Waterford

Charlotte Dialie Taylor became the bride of Floyd Erman Spear, Jr., at three o'clock on Saturday afternoon at the Christ Lutheran parsonage. Rev. Philip Jordan performed the ceremony.
 Mrs. Fred Campau of Romulus is the bride's mother. Miss Taylor made her home with her grandparents, Mr. and Mrs. Ben Bronson, and she attended the Waterford School.

Charlotte Knudsen of Detroit was bridesmaid and Kenneth Adams served as best man.

The bride was dressed in a floor-length organza dress over a white, accordion-pleated slip. The hoop skirt was caught up in several places with white bows which allowed the pleated under-

skirt to show. Her fingertip veil was held in place by a tiara of seed pearls. She carried a colonial bouquet of white snapdragons and white sweetpeas centered with red roses.

The bridesmaid's blue organza dress was identical to the bride's. She carried a colonial bouquet of white snapdragons and sweetpeas centered with pink roses.

Mrs. Campau wore a print dress with black accessories and Mrs. Floyd Spears, Sr., mother of the bridegroom, wore a black dress with green sequins.

About 200 attended the reception held at the pavilion at Craig's Beach. The long table was centered with a four tiered wedding cake topped with a miniature bride and groom.

On their return from a short honeymoon the couple will reside in Windiate Park.

Twelve mothers enjoyed a Mothers day program and tea in Mrs. Ads Campbell's eighth grade room in the village school Friday. The program included the singing of "Mother" by Harley Quick, Rick Jones, Donald Warden, Kenneth Schluter, Donald Dryden and Peter Shunck. Poems were recited by Esther Dennison and Margaret Alysworth; piano solos were by Donna Kay Lamberton and Donald Dryden, and a vocal solo by Barbara Dill. The Program was arranged by Janet Adams and Marjorie Lumby. Janet did the announcing. Each mother present was given a plant and Mrs. Frank Minton and Mrs. Loyal Lumby were presented gifts in appreciation for their work as room mothers.

The Waterford-Drayton Rotary Club met at the community Activities Building on Tuesday with 30 present. Henry Mehlberg presided. Norman Roth was program chairman and presented current events in question and answer form. Serving the dinner were Mrs. Otto Duguid, Mrs. P. L. McLaughlin, Mrs. Francis Whipple and Mrs. Edward Reiner.

Mrs. Wright VanPlew's Sunday School class held its May meeting at the Brown home on Thursday night with 7 girls present. They continued sewing for the Kentucky Mountain Mission Home. Refreshments were served.

Nearly sixty ladies attended the Mothers' Club Luncheon and program at Rotunda Inn Tuesday afternoon. Mrs. Leslie Fitzgerald introduced all the new officers for the coming year and the retiring chairman, and Mrs. Richard Gorman, retiring program chairman, with corsages.

A very enjoyable program was arranged by Mrs. Gorman and Mrs. Eugene Cleland and included three flute solos by Joyce Thompson, instrumental music teacher in the Waterford and Drayton Plains schools, who was accompanied by Mrs. J. R. Berryman; three beautiful vocal selections by Mrs. Orlo J. Willoughby of Clarkston, accompanied by Mrs. Watson; group singing with Mrs. Berryman at the piano; and a humorous poem read by Mrs. Cleland.

The luncheon table was very pretty with decorations of spring flowers and butterflies. The butterflies were also used as place cards and were made by Mrs. Faith Mann, art teacher in the Waterford Township Schools.

This is the final meeting of this Club for this year. The Club is the sponsor of the Community Library located in the Community Activities Building. There have been a few parties, and will be a few more, to raise money to buy drapes and various other articles to make the library very attractive. Donations of good books are also very acceptable at all times.

Mr. and Mrs. Gordon Bryce celebrated their eleventh wedding

anniversary on Tuesday. Mrs. Ada Allan, 4th grade teacher, and her pupils entertained the mothers on Friday afternoon. There were 20 mothers present to enjoy the program consisting of several short, interesting plays; a flute solo "America" by Jerry Kinkle. The room mothers, Mrs. Charles Callahan, Mrs. Harold VanCamp and Mrs. Kenneth Williams served ice cream and cookies.

There were 160 at the morning service at Christ Lutheran Church on Mother's day.

The Good News Class which has been meeting at the home of Mrs. James Simmons on Mondays will have their two remaining classes at the home of their teacher, Mrs. Henry Mehlberg. This month the work will be completed for the summer.

Dr. and Mrs. Ashton Emery and son, Jack, left here early Saturday morning for Rock Island, Ill., where they visited their daughter Marian Emery, who is attending Augustana College, and also attended a concert where they heard the cantata, "Elijah". They were accompanied by Mr.

and Mrs. Victor Lindquist, both

graduates of Augustana College. Mr. Lindquist's parents live near Rock Island. No doubt Marian was glad to see the home folks.

Judy Materna is confined to her home with measles.

Mr. and Mrs. Edward George and Judy of Detroit were guests of Mr. and Mrs. John Watchpocket on Sunday. Mrs. George is the sister of Mr. Watchpocket. Waterford Community Sunday School had an attendance of 208 for Mother's Day.

Mr. and Mrs. William Granger spent the weekend and Mother's Day with her parents near Mt. Pleasant.

Mr. and Mrs. Arnold Hardley and family of Mesick visited Mr. and Mrs. Frank Schuitz on Sunday. They all attended the Waterford Community Church where they met many of their old friends.

Mr. and Mrs. George Attwater were hosts at a dinner party on Sunday. The guests included Mrs. Fred Attwater, Mr. and Mrs. R. C. Kennedy, Mr. and Mrs. Dick Purvis and two children from Pontiac and Mr. and Mrs. Eugene Meyers and small daughter of Detroit.

Mr. and Mrs. Ray Ackerson of Palm Beach, Fla., have arrived at their summer home in Windiate Park. Mrs. Henri Buck spent several days the first of the week in Detroit with her son-in-law and daughter, Mr. and Mrs. William Poland and family.

