Help Reach The Top By Giving Today

Last week, Oakland County citizens raised \$18,259.79 making a total of \$53,534.30 toward the \$97,483.00 quota for the 1948 Red Cross Fund. Milo J. Cross of Pontiac, chairman of the drive in Oakland County, reports enthusiastic response to the fund campaign, saying that people evidently realize the importance of the statement that "the value of dollars has shrunk but human needs have not".

In many communities, it is the spirit of the volunteer workers that does the job in the matter of raising funds just as in the many Red Cross services throughout the year. Red Cross volunteers and former servicemen who know Red Cross and what it means are lending a hand.

According to the report received from the County Chapter headquarters Independence Township still needs a little over \$200 to reach its quota; Brandon needs \$198; Springfield lacks \$60 and Waterford needs \$873. White Lake is the only township, so far, to have gone over their quota.

It seems that everyone really wants to contribute but all do not realize the importance of getting our funds in now. Do not wait until the last minute. If you haven't been contacted you are asked to take your contribution to the Clarkston State Bank. Your donation doesn't have to be large, every dollar helps.

Mrs. George Perry Hostess To Club

On Tuesday night the Rotary Anns met at the home of Mrs. George Perry. Mrs. Paul Henry was co-hostess.

At the short business meeting the group voted \$5 to the Red Cross. The next meeting will be at the home of Mrs. W. H. Stamp on April 27th.

The program chairman, Mrs. R. N. Baker, introduced Mrs. Atkinson, buyer of hats at the Newport Store in Pontiac; Mrs. Atkinson presented an Easter hat parade. Her models included Mrs. H. W. Huttenlocher, Mrs. Robert L. Jones, Mrs. Keith Leak, Mrs. R. E. Spohn and Mrs. Ronald Walter. After the parade the Rotary Anns enjoyed trying on the new hats. The prizes for the evening, a hat and a blouse, were won by Mrs. D. Stackable and Mrs. Wm. Sharpe.

Following the program dainty refreshments were served by the hostesses.

Clarkston Locals

Mr. and Mrs. Burton Steiner of Rochester are receiving congratulations on the birth of 6 lb. 13 1/2 oz. daughter, Cathy Lee, on Monday, March 22, at Pontiac General Hospital.

Plans had to be changed for entertaining the cast of the Junior Play after the presentation a couple of weeks ago. Instead of being entertained at the Yoh home the group went to the home of Mrs. William Leach on Dixie Highway where they enjoyed a social time and refreshments with Imogene Potter, a member of the cast, as hostess.

Veteran To Receive An Easter Afghan

Mrs. J. R. Campbell announces that another knitted afghan has been sent to the Veterans' Hospital at Dearborn. This afghan will be an Easter gift for some disabled veteran. In the center of the beautiful cover is a large white Easter bunny made of Angora wool. Mrs. Luther Briggs helped Mrs. Campbell in completing the afghan and Mrs. Baynes helped to get it ready for delivery.

Showers Honor Mrs. Wm. Allen

A pink and blue shower was given recently in honor of Mrs. William Allen by her sister-in-law Mrs. Richard Snover of Orion Rd. The evening was spent in playing games and visiting, after which the honoree received many beautiful gifts.

The luncheon was served from a table laid with a white linen cloth and trimmed with pink streamers and centered with a stork.

Guests were present from Oxford, Pontiac, Lake Orion, Williams Lake, Milford, Davisburg and Clarkston.

Mrs. Allen was also honored at two other showers, one by her mother and sister, Mrs. Roland Weichert and Mrs. George Keyser, Jr., and the other by Mrs. Alton Secord and Mrs. Gordon Kelly.

Masons Honor Charles L. Howard

On Wednesday night Cedar Lodge No. 60, F. & A. M. held its second annual Past Masters' Night at the Masonic Temple and honored Charles L. Howard, Worshipful Master during 1947.

To give the evening a good start a banquet was served to about 250. Rev. Walter C. B. Saxman gave the invocation. Albert Williams welcomed the Past

CHARLES L. HOWARD

Masters and introduced the distinguished guests. Harry B. Sherman acted as toastmaster. Morgan J. Smead, Junior Grand Warden, addressed the group, made some suggestions and extended best wishes to the lodge. The singing quartet "The 3 Corns and a Bunyan" favored the assembly with several numbers and they were especially well received. Thomas Corbin presented Charles L. Howard with a Past Master's apron and Mr. Howard responded and stated that he would wear it with pride. Billie Farnum presented Mrs. Howard with a beautiful hydrangea.

The officers of Cedar Lodge for 1948 are: Worshipful master, Albert Williams; senior warden, Glen Tucker; junior warden, Howard J. Johnson; treasurer, Alfred C. Lee; secretary, Floyd Andrews; senior deacon, Arvil T. Williams; junior deacon, Lloyd T. Anderson; senior stewards, Edmund H. Bunyan, Roman C. Javilla; junior stewards, Billie S. Farnum, Harold E. MacFarland; chaplain, Elgan Wood; Tyler, Harold J. Doeblar.

Special Program Next Tuesday

To dramatize the Oakland County Infirmary tax proposals, the three county Leagues of Women Voters, Birmingham, Interlake and Royal Oak, will present an original radio script over WEXL, Royal Oak, on Tuesday, March 30, from 7:30 to 7:45 P. M. (1340 on your dial), under the direction of William C. Glaza, assisted by a cast of seven players, all members of the Wayne University Broadcasting Guild.

CHOOSE WALL PAPER TO SUIT YOUR PURPOSE

In spring a homemaker's thoughts turn to her home and particularly to the walls. A likely decision will be that new wall paper will be just the trick to brighten a dingy room.

With so many kinds and colors to choose from, it's a real problem to select paper that you will be happy with for months to come. Mildred Wilson, home furnishing specialist at Michigan State college, believes that you should first decide whether you want the paper for decoration or for background in the room.

In rooms that are little used you can use a bolder and more brilliant paper than one where you will be reading, relaxing and spending a great deal of time. If the other articles in the room are plain, the paper can be more decorative. The size of the room will affect your choice and so will the amount of light in it.

After you have considered the use of the room think about the room as a personality. The floors, walls, woodwork, doors and the ceiling are so closely related that they should harmonize in color and texture. If it's furnished with a particular period or a special scheme, consider that, too.

If you can, get several different kinds of paper and hold them up on the wall that's going to be papered. Then compare them. It's still better if you can experiment with several strips of one kind for your idea of how it will look. For background paper the less conspicuous the better it will be.

Clarkston Locals

John O. Ronk of Clarkston has been enrolled at Western Michigan College for the second semester, according to an analysis of the enrollment which has just been completed.

Mr. and Mrs. Guy A. Walter and Mr. and Mrs. F. E. Davies returned to their homes last Friday after enjoying a trip to California. They were gone several weeks.

Mrs. Sam Carson was called to Saginaw on Sunday on account of the sudden illness and death of her brother, Frank Schulz. The funeral was held in Saginaw on Wednesday morning.

The Mary Circle of the Methodist W.S.C.S. will meet at the home of Mrs. Floyd Lawrence on Holcomb St., next Thursday, April 1st. A 12:30 pot-luck luncheon will be served. Mrs. Glenn Boner will assist Mrs. Lawrence.

