Sisters Meet After 29 Years

Mrs. Frederick W. Bishop and daughter, Marion, of Stafford, Staffordshire, England, sailed on the S. S. Queen Mary and arrived in New York on May 8th. They came by rail to Michigan and are visiting at the home of Mrs. Bishop's brother-in-law and sister, Mr. and Mrs. Alex Solley. It had been 29 years since the sisters had seen each other and doubtless to say they had a very happy reunion.

Mrs. Bishop and Marion will sail for home on June 9th. While here they are being honored at many parties. They attended the tulip festival at Holland, Mich., and hope to see more of this part of Michigan before they leave. What amazes them most is the abundance of food, clothing and household articles in this country. They are used to such strict rationing that it seems quite a privilege to get what you want.

Tree Planting Party At Hotel Miles

The Rotary Club of Ortonville held a tree planting party at the Hotel Miles recently. Guests at the party were L. Caine, R. Smithling, M. Morley, S. Morley, E. Austin, A. Jones, C. Falshan and D. Brandt, members of the Boy Scout troop. After a fine dinner the group spent quite a time planting trees.

The Rotary members planted approximately 175 trees in Narrin Park. The Boy Scout planted, for Rotary, about 175 trees along M-15, and the 4-H boys and girls and the Boy Scout planted 250 trees for individuals along M-15; at the corner of M-15 and Grange Hall Road and 100 trees alongside the crematory.

The Rotary received from the State Conservation approximately 10,000 four year old white pine transplants which were planted in the State Park by the 4-H Club and the Boy Scouts.

Women Enjoy Slip Cover Class

Last week, starting on Tuesday, the Township Hall was a busy place. Miss Josephine Hoke, county home demonstration agent, gave instructions on making slip covers. Sixteen women enjoyed learning how to make slip covers for chairs. Four of the women furnished chairs to be recovered. By late Friday afternoon the slip covers were completed and the women were very proud of the work they had done. The covers fitted so well that the chairs looked as though they had been upholstered. This was one of the most interesting home extension classes that has been held here in a long time.

Clarkston Locals

The piano students of Mrs. Charles Matthews are busy preparing for a recital at the studio on Saturday evening, May 29, at 8 o'clock.

Mrs. Leslie Shanks was brought home from Pontiac General Hospital on Tuesday. She is convalescing after undergoing an operation on Thursday of last week and she hopes to be back on the job very soon.

Local Ball Team Wins 6-4

The Clarkston Merchants baseball team chalked up its first victory of the season winning from Lake Orion last Sunday 6-4. The Merchants collected 6 hits to earn the victory with Ronk and Walker each getting 2. The team had little trouble throughout the game with Howard Altman pitching his first game of the season, allowing only 2 hits while fanning 12 and walking 4 during the first eight innings. In the ninth the Orion team bunched a couple of hits with 2 walks and a hit batsman to score 4 runs before Bill O'Roark rushed in to strike out Gene Thompson to end the game.

Obituary

Douglas Giddings
Death came to Douglas Giddings of 7690 Bridge Lake Road in Pontiac General Hospital on Wednesday morning after a six months illness. He was born in White Lake Township, April 14, 1902, the son of Mrs. Clara Horn.

Mr. Giddings was a farmer and lived in Oakland County all of his life. He is survived by his mother.

Funeral service will be held at the Sharpe Funeral Home in Clarkston this afternoon at 2 o'clock with the Reverend Walter Ballagh, pastor of the Baptist Church in Northville, officiating. Burial will be in Lakeview cemetery.

Boy Scout News

On May 24th, the Boy Scouts had their yearly elections. The senior patrol leader is Emery Bennett and the scribe is Bob Beattie.

We practiced marching forms for the Memorial Day Parade and closed our meeting with Scout Benediction.

Bob Beattie, scribe

Methodist Youth Guests At Highland

The Youth Fellowship of the Methodist Church went to the Highland Methodist Church last Sunday evening where they were the guests of the Milford-Highland Methodist Youth Fellowship.

A special deputation group from Michigan State College had charge of the service. After the service refreshments were served and the young people had an opportunity to get acquainted, which brought the members of the various churches into closer fellowship.

The Clarkston M.Y.F. will meet at the farm home of Dr. and Mrs. Harry Yoh this Sunday evening.

Clarkston Locals

Arthur Frank and Arthur Frank, Jr., returned home recently from a short vacation in Washington, D. C. They claim this is a grand time of the year to travel because the hillsides and the valleys are cloaked in a fresh green and here and there blossoms dot the landscape. While in Washington they visited all places of interest.

Clarkston Locals

The U. S. Navy donated 557 small craft of various types to the American Sea Scouts during 1946 and 1947.

Buy a poppy on Poppy Day.

W. S. C. S. To Have Quarterly Meeting

Next Wednesday, June 2nd, the Methodist Woman's Society for Christian Service will hold their quarterly meeting at the church. The Mary Circle will be host for the afternoon. They will serve a planned luncheon at 12:30 and this will be followed by the business meeting and program.

The guest speaker will be Mrs. Alex Ross of Flushing, Mich. Mrs. Ross is the district secretary of Spiritual Life. She has visited Clarkston before and those who heard her were pleased with the many worthwhile thoughts she left with them.

Orion H. S. Band Here Saturday

Clarkston will be hosts to the Orion High School Band Saturday afternoon. The band is making a series of special tours in an effort to raise money for uniforms and equipment. Each contribution to the band fund makes the contributor eligible for a 1948 fully-equipped Pontiac Sedan that will be given away at a special celebration in Lake Orion June 12. All Clarkston residents are invited to Lake Orion to play for the June 12 celebration. Mitchell's Recording Orchestra and Smiling Red and his Radio Pals will furnish music for modern and old-time dancing.

The Lake Orion Band will be accompanied by a Legion Sound Car, the Grand Prize Pontiac Car and a procession of Band Booster cars filled with High School children. The efforts of the Band to raise money are raising widespread interest, both because of the methods used and the success of the Drive. Eight High School girls and their managers are competing in contribution-getting. The winner will be crowned "Miss Melody" at the June 12 celebration as well as receive a complete summer wardrobe. The Band will appear in its famous "tack" uniforms and play a number of selections. Details of the Drive and of the contest for the title of "Miss Melody" will be fully explained.

Clarkston Locals

Mr. and Mrs. Paul V. Tower and son, Arthur, spent last weekend in Clarkston with her father, Arthur Frank, and her brother, Arthur, Jr.

Among the parade participants in Clarkston on Monday will be the School band, unit from the National Guard, a unit from the Pontiac Naval Reserve, the local Boy Scouts and Girl Scouts and all war veterans.

Mr. and Mrs. Clare Rasmuson left today for California. Mr. Rasmuson has been transferred to that part of the country by General Motors. His headquarters will be in San Francisco.

Mr. and Mrs. Paul Henry were among those who attended the State Convention of Optimists at the twin cities, Benton Harbor and St. Joe, over the weekend. Mr. Henry is president of the Pontiac club.

Mr. and Mrs. Ira Jones, Mr. and Mrs. Howard Lord, Mr. and Mrs. Charles Rockwell and daughter, Barbara, and Mr. and Mrs. Robert Jones and son, Bob, attended the wedding of Marilyn Jones and Donald Perrin in Pontiac last Saturday evening.

Rotary Anns Hear Exchange Teacher

On Tuesday evening the Clarkston Rotary Anns met at the home of Mrs. Richard Morgan with Mrs. Robert Buehig as co-hostess. At the business meeting it was decided to send two children to the Grace Bentley Camp for crippled children for a period of two weeks each. The following directors were elected: Mrs. Paul Henry, Mrs. Don Stackable, Mrs. George Perry, Mrs. Robert Beattie, Mrs. W. H. Stamp, Mrs. Robert Jones and Mrs. Garnet Poulton.

After the business meeting Mrs. Stackable, program chairman, introduced Miss Marion Jennings, a teacher in the Oak Ridge School at Royal Oak. Miss Jennings recently returned from Scotland where she had been teaching as an exchange teacher. Miss Jennings told of her trip from the time they left New York until their arrival back in this country. There were 24 lady teachers and one man in the group. Of this group ten of these were sent to Scotland and the others were stationed in schools in England. Their experiences, when they arrived in England, were quite interesting and sometimes very amusing. She told of the school system in Scotland and how every child, rich or poor, gets an education, even as far as going to university if the child is a good student. Children are taught to read from the time they start to school at the age of 4 1/2 years. At 11 1/2 years they are given aptitude tests and this decides whether a child is going to university or not. About ten per cent make the grade. College training is free just like the elementary schools.