Mrs. Robert J. Mehlberg and infant son, Thomas Michael, returned to their home from St. Joseph Mercy Hospital on Saturday evening. Mrs. J. C. McMacken of Toledo who has been visiting her sister in Davison came here this week to be with her daughter, Mrs. Mehlberg and her new grandson.

Mother's Day was observed at the Waterford Community Church with the pastor speaking on "A Mother's Crisis". Mrs. William Hunt, the oldest mother present and Mrs. Carl Enden, the youngest mother present, each received a beautiful plaque. The choir sang a tribute to all mothers. Christ Lutheran Church also had a special Mother's Day service. Rev. Philip Jordan spoke on "The Christian House", and the choir sang, "Bless This House".

The Christ Lutheran Church had two baptisms, Donald Albert Dryden, son of Albert Dryden with Mr. and Mrs. Leslie Dryden as sponsors and Richard Wayne Abeare, son of Mr. and Mrs. Chestey Abeare with Mr. and Mrs. Frank Adams as sponsors.

Mrs. Edwin Campbell whose birthday was Sunday was a guest of honor at a birthday party given by her son and daughter-in-law, Mr. and Mrs. Glenn Campbell of Airport Road on Saturday evening. Mrs. Campbell spent the winter near Washington, D. C. with her daughter, Miss Agnes Campbell. At the party were Mr. and Mrs. Carroll Annis and 3 children of Grand Rapids, Mr. and Mrs. Herbert VanWick, and Mr. and Mrs. Virgil Campbell.

Bobby Carey, small son of Mr. and Mrs. Carey, is still confined to his bed with rheumatic fever. He enjoys the cards that he receives and is always looking for the mailman.

Mr. and Mrs. Henry Mehlberg enjoyed Mother's Day by having as dinner guests, Mr. and Mrs. E. D. Spooner of Waterford, Mrs. and Mrs. David Mehlberg and son, David Elliott, and Mr. David Elliott of Lapeer and Mr. and Mrs. Fred L. Tuck and daughter, Barbara Jean of Wayne. Callers during the day included Mr. and Mrs. Manley Walter and Mr. Ronald Walter of Clarkston and Edward Chapperton.

OAKLAND COUNTY 4-H CLUBS TO HAVE SCRAP DRIVE

One hundred-fifty 4-H Club groups have begun to collect all kinds of scrap for sale in a scrap drive contest. Six clubs in the County will receive cash prize awards for the largest total cash sales over a two months period. According to R. Lynox Lewis, County 4-H Club Agent, a total of \$75.00 in prizes will be paid by the Allied Iron and Metal Company of Pontiac. Rules for the contest have been placed in the

hands of 4-H Club leaders. The scrap drive will help to provide metal and other scrap items for industry. Scrap is needed for the production of farm and consumer machine goods.

WALDENWOODS CAMP FOR EXTENSION WOMEN PLANNED

A bi-county committee consisting of the home demonstration agents and two executive committee members from Oakland and Ingham Counties met in Howell on May 3 to plan the Camp program for extension women in these counties for this year. The Camp will be from June 9 through June 12. Registration for the Camp will be from 1:30 to 3:00 P. M. Wednesday, June 9, and check-out time will be Saturday, June 12 after the luncheon hour.

The committee consisted of Mrs. Lowena Murphy, Mrs. McMaster, and Mrs. Fanselow of Ingham County, and Miss Josephine Hoke, Mrs. Arthur Simmons, and Mrs. Alex LeRoy of Oakland County. Mrs. Alex LeRoy and Mrs. Fanselow were appointed co-chairmen on money management at the Camp. Mrs. McMaster will be acting chairman of the bedding committee. The executive committee chairmen will serve as chairmen for food assignments at the Camp.

Crafts offered this year will be metal work, weaving, stenciling fabrics or cork, knitting, and sequin work. The entire Camp program is planned. Thursday night the entertainment will be "folk dancing, Friday night the entertainment will be square dancing. A special program will be given at the breakfast hour on Saturday. This will be called "A Hint Hunt Program". Each person going to the Camp is being asked to bring some completed article and six copies of the pattern or instructions for making the article for exchange of ideas for Christmas gifts or household helps.

Each person going to the Camp is asked to bring her own sheets and pillow cases, or they may rent these after arrival at the camp. The cost of the camp will be \$10.75 for the entire time or \$3.50 a day. All women in extension work may register for the camp by writing the Extension Office, 1 Lafayette Street, Pontiac, Michigan, and making a \$2.00 deposit.

The Ladies' Guild of Christ Lutheran Church met at the home of Mrs. Stanley Hawkins on Wednesday for a 12:30 luncheon. The proceeds from the luncheon will go into the church building fund. There were 23 members and 5 guests present. The business meeting was conducted by Mrs. Albert Dryden. There will be a bake sale on May 29th with the following committee in charge: Mrs. Hawkins, Mrs. Anna Gesch and Mrs. August Jacober. The Greeters for the Sunday morning service during May will be Mrs. James Alan and Mr. William Schultz. The next meeting will be on June 2nd at the home of Mrs. Vernon Waltz with Mrs. J. F. Williams and Mrs. Fred Grahl assisting. The meeting will start at one o'clock. Tickets are on sale for the Mother and Daughter Banquet on May 21st and can be obtained from Mrs. Roland Grover, Mrs. Walter Roesel, Mrs. Waltz, Mrs. Williams and Mrs. James Lamberton.

Added to the list of Guild members were Mrs. Waltz, Mrs. Williams, Mrs. Robert Garrison and Mrs. Elmer Johnson. The Reverend Philip Jordan spoke on "Communism and the Church". A discussion followed. A letter was

Waterford

Twenty-five folks attended the Community Church Ladies' Auxiliary meeting at the home of Mrs. William Hunt on Thursday of last week with Mrs. Louis Dorman as co-hostess. After the luncheon the business meeting was led by Mrs. Henry Mehler. Reports on the Missionary work were heard. The organization is to help on the repair work on the parsonage. Mrs. Arthur Davis and Mrs. Isaac Shook will act on the committee for that project. Starting this month and continuing until the first Thursday in October the Auxiliary will earn money to be put in the organization's fund for church repairs. An Experience Party will climax the campaign when the members will relate just how they earned their amount for the fund. Reports from the president and treasurer will be prepared for the annual meeting.