Last Sunday evening Lee Johnson was the leader at the Youth Fellowship meeting at the Methodist Church. Pat J. Watson was in charge of the service. After the meeting the group enjoyed a social hour and refreshments at the home of Nancie Heinenman.

Last week it was reported that Mr. and Mrs. Charles Robinson and family had gone to Florida. It seems that Mrs. Robinson only went as far as the bus station in Detroit where Mr. Robinson boarded a bus and made the trip to Boynton Beach. He and his daughter, Kay, and Mrs. King are driving back from Florida and are expected to arrive in Clarkston today.

Church Bible School, 10:00 a. m. Organ Meditations, 10:30 a. m. Morning Worship, 11:00 a. m. Prelude: "Easter Morn" by Gault; "Fantasia" by Dubois; "Ave Maria Stella" by Bedell; "Meditations" by Massenet and "He Is Risen" by Moore. Spenceley Butters will play "Cavatina" by Raff on his violin. The choir will sing "Alleluia, He Is Risen" by Marsh. The sermon subject will be "The Eternal in Life".

It is the custom for folks to leave plants or flowers in memory of a loved one. Those who do are asked to please attach a card bearing the name of the one in whose memory the plant or flowers are placed at the altar.

The birthdays of Arlene Mogg, 8 years, and Pat Thayer, 9 years, were recognized in the Methodist Sunday School.

Michigan farmers this summer will be warned of crop diseases the moment they attack, says J. R. Vaughn, plant disease specialist at Michigan State college.

A nationwide crop disease forecasting service has been worked out by the U. S. Department of Agriculture and cooperative state colleges. Forecasting service in Michigan will apply particularly to the late blight diseases on potatoes and tomatoes. But it will also be concerned with such small grain diseases as blights, rusts, and smuts. As soon as any of these diseases appear in Michigan, farmers of the state will be notified at once.

It's A Date

Plan on coming to the P. T. A. benefit dance, April 23rd, at the high school. Tickets go on sale this week.

Save this date and insure yourself of a good time.

Easter Sunday At Baptist Church

Easter Sunday at the Baptist Church promises to be a busy and interesting day. It begins with the early Sunrise Service planned and conducted by the young people of the church and closes with a beautiful baptismal service following the evening evangelistic service.

The Sunrise Service has been planned by the young people and will be conducted by them with Rev. Charles Vermylea and his wife from the Carmel Ave. Baptist church in Detroit as their special guests. Clayton Frick Jr. will preside at the service and open with a short song service followed by the Scripture lesson given by three readers: "Burial" - read by Myrna Bliss, "Resurrection" - read by Clarabelle Thomas, "Appears To Mary" - read by Gary Bliss. The morning prayer will be led by Donald Frick. Mrs. Vermylea will sing and Mr. Vermylea will bring an Easter message. Following this service a Baptismal Service will be conducted by Pastor John A. Ross.

Immediately following the Sunrise Service the ladies of the church will serve breakfast to all who will remain for the Bible School hour.

The Morning Worship hour will be featured by special musical numbers by Mrs. Helen Lissner, "Easter Flowers" by Mally; "The Lord is Mindful of His Own" by Mendelssohn; and "Easter Postlude" by Norman will be among the numbers she will play. Mr. Ross Barber of Pontiac will sing two numbers "Art Thou The Christ?" by O'Hara and "Calvary".

Annual Dinner Monday, March 29

Ray Anton and other members of the Board of Directors of the Davisburg-Oakland Artificial Breeders Association, have announced their annual dinner and meeting for 12:30 P. M., Monday, March 29th at the Davisburg Methodist Church.

The program to follow the dinner includes talks by Mr. A. C. Baltzer, of Michigan State College, and County Agent, Karl D. Bailey, of Pontiac. The meeting is open to the public and tickets may be obtained at the door from Howard Chanter, Inseminator Manager.

The following are members of the Board of Directors: Roy Anton, Robert Losh, W. F. Evans, Carl Walters, William Widing, Jay Smith, and Wiltter Welberry.

Rotary Club News

The Clarkston Rotary club was privileged to view a film showing the Bikini bomb tests. This film was shown by Richard Magerman of the Pontiac Naval Reserve. Lt. Wallace Whitman gave a brief explanation of the work leading up to the test.

Alfred Lee gave a brief report concerning the district conference held at Windsor.

Rotarian Ed. Fuller, of the Waterford-Drayton club, was present.

Garald O'Dell flew to Willow Run in order to get the film.

The meal was prepared and served by Mrs. Arnold Mann, chairman, assisted by Mrs. Leslie Shanks, Mrs. Ward Robbins, Mrs. Wm. Fielding, Mrs. Kenneth Johnson, and Mrs. Walter Saxman.

Farm Women Met Last Week

Mrs. Earl Clarke and Mrs. A. A. Doeblar, both of Pine Knob Rd., Clarkston, were hostesses to seventeen women of the Oakland County Farm Bureau at the Doeblar home last week. The group decided to wait until next fall before approaching the schools with the idea of a poster contest to publicize the dumping amendment.

Mrs. Doeblar typed some booklets on parliamentary procedure. A motion was passed to spend 20 minutes of every meeting studying this.

The next meeting will be held April 20 at the Waterford Community center. The Oakland County Farm Bureau women will act as hostesses to Livingston, Washenaw, Wayne, Monroe and Macomb Farm Bureau women. A pot-luck dinner will be served and plans are being made to have entertainment. If you wish to attend contact your county chairman before April 10 and place your reservation and also find out what dish is assigned to your county.

Committee Plans Achievement Day

At a recent meeting of the Oakland County Home Demonstration Executive Committee plans were started for the County Achievement Day for Extension Clubs. Committees appointed included: program, Mrs. Alex Leroy and Mrs. John Rees of Holly; food, Mrs. Maurice Young and Mrs. Ross Doggett of Pontiac and Mrs. Fred Skibowski of Oxford; exhibits, Mrs. Harold Schroeder of Royal Oak and Mrs. Wesley Roberts of Birmingham; decorations, Mrs. Austin Palmer, Milford, Mrs. Arthur Simmons, Wixom; hospitality, Mrs. Jeffrey Witsoe and Mrs. Russell Harvey of Rochester, Mrs. J. H. Goodwin, Birmingham and Mrs. LeRoy Barnes of Lake Orion.

The achievement day will be in May. The date and main speaker are not yet announced. Other plans were made for the summer camp for Extension women at Waldenwoods in June. Mrs. Alex Leroy was appointed to act with Mrs. Simmons and Miss Josephine Hoke, Home Demonstration Agent as a committee to meet with the Ingham County representatives to plan the camp activities. One other business item was discussed. The executive committee members agreed to get lists of women in their areas who are extension members and who would volunteer to give weekly or bi-monthly lessons for convalescing women at the TB sanitarium. Miss Jean Bestervelt, occupational therapist at the Sanitarium states that these women need new interests and will accept them more readily from outside people. Miss Josephine Hoke thinks that many Oakland County women in extension clubs can offer their special talent in bringing interesting lessons to this needy group.

