Athletic Banquet Tuesday, Feb. 10

What promises to be an outstanding event will be the coming athletic banquet sponsored by the Clarkston Rotary Club. This banquet will honor the Clarkston High School football, basketball, and baseball teams. Chairman William Vliet and his committee have been working diligently for the past six weeks preparing a most interesting program. All those who will be lucky enough to secure tickets to this banquet are in for a most exciting and entertaining evening.

The principal speaker will be Harry Wismer, Assistant to the President of three powerful broadcasting stations, one of which is WJR of Detroit. What promised to be back in 1934 the beginning of an athletic career for Wismer under Coach Charlie Bachman at Michigan State College, turned out to be abruptly stopped due to leg injury the year before quarter-backing for the University of Florida Freshman Football Team against Georgia. Harry Wismer caused this disappointment to be the beginning of a spectacular career in the field of broadcasting, and in particular the field of sports. He liked radio and decided to leave school to seek the glamor and fortune of big-time announcing, appealing personally to the President of WJR for his first job in radio, after serving sometime with the Michigan State College radio station. Shortly after starting with WJR he was announcing the Detroit Loops games as a Cub reporter.

In February, 1945 Wismer won the ESQUIRE magazine award for the "Outstanding Sportscaster" for 1944. Also, in 1945 and 1946 he received the Washington Touchdown Club presentation, and later the Atlanta, Georgia Touchdown Club named Wismer as the "Sportscaster" who has done most for southern athletics. His most cherished honor came this past winter when the U. S. Junior Chamber of Commerce voted him one of the "Ten Outstanding Young Men of Today". Today, Harry at 34 is known as the "Fabulous Whizz". Besides serving as Assistant to the President of three large stations, he is Sports Director of the American Broadcasting Company, winning the Sports News Award for four consecutive years as the nation's number one "Sportscaster".

To cover all of these events, it is necessary for him to travel approximately 600,000 miles a year, ranging from California to New York and the Gulf Coast. He has to catch his home life on the run between broadcasts, board meetings and speaking engagements. He and his wife and two children, Henry Richards, 6, and Wendy, 3, live on the outskirts of Detroit.

Get your tickets for the banquet at the O'Dell Drug Store.

You Are Invited

Like magic, music, and refreshments? Then come to the Springfield Youth Center in Springfield Township on Saturday night, January 31st at 8:30. This good time is free to all.

Clarkston Team Still Unbeaten

The rampaging Wolves of Clarkston High, Tuesday night lengthened their unbeaten string to 8 games by running over Goodrich 42 to 28.

The Senior team took the floor for the first quarter and as the Junior five came in at the start of the second the score stood 11-11.

C. H. S. gained its points through the efforts of Greathouse, Leak McGee, Ludwig and Anderson. Troyer kept Goodrich in the running with 3 goals.

The Junior squad came off the floor with an 8 point lead at the half. Wells and Dubats each had four, and Adams and Leak two to give a 23-15 half-time score.

McGee poured in four and Greathouse and Ludwig each looped a basket before the Aggies scored in the third stanza. Greathouse dropped four more points to place the Wolves ahead 35-20 at the end of the period. The last period was fairly even, and as the teams left the floor, the board read 42-28.

Tonight, Log Cabin plays here at 7:30, followed by a game between Big Beaver and Auburn Heights, Tuesday Milford comes to test the undefeated Clarkston quintet.

Dick Doyle, scribe

Clarkston Locals

Mr. and Mrs. Ralph Marshall and daughter, Marsha, expect to leave Clarkston on Saturday. They will spend the weekend with her parents in Birmingham and go on to Delaware, Ohio, on Monday. Mr. Marshall will operate a Pontiac Sales and Service in Delaware.

Rev. and Mrs. William S. Ross attended the ordination service of Rev. Bruce Rohenau at the Evangelist Baptist Church in Dearborn on Tuesday, January 27th.

Dr. Virgil Emmett Workman of Drayton Plains and Miss Mary Hermoyan of Pontiac were united in marriage at the Baptist parsonage by the Rev. William S. Ross on Monday, January 26, at 7:00 P. M.

County To Have Cancer Center

A Cancer Detection Center will open in Oakland County, February 10th at St. Joseph Mercy Hospital, Pontiac. Appointments are now being made for persons wishing cancer examination at the American Cancer Society's Oakland County office in the County Health Department, 15 W. Huron St., Pontiac, telephone 2-5620. It is to be especially noted that this is not for treatment and only for early detection of cancer.

The American Cancer Society and Oakland County Medical society are undertaking a cancer detection center for a trial period of 6 months at St. Joseph Mercy Hospital. Dr. Richard E. Olsen has been named to serve as Medical Chairman of the center by Dr. Howard B. Baker, president of the O.C.M.S. The center will be located in the St. Joseph Mercy Hospital Clinic and will open each Tuesday morning at 8 a. m. Four doctors will volunteer their services for the examination which will be free. The purpose of the A.C.S. is three fold, one is to educate the public to danger signals of cancer, one to expand the scientific research attack now being conducted by the national research council, and one to provide better facilities for prevention and diagnosis of cancer.

All Oakland County Doctors will participate in the project, rotating weekly. It is hoped that simple laboratory work and micro films of the chest can be done in addition to the physical examination. Dr. Olsen's Committee is: Dr. James Morton, Dr. C. T. Ekelund, Dr. Chas. A. Neafie, and Dr. D. H. Hoyt of Pontiac; Dr. Palmer E. Sutton and Dr. Robt. H. Hasner of Royal Oak; and Dr. John Norup of Berkley.

In the six months period the office has been open there have been 23,389 dressings given to patients and there are over eighty organizations working making pads.

The A.C.S. office at Pontiac is maintained by volunteer workers and is open from 10 a. m. to 4 p. m. daily, Monday thru Friday. It is the center from which collouse is dispensed and where the finished dressings are received, which are then sterilized at Oakland County Contagious Hospital and then ready for distribution free of charge to any Cancer patient in the County.

Mrs. E. L. Tibbals, Jr. is Oakland County Chairman and Mrs. Ted Koella, Jr. is chairman of the cancer detection center for the A.C.S.

Your local chairman is Mrs. Elmer Pettengill with Mrs. Gray Robertson, Patient's Aid Chairman.

Plan To Attend Valentine Dance

On Saturday night, February 14, the Michigan Rangers Club will sponsor a Valentine Dance in the Clarkston School gym. There will be modern and old time dancing and a good time is assured. Keep the date in mind and make plans to attend. Tickets will be on sale at the door.

Mrs. Ethel Shelley of Portland, Oregon, is visiting with Mrs. N. E. Maytag. She expects to stay here for some time.

Leap Year Dance At School Tonight

The girls are paying the way tonight and liking it! After two weeks of planning, ordering and making arrangements, the G. A. Hospital, Pontiac, is putting on the "Leap Year Dance" tonight. Spike Masters and his eight gates will start making with the music at approximately ten o'clock. Tickets are now on sale.

Before the dance starts, three basketball games will be played. The first, a girls' basketball game, will start at six when the Clarkston girls meet Holly. Mrs. Berg, the girls' team coach, has led the girls to victory in two games and everyone is hoping that she will continue to do so.

The next two games the Wolves tangle with Country Day and Big Beaver mixes with Auburn Heights.

Refreshments will be served from seven o'clock on.

Church News

Help Put Books On Library Shelves

The sale of waste paper in Clarkston and vicinity has helped to give the children of the elementary school an exceptionally fine library. Of course there are many vacant spots on the shelves just waiting for those new books that will be purchased after the next waste paper drive. Good reading is essential in the training of boys and girls. The school library is an excellent place for these children to get the proper books to read.

Parents or anyone interested are invited to visit the school library. It is open to the children every Wednesday afternoon and several adults are in attendance to help the children make selections and do the general library work.

Some time in February there will be a waste paper drive. Every home is asked to have a few bundles ready. Let's make it the biggest drive ever held remembering that the proceeds will put new books on the library shelves.

Fun Galore At Old Springfield School

There's going to be a "hot" time in the "Old Springfield School" on Saturday night, Jan. 31st.

The fuel shortage will be but a sweet memory, after you have listened to the red hot rhythm of the Four Hicks of Harmony, who for the first time make their appearance at the Springfield school.

