## Seniors Honored At Banquet And Dance

Last Thursday night the junior class honored the seniors at a banquet and dance in the high school auditorium.

Invocation was given by Reverend W. C. B. Saxman, John Adams, junior class president, as toastmaster, gave a speech of welcome and introduced the other participants. Martin Wager, senior president, gave the response. Spenceley Butters, accompanied by his mother, presented a violin solo, "Hejre Kati" by Jens Hubay. Pat A. Watson and Joan Johnston read the senior class will.

Mr. Ridgley introduced the faculty members who gave senior awards. Mr. Ladd presented the music awards to Martin Wager and Ruby Potter. Mr. Laws presented the citizenship award to Bob Trim and the student council medal to Bill Ludwig and Dear Anderson. Mr. Ridgley awarded Fran Dailley and Mary Secan the scholastic medals.

David Saxman and David Yor read the prophecy for the class of '48 and Bob Fell very seriously bid them goodbye.

The boys quartet -- Richard Allen, Spenceley Butters, Lewis Masters, and Gilbert Wells -- sang "Auld Lang Syne" and were joined by the audience in the last verse.

The juniors were aided by Mrs. Leach who arranged for the meal and the junior mothers -- Mrs. Gorman, Mrs. Keelean, Mrs. Masters, Mrs. Tower, Mrs. Butters, Mrs. Baynes, Mrs. Leak, Mrs. Adams, and Mrs. Allen. Novel ice-cream, yellow slices with blue C. H. S. '48, was donated by Mr. and Mrs. Rixsen.

## Rotary Club News

The Clarkston Rotary club enjoyed a very enlightening talk by Capt. Vie, of Pontiac, on the work of the Salvation Army.

Ed. Fuller, from the W-D club, was the only visiting Rotarian. Fred Mortimore, Charles McGee, and Dean Anderson were senior class guests of the club.

Rain postponed the tree planting last week but we hope to get it done this week.

The meal was prepared and served by Mrs. Roderick Muma chairman, Mrs. Ralph Thayer Mrs. A. F. Heingaman, Mrs. Herbert Baynes, Miss Ada Sorce. Wallace A. Ridgley

## Clarkston Locals

Mr. and Mrs. C. H. Soubly, Mr. and Mrs. Clark Soubly and Mr. and Mrs. Max Soubly, went to Columbiaville on Sunday where they attended the Clark family reunion.

On Sunday afternoon Mr. and Mrs. Leland Masters and family attended the funeral of his brother, Clyde Masters of Pontiac, who passed away on Wednesday of last week. Relatives from a distance who attended the funeral and made their headquarters at the Leland Masters home were Mr. and Mrs. Clair Masters of Adrian, Mich., Mr. and Mrs. James Leidy of Pioneer, Ohio and Mr. and Mrs. Maurice Tressler and two children and Mr. O. Tressler of Bryan, Ohio. The funeral service was in Pontiac and the burial took place in Armada, Mich.

## Death Claims County Officer

Kenneth McVittie, Sr., a resident of Waterford passed away on Thursday afternoon of last week in Grace Hospital in Detroit. He underwent a major operation and a week later suffered a stroke from which he did not recover.

Mr. McVittie was born September 10, 1887 at Forest. On Nov. 9, 1911 he was married to Effie Warren. He came to Waterford from Pontiac many years ago. He was chief probation officer for Oakland County and has worked in the Juvenile Court for the past 20 years.

Mr. McVittie was greatly interested in young people and was very active in Boy Scout work for many years. He was a past president of the Clinton Valley Council of Boy Scouts. Before the village school was affiliated with the township system Mr. McVittie was a member of the school board and at his death he was a member of the township board.

Mr. McVittie had many interests. He was a flower lover and his hobby was bee keeping. The week before he entered the hospital he was invited to speak to several organizations and his subject was "The Keeping of Bees". He was also interested in good music and was a member of the MacDowell Male Chorus. He was a member of the Central Methodist Church in Pontiac and was active in Masonry.

He is survived by his widow; one daughter, Mrs. Grace Farnier of Flint; two sons, Warren of Pleasant Ridge and Kenneth of Detroit; one brother, Alexander and one sister, Grace McVittie, both of Detroit.

The funeral service was held at the Central Methodist Church on Monday afternoon with Dr. Lloyd Nixon officiating. Burial was in Ottawa Park cemetery. Those who carried him to his final resting place were John Lyons, Dr. Sherwood Nye, Walter Krause, Howard Cole, John Peck and Henry Mehlberg. Honorary pallbearers were Judge Arthur E. Moore, Judge Frank L. Doty, Judge George Hartick, Judge H. Husel Holland, Arno Hulet and Alfred L. Smith.

## Shower Honors Clarkston Girls

On Tuesday evening, Melva Shiels entertained at a double miscellaneous shower at her home in Davidsburg honoring Marjorie Collins, who will become the bride of Thomas Cox in June, and Mrs. Nelson Schmidt (Eleanor Oswald) a recent bride.

The group had a good time playing appropriate games and presenting the girls with many lovely gifts. Refreshments were served from a table attractive with spring flowers.

Among the many guests from Pontiac, Clarkston and Royal Oak were the honorees' mothers, Mrs. Elmer Collins and Mrs. Charles Oswald of Clarkston and the prospective bridegroom's mother, Mrs. B. Cox of Royal Oak.

## Notice

## Clarkston Locals

Douglas Giddings is seriously ill and is confined to Pontiac General Hospital.

At a special service in the Methodist Church on May 14th Edward James Theriot, son of Mr. and Mrs. Horace Theriot was baptized.

## Clarkston Locals

Born to Mr. and Mrs. F. V. Strother an 8 lb. 3 oz daughter, Mary Josephine, on Wednesday, May 12, at the St. Joseph Mercy Hospital in Pontiac.

Last Sunday evening the Methodist Youth Fellowship met at the home of Jim Huttenlocher for the regular meeting and social hour. Dorothy Curry had charge of the worship service and David Yoh, the topic.

The young people of the Baptist Church entertained about 30 young folks from the Taylor Center Baptist Church to a hymn-sing at the close of the evening service last Sunday. After a time of singing and social fellowship, refreshments were served in the dining room of the church. Rev. Alvin G. Ross, son of the local pastor, is pastor at Taylor Center. The young folks came by bus and assisted in the evening service, by singing several special numbers.

## Musical Talent In Clarkston School

On Wednesday night the operetta "Jerry of Jericho Road" was presented at the Clarkston School with W. C. Ladd, music director; Miss Mary Campbell in charge of dramatics; Pat A. Watson, student director; Raymond Day, Bob Stitt and Bob Caskey, managers; and Sally Curry, advertising chairman.