The meeting was adjourned after a brief talk by Karl D. Bailey, County Agricultural Agent.

Clarkston Locals

A line from the Robert C. Beattie and the Garnet Poultons states that they are enjoying the warm weather in Florida. They have called on several folks from Michigan and they enjoyed dinner in Palm Beach with Mrs. G. D. King and Charles Robinson.

Last Sunday evening the American Broadcasting Co., presented "The Easter Story", an experiment in audio education, at the Clarkston Methodist Church. The program was sponsored by the Good-year Tire and Rubber Co.

Titusville, Florida

There's a nice little town on the banks of a stream. All fruited and flowered as viewed in a dream, Its palms and its pines are majestic and tall, And snow never falls in this village at all.

The scent of the orange wafts sweet on the breeze, When dainty white blossoms bespeckle the trees. There's hunting and fishing for those so inclined, While seeking some rest from a long winter grind. These things are enough for a town or state To claim a small niche in the halls of the great. Yet, added to this in a modest reserve Is the burning desire of its people to serve. We stopped, just intending to stay for a night, But we stayed for four days; did things up right. In doing for others, it often time pays. At unforeseen times, in unforeseen ways. The spirit of giving when well kept in mind Is returned to the giver and paid off in kind.

Waterford

Waterford Township schools will be closed from Thursday afternoon after the afternoon session until Tuesday morning for a short Easter vacation.

Christ's Lutheran Church members met at the home of Mrs. Annia Gesch at 11 o'clock on Tuesday morning for a sewing bee. A dinner-pail lunch was enjoyed at noon. They also had a handkerchief shower for the coming festival.

Christ Lutheran Church will unite in a service at St. John's Lutheran Church in Pontiac at 7:30 Good Friday evening (tonight). The choirs from Waterford Church, St. John's and Ascension Lutheran will join in special music. The Rev. Harry Wolf of Detroit will be the speaker.

Attention all those who like good home baked food. The Guild of Christ Lutheran Church will hold a bake sale at Jacober's

Market on Saturday afternoon, March 27, at one o'clock.

Last Sunday the Sunday School at Waterford Community Church had an attendance of 224.

The Ladies' Auxiliary of the Waterford Community Church will hold their next meeting on April 1st at the home of Mrs. James Saylor. A co-operative luncheon will be served at one o'clock. A paper display will be given and the proceeds will be placed in a special repair fund. Mrs. Louis Dorman will assist Mrs. Saylor. The business meeting will be led by Mrs. Henry Mehlberg.

Of special interest to many people in this vicinity is the letter from Rev. Meland of Kentucky saying that they are in their new home. Boxes of clothing have been going to this orphanage from folks in this district. The Ladies Auxiliary of the Community Church has given this orphanage their special attention. Easter packages have been sent.

Dr. John T. Bird

Dr. John T. Bird, 76, former county physician at Pontiac for 18 years, died of heart complications Saturday in Pontiac General hospital. He had been ill for three months.

Dr. Bird, whose home was at 3800 West Walton boulevard, Drayton Plains, was born March 2, 1872, in Springfield township. He was the son of Elisha and Lucy Crosby Bird, and was a graduate of Holly High school and of the Detroit College of Medicine. He was a member of the Episcopal Church of Christ, Detroit.

He married Zilpha Church in 1898, in New York, going afterward to Ionia, where he was house physician in the Ionia reformatory for several years. Dr. Bird later went to Clarkston where he practiced medicine until moving to Pontiac to become county physician.

Surviving is a son, Emerson Dill of Pontiac; a granddaughter, one brother, Frank Bird of Clarkston, and a sister, Mrs. Homer Van Atta of Detroit.

Service was at 3 p. m. Tuesday with the Rev. Ivor Curtis officiating. Burial was in Lakeview cemetery, Clarkston.

Waterford Township

The Waterford Township fire department was called to the corner of Voorheis and Waterford

Roads at 6:35 Tuesday evening to extinguish a fire in a '47 Pontiac Tudor belonging to Jack Wetzel of Davisburg. Insurance will cover the \$200 damage done to the wiring and paint job.

At 5:55 Wednesday morning a call was answered to extinguish a fire in a '41 Ford Mercury on M-59 at the Donelson School. The car belonged to Mack Curn of 2431 Orchard Lake Drive, Pontiac Lake. Insurance covered the \$50. damage done to the wiring of the motor. Both calls were made to the Pontiac fire department and then relayed to the Waterford department.

Charles Callahan of the fire department answered a call for a grass fire at the Floyd Fullerton home on Tuesday. No damage done.

Residents in this vicinity are urged to check as to which fire department should be called in case of fire. Calling the wrong department first often delays an answer to a fire which could have been held down considerably in the few wasted minutes. Grass fires should not be started without a permit from the township hall.

Howard Jewell has returned from Florida where he has been vacationing for several weeks.

Little Kay Castle is ill at her home.

Community Activities

This being Good Friday there will be no Community Party tonight.

Modern and old time dancing Saturday evening from 9:00 until 1:00 to which every one interested is invited. Over six hundred persons enjoyed it last Saturday evening.

Phinocle will be played at the home of Mr. and Mrs. Clinton Armstrong at 8:00 Monday evening. Couples are invited. C. A. I. sponsors these parties.

Regular weekly meeting of Boy Scout troop 31 at 7:30 Tuesday evening.

The O. D. O. is sponsoring a Tea at the Club House at 1:00 Wednesday afternoon for the benefit of C. A. I. All ladies in the community are invited to attend and bring a friend. Games will be played.

The Oakland County 4-H Club is sponsoring a square dance at the Club House Wednesday evening and will begin at 8:30. This dance is for the purpose of raising funds to help equip the 4-H

Camp and is open to the public. Gidley's dance band will furnish the good music which you enjoy each Saturday evening at the Club House. There will also be several cake-walks. Come out and help the 4-H youth get their camp equipped. Members of the Club will gladly sell you a ticket in advance. Women of C. A. I. will sell refreshments.

Members of the Parent-Teachers Association are urged to attend the district meeting which is being held in the C. A. I. building on Thursday beginning at 10:00. Reservations for the luncheon may be made by calling Mrs. Kenneth Valentine. The Women's Club will serve the meal.

The Dixie area of Boy Scouts from the Oakland County Circle which includes the villages of Holly, Davisburg, Ortonville, Clarkston, Waterford, and Drayton Plains will gather at the Community Activities Building on Thursday, April 1st, for a program which will begin at 7:30 with a Cub demonstration. There will be the Boy Scout Court of Honor, Senior Scout demonstration, Boy Scout Court of Review, and demonstrations by Boy Scouts. The evening's program will conclude with a social hour for the senior scouts and boy scouts fifteen years and over and their lady friends. There will be no admittance charge and every one is invited to attend.

Earl West and Jerry Root were guests of the Farmington Lions Club on March ninth. Mr. West reviewed the history of C. A. I. from its organization until the time of the fire in January 1947. Mr. Root told the group about the plans for the future.

Ladies representing civic interests at Rochester made a tour through our C. A. I. building on March 12 to obtain ideas of organization and management of a similar activity in their town.

