## Large Crowd At Banquet Last Week

A large crowd attended the Mother and Daughter Banquet at the Clarkston school last Thursday. This lovely, community affair was sponsored by the local O. E. S. chapter.

The tables were arranged in the auditorium and were attractive with low bowls of spring flowers. Lighted pencil tapers were used in the bowls of flowers and at the end of the tables were the large lighted candles. Each table had its own color scheme but all were in pastel shades. The places were marked with small dolls in pastel colors.

Everyone enjoyed the dinner, which was served family style so that everyone could relish a hot meal. The menu follows: tomato juice cocktail, roast beef, mashed potatoes, gravy, buttered corn, spring salad, relishes, rolls, ice cream and cake and tea, coffee and milk. Mrs. Walter Saxman gave the invocation.

A very fine program followed the dinner. Mrs. Stanley Craft introduced the toastmistress, Mrs. Henry Garter. A double trio sang two pretty numbers. In the trio were Mrs. Orlo Willoughby, Constance Spooner, Mrs. Howard Boyens, Barbara Broadway, Mrs. William Mansfield and Mrs. Kenneth Johnson. Adele Thomas played the piano accompaniment. Mrs. Glenn Johnson gave the toast to the mothers; Mrs. John Mann gave a tribute to the daughters and Lola Johnson, the tribute to the grandmothers. Gifts were presented to the oldest mother present. Mrs. Dickens, to the mother with the most daughters present, Mrs. Richard Lambert and to the youngest mother, Mrs. Cobb of Pontiac Lake.

Mrs. Garter then presented Reverend Cecelia Learn, pastor of the Methodist Church at Davisburg. Miss Learn gave a very lovely message and even the smallest child present paid strict attention and seemed interested in what she had to say. Miss Learn closed the program with the benediction.

## Obituary

Mrs. Lucy W. Teeple

Death came suddenly to Mrs. Lucy W. Teeple on Friday of last week. Mrs. Teeple was born in Groveland Township on June 16, 1867. Her husband, Frank Teeple, passed away 25 years ago.

Mrs. Teeple is survived by two sons, Ray Hibner of Milford and Willard Teeple of Davisburg; two daughters, Mrs. Vern Mills of Milford and Mrs. Ray Myers of Grand Blanc; 12 grandchildren and 2 great grandchildren.

The funeral service was held on Monday afternoon at two o'clock at the Sharpe Funeral Home in Clarkston with the Reverend Lisle Gonnens officiating. Burial was in White Lake cemetery.

Farmers and well-drillers are asked to inform The Detroit Edison Company when they plan to drill or repair a well located near electric wires so that the hazards of contacting them may be lessened.

"Well-drilling equipment coming in contact with overhead electric wires is particularly dangerous," said Robert P. Douglas, safety director of the company, "because men engaged in this operation are apt to be 'perfectly grounded.'" He stressed the necessity for care in selecting the site for the well and in placing the well-drilling equipment, since trees and dense foliage often conceal electric wires. Where drilling or repair work is to be done, the company stands ready to send an investigator to the site to give advice and assistance in avoiding possible electric hazards.

## Voters Turn Down Ford Purchase

By a vote of 82 no and 125 yes Clarkston residents turned down the proposed purchase of the Ford Property at the special election on Monday. A two-thirds majority was needed.

When the council first presented the question to the citizens in the spring it had carried. Then it was found that an amendment was needed to allow the village to borrow sufficient to buy the property. The second election found the voters in a changed mood.

## Vows Spoken Tuesday Afternoon

On Tuesday afternoon Julie Marie Edgar, daughter of Mr. and Mrs. William Edgar of Clarkston and Seigfried Rolland, son of Mr. and Mrs. Hugo Rolland of Milford spoke their marriage vows to Reverend Father Evans at the St. Michael rectory in Pontiac before the immediate families.

The bride given in marriage by her father, was smart in a white gabardine suit with navy and pink accessories. She wore a corsage of white roses.

Mrs. Richard Lawson was her sister's only attendant. She wore a light blue gabardine suit with white accessories and a gardenia corsage.

Mr. Rolland was assisted by Alvin Delisle as best man.

Immediately following the ceremony a wedding supper was served at the bride's parents' home. In the evening a reception was held at the Edgar home. The refreshment table was covered with a lace cloth and centered with a three tiered wedding cake. Mrs. Johnnie Walter of Ann Arbor, Julie's college roommate and Edith Schindler, her roommate since she has been teaching in Milford assisted with the serving.

Pink and white peonies were used in profusion throughout the house.

The newlyweds left for Madison, Wisconsin, where Mrs. Rolland will teach in a school for girls and Mr. Rolland, a graduate of Wayne University, will continue his studies at the University of Wisconsin where he has a fellowship and is working on his Ph. D.

The bride graduated from the Clarkston High School, received her bachelor of science degree at the Michigan State Normal college and took graduate work at Cornell University. For the past three and a half years she has taught in the Milford High school.

## W. H. Wilson In Charge of Office

Mr. Judson Bradway, President of Judson Bradway Company, Realtors, Pioneers in developing and selling Oakland County Real Estate since 1902, announces the appointment of Mr. W. Harold Wilson as their sales representative in charge of their new branch office at Williams Lake and Air Port Roads. The office is in Judson Bradway's Huntoon Lake subdivision, in which several very attractive new homes are being erected. Plans are being prepared for a fine new church, Christ Lutheran Church, on their block square site on Williams Lake Road, one block east of Air Port Road. With the increase in interest in home building and the active purchaser interest in new homesites, the services of this long established organization should fill a distinct need in the community.

Mr. Wilson, who is a native of Pontiac, has been a resident on Williams Lake for eight years where he resides with Mrs. Wilson and their two sons, David and Teddy, and thus is thoroughly familiar with the district.

Byron T. Miller flew from Colorado City, Texas, on Sunday to spend a few days with his parents, Mr. and Mrs. Seymour Miller.

Mary Jane and Bobby Jim Beattie spent part of the weekend in Ypsilanti with their sister, Ida May Beattie and Frank Richardson, who have just finished their first year at Cleary College.

## Graduate Honored At "Open House"

On Sunday afternoon Mr. and Mrs. A. B. Wompole held "open house" in honor of their daughter, Mazy, who received her bachelor of science degree in landscape architecture at the graduation exercises at the University of Michigan on Saturday, June 12th.

There were approximately seventy friends and relatives greeted Mazy, congratulated her, and wished her well in all of her future undertakings.

The refreshment table was very attractive. It was covered with a lace cloth and was centered with a flower arrangement emphasizing the college colors, the maize and the blue. The yellow and blue daisies, lemon lilies and the dark blue, garden lupine in a silver bowl formed the beautiful centerpiece.

Assisting with the serving were Mazy's college roommate, Betty Jordan of Maumee, Ohio, and her cousin, Claire Ann Warren, of San Leandro, Calif.

Among the guests besides Miss Jordan, Miss Warren and Ralph Knopf of Muskegon, Mich., were relatives from Perryburg, Ohio, and friends from Highland Park, Michigan, Waterford and Clarkston.

## Noted Marksman Stages Exhibition

America's foremost marksman, Herbert Parsons, will stage an exhibition shoot for the public Sunday, June 20, at 2 P. M. at David R. Wilson Sportsmen's Park, Waterford. The Oakland County Sportsmen's Club has arranged the program, and invites everybody.

Parsons, possessor of ability with shotgun and rifle for which every gun fan yearns, will demonstrate his ability with all models of Winchester shotguns and rifles at this event for which there will be no admission charge. His performance will begin at 2 o'clock but the sportsmen invite everyone interested to go early and take picnic lunches to Sportsmen's Park.

Parsons, whose home is in Somerville, Tenn., appeared before OCSO two years ago when some 18,000 club members saw him shoot. Ever since then the big Oakland County club has been trying to get him back so women and children as well as men and boys could see and meet this marvel of marksmanship. His appearance next Sunday at Sportsmen's Park will wind a 7-week tour of Indian Ohio and Michigan. He will go from Waterford to the west coast for similar exhibitions sponsored by Winchester.

His marksmanship is uncanny yet Parsons makes it appear simple. His feats include shooting through the hole of washers tossed in the air and then hitting the washers on either side as his audience directs. He keeps up a rapid fire explanation of guns and his procedure as he shoots, explaining safe handling of firearms and proper shooting stances. Vegetables and clay pigeons disintegrate in midair on some of his seemingly impossible shots.

## NOTICE

The elementary library at the school will be open every Wednesday morning from 11 until 12 o'clock starting June 23. The pupils of the elementary grades and the Junior High students are invited to make use of the library during the summer months. In fact the library board would be pleased if older students and other local townfolk would be interested enough in the library to make use of it during school vacation.