Those who attended were greatly pleased to hear so much musical talent in one village school. The story took place at a western ranch that had been converted into a camp for tourists. Phyllis Weyer played the leading part as Jerry and she opened the operetta singing "Indian Love Song". Others who took leading parts were Bob Caskey, Spenceley Butters, Richard Allen, Marilyn Kennedy, Ellen Rockwell, Lewis Masters, Martin Wager, Barbara Tarlton, Mary Lee Volberding and David Yoh. This group told the story and they were assisted by a chorus and several dancing groups.

The dances were interesting and amusing and added much to the evening's entertainment. The costumes too, added to the scenes and seemed to give some of the children a little more confidence. This program meant a great deal of work on the part of the children as well as the directors. Congratulations are in order for Jean McIlraith, who presided at the piano throughout the evening.

After the finale Pat A. Watson, in behalf of the program participants, presented gifts to Miss Mary Campbell and Mr. W. C. Ladd.

## County Grass Day Friday, June 11

Here is a reminder that Grass Day for farmers in Oakland, Genesee, St. Clair, Livingston, Macomb, Wayne, Washtenaw, and Lapeer counties is not far off. We suggest you make your plans now to attend Grass Day on the Middleton Farm, 2 1/2 miles east of Lake Orion on Friday, June 11.

Agricultural Specialists at Michigan State College have designed Grass Day programs to emphasize the importance of high quality legumes and grass in stabilizing the agriculture of the state. They feel that this is the time to get back into hay and pasture a lot of the farm land that was cropped to grain and other cash crops to meet war time demands. Oakland County farmers have maintained their lead in the state having highest acreage, "50,000 acres" of any county in the state.

Under the sponsorship of the Cooperative Extension Service and with the assistance of farm machinery companies, these demonstrations will show the latest seeding, harvesting, hay handling and utilization methods.

Among those on the Oakland County Committee are the following, acting as chairman: Noon day feeding, Mrs. Earl Braid, Lake Orion; machinery, Russell W. Porritt, Pontiac; parking and auto traffic, Frank Middleton, Lake Orion; health and safety, Fred Beckman, Clarkston; posters, Howard F. Chatter, Davidsburg; public information, Joe Haas, Holly; flying farmers, Raymond Wheeler, Davidsburg; radio, H. Y. Levinson, Pontiac; tour guides and road police, Cyril Oliver, Pontiac; farm and field, Milton Miller, Oxford; host, Keith Middleton, Route 2, Lake Orion; home demonstration agent, Miss Josephine Hoke, Pontiac; county 4-H club agent, R. Lynox Lewis, Pontiac.

For vacationers who like to get back off the main trails, the conservation department has 53 campgrounds available in state forests this season.

In keeping with their location deep in the woods, the campgrounds have a minimum of conveniences: tables and benches, fireplaces, wells and toilets. Most of them accommodate only two to 10 parties, a few are larger. Upwards of 40,000 persons use the state forest campgrounds each year; many return year after year to the same spot. Besides campers who make use of the campground facilities, and sign the registers there, thousands of other visit more isolated spots, along lakes and streams, where only a table and stove are furnished.

No fee is charged for camping in the state forests. Lists of the campgrounds--17 in the upper peninsula and 36 in the lower peninsula--may be obtained from district foresters or the department's forestry division in Lansing. The lists give the campgrounds' specific location, and the trout fishing, lake fishing, or bathing available at each of them.

## Missionary Day At Baptist Church

Sunday will be Missionary Day at the Baptist Church. Rev. Fred Rosenau, a veteran missionary to French Equatorial Africa, under Mid-Missions, will be the speaker at all services. Next November it will be 28 years since Rev. and Mrs. Rosenau went to French Equatorial Africa. They were the first protestant missionaries to establish a work in the interior among a cannibal people. They have two sons, who, having completed their education here in the homeland, have returned to the field to continue the work begun by their father.

We are especially inviting you to avail yourselves of the opportunity to hear one who is well equipped to give us first hand information as to the work accomplished among these backward peoples. Mr. Rosenau will speak on, "God's Message For Today" in the morning and "The Gospel Versus Cannibalism" in the evening.

## Boy Scout News

We held a short meeting last Monday night at the school at which time plans were discussed for Camp-O-Ree which is being held on June 18, 19 and 20, a Camp Agawam at Lake Orion.

Next week we want every Scout to come to the meeting as we are going to elect new officers.

Emery Bennett, scribe

## American Legion Elects Officers

The Clarkston Legion Post held its election of officers on Tuesday evening. The following were elected: Clark Soubly, commander; Ray Jarvis, senior vice commander; Carl Bates, junior vice commander; Arthur Frank, adjutant; Frank Green, finance officer; James Gagnon, sergeant-at-arms; Neal Parker, chaplain and William Vliet, historian.

These officers will be installed at the next monthly meeting on Tuesday, June 1st at 8 p. m.

## Rotary Club Plants Trees

Arbor Day was properly observed this year in Clarkston by the Clarkston Rotary Club planting two dozen trees along the front and down the east side of the school grounds.

Those serving on the committee were: Richard Morgan, Robert L. Jones, Wallace A. Ridgley, Russell McNeill, Charles Robinson, William Sharpe, Ronald Walters, William Stamp. After planting, the trees were properly watered, by the Clarkston Fire Department through the courtesy of Don Beach, Fire Chief. The trees were donated by Raymond Barnes and were taken from his farm.

## Clarkston Loses To Auburn Heights

Auburn Heights combined 17 hits with numerous Clarkston errors to win last Sunday's ball game 18-1.

The Heights were Central Oakland County League Champions last season and have fielded a strong team again this year. Lynn Herron, ace pitcher for the opponents held Clarkston to four hits while chalking up nine strikeouts.

The Merchants will play Lake Orion on the local diamond this Sunday at 2:30 and hope to make a better showing.

## The Hilltopper

WOLVES--FIRST PLACE

With a big six run, second inning upsurge, Clarkston defeated Log Cabin 10-6 Tuesday. Combining five hits with 7 walks, the Wolves battled back into the Twin County Conference lead.

Hits by Sutton and Greathouse and a walk by McGee, together with fast balls gave C.H.S. a 3 run first inning lead.

Kidder started the second inning with a walk. Wells forced him at second and Anderson struck out. Wells scored the first of six runs on past balls and McGee and Doyle walked. Sutton and Greathouse promptly blasted out their second hits to score two more runs. Both later tallied on wild pitches.

Though the Cabiners scored runs in their half of the second, the big C. H. S. second inning proved to be too much.

Friday Auburn Heights is at Clarkston Box Score R H A. Heights 160 008 3 18 17 Clarkston 100 000 0 1 4 Herron and Vancil, Davison, Orrock and Hitchcock.

## Help Those Who Need Cancer Pads

Every woman in Clarkston and vicinity is invited to be at the Clarkston Methodist Church on Friday, May 21st, at one o'clock to help fold and pin cancer pads. Your help is greatly needed.

Make an effort to attend this worthwhile meeting. The cancer sufferers are depending on you.