Come out and meet this boresome foursome in their antic and frantic impersonations. There's Blockhead, Hardhead, Jughead and Deadhead, who'll whoop and holler their way through the evening's program.

Also for your enjoyment there'll be "Horton the Great", the magician, in a return engagement, to amaze you with his power of mystification.

Come out and enjoy the evening of fun and foolishness and bring your friends.

This program is sponsored by the Springfield Youth Center.

Let's give them a big hand folks for they're doing a fine job.

P. T. A. Sponsors Hot Lunch

On Thursday of this week approximately 100 children enjoyed a bowl of hot vegetable soup and crackers at the lunch hour. Mrs. Kenneth Johnson was the chairman and was assisted by Mrs. Henry Dawley, Mrs. Elmer Collins and Mrs. Ralph Walton.

On Thursday of next week hot cream of tomato soup and crackers will be served. Each child wishing to have this hot dish is to bring a dime to school not later than Tuesday.

A hot dish will be served on Thursdays only until a workable schedule can be arranged. If enough mothers are interested in the project to be willing to help then perhaps a hot dish will be served on 2 or 3 days a week.

4-H Clubs Send Seeds To Europe

The 4-H Clubs of Michigan are doing something to help the people of Europe and its program that will help these people to help themselves.

Beginning now, 4-H Club groups are working to provide packages of vegetable seeds for hungry Europeans. The packages, while weighing only a little over two pounds, will produce up to five tons of vegetables. The seeds included are enough for a garden for a family of four and the selection was made by authorities on gardening. The program is conducted in cooperation with the American Seed Trade Association.

Among the 24 vegetables included in the assortment are peas, beans, beets, carrots, onions, radishes, cabbage, cauliflower, cucumber, lettuce, tomato, turnips, and many others.

Local 4-H Clubs are organizing at the present time to solicit funds for the project. The cost of each package, delivered, is \$3.95. All orders must be in by February 25, so that full use can be made of seeds this year.

Persons wishing to contribute to the drive should contact their local 4-H organization or County Extension office for information.

Word Comes From Milo E. Shaw

A letter from Milo E. Shaw who has been in the U. S. Navy for some time and is stationed at Brooklyn, N. Y. sends thanks to the Service Mothers for remembering him while he has been in service. He says that in the last year and a half his duties have varied a great deal but he has enjoyed his work very much. His last assignment gave him a grand opportunity to see New York City as well as a good share of New York State, New Jersey, Pennsylvania, Connecticut and some of Delaware. He has had the privilege of chaffering some of the top war leaders of the United States as well as those from several foreign countries.

Milo was married to a Brooklyn girl on Dec. 13th. They have an apartment in the Flatbush section of Brooklyn.

He expects to get a leave of absence next month and will then come to Michigan to visit his relatives and friends here.

W. S. C. S. Circles Meet Next Week

The Marthas will meet on Tuesday afternoon at the home of Mrs. Keith Leak with a pot-luck luncheon at 12:30. Each one will provide her own table service and a dish of food to pass.

The Dorcas group will meet at the home of Mrs. William Sharpe on Wednesday, Feb. 4th. There will be a pot luck luncheon at 12:30 with each person providing her own table service and a

Waterford

A cablegram dated Jan. 23, was received from Belem, South America stating that Miss Ruth Halk had arrived safely. Miss Halk goes as a missionary. The church here is interested in her welfare. A farewell party sponsored by the missionary group was given in her honor shortly before her departure. Mrs. Stephen Phetteplace is Miss Halk's aunt and Elizabeth Jencks is her cousin.

On Sunday the Waterford Community Church had a missionary program when Mrs. William Granger and Mrs. Charles Maxwell gave reports on the missionary work that had been accomplished. Speakers of the day were Dr. J. C. Thiessen, Miss Osborne and Miss Hunt from the Hebrew Christian Mission in Detroit. They told of their work with the boys, girls and adults in the mission. To complete the program for the day Dr. Thiessen showed pictures of Palestine in the older days and the Palestine of today. He explained the pictures making them interesting and instructive.

Rev. Wright VanFlew spent Monday in Muskegon where he attended the monthly Bible meeting of the Michigan Regional Independent Fundamental Conference.

The Adult Bible Class will meet on Feb. 3rd instead of on the 10th. The meeting will be held at the home of Mr. and Mrs. Wallace Brown at 7:30 p. m. The Bible word for roll call will be "hand".

The Waterford Beacon Club will hold their January meeting at the church on Saturday evening, Jan. 31st at 6 o'clock. A pot-luck dinner will be served. Leslie Dingman will be the leader and all men are invited to attend and enjoy a program and an evening of fellowship.

At the executive board meeting of the Newberry P. T. A., on Wednesday William Shunck, superintendent of the Waterford Township schools, spoke on "Waterford

schools in the future". Special music was presented by the Waterford Township School orchestra. The orchestra is comprised of students from Drayton Plains, Hudson-Covert and Waterford schools. The director is James Vandersall.

John Watchpocket returned on Sunday after spending several days in Detroit with his brother-in-law and sister, Mr. and Mrs. Edward George.

Mr. and Mrs. Donald White and small daughter accompanied Mr. and Mrs. Louis Dorman, Sr., on a trip to Florida last week. Mrs. Henri Buck has been teaching in the village school for a few days this week and part of last week substituting for Miss Marks who has been ill.

On Tuesday, Feb. 17th, the Waterford-Drayton Rotary Club will sponsor an Auction Sale. All articles for the auction may be left at Beattie Motor Sales or at Jacober's Market and if any of the articles are too large to carry to these points then the donor is asked to call Bill Jacober or Ed Lambertson and they will see that they are picked up. This project is for the benefit of the Community Activities Inc., building.

The Gospel Fellowship group of the Waterford Community Sunday School had their January meeting at the home of their teacher, Mrs. Charles Maxwell, Sr., on Thursday evening of last week. There were 14 present. Maxine Giddings, president, conducted the business meeting when it was decided to have a "Singspiration" at the church following the evening service on Feb. 8th, to honor Rev. and Mrs. Nelson Krings who with their family are leaving to serve at Mazula, Montana, in the near future. A gift will be presented to the honorees. Those wishing to contribute are asked to contact Miss Peggy Brown by or before Feb. 1st. Leslie Dingman was the guest speaker. Refreshments were served.

The Christ Lutheran Sunday School has adopted a three year old girl in Finland. The child is one of six whose parents are in ill health. The name is Sisko Kaarino Kuitavaniemi. Mrs. Roy Olson obtained the child's name, age and size through the Save the Children Federation. The Sunday School will send \$8 a month for her support and will also send donations of clothing. The other children in the family range from one to sixteen years.

The Christ Lutheran Sunday School staff met at the home of Mr. and Mrs. Joseph Helman last Friday evening. It was announced that the two lots being purchased by the Sunday School are now paid for. The lots are adjacent to church property on Williams Lake Road. The group voted to send \$5 to the "Crimson Heart" drive. The Rev. Philip Jordan showed two interesting films.

Estelle Burnett's eighth grade of the village school met at the home of Donna Kay Lambertson on Friday night for a class party. Twenty-five young people enjoyed table tennis and movies. Refreshments were served at the close of a very fine evening.

Mrs. Frank Grenier entertained 12 children on Saturday afternoon at a birthday party honoring her

son, Gary, who was celebrating his 7th birthday. The young folks had a good time playing games and then were served birthday cake and ice cream. Gary enjoyed opening his many gifts.

There will be a Cub pack meeting at the Williams Lake school at 7:30. Den 1 will present a skit. Mrs. George Aitwater and Mrs. Emery Beedle are the Den mothers.

Jack McCaffrey, Jack Saylor and Donald Beedle who attend college at Bowling Green, Ohio, have been at their homes this week and will not return to their studies until next Tuesday on account of the heating conditions at the school.

Jack Davidson returned to school on Tuesday after being ill with the flu for several days.

Mr. and Mrs. Robert VanMarter and Mr. and Mrs. Seaholm of Birmingham spent Tuesday attending Farmers' Week at Michigan State college.

The Saturday night dance at the Community Activities building drew a large crowd. These dances are planned to furnish a good time for all in the surrounding district. The young as well as the old enjoy the square dances and the modern dances. Here you can have an evening of good, clean entertainment at a reasonable charge. Plan to attend these dances on Saturday nights.

