Waterford

Mr. and Mrs. William Thomas of Hayden Court have purchased the property adjacent to theirs, which was owned by Lewis Wheeler.

Guests at the William Thomas home are their son-in-law and daughter, Mr. and Mrs. William Davidson, and family of Cincinnati, Ohio.

Mr. and Mrs. Eric Zisman and small daughter, Paula, of Lotus Lake returned to their home on Sunday after visiting relatives and friends in Toronto, St. Catherine and Niagara Falls, Ontario.

Victor Lindquist of Andersonville Road has accepted a position as teacher in the new Waterford Township High School.

Mr. and Mrs. William Eddy and two daughters of Oak Grove Road Williams Lake, visited at Caseville and Harbor Beach for a few days last week.

Mrs. Gordon Bryce has taken a position in the Waterford High School office.

The adult Bible class met recently at the home of Mr. and Mrs. Arthur Davis on Andersonville Road. Mrs. William Granger, president, led the business meeting and roll call was answered with a Bible verse containing the word "salvation". The October meeting will be in conjunction with the Ladies' Auxillary on the first Thursday of the month. There will be a pot-luck luncheon. The class voted to help with the homecoming on October 24th, and cards will be sent to all former friends and members of the church by Mrs. H. B. Mehlerberg. The November meeting will be held in the home of Mr. and Mrs. John Miller.

Mr. and Mrs. J. H. Garrison of Watkins Lake called on Waterford friends over the past weekend.

Mrs. George Richardson is ill at her home on Andersonville Rd.

The Mehlerberg reunion was held in Fenton on August 28th at the Lake home of Mr. and Mrs. A. McCallum. There were fifty enjoyed the family dinner under a huge willow tree at the water's edge. Mr. Mehlerberg, president, led the business meeting when the new officers were elected. Rev. Wesley Haywood of St. John, Mich., was made president; Will Shattuck of Grand Rapids, vice president; and Mrs. Fred Tuck, secretary-treasurer. The oldest member present was Charles Mehlerberg who was 87 years old. The family coming the longest distance was the Reverend and Mrs. Haywood of St. John. The reunion will be held at the same

place next year on the fourth Saturday in August.

Mr. and Mrs. Frank Schultz of Harrison Street attended the funeral of their nephew at Caro this weekend.

Mrs. Minnie Wager of Mt. Pleasant is helping to care for her sister, Mrs. Frances Chamberlain.

Returning this week to their home in Texas are R. D. Chamberlain and Lee Chamberlain. They have been visiting here since the death of their sister, Mrs. Myrtle Strong.

Miss Grace McVittie of Detroit is staying with her sister-in-law, Mrs. Kenneth McVittie, Sr.

Mrs. Nellie King and her cousin Starr Northrup of Northville spent Labor Day at the home of Mr. and Mrs. Harold Wormley of Hudson, Mich. Mrs. Wormley returned with Mrs. King to remain for a week.

Mrs. Clyde Skinner (Marjorie Anderson) underwent an appendectomy at Pontiac General Hospital a week ago Tuesday and returned home on Saturday.

Mr. and Mrs. Emery Beedle and sons, Randall and Robert, enjoyed a trip to Canada and Niagara Falls last week. They visited the Toronto exhibition while there.

Nancy Attwater spent the last two weeks visiting relatives in Detroit, Rochester, and Pontiac.

Twenty-four ladies gathered at the home of Mrs. Lawrence Giddings last Thursday for the monthly pot-luck dinner and business meeting. Mrs. Isaac Shook assisted Mrs. Giddings with the dinner. Raymond Brown, nephew of Mr. Giddings, sang two selections for the group. Mrs. Wright VanPlew was in charge of devotions and spoke on "The Victorious Life". Mrs. William Granger and Mrs. James Saylor were named to be on the church welcoming committee for the next month. The Auxillary has had a contest in progress since June which will end in October.

The next meeting on October seventh will be in the form of an "experience party" to mark the end of the contest and will be held in the evening with the Adult Bible Class of the Church as guests. The party will begin at 8:30 with a supper with Mrs. William Granger, Mrs. Louis Dorman Sr., Mrs. Howard Pratt, and Mrs. James Saylor in charge of arrangements. Those responsible for the program are Mrs. Wright VanPlew, Mrs. Henri Buck, and Mrs. Arthur Davis. The captains for the contest were Mrs. Dorman and Mrs. Giddings.

Mr. and Mrs. George Attwater and three sons spent the holiday weekend with friends in their cabin at Roscommon.

Mrs. Elizabeth Attwater spent the holiday weekend in northern Michigan with her son-in-law and daughter, Mr. and Mrs. Richard Purvis, and their family.

Mr. and Mrs. James Lamberton and family spent the weekend near Atlanta.

Helmuth Engler, who is attending Pratt University at Peoria, Ill., spent the holidays with his parents Mr. and Mrs. Walter Engler.