## Open House Honors 50th Anniversary

Last Sunday afternoon and evening Rev. and Mrs. Walter Saxman honored her parents, Dr. and Mrs. L. A. Maze of Morenci, at open house. The occasion was in recognition of their 50th wedding anniversary which occurred in March while they were in the southland where they had spent the winter months.

Friends from Flint, Rochester, Ypsilanti, Pontiac and Clarkston called to extend best wishes and have a visit with Dr. and Mrs. Maze.

Refreshments were served from a table covered with a lace cloth and centered with yellow tulips in a milk glass bowl flanked with lighted yellow tapers in milk glass holders.

Dr. and Mrs. Maze were married in Morenci on March 19, 1898. They lived in Oakland County for about 35 years, 26 of which were spent in Pontiac where Dr. Maze practiced veterinary medicine. About 4 years ago he retired. They spent this winter in California and Florida.

## Mothers Honored At Annual Party

The Junior Literary Club held their annual Mother's Party on May 13th at the home of Mrs. Harlan Oakes in Drayton Plains. The members recited the club prayer and then each girl presented her mother with a corsage. The group enjoyed playing Bingo and to close a delightful evening-dainty refreshments were served.

The next meeting will be on Thursday, May 27th, at the home of Mr. Arthur Hesbun in Pontiac.

## P. T. A. Officers Are Installed

On Wednesday afternoon the officers of the Clarkston P. T. A. were installed at a ceremony in the school auditorium. Mrs. Russell Colton, past president, was the installing officer. The following officers will take over the reins of the organization in September: president, Mrs. K. L. Johnson; vice president, Mrs. Ralph Kreeger; father vice president, Rev. Walter C. B. Saxman; teacher vice president, Leigh Bonner; recording secretary, Mrs. James Glennie; corresponding secretary, Mr. Donald Harris; treasurer, Mrs. Ralph Thayer.

Following the installation of officers a group from the eighth grade danced the minutet. This group took part in the operetta in the evening and included Bob Beattie, Emery Bennett, John Curry, Frank Keelean, Delores Pacer, Maxine Sage, Sally Bonerman and Arlene Ulrich. Mr. Ridgley then showed a film "A canoe trip in northern Michigan". He also gave a report of the school activities for the year and stressed that everyone should attend the school meeting in July and cast their ballot on the school bus question.

To close the afternoon the kindergarten mothers with Mrs. George Lawson and Mrs. Duane Hurstall as chairmen, served dainty refreshments from a table decorated with lilies.

## Memorial Day To Be Observed

The Campbell-Richmond Post No. 63, of the American Legion will have charge of Memorial Day services at Lakeview cemetery this year as it has in the years gone by. The parade to the cemetery will assemble on Church Street at the corner of Buffalo Street at 10 a. m. on Monday, May 31st. At the cemetery appropriate services will be held. Further details and the program will be given in The News next week.

## Clarkston Locals

Mrs. Leslie Shanks underwent an operation at Pontiac General Hospital on Thursday morning. The last report was that she was getting along nicely.

Springtime has given a few around town the urge to do some building. Mr. and Mrs. Ben Comstock of Whipple Lake are building a new home on M-15 south of town; Mr. and Mrs. Earl Hoyt of Allen Road have started construction on a new home on Middle Lake Drive and Mr. and Mrs. Roderick Muma are adding a double garage and breezeway to their home on Middle Lake Drive.

## Governor Proclaims Poppy Days

Funds raised by the American Legion of Michigan, and its Auxiliary, through the annual sales of memorial poppies, contribute largely to the relief of sick and needy veterans, their widows and orphans.

In recognition of this service, Gov. Kim Sigler, has issued a proclamation designating May 27, 28 and 29 as Poppy Days in Michigan.

"Soon after World War I," says Gov. Sigler, "Congress designated the poppy as the symbol of the sacrifice made by servicemen of the United States in their defense of our country. Now, as the world struggles to maintain an uneasy peace, the significance of Poppy Day becomes greater than ever before."

"Each year it is customary to set aside a period for the sale of replicas of the symbolic flower. These flowers are made by disabled veterans, and proceeds of the sale fittingly are used for the alleviation of distress among veterans and their dependents. The citizens of Michigan always have been generous in their support of this humanitarian effort which means much to the men who made heroic sacrifices on our behalf, and to their families."

"This year the sale of poppies has been set, appropriately, for the three days preceding Memorial Day, when we honor, reverently, the men who gave their lives in previous wars."

"Therefore, I, Kim Sigler, Governor of Michigan, do hereby proclaim May 27 through May 29, 1948, as Poppy Days in Michigan, and urge that the response of our citizens, realizing the high purpose of the days, be in a manner in keeping with the need."

The U. S. Navy has developed a new steel cutting torch using electricity and an oxygen jet to operate. The new torch avoids the dangers inherent in using the highly explosive acetylene torch.

## By the Way . . .

Every town has a number of "show places". Clarkston has a great many. However this week we must call attention to the residence of Ed, Rummings on the north shore of Parke Lake at the end of Robertson Court. Well painted, well cared for, and flowers in abundance, the residence is one Clarkston can be proud of. . . . Speaking of beauty spots Clarkston will have one of the best looking village halls, as well as useful, and its location is all that can be desired--if the citizens decide to purchase the Ford Property on West Washington and extending back to Depot Road.

At the coming election the citizens will vote twice--once to amend its charter to allow it to bond itself and once to buy the property. To carry, the answer must be yes to both questions. Incidentally Tuesday, May 25th is the last day to register if you have not already registered, in order to vote at the election. . . . Community Activities, Incorporated, has laid its maple dance floor and on Saturday evening the first dance on this floor will be held. The C.A.I. Melodiers with Lloyd Gidley will furnish the music for both modern and old time dancing. You are invited. . . . Ordinarily surprise parties mean that the one surprised knows what is expected of him or her and is "so surprised". However we understand that Ray Barnes, manager of the Dearborn Motors Research Farm was really surprised Monday evening when a number of friends dropped in to help him celebrate his birthday.

Hard work is never supposed to have killed anyone. Even so, so that no risk will be run, on a civic job it is worthwhile to have a lot of help and instead of being work the job turns into fun. For example timing is of importance when three men are digging a hole two feet in diameter and a foot deep. It can be done and can be fun. . . . Another auction on page 4 of this issue. This is a large one and one that many farmers will attend. Incidentally keep your eye on The News for future auctions in this territory. . . . Two new subscribers this week.

## Rotary Anns To Meet Tuesday

The Clarkston Rotary Anns are reminded that Guest Night will be held at the home of Mrs. Richard Morgan on Tuesday night, May 25th. Miss Jennings, a member of the school faculty in Royal Oak will be the guest speaker. She will tell of her experiences in Scotland, when she went there as an exchange teacher.

Each Rotary Ann has the privilege of inviting a guest. Every member is requested to be present as election of officers will be held.