A community party will be held at the Community Activities on Feb. 6th. Prizes for the party are on display at the Jacober Market. The proceeds will be placed in the building fund.

The Waterford Township High School band has set Feb. 20th as the date for the "Cherry Ball" to be held at the high school. Proceeds from this party will be used toward purchase of new uniforms for the band. A well known Clarkston orchestra will furnish music from 8 until 12. Ted Pierson, president of the band will act as chairman of the dance and Barbara Mainik, vice president, will act as co-chairman. Shirley Gesch and John Novess will supervise the decorating which will be done by the entire band.

The O.D.O. held their meeting on Thursday at the home of Mrs. Jack Hall. The day was spent making rugs. The group enjoyed a dinner pall lunch.

Many birthdays were celebrated in Waterford during the past week. On Saturday evening Mr. and Mrs. Lewis Hillman entertained in honor of their daughter, Shirley Gesch, who was celebrating her 18th birthday on Sunday. Several young couples enjoyed games during the evening and after refreshments were served the honoree opened with pleasure her many lovely gifts. To complete the evening the group went to the Community Activities building where they had a good time dancing. On Sunday Donald Carter, son of George Carter, and James Helman, son of Mr. and Mrs. Joseph Helman, celebrated their birthdays. James Helman's aunt, Mrs. Leona McCaffrey, also celebrated her birthday.

The committee for drafting a constitution and by-laws for the Ladies' Guild of Christ Lutheran Church met at 8 o'clock on Tuesday evening at the home of Mrs. Gordon Boeneman.

The Board of Deacons of the Lutheran Church met on Tuesday night at the parsonage instead of at the home of Earl Grahl as was previously announced.

On Wednesday evening the choir of Christ Lutheran Church had the first rehearsal for the Easter music. The Waterford Community Church is also planning special Easter music and have started their rehearsals.

About sixty persons enjoyed the Singspiration at the home of Mr. and Mrs. James Simmons on Sunday night. Alton Goll was the leader and Fay Nelson presided at the piano. The Adult Bible Class assisted Mrs. Simmons in serving refreshments.

The Ladies' Auxiliary to Post 431, American Legion, will meet on Tuesday evening, Feb. 3rd at the home of Mrs. Jack Jacober in Drayton Plains. Mrs. Edwin Lambertson will conduct the meeting. The men of the Post will meet at the Old Mill Tavern, Louis Dorman, Jr., is the Post Commander.

Anyone in Waterford having items for publication in The Clarkston News are asked to contact Mrs. H. B. Mehlberg, phone 32-3383.

The members of the Adult Bible Class of the Waterford Community Sunday school are asked to note the change in the date of the meeting. The class will meet on Tuesday evening, Feb. 3rd, at 7:30 at the home of Mr. and Mrs. Wallace Brown.

William Shunck, superintendent of the Waterford Township Schools, was recently elected to the Vestry at Christ Church, Cranbrook.

The Boy Scouts of troop 31 and their leader, Carl Putman and committee men went on a week-end hike to the state park at Ortonville. They went last Friday and returned Sunday.

Norine Goll has recovered from an illness of the past week and has returned to school.

The January meeting of the village P.T.A., was held Thursday evening at the school with Mrs. Kenneth Valentine conducting the meeting.

Eleven children from Mrs. Ada Allen's fourth grade room gave several vocal and tonette numbers accompanied by Francis Reaves at the piano.

Mrs. Ralph Eaton reported that the health committee is trying to find a doctor to open an office in this community. She also announced that free dental care will be given at the clinic at Williams Lake school to children whose parents cannot afford a private dentist.

Mrs. Alfred Beebe was named magazine chairman; Eugene Cleland, budget; Mrs. Alvin Thaens, Dance; and Mrs. Leland Masters, Mothers club chairman, was asked to attend P.T.A. executive meetings in behalf of the Mothers club.

Mrs. Valentine reported that young people and married couples wishing to take ballroom dancing and square dancing may do so if enough state the desire to make up a class.

The P.T.A. executive board is responsible for the remodeling of the school's first aid room which was open for inspection Thursday evening. The room will be used

by teachers and ill children.

The group voted to give \$10 to the March of Dimes and Principal Arthur Johnson announced that the children will be given dime folders.

Mrs. William Cobb, program chairman, introduced Dr. Charles W. Sellers, associated with Grace Memorial hospital in Detroit. Dr. Sellers spoke on "Deliberation" and stated that "self reliance comes through deliberation", that "a child is less likely to do wrong when self reliant", and that "one cannot always live on someone else's efforts". He also declared that when parents change ways of punishing children they must expect long periods of adjustments before the change can be successful.

The policy with respect to P. T. A. owned and P. T. A. donated equipment was adopted by the Board of Education on January 15 and submitted to the P. T. A. to be placed in their minutes.

ANNUAL REPORT OF THE FIRE DEPARTMENT

Lloyd Sage has submitted the annual report of the Waterford Township Fire Department for 1947 which reads as follows:

The department responded to 130 calls during the year of 1947. The number of runs made were approximately 50 under the year 1946 due to a smaller number of grass fires.

The department made ten runs into White Lake Township which resulted in two of the department's worst blazes of the year.

On January 7, 1947, the Community Activities building on the Williams Lake Road caused the largest fire loss for the year in the township, which loss was placed at \$70,000 for building and contents. The fire had gained considerable headway before noticed by a passing motorist. A strong wind and freezing weather and the lack of water were a great handicap.

On July 14th a gasoline station at M59 and Porter Road in White Lake Township resulted in the next heaviest loss. Owned by Harry Tribble and occupied by Clinton Armstrong, the station and a gasoline tank truck owned by Shell Corporation suffered a loss of \$22,000 on the building and contents and a loss of \$6,000 on the tank truck which was valued at \$12,000. A Buick car valued at \$900 was also lost. The fire started from a cigarette and the gasoline made this fire a dangerous one to combat.

The home of Walter Finley at 1245 Round Lake Blvd., White Lake Twp., burned resulting in the third largest loss for the year. Valued at \$18,000 and \$9,000 on contents, it was a complete loss. The department was delayed due to a call being made to Walled Lake before Waterford got the alarm, and the fire had made considerable headway before they arrived.

Of the 130 runs on record for the year, 61 were homes, 10 were places of business, 1 church, 1 airplane, 7 automobiles, 3 trucks, 2 garages, 4 sheds, 2 house trailers, 1 small trailer, 1 Greyhound bus, 2 trees, 5 false and 23 grass fires.

Engine No. 1 responded to all of the calls but three, traveling 317 miles; and the tanker made 37 runs for the year.

The booster pump was put into operation 43 times, 3350 feet of 2 1/2 inch hose was laid, 3,000 feet

of 1 1/2 inch hose, soda acid extinguisher was used on 9 fires, water extinguishers on 9 fires, and 426 feet of ladder raised.

The total valuation on the property threatened by fire was placed at \$954,835 and a sustained loss of \$169,150 was suffered.

The department answered three assist calls from out of the township and received assistance three times during the year.

The department made three resuscitator calls during the year for drownings and heart attacks.

Persons living in Waterford Township and the east half of White Lake Township are urged to call 4-1212 immediately in case of fire and then do whatever is best to fight the fire; and to keep the building closed as much as possible until the department arrives.

In placing a call be sure to give your correct address and the general location because there are so many streets of similar names.

HISTORICAL WHITE ROCK MARKS BOUNDARY

A rock in Lake Huron marks the northern boundary of a treaty by which a large portion of Michigan was obtained from the Indians.

Called the "White Rock," it is approximately 100 yards from shore at a spot about nine miles south of Harbor Beach on M-29. On shore, a boulder with a bronze table marks the spot opposite which the White Rock is located. Swimmers may wade out to the rock as it now is in but a few feet of water.

The rock was chosen as a marker in a treaty made in Detroit, Nov. 17, 1807, because it was known to most of the thousands of Indians in the region at the time as a tribal meeting place, according to information at the Michigan Historical Collections of the University of Michigan.

It is theorized that the White Rock was made a meeting place by the Wyandotte, Ottawa, Chippewa and Potawatami Indians because it could be reached easily by canoe along the Lake Huron shore and was at the end of a trail across the Thumb.