The Women's Club held their first meeting in the new Club House last Thursday evening with Mrs. Gordon Bryce conducting the meeting. Plans were made to serve a dinner for the P.T.A. District meeting on April first; to start serving dinners for the Waterford-Drayton Rotary Club each Tuesday noon and for the Drayton Plains Exchange Club each Tuesday evening beginning April 13; and to serve a chicken dinner to the public on May 13. They voted to give \$10.00 to the American Red Cross and \$175.00 to C.A.I. They will also serve a banquet on April 8 for the Drayton Plains

Ladies' Bowling League. Mrs. Harold Wilson, Mrs. Charles Grimm, Mrs. Arthur Armstead, and Mrs. Henry Coulthurst served refreshments to the thirty ladies present.

Milton E. Cooney To Be Candidate

Milton E. Cooney, former Pontiac Municipal Judge, and at present an active attorney in Pontiac, has announced that he is a candidate for the Republican nomination for the office of Representative in Congress in the 17th Congressional District of Michigan.

In making his statement Mr. Cooney said: "I wish to announce my candidacy on the Republican Ticket for the office of Congressman in this district. It is my sincere belief that we need a young, aggressive new representative, someone who will faithfully represent the majority of the people without fear of criticism, and free from previous political commitments."

"At this time I offer my first

standard and pledge, namely, to keep the people of this district fully informed of the things happening in Washington; to speak and vote; and to make inquiry from time to time of the people in the district to determine their thinking.

"It is my firm belief, based upon inquiry made throughout the 17th district, that the vast majority of the people in this district concur in the following principles:

1. That Congress should consider as its most important duty, the establishment of an international agency such as the United Nations, with plenary power to maintain world security and peace.

2. That the Congress of the United States should immediately take all necessary action within its power to create a strong national defense, capable of insuring that the commitments of the United States in world affairs shall be carried into effect, and to assure the people of the United States that this nation shall never again cause her sons to die the victims of another Pearl Harbor or another Bataan Death March.

3. That not until a United Nations is capable of maintaining peace and security throughout the world, shall the United States disgress from the policy of a strong national security program."

Mr. Cooney was born in Pontiac, Michigan, and received his education in the Pontiac schools, Wayne University and the Detroit College of Law. He has been a practicing attorney in Pontiac for more than 17 years. In 1935 he was elected to the judgeship of the Municipal Court at Clarkston which office he held for 6 years. During his term of office he modernized the activities of the office and was successful in securing the approval of the people of Pontiac that it become a Municipal Court under modern laws. In 1941 he voluntarily retired from this office at which time the City of Pontiac concurred in his viewpoint of providing two judges for the Court.

In 1943 he was inducted into military service under Selective Service and served for nearly three years in the Armed Forces of the United States. Upon his release he returned to Pontiac

and again entered private law practice. Since then he has been very active in many programs dealing with the rehabilitation of the returning veteran. In this latter endeavor he has been exponent of the principle, "Help the veteran help himself". Mr. Cooney is 42 years of age, married, and resides at 55 Neome Drive, Pontiac, Michigan.

Officers Inducted Next Wednesday

New officers and directors of the Oakland County Sportsmen's Club, one of the largest organizations of its kind in the world, will be inducted into office at the club's annual meeting next Wednesday night, March 31, at VFW Heart-of-the-Lakes Post Hall in Keego Harbor.

Howard Shelley, of Pontiac, becomes president for the next year, succeeding Harry J. Merritt, of Royal Oak. First vice president will be Fred Holland of Pontiac and second vice president will be Donald E. Adams of Silver Lake. Ray Harrington and Leo P. Atkins have been renamed secretary and treasurer, respectively.

Fifteen new directors for two year terms include: Warren Smith, Oxford; Loy Sutherland, Lake Orion; Eldon Quigg, Birmingham; James H. Ashmore, Ferndale; Walter DeBaene, Rochester; William B. Craven, Galloway Lake; Thomas Booth, Pontiac Lake; Don Eakle, Union Lake; William Kreklow, Pontiac; Norman Carie, Pontiac; Karl Rhodes, Bloomfield Hills; William Gessas, Keego Harbor; Dr. Paul B. Jones, Pontiac; James W. Parker, Pontiac and George Marble, Ortonville.

Holdover directors, who still have a year to serve include: Jacob Sheldon, Lake Orion; Jerry Woodley, Pontiac; George Crater Royal Oak; Jack Greathouse, Drayton Plains; Paul Gaber, Whipple Lake; Lynn D. Allen, Berkeley; Truman Denby, Auburn Heights; P. E. Eggert, Lake Oakland; Foster Baker, Walled Lake; James Hampton, Elizabeth Lake; Mark Lightfoot, Pontiac and Lee G. Osborn, Milford.

Besides installing officers and directors, OCS will see color movies and slides taken by Frank Rand of Elizabeth Lake, in Labrador, Rand, retired building contractor, is packing now for the 18th journey to Labrador. His hobby is prospecting. Rand also will display his collection of furs and Eskimo and Indian trappings.

A new Conservation Department color film, "Michigan Red Fox", also is on the March 31 OCS program.

The business meeting was conducted by the president, Henry Mehler. The group voted to have their meetings at the Community Activities building, starting April 13. Norman Roth was program chairman. He

Holds Needles on Christmas Trees

A newly developed plastic spray which holds needles on Christmas trees longer has been discovered and tested by Michigan State College research scientists. Dr. G. L. Hamner, right, shows V. R. Gardner, director of the MSG Agricultural Experiment Station, both sprayed and unsprayed trees. Both had been left in a room at 90 degree temperatures for a 15 day period. The tree on the right was sprayed with Goodrich Geon latex. The fine waterproof film prevented evaporation and left the tree forest-fresh after 15 days. Two other MSG horticulturists, Jack Gartner and F. L. O'Rourke worked with Hamner on the tests. The product is now being produced commercially and will probably be on the market in time for use next Christmas.

introduced Capt. Curtis E. Patton who gave an interesting and an enlightening talk on "Universal Military Training".

Mrs. Ada Allen of Pontiac, a teacher in the village school entertained a group of the local teachers at a tea at her home last Friday noon. Mrs. John Watchpocket was the honored guest. Other guests were Mrs. James Sutton, Mrs. Virginia Hanggee, Mrs. Ada Campbell and Miss Estelle Burnett.

Joan Coventry, small daughter of Mr. and Mrs. Cameron Coventry is ill. She was taken to Pontiac General Hospital on Sunday. The last report is that she is getting along nicely.

Charlotte Ann Maybee spent the Easter vacation at her home. She will return to her studies at Michigan State College.

Mr. and Mrs. William Clement, Jr., of East Lansing are visiting their parents, Mr. and Mrs. Wm. Clement, Sr., and Mr. and Mrs. Lyman Girst, Sr., during the Easter vacation.

The Waterford group of MOMS met at the home of Mrs. Henri Buck on Wednesday to make slippers for the veteran's hospital. Those present included Mrs. Murdoch McDonald, Mrs. Floyd Wallace and Mrs. Henry Mehler and a guest, Mrs. Lyle Lumby. These slippers are placed in the baskets that are taken to the hospital from time to time.