## The Road Of Life

The road of life is made of blocks. All laid down end on end. There's some of glass and some of rocks. And tilted on the bend. Each block we pass is progress made. To lift us to new heights. We plod thru plains, and winding grades. From dawn, thru days and nights. Along our road, the flowers grow. As varied as our lives; Some daffodils, and thistles blow To please our roving eyes. Where we expect a rose to bloom, A rose is always there; Where we look forth to barren gloom We find it everywhere. As we pass by the rut and mire And pay them little heed, We elevate our thought plans higher, Unmindful of the weeds. If toward the end, so smooth and white, It glistens in the dell, And flowers bloom in dazzling light. Then we have traveled well.

Last week the Joseph Helmar family had a television set installed in their home.

The redecorating and repair work on the parsonage at Waterford is being done by the men of the church and it is the hope of the chairman, Wallace Brown that it will be finished this week.

Spring and lilac time are always appreciated by flower lovers. Lilac time is especially enjoyed by Mr. and Mrs. Albert Mertens and family. In the Mertens' yard are many varieties of lilacs which not only add to the beauty of the yard but they fill the air with fragrance. Mr. Mertens made the remark that of all the flowers in his yard the lilacs held first place in his heart.

Mrs. August Jacober, Jr., had the misfortune to break three bones in her foot in an auto accident this past week. She is at her home getting about on a pair of crutches.

Mr. and Mrs. Harold VanPlew of Chicago were visiting his brother and sister-in-law, Rev. and Mrs. Wright VanPlew, and family this past week, enroute to Washington, D. C. They were on their vacation.

MICHIGAN Motoring Accidents Cost Money

Michigan accidents in the last ten years have cost you over SEVEN HUNDRED FIFTY MILLION DOLLARS! That is the actual estimated figure for the people of Michigan—a costly sum!

Traffic accidents caused eight times more deaths than resulted from all types of murder and non-negligent homicide. Here are the figures from 1938 through 1947: 987,367 reported accidents. 14,302 deaths from accidents. 301,096 injuries from accidents.

11:30 a. m.—Morning Worship. EVERY FARMER'S WIFE A FIRE CHIEF

"Every farmer's wife a fire chief." That's what county agricultural agent Karl D. Bailey is urging to cut down the number of farm fires that kill approximately 3,500 persons annually in America's rural areas.

Over fifty percent of farm fires start in the farmhouse, agent Bailey reveals. The housewife, therefore, is the logical person to be home fire chief and check up on others in the family so they won't start fires through carelessness.

But she must also be especially careful in her own everyday tasks. Electric irons alone start 40 fires a day in American homes.

As home fire chief, the farm wife should deputize a man in the family to check electric connections, fuses and outlets to prevent fires from sparks and short circuits. She also should see that dry cleaning is not done near stoves or open flames. Home dry cleaning fires kill more than 800 people every year. Kerosene and gasoline are powerful explosives. One gallon equals about 80 pounds of dynamite in explosive force and few people would feel safe with dynamite in the house. Starting fires with gasoline or kerosene causes most of the fire deaths in Michigan.

Housewives should see that their families use common sense and not take needless fire risks, the agent adds. An extra precaution is to have approved fire extinguishers within easy reach in case fires do occur. Properly used, they can keep fire from spreading while help is on the way.

 NOTICE IS HEREBY GIVEN, that  
 the Clerk of the Village of Clarkston,  
 Michigan, will be at the Village Hall  
 in said village, on Tuesday, the 25th  
 day of May, 1948, from 8:30 o'clock A.  
 M. to 9:00 o'clock P. M., Eastern Stand-  
 ard Time (9:00 o'clock A. M. to 9:00  
 o'clock P. M., Daylight Savings Time)  
 for the purpose of receiving applica-  
 tions for the registration of persons  
 not already registered who possess  
 the qualifications of electors or who  
 will possess such qualifications on  
 election on June 14th, 1948, the day of  
 a special election to be held in said  
 village, at which there will be sub-  
 mitted the question of amending  
 Section 22 of Chapter IX of the charter  
 of said village and also the question  
 of borrowing the sum of \$30,000 and  
 issuing the bonds of the village there-  
 for for the purpose of paying a part  
 of the cost of acquiring certain property  
 to be used as a village hall and as  
 public grounds.

**RUSSELL COLTSON**  
 Village Clerk  
 Dated: May 10, 1948.  
 NOTICE OF SPECIAL ELECTION  
 IN THE VILLAGE OF CLARKSTON,  
 MICHIGAN, TO BE HELD ON JUNE  
 14, 1948.  
 To the qualified electors of the  
 Village of Clarkston, Michigan:  
 Notice is hereby given that a  
 special election will be held in the  
 Village of Clarkston, in the County of  
 Oakland, and State of Michigan, on  
 Monday, the 14th day of June, 1948,  
 from 7:00 o'clock in the forenoon  
 until 8:00 o'clock in the after-  
 noon, Eastern Standard Time (8:00  
 o'clock A. M. to 9:00 o'clock P. M.,  
 Daylight Savings Time) for the pur-  
 pose of voting upon the following  
 propositions:

1. Shall Section 22 of Chapter IX  
 of the charter of the Village of Clark-  
 ston, Michigan (same being Act No.  
 3, Michigan Public Acts of 1895, as  
 amended), be amended to read as  
 follows:  
 Sec. 22. Should any greater amount  
 be required in any year for necessary  
 corporate purposes, than can be raised  
 by the council under the foregoing  
 provisions of this chapter, such amount  
 may be raised by tax if authorized  
 by a two-thirds vote of the electors  
 voting upon the question, at an annual  
 or special village election. The amount  
 that may be voted or raised by tax  
 in any year under the provisions of  
 this section, shall not exceed two per  
 centum of the assessed valuation of  
 the real and personal property in the  
 village, as shown by the last preced-  
 ing tax roll of the village. The village  
 may borrow money and issue its full  
 faith and credit bonds therefor, for  
 any purpose within the scope of its  
 powers, if authorized by a two-thirds  
 vote of the electors voting upon the  
 question at an annual or special vil-  
 lage election; provided, that no in-  
 debtedness shall be incurred by the  
 village, which, including existing in-  
 debtedness, shall exceed ten per cen-  
 tum of the assessed valuation of the  
 real and personal property in the  
 village as shown by the last preceding  
 assessment roll of the village. Bonds  
 issued in anticipation of the collection  
 of special assessments shall not be  
 included in this limitation and moneys  
 on hand in a sinking fund limited to  
 the payment of indebtedness may be  
 treated as a reduction of such in-  
 debtedness to that extent.

2. Shall the Village of Clarkston,  
 Michigan, borrow the sum of Thirty  
 Thousand Dollars (\$30,000) and issue  
 the bonds of the village therefor, for  
 the purpose of paying a part of the  
 cost of acquiring Lot No. 115 of  
 Assessor's Plat of Clarkston and Lots  
 Nos. 18 and 34 of the supervisor's Re-  
 part of Northwestern Plat, together with  
 the structures thereon, and the appur-  
 tenances thereto, all in the Village of  
 Clarkston, Oakland County, Michigan,  
 to be used as a village hall and as  
 public grounds?  
 The polling place for said election  
 will be at the Village Hall in said  
 village.