The welcoming committee for the morning service for May will be Mr. and Mrs. John Miller, Mrs. W. Blades, Mrs. Leslie Holt and Miss Lucas were greeted as this was their first time to attend a meeting.

The June meeting will be held at the home of Mrs. Roy Pammenter with Mrs. Al Krav assisting. The July meeting will be a picnic at the home of Mrs. Henry Prentiss at Lotus Lake on July 1st.

The Ladies' Guild of Christ Lutheran Church met at the home of Mrs. Stanley Hawkins on Wednesday for a 12:30 luncheon. The proceeds from the luncheon will go into the church building fund. There were 23 members and 5 guests present. The business meeting was conducted by Mrs. Albert Dryden. There will be a bake sale on May 29th with the following committee in charge: Mrs. Hawkins, Mrs. Anna Gesch and Mrs. August Jacober. The Greeters for the Sunday morning service during May will be Mrs. James Alan and Mr. William Schultz. The next meeting will be on June 2nd at the home of Mrs. Vernon Waltz with Mrs. J. F. Williams and Mrs. Fred Grahl assisting. The meeting will start at one o'clock. Tickets are on sale for the Mother and Daughter Banquet on May 21st and can be obtained from Mrs. Roland Grover, Mrs. Walter Roesel, Mrs. Waltz, Mrs. Williams and Mrs. James Lamberton.

Added to the list of Guild members were Mrs. Waltz, Mrs. Williams, Mrs. Robert Garrison and Mrs. Elmer Johnson. The Reverend Philip Jordan spoke on "Communism and the Church". A discussion followed. A letter was

read from Rev. and Mrs. Marvin Palmquist who are in Africa as missionaries. He is a former pastor of Christ Lutheran Church.

Mrs. Henri Buck spent last Thursday with her son and daughter-in-law, Mr. and Mrs. Charles Harris, and family at the Ford Estate near Milford and helped Mr. Harris celebrate his birthday.

Mr. and Mrs. Albert Krav returned recently from Old Hickory, Tenn., where they visited her brother and sister-in-law, Mr. and Mrs. Wescott and family. They say the roses were blooming and were in abundance in the town and the dogwood in bloom all along the way made the trip beautiful.

Mrs. William King entertained at a one o'clock luncheon on Friday. Her guests were Mrs. George Whitfield and the Misses Mary and Nellie VanZandt. They spent the afternoon visiting.

The first two weeks of May finds many folks celebrating their birthdays. Among them are Otto Duguid, Mrs. Charles Maxwell, Mrs. George Whitfield, Barbara Marie Burt, Charles Harris, Mrs. William Granger, Mrs. Joseph Helman, David Carter, Carol Jean Burt, Mrs. John Watchpocket, Mrs. Ida Beattie and Howard Burt, Jr. The Burt family formerly lived in Waterford. They are now living just west of Oak Hill. Howard Jr., is in San Francisco, Calif. Happy Birthday to all.

The Farmer's Daughter... and the "Wired" Hand

It was love at first light for the farmer's daughter. She just flipped a switch on the wall and wonderful things began to happen. No longer does she have to milk Bessie the Holstein...

- Or carry water...
- Or beat the rugs...
- Or trim and fill the lamps...
- Or carry in wood for the stove...

Why, she doesn't even have to wind the clock any more. Electricity has reached her Dad's farm and now she and her family can have more leisure, more fun, knowing that the "wired" hand will do their jobs faster, easier, and for less money than doing them any other way.

100% ELECTRIFIED!

This year every farm in Detroit Edison's area—throughout the 7600 sq. miles we serve—will have electricity available. It's the first large rural area in the nation to be 100% electrified.

I'M REDDY KILOWATT THE "WIRED" HAND AND BOY, WILL I BE BUSY!

More Power to Michigan Farmers!
The DETROIT EDISON Co.

"Drive in Futuramic Style every Hydra-Matic Mile!"

Here's the car that's inspired new words for "In My Merry Oldsmobile." It's the Futuramic "39," a brand new model that's leading the way into a new Golden Era of progress and advancement!

Whirlaway
WITH **GM HYDRA-MATIC DRIVE**

It's the smash hit of the year... the big success story of 1948... the car that has all America singing its praises! Everywhere it goes, the Futuramic Oldsmobile goes over in a big way. Watch how people gather 'round to inspect that massive Futuramic front end... those flowing Futuramic fenders... that smartly tailored Futuramic interior.

Then watch the face of the lucky driver. He's got that "Futuramic Feeling." It's more than just the smoothness of a coil-cushioned ride. It's more than just the simplicity of "no-clutch, no-shift" Hydra-Matic Drive. It's even more than the breath-taking thrill of stepping down on the accelerator and feeling that surge of power as WHIRLAWAY goes into action. That "Futuramic Feeling" is a combination of all these Oldsmobile features—topped off with a goodly measure of pride in driving the best looking of all the new cars on the roads today!

MICHIGAN Motoring

Are You a Bad Driver? It's the bad drivers who cause accidents! It's been proved that they are responsible for eight out of every ten collisions.

What are the signs of bad driving? The behavior of a left front wheel can be a warning of a turn in the absence of a hand signal.

Keep asking yourself what the driver ahead of you is like... is he careless - inattentive - discourteous? The only way to know is to keep "driving ahead of yourself" - and be safe!

RUSSELL COLTSON Village Clerk Dated: May 10, 1948. That the Village Clerk shall receive registrations at the time and place set forth in said notice of registration.