Mr. and Mrs. Arthur Davis opened their home on Thursday for a surprise breakfast sponsored by the Ladies' Auxiliary of the Community Church. Mrs. Henri Buck and Mrs. Ernest Stevens

assisted the hostess. There were 60 enjoyed the breakfast and the organization realized \$40 which was placed in the repair fund.

Miss Barbara Jean Tuck of Wayne spent several days last week with her grandparents, Mr. and Mrs. Henry Mehler. She returned to her home with her parents, Mr. and Mrs. Fred L. Tuck on Saturday evening.

New Recruits In "Victory" Division

The Oakland County Army and Air Force recruiting area has assumed responsibility for filling the depleted ranks of the 24th "Victory" Division, now stationed 25 miles north of Tokyo in Japan, according to T-Sgt James B. Luridie, area commander.

The 24th, which was on Oahu when the Japs pulled their sneak punch at Pearl Harbor, subsequently hit the Japs 13 times all the way from Hollandia to Corregidor. Their most strenuous engagements were on the Island of Leyte where the "Victory" Division bore the brunt of the fighting. On this island, they fought for 78 consecutive days killing a counted 7,179 Japs.

Recent Oakland County enlistees for direct assignment to the 24th Division include Richard D. Vogt, 17, Pontiac; Lester R. Bennett, 18, Drayton Plains; Fred M. Carroll, 31, Clarkston; Donald L. Biddle, 17, Oxford; Walter G. Salverson, 17, and Richard M. Santimore, 17, both of Ferndale; Roger L. Wood, 17, Royal Oak.

Former members of the 24th

Division throughout Oakland County are requested to volunteer their service in keeping their old unit up to strength. Those willing to cooperate should contact their recruiting station at 53 1/2 W. Huron St., Pontiac or 109 E. Third St., Royal Oak.

County Council Elects Officers

The election of officers for 1948 - 1949 for the Oakland County Council, P. T. A. was held on Friday, March 12, when Auburn Heights, Stone and Elmwood schools, entertained.

Mrs. Frank Sutherland, president, introduced Arthur Hesburg, director of music at the Auburn Heights school. The High School band played several selections, Raymond Baker, superintendent, welcomed the members and guests of the Council. Mrs. Herman Klinck gave a report on the crowded conditions at the Oakland County Infirmary.

James C. Covert, assistant superintendent of the Pontiac schools, was introduced by the program chairman, Mrs. Herman Streeter. Mr. Covert spoke on the school problems of today. He said that with the advancing times the changes in our educational pattern were not sufficient.

The following officers were elected: president, Mrs. Herman Klinck, Commerce school; 1st vice president, Mrs. James Gregg, Walled Lake school; 2nd vice president, Mrs. E. L. Windeler, Waterford Center school; treasurer, Mrs. Charles Elder, Dublin school; secretary, Mrs. K. B. Valentine, Waterford schools; corresponding secretary, Mrs. George Newsom, Fourtowns school; historian, Mrs. B. N. Hickson, Williams Lake school.

Refreshments and a social time followed the program. The next regular meeting will be held at Lake Orion, April 9, beginning at 10:00 a. m. for an all day meeting.

COFFEE LOG-ROLL

HERE is a dessert well in keeping with the American tradition of ingenuity. Honor our country's heritage of resourcefulness by celebrating February's holidays with this really original Coffee Log-Roll. It's as delicious to taste as it is interesting to see.

For a patriotic party, an afternoon coffee or just as an exciting holiday surprise for your own family, this Coffee Log-Roll will spark enthusiasm from young and old. It is rich in the flavor of America's favorite beverage. For real "party" fare, the Roll can be decorated by burying a toy hatchet into the deep frosting or garnishing the whole with maraschino cherries.

Mocha Roll

1/2 cup sifted cake flour
1/2 teaspoon salt
1 teaspoon baking powder
4 eggs

1/2 cup sugar
1 teaspoon vanilla
Coffee Cream Filling**
Mocha Frosting**

Mix and sift flour, salt and baking powder. Beat eggs until light and lemon colored. Add sugar to eggs gradually, while continuing to beat. Sift small amount flour mixture on egg mixture; fold in. Continue until flour mixture is all added. Fold in

vanilla. Line jelly roll pan 15x10x 1 1/2 inches with waxed paper. Grease paper and sides of pan. Pour in cake batter evenly. Bake in moderate oven 400° F. 13 minutes. Remove cake from pan to damp cloth. Remove paper. Trim edges of cake. Spread with Coffee Cream Filling; roll up quickly. Frost with Mocha Frosting, roughened to resemble a log of wood. Yield: 8 portions.

Coffee Cream Filling**

6 tablespoons flour
1/2 cup sugar
1/2 teaspoon salt
1 cup double-strength coffee

3/4 cup undiluted evaporated milk
1 egg, beaten
1 teaspoon vanilla

Combine flour, sugar and salt in top of double boiler. Combine coffee and evaporated milk; scald; add to flour mixture, slowly, mixing smooth. Cook over hot water 15 minutes, stirring constantly until thickened, then occasionally. Add to beaten egg. Return to double boiler. Cook 3 minutes longer. Add vanilla. Cool.

Mocha Frosting**

Add double-strength coffee instead of water to fudge mix; following package directions.

SENIOR NEWS

Plans for the Senior Prom scheduled for April 9th are now fully underway. The following committees were chosen: decorations, Al LaBlanc, Jack Selberg, Mary Keelean, Pat A. Watson, Noreen Moore, Pat J. Watson, Joan Johnston; tickets, Donna Beals, chairman, Bernetta Mills and Sally Curry; advertising, Fran Dalley, chairman, Beverly Walstead, Dean Anderson, Ronald Pearsall, Pat J. Watson and Mary Secan; refreshments, Pat A. Watson, Joyce Fosdick and Mary Keelean; clean-up, Fred Mortimore, Bob Sheldon, Ronald Pearsall, Gerald Kidder and Dick Doyle; patrons, Mary Jo Pettengill, Shirley Crosby and Bob Stitt are co-chairmen of the affair.

To date the decorating committee has chosen a theme and all are working on appropriate decorations. "Dub" Masters will provide the music for the dance.

SEVENTH GRADE NEWS

The seventh graders had their spell-down. Janet Heineman won the dictionary on the word "crochet", while Arzela Brewer was runner-up. The others on the team are: Judy O'Dell, Robert Hopson, John Stageman, Albert Bigelow, Carol Vincent, Robert Carter, Rose Sarvis and Etta Smith. The two alternates are Phyllis Saxman and Hazel Carter.

We are sorry to report that one of our classmates died last Thurs-

day night of a heart attack. Some of the seventh graders attended the funeral.

FIFTH GRADE NEWS

The fifth graders entertained their mothers at an Easter program on Wednesday afternoon.

Marvin Menzies opened the program with verses from the Bible and Bob Jones told about the Resurrection. Lorraine Rioux, Jean Porritt, Marcia Smith, Laura and Larry Ruggles offered piano selections. Marvin Menzies played the accordion. Lanny Leak and Betty Root related stories, while Dawn Marks and Roger Johnson recited poems.