Notice is Further Given that each  
 of the aforesaid propositions will ap-  
 pear upon the ballot in form as above  
 set forth.  
 Notice is Further Given that at a  
 meeting of the council of the Village  
 of Clarkston held on the 10th day of  
 May, 1948, the said council did, upon  
 the approving vote of a majority of  
 all its members elect, declare by resolu-  
 tion that it deemed it advisable to  
 borrow the sum of \$30,000 and issue  
 the bonds of the village therefor, for  
 the purpose stated in the above men-  
 tioned bond proposition.

neighboring communities, he said,  
 to take care of the heavy increase  
 in traffic expected to develop as a  
 result of the new type of service.  
 Under the order, the company  
 is authorized to provide extended-  
 area service in 196 of its 241 out-  
 state exchanges. Sixteen exchange-  
 es were not included in the com-  
 pany's original application, 29 oth-  
 ers were excluded by joint agree-  
 ment of the company and the  
 commission, and a number of ex-  
 change were regrouped in the  
 various extended-service areas.  
 "The new type of service will  
 eliminate toll charges of the 10 and  
 15-cent type between affected ex-  
 changes," Spooner said. "Users will  
 be entitled to unlimited calls to and  
 from nearby Michigan Bell ex-  
 changes with the same community  
 interest. For the privilege, a  
 somewhat higher flat rate will  
 apply at some points, depending  
 on the value of the service as  
 measured by the number of tele-  
 phones in the extended-service  
 area. Many users will pay no  
 more for the privilege than under  
 the present system.

"Extended-area service, in effect  
 offers the user, at a single price,  
 a packaged service that permits  
 him to use his telephone to the  
 maximum advantage. He will be  
 able to communicate with tele-  
 phone neighbors in nearby com-  
 munities—and they with him—  
 without worrying about toll  
 charges. Further, he will be able  
 to call just as often and talk just  
 as long as he pleases. In other  
 words, for the price of local ex-  
 change service, the user's calling  
 opportunities will be extended be-  
 yond artificial boundaries and over  
 a wide, inter-community area."

The Commission's order left the  
 door open for other communities to  
 petition for the service before a  
 final decision in the company's  
 overall rate case, at which time  
 rates to be charged in the part-

icular extended-service areas will  
 be determined.  
 The Commission called the plan  
 a "forward-looking step in tel-  
 ephony."  
 "We appreciate," the Commission  
 said, "that the company cherishes  
 its relations to its subscribers and  
 to the public as a whole, and would  
 not propose such a plan if, in its  
 sound judgement, it were contrary  
 to the best interests of the public  
 for the obvious reason that any  
 other course would lead to strained  
 relations between the company  
 and its customers.

"While we appreciate that in  
 some isolated instances it may  
 appear that inequities will result  
 from adoption of such a plan, yet  
 we believe that its long-range re-  
 sults will inevitably benefit the  
 public as a whole; that it will  
 vastly improve telephone service  
 in Michigan as well as result in  
 substantial economies of operation  
 which, under regulation, must in-  
 crease to the benefit of the public."

When the plan is made effective  
 in this area, telephone users here,  
 according to Spooner, will be able  
 to place calls to and receive calls  
 from Commerce, Drayton Plains,  
 Lake Orion, Leonard, Oxford, and  
 Pontiac without paying toll  
 charges.  
 The order also authorizes the

creation of the Grand Rapids and  
 Pontiac district exchanges similar  
 to the Detroit metropolitan system.

### Waterford Township

The Seniors of the Waterford Township High School have set aside May 21st as the date for the Senior Prom which will be held at the Elk's Temple in Pontiac from 9:30 P. M. until 1:00 A. M. A popular Detroit orchestra will furnish the music. This will be a semi-formal affair. Tickets may be obtained from any senior or at the door. The public is invited.

The chairman of the Senior Prom is Phil Christos with Nancy Turnbull acting as co-chairman. Other committee chairmen are: tickets, Patt Linard; publicity, Norma Shelton; decorations, Mari Ann Marshall; refreshments, Joyce Cooper and reception, Shirley Gesch. The patrons are: Jayno Adams, Mr. and Mrs. James Den-Herder, Elmer Fangbomer, Mr. and Mrs. Arthur Johnson, Mr. and Mrs. John Radenbaugh, Mr. and Mrs. William Shunk, Mr. and Mrs. Marshall Smith and Mr. and Mrs. Donald Weaver.

Other patrons are: Mr. and Mrs. John Cheslik, Mr. and Mrs. Chas. Cook, Mr. and Mrs. Erwin Crothers, Miss Lela Jeffery, Mr. and Mrs. William Leslie, Mr. and Mrs. Julius Linard, Mr. and Mrs. Leonard Nelson and Mr. and Mrs. Floyd Wilson.

This will be the last big affair put on by the seniors of 1948.

On June 2, 3 and 4 the seniors of the Waterford Township High School will go on their class trip. They will take the boat to Buffalo N. Y., spending a day at Niagara Falls, with entertainment.

Many class projects are being conducted to earn enough money. They are having a paper drive for the next week, so if you have any waste paper you wish to con-

tribute please call Patt Linard 31-1402 or Shirley Gesch, 31-1740.

Waterford Cubs of Pack 31 will open their summer baseball program with a big doubleheader this Saturday afternoon. Mrs. George Kinney's den 9 will play Mrs. Calvin Holtom's den 5. Mrs. Emery Beedle's den one combined with Mrs. Kenneth William's den 8 will compete with Mrs. D. W. Kenfeck's den 2. The games are to be played on the Waterford village school diamond and are to be preceded with a flag ceremony at 1:30.

There has been a change in the meeting place and date of this month's Pack meeting. The meeting will be held in the Waterford school instead of the Williams Lake School and will be at 7:30 this Friday evening, May 21, instead of on May 28.

Leslie Fitzgerald will give a talk on his hobby, "guns", and will have his collection on display.

The regular monthly social meeting of the Waterford Township American Legion Post 431 and its Ladies' Auxiliary was held Tuesday evening at Old Mill Tavern Hotel. The program included wrestling matches on television and German war films.

Refreshments were served at the close of the evening.

The date for the Auxiliary's monthly business meeting has been changed from the first Tuesday of each month to the first Monday of each month.

The Heads of the Township Blue star mothers, American Legion and Ladies Auxiliary, Veteran's of Foreign Wars and its Ladies Auxiliary, and the Boy Scouts and Girl Scouts met on Sunday at the Community Activities Building and made plans to have a Memorial Day parade to begin at the Community Activities Building and to end at the Drayton Plains cemetery at the corner of Dixie Highway and the Williams Lake Road. There will be an appropriate Memorial Day service at the cemetery. Fifteen contingents plan to take part in the parade and others may take part either contacting Elaine Dorman or by being at the Community Activities Building at 2:00 to get in line. The parade is scheduled to begin at 2:30.