Miss Jennings told of being presented to Her Majesty the Queen and attending the Tea given by Lady Astor. She also told of meeting Gen. Dwight Eisenhower and said she was not in the least surprised when she learned that he had been made president of Columbia University. Along with the teaching experiences in the Scottish schools Miss Jennings told of their tripping to Ireland and to Norway. She and the other teachers were amazed to find that Communism sneaked into Norway infiltration into the schools. They, as teachers, were advised to watch the trend in America. They were told to beware of a sudden change in curriculum standards, the taking away of the standard books and a general confusion in the teaching system. The American teachers told the Norwegians that nothing like that could happen here because since arriving home they have been on the alert and are beginning to wonder if all real Americans shouldn't be on the alert as to what is going on in the schools and colleges of this country.

Miss Jennings' talk was very interesting and informative and gave the Rotary Anns something to discuss. She answered many questions as to the living conditions in Scotland, the housing, food, clothing, etc., and as many in the group were either teaching school now or were ex-teachers they had many school questions to ask.

To close a very fine evening the hostesses served dainty refreshments from a table centered with an arrangement of peonies flanked by lighted white tapers in crystal holders. Red roses and white snapdragons were used in the living room.

The next meeting will be held at the home of Mrs. Don Stackable on June 22nd with Mrs. Earl Terry as co-hostess. Installation of officers will take place.

Church

Memmie Slaughter, Sunday School Superintendent.
Morning Worship at 11:00 A. M.
Song and Praise Service at 7:30 P. M.

Clarkston Rotary Wins Award
The Clarkston Rotary Club had as an honor guest on Monday, District Governor George A. Smith. The purpose of this visit was to present to the local club the Governor's "Citation for outstanding Community Service." This is a distinct honor and speaks well for the term of service of Club President Robert L. Jones and the work of the members. For a club as young as this one to receive a citation for outstanding service, being recognized over and above the rest of the clubs in the district, is an achievement worth while. The twin mottoes of Rotary -- "Service Above Self" and "He Profits Most Who Serves Best," have to be accepted with seriousness of purpose and enthusiasm by all members, in order to bring such recognition to the Clarkston Club. President Bob in thanking the Governor reminded the members that only their full co-operation had made the award possible. Governor Smith remarked that most clubs quiet down after election of the new officers, until the fall season and complimented the Clarkston Club for not only going ahead in holding fine meetings but even thinking of the community with its tree planting celebration of Arbor Day.

Visitors included four Rotarians from Waterford-Drayton Club from Waterford-Drayton Club, Don Jacobs, Don Weaver, Ken Oakes, and Gene Allen.

Ralph Thayer was taken into the club.

Charles Dale, from the Pontiac Boy's Club, presented a movie showing the activities carried out by such a club.

The meal was prepared and served by Mrs. F. Jones, Chairman, assisted by Mrs. G. O'Dell, Mrs. G. Poulton, Miss Alethea Rose, and Mrs. Adele Thomas.

Wallace A. Ridgley

Farm Women Help on Grass Day
On May 18, Mrs. Clara Scramlin of Holly was hostess to 33 Oakland County Farm Bureau women. Mrs. Earl Braid of East Orion and Mrs. Frank Winterhalter of Milford were chosen to represent Oakland County at the Women's Farm Bureau Camp at Torch Lake on June 15, 16, and 17.

The Oakland County Farm Bureau women are going to sell food at the Keith Middleton farm on Grass Day, June 11. As there may be as many as five thousand attending this program the women feel that they have a big food program to plan. Mrs. Earl Braid has arranged for the purchase of the food and the beverages and so far has done an excellent job. Mrs. Frank Winterhalter and Mrs. Glenn Perry of Milford will each be in charge of a food tent. Mrs. Stickney of Clarkston will be in charge of the pop and ice cream tent. Food will be served from 10:00 a. m. until the demonstration is over.

The women will have their next meeting at the home of Mrs. LeRoy Thompson on Cedar Island Road near White Lake on June 22. This meeting was postponed from the 15th in order that the women who are going to the Camp at Torch Lake will be able to attend.

Clarkston Locals
"Honor the dead, by remembering the living". Buy a poppy on Poppy Day.

William E. Wilson has been appointed dog warden and humane officer for Independence Township.

Garnet Poulton, Norman Jenkins and Donald Jockwig, enjoyed a weekend of fishing a few miles north of the Canadian Sault.

Miss Ruth Sharpe who teaches school in Fowlerville, is spending a few weeks in Clarkston with her parents, Mr. and Mrs. William Sharpe, before attending summer school starting June 21st.

More than 90 regular Navy and Naval Reserve officers have been assigned as Navy Liaison officers for Scouting, assisting and instructing American Sea Scouts in nautical subjects.

Waterford

Barbara Jean Tuck, daughter of Mr. and Mrs. F. L. Tuck of Wayne, has been confined to her home with measles. She is the granddaughter of the Henry Mehlerberg.

The Waterford Community Sunday School Council met at the church on Thursday evening. Superintendent Alton Goll presided at the business meeting. He started the meeting with a short talk on the duties and aims of a superintendent and he thanked the teachers and officers for their generous cooperation during the past year. Election of officers took place and as Mr. Goll had been elected at the annual church meeting he had charge of the election. The nominating committee comprised of Mrs. Charles Maxwell, Mrs. Frank Schultz and Howard Pratt submitted the fol-

lowing slate which was unanimously elected: assistant superintendent, W. B. Banghart; upstairs song leader, Harold Smith; assistant superintendent for primary and beginners, Donald Hetchler; assisted by Janice Holt; secretaries, Mrs. Alton Goll, Mrs. Orville Turner and Mrs. James Amos; treasurer, Albert Kray; pianists, Ruth Thomas and Fay Nelson; librarian, Maxine Giddings; assistant librarian, Audrey Williams.

Children's Day and Promotion Sunday was set for June 27th with Mrs. Stephen Phetiplace as chairman. The Cradle Roll superintendent is Mrs. Alton Banfield. A Home Extension Course Department is being planned and particulars will be announced later. The Daily Vacation Bible School will be held from July 12 through July 23rd.

Mr. and Mrs. George Lescohier left the latter part of the week to spend a few days in Kalamazoo before leaving to make their home near Largo, Fla. Mr. and Mrs. Clare Hillman and family will be returning to Waterford as they have bought the Lescohier home.

Miss Betty Jencks and Mrs. Stephen Phetiplace's Sunday School classes met at the church on Friday evening at 7 o'clock with 15 present. They held their regular monthly social and business meetings.

Dick Helman, small son of Mr. and Mrs. Joseph Helman, is confined to his home with measles. Lawrence Harrup who has been spending a short time with his parents, Mr. and Mrs. Harry Harrup and his daughter, Temple, left for his home in Cleveland on Sunday.

Miss Clara Walter and niece, Joan Cliff, and nephew, John Cliff, children of Mr. and Mrs. Cliff of New York State, spent Sunday at the home of their uncle and aunt, Mr. and Mrs. E. D. Spooner.

Mrs. Clifford Wood had the misfortune on Saturday to fall and badly injure her shoulder.

Mr. and Mrs. George Richardson of Drayton Woods have purchased a new home in Waterford directly across from the Waterford Market. They will move here soon.

Lawrence Giddings spent the past week with his parents, Mr. and Mrs. Lawrence Giddings, Sr.

About one hundred thirty persons attended the annual Mother and Daughter banquet of Christ Lutheran Church held at the Drayton Plains Presbyterian church Friday evening. The ladies from the Drayton Plains church served a delicious dinner to the group.

The program arranged by Mrs. Stanley Hawkins was centered around "Mothers Album" with

nearly everyone taking part, dressed in the styles of yesterday.

Mrs. Albert Dryden, president of the Ladies' Guild of Christ Lutheran Church, introduced Mrs. William Roughton as the toastmistress of the evening. Mrs. Marjorie Wager played for community singing which was led by Mrs. Victor Lindquist; Joyce Thompson rendered two beautiful flute solos, with Mrs. Wager at the piano; Sydney Williams and Paula Ziselman were very sweet in their old fashioned gowns as they greeted the grandmothers; Mrs. William Chase greeted the granddaughters; Mitzie Boss greeted the mothers and Mrs. Stanley Hawkins greeted the daughters.

Mrs. Lindquist sang two lovely solos. Mrs. Reuben Norling, of Detroit was the speaker of the evening. The speaker pointed out the importance of the presence of God in the home to make it a happy home.

Gifts were given Mrs. Ida Beattie who was the oldest mother present; Mrs. Robert Brill as the youngest mother present and Mrs. Hawkins, Mrs. Earl West, and Mrs. Julian Brill were given gifts as mothers with three daughters at the banquet.