There followed a play, "The Easter Basket". The cast included Micky Tersigni, Jean Porritt, Lorraine Rioux, Marcia Smith, James Alexander, Laurence McNeil, Lanny Leak and Roger Johnson.

The program closed with the fifth graders serenading their mothers with the "Easter Parade". Jim Rudduck acted as master of ceremonies. Refreshments were served to everyone. Mrs. S. M. Rudduck and Mrs. John Turek were the mothers in charge of the refreshments.

TEACHERS' INSTITUTE

Friday, March 19, the Oakland County teachers met at Pontiac or Royal Oak to hear speeches by Miss Gwen Dew, Far Eastern correspondent for the Detroit News, and Dr. Ralph W. Sockman, pastor of The Christ Methodist

Church in New York.

Miss Dew gave an inspiring talk on her impressions of MacArthur's Japan—from her many years' experience with the Japanese people including a six months' internment during the way in Hong Kong. Miss Dew said the greatest mistake America ever made was the dropping of the atomic bomb.

Dr. Sockman from the experience of weeks' trip with the Red Cross into Russia and a five weeks' tour of Spain, Portugal, Italy, France, and England, gave an optimistic view of the European situation.

ONE SPORTSTER'S VIEWS

That wonderful season is here again. The crack of the bat crashing the ball out of the park announces baseball time. The C. H. S. pastimers will have all but two players returning from last year's mediocre nine. Dean Anderson will probably head the pitching department; he had some good games in American Legion Play a year ago. The infield and outfield will remain "Doc's" chief problems, but Gene Greathouse's hefty bat might put the spark in where it is needed. Several newcomers possibly could add the hitting punch that was sorely needed on last year's team.

Will Clarkston be represented in the Rouge Invitational at Yost Field House, April 17? Coach Leigh Bonner's thinclads began training, but may not be prepared. The ABC meet will be on the Wolves' oval May 12. Ed Jenks will be gravely missed on the track team. Most of last year's squad will return, and it may make C. H. S. a threat.

Another sport coming into the spotlight soon will be golf. Dean Anderson already has initiated some cracking swings, but this corner looks for Bobbie Fell to surprise all on the links. Wednesday golfing trips this year should find Coach Thayer leading more "duffers" than ever before.

And now this writer expresses the views of many C. H. S. students in asking, "How long has Clarkston been buried?" The question of a lighted athletic field was raised at the banquet, but townspeople have dropped it into a deep, deep pit. Will it ever be dug up again? Not only the light question irks C. H. S. athletes, but town support at athletic events also presents a problem. Of the

three home football games last year, only the Waterford battle showed any profit. The athletic department barely broke even due to losses from both Goodrich and Log Cabin games. Basketball season comes, and what happens? Our loyal townspeople schedule a bowling league for Friday nights while the basketball quintet plays before sparse crowds. Will Clarkston ever live again?

SPEECH CONTEST

Thursday at 2:30 the high school heard Clarkston's annual speech contest. The two winners of each division—declamations, Nancy Heineman with "The Soldier's Last Salute" and Joyce Spooner with "Unknown", and orations, Barbara Rioux with "Our Last Chance" and David Saxman with "Tradition"—will represent Clarkston at the district meet at Holly sometime early in April.

Miss McKeachie, who is in charge of forensics this year, presented fourteen contestants—Nonette Alexander, Mary Jane Beattie, Dorothy Berry, Sylvia Peterson, Jim Huttenlocher, Donna Gobel, Nancy Heineman, Joyce Spooner, Pat Garpenter, Don Dubats, Imogene Potter, David Saxman, Raymond Day, and Barbara Rioux. Mr. George Fisler of Pontiac High School was the critic judge.

Read the moving story, "When Childhood Bares Its Soul"—by consulting psychologist, Dr. Portia Hamilton, discusses mental conflicts of children whose parents have withheld affection and consideration, in The American Weekly, the magazine of dramatic true-life features, distributed with SUNDAY'S CHICAGO HERALD-AMERICAN.

VALVE-IN-HEAD is far ahead!

in performance and economy...
in ruggedness and reliability!

- In the world's champion Chevrolet engine, the valves are located in the head of the cylinder, directly over the pistons... hence the name, Valve-in-Head.
- Valve-in-Head design provides faster intake of fuel mixture... and quicker and more complete exhaust of all burned gases... of which contributes to better performance and economy.
- Valve-in-Head design also permits a more compact combustion chamber; and this, together with Chev-

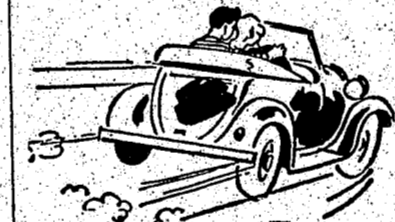

rolet's "Blue Flame" combustion, means more driving power for the pistons—less heat loss—and maximum economy. Valve-in-Head engines are inherently easier to cool; and Chevrolet's individual cooling of cylinders prevents waste of power—promotes efficient operation—prolongs engine life.

Automotive experts and millions of motorists agree: Valve-in-Head is far ahead because it gives an outstanding combination of performance, endurance, dependability and economy... Chevrolet—master builder of this master motor—has proved this by producing more than 20 million Valve-in-Head engines during the past thirty-seven years—engines which hold the distinction of having delivered more billions of miles of satisfaction, to more owners, over a longer period, than any other power-plant built today! Chevrolet's World's Champion Valve-in-Head engine is another powerful reason why CHEVROLET AND ONLY CHEVROLET IS FIRST... another convincing proof that only Chevrolet gives BIG-CAR QUALITY AT LOWEST COST!

One-Armed Wizard
One of the saddest comments on teenage driving is a need for the popular safety slogan—"It's better to risk breaking her heart than both of your necks."

That's the story of the "one-armed wizard" who tries so hard to make a big hit with the girl friend he's even got to be a Casanova when he's behind the wheel. Chances are he never thought he could make a bigger impression on the sweet thing beside him by expert driving, instead of this "one-armed driving." And if she is savvy, your date will realize the same thing. Maybe this is one reason why it's almost impossible to get the family car some nights. Another could be the idea that the whole neighborhood has got to squeeze in the car whenever Junior or Jane get the keys. It's strictly kid stuff to pack the gang in the old bus like sardines or let your pals ride on the fenders. Driving a modern car is a great national game that calls for the best in traffic tactics. To be a winner you've got to stay on the ball and keep both hands on the wheel.

EWE DISEASE IS COSTLY

The danger of pregnancy disease in ewes comes just prior to lambing time, reports Dr. B. J. Killham, extension veterinarian at Michigan State college.

Pregnancy disease is costly. At times it has claimed as many as 25 percent of the ewes in a flock. It is usually most prevalent following a cold hard winter.

The disease is not contagious but instead is related to feed and management. Affected ewes show evidence of depression and refuse to eat or drink. Finally the sick goes down. She will usually champ her jaws or grind her teeth. The head is usually held back or to one side, coma and death follow.

Prevention of the disease is more successful than treatment. Quality feed is essential. Good quality legume hay, oats, and bran are helpful. Yellow corn is recommended for its carbohydrate and vitamin A content. Molasses has also been found to be very beneficial.