The Rev. Roswell Peterson of Chicago, who is Regional Director of Home Missions for this area in the Augustana Church, was the speaker at Sunday's service at Christ Lutheran church.

Next Sunday, September 12, will be a very important day in the history of Christ Lutheran Church as the Ground-Breaking Service will take place at 12:00. All members of the church, and friends, are urged to attend. The church lot is on the Williams Lake Road next to Lamberton's Service Station.

Mr. and Mrs. Earl Wilcox and little granddaughter, Karmen Kay Beckous, spent the holidays at their cabin near Atlanta.

The Birthday Club meeting has been postponed from Wednesday the 15th to Wednesday the 22nd. It will meet at the home of Mrs. George DeLaf of Whitfield Dr., Maceday Lake, for a pot-luck luncheon.

The nominating committee of Christ Lutheran Guild met at the home of Mrs. Albert Dryden on Tuesday, August 31st. Those present were Pastor Jordan, Mrs. Richard Lamberton, Mrs. Stanley Hawkins, and Mrs. Dryden. The officers for the coming year will

be elected, at the meeting held at the home of Mrs. Emery Beedle, Wednesday September 15th.

Mrs. G. A. Elwell of Charleston, West Virginia, is visiting at the home of her daughter, Mrs. Howard Rohm of Whitfield Dr., Maceday Lake. She also is the mother of James Elwell of Waterford.

Raymond Brown of Baraga, Michigan, nephew of Mr. and Mrs. Lawrence Giddings has been visiting here for the past week before leaving for Bible college where he is studying voice. Lawrence Giddings, Jr. left on Friday to visit at the home of his uncle at Baraga.

Mr. and Mrs. Homer VanAtta and niece of Detroit visited at the home of E. D. Spooner on Sunday.

Mr. and Mrs. Robert Mehlerberg and son, Tommy, spent Labor Day weekend in Toledo, Ohio.

Mr. and Mrs. Henry Mehlerberg of Waterford entertained Mr. and Mrs. David Lapeer and son, David, of Lapeer, and Mr. and Mrs. Fred Tuck and daughter, Barbara, of Wayne this past weekend.

Mr. Lawrence Harrup of Cleveland, Ohio, chose this weekend to visit his parents, Mr. and Mrs. Harry Harrup, and his small daughter, Temple.

Mr. and Mrs. Alton Goll and daughter, Norren, went away for several days on a trip to Minneapolis, Minn.

Mr. and Mrs. S. B. Hawkins and three daughters left Saturday for the home of Mr. Hawkins' parents, Mr. and Mrs. Bronson Hawkins at Skaneateles, N. Y. They returned late Monday.

All mothers, with children in the village school, are invited to attend the first meeting of the Mothers' Club at the village school on Thursday of next week. The meeting will begin with a pot-luck dinner at noon with the teachers of the school as guests. The first business meeting of the year will follow the dinner.

Corinne Sittes, daughter of Mr. and Mrs. James Sittes, returned to her home last Saturday after having worked all summer on Mackinac Island. She plans to begin her senior year of college at Michigan State College this month.

Couples interested in playing pinocle are invited to meet at the Community Activities Building at 8:00 Monday evening for the first party of this season. There will be games every other Monday evening and are open to all couples. Refreshments are served before dispersing for the evening.

Community Activities

Public community party at 8:00 Friday evening.
 Modern and old time dancing from 9:00 until 1:00 Saturday. Catholic Mass at 8:15 Sunday morning.
 Pinocle at 8:00 Monday evening.
 Waterford-Drayton Rotary Club dinner and meeting at 6:00 Tuesday evening.
 Boy Scout meeting at 7:30 Tuesday evening.
 Monthly meeting of the Woman's Club at 8:00 Thursday evening with Mrs. Clifford Wood, Mrs. Leo Larkin, Mrs. Donald Weaver, and Mrs. Jack Hall as hostesses.
 Couples are invited to attend the pinocle parties which will be resumed this coming Monday evening. The parties will be held in the Club House and the hostesses will serve refreshments.
 Labor Day was a big day for Community Activities, Incorporated. At least two thousand persons must have visited the building that day and helped in some way to make the "Community Fair" a success. The participation, and interest shown, by so many different groups was very much appreciated. It wouldn't be right to say which group helped the most because each one did its best according to its size and ability. But, everyone, and every community, was interested in the crowning of the "Queen." Jean Christenson of the Lambert district was elected Queen and was crowned by William Shunck, superintendent of the Waterford Township schools. Mr. Shunck also presented the Queen with a beautiful bouquet and a fine piece of luggage. The five runners up each received a lovely corsage and were Mildred Jean Tribble of Newberry; Joan Kray of Waterford village; Norma Vogel of Waterford Center; Norma Jean Terry of Drayton Plains; and Mary Porritt of Clarkston. The Drayton Plains Exchange Club sponsored this feature. The fact that we had a fine ball game on August twenty-fifth and a bake sale on August twenty-eighth, which were also for the benefit of this "fair" should not be overlooked. It will take a little time before the exact amount of the proceeds for this "fair" will be known but it will be used to get the building ready

for winter activities. The basement floor and stairway have already been finished and are included in this project.
 Don't forget, or neglect, to get out and vote next Tuesday, September 14. This is your duty and privilege.