The Waterford Township Fire Department was called to the Chris Bulman home, 105 Preston St., at 10:25 Tuesday morning. \$100.00 damage was done to the \$10,000.00 home from a fire caused from a short in the wiring of the rear porch light. The owner had the fire extinguished when the department arrived. The damage was covered by insurance.

The Waterford Township fire department was called to the William Nutt home, 5044 Shore Drive at Elizabeth Lake, at 11:30 Tuesday night. \$5,000.00 damage was done to the \$20,000.00 home and \$2,000.00 damage to the \$12,000.00 worth of furnishings. The fire started from a short in the wiring on the second floor of the home. Insurance covered the damage.

Decorators were in the home and called the fire department. The department two trucks answered the call.

### SECNAY'S -- FIRST AND PRESENT

Benjamin Stoddart (right) became the first Secretary of the Navy on June 18, 1798 following the formation of the Navy Department on April 30 of that year under President John Adams. Stoddart served until 1801. Today the Secretary of the most powerful Navy in the world's history is John L. Sullivan (left), who was sworn in to succeed James V. Forrestal when the latter became the nation's first Secretary of Defense. The photo of Stoddart is that of a portrait painted by E. F. Andrews. (Official Navy Photograph)

The Woman's Club served its first penny style supper in the new Club House last Thursday evening and served about 250 persons. The Ladies' Guild of Christ Lutheran Church also sponsored a spring festival on Thursday at the Club House and cleared about \$150.00 for their Church Building Fund.

The Waterford-Drayton Rotary put on an amusing style show after the supper. A Pontiac store also put on a style show.

The program also included a cake walk.

The monthly business meeting was conducted by Jerry Root about 8:30 Thursday evening at

which time the group made plans to have a "family night" on June 23rd with Mr. and Mrs. Jack Hall Mr. and Mrs. Lester McFarland, Mrs. Edna Amos, and Mrs. Irene Trunk as the committee to see the beverage and tables ready. This gathering is enjoyed it will be repeated once a month. There will be games, dancing, ball games and whatever else enough people want to do together.

Fourteen ladies enjoyed hearing Mrs. Kenneth Valentine review Robert Cushman Murphy's book "Log Book for Grace" in the Community Library at the Club House Monday afternoon. Mrs. Louise Davis gave an interesting review on Howard Spring's "Fame is the Spur".

Olive Dean Hornel of Owosso will review the next book in the library on June 21st. The exact book has not been chosen yet.

This will be an anniversary party to mark the end of the first year of book reviews.

### CONSERVATION NEWS

The downward trend in fox populations is now reported by nearly half the conservation departments "cooperators" in the fox study -- the 22 hunters, trappers, sportsmen and naturalists who regularly advise the department about foxes in their part of the state.

Two years ago 35 per cent of the cooperators were seeing more foxes than in the previous year, 40 per cent were seeing the same number, and 25 per cent were seeing fewer foxes. This spring the number seeing more foxes was down to 15.8 per cent, the number seeing the same was 37.3 per cent,

and the number seeing fewer was up to 44 per cent.

Though three-fourths of the cooperators approved the \$5 state fox bounty, two-thirds of them said they would take foxes whether there was a fox bounty or not.

### KATHARINE BRUSH STARS FOR PICTORIAL REVIEW

A new writer is added to Pictorial Review this week.

Katharine Brush, famous author, begins a new series of fast-moving short stories in Pictorial Review, the magazine with the all-star cast, in this Sunday's issue of The Detroit Times.

"Health News" is presented by your Doctor of Medicine as a health service of the Michigan State Medical Society.

### Abdominal Surgery In Infants

In a report presented at the recent Michigan Postgraduate Clinical Institute, held for doctors of medicine throughout the state, a noted surgeon who specializes in operations on young children gave a most encouraging picture of the outlook for young surgery patients today.

The report made clear that during the past fifteen years, great progress has been made in the major field of abdominal surgery on children, with a corresponding reduction of ill effects, such as infection, or fatalities.

This marked improvement is attributed to four major factors. One, earlier and more accurate diagnosis has become possible. Another important factor is the development of a better understanding of the fluid replacement and requirement of these young patients. Right along with this specialized technical knowledge has come an improvement in the refinements of surgical technique for children. The fourth boon in this field, as in many others, has been the use of those great healing agents, the sulfa drugs, penicillin, and streptomycin.

Besides these four specific advances in the surgery itself, the reporting surgeon also mentioned the importance of having especially trained personnel in handling youngsters receiving operations. He pointed out that anesthesia is a special problem in children, for instance, and should be handled by one trained or experienced in that particular branch. Likewise it takes special training to be capable of supplying intravenous fluids, blood, and plasma to a newborn when needed.

In general, this surgeon maintained, much of the improved results in infant surgery can also be credited to the interest and cooperation of the pediatricians—those doctors of medicine especially trained to handle and treat young children.

### J. W. POWELL MADE GREYHOUND OFFICER

President R. W. Budd of Great Lakes Greyhound has announced the election of John W. Powell as assistant general manager.

Powell joined Greyhound in 1928, and has served in field and administrative posts throughout the organization. About a year ago he came to Detroit from Cleveland as assistant to the President.

During a year of expansion, Mr. Powell has been instrumental in acquiring 210 new buses, and effecting numerous operating changes for better service to the public.

### News To Farmers

The 17-cow herd of registered Holstein-Friesian cows owned by Greene Fenley, Jr., Clarkston, Michigan, has recently completed a year of production testing in the official Herd Improvement Registry program of the Holstein-Friesian Association of America. An average of 453 pounds of butterfat and 13,119 pounds of milk has been officially recorded. Milking

was done 2 times daily. Testing was supervised by Michigan State College of Agriculture in co-operation with The Holstein-Friesian Association of America. The Association is now looking forward to its 63rd annual convention in Kansas City, Missouri, June 1-4.

### MOTORCYCLE RACES AT MILFORD, MICH.

On Sunday, May 23, the Thunderbirds Motorcycle Club of Detroit, Mich., will stage their 3rd annual Motorcycle Race at the Milford Fairgrounds track.

5th Grade News

The fifth grade is busy making maps of South America. Some excellent specimens are already taking shape.

We are studying "time" in arithmetic. Everyone of us can tell what time it is in any part of the world when it is noon in New York City.

We are all working hard this week writing a two hundred word theme on "How I can help improve the fifth grade." The person who has the greatest number of good suggestions gets a special privilege.

3rd Grade News

This week we are studying about spring birds and nest building.

We enjoyed seeing the movie "Rebecca of Sunnybrook Farm" last week.

Because we tried so hard all week to be good we were dismissed at three-thirty to see the ball game.

We have some specimens of nice free hand drawings of May scenery in our room.

We are working on maps in Geography. We have the waterways of South America located and we are now working on the countries.

Everyone is trying to find all the paper he can get for the paper drive Wednesday.

