Boy Scout News

We opened our meeting by going through the regular scout routine, that is, saying the pledge to the flag, the scout oath and laws. Then we learned some first aid. After our meeting we played basketball having Russell Waggener as referee.

The boy scouts received their charter which is on display in the window of the Ainsley-Henry Appliance Store. We wish that everyone would stop and look at his mother, Mrs. Hortense Leak

Our paper drive turned out to be a real success and we wish to thank all who contributed to it.

Homecoming Day Sunady, October 12

The traditional Homecoming Day Services will be held at the Waterford Community Church, Andersonville Rd., near U. S. 10 on Sunday, October 12. An all day program, featuring former pastors and workers has been prepared. Included in the program will be musical selections by Orville Borst Pat Younger and his daughter Shirley, Gertrude Richardson John Broekhuizen, Mary Buck Lindquist, Mr. and Mrs. H. Burt and Rev. Nelson Kring. Rev. T. M. Wright of Muskegon, who is to be the speaker for the Fall Evangelistic Campaign, will be the speaker of the day.

The services will begin with Sunday School at 10:00 A. M., followed by the Morning Homecoming worship service at 11:15. A reunion dinner, sponsored by the Adult Bible Class, will be held immediately following. In the afternoon, beginning at 3:00, "Echoes of Former Days" will be the theme of the service, at which time old timers will tell new timers of things that happened long ago. This meeting will be followed by evening the young people will earlier than usual, at 7 o'clock. and will be in the form of an old fashioned Gospel service, with Rev. Wright speaking, and various

Get the right job, girls, and you may get a husband. Read about the careers with the best opportun-

ities for matrimony. Read "JOBS THAT GET HUSBANDS", in The American Weekly, great magazine with this Sunday's (October 12) issue of The Detroit Sunday Times.

Listen for the "hum-m-m"

on your telephone, too

The "hum-m-m" of the dial tone is your "go ahead" signal to dial. So be sure to WAIT for it before you start to dial. Otherwise you'll get a wrong number or no number at all. Occasionally there may be a slight delay before you hear the dial tone. That's because the central office dial switching equipment is momentarily handling all the calls it can. The grade children held their first assembly last Wednesday. They enjoyed a band concert by the high school band under the direction of Mr. Ladd. An interesting feature of the program was the introduction of the individual players and a short talk about each instrument by Mr. Ladd.

The eighth grade is getting off to a good start this year. We elected class officers which are as follows: president, Frank Keelean; vice president, Avis Shorts; secretary, Zona Marks; treasurer, Arlene Urick.

The class had its first party, a hayride, on Friday night, September 23. We elected a committee to be in charge of the party and they should be complimented because they did a swell job, Those on the committee were Frank Keelean, Mary Lou Althouse, Fred Groven and Mary Ellen Curry. Lasts long...and lasts well!

The records prove that no car lasts longer than a Pontiac-but this is only half the story! For Pontiac continues, throughout the years, to render fine performance—to give its owner the same thrill he felt when he first took the wheel. Owners who have driven their Pontiacs for five, seven, and even ten years will testify that their cars still give complete satisfaction in every way. For Pontiac is a GOOD car-designed and built to stay on the job. This is a basic Pontiac virtue-and is true of Pontiac year after year. So regardless of when you expect to get your next car, get a Pontiac. It will not only last long -it will last well!

DUE TO OUR UNFILLED ORDERS ON HAND, vou may experience some delay in getting a new Pontiac. Place your order now to avoid further delay. In the meantime, let us keep your present car operating at top efficiency.

ADVISE CARE OF RASPBERRIES

The old raspberry canes tha bore this summer's crop should be cut off near the ground, removed from the plantation and burned, advises C. E. Russell, Michigan State college horticulturist.

Removal of the old canes will aid in the control of insects and diseases such as cane borer and anthracnose disease.

New canes that were produced this summer and which will bear next season's crop should not be pruned until March or April, Information on pruning is given in Extension folder 74, "Practical Hints on Raspberry Growing". A copy may be obtained from county agricultural-agents or by writing to the Bulletin Office, Department of Public Relations, East Lansing.

USE CARE IN POTATO DIGGING AND STORING

Potato danger season, both digging and storing, is here, says H. Moore, potato specialist at ish or threat of rot.

Late blight and field frosts are two common causes of potatoes rotting. Although the blight was light over Michigan this year, farmers shouldn't take a chance with the infection. Sometimes potatoes from fields only lightly infected with late blight rot easily in storage where the dirt and moisture on the potatoes favor the growth of the blight rot. It's always safer

HUNTERS WARNED

With the opening of the small game season but a few days away, Michigan Department of Health today repeated its warning about tularemia.

Tularemia is a disease of rodents and men which is found in all parts of the United States. In man it is extremely painful, difficult to treat, and it can be fatal. Hunters most often catch it:

There were 21 cases of tularemia

eported in Michigan last year all but one of them during the hunting season. Five cases have been reported to date this year.

Man usually gets the disease from handling or eating the car-cus of an infected rabbit, although the organism causing the disease