The regular monthly business meeting of the Waterford Township American Legion Post 431 was held Tuesday September 7, 1948 at 8 o'clock at the Old Mill Tavern. At the meeting it was announced that the Post has sufficient funds to start work on their new Legion home. A membership campaign will be started with the view of obtaining new members who will be of value to the Post in reaching their goal of having their new home.

The Auxillary to Post 431 met Tuesday, September 7, 1948 at 8 o'clock at the home of Mrs. Don White. The meeting was brought to order and conducted by the president Mrs. Edwin Lamberton. Committee reports were given, and the annual election of officers was held. The officers for the coming year are as follows: president, Miss Elaine Dorman; 1st vice president, Mrs. Donald White; 2nd vice president, Mrs. Jack Jacobson; Secretary, Miss Vivian Wormnest; Treasurer, Mrs. Richard Morath; Historian, Miss Barbara Beedle; Sergeant-at-arms, Mrs. Harvey Goble; Chaplain, Mrs. Glen Campbell.

A committee consisting of Mrs. Joseph O'Donnell, Mrs. Robert Going, and Mrs. William Wagner was appointed to audit the treasurer's books.

The nominating committee of Christ Lutheran Guild met at the home of Mrs. Albert Dryden on Tuesday, August 31st. Those present were Pastor Jordan, Mrs. Richard Lamberton, Mrs. Stanley Hawkins, and Mrs. Dryden. The officers for the coming year will

All America Likes CHEVROLET'S Bodies by Fisher

...bodies that are exclusive to Chevrolet in the low-priced field!

It is not by chance that Chevrolet's bodies by Fisher are so beautiful, so luxurious, so solid. Behind each body is forty years of motor-car coachcraft experience ... forty years of building master bodies for precision-minded America. To matchless craftsmanship, have been added the methods and the metals of modern body engineering. Today, in your Chevrolet Body by Fisher, you are protected by steel, cushioned by materials that add ease and relaxation to every driving mile. And when you consider that such body-comfort, such body-luxury, such body-safety is available at lowest cost you begin to understand why MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

More Value in Riding Comfort
 Your own tests will convince you that Chevrolet's Unitized Knee-Action Gliding Ride, plus Chevrolet's Body by Fisher, result in more riding comfort.

More Value in Performance with Economy
 Only Chevrolet, in its price field, gives you the performance advantages—at low operating costs—of a "World's Champion" valve-in-head engine.

More Value in Braking Efficiency
 The knowledge that you are operating Ford Five-Action Hydraulic Brakes in your Chevrolet gives you a feeling of security when driving in city or country.

More Value in All-around Safety
 You ride in maximum safety in your Chevrolet with Fisher Unitized Body Construction, Unitized Knee-Action Gliding Ride and Positive-Action Hydraulic Brakes.

Compare Values!... Compare Prices!...

ATTENDANCE AT MSC FOR 1947-48 YEAR IS ALMOST 18,000

Students from 82 of Michigan's 83 counties, 47 states and 38 foreign countries made up the enrollment of Michigan State College during the three regular and two summer sessions of 1947-48, according to the annual report of Robert S. Linton, registrar.

Every state but Nevada was represented on the Spartan campus, in addition to the District of Columbia and all the territories. Foreign students increased in numbers over 1946-47, China leading the pack with 56 students, followed by India with 46 and Canada with 43.

During the year, there were 17,851 students enrolled for college credit, more than 1,500 over the previous year, and special courses claimed another 743 students. Peak enrollment for the year was reached last fall with 15,208 regular and short course students attending.

ADVISES ON CHOOSING FALL COAT FASHIONS

In choosing your new fall coat style this year, remember it's the silhouette that counts. If you're wondering about the full flaring backs of last season—they're still fashion's first choice.

Best news about the flaring backs, believes Marjorie Eastman, extension clothing specialist at Michigan State college, is that they are somewhat less extreme and more wearable. They have a slimmer look, due to smooth-fitting shoulders and controlled fullness.

In the moderate price range fashion favors the casual boxy coat. This is cut with a yoke and deep inverted pleat for back fullness. It gives a somewhat straighter effect than last year's full flare which started at the shoulders.