The treaty was the first of four major treaties with the Indians through which the federal government obtained all of the Lower Peninsula, thus opening wide the legal doors to settlement.

By the treaty, the U. S. acquired the Indian title to that portion of the state which lies east of a line from Defiance, Ohio, due north to a point opposite the outlet of Lake Huron and then northeasterly to White Rock.

The territory embraced by the treaty includes the counties of Monroe, Lenawee, Wayne, Washtenaw, Macomb, Oakland, Livingston, St. Clair, Lapeer and Genesee, and a portion of Jackson, Ingham, Shiawassee, Tuscola and Sanilac.

Detroit and a limited area about it was not included in the treaty as it already was owned by the U. S. Michigan Historical Collections data indicates. By an earlier agreement between the federal government and the Indians, any land occupied by a fort previously owned by the French or British and then in the possession of the U. S. was considered U. S. territory.

CAN YOU BAKE A CHERRY PIE, BILLY BOY?

Can you bake a cherry pie—a really delightful delectable cherry pie? Any girl between 15 and 20 has a chance to be a county, state, or perhaps a national winner. All interested girls should get in touch with her school superintendent or a 4-H club leader in her community. During the week Jan. 26 - 31 the contest may be conducted in the community. Then Feb. 7 the county contest will be held for those who have been judged first in the community. From the county the winner will go to Grand Rapids for the state contest later in February.

Every pie will be judged by the following scorecard: **APPEARANCE:** Color: Even golden brown, 15%; Surface: Smooth, not wrinkled or cracked, 5%. **CRUST:** Texture: Flaky, crisp, thin, tender, not soggy or doughy, 20%; Flavor: Tasty, not "flat" or rancid (must be a two crust pie—open or lattice pie not eligible), 10%. **FILLING:** Flavor: Pleasing cherry, not over-spiced or under-

spiced or under-sweetened, 15%. **Consistency:** Creamy, smooth, not lumpy or watery, 15%. **Personality and poise of contestant,** 20%.

Every girl will have 3 or 4 minutes in which to discuss the pie she has baked. She might tell what she has learned or she may describe her recipe, method of preparation, etc.

Practise at home! Enter the contest! Be a winner.

"FOUR FREEDOMS" FOR LIVESTOCK AND POULTRY

"Four Freedoms" for America's farm livestock and poultry are listed by county agricultural agent Karl D. Bailey as wintertime measures to insure greater food production during the year.

In view of the present scarcity of feed and reduction in livestock, the agent declared that all four "freedoms" are especially vital this year. The American Foundation for Animal Health also urges the adoption of the practices to assure livestock comfort.

(1) Freedom from filth. Clean, dry housing—with frequent change of bedding and thorough cleaning and disinfection of stalls and pens is vital to prevent disease among stock in winter quarters.

(2) Freedom from faulty feeding. During the cold months, when sunshine and green forage are scarce or lacking, vitamin deficiencies are a frequent cause of trouble. Proper rations for the

parent stock have an important part in determining the size and vigor of the spring crops of pigs, lambs, and calves.

(3) Freedom from parasites. Winter is the heyday for mange, lice, and other parasites that play havoc with the thriftiness and vitality of stock. Systematic efforts to free animals and birds of these infections will pay real dividends.

(4) Freedom from infectious disease. Sanitation, good feed and parasite control all help to protect against disease. Along with these measures, immediate diagnosis and treatment at the first sign of illness may ward off heavy losses of valuable animals.

MSC PREXY ON NETWORK RADIO SHOW, JAN. 31

Dr. John A. Hannah, president of Michigan State college, East Lansing, will appear on the American Broadcasting company's network farm program on Saturday, January 31.

The "American Farmer" program will be broadcast direct from the Michigan State college campus over more than 100 stations from 12:30 to 1 p. m. (EST) at the close of the Farmer's Week program.

What agricultural colleges have accomplished and what they can do in the future for the farmer and homemaker will be the theme of the program. To be interviewed a-

long with President Hannah will be two Michigan farmers, Ernest Reuhs, Caledonia, and George Farley, Albion.

The program will originate over station WKAR, the college station, Earl C. Richardson, agricultural extension editor at MSC, will handle the interviews.

Robert White, Chicago, ABC farm director, arranges and directs the program.

PONTIAC
A FINE CAR MADE EVEN FINER!

A Product of General Motors

From where I sit... by Joe Marsh
Are You "Hobby Happy?"
Funny thing about hobbies... When Ed Carey started making a model of the "Flying Cloud" it was only to rest his eyes from reading. But now he spends every spare moment ship modelling!
Some wives might have resented a husband suddenly shutting himself in the attic every night. But not Ed's. When she found him working late, she brought him up some beer and crackers... until finally Ed had her helping with the rigging.
Wasn't long before they were working side by side on Ed's bench, sharing a common interest. Instead of keeping them apart, Ed's hobby brought them more together.
From where I sit, a husband's hobby can often be a wife's as well. In fact, I've got the missus interested in tying trout flies—and, along with that mellow glass of beer, it makes the evenings go by mighty pleasantly.
Joe Marsh

GM Hydra-Matic Drive optional on all models!
Today, Pontiac announces a series of notable advancements in the car that has already won the wholehearted endorsement of more than a million owners and friends. Foremost among these advancements is the great General Motors Hydra-Matic Drive—now offered as optional equipment on all Pontiac cars. Pontiac is the lowest-priced car in the world to provide this great mechanical masterpiece—which shifts gears automatically, and completely eliminates the clutch pedal.
Coupled with this great engineering triumph is a striking improvement in beauty and luxury. New exterior smartness extends from the new radiator grille to the streamlined rear bumper.
Interiors, too, are remarkably improved. Upholsteries are more beautiful and are expertly blended to achieve new attractiveness and charm. Instrument panels are finished in a smart design adapted from quarter-sawn mahogany—and an adroit use of chrome moulding adds a deft touch of modernity.
Engine and chassis have been refined wherever possible—but they remain, basically, the same engineering masterpiece which have become synonymous in the automotive industry with goodness and dependability.
There are many more things we could tell you about the new Pontiac, for there are countless improvements which add to its traditional quality and value. But we feel that for those who know Pontiac, we need only say—
—here is, by far, the most beautiful Pontiac ever built
—here is the most luxurious Pontiac ever built
—here is the most dependable Pontiac ever built
—and it is now available with General Motors Hydra-Matic Drive—optional at additional cost.
—and only to add that it is here—on display in our showrooms—and that you are most cordially invited to see and inspect it.

EXTENSION SERVICE ENDS LABOR PLACEMENT WORK

With nearly one million farm labor placements to its credit, the Michigan State college extension service Emergency Farm Labor program has ended its service. For the past five years this program has aided Michigan farmers with the many problems which faced them in securing farm help during war time. The program as it developed, consisted of recruitment and placement of workers, training

workers, operating farm labor camps, organizing farm labor co-operatives, and carrying on educational programs on the problems of farm labor.

During the five-year period, a total of 998,959 placements were made. By years the placement of workers numbered 125,100 in 1943; 220,426 in 1944; 825,078 in 1945; 181,030 in 1946 and 147,325 in 1947.

With the close of the emergency Farm Labor program, the problems of assisting farmers to get needed help will be undertaken by the Michigan State Employment Service, which has established a special farm placement service in its organization. Robert Krause, who has been an assistant in the MSC program, becomes chief of the farm placement section with offices in Detroit.

Personnel who conducted the program since 1943 will go back to their duties with Michigan State college. A. B. Love, the state supervisor, will become market specialist in the economics department. J. G. Hays becomes dairy extension specialist. H. P. Gaston becomes assistant profes-

or of horticulture. Mrs. Doris Shinkus resigned to take up housekeeping duties.

HORSE CARE DEPENDS ON USE OF ANIMAL

The type of feeding and management for young colts depends on the ultimate use for the animal, says Byron H. Good, horse specialist at Michigan State college.

With Thoroughbreds and Standardbreds to be used for racing, early maturity is the primary objective. For this reason, the cost of the ration isn't the deciding factor in the production of race horses.