On Sunday Mr. and Mrs. Robert C. Beattie entertained at a birthday dinner honoring her father, Walter Whitfield of Waterford, who was celebrating his 81st birthday which occurred on Friday. Among the guests besides the Beattie family were Mr. and Mrs. H. O. Whitfield of Pontiac, Mr. and Mrs. Walter Hahn and Wallace Earl of Waterford and Janet Daigles of Detroit.

## Keego Harbor Gets First Licking

O'ROARK 8-4 SEVEN HIT WIN GIVES MERCHANTS THIRD WIN IN FIVE GAMES IN CENTRAL OAKLAND COUNTY LEAGUE PLAY.

By virtue of all around good team play, the merchants beat league leading Keego Harbor. Bill struck out eight batters and walked two. O'Roark was never in trouble after Clarkston had there big fourth inning and went ahead by the score of 5-2. The hitting honors went to Lyle Walker, who had two singles in four trips to the plate, and Clarence Krause, who had a double and single in five trips to the plate. Payton, started for Keego and was finished in the fourth by Wiest who finished the game for K. H. A. C. Russ Hester, doing the catching. O'Roark and Basil Ash worked for the merchants.

K. H. A. C. 000 210 010-474  
Clarkston 000 500 21-882  
Sunday the 20th at 2:30 P. M. the merchants have another home game and play host to the fast Troy Twp. nine at the Clarkston Diamond.

Everybody Come

## Mrs. D. Stackable Hostess To Club

On Tuesday night the Clarkston Rotary Annex met at the home of Mrs. Don Stackable with Mrs. Paul Henry as assisting hostess. There was a good attendance.

The meeting was opened by the president, Mrs. Robert Buehrig. Several items of old business were discussed and then Mrs. Buehrig expressed her appreciation for the cooperation she had received while in office. She then relinquished her chair to the new president, Mrs. Paul Henry. The group decided to have a picnic at the Ortonville State Park in July with their husbands as guests.

After the business meeting was adjourned Mrs. Buehrig was honored at a pink and blue shower. Just before the gifts were presented the hostess placed on the table in front of the honored guest a beautiful pastel blue pottery cradle filled with blue and yellow daisies and pink carnations. Dainty refreshments were served from a table with a pastel pink cover and centered with a pretty arrangement of gladioli and carnations in a crystal bowl flanked with lighted white tapers in crystal holders.

## Junior Club Has Annual Dinner

On Thursday evening of last week the Junior Literary Club had their annual dinner and theater party. They enjoyed dinner at Mayhans in Birmingham and then attended a theater in Pontiac.

The group presented the retiring president, Mrs. Harry Colwell and the sponsor, Miss Ada Sprace with gifts of appreciation for their interest and thoughtfulness during the past year.

The next meeting will be a picnic in August and that will climax the meetings until October.

## Auto Races At Milford, Sunday

This coming Sunday afternoon, June 20, the big cars will again roar around the 1/2 mile flat track at the Milford Speedway, Milford, Mich. Some of the favorite drivers who will take part are Carl Scarborough of Keego Harbor, Speed Wynn of Tampa, Frank Luptow of Detroit and Harry King.

There will be 7 events scheduled with a 20 lap feature. Qualifying will start at 12 noon and the first race will get under way at 2:30.

On Monday Mr. and Mrs. Byron T. Beardslee celebrated their 55th wedding anniversary. They enjoyed having dinner at the Fenelon Hotel with some of their family. In the group were Mr. and Mrs. Fred Beckman, Mr. and Mrs. Seymour Miller, Mr. and Mrs. Robert Compton of White Lake, Inez Miller, Byron T. Miller of Colorado City, Texas and Tom Boyer of Florida.

## Ortonville Centennial July 3, 4 and 5

On Saturday, Sunday and Monday, July 3, 4, and 5, Ortonville will celebrate its founding one hundred years ago. Residents will rejoice that they live there. Former residents will return to visit with old acquaintances. All will be welcome including the thousands who just attend centennial celebrations for the enjoyment of contrast.

Programs are scheduled for the three days, including addresses, parades, ball games, and church services. Costumes of 100 years ago will be worn as well as many with the "new look." Everything is being planned on such a grand scale that even Amos Orton founder of Ortonville, would be proud, if he were alive today, to think he founded the village in northern Oakland County.

Ortonville is located on M-15 about the same distance from Pontiac or Flint and can be reached on paved streets. Guests are invited to come in old fashioned costumes if they wish as long as they have a good time.

## Church News

## Tractor Show Held Wednesday

On Wednesday around 500 press and radio representatives from all over the United States attended the second Dearborn Motors tractor and farm equipment demonstration.

A dramatic touch added to the show this year featured sixty-four tractors attached to as many pieces of farm equipment all driven from a massed formation in single file before the reviewing stand.

Forty-seven new items had been added this year including a corn picker and grain combine. Anything can happen at such a show so 12 inch corn growing in the field was cultivated; the corn husker hauled a wagon nearly full of corn while more corn kept falling from the machine, where no ears had been picked up; and for the third touch of slightly out of season farming, the combine picked up and threshed windrow oats. It was pointed out that this was a record for this part of the country, threshing oats on the 18th of June.

Clarkston was represented by its president, Roy Alger; and its newspaper publisher Wm. H. Stamp. For medical services were Harry B. Yoh, M. D. and his daughter, Mrs. Frank Russell, R. N.

Clarkston can well be proud of this organization which not only gives work to many, purchases most of their farm supplies from Clarkston and advertises Clarkston in many of their national advertisements.

## Old Time Dance At Harmony Valley

The Harmony Valley Youth Hostel, 3/4 mile south of White Lake Road on Teggedine Road, will be the scene of an Old Time Square Dance to benefit the hostel on this Saturday evening, June 19th. Dave Palmer of the Ann Arbor Hostel group will be the caller. The dancing will start at 8:30 P. M. There will be instruction for all, beginners and experts.

Residents of Oakland County are especially invited to "swing your partner" and get acquainted with the headquarters of the Harmony Valley Youth Hostel. Justin J. Cline, executive director of the Metropolitan Detroit Council of the American Youth Hostels, Inc., will be on hand to show a short color movie explaining the outdoor program of hiking, biking, canoeing, horseback riding, and skiing trips sponsored by the Youth Hostel Association.

Hosts for the occasion will be Mr. and Mrs. Bruce Siddall, directors of the Harmony Valley Folk Arts Center, and houseparents for the Harmony Valley Hostel. Chairman of the evening is Mable Beth Sealey, co-chairman of the Trips Committee for the Detroit Youth Hostel Council. The program for the evening will include a 6:15 p. m. picnic for all those who bring picnic supper. At 7:30 p. m. the committee for the Harmony Valley Hostel will hold a brief meeting to complete summer plans for the hostel.

There will be delegations of hostellers from Grand Rapids, Flint, Toledo, Ann Arbor, Pontiac and Detroit attending the festivities. For further information, contact Mr. and Mrs. Bruce Siddall, phone Clarkston 5488 or Justin J. Cline, Room 307 Phillips Bldg., Detroit, phone Cherry 7150, ext. 53.

## Rotary Club News

The Clarkston Rotary Club attended the inter-city meeting of Rotary at Indianwood Club, held Monday, as did Waterford-Drayton, Ortonville, Orion and Oxford Clubs.

The speaker was Past President of Rotary International, Richard Hedke, of Detroit, who spoke of some of his travels in Europe and the experiences of reestablishing Rotary Clubs since the war.

Joy Elaine and Dianna Owen of Auburn Heights are spending the next ten days in Clarkston with their grandparents, Mr. and Mrs. Lee M. Clark, while their mother, Mrs. Edward Owen visits Mr. and Mrs. Earl Freeman in San Diego, California. Mrs. Owen boarded a through plane for the western city on Wednesday.

There is a nursery for the children 6 years and under. Choir gathering at the home of Mr. and Mrs. Ivan Rahm on Sunday afternoon.

Luther League meeting at the home of Kenneth and Harvey Craft at 7:00 Sunday evening with the 1948 confirmation class as guests. This will be an outdoor meeting.

Choir rehearsal at the home of Mrs. Martin Wager at 8:00 Thursday evening.

## By the Way . . .

The writer never knew until yesterday that a red bandanna around a farmer's neck means that he is a dirt farmer while a blue one indicates he is a city farmer. At least that was the comic description given at the tractor demonstration on Wednesday. Every guest at the show wore a bandanna--the writer wore a red one, and he couldn't be persuaded to even work a garden. . . . Ortonville is really planning a centennial on July 3, 4, 5. The sign on the rear bumper of the News car perhaps acknowledges that we are boosting the affair and perhaps is worn because the writer is publicity manager for this grand American custom of celebrating birthdays of the various towns in this country. . . . We did get a new subscriber this week. . . . A rich man hires a secretary, chauffeur, valet, butler, housekeeper, maid, and cook. A poor man gets married.

