The Waterford Township firefighters Association will meet at the township hall at 7:30 Tuesday evening.

**VACATION BIBLE SCHOOL BEGINS MONDAY**

The annual Vacation Bible School will be held for two weeks beginning Monday, July 12, at the Waterford Community Church, located on Andersonville Rd., near U. S. 10.

Three-hour sessions will be held each morning from 9 to 12, Monday through Friday, and will be packed with activities of interest to all boys and girls. A thrilling series of Bible lessons, adapted to each age from 3 years old and upward, will be combined with a lively recreational program, and correlated handwork.

Each day's program begins with a brief worship time, including

Bible verses, music, and object lessons, followed by the classes under the direction of a fine staff of volunteer teachers.

On the opening day, a singing parade will be conducted through the neighborhood, and an attendance contest will begin.

The entire program is undenominational in character, and is based upon the Bible only. Enrollment is open to all, and no registration fee is required. However, each child is requested to pay for his workbook which amounts to 20 cents, but even this is not compulsory. Transportation will be provided as far as possible for children living too far away to walk.

The school is under the combined supervision of the pastor, Rev. Wright VanPlew, and the children's worker, Miss Betty Jencks and Mrs. S. Phetteplace.

Further information regarding the school may be obtained by calling 3-2795 or 31-1714. Parents are urged to encourage their children to attend, and all are welcome.

**Rotary Club News**

H. J. VanWelt, incoming president of the Waterford-Drayton Rotary Club, announced the appointment of Robert C. Beattie as chairman of Club Service; George Kimball, chairman of Vocational Service; Norman Roth, chairman of Community Service and William Cohoon, chairman of International Service. All other members have also been appointed to various offices. An innovation of the new regime was the appointment of William D. Martin and Mark B. Stewart to the collection committee, a duty which has been faithfully performed by William Jacober since the club's inception.

"Slip" Megee, a guest from the Clarkston Club, made the very practical suggestion of an inter-city meeting of Rotary Clubs to be held in the new Community Activities Building.

Norman Roth presented to the club a British flag and a Rotary emblem from the St. Albans' Club in England, as a gesture of international friendship and in celebration of St. Albans' 100th anniversary of the founding of the city by the Romans.

Jim Vandersall presented an interesting violin program. Mrs. Martin Wager accompanied him at the piano.

**Community Activities**

**Will's Hospitality Isn't "Cracked"!**

Ever since January, Will Dudley planned to give his living room that "new look"—planned to carefully refinish the woodwork and replaster the walls.

Every time Will got out the putty to start filling in the cracks, a neighbor stopped by to pass the time of day—and first thing you know, there was a group of us helping Will do the job up right. After Will called a halt to the evening's work, we'd sit around the fire enjoying a friendly argument and a sparkling glass of mellow beer.

So Will's living room doesn't look like it did a year ago—but it's by far the most "livable" living room I know: A place you can always drop in for good talk, good beer, and a warm welcome.

From where I sit, so long as Will puts that atmosphere of hospitality and good fellowship ahead of everything else, we'll all be happy to help Will change the looks of his living room any time he wants.

Mr. and Mrs. Earl Wilcox and daughter, Phyllis, and granddaughter, Karmen Kay Beckaus, spent the holiday weekend at their cabin at Atlanta.

Ellsworth Watchpocket has completed a course sponsored by the National American Red Cross at Ludington. He is now an instructor for the classes sponsored

by the township schools.

Phyllis Fullerton is an instructor at Camp Montreat at Montreat, N. Carolina.

Mrs. Lloyd Gidley and children, Lloyd Jr., Janice and Vivian Ann are spending this month with relatives in Canada.

Mrs. Earl Kniffen and two daughters, Mrs. Charles Cullen and Mrs. Donald Hamilton with her small son, Jackie, were lun-

cheon guests of Mrs. Henri Buck last Friday.

