan is unlike anything ever offered before. It permits selected high school graduates to apply and qualify for AAF specialized courses of their own choice. Simply go to your U. S. Army Recruiting Station, advise the Recruiting Officer the kind of aviation training you want and he will provide you with an application blank and a complete list of available courses.

When you are selected to attend the course of your choice, you enlist in the Army Air Forces for 3, 4 or 5 years. After your basic training period you are guaranteed the education you have selected to make you a specialist in the type of work you want.

Get a list of all the schools and courses open to you under the AAF Aviation Career Plan at your U. S. Army Recruiting Station.

Red Cross News

J. V. Phillips, state relations officer of the American Red Cross spent two days at chapter headquarters of the Oakland County Chapter American Red Cross last week in the interest of the disaster preparedness program. Mr. Phillips held individual conferences with members of the disaster committee reviewing with them their responsibility in event of an emergency. Each member of the committee is forming a sub-committee and will present a plan for the operation of his committee. The plans will be combined forming a general plan for the entire county.

Protect Potatoes By Timely Spray

Farmers who want to make a success of their potato crop this year should not neglect thorough and timely applications of spray, points out Karl D. Bailey, county agricultural agent. Farmers sometimes quit spraying too soon. If plants are large, spraying is often difficult, but should not be abandoned. Since 50 percent of the potato yield is made in the last few weeks of the season, spraying should be continued until frost or harvest.

H. C. Moore, potato specialist at Michigan State college, has supplied the following information to agent Karl D. Bailey, showing the value of spraying potatoes.

MSC tests have shown that spraying with DDT improves the quality of the potatoes and steps up production from 60 to 100 bushels per acre. Plants should be sprayed first when they are 4 to 5 inches high. If plants have gone beyond this size and have not been sprayed yet, the spraying should start immediately. Spraying every 7 to 10 days is recommended.

DDT will control flea beetles and potato leaf hopper. The hopper often causes severe damage after haying time as it leaves the hay fields and migrates to the potato fields after hay is cut.

Effective use of DDT comes when it is mixed with Bordeaux mixture or a fixed copper solution. The Bordeaux mixture or fixed copper solution will control blight. DDT should be added last and the solution sprayed as heavy as 125 gallons to the acre. The tractor should be driven slowly to get complete coverage. Agent Karl D. Bailey's office can give spraying recommendations for the Oakland county area.

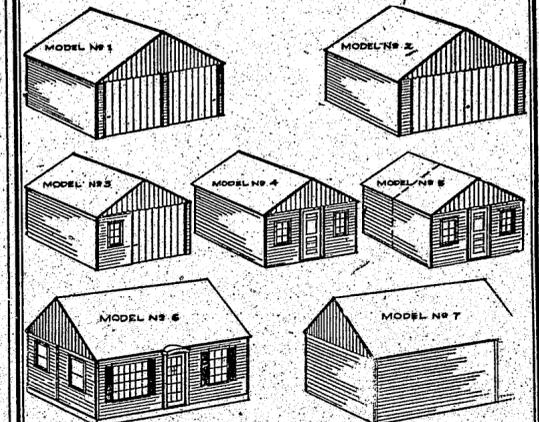

Guernsey Starts Junior Record

A registered Guernsey cow, Woldumar Farms Star, owned by Harry C. and Gordon C. Bates, Clarkston, has completed an official Herd Improvement record of 9445 pounds of milk and 541 pounds of butterfat, starting her record as a junior four-year old. Farms Star is the second daughter of the registered Guernsey sire Sir Woldumar, owned by Nelson Whipple and John Churchey, Mason, Mich.

This record was supervised by the Michigan State College and reported to The American Guernsey Cattle Club for approval and publication.

1937 telephone rates won't work in 1947

THERE have been a lot of changes moneywise since 1937. Wages have gone up. Taxes have gone up. Prices of most things have advanced. But during this time, telephone rates haven't budged an inch ahead.

The last rate increase, in fact, was in 1926—21 years ago! From then until 1937 telephone rates went down substantially. Since 1937, there have been even further local reductions in a number of exchanges, and toll rates have come down too. But, in general, the 1937 rates prevail today.

Looking at the other side of the ledger, post-war wage adjustments alone, including settlements reached during the recent strike, have boosted our costs \$11,000,000 a year. All our other costs have risen, too.

But our income hasn't gone up nearly as fast as our costs. In the ten years since 1937, income has increased 141%. Costs have gone up 193%. Our return on investment has dropped more than a third.

We've held the line on rates just as long as possible. Now we have to ask

for an increase in order to protect our customers' service.

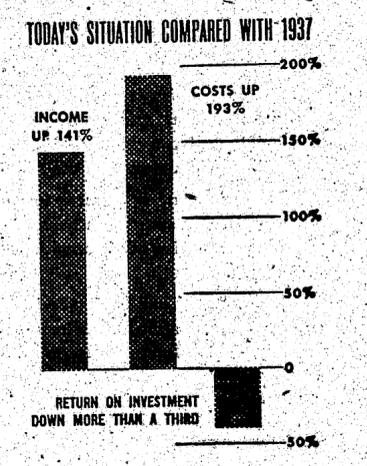

We still have a lot of additions to make to the telephone system before we can give service to those who are waiting, and give better service to everybody. This will take a lot of money... money which must come from investors. Investors will put up the money only if they are assured a fair return, which we cannot provide under our present rates. A growing business, especially, has to earn a good return in order to attract the capital needed for growth.

