—see why

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR

OMPARE the values; compare the prices! ... Do this and you'll know that now more than ever before CHEVROLET AND ONLY CHEV-ROLET IS FIRST in Big-Car quality at lowest prices, just as it is first in nationwide demand

for the total 17-year period, 1931 to date! To compare the values is to know that only Chevrolet brings you the Big-Car riding-smoothness of the original and outstanding Unitized Knee-Action Ride ... the Big-Car performance and dependability of a world's champion Valve-in-Head engine ... the Big-Car beauty and luxury of the enviable Body by Fisher ... the Big-Car safety of Fisher Unisteel Body-Construction and Positive-Action Hydraulic Brakes . . . plus many another major

quality advantage still not available in any other motor car in its field.

And to compare the prices is to know that Chevrolet prices are the lowest in the field . . . and that Chevrolet value continues to be the highest in its field!

That is why more and more people in all parts of the country are deciding, more and more enthusiastically, that only one is Number One, only Chevrolet is first.

That is why we believe you, too, will make this same decision when you compare the values and compare the prices . . . for you win in every way with Chevroleti

FIRST in Riding-Smoothness!

You just can't beat the genuine Unitized Knee-Action Gliding Ride for real ridingmoothness-real traveluxury-over any and all kinds of roads, from boulevard to byway; and, remember, this famous "Knee-Action" ride is exclusive to Chevrolet and more expensive cars.

FIRST in Thrills with Thrift!

There's nothing like Chevrolet's world's champion Valve-in-Head engine for thrills and thrift. It holds all records for miles served, owners satisfied, and years tested and proved. It embodies that extra-sound, extra dependable Valoe-in-Head design, found elsewhere only in costlier cars.

FIRST in Tasteful Beautyl

You will be perfectly sure of your car's beauty-leadership when you own a car with the world-famous Body by Fisher; and this most desired and desirable of all car bodies-supremely beautiful from every angle, inside and out-is available only on Chevrolet and higher-priced cars.

FIRST in All-Round Safety!

You and your family will enjoy extra safety, too, the triple safety protection of Fisher Unisteel Body-Construction, the Unitized Knee-Action Gliding Ride and Positive-Action Hydraulic Brakes-another combination of features found only in Chevrolet and higher-priced cars.

WHAT IS A DRUG STORE?

* The drug store is but one unit in a complex pattern of businesses and professions, all of which serve the needs of the community. But it is unique in that pharmacy is both a business and a profession.

A business built on service to the sick cannot be restricted to usual "business hours." The need for medicine and sickroom supplies is usually immediate and urgent. In times of widespread illness the twenty-four-hour day seems all too short. We are ready, day or night, to serve the pharmaceutical needs of the community.