We are enjoying having Tom Sawyer read to us this month.

### SINGERS INVITED TO ENTER VOCAL AUDITIONS

Singers in this community are invited to enter the annual Vocal Auditions to be sponsored for the fifth consecutive year by the Detroit Department of Parks and Recreation and the Detroit Federation of Musicians' Band. Reward for the winners will be a separate appearance for each as guest soloist with the concert band under the baton of Leonard B. Smith, well-known band conductor, before the immense crowds who come to Belle Isle for the concerts.

Purpose of the contest is to give aspiring vocalists who are between 16 and 29 years of age an opportunity to be heard by a wide audience and, through the resultant publicity, help them to climb the ladder leading to their chosen field, whether it be operatic or concert singing, radio or other entertainment fields.

Preliminary auditions will be held privately before a committee of three voice experts who will score each contestant. From 25 to 30 singers with the highest scores will be given their final audition on Belle Isle with the public invited to hear. Out of this number the judges will select the ten or twelve best as winners.

To obtain an application blank, singers are requested to send a stamped, self-addressed envelope to VOCAL AUDITIONS, Department of Parks and Recreation, 806 Water Board Building, Detroit 26, Michigan. Blanks will be mailed to them at once and as soon as they are returned an appointment

will be made for the singer to be heard by the judges.

### NON-SERVICE CONNECTED PENSIONS

Veterans who become permanently and totally disabled, even though their disability has no connection with war service, may be entitled to a minimum pension of \$60 monthly, officials of the Veterans Administration Branch Office in Columbus, emphasized last month.

This pension is payable to eligible veterans whose annual income is less than \$1,000 if they have no dependents, or \$2,500 if they have dependents. The pension is automatically increased to \$72 after a veteran has received it for 10 years or has reached the age of 65.

To qualify for this type of pension, the applicant must show that his disability is not due to his own misconduct. The veteran must have served at least 90 days, unless discharged for line-of-duty disability, and must have been discharged under conditions other than dishonorable. This pension applies only to veterans whose disabilities are non-service connected.

Statistics  
Veterans and their families now make up one-third of the population of the nation: one out of every 10 persons in the U. S. is a veteran

Extra Care May Save Your Life

Michigan's accident report for the first two months of the year reveals some shocking figures. In January and February alone, 150 persons were killed, 5,223 injured, and 25,111 accidents were reported. If these figures are kept throughout 1948 it means 900 Michigan deaths from traffic accidents — it could be your neighbor, a relative or YOU! — unless you practice good driving.

In the Spring season, everyone enjoys driving out in the country—Michigan scenery is really beautiful, and there are many special events which add to the enjoyment of Spring. Remember, though, there will be heavy traffic on Michigan highways. Some of these roads have been repaired—others are now being repaired. So, when you take your Spring outings, drive with extra care. Road conditions require a reduction in speed and the driver must be constantly alert for holes, bumps, ruts and soft shoulders, which can quickly wrench control of the car from him.

Failure to adjust driving to conditions has already caused serious accidents and will result in many more unless motorists assume greater responsibility for their own safety! Drive carefully and help reduce the traffic accident record for 1948!

of W. W. II; 2 men out of every 5, more than twenty years of age, are veterans of some war; roughly, 2 men out of every 3 between the ages of 20 and 35 are W. W. II veterans.

Memorial Day  
Governor Sigler will deliver the Michigan "Veterans' Facility, Grand Rapids, on Sunday afternoon, May 30, at 4 o'clock. The public is invited. The only cemetery for veterans is located on the grounds of the Michigan Veterans' Facility.

### FERTILIZERS UPS SUGAR BEET YIELD

Sugar beets respond to commercial fertilizer applications as well or better than other crops grown on heavy soils. L. S. Robertson, soil scientist at Michigan State college, reports that an increase of one to five tons of beets per acre may be expected from the correct use of fertilizer.

The Specialist recommends that on mineral soils, a complete fertilizer be used. It should contain twice as much phosphoric acid as it does potash. Examples are 3-18-9, 2-16-8, or 2-12-6. On some lighter textured soils a 3-12-12 analysis produces good yields. Fertilizer should be drilled 500 pounds per acre in bands one inch to the side and one and one-half inches below the seed. Tests have shown that not more than 200 pounds of fertilizer with the seed is safe, yet a small amount of fertilizer with the seed will hasten emergence from the soil.

Segmented seed is more susceptible to fertilizer injury from contact placement than is the whole or natural seed. If a drill which places seed in a band separate from the seed is not available, 500 pounds should be drilled deeply before plowing and 100 pounds used in the row at planting time.

Certain so-called minor elements will increase sugar beet yields on some soils. On neutral or alkaline soils, five per acre, mixed with the borax and 20 to 25 pounds of manganese sulfate per acre, mixed with the fertilizer and placed in bands separate from the seed, will increase yields, considerably.

Fertilizer shortages may make it difficult to obtain some of the analyses recommended but Robertson advises that farmers will profit if they follow the recommendations as closely as conditions permit.

**FITS TOGETHER:** Did you know that, in addition to Michigan Bell, there are 160 "Independent" telephone companies in Michigan? Their territory is shown in grey on the adjoining map. Thousands of rural folks are served by these companies whose lines connect with Michigan Bell (area in white) for long distance service. Both the "Independents" and Michigan Bell have as their goal more and better rural telephone service.

**LINE TIED UP:** When a telephone on a party line is left off the hook—or even tilted off, like this one—the line is tied up for everyone. You can't receive calls and no one else on the line can make or receive them! Please hang up carefully—for your neighbors' sake... and yours.

**SIZE MEANS SERVICE:** Michigan Bell's telephone plant is big—but it must grow bigger to supply everyone with the kind of telephone service he wants. Expansion increases the value of your telephone because it provides more telephones that you can call... lets you do more time- and money-saving telephone errands.

# IS MEDICINE DESTROYING ITSELF?

★ Things dramatic capture the imagination, sometimes to the point of distorting the perspective. This is as true in medicine as in other fields. The sensational results with sulfa drugs and penicillin are examples.

Less dramatic, but responsible for saving uncounted lives, are the broader public health measures. Sewage disposal, swamp clearance, water, milk, and food inspection are but a few of these triumphs.

The physician and the pharmacist have always been leaders in the field of preventive medicine. This fact led James Brice to observe, "Medicine is the only profession that labors incessantly to destroy the reason for its own existence."

The fight, however, is far from won. Diagnosis and treatment of disease are still the primary functions of the physician. The accurate filling of prescriptions is our responsibility as pharmacists.

The Pearl Sutton Missionary Society met at the home of Mrs. Ralph Shell on Tuesday evening for their regular monthly meeting. Devotions were led by Mrs. Donald Langdon.