NOTICE IS HEREBY GIVEN that a special election will be held in the Village of Clarkston, Michigan, on the 14th day of June, 1948, at which election there shall be submitted to the electors of said village qualified to vote thereon, the following propositions:

(a) Shall the Village of Clarkston, Michigan, borrow the sum of Thirty Thousand Dollars (\$30,000) and issue the bonds of the village therefor, for the purpose of acquiring Lot No. 115 of Assessor's Plat of Clarkston and Lots Nos. 18 and 34 of the Supervisor's Re-Plat of Northwestern Addition and Part of Original Plat, together with the structures thereon and the appurtenances thereto, all in the Village of Clarkston, Oakland County, Michigan, to be used as a village hall and as public grounds?

(b) Shall the Village of Clarkston, Michigan, borrow the sum of Thirty Thousand Dollars (\$30,000) and issue the bonds of the village therefor, for the purpose of acquiring Lot No. 115 of Assessor's Plat of Clarkston and Lots Nos. 18 and 34 of the Supervisor's Re-Plat of Northwestern Addition and Part of Original Plat, together with the structures thereon and the appurtenances thereto, all in the Village of Clarkston, Oakland County, Michigan, to be used as a village hall and as public grounds?

(c) Shall the Village of Clarkston, Michigan, borrow the sum of Thirty Thousand Dollars (\$30,000) and issue the bonds of the village therefor, for the purpose of acquiring Lot No. 115 of Assessor's Plat of Clarkston and Lots Nos. 18 and 34 of the Supervisor's Re-Plat of Northwestern Addition and Part of Original Plat, together with the structures thereon and the appurtenances thereto, all in the Village of Clarkston, Oakland County, Michigan, to be used as a village hall and as public grounds?

(d) Shall the Village of Clarkston, Michigan, borrow the sum of Thirty Thousand Dollars (\$30,000) and issue the bonds of the village therefor, for the purpose of acquiring Lot No. 115 of Assessor's Plat of Clarkston and Lots Nos. 18 and 34 of the Supervisor's Re-Plat of Northwestern Addition and Part of Original Plat, together with the structures thereon and the appurtenances thereto, all in the Village of Clarkston, Oakland County, Michigan, to be used as a village hall and as public grounds?

LANDINGS -- THEN AND LATER
 The Navy's role in the assaults of American forces on the shores and beaches of enemy territory has been indispensable throughout its history, although the invasion methods have changed radically with each conflict. Above photo of an old print depicts the landing of American forces under General Scott at Vera Cruz in 1847 — amphibious operation, Mexican War style. Below is a scene from World War II, taken nearly a century later, as Marines stormed the black beach of Iwo Jima beneath scowling Mt. Suribachi in the landing craft of a scientific age. (Official Navy Photoprint)

LEGAL NOTICE

NOTICE OF REGISTRATION VILLAGE OF CLARKSTON, MICHIGAN
 NOTICE IS HEREBY GIVEN, that the Clerk of the Village of Clarkston, Michigan, will be at the Village Hall in said village, on Tuesday, the 25th day of May, 1948, from 8:00 o'clock A. M. to 8:00 o'clock P. M., Eastern Standard Time (9:00 o'clock A. M. to 9:00 o'clock P. M., Daylight Savings Time) for the purpose of receiving applications for the registration of persons not already registered who possess the qualifications of electors or who will possess such qualifications of electors on June 14th, 1948, the day of a special election to be held in said village, at which there will be submitted the question of amending Section 22 of Chapter IX of the charter of said village and also the question of borrowing the sum of \$50,000 and for the purpose of paying a part of the cost of acquiring certain property to be used as a village hall and as public grounds.
RUSSELL COLTSON
 Village Clerk
 Dated: May 10, 1948.
 The Grass Day programs being planned by MSC Cooperative Extension Service for all parts of the state during June will feature the latest methods of planting, harvesting and using grass crops.

Waterford Township

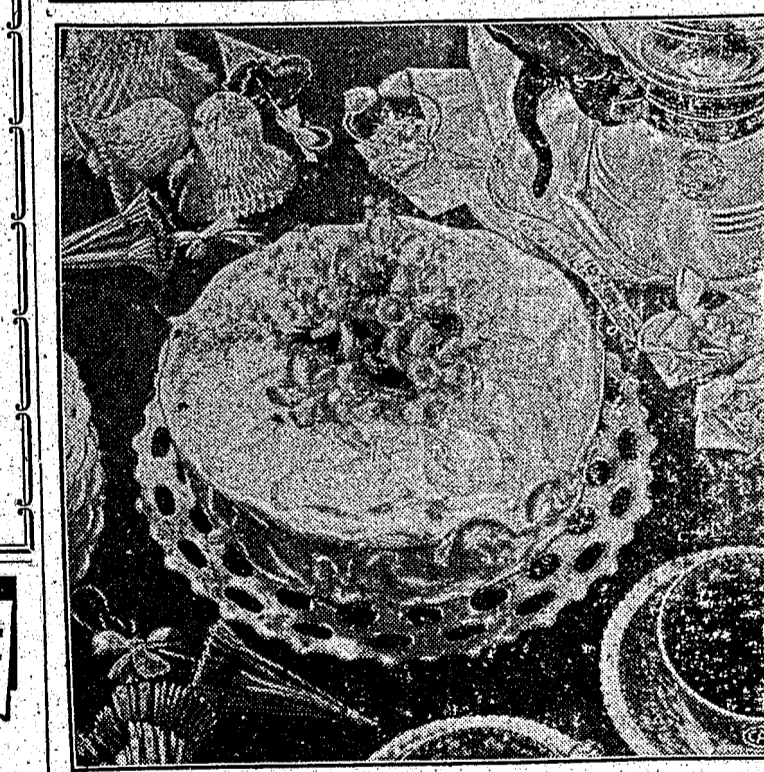

The Waterford Township Fire-fighters Association will meet at the township hall at 7:30 Tuesday evening.
 The Waterford Township High School's baseball team was defeated by the Log Cabin High School team with a score of four to three Tuesday afternoon.
 Four students in the tenth, eleventh, and twelfth grades in the Township High School received all "A's" on their report cards last week. They are Peggy Keasey, Sherwood Ebeby, Robert Webb, and Jack White.
 Others on the honor roll this period are Roberta Dean, Phyllis Brinker, Patty Bump, Phil Christos, Nancy Cooper, Sally Eaton, Anna Jarrand, Eugene Johnson, Vida Long, Patty Maxwell, Matilda Nielson, June Pratt, Roy Lindahl, Jeannette Moran, Margaret Reed, Marjorie Voelker, Irene Warden, Laurene White, and Ralph Wilcox.
 At this time the list on the honor roll from the ninth grade is not complete and will be published at a later date.
 The biology classes of the township high school enjoyed a trip to Cranbrook on May fifth. The group enjoyed the exhibits in the Science Institute, the Museum, and the beautiful grounds.