The tables and room were very pretty with spring flowers being used in profusion.

At the annual meeting of the Waterford Community Church last week the following officers were elected: trustee board, president, Wallace Brown; vice president, W. B. Banghart; treasurer, Albert Kray; trustees, Frank Schultz and Henry Mehlerberg; Council Board, president, Charles Maxwell; secretary, Cameron Coventry; other council members, Leslie Dingman, Donald Hetchler and John Miller. Mission Board, president, Mrs. Charles Maxwell; secretary, Mrs. William Banghart; treasurer, Mrs. William Granger; publicity, Mrs. Lawrence Giddings; literature, Mrs. Arthur Davis; Church Clerk, A. L. Purcell.

The Adult Bible Class of the Community Church will meet on June 1st at the home of Mr. and Mrs. John Miller at 7:30. The committee on arrangements includes Mrs. William Granger, Mrs. Wallace Brown and Mrs. Ida Beattie. Roll Call will be answered with a Bible verse containing the word "holy".

The Waterford-Drayton Rotary Club met at the Community Activities building on Tuesday for their noon dinner meeting. Those preparing and serving the dinner included Mrs. Agnes Flickinger, Mrs. Emery Beedle, Mrs. James Stites and Mrs. Jack Hall. The

business meeting was conducted by Henry Mehlerberg. Norman Roth was program chairman. The members will take part in the parade which leaves Community Activities building at 2 on Sunday afternoon and will go to the cemetery on Williams Lake Road where a Memorial Day program will be presented.

The board of Directors of the Waterford-Drayton Rotary Club met at the home of President Henry Mehlerberg on Tuesday evening. There were eight present. Future club activities were discussed.

The final Teachers' Workshop of the Township schools was held at the high school on Thursday. Consultants were Esther Middlewood, mental health director and Georgia Hood, both from the State Health Department. A movie entitled "This Is Robert" was shown after a discussion.

Mr. and Mrs. James Lambertor entertained nineteen guests at dinner on Sunday honoring the confirmation of their daughter, Donna Kay, at Christ Lutheran Church. The guests included her grandparents, Mr. and Mrs. Lambertor and Mr. and Mrs. Albert Mertens, the sponsors and their families, an aunt, Mrs. Ainsworth Wyckoff and an uncle, Joseph Schwitter, of Detroit.

Katherine Haynes is confined to her home with measles.

Mrs. Mae Hall underwent surgery at Pontiac General Hospital on Monday.

Mrs. Francis Whipple of Dixie Highway was admitted to General Hospital on Saturday for observation.

Mrs. Lyman Girst has returned to her home here after accompanying her mother, Mrs. D. Combs to Spring Harbor the latter part of the week. Mrs. Combs has obtained an apartment there.

Wesley H. Slingerland, 7 year old, who was struck by a car near his home on Dixie Highway on Sunday was brought to his home from Pontiac General Hospital on Monday evening. It was determined his injuries were slight. He received a bump on his head and one on his leg.

Sunday guests at the home of Mr. and Mrs. Charles Maxwell were Mrs. Reta Griffin Durward Foland and Mr. and Mrs. Stanley Schultz and three children of Williamston. Mrs. Griffin remained with her daughter, Mrs. Maxwell, for the week.

Mr. and Mrs. H. B. Mehlerberg went to Lapeer, on Sunday to attend a birthday dinner honoring their son, David, who celebrated his birthday on May 21st. Later in the day they visited

White Chapel Memorial Park and enjoyed seeing the tulip display.

The Ladies' Auxiliary of the Waterford Community Church will hold the June meeting at the home of Mrs. Roy Pammenter on Thursday. A pot-luck luncheon will be served at one o'clock. Mrs. Albert Kray will assist Mrs. Pammenter. Annual reports will be read and election of officers will take place.

The residents of Waterford are thrilled to hear the music of the village school's first marching band. They are anxiously watching for the band to go marching by. Miss Joyce Thompson is the music instructor and under her able leadership the band is progressing rapidly. The baton twirlers include Jackie Wilder, Joar Shelton, Joan Williams, Edith Green, Mary Lou Marsen, Joan Schmiel, Susan Canfield and Marjorie Gallach. This band is one of three units in the Township participating in the parade on Sunday which will leave the Community Activities Building at 2 o'clock and go to the cemetery where a program has been arranged. The band members will have their uniforms for the event.

Mr. and Mrs. Isaac Shook and family were visiting relatives in Ohio for the weekend.

The trustees of the Waterford Community Church report that the decorating at the parsonage is nearly completed. Help is still needed for painting in two rooms and for varnishing the floors. Wallace Brown is in charge of this work.

The Good News Club fund for the awarding of Bibles is complete. Many of the young pupils finished the work entitling them to a Bible bearing their name in gold.

The Good News Club members are asked to remember the following dates: June 4 - Spring Rally program, announcement of surprise trip, presentation of Bibles, display of work at 7:30 P. M. at the Waterford Community Church. June 5 - closing picnic for members and parents at Cass-Dodge Park. You will meet at the church at 11 A. M. You are asked to furnish your own picnic lunch June 12 - Surprise Trip for club members who earned highest award. July 12-23 - Bible School from 9:00 to 12:00 A. M. Monday through Friday at the Waterford Community Church. There will be classes for all boys and girls, 7 years to 14 years.

The Cheery Chums will have their party on June 4. There will be a cooperative supper at 6:30 at the home of Mrs. Louis Durman. Each one will remember her Chum with a gift revealing her identity.

Among the relatives from Toledo who were guests at the home of Mr. and Mrs. Robert Mehlerberg on Sunday were her brother-in-law and sister Mr. and Mrs. Henry Myers and daughter, Penny Ann

Waterford Township

The Cub Scouts of Pack 31 gathered Thursday evening at the Waterford village school for its final meeting of this season.

Achievement awards were given to several boys. John Palmeiter received a registration card and cub pin; wolf gold arrows went to Eugene Klender, David Cox, Truels Lamoux, and Louis Maloney; wolf silver arrows to Eugene Klender, Larry Peck, Truels Lamoux, bear gold arrows to Russell Attwater, Bernard Gustinis, Harry Luxon and Jimmy Addard; bear silver arrows to John Zettle, Dick Ryan, Russell Attwater, and Harry Luxon; lion badges went to Darrel Adams and Jimmy Addard.

Glen Hartman, Larry Peck and Darrell Patton received their one year service stars; Bruce Ritohie his second year service star and David Eaton and Robert Beedle their three year service stars. Robert Beedle received his Webber badge and graduated into scouting. David Eaton also received his graduation certificate.

Billy Farnum was introduced as the new Cub Master and Earl Kaffman as the new assistant Cub Master.

Percy Wood, chairman of the baseball committee, announced that games between the dens will be played each Monday and Thursday evenings at 6:00. The "play-off" will begin July 15.

The attendance plaque went to Mrs. Kenneth Williams den eight.

Gifts were presented workers leaving Cub Scouting. They were Cub Master George Attwater, assistant Cub Master Percy Wood, and den mothers Mrs. Calvin Holton and Mrs. George Attwater.

Movies were shown to complete the evening's program.

The first baseball games played Saturday afternoon brought a 27 victory for den 5 over den 9. Dens 1 and 8 combined defeated den 2 by a score of 19 to 7.

Den six of Cub scout troop 31 defeated den seven at the Williams Lake school Monday evening with a score of 22 to 2. Another game was scheduled for Thursday evening. The Cubs, accompanied by the den dads, will take part in the Memorial Day parade from the Community Activities Building to the Drayton Plains cemetery where there will be a program. The boys are to be at the Club house at 2:00 on Sunday to get lined up for the parade.

Tickets on sale at the Township High School on Tuesday for the "Call of the Banshee," to be presented by the Dramatics Club on June 4 at 8:00. This is a three act play under the direction of Patty Looman. The cast will include John Novess, Patty Bump, Compton Halleck, Beverly Cooper, Bob Webb, Isabella Cox, Mary Ellen Carson, Tommy Eddy, Bob Brown, Maurice Runyan, Marlene Mattison, Marge Hergrestad, Ernest Whaley, Roy Lindahl, and Janie Mixer.

The annual spring concert presented by the Instrumental Departments of the Drayton Plains, Hudson Covert, Waterford Village, Williams Lake, and Township

High schools will be held at the Township High School on Friday, May 28th, at 8:00 and is open to the public without charge. The program will include eleven selections by the combined orchestras; a trumpet solo by Roy Lindahl; a violin solo by Elizabeth Omlil; a trombone solo by Bob Ewald; and a clarinet solo by Jim Jeffery. The concert will be under the direction of James Y. Vandersall and Joyce Thompson.