## Dr. L. Sale-Harrison To Speak Here

Dr. L. Sale-Harrison is returning to Clarkston for another of his famous Bible Conferences. He will begin next Sunday at the morning service and will continue through, except Saturday, each evening of the week at 8 P. M. Dr. Sale-Harrison was here last year July 13 to 20. The meetings will all be held in the First Baptist Church of Clarkston, but many other churches will be co-operating.

Dr. Sale-Harrison, B.D., D.D., F.R.G.S., is the author of many books on prophecy. He is a distinguished student of international affairs, especially in relation to Bible prophecy. His ministry has taken him into many parts of the world. . . . travelled the globe three times. As a keen analyst of world events, with a gift for Bible exposition, Dr. Sale-Harrison will present unique and outstanding messages each evening. His heart and life are saturated with the Word of God.

Dr. Sale-Harrison has announced the subjects for next Sunday and for each evening's service. They will be found in the church news. The music of the conference will be under the direction of Mr. and Mrs. Stewart Davis of Pontiac. Several choirs from nearby villages and cities will assist.

While in Clarkston, Dr. and Mrs. Sale-Harrison will be entertained at Green Acres.

## Propaganda A-la Love

Our Johnnie had a birthday. He hoped to get a bike. For weeks he covered dad with smacks.

The scheming little tyke. He dropped the word to everyone, That if the bike of red Could not be had he'd sacrifice, And take a gun instead.

His dad accepted every hug, And chuckled to himself, He knew he couldn't hold out long Against the winsome elf.

One week before the birthday came The bike was stored away, And dad as anxious as the boy Awaited the big day.

Dad planned to rise in time to see The look on Johnnie's face When he found the bicycle Hid in its secret place.

But his slumber was disturbed By boyish shouts and squeals, The sight seen from the window Was one of boy and wheels.

When other gifts arrived that day, To help add to his fun, Lo! and behold he found someone Had brought the water gun.

And when the day was over, And Johnnie's prayers were said, He dreamed about the water gun, And bicycle of red.

His face in sleep was still aglow With blissful happiness, Love had made his day of birth, A wallowing success.

Margaret Ann Beattie

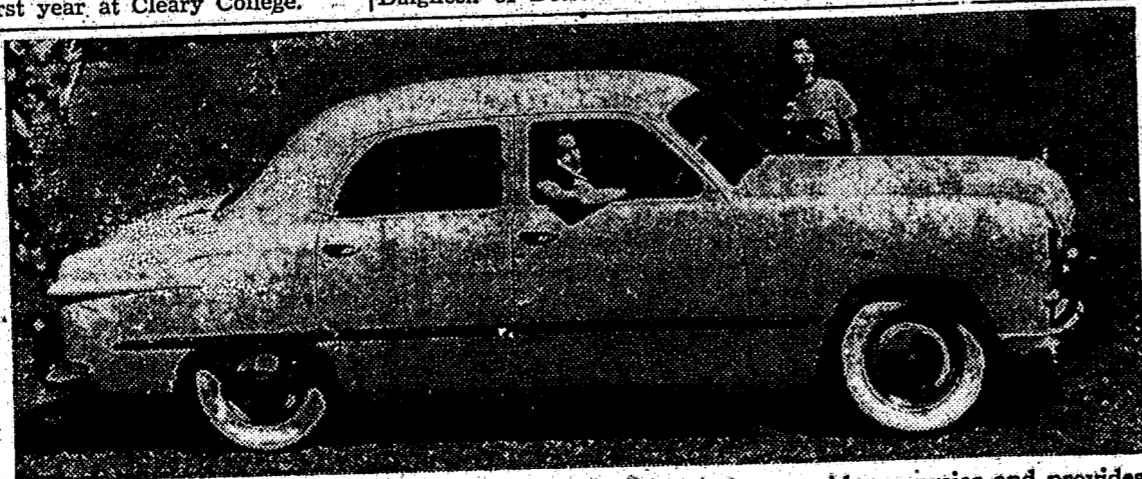

## Holly Theatre

Fri. Sat. June 18, 19  
Bill and Co. Bird Picture in Technicolor.  
Ralph Byrd and Lyle Latill in Dick Tracy's Dilemma

Sun. Mon. June 20, 21

### Waterford

Mr. and Mrs. Louis Hillman held open house before and after the Baccalaureate service on Sunday, for their daughter, Shirley Gesch. Thirty-three relatives and friends were present. Shirley is a member of the first graduation class of the Waterford Township High School which graduated on Wednesday.

Forty-two seniors graduated Wednesday in the first commencement exercises to be held at Wat-

erford Township High School. Special music was furnished by the township schools orchestra and Mrs. Roy Olson. The guest speaker was Dr. Judson Foust, assistant to the president of Central Michigan college. The program included a short talk by superintendent William Shunk. The class was presented by Principal Don C. Weaver and diplomas presented by Jayno W. Adams, president of the board of education. The Reverend Philip Jordan delivered the invocation and benediction.

The Baccalaureate service was held on Sunday evening in the Drayton Plains Presbyterian Church. The Reverend Court O. Adams of First Christian Church, Pontiac gave the address and Rev. Wright VanPlew of the Waterford Community Church gave the invocation and benediction. The service included musical selections by Mrs. L. G. Rowley and Matilda Nielsen.

The graduates included: Erma Brill, Nancy Brown, Naomi Cheslik, Philip Christos, Joan Clark, Helen Cleveland, Jack Cooper, Joyce Cooper, Joyce Crothers, Joyce Davidson, Martha David-son, Bill Flippo, Shirley Gesch, Lucille Hanggee, Edward Hunt, Anna Jarfard, Eugene Johnson, Joyce Lance, Jean Larkin, Kathleen Leslie, Pat Linard, Vida Long, Helen Lumby Marianne Marshall, Lucetia McEvers, Virginia Morse, Robert Motley, Paul Neff, Nancy Nelson, Ted Pearson, June Pratt, Ruth Ann Robb, Joyce Rogers, James Rohm, Gentrude Scaff, Norma Shelton, Nancy Turnbull, Ellsworth Watchpocket, Nancy Weiler, Rosemary Wilson, Audrey Wilson and James Younger.

The Waterford village Girl Scout troop No. 2 met for their last meeting of the school year on Thursday, June 10th. This troop of 14 girls welcomed 8 new Brownie Fly-ups - Nancy Lamberton, Judy Turner, Joanne Lowry, Janice Gidley, Jane Ann Russell, Susan Canfield, Janet Hudson, Peggy Lutz. These girls will work on their second class badges during the summer. The original members of the troop are completing their second class badge work and working on their tree badge, metal badge and music badge. Mrs. Stanley Hawkins is the leader of this troop.

At the annual township school district election on Monday Helen Vann was elected and Jayno W. Adams was reelected to the board. The proposition to increase the taxes to pay a part of the cost of erecting and furnishing the first unit of a new high school and to pay principal and interest on bonds to be issued for the remainder of the cost was defeated. The Waterford-Drayton Rotary Club, along with the clubs from

Oxford, Ortonville and Clarkston, were guests of the Lake Orion club at the Indianwood Country Club near Lake Orion on Monday evening. Richard Hedke, Past President of Rotary International was the speaker and kept his audience spellbound while he related a recent trip which he and Mrs. Hedke had taken through Eurasia. He told of the welcome they received in all of the countries they had visited. Many places were familiar in Bible history. Past District Governor Joe Brady was also a guest.

Richard D. King, son of the late Frank King from Poughkeepsie, N. Y., visited relatives here last week. He enjoyed a visit with his uncles Percy, Irving and George King and families. He was here all week.

The Ladies' Guild of Christ Lutheran Church is sponsoring an ice cream social on the church site on Williams Lake Road on Friday evening, June 18th from 7:00 until 9:00 for the benefit of the building fund.

The Ladies' Guild of Christ Lutheran Church is sponsoring a bake sale at Jacober's Market on Saturday, June 26th.

Summer house guests at the home of Mr. and Mrs. Arthur Walter are Mrs. Walter's sister and husband, Mr. and Mrs. F. Brown of California, Mr. and Mrs. D. Blackburn of Kansas City, Mo., friends of the Browns, were also guests at the Walter home for a few days this week.

Billy Ryan, son of Mr. and Mrs. W. K. Ryan, has been confined to his home because of illness the past few weeks. We all hope to see him out again very soon.

Mrs. Ada Campbell's and Estella Burnett's eighth grade pupils enjoyed a swimming party and picnic at Willow Beach on Monday.

### Community Activities

Community party at 8:30 Friday evening which is open to the public.

Modern and old time dancing from 9:00 until 1:00 Saturday night. Good floor and very good music.

All of the ladies in the community are invited to attend the anniversary party at the Community Library on Monday at 1:00. This will be the first anniversary of book reviews as well as the anniversary of the library. The proceeds from the Tea will help to decorate the library and purchase items needed there. Mrs. A. J. Holstein will give a preview of

books in the library which will make interesting reading during the summer. Dorothy Hansen, head of the children's reference and traveling libraries from the Michigan State Library will also be present.