Community Activities

Community Party at 8:00 this evening (Friday). The public is invited. Modern and old time dancing for the whole family from 9:00 until 1:00 each Saturday evening. Good music and lots of fun.
 Mrs. Kenneth Valentine will review the book "Log Book for Grace" by Robert Cushman Murphy at 1:00 Monday afternoon in Community Library. All ladies in the community are invited to attend. Refreshments will be available in the Dairy Bar.
 The Waterford-Drayton Rotary Club luncheon served by the Women's Club Tuesday noon. The Club's meeting and program will follow the dinner.
 Boy Scout meeting at 7:30 Tuesday evening. All Scouts are urged to attend.
 The Woman's Club will meet at the Club House at 8:00 Thursday evening.
 Fourteen couples enjoyed pinocle at the Club House Monday evening. Mr. and Mrs. James Reed were the hosts for the evening.
 The Finance committee of the Community Library is sponsoring a card party in the Community Library next Friday, May 21 for all wishing to attend. Eat your lunch and then come over to the library at 12:30 for your dessert. All kinds of cards and games will be played. Mrs. P. M. Wood and Mrs. O. L. Siegman are in charge.

You can buy, sell, swap or rent anything with a Clarkston News Want Ad.

Refreshment for a Shower

AFTER the bride-to-be has opened her last shower gifts, coffee and cake for refreshment, of course! Make the cake something special—like this coffee-flavored Shower Cake, with fresh spring flowers budding out from its hollow center.
 This delicate Shower Cake will cause conversation wherever it is seen or tasted. It is baked in a tube pan and the center hole is filled with a handful of fresh flowers which seemingly grow out of deep swirls of pastel frosting. Underneath, the coffee-flavored cake itself is everything the outside promises. Light in texture, and delicious in flavor, it will be hailed as a creation by friends and guest-of-honor alike.
 And show the bride you know something about coffee by serving the cake with steaming cups of a truly delicious brew. You might remind the lucky girl that good coffee will bring good cheer to her home by "gifting" her with a coffee brewing device that bears the National Coffee Association's Seal of Recommendation. The round Seal on the device is assurance that the coffee-maker can brew coffee that meets the standards of the coffee industry. Here's the recipe for Shower Cake:
Shower Cake
 1 cup shortening 3/4 teaspoon
 3 cups sifted baking soda
 3 cake flour 3/4 cup strong coffee
 8 teaspoons 1/2 cup evaporated milk
 1 1/2 cups sugar 4 egg yolks
 1 teaspoon salt 1 teaspoon rum flavoring
 1 teaspoon rum flavoring
 Stir shortening until softened. Mix and sift flour, baking powder, sugar and salt; add to shortening. Dissolve baking soda in coffee, combine with evaporated milk; add half this mixture, with egg yolks, to shortening and flour mixture; mix until flour is dampened. Beat 1 minute. Add remaining coffee mixture and flavoring. Beat 2 minutes. Bake in greased and floured 9-inch tube pan in moderate oven, 350° F., 34 hours. Let stand in pan 5 minutes. Remove from pan to cake rack. When cool, frost with cooked frosting made with 4 egg whites. Tint frosting with food coloring if desired. Fill center with fresh spring flowers.

of door prizes and arrangements. The refreshment committee includes Mrs. Leslie Fitzgerald, Mrs. Frank Minton, and Mrs. J. F. Williams. The outgoing officers of the Mothers Club, which sponsors the Library, will be on the reception committee. Those ladies are Mrs. Leland Masters, Mrs. Richard Gorman, Mrs. Orval Turner, and Mrs. James Reed. Come and have a good time.

FEED COWS WELL FOR BEST RETURN

Many cows yield two-thirds capacity in Michigan because they are only fed from one-half to two-thirds volume. This fact is reported by A. C. Baltzer, Michigan State college extension dairyman, from records of dairy herd improvement organizations. Many herds under DHIA test for the first time produce 2,000 pounds less milk and 100 pounds less butterfat than they produce after testing for 12 to 24 months. The average Michigan cow receives two tons of hay, between 2,000 to 2,500 pounds of silage, and about 1,000 pounds of grain. The average DHIA cow receives two tons of choice alfalfa, alfalfa-brome grass hay; from 4,000 to 5,000 pounds of corn silage; and

from 2,500 to 3,500 pounds of balanced grain mixtures. Though the cost for this feed is greater, the dollars returned by the more heavily fed cows is often three times greater than that produced by the poorly fed cows.

FRESH AIR NEEDED BY TURKEY POULTS

Turkey poult need fresh air, advises Charles Reed, extension poultryman at Michigan State college. Windows should be arranged so they can be tilted in slightly to allow fresh air to enter and circulate in the house. Lack of proper ventilation, the specialist points out, will result in damp litter and unhealthy poult. Farmers using gas brooders should be especially watchful since these brooders rapidly use the oxygen supply in the room. Poults need plenty of fresh air in order to remain healthy. Air should enter the house without causing drafts directly on the poults.

TWO M. S. C. PROFESSORS WIN STUDY FELLOWSHIPS

John A. Yunk and Clyde Henson, instructors in English at Michigan State College, have been awarded fellowships for advanced study. Yunk was chosen for a Pennfield fellowship at New York University, and Henson was selected for a fellowship at Western Reserve University at Cleveland.