An extremely rigid schedule is followed on farms producing race prospects. As weanlings and yearlings from October to February they are given 12 quarts of crushed oats daily divided into three feeds. This ration is gradually increased to 16 quarts by August. Many of them are sold at this time or go into training.

Crowding for early maturity isn't so necessary in the case of saddle colts since they usually aren't put to hard work as early as race horses. The grain ration can be reduced to one pound of crushed oats per 100 pounds of live weight.

In the case of colts intended for hunting, jumping, polo, handling stock and pleasure riding, early maturity isn't as important as having a good sound horse at five or six years of age.

A ration for yearlings and two-year-olds of one-half pound of crushed oats per 100 pounds of live weight is suitable. Salt and fresh water should be available at all times. Colts should be placed in individual stalls for grain feeding. One feed of three to four pounds of clean, high quality legume hay should be fed daily (alfalfa or red clover). The remainder of the roughage should be good quality mixed hay.

BAD CHIMNEY CAN CAUSE FIRE

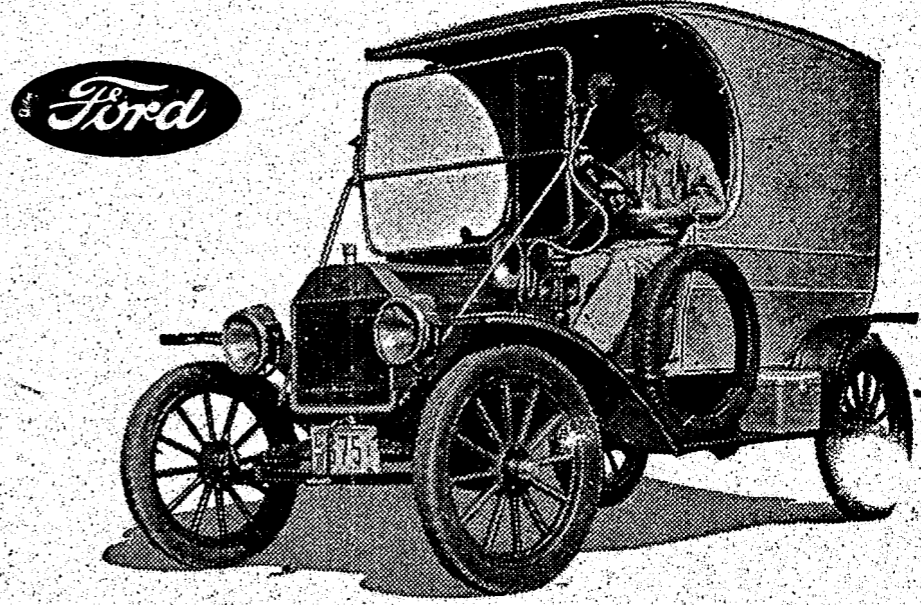

During the winter months, most dwelling house fires start from defective or over-heated chimneys and smokepipes, says Fred Roth, farm safety specialist at Michigan State college.

Roth points out that unused chimney openings should be sealed with cement or tight metal stops. Stove pipes, furnace and boiler pipes should have a clearance of 18 inches from wood surfaces, or protections should be provided by insulation.

FORD TRUCKS LAST LONGER!

1912 FORD still going strong!

"I use this 1912 Model T Truck in my used car business, and it still rolls along at 35 mph. After it was idle for several years, I filled it with gas and oil, cranked it up, and it started at once! Two original spark plugs, dated 1905, still perform! The original horn and the lights still work fine. After 35 years, the rear door doesn't even rattle! You bet Ford Trucks last longer!"

FAT CANE, Pennsylvania, N. J.

29 Years of Reliable Service!

"I've been using this 1917 Ford Truck since I was 33. I'm 63 now. The engine has been replaced only once... most of the original equipment is still in use! I'll say Ford Trucks last longer!"

JESSE TURNER, Kokomo, Indiana

Used Every Day Since 1918!

"Since 1918, I've driven this truck about 25 miles, 6 days a week... on Sundays I often drive it 70 miles. I've grown very much attached to my truck. I don't think I will ever part with it!"

LORENZO BARATTINI, New Orleans, La.

MORE FORD TRUCKS IN USE TODAY THAN ANY OTHER MAKE!

THE MAN WHO DIDN'T NEED ELECTRICITY

Life with Father was smooth, tranquil and unruffled... so long as Mother kept the hired help on their toes; saw that no slip-up disturbed his ease!

Today, electricity's the hired help—electricity which does the work faster... easier... and more reliably, too.

But just picture doing all the tedious household tasks the old-fashioned way, and electricity will seem even a bigger bargain!

THE DETROIT EDISON COMPANY

THE HILLTOPPER

THIRD GRADE NEWS

We had 4 people who were not absent or tardy during the semester—Betty Lou Gardner, Patience Thayer, Janet Willoughby and Jack Chisholm.

A group from our room enjoyed going to Mrs. Ivonen's to see her

feed the birds. The rest of the room hope to go soon.

EIGHTH GRADE NEWS

8th grade Home Ec's are busily engaged in plans for the Varsity Banquet, Feb. 10. The girls are working out decoration ideas.

This same group of girls is taking an active part in the Junior Red Cross. During this past week class time has been spent in the making of table favors and decorating paper napkins for Veterans at Veteran's Hospital at Fort Custer, Mich; U. S. Naval Hospital, Great Lakes; and the Veterans Hospital, Wadsworth, Kansas.

ENGLISH LANGUAGE STILL GROWING M PROFESSOR SAYS

The English language is like a river system, with many tributaries pouring new words into it constantly, Fred S. Dunham, associate professor of Latin at the University of Michigan, declares.

Biggest of these "tributaries" right now are the ancient classical languages of Latin and Greek, from which most of the words of science and technology are drawn. Most of the terminology of science is based on Latin and Greek, and since science has achieved such a prominent place in modern life, its language has become a part of the ordinary man's vocabulary, Prof. Dunham explains.

The history of the English language reveals that it is composed of three main ingredients -- Anglo-Saxon, Latin and Greek. More than half the words of the language were borrowed from non-English sources, and about 80 percent of these borrowings came from Latin or from other languages derived from Latin.

The borrowings have occurred in five main periods. The first was that time from Caesar's invasion of Britain in 55 B. C. to 410 A. D., when the Romans withdrew from the islands. Words from this period pertain to geography, commerce and military life, such as "camp", "street", and "colony", Prof. Dunham says.

German tribes were next to invade Britain, and during the period of their occupation, Christian missionaries from Rome were allowed to come in. They brought with them the Latin terms of religion, and gave to English such words as "angel", "church", "clerk" and "chapter". The German occupation forces were adding to the language at the same time, but their contributions were mainly concerned with the events of every day life. Such words as "come", "sleep", "house" and "dog" came from the Germans.

A third period of growth for the English language was that of French influence, from 1066 to 1400, Prof. Dunham continues. The Normans, under William the Conqueror, were in control of England then, and they added to the language more words which had their basis in Latin: "court", "judge", "prison" and "village".

The fourth period was that of the Renaissance, during the 15th, 16th and 17th centuries. In translating the classics into the languages then in common use, scholars of that

day transferred many Greek and Latin words into English, such as "adventure", "union" and "capital".

The final era of expansion of English is still in progress, with the addition of words pertaining to science, invention and technology being most numerous, Prof. Dunham points out.

COWS FROM LOCAL HERD COMPLETE RECORDS

Three registered Holstein-Friesian cows in the dairy herd owned by Lakefield Farms, Clarkston, Mich., have recently completed official production records in Herd Improvement Registry Test, The Holstein-Friesian Association of America announces today.

The highest producer of the 3 was Piebe Anna Abbekerk with a record of 688 pounds of butterfat and 19,253 pounds of milk. The record was made in 365 days on 2 milkings daily and at the age of 6 years 2 months.

Second highest producer was Lakefield Iwana Korndyke with 607 pounds of butterfat and 16,000 pounds of milk made in 360 days on 2 milkings daily and at the age of 2 years 3 months.

The other high producer was Niholm Black Maud Pabst who, at the age of 3 years 5 months, made 604 pounds of butterfat and 14,344 pounds of milk in 365 days on 2 milkings daily.

Testing was supervised by Michigan State College of Agriculture in cooperation with The Holstein-Friesian Association of America.