Waterford-Drayton Rotary Club dinner and meeting, Tuesday noon.

Drayton Plains Exchange dinner and meeting at 6:00 Tuesday evening.

Boy Scout meeting at 7:30 Tuesday evening.

Don't forget the "Get Acquainted" party on Wednesday evening which will begin at 6:30 with a pot-luck supper. This is for everyone in the community and will include games, dancing and story telling for the little folks. There will be no expense connected with the party. Each family attending is asked to bring their own table service, and sandwiches. This is open to non-members of the Club as well as members in order to give everyone an opportunity to see what a wonderful building we have and also to get better acquainted.

The O. D. O. Club will meet at the home of Mrs. William Schultz next Thursday for a pot-luck picnic and meeting.

Jerry Root conducted the monthly membership meeting of C. A. I. last Thursday evening. It was announced that 9,296 persons attended the Saturday evening dances from January first through May 31, not including the New Year's Eve party. There was a total of 22 dances. Mrs. O. L. Siegman gave a splendid library report and would appreciate having persons call her if they are able to spend a few hours one day a week during library hours. Mrs. Jack Hall announced the "Get Acquainted" party for June 23 which is open to everyone in the community. Root announced that C. A. I. is now sponsor for the Boy Scout troop 31 which meets in this building each Tuesday evening.

There are now over one thousand and good books in the library which may be borrowed Friday and Saturday evenings as well as during the work periods from 2 until 4 each Wednesday afternoon. Mrs. O. L. Siegman, library chairman would appreciate having persons who are interested in working in the library a few hours a day once a week to call her and she will make arrangements. With enough help the library can be open several days a week. A loan of over a hundred State Library books came in this week and will soon be on the shelves for six months before they have to be returned.

### FARM WOMEN'S WEEK

Farm Women's Week which is an annual affair will be held at Michigan State College from July 19 through 23 this year. The con-

ference theme will be the home-maker's part in the world today. Very outstanding speakers will participate in the week's program.

Each county in the state is allowed a number of reservations according to the number of home extension clubs in the county. Oakland County is allowed forty-three reservations for Farm Women's Week.

These reservations made by the various clubs in the county should

be in the office of the Home Demonstration Agent, 1 Lafayette Street, Pontiac, not later than July 1.

Joe Lee, Houdini's former publicity director reveals why Houdini was so successful and how he performed some of his amazing feats. Don't miss "I Knew Houdini" in The American Weekly, the great magazine distributed with Sunday's HERALD-AMERICAN.

## ADVICE ABOUT KEEPING WELL

★ "The man who thinks to conserve his health by uselessness and ease does not differ from him who guards his eyes by not seeing, and his voice by not speaking. . . . Least of all is it to be assumed that laziness is healthful, if it destroys what health aims at; and it is not true that inactive people are more healthy."

This excerpt from Plutarch's essay *Advice About Keeping Well*, written over 2,000 years ago, might have been written yesterday. Had medicine and pharmacy been well developed then as they are today, we are certain it would have stressed the value of a periodic physical examination by a qualified physician. By the same reasoning, it is wise to take your prescription to a registered pharmacist for expert compounding. We are prescription specialists.

From where I sit... by Joe Marsh

### How to Live Longer

Someone asked Pappy Miller last week how he stayed so spry at ninety. Pappy told him:

"Well, sir—when I work, I work hard. When I set, I set loose. When I think, I go to sleep."

According to Doc Hollister, that formula isn't far amiss. "Hard work," says Doc, "never wore out anyone before his time, providing he knew how and when to relax."

Doc himself works overtime, with his daytime patients at the office, and his evening calls. And

when he gets home he takes it easy with a mellow glass of beer and chats with the missus until it's time to go to bed.

From where I sit, relaxing is a fine art—especially in these tense, fast-moving times. And there's nothing like a temperate glass of beer—enjoyed with pleasant company—to restore that easy frame of mind that one needs after a hard day's work.

Joe Marsh

### Waterford

Mrs. George Kimball will entertain the Good Will Club at her home on Thursday, Mrs. Percy Hunt and Mrs. Lyman Grist will assist Mrs. Kimball.

Mrs. Martha Larabee of Grand Rapids has been visiting her brother-in-law and sister, Mr. and Mrs. Fred Mitchell. Mrs. Ralph Shell and baby son are also guests at the Mitchell home.

Mr. and Mrs. John Miller spent the weekend at Ovid with Mrs. Miller's cousin, Mrs. Verne Temple.

Ten MOMS gathered at the home of Mrs. Murdo McDonald Wednesday afternoon for pot luck dinner business meeting. Mrs. Henri Buck conducted the business meeting during which time the annual election of officers was held with Mrs. Buck being elected president; Mrs. Clifford Wood, vice president; Mrs. Henry Mehlberg, secretary; Mrs. James Saylor treasurer; Mrs. Lester McFarland financial secretary; Mrs. L. T. Kaines, historian; and Mrs. Maude O'Connor, publicity chairman. The group to take baskets of articles to the veterans at the Dearborn veterans hospital on June 15 will include Mrs. O'Connor, Mrs. Frank Schultz, Mrs. Clinton Armstrong, Mrs. McDonald, and Mrs. Buck. The group to go on July 13 will include Mrs. Armstrong, who is chairman of the hospital project.

Mrs. Saylor, Mrs. Robert Van-Marier, Mrs. Armstrong, and Mrs. Schultz. The next meeting will be at the home of Mrs. Armstrong on July 14 and will include a pot luck dinner at 12:30.

Mr. and Mrs. Danes Kenitell and family left last Friday for California. They plan to visit several western states in nearly four weeks.

Mrs. William King returned home last week from Hudson where she had been visiting her daughter and son-in-law for about ten days.

Linda Jane Myers is home for the summer after having spent the school year at Ypsilanti.

Jack Saylor, Donald Beedle, and Jack McCaffrey are home from school for the summer. The three boys attended school at Bowling Green, Ohio.

Mrs. Ida B. Hayes of Casper, Wyoming was a recent guest of her niece and nephew, Mr. and Mrs. Frank Schultz.

Mrs. Roy Pammenter spent last

Wednesday at Oxbow Lake with her daughter, Mrs. Robert Sievers. Many Waterford friends have enjoyed visiting with Mr. and Mrs. George Sutphen and their son Dale. The Sutphen's are here from Arizona.

### VETERAN'S FACILITY ADDITION TO BE OPENED SOON

The second 250 bed domiciliary building of the Michigan Veterans' Facility's modernization and expansion program is scheduled for completion next month. This unit will be similar to the R. V. Gay Memorial Building, now occupied, in design and interior furnishings, with floors decorated in a different color tone and a different type furniture in the rooms on each floor. These 500 new beds will enable the Grand Rapids Facility to care for 1,100 disabled veterans in its general hospital and domiciliary divisions.

The Facility has enlarged its reciprocal exchange of patients arrangement with the Dearborn Marine, and Percy Jones hospitals, with a continual transfer of patients between these institutions. No other veterans' care facility in the state of Michigan offers domiciliary care for the disabled veteran unable to follow a gainful livelihood.

The bill to increase federal aid paid by the United States Veterans Administration from \$800 to \$500 per year was signed by President Truman on May 19, and went into effect on June 1. This increased participation by the Federal Government in financing will continue to be important as the Facility's population increases.

Governor Sigler has appointed Joseph W. Mann, of Detroit, past department commander and present state service officer of the Veterans of Foreign Wars, to the Board of Managers of the Facility to fill a vacancy created by the resignation of Thomas S. Higgins Lansing whose health condition would not permit his further service on the Board.

### EXTENSION CLUBS MEET AT WALDENWOODS

The annual camp of the extension clubs of Ingham and Oakland was held at Waldenwoods Camp, near Hartland, Michigan.

Two members of the Home Demonstration Executive Council of each county and the home demon-

stration agents, Mrs. Lowena Murphy of Ingham and Miss Josephine Hoke of Oakland planned the Camp activities at a meeting in Howell, May 3.

Registration at the camp was from 1:30 to 3:00 P. M. Wednesday, June 9. A day at the camp consisted of group discussion, craft work, group singing, nature hikes and vesper services. Thursday night, June 10, Mrs. Howard Wilson directed the folk dance. Friday night, June 11, Mr. H. J. Hart, County 4-H Club Agent of Livingston County, called the square dance. Craft consisted of weaving and knitting, etched aluminum trays, hammered, sequin work and stencil painting.

Mrs. Lennah K. Backus of Michigan State College, Specialist in Child Development and parent Education led group discussions. Miss Rachel Markwell, State Leader of Home Demonstration Agents attended the camp also.

A surprise program called the Hint Hunt program was carried out Saturday morning, June 12. Also on Saturday, all craft work was finished, and an evaluation of camp was made.