Community Activities

Community party beginning at 8:00 Friday evening open to everyone.

Modern and old time dancing from 9:00 'til 1:00 Saturday evening. The new floor is now laid, sanded, and waxed to perfection. Come and have a good time any Saturday evening.

Boy Scout meeting at 7:30 each Tuesday evening.

Meeting of the Board of Directors of C. A. I. at 8:00 Wednesday evening.

The new Dairy Bar is open every day except Sunday. Come some noon for lunch or for dessert.

The Community Library will soon be ready to move to the book-in. In the meantime, books may be gotten from the O. L. Siegman home. Donations of good books are always welcome.

Thirty four ladies gathered at the Library last Friday afternoon for an afternoon of cards. Twenty dollars was realized for the benefit of the library.

The Woman's Club met at the Club house last Thursday evening and made plans to serve a Father and Son Banquet for the Boy Scouts in June and to serve the Exchange Club from Drayton Plains at 8:00 each Tuesday evening. The group voted to turn \$450.00 over to C. A. I. to be used where necessary. The next meeting will be on June 17 and will begin at 6:30 with a pot-luck supper with each one bringing her own table service as well as a passing dish of food. Those not coming in costume will be fined. The hostesses were Mrs. Earl Schalm, Mrs. Otto Duguid, Mrs. P. L. McLaughlin, and Mrs. Francis Whipple.

Over one hundred persons enjoyed a "Family Night" at the Club House last Sunday evening. The occasion was to honor the twenty youth who were confirmed at Christ Lutheran Church in the morning. The parents of the class were also honored guests. The evening's program included greetings from Mrs. Ivan Bahm representing the church choir; Mrs. Albert Dryden representing the Ladies' Guild; Ronald Grover representing the Luther League and from Rev. Philip Jordan in behalf of the entire congregation. A very good movie was also enjoyed. The refreshments included a beautiful and delicious cake for the class. The Board of Administration of the church sponsored the gathering. Kenneth Peterson presented the pastor with a gift in appreciation of all his efforts during the past months.

Mealtime Magic

FUDGE CAKE

This cake is so-o-o good while it lasts, but we can guarantee that it won't last long. Always a favorite, this delicate, fine-flavored cake hits the bulls-eye for any occasion from party refreshments to family dessert. And what a delightful treat for an after-school snack!

Fudge Cake

1/2 cup fortified margarine
 1/2 teaspoon salt
 1 cup sugar
 2 eggs
 2 squares melted chocolate
 1 2/3 cup flour
 2 teaspoons baking powder
 1/2 teaspoon vanilla
 1/2 cup milk

Cream together margarine, sugar, and salt. Stir in melted chocolate and beaten eggs. Sift flour, salt, and baking powder together and add alternately with milk. Add vanilla. Bake in two layers (8-inch) or square flat cake pan (9-inch) in a moderate oven (350° F.) for 20 to 25 minutes. Ice with chocolate icing (recipe below), and sprinkle top with coarsely chopped nuts.

Chocolate Icing

2 tbs. fortified margarine
 1 egg yolk
 2 squares melted chocolate
 1 1/2 cups confectioners sugar
 1/4 teaspoon salt
 2 tablespoons cream

Blend margarine, salt, and egg yolk together. Add melted chocolate. Stir in sugar, beating to a spreading consistency.

For other taste-tempting recipes write today for your free copy of the two-color, 32-page recipe booklet, "Mealtime Magic," to National Cotton Council, Box 18, Memphis 1, Tenn.

OPEN HOUSE AT ORTONVILLE MILK STATION

How a great city's milk supply is handled in the most sanitary and efficient manner by the use of modern equipment will be shown to the public on June 5 and 6, when the members of the Michigan Milk Producers' Association in the Detroit area hold "open house" at their new receiving station at Ortonville in Oakland County. While the station was not built as a "show place", it does set a new standard for such buildings in Michigan and accomplishes the utmost in effective sanitation.

The new station replaces two obsolete, outmoded stations at Ortonville and Atlas, which were acquired during depression years in order to provide a market for members' milk. The old stations were located on property belonging to utility companies on the old Detroit United Railway right-of-way. The old stations were deemed beyond repair by Association directors who felt it advisable to erect one modern station on Association owned property to serve the entire area, thereby reducing operating expenses to the minimum. The use of automatic machinery and the installation of three 5,000 gallon refrigerated holding tanks gives this one plant a capacity of handling 200,000 pounds of milk a day, working only one shift.

The 10,000 dairy farmers who own the plant cooperatively, feel they are providing consumers in the Detroit area with the highest degree of protection for their vital and highly perishable milk supply. They extend an invitation to the

public to join with them in inspecting the plant during "open house" when visitors will be received from 9 A. M. to 5 P. M. each day. The station is located on state trunk line M-15 at the northly edge of Ortonville, nine miles north of the junction of M-15 and US 10, the Dixie Highway.

MONTHS NEEDED TO START EXCHANGE SERVICE

The Michigan Bell Telephone Company today announced it will take months to provide the necessary facilities before district exchange service can go into effect in the Pontiac District Exchange which includes Clarkston.

Walter B. Fauser, manager for the company, pointed out that the Michigan Public Service Commission, in approving the district exchange plan for the Pontiac Area recently, did so to permit the company to plan for the service while expanding its facilities to meet growth. Many additional circuits must be provided between communities in the area, he said, to take care of the heavy increase in traffic expected to develop as a result of the new type of service.

Under the order, the company is authorized to provide extended-area service in 196 of its 241 out-state exchanges. Sixteen exchanges were not included in the company's original application, 29 others were excluded by joint agreement of the company and the Commission, and a number of exchanges were regrouped in the various extended-service areas.

"The new type of service for Clarkston, patterned after the system in the Detroit Metropolitan Area", Fauser said, "will eliminate all toll barriers between this community and six nearby exchanges which become zones under the new district exchange plan - Pontiac, Commerce, Oxford, Leonard, Lake Orion, and Drayton Plains.

"Calls between Clarkston and other zones in the new district exchange - Auburn Heights, Rochester, and Walled Lake will be

on a measured basis at so much a unit (5 cents is proposed by the company). Thus, Clarkston users will pay a 2 unit charge on calls to Auburn Heights.

"Extended-area service, in effect, offers the user at a single price, a packaged service that permits him to use his telephone to the maximum advantage. He will be able to communicate with telephone neighbors in nearby communities—and they with him -- without worrying about toll charges. Further, he will be able to call just as often and talk just as long as he pleases. In other words, for the price of local exchange service, the user's calling opportunities will be extended beyond artificial boundaries and over a wide, inter-community area."

The Commission's order left the door open for other communities to petition for the service before a final decision in the company's overall rate case. At that time, specific rate to be charged in the particular extended-service areas and district exchanges will be determined.

The Commission called the extended-area plan a "forward-looking step in telephony."

"We appreciate," the Commis-

sion said, "that the company cherishes its relations to its subscribers and to the public as a whole, and would not propose such a plan if, in its sound judgement, it were contrary to the best interests of the public for the obvious reason that any other course would lead to strained relations between the company and its customers."

"While we appreciate that in some isolated instances it may appear that inequities will result from the adoption of such a plan, yet we believe that its long-range results will inevitably benefit the public, as a whole; that it will vastly improve telephone service in Michigan as well as result in substantial economies of operation which, under regulation, must inure to the benefit of the public."

HOW TO HOLD A HUSBAND

"Play him easy, and don't put the spurs on him," says Paul Gallio as he starts his annual battle of the sexes in Pictorial Review, one of the THREE BIG magazines distributed with this Sunday's Detroit Times. Be sure to read his riotous advice to June brides with Sunday's issue of The Detroit Times.

From where I sit... by Joe Marsh

It's Leap Year, Girls!

First girl in our town to "get her man" on Leap Year was the Cuppers' daughter, Jane, who wed Bill Webster's boy last Saturday.