PAUL F. HICKIE PROMOTED TO REGIONAL CHIEF

Paul F. Hickie, until recently chief forester of General Mac Arthur's occupation staff in Japan, on February 1 becomes regional chief of conservation department field activities in Michigan's 34 southern counties. His headquarters will be in Jackson. His work for the department, dating from 1933, has been largely in game management. Faster and more efficient service to the public is one aim of the decentralization move that is putting responsibility for southern Michigan fish, game, parks, forest, law enforcement and other conservation affairs at the regional level.

"MICHIGAN CONGRESSMEN REPORT" AT 7:30 MONDAYS

Congressmen Dondoro, Coffin, and Youngblood (R-Mich.) will appear every other Monday evening on radio station WWJ on the "Michigan Congressman Report" broadcast at 7:30. On alternate Monday evenings Congressmen Dingell, Leston, and Sadowski (D-Mich.) will be heard. These broadcasts will cover legislative items of greatest interest to the radio listeners throughout the present session of Congress. The first broadcast was on the Marshall Plan, and this week the President's message on the Budget was discussed.

PACK A PUNCH IN EVERY LUNCH

Packing a lunch that "picks a punch" and avoiding that day to day sameness is a problem for many homemakers.

Aim always to include something crisp, something juicy, and one hot, one sweet, one tart or salty, and one colorful food, advises Roberta Hershey, foods and nutrition specialist at Michigan State college.

Remember that each lunch box should contain one-third of the

food supply for the day for the person who eats it. Check the next lunches you pack to see whether you can score 100. Give yourself 20 points if the lunch includes meat, poultry, egg, cheese, fish or beans. Add 20 more points if the bread is whole grain or enriched, and varied in kind in the lunch and from day to day. Give yourself 20 more points if you have put in some form of fruit.

Using a vegetable either in a sandwich filling, relish, salad, or hot dish will score 100. That was-

n't hard--now check your lunches for attractiveness.

Lettuce, put in sandwiches is likely to wilt and is better when wrapped separately. Pack foods in the order in which they are to be eaten, except that heavy foods must always be on the bottom. Be generous with waxed paper and paper napkins.

Thermos bottles add a chance for variety in the lunch box with either hot or cold beverages in them. Tomato juice, broth, soups, cocoa, fruit juices, or milk are a few suggestions.

WINTER MANURE USE NEEDS CARE

Hauling fresh manure and spreading it directly on the land should be done with care during the winter months, according to A. G. Weidemann, soils research specialist at Michigan State college.

Manure should be spread evenly, which is difficult when the land is covered with snow. Considerable loss of fertility may result if manure is spread on frozen soil, especially on a slope, as frozen soil will not absorb the water.

If manure is to be spread on the land in winter, it is best to spread it on land that is level, well-covered with vegetation, and having a rough surface; or covered with small pits or pockets that tend to catch some of the water and prevent it from running off.

BULLETIN ON SHRUBS ISSUED

What is more pleasant on a cold winter evening than looking over seed and shrub catalogs? It's past-time that we all enjoy.

To help you in making selections of shrubs for landscape planting, the Michigan State college Extension Service has issued a new bulletin called "Hardy Shrubs for Landscape Planting in Michigan."

The bulletin describes all types of shrub that can be grown in Michigan. A short history and description of each plant is included with the cultural suggestions.

Copies of this bulletin can be obtained from county agricultural agents or by writing to the Bulletin Office, Department of Public Relations, Michigan State college, East Lansing. Ask for Extension.

Legal Notices

REGISTRATION NOTICE FOR VILLAGE ELECTION

Monday, March 8th, 1948.

To the Qualified Electors of the Village of Clarkston (Precinct No. 1) County of Oakland, State of Michigan.

Notice is hereby given that in conformity with the "Michigan Election Law", I, the undersigned Village Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Village not already registered who may apply to me personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the TWENTY-SEVENTH DAY before any regular, special, or official primary election and the day of such election.

Notice is hereby further given that I will be at the Village Hall, Tuesday, Feb. 17th, 1948, The Twentieth Day Preceding Said Election as provided by Section 2322, Michigan Election Laws, from 8 o'clock a. m. until 3 o'clock p. m. on each said day for the purpose of REVIEWING THE REGISTRATION and REGISTERING such of the qualified electors

in said VILLAGE as SHALL PERSONALLY apply therefor.

In any village in which the clerk does not maintain regular daily office hours the village council of such village may require that the clerk of such village shall be at his office or other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

Notice is hereby given that I will be at 124 W. Church St., on the 4th day of February, 1948, from 9 o'clock a. m. to 5 o'clock p. m.; the 5th day of February, 1948, from 9 o'clock a. m. to 5 o'clock p. m.; the 6th day of February, 1948, from 9 o'clock a. m. to 5 o'clock p. m. NOTE--Tuesday, February 17th, is the Last Day FOR GENERAL REGISTRATION BY PERSONAL APPLICATION FOR SAID ELECTION.

The name of no person but the ACTUAL Resident of the Village of Clarkston shall be registered, and entitled under the Constitution, if remaining such resident, to vote at any election, or to be entered in the registration records.

REGISTRATION OF ABSENTEE BY OATH. II-A, Chap. I, Sec. 16--Any elector who is unable to make personal application for registration because of physical disability or absence from the township, city or village in which his legal residence is located, may be registered prior to the close of registration by securing from the clerk of the township, city or village in which is located his legal residence, a registration card and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths, such registration cards to the clerk of the township, city or village before the close of office hours on the last day of registration.

The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

NOTE--Sec. 2835 provides that in townships, cities or villages having a population of 5,000 or less the duplicate "master" registrations may be dispensed with.

RUSSELL HOLLAND, Village Clerk Dated, January 20, 1948 Jan. 30; Feb. 6

ESTES & COONEY, Attorneys, 812 Pontiac State Bank Building, Pontiac, Michigan.

STATE OF MICHIGAN--In the Circuit Court for the County of Oakland in Chancery.

DOROTHY M. EWING, Plaintiff, vs. GEORGE C. EWING, Defendant.

ORDER OF PUBLICATION AND APPEARANCE.

At a session of said Court held at the Court House in the City of Pontiac in said County on the 19th day of January, A. D. 1948.

Present: Hon. RUSSELL HOLLAND, Circuit Judge.

It appearing from the affidavit on file herein, that the defendant, George C. Ewing, is not a resident of the State of Michigan, and resides out of such state, on motion of Estes & Cooney attorneys for plaintiff.

It is ordered that said defendant enter his appearance in this cause within three (3) months from the date of this order, and in default thereof

that the bill of complaint filed by the plaintiff herein be taken as confessed, and that this order be published or a copy thereof served as required by law.

A TRUE COPY. Lym. Ex. 100, County Clerk. By Daniel T. Murphy, Jr., Deputy. H. RUSSELL HOLLAND, Circuit Judge.

ESTES & COONEY, Attorneys for Plaintiff, 812 Pontiac State Bank Building, Pontiac 15, Michigan. Jan. 29, 30; Feb. 6, 13, 20, 27; March 5

VILLAGE CAUCUS. TAKE NOTICE That a Citizens Village Caucus will be held at Village Hall on 16th day, February, 1948 at 8:00 o'clock P. M., for the purpose of nominating candidates for the several Village Offices to be filled at the Annual Village Election, March 8, 1948, viz.:

Village President
Village Clerk
Village Treasurer
Three Trustees for Two-Year Term
Assessor
Signed RUSSELL COLTSON
Clerk of Village of Clarkston, Mich. Dated January 29, 1948. Jan. 30; Feb. 6

ESTES & COONEY, Attorneys, 812 Pontiac State Bank Building, Pontiac, Michigan.

STATE OF MICHIGAN--The Probate Court for the County of Oakland.

At a session of said Court held at the Probate Office in the City of Pontiac, in said County, on the 23rd day of January, 1948.

Present: Hon. ARTHUR E. MOORE, Judge of Probate.

In the Matter of the Estate of William G. Blanchard, Deceased.

Frank Blanchard, Sr., brother of said deceased having filed a petition praying that an instrument filed in said Court be admitted to Probate as the last will and testament of said deceased, and that administration of said estate be granted to the petitioner, it is ordered, that the 24th day of February A. D. 1948 at 9 o'clock in the forenoon at said Probate Office, is hereby appointed for hearing said petition.