OAKLAND COUNTY ENLISTMENTS OVER QUOTA

The Pontiac Army and Air Force Recruiting Station at 53 1/2 W. Huron St. enlisted 80 Oakland County men during the month of April for 112.8 percent of its assigned quota according to T-Sgt. James E. Lundie, local recruiting chief. 63 of those enlisted chose a

three year period, five chose the five year enlistment and 12 enlisted for six years. Thus, April saw Oakland County youths dedicating 286 years to the service of their country.

Of those enlisted, 33 were entering service for the first time, 24 were army veterans, 17 were navy veterans, 5 were ex-marines and one a former coast guard.

The army still offers a choice of assignment in the United States or overseas as well as enlistment in grades commensurate with prior training to veterans of all services.

Men enlisting for the first time may choose their branch of service, and overseas theater from those now open. High school graduates may also select the specific school they desire to attend and be assured of entrance thereto prior to enlistment.

The recruiting station at 53 1/2 W. Huron is open Monday through Saturday from 8 to 5 p. m. as are the recruiting detachments at the Pontiac State Bank; the Pontiac Post Office; the USES Office; Pontiac, 109 E. 3rd St., Royal Oak; the Ferndale Post Office and the Farmington Municipal Building.

four color illustrations of fish dishes. Previous publications have dealt with carp, lake herring, burbot, and smelt.

To cover cost of publishing the bulletin, 40 cents is charged. Copies of the folders dealing with other fishes may be had free of charge if requested. Orders should be addressed to the Bulletin Office, Michigan State College, East Lansing, Mich. Ask for circular bulletin 209.

MAY MUSIC FESTIVAL AT MICHIGAN STATE IS FREE TO PUBLIC

The annual May Music Festival, this year featuring the music of Mozart, will be held at Michigan State College Sunday, Monday and Tuesday, May 16 to 18. The general public will be admitted free to any and all of the four concerts.

The annual event was started last spring, when the music of Brahms was the specialty. Each spring a different composer's work will be performed.

Members of the music department faculty at MSC and advanced music students will appear in solo and ensemble roles, along with the college chorus and symphony orchestra.

Two concerts will be held Sunday afternoon: At 2 p. m. there will be a chamber music recital at the Music auditorium. At 4 p. m. the chorus, orchestra and soloists will present the great "Requiem Mass" in the College auditorium.

The Monday night concert in the Music auditorium will feature three instrumental quintets. The Tuesday night concert will feature the college symphony orchestra and a two-piano team of Ernst Victor Wolf, head of the MSC piano division, and Roy Underwood, head of the music department.

Red Cross News

Marshall Smith, chairman of the Oakland County Chapter American Red Cross, announces that two services of the chapter have recently been co-ordinated in line with a recent policy of the American National Red Cross. The activities formerly conducted by Volunteer Special Services and Community Service to Camps and Hospitals have been consolidated under the title Volunteer Services, of which Mrs. Ford M. Brook is chairman and Mrs. Sheldon Noble is vice chairman, in charge of services to Veterans Hospitals. Within the Oakland County Chapter the various divisions of Volunteer Services are: Canteen Service, in which food is prepared and served; Motor Service, which provides transportation for chapter activities; Gray Lady Service, performing personalized service on regular schedule in civilian and Veterans Hospitals; Staff Aide Service, clerical assistance in chapter offices; Production and Supply, making garments and acting as a channel for donations of supplies by outside groups and organizations; Volunteer Nurses Aides, service assisting professional nurses with supplementary nursing duties.

TEMPTING WAYS FOR PREPARING FISH

Tempting ways for preparing the "aristocrats of the Great Lakes", lake trout and whitefish, will be found in a recent publication of the Michigan Agricultural Experiment Station, East Lansing.

Long a favorite with those who enjoy good food, fish can be made even more appealing through the use of the many recipes listed in this colorfully illustrated bulletin.

Methods of preparation included are: frying, broiling, baking, planking, boiling, simmering, and steaming. A variety of recipes for fish casseroles and salads is also featured. Special sauces to be served with fish are also described.

For the amateur who feels that fish cooking is complicated, the authors have prepared sections on how to buy fish, how much will be needed for the family, and methods of preparation. Identification pictures of lake trout and white fish as well as the yellow perch and walleye make it easy for the housewife to select the fish at market. Since fresh fish is a very perishable commodity, one section of the bulletin deals with the care of the fish in the home.

The publication, last in a series dealing with fishes found in inland waters, is entitled "Recipes: Lake Trout and Whitefish", and is illustrated with a number of

Health News

"Health News" is presented by your Doctor of Medicine as a health service of the Michigan State Medical Society.

New Occupational Diseases

When an illness is directly caused by conditions associated with a particular job, that illness becomes known as an "occupational disease". Recently doctors of medicine have discovered evidence that two new occupational diseases are becoming established in this country.

One of these came to light with the report that an attendant at a shooting gallery in Baltimore was found to have lead poisoning. A month later, two more cases of lead poisoning among attendants at a different shooting gallery occurred. Doctors of medicine then made studies of the air in 14 indoor shooting galleries in Baltimore. They found that the impact of lead bullets against a steel target released significant amounts of fine lead dust into the air, where it could be breathed into the body. Tests showed that the concentrations of lead dust in the air in these galleries was many times the safe limits.

Another new occupational ailment is known as Bagasse Disease of the Lungs, or Bagassosis. Bagasse is the name given to sugar cane after it has been crushed and the juice extracted, and the disease is brought about by breathing in the dried bagasse dust.

Since the fibers of bagasse are tough and possess insulating properties, this material is being used more and more extensively in the manufacture of thermal and noise-insulating building materials, and in refractory brick. This means that bagasse disease may become a more widespread condition than it is at present. The known facts about it are at present being reviewed and reported, and doctors of medicine will continue to contribute all possible new knowledge on it, with the hope of eventually finding the exact effects and best treatment of this disease.