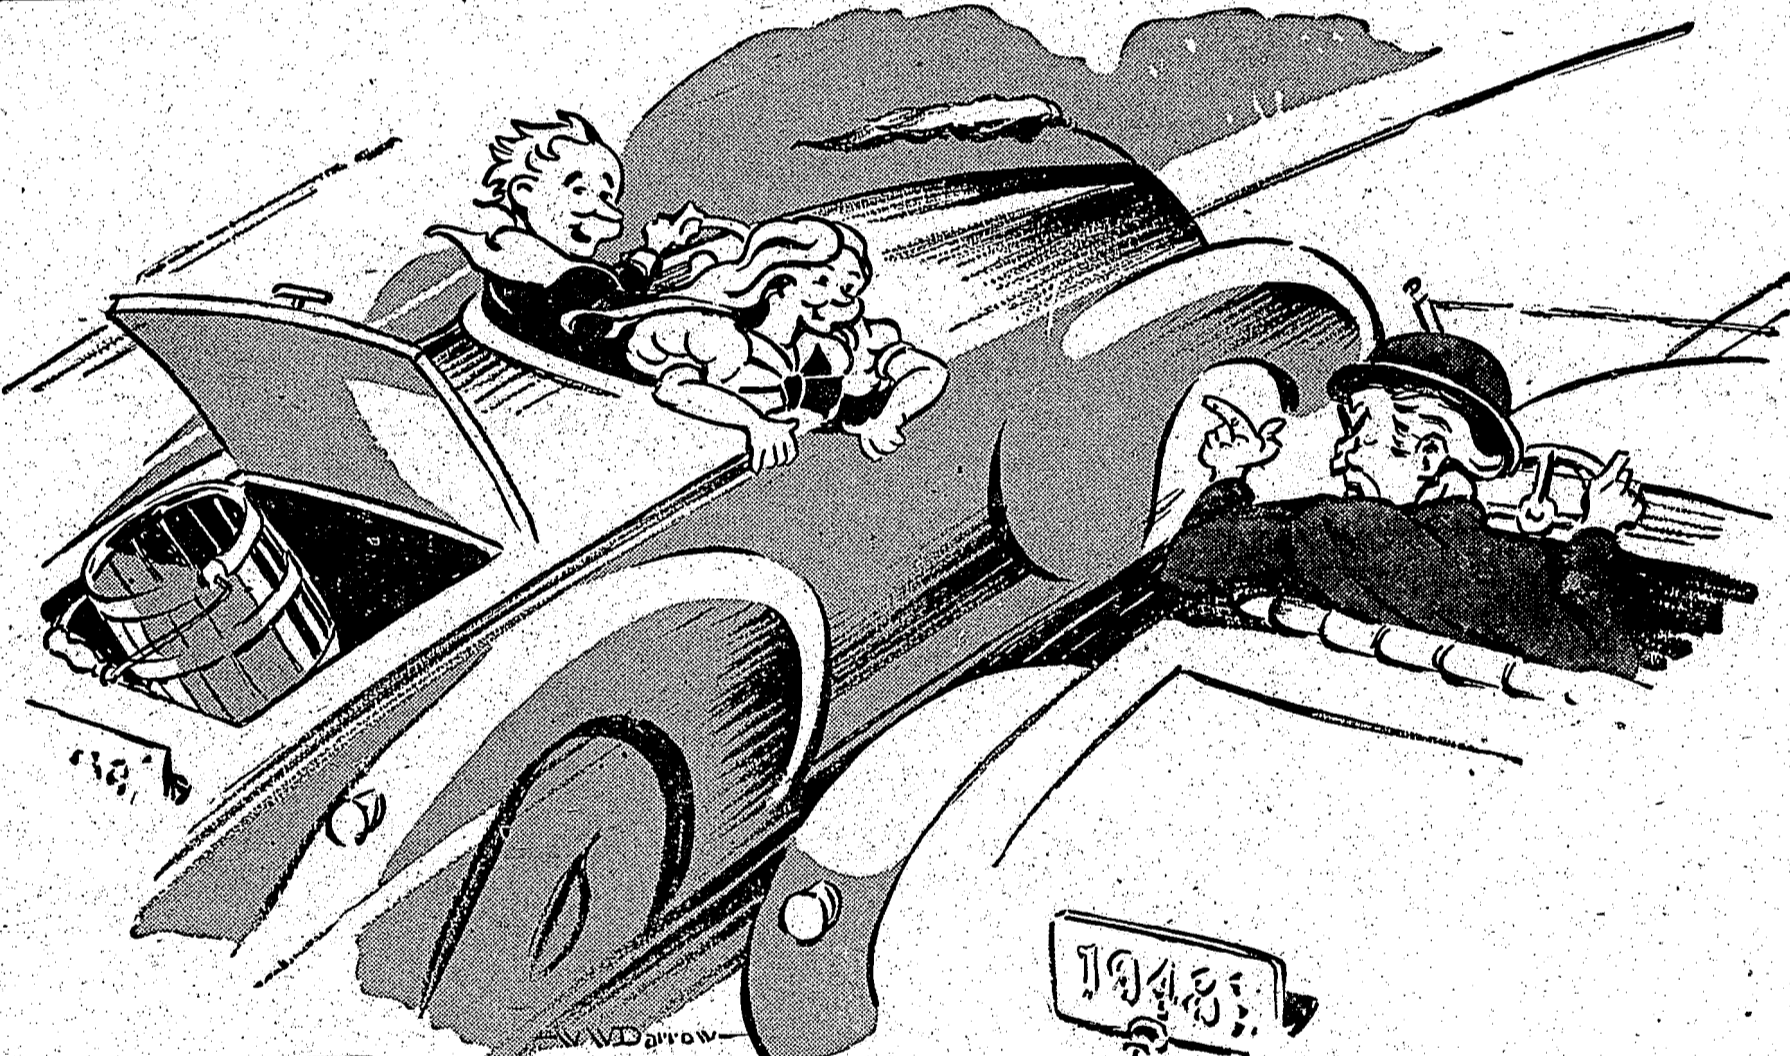

When I asked Bill Jr. if it was true that Janey really did the proposing, Bill said: No, but she made it plain she'd make an ideal wife. Instead of looking for diversion or excitement every evening, she was content to chat beside the fire.

"I could plainly see," says Bill, "that we'd really have a happy home life—which is just exactly what I want from marriage."

I know it's usual for older folks to shake their heads over the younger generation. (It's gone on for hundreds of years, now.)

But from where I sit, young people of marrying age today are every bit as commendable as their elders were—in their temperance (a glass of beer for instance), tolerance, and common sense. So to Jane and Bill—the best of luck!

Joe Marsh

Jack and Jill tore up the hill,
Passed a car on the way;
A truck coming down broke Jack's crown,
And Jill a harp doth play.

Thousands of foolhardy Jacks and Jills ride to ruin over the center line of safety. Wrong-side-of-the-road driving ranks third as a cause of highway deaths.

A good driver develops a safety state of mind. He keeps to his own side of the road except when vision is absolutely clear ahead. Do you do this? Hills, curves and winding roads are death traps for the reckless and careless. Spend seconds to save lives—those in your car—and in the unseen car that may be coming!

BRANDON SCHOOL "CITIZEN'S COMMITTEE" MEETS

First meeting of the Citizen's Committee was held on Monday night, May 24, 8:30 P. M. (fast time), at the high school. All organizations in the Ortonville community were asked to appoint a representative to serve on a citizen's committee which is being organized to study present school facilities in light of pressing needs. The committee is temporary in nature, its objective being to make recommendations to the board of education in regard to expanding the school program and solving the building needs.

Organizations participating in the study are as follows: Village Council, Township Board, Board of Education, P. T. A., Rotary Club, Masons, Eastern Stars, V. F. W., Women's Club, Brandon Grange, Methodist Church, Baptist Church, Mom's Club, Dad's Club, and Seymour Lake Mother's Club.

pleased with the results of the work thus far that they have offered to bring additional shrubbery and bushes from home to further enhance the school lawns. It is hoped that the children will be as anxious to preserve and protect the new shrubbery as they were to plant them.

The meeting has been called by the Board of Education of the Groveland Center School District.

Two other districts, Springfield No. 1 and Groveland-Bird No. 7, have already voted in favor of annexation.

ORTONVILLE SCHOOL BAND ATTENDS TULIP FESTIVAL

Fifty Ortonville music students attended the Tulip Festival at Holland, Mich., Saturday. The "Review of Bands" was the main attraction for the local band members. Miss Harriet Hart, music instructor, accompanied the group.

BRANDON PUPILS LAND-SCAPE SCHOOL GROUNDS

At a recent meeting, the Brandon Township Board of Education voted to purchase shrubbery to beautify the school grounds. Supt. Paul L. Conklin says that the spontaneous and enthusiastic cooperation on the part of the students was very gratifying. Some of the pupils are so

BRANDON STUDENTS ENJOY UNUSUAL ASSEMBLY

Students of the junior and senior high school of Ortonville enjoyed their final assembly program of the year when Jack Rank (the one-man theater of Hollywood, California) presented "The Merchant of Venice." Mr. Rank displayed unusual talent in his portrayal of the various characters in the play.