So the future of Michigan's telephone service depends on raising rates enough to assure the financial stability of your telephone company.

That's why we're going to ask the Michigan Public Service Commission for a public hearing to review our proposed new schedule of rates. (The Public Service Commission is the body established by State law and appointed by the Governor to regulate utility rates.) During the week of August 3, we'll publish details of the proposed

rates throughout Michigan Bell territory. After that, we'll file the petition with the Commission.

We feel the same way you do about raising rates. We'd rather not have to do it. But, when the quality of your service is in question, we have no alternative.

NOTE: Where the term "income" is used above, it is meaning in the same as "Revenue" or "Gross Income." Where the term "Investment" is used, it means the original cost of the telephone property, less the depreciation reserve accrued against the ultimate retirement of the property.

From where I sit... by Joe Marsh Jane Cupper's "Daring" Bathing Suit

The Cuppers showed me some tin-types of their nineteen-ten vacation—picnicking on the beach with beer and pretzels, in bathing suits that made them look like they were dressed in street-wear.

Dee was smothered in a long-sleeved pull-over with knee length shorts, and looking embarrassed—as if he thought Jane's costume of a heavy blouse, two copious skirts, and long black stockings was a little daring.

We laughed a lot at those costumes... but come to think of it,

Kroger Close to Cost! Now and then someone comes up with the idea that Kroger makes 10% or 15% or even 20% per dollar sale. Actually, Kroger's net income last year was less than 1%. That's not even 2c on each dollar of sales. No business shows a smaller profit margin than the retail food business. Kroger prices are always close to cost.

Farmers Fly to M.S.C. Meet

Michigan farmers established a new link in their contact with Michigan State college on July 8 when over 150 of them landed on the campus in 60 planes for the annual meeting of the Michigan Flying Farmers.

Above are some of the planes on the special landing strip set aside on the college farms. Below, M.S.C. President John A. Hannah (center) welcomes Lee Talladay, Milan, (left) President of the Michigan Flying Farmers, to the campus. Milton Grinnell, editor of the *Michigan Farmer*, (right).

Can Or Freeze Cherries Now

Cherries are one of those fruits which can take a lot of sugar or just a little at canning time. But sugared or unsugared, canned or frozen, they are worth the trouble to have crusty cherry pies, cobblers or fruit sauces next winter. Roberta Hershey, foods specialist at Michigan State college, advises that you use well-ripened, firm cherries. Wash and pit.

to grow in the very top layer of the soil where they fail to gather nutrients they need for growth.

Garden sprinklers which attach to the hose do a good job and range from small outfits to ones which will cover a square fifty feet on a side. Canvas hose can be used for watering by placing it in the rows between the plants. It is made so that the water oozes out slowly. This type of hose comes in convenient lengths.

Cherries can be canned without sweetening. However, flavor, color and texture are usually improved when sugar is used.

For freezing, select high-quality, firm, fully ripened fruit, and freeze as soon as possible after picking. Wash and remove stems, discarding any injured cherries.

Sweet cherries should be packed into cartons and covered with 50 percent sirup using 1 cup of water to each cup of sugar. Stir sirup until sugar is completely dissolved. Chill before adding to cherries. Close cartons and put in freezer without delay.

Pit sour cherries, add one cup of sugar to each three or four cups of cherries, pack in cartons and freeze immediately.

Use a container which has a tight seal and does not leak. The more nearly moisture-proof and vapor-proof the carton, the better the frozen fruit will be. Allow a space of 1/2 to 3/4 inches at the top for expansion during freezing. Manufacturers' directions will tell you about the space to leave.

Home Gardens Need Water

Despite a rainy spring, many home gardens would benefit from regular watering now, advises Jack Rose, garden specialist at Michigan State college. Curling of leaves or browning of lower leaves is a sure sign that the plant needs water.

Water should be applied at the rate of about one inch per week. One inch of water usually moistens the soil to a depth of three or four inches. Care should be taken that the soil receives a full inch of water each time you sprinkle. Do not set the sprinkler in one place for a half-hour and moisten the top half-inch of soil. Shallow watering encourages roots

Township Board Meets Wednesday

The Township Board will meet Wednesday morning, August 6th, at 9 o'clock at the Independence Township Hall.

Harold J. Doebler, Clerk

CANARY JOINS LAB STAFF

HARMARVILLE, PA.—This canary has a new job—guarding the lives of research workers. Gulf laboratory employs three of the songsters at their pilot plant for producing gasoline from natural gas and coal. By exhibiting signs of distress, the canary signals—almost at once—the leakage of deadly carbon monoxide used in the process. While scientific devices also are used, workers here still rely heavily on the canary's vigilance, easily-noticed reaction, and his uncanny ability to distinguish poisonous gas from the other fumes given off in the history-making coal-gasoline development.