Mrs. David Mephram is now a patient at the Goodrich Hospital. She enjoys the cards she receives from her many friends.

Twenty-two members of the Ladies' Auxiliary of the Community Church gathered at the home of Mrs. Henry Prentice last Thursday for a pot-luck dinner and the regular monthly business meeting. Mrs. A. M. Davis was in charge of the meeting in the absence of Mrs. Henry Mehler. The ladies were urged to continue with the activities relative to the contest which is underway to raise money for church improvements. Mr. and Mrs. Lawrence Giddings were appointed to act as the reception committee for the Sunday services of the church. The August meeting will be dispensed with and the September meeting will be at the home of Mrs. Giddings.

Mr. and Mrs. George Attwater and family spent the holiday weekend at Roscommon.

Mrs. Maude Matchum, mother of Mrs. Rolland Grover, is a patient at Pontiac General Hospital.

Mr. and Mrs. Joseph Helman took their sons, Jim and Don, and Harvey Craft and Lynn Wycoff to Brethern near Manistee, on Sunday where the young people will attend the Luther League Bible Camp for one week. Others from Waterford who are at the Camp are Geraldine Haynes who went with the Rev. Neal Peerson, and Mitzi Boss, Joelen Hawkins and Donald Dryden who were taken to camp by Mr. and Mrs. Albert Dryden. Having arrived at Brethern early on Sunday, the group with the Helmans made a trip to Manistee where they enjoyed a parade sponsored by the Junior Chamber of Commerce. Little Dick Helman accompanied his parents on the trip.

**PHOTO CONTEST STRESSES SAFETY**

A farm safety photo contest will be one of the features of this year's Farm Safety Week, July 25-31, according to Fred Roth, farm safety specialist at Michigan State college.

Cooperatively sponsored by the MSC extension service and the Michigan Rural Safety Council, the photo contest seeks pictures that illustrate safety hazards or methods taken to correct them.

Prizes will be awarded for winning pictures. For full details and rules of the contest, write Fred Roth, Agricultural Engineering Department, Michigan State college, East Lansing, Michigan.

**MSC BULLETIN AIDS RESORT BUILDERS**

Cabin and cottage construction is booming throughout Michigan, reports C. A. Gunn, tourist and resort specialist of the Agricultural Engineering Dept., Michigan State college.

To assist commercial operators to provide facilities for vacation bound travelers, MSC has been studying modern tourist quarters.

A new folder, "Suggested Plans for Vacation Buildings", prepared by Gunn, contains several plans for overnight cabins, hotels, cottages, and other resort facilities. Eleven such plans are contained in the eight-page folder.

The folder points out that properly engineered planning and

construction can result in savings that may be passed along to the tourist. Each plan is compact and suggests many space-saving ideas. Copies of the folder, R-303, may be secured from county agricultural agents or by writing to the Bulletin Office, Michigan State college, East Lansing, Michigan.

**BLUE-RIBBON TELEPHONE**—A certain telephone which looks like any other, but nevertheless bears an unseen mark of distinction, was installed a few weeks ago. It brought to 50,000 the number of additional telephones installed in rural areas by Michigan Bell since VJ Day. That's about as many telephones as there are in Lansing. Rural installations since VJ Day have averaged nearly 1,500 a month.

**WEB OF WIRE**—To bring telephone service to more folks in rural areas, Michigan Bell, since VJ Day, has strung 23,000 miles of wire and placed hundreds of miles of cable and buried wire. Large amounts of central office switching equipment have been required, and in some exchanges, new buildings or building additions.

**ON SCHEDULE**—Michigan Bell's rural expansion and improvement program is moving along right on schedule. Besides installing 50,000 more telephones in rural areas since VJ Day, we have reduced the number of parties and improved the ringing on many rural lines.

Always the first choice of people who want the finest at lowest cost . . . Chevrolet's value-leadership is now so outstanding that men and women everywhere are deciding it's more than ever the preferred investment in its field!