He kept his audience spellbound by changing his voice and costumes as he took the part of both male and female characters. The students went into gales of laughter over his impersonation of the imbecile servant of the wealthy merchant. His costume changes were done with such speed that he was never out of the sight of his audience longer than from seven to fifteen seconds.

The performance concluded a series of six assembly programs held during the last semester. These educational assemblies, bringing in outside entertainers, is new this year for Ortonville students, and the programs have been so heartily approved by both pupil and parents, it is hoped that the assembly programs can be continued next year.

The grade pupils conducted their own final assembly under the direction of Miss Harriet Hart, local music instructor. The two-hour musical program was put on by grades three through six and the Seymour Lake and the Oak-hill school groups.

GROVELAND CENTER DISTRICT TO VOTE ON ANNEXATION

District No. 5 of Groveland Township will meet Tuesday night, May 25, at 8 P. M. at the Groveland Town Hall to discuss annexation to the Brandon School District. They will vote on the question, "Shall school district No. 5 of the Township of Groveland be annexed to the Township School District of Brandon Town-

Jockey Hemming To Race Sunday

Jockey Tom Hemmings a graduate of Roosevelt Military Academy, Alledo, Ill., formerly of Ortonville, will ride Captain Jack, a horse owned by Michigan Sportsmen in a match race, on Sunday at North Branch with Texas King, a horse hailing from Texas, over a 1 and one fourth track. Tom will weigh in 102 pounds.

Jockey Tom, now an exercise boy at the Detroit Race Track, was trained by Hank Miller a champion in 1931 and 1932, whose home is in Pueblo, Colo.

Fifty-three U. S. Navy bands are at present stationed on ships

MICHIGAN Motoring

Take a Tip From the Experts

The statistics on 1947 traffic accidents provide some mighty important food for thought, and some important suggestions for every driver in the family! For instance: did you know that passenger cars accounted for 1,331 or 77% of the vehicles involved in fatal accidents in Michigan last year? Trucks, buses and taxicabs accounted for 339 deaths, or 20% and of that 338 taxicabs accounted for only FIVE!

Those figures prove that every motorist should take a lesson from the cab driver — a lesson in traffic knowledge and Traffic Safety. These men — as well as bus drivers — make good driving a habit. They know they have to, for their jobs depend upon it. Perhaps your job is not endangered by bad driving, but YOUR LIFE and the life of every member of your family may depend upon your own good driving!

Good driving includes a thorough familiarity with traffic rules — but just as important, good driving includes keeping a constant lookout for what the other fellow is going to do. It is no longer possible to make each move in driving a conscious move, because speeds have become too fast — and there are more cars on the road than ever before. Safety on street or highway demands practice until the proper reaction in an emergency becomes automatic.

Practice good driving every single second you're behind the wheel — make it a habit!

MILK IS RICH IN VITAMIN "A"

rich in profits, too, when you use **MODERN COOLING METHODS**

There's more money in your milk, say successful dairymen, when you use an electric milk cooler. Electricity quickly tumbles the milk's temperature to 50° or lower. Electricity circulates refrigerated water around the milk cans, with particular attention to the slow-to-cool milk at the top of the cans. Electricity slashes the bacteria count, steps up milk quality, increases your profits.

Properly installed, milk coolers are durable, designed to give years of carefree service. Operating costs are low. They will cool 500 quarts of milk for the average wholesale price of eight. For further up-to-date, impartial information, see your Edison Farm Service Advisor.

ELECTRICAL MILK COOLING IS ANOTHER EXAMPLE OF ELECTRICITY DOING THE JOB BETTER THAN ANY OTHER WAY!

THE HILLTOPPER

SENIOR TRIP

Although we returned from our trip a little bit tired and bedraggled, I'm sure we all had a wonderful time.

We boarded the Greater Detroit, changed into comfortable cloth-

ing and went on deck to wave farewell to Detroit. A friendly atmosphere prevailed even as we left port. Miss Monroe, hostess for the trip, passed out confetti to all the passengers and the band, also on deck, struck up as we left, with "Anchors Aweigh".

Friday night the band and the boys from the kitchen, called the "Get Boys", put on a terrific show. We were entertained with song and dance routines plus a lot of comic on the part of the Master of Ceremonies. After the show a dance was held on D Deck.

After an early breakfast Saturday morning, we docked at Buffalo, walked to the train station and boarded a train to Niagara, which is twenty-two miles from Buffalo. We were in Niagara for about four hours. During this time we visited the falls, putting our cameras to good use all the time and looking like typical tourists, and we explored the many souvenir shops which clutter the town.

As far as lunch was concerned, it was up to each person to take care of himself. Some of the mob, wishing to find the nicer spots in town, ate in the more exclusive restaurants—the rest of us grabbed sandwiches in the nearest and handiest place—the drug store.

Saturday evening an amateur show was conducted aboard ship.

Rumors vs. Facts

EVERY SO OFTEN someone writes about "the high cost of dying." It is true that our costs on merchandise and labor have increased — but funeral prices have not risen in anywhere near the same proportion. We still offer dignified funerals at a cost to meet every family budget. If you can find time for a friendly visit, we will be glad to show you facts and figures which will prove this.

SHARPE

Funeral Home

Phone 2366 — Clarkston
24 hr. Ambulance Service

The thriving talent of all the 1,100 passengers aboard stepped forth in glory. The Master of Ceremonies and his stooge turned out to be two very popular people—they entered each and every number put on by the students, and really added a lot to the acts. Another dance was held after the show and to bring about a "get acquainted" atmosphere, Miss Monroe and the M. C. cut out on the floor and broke up dancing partners. They also conducted a snake dance.

Sunday morning, at the crack of dawn, we said our fond farewells to all whom we had met and took our leave of the Greater Detroit.

Mary Secan

SOME FACTS ABOUT SCHOOLS OF MICHIGAN

1. School building construction has not kept pace with needs.
2. The following factors have contributed to the Michigan school building dilemma: (1) 13 mill limitation (2) depression era (3) war period (4) growth in population (5) increased birth rate.
3. During the eight year period 1923-1931 the average yearly school building expenditure was \$22,000,000. During the fifteen year period 1931-1946 the average yearly expenditure for buildings was only \$5,000,000.
4. Today there are 25,000 children attending school in buildings which are over 65 years of age.
5. In Michigan, there are 150,000 boys and girls who are attending school in leased, rented and temporary quarters, in basement rooms, or in unsafe, unsanitary and obsolete buildings.
6. There are 8,850 elementary pupils, exclusive of kindergarten, who are attending school on half-day sessions.
7. Michigan has immediate need for 5,500 classrooms.
8. Michigan's emergency school building needs total more than \$300,000,000.
10. Within the next 5 years, Michigan will need at least 22,000 new teachers.

of the latest in forage crop machinery according to Karl D. Bailey, county agricultural agent. The farm is located 2 miles east of Lake Orion and farmers who attend the Grass Day may expect an interesting program. A. J. Bell, Michigan State college agricultural engineer, reports that farm machinery companies are cooperating supplying many types of machines.

Among the featured equipment will be a grass seeder attached to a cultipacker, to be demonstrated as an improved way of seeding alfalfa, bromo and many other small seeds. The device helps to prevent too deep coverage.

Balers which tie with twine and wire, and types that make round bales will be demonstrated. The choppers will crush green hay, dry hay, or may be converted to field chopping of corn silage.

Of special interest will be the hay crusher, a set of rollers mounted back of the knives through which the hay passes as it is cut. The rollers crack the stems and allow them to dry out as rapidly as do the leaves. For ensiling, it allows a more rapid wilting; for baling, more rapid and even curing; for chopping, more rapid and even drying; and for long hay, more rapid and even drying. It results in the saving of many leaves and sometimes allows a crop to be put in the barn before a rain.

Several types of power unloading wagons will be shown. Some will have a canvas bottom that rolls up on a roller and others will have an endless apron or a moveable end-gate. Both electric and gas driven engines will be shown with them.

CHILDREN NEED PROTEIN FOR GROWTH

Your child needs more protein for each pound that he weighs than either his mother or father do.

Miss Josephine Hoke, Home Demonstration Agent, reminds us that children grow continually and need protein for growth. His small size doesn't mean that he doesn't need much.

Some protein foods are recommended to best meet your child's needs. Milk, eggs and meat are three of them. It would be ideal if your child had some meat or fish each day. He should have one egg a day. Also include three to four cups of milk and he will have sufficient protein.

You can substitute beans or cheese for the meat or fish but don't substitute for the milk. Milk is the most important source of calcium that he has. He needs the calcium for the growth of his bones.