From where I sit... by Joe Marsh
Jeb Had the Folks in Stitches!
At the Friday Night Social, Jeb Crowell had the audience in stitches—doing a take-off on the blustering character who belittles everybody and everything that isn't from his own home town.
Well, we can laugh at that sort of character because from where I sit, Americans are just the opposite. We like to hoast a bit perhaps, about the paint job on the new barn, or the missus' style of cooking—but we aren't intolerant of people who don't think or act exactly the same way we do.
In our town, for instance: Some folks like band concerts, others don't—some families serve beer with dinner, others, buttermilk—and as for politics, there's plenty of healthy disagreement.
But when it comes to denying folks the right to think or act as they choose... no, we're like you—we don't believe in it, whether it goes for serving beer, or speaking one's mind on public affairs.

PONTIAC
A FINE CAR MADE EVEN FINER
Not a single thing lacking!
To be completely satisfactory, a motor car must give you many things—and Pontiac gives them all!
It is big and beautiful—so big and beautiful that you can drive it anywhere, on any occasion, with pride and confidence.
It performs magnificently—and is the lowest-price car with General Motors Hydra-Matic Drive.*
It rides and handles so well that the longest journey is a distinct pleasure.
It has a record for dependability that is unsurpassed in the entire industry. And it is amazingly economical, both to own and to operate. In fact, if you can afford any new car, you can afford a Pontiac.
Truly—from luxury to economy—there is not a single thing lacking in a Pontiac. And this is always true of Pontiac, year after year. So, regardless of when you expect to get your next car, make it a Pontiac—and be completely satisfied!
*General Motors Hydra-Matic Drive and White Sidewall Tires optional at additional cost.

How Would You Like to Live in the "Good Old Days"?

★ Back in grandfather's time, during the final quarter of the last century, things were quite different. There were no movies, no airplanes, no automobiles, few bathrooms, practically no efficient electrical appliances. If you contracted diabetes or pernicious anemia, your days were numbered. Your blood just "changed to sugar" in the former, "to water" in the latter.

There was little protection against virulent epidemics. Smallpox vaccine was the only biological on the market. When diphtheria or typhoid ravaged a community, there was nothing to do but wait it out in hope and dread.

Yes, a return to the "good old days" would mean, among other things, the sacrifice of the major portion of the contribution of medicine and pharmacy to your health and well-being.

Drayton Plains

Thelma Henderson, daughter of Mr. and Mrs. Bert Henderson of 4374 Louella street, Drayton Plains became the bride of Marcus McCoy of 50 Sheridan street, Pontiac, son of Mr. and Mrs. John McCoy of Franklin, N. C. at a quiet ceremony on Saturday morning at 10 o'clock. The couple were united in marriage by Dr. Andrew Creswell, pastor of the Oakland Avenue United Presbyterian church of Pontiac, at the parsonage.

The bride wore a blue gabardine suit with white accessories and a shoulder corsage of white roses.

The bride's attendant was Dorothy Townsend of Pontiac who wore a brown gabardine suit with brown accessories and a corsage of yellow roses.

The groom was attended by his brother, Roy McCoy of Franklin, N. C.

A reception was held at the bride's parents' home where a wedding dinner was served.

The couple are honeymooning in Northern Michigan and upon their return will reside in Pontiac.

The annual Mother and Daughter banquet sponsored by the Ladies Aid of the Drayton Plains United Presbyterian church was

a great success on Friday evening when 160 mothers and daughters gathered at the church for a lovely dinner cooked and served by the Christ Lutheran Ladies' Guild of Waterford. Decorations were carried out in the Dutch motif with even the waitresses wearing Dutch hats and aprons. The tables were centered with Dutch wooden shoes filled with spring flowers and Dutch windmills circled with paper tulips. Each place was marked by a program topped with a tulip and crepe paper Dutch doll in pastel colors standing over a basket of mints. Mrs. A. A. Solomon was in charge of decorations.

Group singing was led by Mrs. Cecil Morrow of Oxford. Mrs. Walter Aderholdt, chairman of the program introduced the President of the Ladies' Aid, Mrs. Everett Densmore, who gave words of welcome and thanks to her committee workers. Mrs. Frank Jones was toastmistress and Betty Fowler gave a toast to the Mothers. A. girl's trio Barbara Goodway, Barbara Krem and Helen Cleve, land accompanied at the piano by Lucille Hangee sang two numbers honoring mother. A toast to daughters was given by Mrs. Keith Morgan. Accordion selections were presented by Mary M. Cromwell of Pontiac.

Rev. Cecilia Learn, pastor of the Davisburg Methodist church gave the address of the evening.

Large pots of tulips were presented to Mrs. Jessie Ritchie of Waterford for being the oldest mother present and to 13 weeks old baby Cheryl Christine Belisle for being the youngest daughter present.

Fifty-eight guests honored Frank Pearsall of 3179 Warren Drive on Saturday evening at a surprise party at his home, the occasion being his 75th birthday. Mrs. Pearsall and daughter, Mrs. Guy Haynes of Dryden were in charge of arrangements for the party which was enjoyed by guests from Metamora, Dryden, Hillsdale, Detroit, Royal Oak, Birmingham, Pontiac and Drayton Plains. The evening was spent renewing old acquaintances and many lovely gifts were presented to the honoree. Refreshments were served featuring a decorated birthday cake.

Mr. and Mrs. Richard Roggow of Rochester were Sunday callers of Mrs. Roggow's aunt, Mrs. Martha Tevillager.

Mr. and Mrs. Walter E. McKee, who are residing with a son-in-law and daughter, Mr. and Mrs. Truman Godfrey of 4505 Dixie Highway, Drayton Plains, are celebrating their anniversaries quite close together. Mr. McKee born in Clear Creek, Nebraska, celebrated his 78th birthday April 8 and Mrs. Alice Carr McKee born in Yoncola, Oregon celebrated her 78th birthday on Tuesday, May 11. Mr. and Mrs. McKee celebrated their 53rd wedding anniversary on May 8th. They have four children, eight grandchildren and three great grandchildren.

