Mrs. Siegman invited the ladies to join the work group any Wednesday afternoon when they could spare the time. This group gets the books ready for the shelves, and there are quite a few that can be put on the shelves as soon as they are accessioned. The work

period is from 2:00 until 4:00. Mrs. Siegman introduced Mrs. A. J. Holstein who has reviewed many of the books this year. Mrs. Holstein gave a resume of the books reviewed during the past year and recommended books, from our shelves, which would make good reading during the summer. Some of the books recommended were "The Story of the Bible" by VanLoom.