It is Further Ordered, that public notice thereof be given by publication of a copy hereof, once each week, for three successive weeks, previous to said day of hearing in the Clarkston News, a newspaper printed and circulated in said County, and that proposed cause a copy of this notice to be served personally or by registered mail, return receipt demanded, to each of the known heirs at law, legatees and devisees at their last known place of address at least ten days prior to said day of hearing.

ARTHUR E. MOORE, Judge of Probate.

ESTES & COONEY, Attorneys at Law, 812 Pontiac State Bank Building, Pontiac, Michigan. Jan. 30; Feb. 6, 13, 20

No. 21445

STATE OF MICHIGAN--In the Probate Court for the County of Oakland.

At a session of said Court, held at the Probate Office in the City of Pontiac, in said County, on the 17th day of January, A. D. 1948.

Present: Hon. ARTHUR E. MOORE, Judge of Probate.

In the Matter of the Estate of John N. Hammond, Deceased.

Ada Scarce, administratrix de bonis non of said estate having filed in said Court her final account and petition praying for the examination and allowance thereof; determination of the heirs of said estate; assignment of the residue of said estate and the discharge of said administratrix de bonis non.

It is Ordered, that the 9th day of February A. D. 1948 at nine o'clock in

the forenoon, at said Probate Office, be and is hereby appointed for hearing said petition.

It is Further Ordered, that public notice thereof be given by publication of a copy of this order, once each week for three successive weeks previous to said day of hearing, in the Clarkston News, a newspaper printed and circulated in said County.

ARTHUR E. MOORE, Judge of Probate. Jan. 16, 23; 30; Feb. 6.

THESE ARE THE BENEFACTORS

★ One of the greatest accomplishments of civilization has been the remarkable progress made in increasing the average life expectancy. In the Middle Ages the average life span was twenty years. In the seventeenth century it had advanced to twenty-five years. Through the years there has been a steady increase until, today, the life expectancy is sixty-three years for men and sixty-six for women.

Authorities agree that the most productive years of life lie between the ages of forty and sixty. Medicine and the allied sciences have thus been indirectly responsible for all progress. Good minds that had sickened and died before reaching their zenith now live to apply the judgment and experience of maturity. As pharmacists, we are proud of our function in the distribution of lifesaving medical supplies.

DRAYTON DRUG STORE
E. G. GREER, Prop. DRAYTON PLAINS

READY FOR SERVICE SOON IN CLARKSTON

In a short time we will be able to provide telephone service for many of the folks in this community who have been waiting.

Skilled hands are now winding up the complex task of installing additional central office switching equipment in the telephone building. Meanwhile, we have been adding a lot of outside wire and cable where it is needed to connect new subscribers' homes with the central office.

Soon we will begin connecting new telephones for as many folks as possible. Still more facilities must be provided, however, before all can be served. But we'll keep working as fast as the equipment comes in--building for the day when everyone has the telephone and the kind of service he wants.

Who's jamming a wrench in the gears?

3 Unions Block Labor Peace—Refuse Wage Boost Already Accepted by 19 Other Railroad Unions!

The Brotherhood of Locomotive Engineers, Brotherhood of Locomotive Firemen and Enginemen and the Switchmen's Union of North America, representing 125,000 railroad employees, have refused to accept the offer of the Railroads of a wage increase of 15 1/2 cents an hour.

This is the same increase awarded 1,000,000 non-operating employees by an arbitration board in September, 1947.

This is the same increase accepted by 175,000 conductors, trainmen and switchmen by agreement on November 14, 1947.

Agreements have been made with 1,175,000 employees, represented by nine, teen unions. But these three unions, representing only 125,000 men, are trying to get more. They are demanding also many new working rules not embraced in the settlement with the conductors and trainmen.

Incidentally, the Switchmen's Union of North America represents only about 7% of all railroad switchmen, the other 93% being represented by the Brotherhood of Railroad Trainmen and covered by the settlement with that union.

Strike Threat

The leaders of these three unions spread a strike ballot while negotiations were still in progress. This is not a secret vote but is taken by union leaders and votes are signed by the employees in the presence of union representatives.

When direct negotiations failed, the leaders of these three unions refused to join the railroad in asking the National Mediation Board to attempt to settle the dispute, but the Board took jurisdiction at the request of the carriers and has been earnestly attempting since November 24, 1947, to bring about a settlement. The Board on January 15, 1948, announced its inability to reach mediation settlement. The leaders of the unions rejected the request of the Mediation Board to arbitrate. The Railroads accepted.

What Now?

The Unions having refused to arbitrate, the Railway Labor Act provides for the appointment of a fact-finding board by the President.

The railroads feel it is due shippers, passengers, employees, stockholders, and the general public to know that through-out these negotiations and in mediation, they have not only exerted every effort to reach a fair and reasonable settlement, but they have also met every requirement of the Railway Labor Act respecting the negotiation, mediation, and arbitration of labor disputes.

It seems unthinkable that these three unions, representing less than 10 per cent of railroad employees, and those among the highest paid, can successfully maintain the threat of a paralyzing strike against the interest of the entire country--and against 90 per cent of their fellow employees.

The threat of a strike cannot justify granting more favorable conditions to 125,000 employees than have already been put in effect for 1,175,000, nor will it alter the opposition of the railroads to unwarranted wage increases or to changes in working rules which are not justified.

A glance at the box shows what employees represented by the Engineers and Firemen make. They are among the highest paid in the ranks of labor in the United States, if not the highest.

Compare these wages with what you make!

Here is a comparison of average annual earnings of engineers and firemen for 1939 (previous year) and 1947. Also shown is what 1947 earnings would have been if the 15 1/2 cents per hour increase offered by the railroads and rejected by the union leaders had been in effect throughout the entire year 1947.

Type of Employee	1939 Average Annual Earnings	1947 Average Annual Earnings	1947 Average Annual Earnings with 15 1/2 Cents per Hour Added
ENGINEERS			
Road Freight (Local and Way)	\$3,966	\$6,126	\$8,787
Road Passenger	3,692	5,399	6,025
Road Freight (Through)	3,147	4,684	5,169
Yard	2,749	4,081	4,539
FIREMEN			
Road Freight (Local and Way)	2,738	4,683	5,288
Road Passenger	2,732	4,544	5,165
Road Freight (Through)	2,069	3,460	3,891
Yard	1,982	3,136	3,553

Railroad wages computed from Interstate Commerce Commission Statement M-300, Full year 1947 estimated on basis of actual figures for first eight months.

evening when Bernadette Krem became the bride of Harold Westover. Parents of the couple are Mr. and Mrs. Edward Krem and Mr. and Mrs. Charles Westover of Drayton Plains.

The ceremony was performed before one hundred and fifty guests by the Reverend C. J. Sutton at a candlelight service in front of an altar banked with Calla lilies, gladioli and chrysanthemums. Mrs. Richard Lawson of Clarkston sang "Because" and "The Lord's Prayer" accompanied at the organ by Mrs. Kirby Millier.

The bride given in marriage by her father, chose for her wedding a gown of white satin, styled with a fitted bodice, sweetheart neckline edged with seed pearls, long

fitted sleeves and the waist-was buttoned down the back with tiny satin covered buttons. The skirt was fitted and ended in a train. On her head she wore a seed pearl crown to which was attached a fingertip net veil. The double strand of pearls worn about her neck was a gift of the groom. She carried a colonial bouquet of white snapdragons, carnations and centered with a gardenia.

Maid of honor was Ann Kruszynski of Birmingham who wore a gown of powder blue tulle, styled with dropped shoulders, fitted bodice and a full skirt to which was attached a wing bustle. She wore a tiara of blue ostrich feathers and blue mitts. She carried a colonial bouquet of pink carnations, red roses and snapdragons arranged on blue marquisette from which blue ribbons hung.

Bridesmaid was Barbara Krem, sister of the bride who wore a gown of fuchsia taffeta styled with draped shoulder and a fitted bodice attached to a full skirt and a wing bustle. She wore fuchsia mitts and a tiara of fuchsia ostrich feathers. She carried a colonial bouquet of white snaps, pink carnations and rose buds.