### MILK PRODUCTION SHOWS INCREASE

An increase of 32 cents per hundred pounds in the wholesale price of Class 1 fluid milk producers supplying the Detroit market, went into effect on June 10, according to an announcement by Howard F. Simmons, Secretary-Manager of the Michigan Milk Producers Association. The raise brings the price paid farmers for milk sold in bottled form up to \$5.22 a hundredweight, F. O. B. Detroit. The new price helps in some measure to bring the inspected milk price more nearly in line with other commodities, including farm products, and should prove a factor in stimulating milk production and inducing farmers to continue in the milk business, stated Mr. Simmons.

With the coming of warmer weather and ample pasturage available, production of milk in the Detroit producing area showed a marked increase in May, coming within one and a half per cent of the 1947 figure. The increase was attributed entirely to cows being turned to pasture as the number of shippers declined by 429 farmers, but each one shipped 34 more pounds of milk per day than last year. Simmons pointed out that in order to stimulate fall production, producer prices must be maintained at a level which will discourage the further slaughtering of dairy cows at high beef prices and also provide an incentive for more farmers to enter the inspected, fluid milk market. Constantly rising prices of every commodity the farmer must buy ever mounting wages for labor and feed scarcities, have all worked together to make milk pro-

duction unprofitable, explained Mr. Simmons. He feels that this price increase is the initial step in protecting the milk market by keeping the dairy farmer's income more nearly in line with our inflated economy.

## It's the '49 FORD

## It's The Car of the Year!

We'll have it Friday... The Car of the Year, the Ford Forty Niner! It's the one and only NEW car in its field, and you can see it at four showrooms Friday! There never was an automobile like this before. There is no other like it today.

The revolutionary, new '49 Ford is a complete break with the past. It was designed by you—all the way through. Yes, in surveys, letters and personal interviews, you told Ford what you wanted. And it's on its way! It looks like a custom-built car!

Just for the thrill of it, look at the list of new features. And for an even bigger thrill—your biggest thrill of the year—see the '49 Ford, "The Car of the Year", at our showrooms Friday!

It Will Be  
At Our  
Showrooms  
June 18!

NEW! You wanted ROOM. So we gave you a 57" front, and 60" rear seat, new frame, extra head room.

NEW! You wanted SAFETY. So we gave you a 59% more rigid "Life-guard" Body, "Magic Action" King-Size Brakes, and new "Picture Window" Visibility.

NEW! You wanted COMFORT. You GET comfort in a new "Mid Ship" Ride, new "Hydra-Coil" Front Springs, "Para-Flex" Rear Springs.

NEW! You wanted ECONOMY. New V-8 and SIX engines. Up to 10% more gas economy. (Up to 25% greater savings with new Overdrive, optional at extra cost.)

NEW! You wanted BEAUTY. Well, you'll see for yourself June 18! It's "The Car of the Year!"

star for 1 year. Each one on the committee and also the leader were presented with corsages.

The girls receiving their flower pendants were: 3 year, Florence Liskey; 2 year, Jane Ann Russell; 1 year, Susan Canfield, Kay Johnson and Janice Barnes. New girls officially taken into the troop were Colla Anderson, Sandra Crothers, Gweneth Hawkins, Georgia Lee Kizer, Carol Kratt, Joanne Smith and Linda Turner. Girls receiving their "wings" and graduating into scouting were Susan Canfield, Janice Gidley, Janet Hudson, Nancy Lamberton, Joann Lowry, Peggy Lutz, Jane Ann Russell, Judith Turner and Nancy Winslow.

Florence Liskey and Judith Turner were presented a gift for perfect attendance for one year and Shirley Gesch was presented with a graduating gift from the troop. A gift of money was presented to Mrs. Hawkins and her girls for the nine girls' membership fee.

Each girl took part in the candlelight service to mark the fourth anniversary of the troop. Each girl received a small token.

The program closed by the girls forming the friendship circle and singing "Taps". Ice-cream and cake were served.

The fifth grade of Mrs. Lawrence Giddings' Sunday School class met at her home last Wednesday after school and made and packed fudge for shutins.

The fifth grade pupils of the village school honored their much loved teacher, Mrs. James Sutton on Monday afternoon. The occasion was in celebration of her twenty-eighth wedding anniversary which she observed last Friday. The pupils presented her with two beautiful corsages and served special refreshments.

You are asked to remember the Ice Cream Social which the Ladies' Guild of Christ Lutheran Church is sponsoring this evening on the church site on the Williams Lake Road across from the Drive-in Theatre. The proceeds are for the

## TURNING NIGHT INTO PLAY

There'll be no 10 o'clock shadows at Briggs Stadium this season. The world's most modern lighting system brings night baseball to Detroit—the kind of lighting you'd expect in the finest ball park in America.

Bright enough for a batter... yet free from the glare that can cause an outfielder to lose a high fly.

In planning the Stadium's new lighting, engineers worked a double play to insure dependable illumination. In addition to the underground cables carrying electricity to the eight light towers, a standby system of overhead wiring has also been installed. It's another example of how electricity can be almost as effective—and almost as reliable—as the sun itself.

### BRIGGS STADIUM LIGHTING FACTS

• The Stadium's lighting plant includes 1328 1500-watt and 58 1000-watt floodlamp bulbs.

• Wrigley Field in Chicago is now the only major ball park in the country without lighting facilities.

• Tigers have 14 night games scheduled as follows:  
June 15, July 30 (Athletics);  
June 18, July 27 (Red Sox);  
June 23, Aug. 3 (Yankees);  
June 22, Aug. 6 (Senators);  
June 30, Aug. 9 (Indians);  
July 7, Aug. 20 (Browns);  
July 9, Aug. 17 (Chicks).

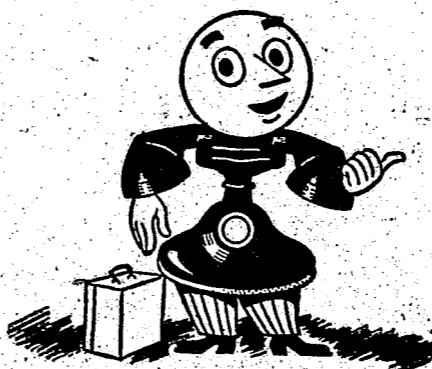

NOW PITCHING—

... a star performer  
in every circuit!

The DETROIT EDISON Co.

## Rural Tele-news

**HITCH HIKE:** Telephone conversations "hitch" rides on an electric power line near Crystal Falls in the Upper Peninsula, by arrangement with the power company serving the area. This new system supplies telephone service for farms that have electric power but are far from telephone lines. Most farm families, however, will still be served by regular telephone lines.

**POLE PASTURE:** Bell Telephone Laboratories have "planted" hundreds of telephone poles in an experimental field for exposure tests of 10 to 50 years. Soaked in various preservatives, the poles are tested for reactions to earth dampness, hot sun, frost and damage by fungi and insects. Findings help preserve the life of the more than 15 million poles now in service in the U. S. A.

**WORKING DOLLARS:** Americans in all walks of life, who invest their savings in telephone securities, make it possible for us to give you more and better telephone service. Their money is used to expand the telephone system... increasing the value of your telephone by providing more telephones that you can call.

MICHIGAN BELL TELEPHONE COMPANY

Our \$13,500,000 post-war rural construction program means more and better rural telephone service

## Drayton Plains

The Woman's Missionary Society of the United Presbyterian Church of Drayton Plains was entertained on Thursday evening

at the home of Mrs. John Watkins. Thirty-four members and guests enjoyed a fine program on Hawaii arranged by Mrs. L. G. Rowley. It was brought out by circle questions and answers on how Hawaii

was discovered and how the way was opened for christianity, also the present day problems in Hawaii. A very interesting devotional service was led by Mrs. Estelle George who took her scripture from John 7: 37-39 and Ephesians 5: 15-20. The next meeting has been planned to be a picnic on July 8th at the home of Mr. and Mrs. Russell Maybee, with all members of all the missionary societies and their families as guests.

Mrs. Minnie Phelps has moved back to her former home at 3280 Sashabaw Road. She is having as her guests for several days, her daughter, Mrs. Gordon Pratt and two sons of Lakeview, Mich.

Mr. and Mrs. Harold Meston and family have moved from the Phelps' house to their new home on the corner of Seeley St., and Walton Blvd.

Mr. and Mrs. Walker Morris of Dixie Highway are vacationing in Daytona Beach, Fla.

Mr. and Mrs. Charles Nolan and son, Tommy, have gone to White Lake to stay temporarily with her parents, Mr. and Mrs. Lloyd Bowden, due to the illness, (rheumatic fever) of Mr. Nolan.

Richard Surre of Richalva Ct., underwent a major operation at St. Joseph Mercy Hospital on Tuesday.

Mr. and Mrs. Joseph Kelly of Mt. Pleasant spent the weekend and a few days of this week with Mrs. Enola Kelly and Mrs. Frank Jones.