HEALTH HINTS FOR MEMORIAL DAY WEEK-END

The very things you enjoy the most may turn out to be the greatest handicaps to your health and even to your life on the long Memorial Day week-end, the Michigan Department of Health warned Michigan folk today.

Drive with care and avoid excesses in eating, drinking, sunning, swimming, fishing, golfing and any other form of exercise, it advised.

Roads will be flooded with traffic. Have your car checked if you plan any driving — brakes, horn, lights, tires, windshield wipers and steering mechanism. Do not plan to drive if you are going to do any drinking. Obey traffic laws and signs and give the other fellow your right-of-way.

Good restaurants will be filled to capacity. Be careful what you take in your picnic lunch. Keep perishables cold. You can bring

food poisoning from home as well as get it in an unclean restaurant. Drink only water from a municipal supply and only pasteurized milk.

Take your sunning in short intervals. Remember you can burn under a cloudy sky on a cool day, and you burn more quickly near or on water. Lake water will be cold. Do not swim in swift water. Do not rush headlong or dive into extremely cold water. Do not swim alone or show off. Do not stand up in your small fishing boat. Do not go into a lake when a storm threatens. Remember that a little golfing, softball, swimming or tennis is considerable strain on the heart at the beginning of the season. Ride only a horse you can handle, and fly only with a competent pilot in fully serviced craft.

Memorial day is a time to remember the dead, not to join them.

With travel on Michigan highways approximately 15 per cent greater than in 1947, Automobile Club of Michigan urges motorists to "Take It Easy" over Memorial Day weekend, which traditionally marks beginning of summer and holiday driving in large volume. State Police records show 1,444 persons were killed and 38,195 injured in 137,619 automobile accidents, similar to that pictured above, in Michigan last year. The injured toll was the second highest in Michigan's history, and the accident total was a new high. Because of the anticipated heavy holiday traffic, Auto Club recommends that motorists start earlier, drive slower than normally, observe all highway markings, particularly on hills and curves, and be alert for pedestrians and cars coming out of side roads.

GIVE ME HEALTH AND A DAY

★ "Give me health and a day and I will make the pomp of emperors ridiculous" was Ralph Waldo Emerson's terse but eloquent opinion of the value of health. The vibrant, glowing health of which he speaks is seldom an accident of birth. Its price is constant vigilance, with proper regard for rest, fresh air, exercise, and diet.

At the first sign of illness see your family physician. He is your skillful and never-failing ally in the preservation of health. If, in his judgment, medication is needed, bring your prescription to us.

A FINE CAR. MADE EVEN FINER.

PONTIAC

Your first sense of satisfaction with your new Pontiac will be inspired by its performance.

First, it offers the unsurpassed performance luxury of GM Hydra-Matic Drive! The smooth, powerful motor is quick, quiet and eager. Steering is remarkably steady and certain. The brakes bring you to a quick, easy stop. Riding comfort is simply wonderful.

... Then—as the months and miles go by—you will begin to enjoy an additional sense of satisfaction. It will come from the car's extraordinary dependability. Gradually, it will dawn upon you that your upkeep expense is almost nothing, beyond routine service.

For Pontiac is a good car—built to serve even its second and third owners with a fine degree of satisfaction.

Yes—we are sure you will be doubly satisfied with your new Pontiac.

*GM Hydra-Matic Drive, Bumper Guards and White Sidewall Tires optional on all models at additional cost.

You'll be doubly satisfied!

CHECK-UP FOR PRESCHOOL CHILDREN

Preschool children who will enter kindergarten for the first time this fall should be taken to their physicians now for a complete health check-up, the Michigan Department of Health advised today.

The new school situation will place increased demands on the child's energy and vitality. He should have the best health and morale possible when he starts to school.

An examination now will reveal any physical defects or handicaps so that they may be corrected before school opens. If his teeth require care or if his tonsils or adenoids should be removed, this should be done before the summer holiday season. If he requires special physician's care, the summer will allow time for such treatment. If he needs glasses, it will allow time for him to become used to them. If he has earaches, running ears or tenderness around his ears, treatment now may prevent serious hearing loss. The child should be given booster doses of whooping cough, diphtheria, tetanus and smallpox vaccines now, to bolster protection against these childhood diseases.

Let your child play and rest this summer to build himself up to his best health. Proper food and rest are extremely important. The child needs citrus fruits, eggs, meat, whole grain cereals, milk and vegetables and plenty of solid warm food in summer as well as in winter. Continue his vitamins. He should sleep about 10 hours a night, but he may need more rest in summer than in winter. He should play out of doors a good share of the time but his head and body should be protected from the extreme heat of the sun. He should be protected from unnecessary exposure to disease, but his adjustment to school life will be better if he is encouraged to play with other children.

Talk to your child about his school. Keep him free from worry. Show him the safe route to school. Counsel him to obey police officers and safety patrol personnel. Do not let him ride to school any vehicle which he cannot safely handle all the route. Accidents now are a bigger hazard than disease when your child starts to school.

L. IVDIMY GWALTER ELECTED

The election of Miss L. Ivydimy Gwalter as a Director of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, to succeed Mrs. Nelvia E. Ritchie, deceased, has just been announced.

Miss Gwalter, a native of New York, studied abroad and upon her return to this country, graduated from the Musical Art Institute, New York City. For a number of years she contributed to the Christian Science weekly and

from 7:00 o'clock in the forenoon until 8:00 o'clock in the afternoon, Eastern Standard Time (8:00 o'clock A. M. to 9:00 o'clock P. M., Daylight Savings Time) for the purpose of voting upon the following propositions:

1. Shall Section 22 of Chapter IX of the charter of the Village of Clarkston, Michigan (same being Act No. 3, Michigan Public Acts of 1895, as amended), be amended to read as follows:

Sec. 22. Should any greater amount be required in any year for necessary corporate purposes, than can be raised by the council under the foregoing provisions of this chapter, such amount may be raised by Tax if authorized by a two-thirds vote of the electors voting upon the question at an annual or special village election. The amount of the tax shall not exceed two per centum of the assessed valuation of the real and personal property in the village, as shown by the last preceding tax roll of the village. The village may borrow money and issue its full faith and credit therefor, for any purpose within the scope of its powers, if authorized by a two-thirds vote of the electors voting upon the question at an annual or special village election; provided, that no indebtedness shall be incurred by the village of bonds or otherwise, in a sum which, including existing indebtedness, shall exceed ten per centum of the assessed valuation of the real and personal property in the village as shown by the last preceding assessment roll of the village. Bonds issued in anticipation of the collection of special assessments shall not be included in this limitation and moneys on hand in a sinking fund limited to the payment of indebtedness may be treated as a reduction of such indebtedness to that extent?

2. Shall the Village of Clarkston, Michigan, borrow the sum of Thirty Thousand Dollars (\$30,000) and issue the bonds of the village, therefor, for the purpose of paying a part of the cost of acquiring Lot No. 115 of Assessor's Plat of Clarkston and Lots Nos. 18 and 34 of the supervisor's Plat of Northwestern Addition and Part of Original Plat, together with the structures thereon; and the appurtenances thereto, all in the Village of Clarkston, Oakland County, Michigan, to be used as a village hall and as public grounds?

The polling place for said election will be at the Village Hall in said Village.

Notice is Further Given that each of the aforesaid propositions will appear upon the ballot in form as above set forth.

Notice is Further Given that at a meeting of the council of the Village of Clarkston held on the 10th day of May, 1948, the said council did, upon

the approving vote of a majority of all its members elect, declare by resolution that it deemed it advisable to borrow the sum of \$30,000 and issue the bonds of the village therefor, for the purpose stated in the above mentioned bond proposition.

Mrs. Louise Smart and Mrs. Cecil McAnally assisted hospital chairman, Ruby Mackinder when they visited 32 veterans who were presented with peanuts, gum and magazines. The ladies represented V. F. W. Ladies' Auxiliary, Post 4102 of Drayton Plains.

Mr. and Mrs. F. W. Mackinder of Woodhull Lake spent the weekend at their cabin at Deer-hear Woods in Roscommon, Mich.

Mr. and Mrs. Jack Biber enjoyed the tulip festivities at Holland over the week-end.

Mrs. Grace Barnhart and daughter, Mrs. Charles Williams and granddaughter, Carolyn, spent Thursday in Lansing visiting O. R. Barnhart and Mr. and Mrs. Calvin Knowles. The occasion was Mr. Barnhart's birthday.

M. J. (Moe) Steln of Los Angeles, Calif. formerly of Drayton Plains arrived here Tuesday morning for a visit with old friends and neighbors.