Best man was Harold Siebel of Dearborn and James Cowen of Ohio and Edward Bifel of Detroit

and Lawrence Westover, brother of the groom, were ushers. Immediately following the wedding a reception was held in the church parlors. Wedding cake, ice cream, tea and coffee were served from a long table at which Miss Lois Robb and Miss Grace Stevens of Williams Lake poured.

Mrs. Krem chose for her daughter's wedding a navy blue dress with navy and pink accessories. She wore a corsage of pink roses and white carnations arranged on pink feathers.

Mrs. Westover chose a Royal blue dress with black accessories and her corsage was the same as Mrs. Krem's.

The bride chose for traveling an aqua dress with pink and black accessories. They will honeymoon in Northern Michigan for one week and upon their return will reside at 7081 Dixie Highway near Clarkston.

The Pearl Sutton Missionary Society met at the home of Mrs. Charles Williams on Tuesday evening. A very interesting study on the schools in Egypt was given by Mrs. Ross Barber.

As the society had for their project this month to bring canned foods for the veterans at the Blue Star Mothers Rehabilitation camp at Lake Orion, several cans were donated and will be delivered by Mrs. Barber, Mrs. Williams and Mrs. Charles Nolan, Jr.

The chairman appointed Mrs. Jerry Rustem, Mrs. Wm. Moore and Mrs. Williams as a nominating committee for election of officers to be held at the February meeting.

Women's Christian Temperance Union met on Tuesday afternoon at the home of Mrs. Ray Shell on Sashabaw Road. The group was led in devotions by Mrs. Martha Tewillager and Mrs. Sadie Patten of Pontiac, state director of Christian citizenship, was the guest speaker.

Refreshments were served by the hostess assisted by Mrs. Russell Maybee.

The Lake Oakland group of the Home Extension Club held an all day meeting and lesson on Wednesday at the home of Mrs. Earl Porter. Mrs. Maurice Young of Pontiac, District Chairman gave the lesson on "Selection of Floor Covering". At the business meeting, officers for the year were elected which are: president, Mrs. Wm. Sutliff; vice president, Mrs. Clare Novess, secretary and treasurer, Mrs. Ernest Blimka; recreation chairman, Mrs. Novess and salvage chairman, Mrs. Everett Denmore. Mrs. Earl Porter and Mrs. George Graves are the leaders.

The February meeting was planned to be held at the home of Mrs. Claude Carter and the lesson will be on "Meals Made Easy".

Mr. and Mrs. Roy Dancy and family were honored with a farewell party on Wednesday evening in the United Presbyterian church parlors, when the elders, their wives and members of Mr. Dancy's Sunday School class cooperated in making the party a success. About 100 guests were entertained by a program with Dr. L. G. Rowley as Master of Ceremonies. Two violin solos were accompanied at the piano by Mrs. Vandersall; Miss Marjorie Voelker played "Intermezzo" as a piano solo; a vocal solo was sung by Matilda Neilson accompanied at the piano by Mrs. L. G. Rowley.

As Mr. Dancy has been an Elder of the church for several years, a short talk was given by elder Harold Detwiler and Rev. C. J. Sutton. A chest of Wm. Rogers service for eight silverware, a Bible and a mirror were presented to the Dancys. Refreshments were served from a long table laid with a white cloth centered with a novel bowl and lighted pink tapers. Mrs. Charles Nolan, Jr. and Mrs. Charles Williams poured.

The Dancys will move soon to Imlay City where Mr. Dancy has taken a new position.

Mrs. Katherine Cable, Mrs. L. G. Rowley and daughter, Myra Katherine, left last Tuesday morning for Florida. On their way they will visit Memphis, Tenn. and New Orleans. They expect to be gone several weeks.

Mr. and Mrs. Earl Weiburg of Chino, Calif., formerly of Drayton Plains, announce the birth of an 8 lb 11 oz son, Gary Dennis, on January 22nd.

Mrs. Charles Williams and daughter, Carolyn, are spending this week in Lansing with her brother, O. R. Barnhart and her nephew and niece, Mr. and Mrs. Calvin Knowles.

Miss Alice Hughes who will become the bride of Frank Falk, Jr., on Saturday, Jan. 31, at 4 p.m. in the All Saints Episcopal Church in Pontiac, was honored at a bridal shower at the home of Mrs. Frederick Verhey on East St., with Mrs. Kenneth Soncrainte as co-hostess. Fourteen guests enjoyed playing "Anagrams" in the novel way of unscrambling wedding anniversaries. Many lovely gifts were presented to the honoree from a table which had been placed under an open umbrella decorated with pink and white crepe paper. Mrs. Soncrainte tied the ribbons in a bridal corsage. A lunch was served buffet style. Guests included besides Miss Hughes and her mother, Mrs. Harold Hughes, Mrs. Frank Falk, Sr., Mrs. Lucille Reichert, Miss Pauline Smart, Miss Eileen Brinker, Miss Marjorie Oakes, Miss Donald Wolverson, Mrs. Eileen Pearsall, Mrs. Joe Reed, Mrs. Wm. Verhey and Mrs. Richard Largent.

5TH ANNIVERSARY OF U. S. MARINE CORPS WOMEN'S RES.

Approximately 900 ex-Women Marines are looking for another 100 they feel sure are living in or near Detroit, but whose addresses are not on record, in order that invitations to the 5th Birthday Party may be issued. The party is to commemorate the Fifth Anniversary of the United States Marine Corps Women's Reserve, and will be held on February 13, 1948 in the Auditorium of the Women's City Club.
Plans have been made for a Reunion at 6:00 p. m., and dinner will be served at 7:00 p. m. Tables will be labelled for the various duty stations such as Camp Lejeune N. C., Parris Island, S. C., Quantico, Va., Washington, D. C., San Diego, Calif., Camp Pendleton, Calif. and many more.
Late issues of the station newspapers will be on hand so that the ex-Women Marines can catch up on the latest doings at their favorite posts or stations.
Major Julia E. Hamblet, Director of the United States Marine Corps Women's Reserve will be in Detroit for the occasion as guest speaker. Colonel William F. Whitaker, USMC, Commanding Officer in Detroit will also be on the guest list.
Any ex-Women Reservists in this area who want to attend this Fifth Gala Celebration should contact Marine Corps, Naval Armory, LOrain 7-9711.

WINTER CARE FOR CALVES IMPORTANT

Comfortable quarters for dairy calves are a valuable asset in the barn, says Earl Weaver, head of the dairy department at Michigan State college. The danger of pneumonia in calves can be reduced with proper housing.
It is a good plan to use some kind of siding on the pens at selected places to avoid direct drafts on the calves. Individual pens are fine for the youngest calves up to a month old. Each pen should have 16 to 18 square feet of floor space.
Slatted flooring, or wire or steel grating that elevates the calves four or five inches off the concrete floor is a good feature. In small pens, the elevated floor should cover the entire area. In large pens where several calves are kept together, the elevated floor would be expensive to construct. Here, a smaller section of the elevated floor can be built in a corner of the big pen. Calves soon learn to "nest" comfortably on it.

NAVY ANNOUNCES NEW POLICY

The U. S. Navy Recruiting Service has announced a new policy whereby young men with High School Diplomas or the equivalent, may enlist for the Naval trade school of their choice. Upon completion of their Recruit Training, they will be sent to a Naval Trade school at Great Lakes Ill. or Norfolk Va.
This plan will also include Aviation schools and Electronic material schools.
Navy Trade school courses range from eight to forty four weeks in theoretical and practical study.
They offer young ambitious men an excellent opportunity for rapid advancement and a sound future.
For further information contact the Navy Recruiting Station, Federal Building, Detroit, Michigan, or call Cherry 9330 extension 403.

VET HOUSING PROSPECT DIM ON MSC CAMPUS

Housing prospects for married veterans at Michigan State college continue bleak for 1,050 waiting applicants as the winter term opens but housing officials state that accommodations for single students will be adequate.
Two hundred veterans are on the waiting list for their accommodations and 850 await barracks apartments which now house 1,100 veterans and their families. Fifteen new barracks units will furnish 60 additional apartments when they are completed in late January.
A new park for privately-own trailers is in the planning stage. It will accommodate 75 units when it is completed. Approximately 11,000 students and faculty are now housed on the campus.