Not only does Chevrolet stand out as the first and only low-priced car with all the following major advances which comprise the soundest and best in modern motoring . . . not only does it offer all these major advantages of Big-Car quality at lowest prices . . . but it offers them at prices that are now definitely and decisively lower than those of any other car that even remotely approaches it in quality!

It's the first and only low-priced car with the original and outstanding Unitized Knee-Action Ride. It's the first and only low-priced car with a world's champion Valve-in-Head Engine. It's the first and only low-priced car with the enviable Body by Fisher. It's the first and only low-priced car with the triple safety-protection of Fisher Unisteel Body-Construction, the Unitized Knee-Action Ride and Positive-Action Hydraulic Brakes.

And yet, despite the fact that CHEVROLET AND ONLY CHEVROLET IS FIRST to offer all these major advancements of low-cost motoring, it holds an even greater price-advantage and gives you even more value for your dollars in comparison with other automobiles today than at any previous time in Chevrolet history!

That is why more people are buying Chevrolets than any other make of car, this year as for the total 17-year period, 1931 to date; that is why they are agreeing, with ever-mounting enthusiasm, that Chevrolet is first in dollar-value as it is first in nation-wide demand.

TELEPHONE COMPANY RUSHES LONG DISTANCE CIRCUITS IN MICHIGAN

In anticipation of a record tourist season this year, the Michigan Bell Telephone Company is rushing hundreds of long-distance circuits to completion between its Northern Michigan network and large toll

centers such as Detroit, Saginaw, Grand Rapids, and Chicago. F. L. Spooner, manager here for the company, said 235 new main toll circuits to principal resort areas were in service by July 1. These represent a large part of the 1948 toll-line construction program in Michigan. Approximately 720 main lines

have been installed so far this year between all company exchanges, including resort areas. By the end of the year, about 1,310 new long-distance circuits will have been added to Michigan Bell's statewide network at a cost of \$5,000,000.

The most extensive project of this program is the completion of two underground cables between Big Rapids and Petoskey. Costing \$3,500,000, the cable installation is the largest in Michigan Bell history.

Despite record construction of new facilities, Spooner said some toll circuits may be crowded at times, particularly during the peak hours of 9 to 12 a. m. and 7 to 9 p. m.

"Better service to and from resort areas," Spooner declared, "generally will be available during the 'off-peak' hours."

Michigan Bell last year completed 18,500,000 long distance calls during the months of July, August and September. This was the highest for any three-month period of the year and an all-time third-quarter record.

Long distance traffic normally increases about 25 percent during the summer months.

CHECK HAY TEMPERATURE

The danger of a barn fire from spontaneous ignition of hay can be reduced through the construction of a simple hay prod thermometer to check hay temperatures, advises Fred Roth, farm safety specialist at Michigan State College.

When hay is stored with much over 20 percent moisture content, danger of heating in the mow is present unless a mow drier is being used. Even small amounts of damp hay, if all in one spot, may cause heating in a limited area.

Heating of the hay takes time and checking should be done continually for two months after hay is put in the mow. A hay prod thermometer can be made inexpensively to give a good check of the temperature of the hay. The outfit consists of ten feet of one-half inch electrical conduit with an oak or ash point on one end to permit driving into the hay. Six one-quarter inch holes should be punched in the conduit above the point. A dairy thermometer on a string is then put into the conduit. A rubber pad at the bottom of the tube will keep the thermometer from breaking.

To use, the prod with the thermometer inside is inserted in the hay and left 10 to 15 minutes. The thermometer is then pulled up with the string and read immediately. Detailed instructions for making may be obtained from any agricultural agents. If the thermometer reads 140 degrees F., the hay should be checked several times a day. At 160 degrees F., check every hour. Get assistance if it should rise any higher than 180 degrees F. Don't work in the mow alone if the temperature is excessively high. Adequate fire fighting facilities should be at hand if heated hay is to be removed and someone who understands the correct removal of heated hay should supervise.