Mr. and Mrs. Ralph Weiber and daughter, Lois, have returned to Pontiac after spending six months in Pomona, Calif. The Weibers were formerly of Warren Drive, Drayton Plains.

S/R Martin Weiber who left for the Navy at the same time his family moved to Calif. was home recently on a 12 day boat leave.

S/R Welberg has been training at Camp Downes, Great Lakes, and has returned with the expectations of being "shipped out." He also visited his sister, Mrs. Kenneth Culver and family of 3220 Warren Drive.

Miss Amanda Timm of Detroit was a Sunday guest at the L. G. Rowley home.

Mrs. Frank (Red) Rexford of Warren Drive was honored recently at a pink and blue shower at the home of Evelyn Lance on Warren Drive. Eighteen guests enjoyed playing appropriate games and presenting the honoree with many lovely gifts. A luncheon was served later in the evening.

The Pearl Sutton Missionary Society wishes to thank everyone for their contribution and interest shown in the evening worship service last Sunday night, as this was such a worthy project. The society realized \$45.52 for Inez Sutton, a teacher in Cairo, Egypt. More promises have been made for contributions for this project and anyone wishing to send Inez a gift contact Mrs. Ralph Shell, Chairman.

The children of Mr. and Mrs. H. E. Rexford of Midland Street are confined with Mumps.

Mr. and Mrs. Burl Morris and daughter, Judy, spent Sunday with Mr. Morris' mother, Mrs. Edna Morris, of Silverwood.

Mrs. May Hall is very ill and is in Pontiac General Hospital. She underwent surgery on Tuesday.

Roy Stroup, well known to all old residents around Waterford Township suffered a serious stroke on Thursday of last week while mowing his lawn. He is in Pontiac General Hospital and in serious condition.

Lyle Redmond of Cheeseman St. also an employee at Drayton Food Market is confined in Pontiac General Hospital with an ailment of the foot and leg.

Mr. and Mrs. Donald Rexford of Dixie Highway have moved to 100 Marion Street, Pontiac.

Dr. L. G. Rowley was moved to his home on Williams Lake Rd. last Monday evening after being confined and undergoing surgery at Ford Hospital in Detroit. He is reported to be coming along fine.

WATERFORD POST 431 PRESENTS "JUNE FROLIC"

The Waterford Township American Legion post 431 will have a June dance at the Old Mill Tavern on Friday evening June 4. Come and dance in cool comfort to the music of Bill Dobyns serenaders.

Tickets can be purchased from any legion member or at the door.

Proceeds from the dance will go into the legion building fund. You must be 21 to attend.

FACINGS WILL GIVE YOU NEW LOOK IF WELL CHOSEN

New hem facings to let down your last summer's dresses for that "new look" are popular with everybody these days. The question is—can you find them—and can you find the right kind?

If you have been lucky you have found a notion counter with a good supply. These facings are a big help to anyone interested in saving money and Jane Warden of the textiles department at Michigan State college, thinks you may be.

Check rayon seam bindings carefully. Some of it has raw edges that do not show up at first. That means that the binding was just cut off the required width and not woven with selvedges. You may not notice this when you buy it—but you will after you have worn the dress and find your hem pulling out because the binding has begun to ravel.

Facings come in several types and many colors. Usually they are cut on the bias and may be cotton or rayon. If you plan to face a cotton dress, a cotton facing is most desirable. The cotton dress has probably been washed several times and shrunk as much as it ever will. For this reason it is a good idea to shrink the facing before putting it on the dress. This is rather a nuisance at the time because the facing is not quite so easy to handle after shrinking. But the final results when you wash the dress will be much more satisfactory.

Rayon facings are desirable for use on rayon or wool and make a nice finish on the garment. Since the majority of facings are cut on the bias, be careful not to put them on too tight so that the hem will show when finished.

DRAYTON BOAT LIVERY

The former "Russ Bait House," located at the bridge in Drayton Plains, is now open to business, and under new management of the succeeding owner Mr. Gordon G. Best, of Grand Rapids. All manner of baits, live and artificial will be carried in stock, in their respective seasons, depending on their availability, and as the summer season creates a demand, the enterprise will offer dependable service "the clock around."

Reservations for boats are being taken now for "Opening Day, June 25", and increasing of stock and variety of practical fishing tackle is on hand for the needs and demands of the pleasure loving fishing public.

The management purposes to hold a reliable standard of business operation for the convenience of the patrons, and assures the old customers as good or better service in the future as they have enjoyed in the past.

"There is plenty fishing and boating sport to be had prior to the regular "Summer Season," these days," says Mr. Best, who will be pleased to meet past patrons along with the new ones. According to the listing on the 1948 license, quite a few varieties can be caught legally, in co-operation with the edicts of the local conservation department, at the present time.

Loon Lake has been quiet for the past few years, and plenty of the "Big Ones" have become "Grandpas" over and over again. With this in mind, new activities this season will bring the opportunities and fame to Loon Lake Fishing, possibly greater than in the years past. For the newcomers, let it be explained that Loon Lake has 5 sister lakes adjoining, from which their fishing pleasures can be enhanced, and their catches thereby increasingly assured.

JUNIOR NEW LOOK

CHICAGO — The New Look is found in children's fashions too, as shown in these misses' suits from a State Street collection. On the left, a dress-up suit with a yellow wool belted jacket and harmonizing gray and yellow checked ballerina skirt. Smart detailing is used in the gold buttons and checked piping on the collar and cuffs. On the right, a ballerina suit in Kelly green, which buttons right up under the Peter Pan collar. Both skirts will do double duty when combined with blouses or sweaters for school wear.

Gibson Tractors

terview with college and County Grass Day Committees.
Friday, June 11. Direct broadcast from Grass Day Demonstration on Middleton Farm over WCAR and wire recording for other Detroit stations to be broadcast Saturday morning.

LISTS GARDENING CHORES FOR JUNE

For home gardeners, the month of June means a little planting, a little pruning, a little watering, a little dusting and spraying, and lots of weeding. Jock Rose, Michigan State college gardening specialist says that all added together, it makes one of the busiest and most important months in the whole gardening year.
June 1-10: Time still remains to plant part of the spring garden and start to plant some of the fall garden. If tomatoes, peppers, eggplant, and tender flower annuals have not been set out, do so now. Make second seeding of corn and beans. Sow lima beans, pumpkin, squash, melons and cucumbers. Plant late potatoes. Sow seed of cabbage, broccoli, cauliflower, and brussel sprouts for fall crops.
Dahlias may be set out any time during June. Continue making gladiolus plantings at ten-day intervals up to the last of June.
June 10-20: Start dusting sweet corn with rotenone or three percent DDT to control corn borer. Make five applications at five-day intervals. Keep squash plants dusted with rotenone to control vine borer. Spray tomato blossoms with hormone spray for early fruit set.
Watch beans for Mexican bean beetle. Spray or dust with rotenone, covering top and underside of leaves for control. Dust or spray potatoes with mixture of DDT and copper dusts or bordeaux mixture.
Pinch back chrysanthemums to get bushy growth and abundance of bloom. Stake delphinium, hollyhocks and other tall perennials.
June 20-30: Stop cutting asparagus. Apply ten pounds of 10-6-4 or other high nitrogen fertilizer per 100 foot row. Watch for and remove suckers on lilacs, roses and any other graded trees or shrubs.

Water plants during dry spells. Be particularly careful to water newly set evergreens. Water-lawn thoroughly, soaking soil to depth of three or four inches. Don't just sprinkle.

As a concluding note, the horticulturist urges gardeners to battle weeds. June is the month to whip the weed problem. Weeds rob garden plants of food and moisture. Hoe them out, pull them by hand, get rid of the weeds. This is a good time to use one of the 2, 4-D sprays to destroy lawn weeds, too. Be careful not to get 2, 4-D on garden plants, however.

Keesler said today that approximately 1,200 applications for permanent dormitory space will be accepted from women planning to enter in September. About 600 of these are already on file.

The new accommodations for women have been made possible by completion last fall of Landon Hall, Yakeley Hall, finished during the current school year; and Gilchrist Hall, scheduled for completion this summer. By next fall, approximately 2,500 women will be housed in college owned facilities, including dormitories and cooperative house.

IN MSC HOUSING IT'S "LADIES FIRST"
It is "ladies before gentlemen" in the Michigan State college student housing situation.
New women students next fall have a very good chance of getting accommodations in newly completed brick dormitories. New men students, however, may find themselves assigned to Quonset Village or temporary quarters. Later on, they can be transferred to permanent dormitories.