Mrs. Cora Griffith of Highland Park is a house guest at the home of her son, Charles Griffith and family of Sherwood Drive.

M. J. Stein who has been visiting friends here for the past three weeks returned to his home in Los Angeles on Tuesday.

Mrs. Frank Sutherland of Warren Drive received word last Friday afternoon of the death of her father, Henry D. Lawrence of Ypsilanti, who had been killed instantly in an automobile accident.

The Blue Star Mothers, Chapter 10, held their social and business meeting in the school auditorium on Thursday evening. Mrs. Eugene Becker, Mrs. Stuart Tody and Mrs. A. B. Warner were hostesses.

Plans are in full swing for the memorial for World War II veterans to be erected soon and the location has been selected awaiting approval. This is a big project that has been conveyed by the Blue Star Mothers, chapter 10, of Drayton Plains. The group has worked hard to raise money for this memorial and on Saturday, June 19th they will hold a bake sale at the Drayton Soda Grill beginning at 10:00 a.m., with Mrs. Eugene Becker and Mrs. Frances Stewart in charge. Funds will be used toward the dedication pro-

gram for the erection of the memorial to be held soon. All former Blue Star Mothers' donations and help would be appreciated.

The adult Bible class of the United Presbyterian Sunday School will hold their picnic and meeting on Friday evening at the home of Mr. and Mrs. Russell Maybee. A pot-luck supper will be served.

Beginning Monday, June 21 and continuing through July 2 from 9 to 11 a. m. a community vacation Bible school will be conducted for all children between the ages of 4 and 14 in the Community United Presbyterian Church.

## "I KNEW HOUDINI"

How did Houdini live while entombed under water? How did he expose "Margery" Crandon, the fake medium? **Kroger**

A Friend  
in Need

Marooned by flood waters in Cynthia, Ky., a Kroger driver put himself and his truck at the service of the community. He spent two days moving personal property and furniture of flood victims to safety, thus preventing thousands of dollars of loss. This service was unusual only because the opportunity was unusual. Kroger people are always ready to serve... in times of crisis or calm.

### Registration Notice For School Electors

The first day of registration for electors in the Clarkston Public School District will be Friday, June 11th, at O'Dell's Drug Store. Voters may also register at the business place of Ainsley-Henry, corner of Main and Washington Streets, on Saturdays and Monday through Saturday at 6542 Church Street, Clarkston. The final day will be Saturday, July 3rd, 1948.

Voters who have registered prior to June, 1948 must have voted in one of the last two annual elections or registered to remain a qualified school elector.

At the election, Monday, July 12th, in addition to the election of a trustee the question of bus transportation for pupils within the district living a mile or more from the school will be voted upon by all registered taxpayers.

ORLO J. Willoughby,  
Secretary, Board of Education

**PINT SIZED PONY.** Charles Stewart of Bargersville, Indiana, is proud of "Pistol" who weighed 30 pounds and stood 25 inches at birth last year. The mother, "Penny", is a 7-year-old Shetland and "Pistol" was her first foal.

## STARTED CHICKS!

2 to 3 Weeks Old---Top Quality

Yes, you still have time to raise a money-making flock of pullets. Get Boote's started chicks — big, strong, husky, well-feathered chicks, full of pep and vitality. From selected, pullorum-tested breeders. High producing strains. Avoid early brooding risks. Satisfaction assured by Boote's 23 years of experience. Write today for listings and prices.

**Boote's**  
HATCHERIES, INC.  
Worthington, Minn.

**BEATS INFLATION.** William Houck, Jr., Williams County, Ohio, is beating inflation the easy way. Of the five grade Shropshire ewes which lambed this season, one has had quadruplets, two have had triplets, one twins and one a single lamb.

HARVESTING CELERY on the farm of Andrew Gilder near Zeeland, Michigan.

TRAVEL IN STYLE. Folks looked twice when this "rig" pulled into Carson City, Michigan. Driver and owner of the ox team is Bob Gallagher, who stands by the team. Passengers are Kenneth and Jim Kelly, Pat Kavanagh, and Don Smith.

CALF TRAVELS BY AIR. Ken Garriott of Greenwood, Indiana, landed his "cargo" of one calf in the field of his father's farm near Salem, Indiana. The calf was a gift for his 12-year-old brother, Sheldon.

WOMAN EXECUTIVE. Miss Eleanor Reppert of Decatur, Indiana, took over the job of general manager of The Reppert Auction School when her famous father, Fred Reppert, world renowned auctioneer, died suddenly some time ago. She has made good in a great big way.

## ARE YOUR HOGS GETTING ENOUGH SALT?

### Try this simple test

Throw a handful or two of salt to your hogs. If they are getting enough, they'll ignore it. If not, they'll relish it, a signal to give them salt free choice.

Most hogs don't get enough salt. Yet, like all livestock, they need it. It is not enough to balance hog rations with tankage and other meat by-products, high in salt. Purdue tests show that hogs need additional salt. Today, when hog rations are balanced largely with vegetable proteins, low in salt, the need is even more acute.

#### Salt Stimulates Digestion

Livestock need salt for its sodium and chlorine — sodium for complete, economical digestion of fats and carbohydrates; chlorine for hydrochloric acid to convert feed proteins into body tissue. Salt is the most essential mineral.

#### Feed Salt Free Choice

The best way to feed salt is to feed it free choice. The best salt to feed is Morton's Free Choice Salt, especially developed for livestock, and now formulated to remain non-hardening under normal use and storage conditions. Ask your dealer for it by name. Morton Salt Company, Chicago 3, Ill.

Write for valuable FREE book on Free Choice Salt for Livestock Feeding.

LANSING 4, MICHIGAN

## MODERN FARMING

### Taking the Backache out of Dairying

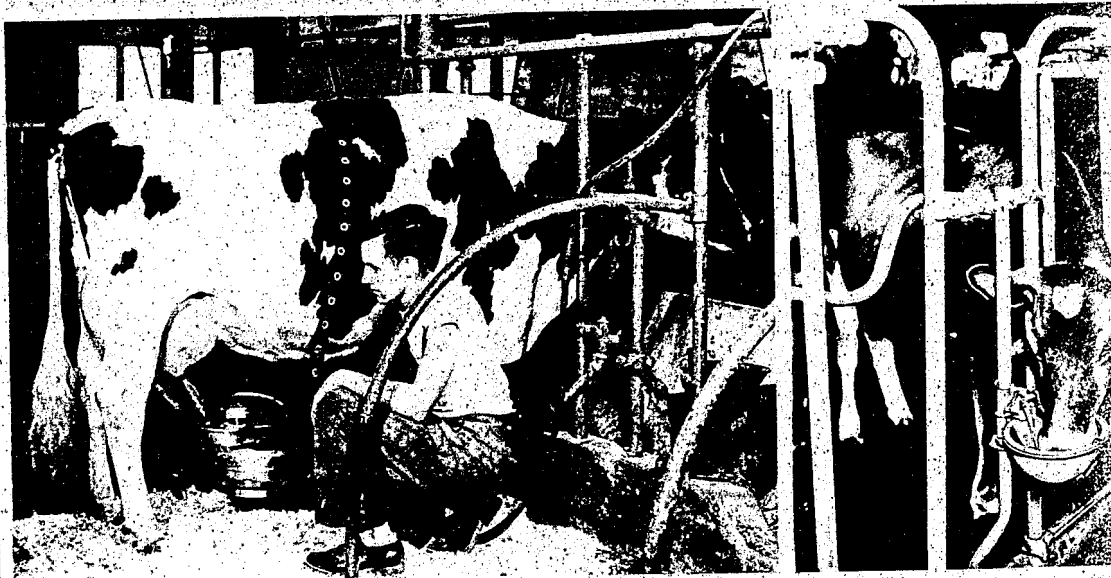

Install a time clock on every farm in the nation and likely you would find that dairy farmers, as a group, work longer hours and fuller days, the year around, than any other class of farmers.

Though their work week is a long one, chore time has been cut, dairy drudgery lightened, and the dairyman's work made more pleasant and profitable through the use of modern dairy methods and modern dairying equipment.

At the close of World War I, the majority of dairy farmers were still milking by hand, feeding cows by lantern-light, and spreading manure from wagon boxes a forkful at a time. Today, electricity, milking machines, rubber-tired manure spreaders, and other production equipment are taking the backache out of dairying and boosting milk production and profits.

The pictures shown here illustrate some of the ways new ideas and new equipment are lightening the dairy farmers work load.

Ready-mixed commercial dairy feeds have been growing in popularity as they help lighten the feeding chore, boost milk production and cut total feed costs. Feed trucks like this save time and accurate scales and scoops make it easier to feed according to production.