It may be necessary to compel exercise. The opportunity for exercise is sometimes not enough and raisers compel the ewes to go into a field for hay. To do this, it is sometimes necessary to plow a lane.

Chicago Feb. 15 and ended it in New York Feb. 21. The itinerary included 20 of the country's largest corporations, including, for example, International Harvester, Sears Roebuck, Swift and Co., Ford, General Motors, American Telephone and Telegraph, New York Stock Exchange and National Broadcasting company.

The educators were interested primarily in learning about on-the-job training programs, the skill needs of business and industry, labor-management relations, public relations techniques and counseling procedures.

This first national trip of its kind was coordinated and directed by Prof. Carl M. Horn, of the Michigan State staff, who in past summers has conducted Michigan educators on similar field studies.

While Michigan State college was sponsor of the trip, this sponsorship was educational, not financial. The schoolmen taking the tour paid their own expenses, including transportation, and paid fees to the college for services rendered.

Demonstration Agent. The situation is still critical since shipments all over the world are little more than half the pre-war amount.

Used fats take the place of other fats and oils, many of which require feed grains for production. Because of our grain saving program it is twice as important to turn in used fats.

Keep a clean tin can in a cool place to collect fats you can no longer use in cooking. All meats have some fat and bones and table scraps will yield a surprising amount.

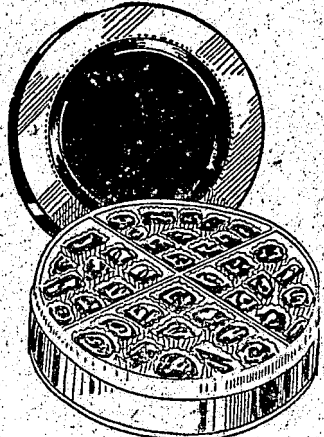

When you throw out fat you're throwing away money. Turn it in to your local meat dealer. It is asked that all Extension

Groups in Oakland County keep a monthly record of the amount of used fat collected. At the end of the year this report will be announced.

Loose litter on the floor of the poultry house provides better insulation than packed material. Therefore, MSC poultry specialists advise frequent stirring of the litter.

