Leslie Fitzgerald, father vice president, was in charge of the P. T. A. meeting at the village school Thursday evening. Mrs. James Sutton opened the meeting

with prayer, and Muriel Tottle's third grade room gave an interesting program of songs, recitations and the flag salute. Mrs. William Cobb, program chairman, announced that Supt. William Shunch will be the speaker for the March meeting. Mrs. W. K. Ryan, Mrs. Donna Russell and Erwin Cruthers were named as a nominating committee for the March election. The association voted to turn the \$289.86 in the band uniform fund over to the Waterford Township High school for band uniforms. The group also voted to give \$5 to each of the six Girl Scout troops. The P.T.A. sponsors the P. T. A. meeting at the village school Thursday evening. Mrs. James Sutton opened the meeting

northern Michigan. The men served the refreshments at the close of the meeting.

Attention Cheery Chums—the next party will be held at the home of Mrs. Henry Mehlberg on March 12th with Mrs. Fred L. Tuck, Mrs. Henri Buck, Mrs. Agnes Flickinger and Mrs. Lyle Lumby assisting. At this meeting cheery chums will be revealed and names drawn for the ensuing year. Mrs. Henri Buck is chairman of the committee.

At the luncheon meeting of the Waterford-Drayton Rotary Club on Tuesday at the United Presbyterian Church in Drayton Plains Erwin Greer, program chairman, presented Mr. Ben Linque of South Africa who is here attending General Motors School of Technology on a scholarship. He plans on returning to his home in August. The Rotarians were greatly interested in his talk on South Africa, its customs and mode of

living and its animals. The business meeting was conducted by Henry Mehlberg. The ladies of the church served the delicious dinner.

The O.D.O. meeting was held at the home of Mrs. Lucretia Householder on Thursday with 11 members and 2 guests present. The guests, Mrs. William Schultz and Mrs. Anna Gesch, were welcomed as new members. The day was spent working on rugs, towels and a quilt to be sold for the benefit of Community Activities Inc. The next meeting is scheduled for March 25th at the home of Mrs. Emaline Hurd.

The Girl Scout work is progressing in Waterford. Another troop is being organized with Mrs. Stanley Hawkins as leader. Mrs. Louis Hillman and Mrs. A. L. Purcell are assistant leaders. Committee members are: Mrs. Wallace Brown, Mrs. Mina Williams, Mrs. Marjorie Eddy and Mrs. Donna Russell. The troop will meet in the science room at the village school on Thursday afternoon right after school.

The children of the village school were surprised on Thursday when they found that they were dismissed for the afternoon

because the teachers were attending a meeting of instruction. The Good News Club report at the end of January shows a total enrollment of 500 and the total Bible verses learned were 391 for the months of December and January.

PFC William H. Kratt, son of Mr. and Mrs. William H. Kratt of Floyd Street returned home from San Francisco, Calif., after his discharge from the army at Camp Stoneman, Calif. He completed 19 months of service with the 25th division. He starred on the regional baseball team playing first base, also as pitcher. Waterford friends say "Welcome home".

Linda Jane Myers, a student at Teacher's college in Ypsilanti spent the weekend at her home here. She was host to five of her college friends who accompanied her. Her guests included Betty Flynn, Mary Flynn, Gerry Hall, Helen Niparko and Shirley Spork.

Mr. and Mrs. Louis Dorman, Mr. and Mrs. Donald White and daughter returned on Saturday evening from a trip to Florida. All came back with a healthy coat of tan.

Mr. and Mrs. H. B. Mehlberg spent Sunday afternoon with Mr.

and Mrs. Fred L. Tuck and daughter, Barbara Jean, of Wayne, Mich.

Mr. and Mrs. John Miller went to Marlette on Sunday to visit an aunt, Mrs. Hattie Spears, who is in poor health.

Mrs. Alton Banfield had the misfortune to fall on the ice and break her leg. She and her husband had been skating on Sunday afternoon

and had just come up to take their skates off when it happened. Mrs. Banfield is in St. Joseph Mercy hospital.

Mrs. E. Wilkin and daughters, Twyla and Michele, arrived here on Saturday from Phoenix, Ariz., to visit her parents, Mr. and Mrs. Vernice Carey and her brother, Chief Merle VanMarter of Detroit.

SOMETHING NEW

Male necks began craning and whistles began floating around the school at the start of the new semester. "Hey!! Look at that!!", could be heard coming from the stronger sex. From the girls came remarks like, "Look at those sharp clothes" or "She certainly is a fan of the new look."

Along with all these compliments about appearance there were surprised looks and very pleased faces when superior ability for her job was shown.

The object of all this recent attention is Marjorie Flynn, our new commercial teacher. She teaches shorthand, bookkeeping, junior business, and typing.

There can certainly be no complaints about dusty, out of date methods of teaching in the commercial course now for Miss Flynn is as modern as they come.

She graduated from Michigan State Normal college in February of this year. She started out majoring in Special Education but then switched to a commercial course.

Before starting her first semester of teaching she received her B. S. degree and Teacher's certificate. Miss Flynn's home is in Pleasant Ridge, a suburb of Detroit, but she stays at Rookwell's in Clarkston during the school week.

Marjorie Flynn is an ardent fan of skiing and so far has tried out Green Acres Hill. We have also heard from various sources that she is a marvelous dancer.

When asked for her opinion of the community she said that she thought the people were exceptionally friendly.

Another thing we like about Miss Flynn is that not only does she put forth her best efforts in teaching during school hours but shows an interest in the students after hours. This is expressed when you see Miss Flynn beating them at ping pong at the Dairy Bar.

We are sure we speak for the whole school and community when we say that we got a lucky break when Miss Flynn came to teach at Clarkston.