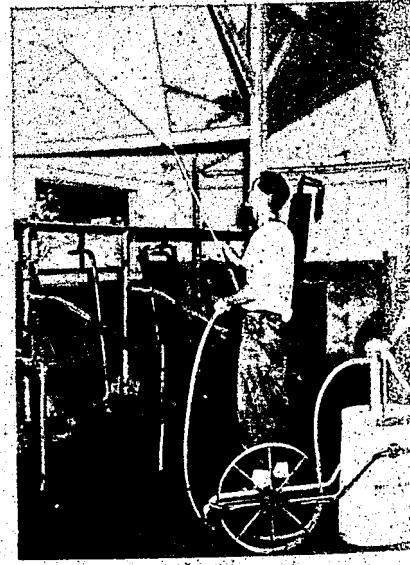

The milking machine is one of the greatest labor-saving inventions in the history of dairying. At first, milking machines were used in only large herds. Today, herds with as few as five or six cows can be milked economically by machine.

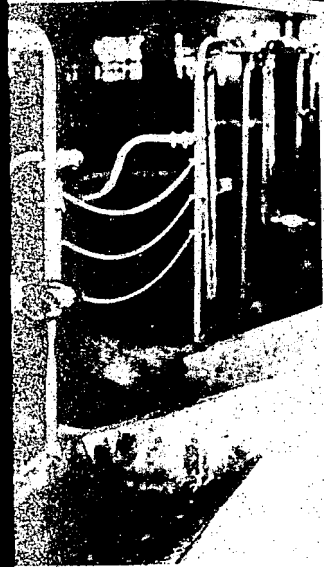

Formerly, the dairy farmer drew water from their stanchions, water them at a central tank, and they want without leave to produce more milk.

Washing and disinfecting milking machines, pails, milk cans and cream separators has been made easier and faster through installation of pressure water systems, hot water heating units, and new soaps, detergents and disinfectants.

Fly control has been made even more time-consuming by the discovery of highly efficient fly control sprays. One application like this to a barn provides protection for up to several weeks.

Farmer had to turn his cows several times a day to stock tank. With drink-offen and as much as their stanchions, and

Electric milk cooling units like this one make it easier for the dairyman to produce quality milk. Note milk can truck that eliminates much lifting and carrying of heavy milk cans. The chart at top of truck shows production for each cow in the herd.

sier and less of new and such as DDT. n will give fly ks.

Another important work-saver for the dairyman is electric fence. Electric fence lets the farmer make more efficient use of pasture, provide temporary paddocks for young stock, and reinforce weakened fence lines to protect growing crops from invasion by livestock.

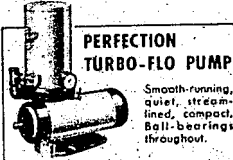

I get **ALL** the milk FROM EVERY COW IN MY HERD WITH **MILK-MASTER**

**VARI-MATIC MILKING**

With its patented automatic vacuum adjustment, the Milk-Master milks all types of udders completely. Hard-milking quarters receive full, fast-milking vacuum to get all the milk during the "let down" period. Reduced vacuum on easy-milking teats draws the milk gently, assuring full cooperation from the cow.

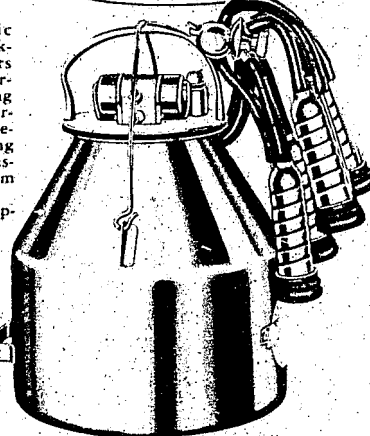

If your present milker operates with a fixed level of vacuum you may not be giving all your cows a chance to produce at capacity. Ask your Perfection dealer to explain more profitable Vari-Matic Milking.

*My Sta-ful Battery needs water only 3 times a year*

In normal car use

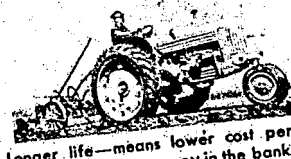

Money cannot buy a better battery

The new Auto-Lite Sta-ful battery helps provide full power to spin cold, stubborn engines for fast winter starting

Helps prevent major cause of battery failure—saves you service time.

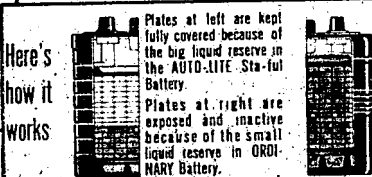

Longer life—means lower cost per year of use—like money in the bank.

Tune in the Great Auto-Lite Radio Show. Thurs., 9:00 p.m., E.T., CBS.

**A better battery for farms**

Sta-ful is the kind of battery farmers have been looking for—a battery with more power, longer life, less servicing, less grief and greater protection against battery failure from liquid loss. Plates in Sta-ful stay fully covered and active when the same liquid loss leaves ordinary battery plates exposed and inactive. See your neighborhood Auto-Lite Battery Dealer for a demonstration. Prove to yourself why the Auto-Lite Sta-ful is a better battery to help farmers save time and money. **AUTO-LITE BATTERY CORPORATION** Toledo 1 Ohio

## National REGISTERED U.S. PAT. OFF. COOKER PRESSURE CANNER

The No. 5 model has a canning capacity of 5 quart jars or 7 pint jars, and a liquid capacity of 12 quarts.

The No. 7 model has a canning capacity of 7 quart jars or 9 pint jars, and a liquid capacity of 16 quarts.

The No. 21 model has a canning capacity of 7 quart jars or 18 pint jars or 4 half-gallon jars and a liquid capacity of 21 quarts.

Millions of busy homemakers know through their own experiences that they can depend on a NATIONAL PRESSURE COOKER-CANNER for safety, speed, economy and simplicity in home cooking and canning.

NATIONAL PRESSURE COOKER-CANNERS are made by the pioneers in the pressure cooking field, and backed by 33 years of scientific research, thorough

testing and pressure cooker manufacturing experience. Both sizes come completely equipped with inset pans, rack, wire canning basket, and a copy of the valuable recipe and instruction book, "The Modern Guide to Home Canning and Cooking".

Insist on a NATIONAL PRESSURE COOKER-CANNER for best results in cooking and canning.

AVAILABLE WHEREVER QUALITY HOUSEWARES ARE SOLD.

## BLUE RIBBON Canning Tips

Full shelves of canned delicacies like these and the "ohs" and "ahs" at our dinner table this fall and winter will be ample reward for the work we do now during canning season. Canning is an exact science, and following detailed directions to the letter is the big secret of blue ribbon winners at the fairs.

I am giving here a few tips on things that are important and a few that are new and may not be included in your canning book. Check your canning and freezing library and if it is not complete, I'll be glad to send any of the materials offered in the Bulletin Board.

Pick fruits and vegetables in top condition, handle carefully, wash thoroughly, be sure all equipment is clean, and can quickly. Even a little spoiled spot will ruin a jar.

Have a good canning book and follow instructions carefully. Be sure processing time and method is correct. If you do not have such a canning book, get one from your grocer, or see Bulletin Board below.

## Make your kitchen more

—more sanitary and more efficient!

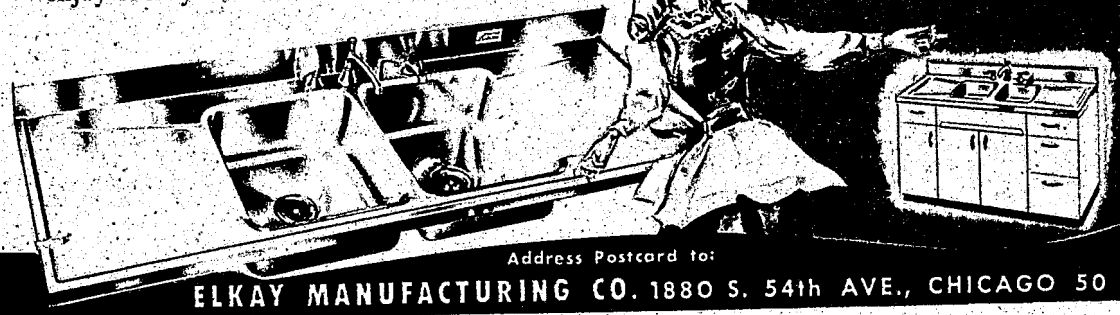

Actually it will cost less in the long run to enjoy all the advantages of a Lustertone STAINLESS STEEL SINK because it is *guaranteed* to out-last your home. It's made of solid stainless metal—not plated. It can't chip, flake, or wear off... never will discolor. So easy to keep clean and sanitary without using harsh abrasives or seeds of scouring powder.

You know the value of 18-8 stainless steel used in milking machines, etc.—enjoy it in your kitchen.

## BEAUTIFUL Lustertone

### STAINLESS STEEL SINKS

are now available in two sizes and sizes — single and double — models — for immediate delivery. Also made to order to fit any size or arrangement. You'll be proud to own a modern, beautiful, stainless steel sink. Ask your nearest plumbing supply store today for free literature.