SAVE KITCHEN FATS

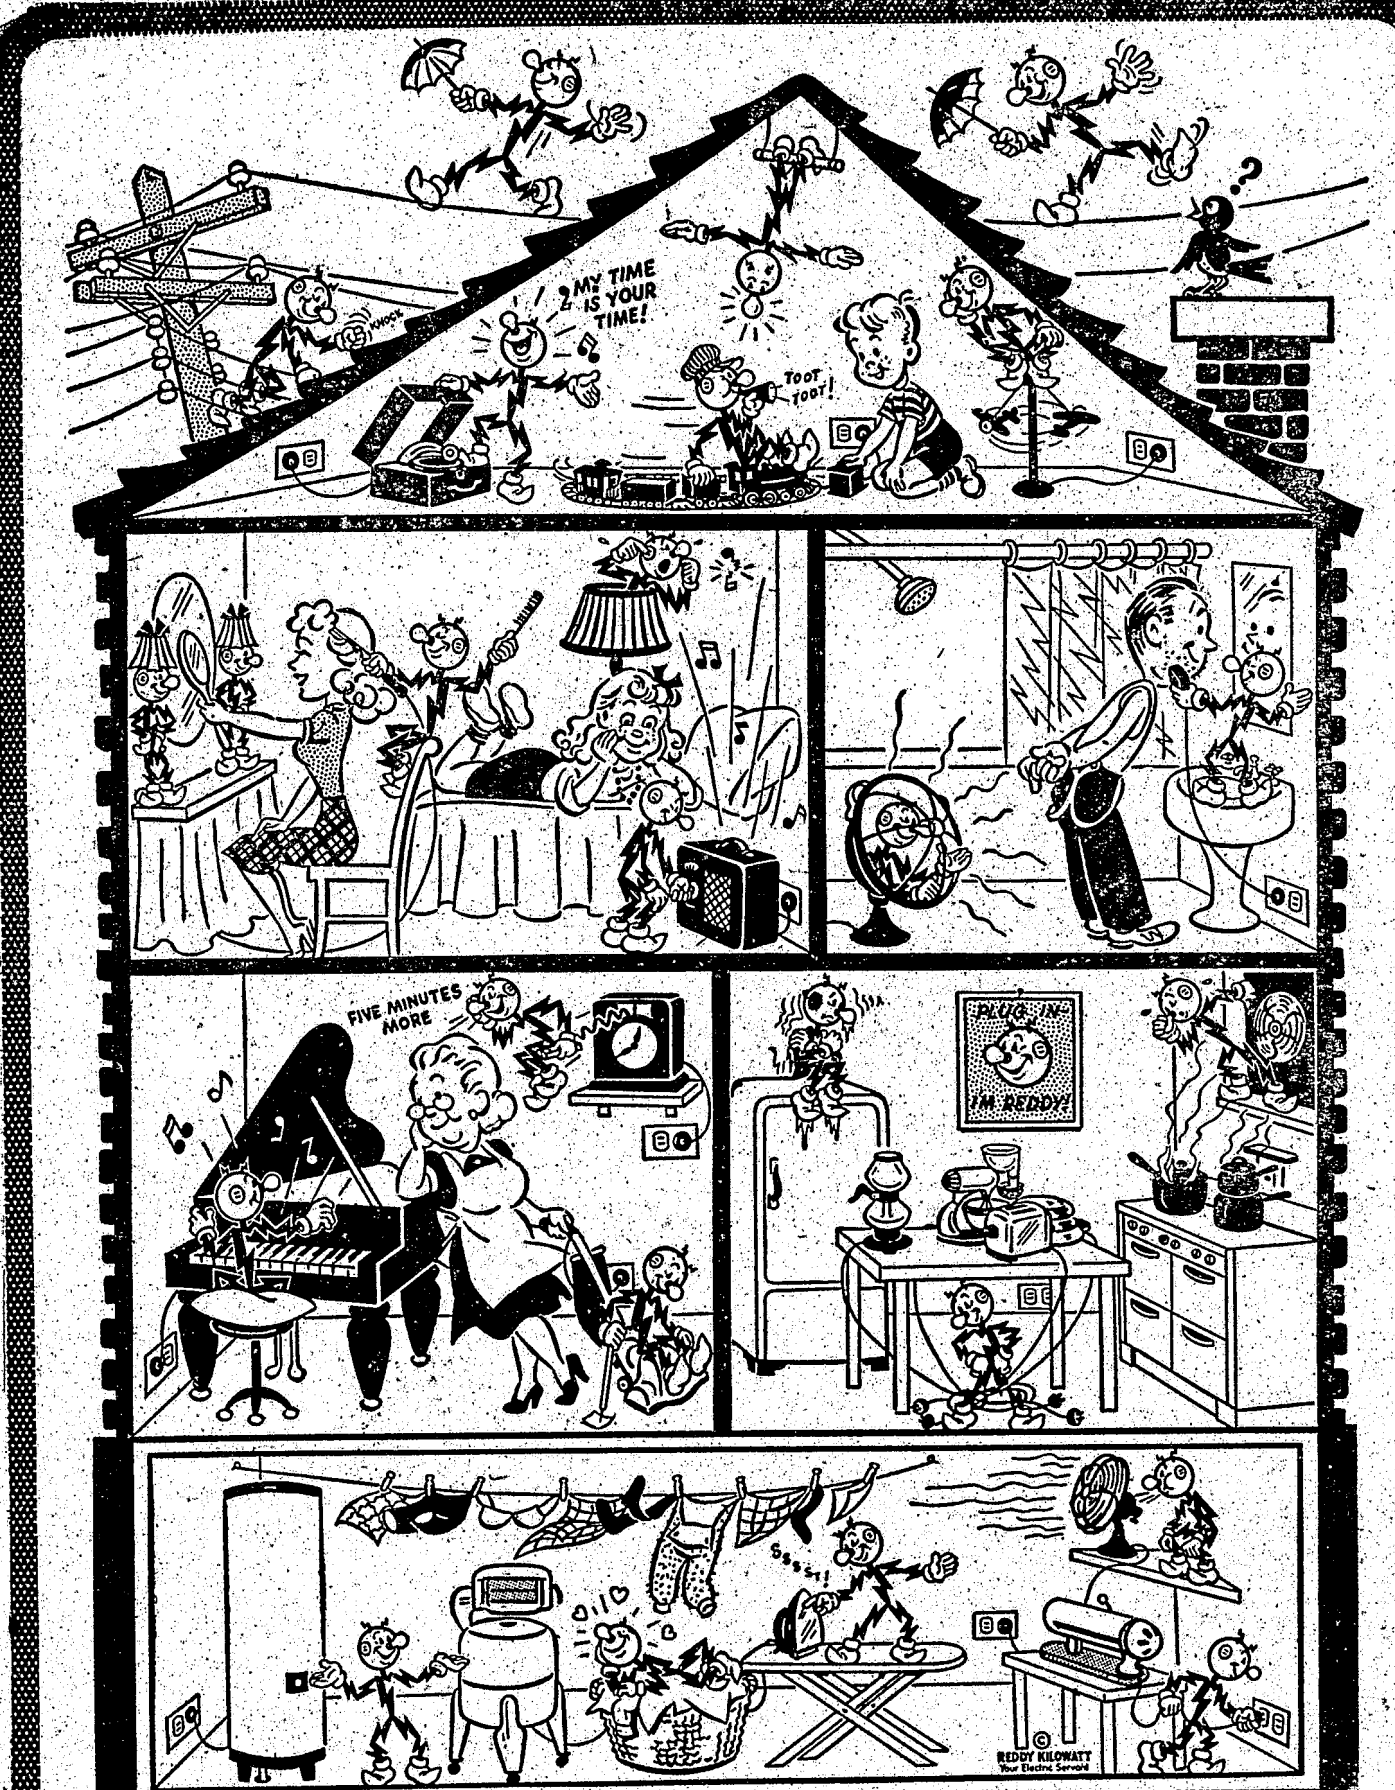

Have you asked your meat dealer lately how much he's paying for used fats? Most dealers are paying more than in the past because fats are still urgently needed.

Drive and Let Drive Intersections can spell trouble with a capital "T" for drivers who take for granted that their fellow motorists will obey all the traffic rules and be alert all the time.

The professional drivers, who make their living driving buses, trucks and taxis, avoid accidents by being prepared for the worst when they approach an intersection. In the first place, they always slow down, then look left first, since the line of cars they will meet will be coming from the left.

Their advice is to never take it for granted that you have the right-of-way at an intersection and go barging through. Let the other fellow go first whenever there is any doubt. If you count on the other driver to see and obey stop signs and traffic lights, you may end up in the morgue. He may be lighting a cigaret, intoxicated or just dreaming of last night's good time.

Perhaps he is a highway chiseler. Don't give him an opportunity to chisel your tombstone. If you're a teen-ager just getting your "road legs" do avoid intersection accidents, traps by being tolerant of the other driver. Show him you're mature by giving him a break.

LAMB CARE NEEDED FOR TOP RETURNS

Prices for lambs to be marketed during the coming summer and fall will be determined largely by the management practices followed

in the farm flock now, advises Graydon Blank, Michigan State college animal husbandry specialist. Two practices which are especially important are docking and castrating. Ram lambs more

than three to four months of age sell at a discount of one dollar per hundredweight. During the fall season, they lose flesh and retard the gains of other lambs. Long tailed lambs are discrimi-

nated against on the market. Feeders do not want ram lambs and those with long tails. Lambs should be docked and castrated between one and three weeks of age.

Details of profitable sheep management as well as instructions for docking and castrating will be found in extension bulletin 242, "Selection and Care of the Farm Sheep Flock". The bulletin can be obtained from county agricultural agents' offices or by writing to the Bulletin Office, Department of Public Relations, Michigan State college, East Lansing, Michigan.

It is not economical to withhold grain from a good producing cow because it is high priced. She cannot eat enough roughage

to keep up her maximum milk flow. You can buy, sell, swap or rent anything with a Clarkston News Want Ad.

That Family Car

Biggest teen-age problem in America since the horse and buggy days is how many different answers one can find for the question: "How often?" get the family car more often?

Normal parents, it seems, are a puzzle. Dad teaches Junior and Jane how to drive the family bus, but after they get their drivers' licenses, he freezes onto the car keys. How come? Do parents want their children to drive or don't they?

The answer seems to be that while Junior and Jane are having fun with the car, Dad and Mom are home with the worry. And while you repeats may think this is strictly the bunk, chances are your driving may be the real reason for their "old-fashioned" attitude.

Statistics show that drivers between 16 and 20 have a driving record five times worse than motorists 45 to 50, based on mileage traveled!

Unless teen-agers get wise to proper driving, learn the fundamentals and use them, the family car is going to miss out on a lot of good times with the gang.

CLEAN-UP URGED TO CUT FIRE LOSS

A neat, clean farm usually is a farm that is safe from fire. This observation is made by farm safety specialists at Michigan State college in conjunction with Spring Clean-up Week, April 4-10.

Most of the approximate 600,000 fires which needlessly attack U. S. buildings each year can be laid at the doorstep of the "poor house-keeper", they point out.

Records of the National Fire Prevention association show that spring is a season when the danger from fires is great. Ninety percent of all home fires could be prevented by cleaning out rubbish and unnecessary combustible materials and by correcting other obvious fire hazards.

The safety specialists urge farmers to remember: a clean farm seldom burns. Spring Clean-up Week is the time to do a thorough house-cleaning job.

Miss America of 1947 (center), Barbara Jo Walker of Memphis, and other models show a completely washable wardrobe of formal attire at a recent convention of laundry owners. Miss America's evening gown is of white chintz. The model at her right wears an evening gown of striped cotton. Other gowns, left to right, are a jacket-and-dress set of cotton, a bridal gown of cotton pique, an evening suit of cotton velvet and an evening gown of cotton velveteen. The style show at which this photo was taken was part of a demonstration of how manufacturers are working with the laundry industry to produce new washable fabric marvels.