C. H. S. WINS 13th

After Wayne Longair's three overtime points brought the victory last Thursday, Clarkston this week prepared for the district tournament.

St. Michaels of Pontiac fought back into a 34-34 tie at the end of regulation time, but then CHS pulled away for its 13th victory in 15 starts.

Clarkston will go to the Lake Orion District Meet with the best record of the six teams competing. The wolves have beaten three of the hopeful squads, roaring over Auburn Heights twice, winning two from St. Michaels, and edging Lake Orion 30-28 in the season opener. Oxford and Pontiac St. Fredericks also are entered.

Clarkston drew a bye for the first round, but tonight will tangle with the victor of the St. Michael-Oxford set-to, played yesterday. If the Wolves can squeeze by tonight, they will enter tomorrow's final against either St. Freds or Lake Orion.

HOT DISH
Between seventy-five and a hundred grade children are buying the hot dish served each Thursday, under the direction of the PTA.

The work in connection with this project is done by mothers who have volunteered their help with Mrs. Kenneth Johnson, PTA president, acting as general chairman.

The children are very enthusiastic and appreciate this service. They are especially proud when their own mothers take part.

Many more volunteers are needed to insure the continued success of this project. All mothers who are willing to assist one Thursday between now and June are requested to call Mrs. Kenneth Johnson soon.

SIXTH GRADE NEWS
Thursday, Feb. 28th, was a busy day in our room. At 9:15 we gave an assembly program for the grade children. Patriotic songs, recitations, and a play, "Youthful Patriots of Colonial Days", were presented. The grade chorus sang, accompanied by Mr. Ladd.

In the afternoon the play was repeated with our mothers as guests.

Following the play, tea was served to twenty-two mothers and thirty sixth grade children. The hostesses were Mrs. Cameron Clark and Mrs. Henry Dawley, our PTA room mothers.

Tuesday, March 2nd, we placed an exhibit table in the hall to give our friends a chance to see some cork albums and travel books we completed recently. The latter were an English class project under the direction of Mrs. Crosby.

SENIOR NEWS
The Seniors are making tentative preparations for the Senior Prom which we plan to give April 9 from nine o'clock to one o'clock. Ideas for a theme are coming fast and furious and we are sure that for those who come it will be a memorable occasion.

The Seniors also helped the Carnival prosper by having a restaurant in the Home Economics Room. A variety of food and drink was served to the noisy merry makers.

A hot lunch sponsored by the Seniors was served last Tuesday noon and it consisted of beef barbeques. We plan on continuing this every Tuesday as a form of making money for our Senior trip.

The Beacon Club met at the Waterford Church on Saturday night for a 6 o'clock pot-luck dinner. Lawrence Giddings and Howard Pratt were in charge of the evening. Leslie Dingman had charge of the business meeting. Plans were made for the March meeting which will come on the 20th on account of Easter week. The committee in charge is Donald

Hetchler, Stephen Phetteplace, and Les Fruscher. The men were very much interested in the program comprised of Professor John H. There were about 30 present. Plans are underway for a special type program for April meeting which will be

announced at the regular March meeting. Mrs. Henri Buck went to Detroit on Friday to visit at the home of her son-in-law and daughter, Mr. and Mrs. Wm. Poland and also to enjoy her new granddaughter, Donna Sue. Mr. and Mrs. Robert Mehler spent Sunday in Toledo visiting relatives.

From where I sit... by Joe Marsh How to Put Up with Women's Styles When Will Dudley's missus finally gave in to the new-style longer skirts, Will was mighty critical at first. Allowed as how women were a slave to fashion... ought to dress to please their husbands and not style designers. Sue finally reminded Will of his habit of sitting by the radio Saturday afternoons in shirt sleeves and old slippers, listening to the sportscasts with a mellow glass of beer. Suggested that maybe Will was a slave to comfort. And Will admitted she was right. Perhaps the way somebody dresses isn't always to our taste—just as Will's glass of beer may be another person's cider. But from where I sit, those little differences aren't important—unless we go out of our way to make them so, by being hypercritical. As Will says now: "Well, anyway, those long skirts hide a multitude of shins"... and lets it go at that! Joe Marsh Copyright, 1948, United States Brewers Foundation

Rural Tele-news VOICWAYS FOR '48: Michigan Bell expects to set 25,000 poles and string over 11,000 miles of wire in rural areas this year. This will help bring telephones to folks who are waiting and reduce the number of parties on many rural lines. GOOD NEIGHBORS: Good rural-line neighborliness means better service for all. We're good telephone neighbors when we keep calls short, remember not to interrupt others' talks, and hang up after each call. (One receiver off the hook ties up the line for everyone.) BIG CITY: The number of telephones added in rural areas by Michigan Bell in the past two years would provide a telephone for every man, woman and child in a city the size of Battle Creek. There are now 125,000 telephones in rural areas served by Michigan Bell. MICHIGAN BELL TELEPHONE COMPANY Our \$13,500,000 postwar rural construction program means more and better rural telephone service

PROGRESS ON EVERY FRONT

The advance medicine against the enemy, disease, is forward on every front. Techniques in anesthesia have improved to make possible surgical procedures denied to the practitioner of the twenties. Highly refined and specialized mechanical aids, including the x-ray, fluoroscope, and electrocardiograph, have sharpened diagnostic skills. Testing of the blood and urine reveals more significant facts to the physician than ever before. In support of the physician, the pharmaceutical chemist continues to forge new chemical and biological weapons to fight disease. Insulin for the management of diabetes mellitus, liver extract for pernicious anemia, sulfa drugs, and penicillin are examples. Your physician and your pharmacist are alert to apply the improved procedures as they become available.