The group will have charge of the evening services at 7:30 on Sunday night at the United Presbyterian church. The program will include a special message on Missions by Rev. Harvey McCann, pastor of the United Presbyterian church of Auburn Heights. Special music will be offered by Dan Williams on his Marimba. John Bougine will lead the hymnal singing and a special project for the evening is the offering which the Society plans on sending to Inez Sutton who is from this church and is giving of her time and life as a teacher and missionary in Cairo, Egypt. Miss Sutton was to have come home this summer for a furlough, but she volunteered for would help her enjoy a vacation one more year so that another teacher could come home. Money which she would otherwise be deprived of.

Plans were made for the society members to have a cleaning bee on the church nursery and donate toys, used or new and linen for the bed.

A very lovely bridal shower was

given on Tuesday evening by JoAnn Norton of Maybee Rd. in honor of Shirley B. Graves who will become the bride of Charles Norton on June 19.

When the honored guest arrived she was presented with a corsage to wear for the evening, made of colorful tiny kitchen gadgets.

Twenty-five guests enjoyed making a bride's book after which many lovely gifts were presented to the honoree from a table centered with an umbrella decorated with pastel crepe paper.

Refreshments were served buffet style on a table laid with a lace cloth and centered with a bridal doll and lighted white tapers. Bouquets of spring flowers decorated the house.

The Women's Missionary Society was entertained at the home of Mrs. Waldron Keasey on Thursday of last week with 23 members present.

This was an afternoon meeting and Mrs. Delbert Martin presented the devotions taking text from the 24th chapter of Matthew, stressing a "Man's Talents."

Mrs. Russell Maybee was in charge of the program and she showed by maps friendly outreach of the United Presbyterian church in China, Japan, India and Arabia. The meeting was concluded with refreshments served by the hostess.

At the recent meeting of the Ladies' Auxiliary of the V. F. W. post 4102 a bake sale was planned to be held Saturday, May 22 beginning at 9 o'clock a. m. at the Drayton Food Market. Mrs. Earl Wood is chairman of the sale and Mrs. Wm. Arnold will be her co-worker. It was reported that the paper sale held last Friday at the home of Mrs. Hugo Priezt was a success and the Auxiliary has turned over \$20.00 to the cancer fund. A cancer pad-sewing bee is planned for Wednesday, May 19, beginning at 10 o'clock a. m. at the home of Mrs. Larry Bush of 4664 Midland street. Anyone wishing to help is welcome. A potluck dinner at noon. The auxiliary has started a "Gypsy Basket" as a money making project. President, Mrs. Jerry Urlick announced that the ladies would hold a meeting the 2nd and 4th Wednesday of each month beginning at 8 o'clock P. M. sharp in the Drayton school auditorium. The first meeting will be a business meeting and the second meeting will be a social time. Mrs. Alphonse Garneau and Mrs. Larry Bush will be hostesses for the next meeting, which will be May 27. Mrs. Francis McKinder and Mrs. Louise Smart were appointed to be hostesses for the June meeting and Mrs. Dewey Johnson and Mrs. Leonard Wood hostesses for the July meeting.

Mr. and Mrs. Crosby W. Jarrard of 3175 Warren Drive, Drayton Plains, announce the engagement of their daughter, Anna Louise to John W. Steele, son of Mr. and Mrs. Omer Herron of 968 Spence St., Pontiac. No date has been set for the wedding.

Mrs. Bernard Gould of 3350 Fremont St. entertained ten little guests at a birthday party on Sunday afternoon honoring her little daughter Elaine Esther on her second birthday. The children enjoyed playing games after which dainty refreshments were served with decorations carried out in the birthday motif. Guests includ-

ed Perry, Elizabeth and Evelyn Franco, John Franco Mills of Royal Oak; Roger Bush of Pontiac, Marcia Gorsline, Ellwood Howe and her brothers Ira, Joe and Joel Gould.

Mr. and Mrs. Rollin Bird and daughter, Prudy Ann, have moved from Richalva Ct. to Sashabaw Rd.

Mr. and Mrs. Kenneth Stevens have sold their home at Williams Lake.

Mrs. Hugo Priezt entertained the "Pinocchio Club" of Lake Oakland last Thursday at her home. An all day party was enjoyed with a luncheon served at noon. The club members celebrated the birthday of Mrs. Earl Stapleton and presented her with a gift. The next meeting will be held at Mrs. Stapleton's home June 3rd.

**CONSERVATION NEWS**

The new law permitting use of glass minnow traps this year in trout streams applies now only to 50 designated stream sections and to the period from June 15 to September 5, according to the

conservation department's circular for information of minnow dealers. Tests made by the department's institute for fisheries research on 24 trout streams showed the traps to be highly selective. Sample takes had a ratio of 247 minnows

to every game fish trapped and 362 minnows for every trout trapped. Game fish can be released from the traps unharmed. Besides furnishing much needed bait minnows, the trout streams themselves should be benefited by the trapping, fisheries men say, since removal of the minnows will increase the fish food supply per trout.

Glass minnow traps may not be more than 24 inches long, with a 1 and one fourth opening. They must be marked with the owner's name on a white float marker.

baited only with cereal, and tended by the owner while in use.

When district forester Arne Metsa went back in the Big Bay area to examine the whopper white pine, reported to be a contender for the title of the nation's biggest, he found all the pine had been logged last winter from the 40 acres on which the giant stood. The biggest stump on the forty was 15 feet 11 inches in circumference at breast height — considerably short of the national white pine record of 17 feet, two inches.

**NEED FOR INCREASED USE OF GRASS AND LEGUMES**

The need for increased use of grass and legumes on Oakland county's farms was stressed this week by county agricultural agent Karl D. Bailey in telling about the Grass Day Program set for

June 11. Twelve regional demonstrations have been planned for Michigan — Oakland County's being held at the Keith Middleton Farm, 2 and one half miles east of Lake Orion. "Farmers who increase their acreage of forage crops have much to gain," the agents states. "One of the great benefits is soil conservation. In a grassland farming program, soil is held in place and a

reserve of organic matter and soil fertility built up." The Field Day has been set up to emphasize the advantages of grass and legumes in the farming program. Extension specialists from Michigan State college have assisted agent Bailey on establishing crops of grass and legumes on the farm. Local committee members have been working to prepare for the anticipated crowd.

Exploration encouraged by the big demand for steel and the new state law deferring taxes on newly discovered ore deposits has boosted Michigan's iron ore reserves to the highest point since 1937, according to the annual mine valuations report by F. G. Padee of the conservation department's geological survey.

During the war years, exploration was suspended while mine operators concentrated on production, and by 1946 reserves were down to 131,737,606 tons. This year reserves are estimated at 150,036,889 tons — 558,540 in the Gogebic range, and 88,636,928 the Gogebic range, and 66,636,928 in the Marquette range.

Total valuation of the state's 35 operating iron mines and other iron ore reserves is up from \$53,796,000 in 1947 to \$54,950,000 in 1948.

Nine copper mines were operating in 1947. Aggregate copper mine valuations also are up a little, from \$3,551,000 a year ago to \$3,882,000 this year.