Address Postcard to:

ELKAY MANUFACTURING CO. 1880 S. 54th AVE., CHICAGO 50

Low acid foods (meats and all vegetables except tomatoes, sauerkraut and ripe pimiento peppers) should be processed by the pressure cooker method. Be sure you have the manual on how to use your pressure cooker and follow directions carefully. If you do not have such a manual, write me in care of this newspaper giving brand of cooker you have and I will get one for you.

Two of many important canning instructions are these which help insure a perfect seal.

1. Before filling jar, examine top to see that there are no nicks, cracks, sharp edges, etc. After filling, wipe free of all seeds, pulp, etc.
2. Test lids for seal as follows: When jars are cold, take a spoon and gently tap the lids. If properly sealed, they will give a clear, ringing note, and be slightly concave (curved inwardly) caused by the vacuum inside. If not properly sealed, the sound will be dull and low in key, in which case you have an opportunity to re-can contents and thus save your food. If food touches lid the sound will be dull, but not hollow or empty like unsealed jar.

A canning or freezing syrup made of light corn syrup, sugar, and water will give better taste and texture. The syrup blends can be thin, medium or heavy depending upon the fruit and your family's preferences. For directions in making and using these blends, see bulletin board or get such directions from your grocers.

## Bulletin Board

The following can be obtained free of charge by addressing a postcard to Susan Lowe, in care of this newspaper.

- A booklet of general canning instructions.
  - A booklet on canning and freezing fruits, including instructions on how to make and use the new syrup blends.
  - Fifty jam and jelly recipes.
  - General instructions in the use of your pressure cooker.
- For a more complete canning book enclose ten cents. All other materials are free.

**SHE'S BEAUTIFUL...** and she can cook! Irene Holman of Hamilton, Mississippi, one of six National 4-H Canning Champions of 1947, displays her home-canned peaches. For fruits, Irene uses and recommends a canning syrup she makes of KARO® Crystal White Syrup, sugar and water. She finds this improves the natural flavor, texture and appearance of her canned fruits.

**A WINNING SMILE...** 30 first prizes, a total of over \$100 in state fair awards, account for the smiling face of Mrs. J. E. Soutter of Des Moines, Iowa. She specializes in canning fruits and attributes much of her success to a canning syrup made with KARO Crystal White Syrup, sugar and water.

**40 FIRST PRIZES** to one person must be something of a record. Mrs. W. L. Van Peursen of Mitchellville, reached this top score at the 1947 Iowa State Fair. Daughter Ardis looks admiringly at her mother as she explains the fine points of preparing prize-winning, home-canned fruits. Her secret... a canning syrup made with KARO Crystal White Syrup, sugar and water.

**GET THE BEST FRUIT YOU EVER PUT UP!**

1948 edition of famous KARO Syrup book tells how...and it's FREE!

**GET** the great book, "Finer Canned & Frozen Fruits", and you get the last word—32 pages—on putting up fruit. For experts, for beginners.

**YOU GET** proved directions for finer flavor, color and texture—by simply varying canning and freezing syrups to include KARO Syrup.

**YOU GET** recipes for putting up all fruits and berries... tips on buying and storing... new ways of serving fruits.

**YOU GET** secrets of wonderful pickles, jams, jellies, juices, marmalades, etc.

# Electric Fencing Can be PROFITABLE

Successful Electric Stock Control is being done. All the time-saving, labor-saving and material-saving advantages of Electric Fencing can be YOURS, too . . . if you refuse to skimp on any one of these items:

## 1 An Approved, Dependable CONTROLLER

This is a Surge Controller, approved by the Wisconsin Industrial Commission, built to deliver a stock stopping sting with the dependability of a light meter. Designed to prevent points sticking or corroding, sealed against weather and dirt.

## 2 A GOOD GROUND

An iron rod or galvanized pipe driven at least 7½ feet into the ground and connected to the controller with at least #8 copper wire clamped or soldered at each end.

## 3 An INSULATED Fence Wire

Not just some rusty wire fastened up with common porcelain-type insulators that let the stock get away during a heavy dew. Surge All glass insulators on wood posts or brackets may cost more—but they LAST, don't short-out in most bad weather, can be used time and again. Use smooth galvanized wire—it's easier to move and work with—and DO make good splices and connections.

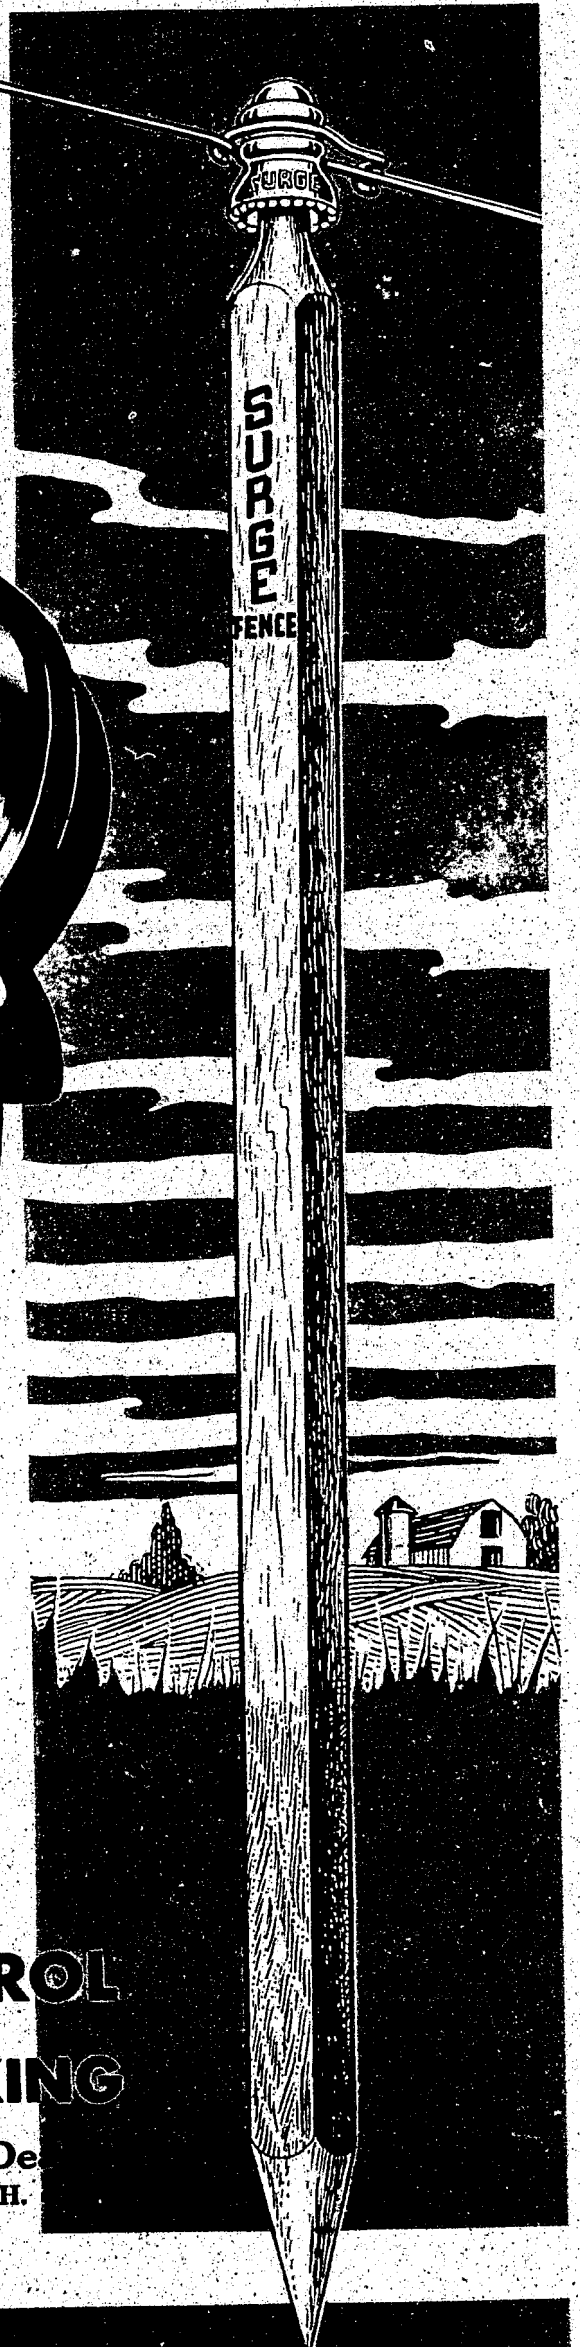

**Call Your SURGE SERVICE  
DEALER . . . He can supply you with**

**ELECTRIC STOCK CONTROL  
THAT CAN AND IS WORKING**