The annual picnic of the Cub scouts, pack No. 52 Drayton Plains, was held at the Oakland Beach Monday evening, June 28. A pot-luck supper was served and finishing the meal was not accomplished due to the downpour of rain. (Some of the ladies had trouble with their dresses, the new look began to look like the old look.) Corsages were presented to the den mothers as a token of appreciation for their work with the dens in the past year. There were races for all cubs with winners as follows: Sock race; first prize, Richard Hernelson and Michael Mendez; second prize, Bobby Suttiff and Henry Gardner. Foot race; first prize, Jimmy Helligas; second prize, Michael Mendez. Bear Knife race; first prize, Dale Warble, second prize, Jimmy Arnold. Mother and son three legged race won by Robert Free and Jimmy Arnold. Free for all race won by Robert Free. Bobcat, Freddy Barrett was initiated into the pack. Awards were earned by Robert Hernelson, Bear badge, Gold and Silver arrow; Duane Stewart, Silver arrow; Ronald Howe, Bear badge; Robert Suttiff, wolf badge; Dale Warble, lion badge, gold and silver arrows. On Tuesday a chartered bus took the cubs and den moth-

ers to the Detroit and Cleveland baseball game at Briggs stadium in Detroit.

Eighteen members of the Woman's Auxiliary to the V. F. W. Post 4102 and five guests from the Keego Harbor Post 2708, including their president, Mrs. Mary Louise Cook and also 5th district president elect, enjoyed a social and business meeting on Wednesday evening in the school auditorium. The evening was spent playing cards after which the hostesses, Mrs. Frances Mackinder and Mrs. Louise Smart served refreshments. One meeting was planned to be held in July and one in August instead of two. For the July meeting Mrs. Dewey Johnson and Mrs. Leonard Wood were appointed hostesses. On Thursday hospital chairman, Mrs. Mackinder and Mrs. John Scott made the veterans happy at the TB sanatorium when they treated them to ice cream and cake. The Auxiliary is also asking for donations of blood for the veterans' blood bank in Pontiac. For information call Mrs. Gerald Urlick.

Mr. and Mrs. Ralph Shell left on Thursday of last week to spend the weekend at Alpena. Mr. and Mrs. Elmer Boardway and daughter, Barbara, left on Friday to spend the weekend and part of this week there also.

Mrs. William Rustem of Fremont St., has returned to her home after undergoing a minor operation in St. Joseph Mercy hospital.

Russell Morse of Miggis Rd., had the misfortune to fall down the basement stairs at his home when he closed the back door and to his surprise the knob came off. This happened on Tuesday night of last week. He was treated at Pontiac General hospital for a dislocated shoulder.

Mr. and Mrs. Elwin Brown and family and Mrs. Wm. Suttiff and son, Robert, spent last weekend at Manton, Mich. This week Mrs. Suttiff and Robert and the Brown children are staying at a cottage at Lake City.

Mr. and Mrs. Floyd Bowen spent last weekend at Dubuque, Iowa visiting their daughter, Mrs. Donald Kranwich, and family.

Mr. and Mrs. DeForest Gavette and daughter, Diane, motored to South Bend, Ind., on Sunday to bring back their other daughter, Carol, who has been visiting her uncle and aunt, Mr. and Mrs. Russell Harter for two weeks.

Mr. and Mrs. Myers and Mr. and Mrs. Richard Roggow of Rochester were Sunday guests of Mrs. Roggow's aunt, Mrs. Martha Tewillager.

The newlyweds, Mr. and Mrs. LeRoy Roos are renting the upstairs of Mrs. Tewillager's house

near the bridge. Mr. Roos is a part owner of the Drayton Boat Livery.