Pfc. George J. Graves, son of Mr. and Mrs. George W. Graves of Oakhurst Drive, Lake Oakland, reported to Camp Kilmer, New Jersey on Tuesday of last week after spending 5 days at home before reporting for overseas duty. Pfc. Graves spent 26 months in World War 2 including 19 months overseas. He re-enlisted March 24 at Pontiac for three years overseas and in the meantime has been taking a short course at Fort Knox, Kentucky.

The Blue Star Mothers, Chapter 10, of Drayton Plains held their regular business meeting on Thursday evening in the school auditorium. The group has purchased two cherry trees to be planted at the Blue Star Mothers rehabilitation home near Orion which is a special project all the chapters of Oakland County are working on. They are also asking for donations of canned foods especially juices for the home. Mrs. Oscar Ream, hospital chairman, is in charge of this. A sum of money was voted to be given to the cancer fund from the Blue Star Mothers. The next social and business meeting will be held Thursday evening, May 20 at 7:30 in the school with Mrs. Henry Floyd, Mrs. Earl Wood and Mrs. Anna Brown on the refreshment committee.

Mrs. A. A. Solomon, Mrs. Michael Wall and Mrs. Oscar Ream, members of the Drayton Plains group of the Home Extension Club taught a lesson on "What Is a Good Diet" to a group of women patients, soon to leave, at the Oakland County T. B. Sanatorium this week. This work is all volunteer and the women really enjoy anything that can be brought to them in homemaking.

The Drayton Plains group of the P. T. A. Mother Singers held their monthly business and social meeting on Monday evening at the home of Mrs. Eugene Becker. A pot-luck supper was served at 6:30 featuring a birthday cake honoring Mrs. Kenneth See, Mrs. Wm. Warman and Mrs. Becker. At the business meeting the officers elected for the year were: president, Mrs. Laverne Terry; vice president, Mrs. Earl Springer; secretary, Mrs. Clarence Novess; treasurer, Mrs. Norman Davison; publicity, Mrs. Gordon Bennett

Kroger

How to Make a Dollar

Did you know that Kroger has to sell \$80 worth of merchandise in order to make a net income of \$1? That's the way our low-profit margin figures out—we use \$78 out of the \$80 to buy our merchandise, get it into your hands, and meet general business expenses. That's why Kroger prices are always close to cost.

USE CORN FERTILIZER WITH CAUTION

The question of corn fertilization comes up each year, reports Karl D. Bailey, county agricultural agent.

According to word received from A. G. Weidemann, soils research specialist at Michigan State college, the value of commercial fertilizer applied directly for corn is very dependent on weather, moisture and temperature.

With favorable weather conditions in July and August, commercial fertilizers often give favorable results. If applied at sowing time, fertilizer causes a rapid early growth which draws heavily on the soil moisture supply. When moisture is lacking the corn suffers because of the unusually large early growth of stover and the grain yield is reduced.

A well fertilized rotation of small grain seeded to clover or some other legume that will produce a good sod helps promote better yields of ears and less stover in average seasons. Fertility produced in this way becomes available more slowly, retarding early growth, depressing the yield of stover, and conserving moisture until the time when the ears are forming.

If corn has to be planted on soil where the fertility has not been built up to a high level, fertilizer may be advisable. An application of 150 to 200 pounds of 2-12-6, 2-16-8, or 4-12-8 in the row on heavier soils such as silt loam or clay loam is recommended. On sands or light sandy loams 4-12-8 or 3-12-12 can be used. A lighter row application supplemented by 200 pounds drilled solid or plowed under would be better in seasons of low rainfall. In extremely dry seasons even this treatment may not increase the yield of grain.

COOKING HINTS ADDS FLAVOR AND FOOD VALUE TO MEALS

If you're looking for a way to get more milk in your family's diet in an easy way, your answer may be the use of dry, skim milk

in many recipes. It is a cheap source of good protein. Using dry skim milk gives a fine flavor to many foods and puts minerals and vitamins to your diet inexpensively, advises Pauline Paul, research professor in

the foods and nutrition department at Michigan State college. Using various amounts of the dried milk in hundreds of recipes has convinced home economists that it is a very practical item for every housewife to add to her grocery list. It is easily stored and convenient to use. Keep it in a tightly closed container in a cool place and it is ready for your use in soups, meat dishes, breads, and desserts. Usually you can use it dry and mix it with the dry ingredients. In a few cases you will need to return it to a liquid by adding water and use as ordinary milk. Some recipes will use enough dry

milk to increase the food value over six or eight times, using fluid skim milk. One ounce is equal to 1 cup of fluid skim milk. Since it contains no fat you will want to use foods to replace the fat you would get from whole milk. Using butter, eggs, cheese, green vegetables, carrots, liver, sweet potatoes and yellow corn will give you a good balance. Dr. Paul and her co-workers in the foods department, Arlene Brill and Shirley Means, have worked out very successful recipes with the dry skim milk. Their recently published bulletin, "Using Nonfat Dry Milk Solids", contains many of them. The luscious frosted chocolate cake pictured on the cover of the bulletin will sell you on the idea of trying this nutritional way of cooking. Get a copy at your county extension office or from the Bulletin Office, Michigan State college. Ask for Experiment Station Circular Bulletin 212.

paid for over a 20 year period out of savings derived from large quantity buying and centralized handling of foods, and will not cost the people of Michigan a nickel.

FOOD STORAGE PLANT AT M. S. C. TO FEED 8,000

A modern food storage building big enough to handle the food requirements of 8,000 people a day and concessions services for 15,000 a day is nearing completion at Michigan State College.

It is expected to solve food service problems that came with growth of the college from an enrollment of 6,700 students in 1940 to nearly 15,000 this year.

The structure is to be finished by July 1, but already parts of it are in use. The three-story building can house 18 carloads or 26,000 cases of canned goods plus staple items like flour and sugar. It also has three meat coolers that can handle five carloads of meat, freezer space for eight carloads of frozen foods and other facilities.

The food stores department that will operate it will be responsible for distribution of all food to 15 campus eating places. A fleet of five trucks has been assembled for the purpose.

The building, constructed at an estimated cost of \$500,000, is being financed on a "self liquidating" basis. This means that it will be
