How To Hunt With Safety

It's fall again. The gridirons are back in their glory, resounding to college yells. The woods of America will soon be filled with hunters, and the game wardens, landowners and farmers are going to have their hands full because, unless Americans have changed, animals, barns, chicken coops, automobiles, and even human beings are going to get shot at.

Roughly 12,000,000 guys throughout this broad land are oiling up their guns and the state authorities know what is coming. While the vast majority of hunters will come out of the woods and fields with their legitimate bag, it will be the small minority that catches the newspaper headlines from coast to coast. Past experience has proved that roughly 1,000 people will meet death by gunfire during the months of October, November, and December, the hunting months. True, only about one-third of the number will take place in the field where someone mistakes his buddy for a deer or pulls some similar slap-happy stunt. The others will be accounted for by faulty gun handling in homes and cars.

In 1945, the last year that statistics on accidental deaths by firearms are available, there were 2,454 deaths caused by guns. The average per month was 205. However, take away the hunting months and the average drops to 165. In October, November, and December, 980 people or 40 per cent of the year's total met death by firearms. From these figures it's easy to see some of the mayhem that Carelessness, Ignorance and Selfishness cause in the woods.

The National Rifle Association has tried for years to get the grim reaper out of the forest, and through its years of experience has formulated five simple gun rules which, if followed, would wipe out the "Trigger Happy Harry" incidents in the great American sport.

Here they are. Follow them and "Hunt with Safety."

1. Always point the gun muzzle in a SAFE direction.
2. Ask yourself: Is that gun loaded?
3. Be SURE of your target.
4. Be SURE of your backstop.
5. KNOW your gun and ammunition.

Hedding-Sargent Rites Read In Berkley

On Saturday evening, Nov. 1 at 8:30 the First Baptist church of Berkley was the scene of a very pretty candlelight wedding, when Helen Hedding, daughter of Mr. and Mrs. Noble G. Hedding of 28080 Stuart Ave., Berkley, was united in marriage to Charles

Sargent, Jr., son of Mr. and Mrs. Charles Sargent, Sr., of Stahtstown, Penn. The bride is the granddaughter of Mrs. Anna Losche of 4011 S. Drive, Drayton Plains.

The double ring ceremony, witnessed by 125 guests was performed by the Reverend John Hopkins, pastor of the Berkley Baptist church at an altar banked with palms, baskets of tea roses and chrysanthemums with lighted candles in silver candelabra on either side.

Miss Victoria Cortoria of Berkley sang "I Love You Truly" and "Because" accompanied at the organ by Mrs. Isabelle Olive, also of Berkley.

The bride, given in marriage by her father, was gowned in ivory satin with a sweetheart neckline; long full sleeves ending in points over the wrists; fitted bodice and full skirt with a peplum was edged with seed pearls in designs of flowers. Her finger-tip veil fell from a tiara of seed pearls, and her only jewelry was a lavalier, an heirloom of her grandmother. She carried an arm bouquet of white roses and pom pom chrysanthemums.

The maid of honor, Jane Shaver of Berkley, was gowned in light aqua taffeta made with a sweetheart neckline, puffed sleeves and fitted bodice attached to a full tiered, ruffle skirt. She wore a ruffled tiara of the same color and material as her dress. She wore white net mitts and carried an arm bouquet of pom pom chrysanthemums.

Bridesmaids were Mary Lou Teichman of Birmingham and Dorothy Auman of Berkley. Their gowns, mitts, tiaras and arm bouquets of pink pom pom chrysanthemums were identical excepting Mary's dress was rose taffeta and Dorothy's was dark aqua.

Assisting Mr. Sargent as best man was Earl Auman of Berkley, Robert Schrieber and George DeClerque also of Berkley, seated the guests.

For her daughter's wedding, Mrs. Hedding chose a print jersey dress with black accessories and a corsage of red roses and white carnations.

Following the ceremony a reception was held in the V. F. W. hall in Hazel Park where 150 guests were received by the newly married couple. The couple left for a week's honeymoon visiting the groom's parents, in Stahtstown, Penn. For traveling, Mrs. Sargent, Jr. wore a green gabardine suit with black accessories.

Upon their return they will reside at 2904 East St., Drayton Plains.

Out of town guests were from Stahtsburg, Penn., Arcadia and Tifton, Ind., Benton Harbor, Watervliet, South Haven, Mt. Pleasant, Detroit and Drayton Plains.

Patients Should Have Ethics, Too A physician is a busy man. Day and night he is ready to give succor to those in need of his care. Let us be fair. Do not telephone him at mealtimes just because you know he can be reached. And do not call him at night, unless absolutely necessary. Confine your calls to his office hours as much as you can. That is what office hours are for. Keep your appointments promptly, or notify him in advance that it is impossible for you to do so. In short, treat him as you would wish to be treated were you the physician. A sympathetic appreciation of his problems greatly enhances the help he can give. Mrs. Henry S. Booth, Chairman of the Oakland County Chapter

of the Michigan Society for Mental Hygiene announces that the County Chapter is holding a meeting Monday evening, November 10th at 8:15 p. m., in the Guild Hall, Christ Church, Cranbrook. This

Red Cross News

Enrollment of school children in Oakland County as members of Junior Red Cross has begun this week according to Marshall Smith, Chapter Chairman of the Oakland County Chapter. Enrollment will continue for two weeks and it is hoped that every school will enroll, thus providing participation of all school children. During the past year 158 schools have enrolled, among them parochial schools, senior and junior high schools and elementary schools.

Junior Red Cross is the division of membership of the American Red Cross which includes school-age children. In elementary schools enrollment is made in class rooms and each child is encouraged to earn his share of the enrollment fee. Following enrollment each class room receives the Junior Red Cross Journal is forwarded to the school.

During the past year a total of 38,640 articles for veterans hospitals and local institutions were produced and 2214 gift boxes were forwarded to foreign countries. Representatives from Oakland County attended a National Junior Red Cross training center and a local training center in another chapter. Juniors have been most helpful during the past year assisting with chapter activities volunteering many hours wherever assistance was needed. Junior Red Cross members have also participated in correspondence with Junior Red Cross in foreign countries, this correspondence consisting of an exchange of albums made by school rooms. These about the country in which the Juniors live. Albums received locally from foreign countries have been most educational.

Officials of the Exposition predict one of the largest shows in the history of this event by the time all entries are tabulated following their closing on November 1. They anticipate a showing of 12,000 head of beef cattle, draft horses, light horses and ponies, sheep and swine.

This year will mark the 25th anniversary of the International Grain and Hay Show, one of the largest competitive crops exhibits in the world. A 50 per cent increase in the cash premiums for this division is announced for this year's competition. Entries for the grain and hay classes will be accepted until November 10.

Daily Horse Shows will be the chief entertainment feature. They are scheduled every evening of the eight day run of the Exposition and on five afternoons.

There's an abundance of good soil-improving organic material in those leaves you usually rake and burn each fall. Michigan State college soil specialists advise that you put them into a compost pile and make use of the humus they will supply next summer and fall.