Mr. and Mrs. Wallace Bailey and twin sons and Mr. and Mrs. Keith Tarlton and family, Mr. and Mrs. Rollin Bird and daughter, Prudy, Mr. and Mrs. Charles Williams and daughter, Carolyn, Mrs. Minnie Phelps, Mrs. Grace Barnhart, Mrs. Mary Tarlton and Barbara and Max Willing were all guests of Mrs. Lela Bailey and son, Ronnie, and Mr. and Mrs. Richard Surre on Sunday at a pot-luck picnic dinner.

Mr. and Mrs. John Bougine and family have sold their home on Lake Oakland to Mr. and Mrs. Bombar of Williams Lake and temporarily moved into the Charles Nolan home on Roselawn Ct.

Mr. and Mrs. James Vandersall and family have returned to their home on Rosemond Ct., after enjoying two weeks visiting his parents, Rev. and Mrs. C. H. Vandersall at Story City, Iowa and her parents, Mr. and Mrs. Milton Brandes at Anova, Iowa.

Mr. and Mrs. Louie Thrasher have returned home after spending two weeks at their cabin near Rose City.

Mr. and Mrs. Raymond Graessle motored to Sutton's Bay on Tuesday to bring back Mrs. Elsie Cole-day and David Finch of Sealey St., who have been visiting Mrs. E. Stratton for a month.

Mr. and Mrs. Robert Howell and family, Mr. and Mrs. Walter Johnson and son, Lee, Mr. and Mrs. Donald McHugh and son, Donald, Jr., of Royal Oak and Donna Swasbaugh of Clintonville spent last weekend visiting Mrs. Howell's mother, Mrs. Mary Maidment and brother, William Maidment of Standish.

Mr. and Mrs. Dewey Johnson of Richmond Manor spent last week at Bear Lake.

**HARVEST TIME IS ACCIDENT TIME**

Harvest time is accident hazard time on the farm according to Karl D. Bailey, county agricultural agent.

When grain harvesting machinery, with its high speed cutting mechanisms, shafting, chains and gears, is operated in the rush of harvest, the chances for accidents mount rapidly. It is a season

when haste is often emphasized without necessary caution. Care in the use of harvesting machinery is a good preliminary to Farm Safety Week which will be observed July 25 - 31. Machinery is one of the big causes of farm accidents.

The first step for safe operation of harvesting machinery is to put it into good condition before the harvest begins. This means that seats, controls, steps, and other features of the machine should be in good repair. Shields or other safety guards must be in place before a machine is taken to the field.

He recommends the following rules: (1.) Always stop all machinery before oiling, adjusting or unclogging. (2.) Avoid wearing floppy or ragged clothing. (3.) Always operate tractors at a safe speed. Start smoothly and slow down for turns and rough ground. (4.) Avoid operations too close to the edge of ditches or embankments. (5.) Small children are definitely out of place around harvesting machinery. (6.) Avoid jumping off equipment before it has come to a full stop. (7.) Remember to look both ways as you approach a highway and cross with care. (8.) On a highway obey the signs and rules of the road and don't forget to use headlights and tail lights.

**NOTICE OF ANNUAL SCHOOL MEETING**

The Annual Meeting of the legal voters of School District No. 4, in the Township of Waterford called by School Board will be held at Clarkston Station School on the 12th day of July, 1948 at 8 o'clock p. m. for the purpose of electing moderator and voting on a school bus.

Dated this 3rd day of July, 1948.  
Director, Ivan Norgrove adv.

Farmers sold about 10.4 billion dollars worth of crops and livestock in the first five months of 1948, slightly more than last year. Marketings were down but prices were higher. Egg quality is especially important in hot weather, say MSC poultry specialists.

The nation's farmers are raising about a fifth fewer turkeys this year than last. The crop this year is only about five percent above the late 1930's.

U. S. Navy enlisted men learn 400 trades, and more than 4,000 skills which are used in civilian life, according to a recent study of the Navy's new rating structure.