Some of these new boxy coats are sold with an extra belt of fabric or leather, so you can make your own silhouette—straight or fitted. This type of coat usually

Over 23 Years Experience

RE-ELECT
Clare L. Hubbell
SHERIFF
OAKLAND COUNTY
REPUBLICAN
22 Years Taxpayer Waterford Township

has a large collar. Sleeves are set in with a smaller shoulder pad than was used last year. Zip-in linings will continue to be good.

Although the big coat, generously cut, is in first place, you may expect to find fitted coats also, especially in higher price brackets. One popular model is cut on princess lines, with small fur collar and narrow rounded shoulders.

Black is at the top of the color card, with gray a close second. Other choices include wine, hunter green and deep henna.

Smooth, rich materials of the broadcloth type are featured, with tweeds and camel's hair fabrics for the college crowd.

A trend to watch is the coat ensemble—a coat matching or harmonizing with a dress or suit.

ALMOST 400 RECEIVE DEGREES AT MSC
A total of 381 students completed work for bachelor's degrees during summer college terms at Michigan State College, it has been announced by Robert S. Linton, registrar.

CECIL McCALLUM

For
CIRCUIT COURT COMMISSIONER

(Non Partisan)

● Cecil McCallum is an impartial and successful Pontiac attorney, educated at the University of Michigan and Detroit College of Law, with fifteen years experience in trial work, and is well qualified for the office of Circuit Court Commissioner. He deserves your vote!

● Attorneys are supporting Cecil McCallum because he will keep the office open full time and provide clerical help, thereby eliminating the irritating and expense waiting by litigants and attorneys.

● The present Pontiac Commissioner has held the Pontiac office for 12 consecutive years in spite of his statement before election in 1936, that no attorney should be allowed to hold this office longer than 8 years. He has held the office for 12 years and wants 14!

IT IS TIME FOR A CHANGE

"It's Time For A Change"

GEORGE A. DONDERO
SEEKS RE-ELECTION

Congressman George A. Dondero, Chairman of the Committee on Public Works of the United States House of Representatives, seeks reelection as Representative in Congress for the 17th Congressional District. His outstanding record strongly recommends his reelection.

Through his reelection, the 17th Michigan District will have the continued services of a courageous Representative and retain for the District a prominent position in Congress.

For years Congressman Dondero fought wasteful Federal spending. His present position as chairman enabled him to carefully scrutinize every river and harbor and flood control improvement and he thereby saved the taxpayers millions of dollars.

Representative Dondero obtained passage of the Federal-Aid Highway Act. The State of Michigan will receive nearly \$30,000,000 for the construction of township, county, and state roads.

Through Dondero's leadership Michigan colleges and universities have been given temporary war housing without cost for the benefit of veterans.

Dondero voted for the best Housing Bill that could be secured.

Congressman Dondero has earned for himself an outstanding record of achievement in the United States House of Representatives.

Congressman Dondero has succeeded in exposing subversive activities by American Communists and their fellow travelers so effectively that he has been singled out for an intensive smear campaign by radicals and subversive groups.

Representative Dondero has won recognition for his close attention to legislative duties. He is high in the councils of the leadership

of his party and has been called upon repeatedly to preside over the House of Representatives.

MSC SENIOR NAMED
NATIONAL "SWEETHEART"

Miss Barbara Tanner, 20-year-old senior at Michigan State College, smiled her way to the title of the national "Sweetheart of Sigma Chi".

The MSC co-ed was chosen from eight finalists to be the fraternity's first national "sweetheart" in Seattle, Wash. recently. Last year, Miss Tanner was selected as the "Ideal American Co-ed" in a poll conducted by the Ladies Home Journal of 1,500,000 college youths all over the nation.

A major in physical science, the blue-eyed blonde boasts an honor scholastic average of 2.98. She is the daughter of Mrs. Florence Irene Tanner, Detroit. She will be given a screen test in Hollywood as part of her prize for victory.

Conservation News

The late riser on opening day in southern Michigan this year will be able to get in first shooting for waterfowl, pheasants and other small game. Opening hour in this zone is noon on October 15, the conservation department reminds hunters.

Shooting for ringnecks and small game animals will open at 7 a. m. each day after the opening day, except on the second day, when the earliest shooting hour is 10 a. m. in the southern counties. These hours also apply in this zone to rabbits, squirrels and ruffed grouse.

Hours for waterfowl shooting after the first day will mean hunting as early as 6:13 a. m. and as late as 5:18 p. m. in some sections, depending on date and time zone.

THE CAT WILL GET THE GAME, BUT WHO SHOULD GET THE BLAME?

CORRECT COOLING NEEDED TO ASSURE GOOD EGGS

The quality of eggs depends greatly on how quickly they are cooled after they are laid, reports J. M. Moore, extension poultryman at Michigan State college.

He points out that consumer interest in eggs centers on quality. USDA poultry specialists estimate that five eggs out of each 100 produced are unfit for food as a result of quality deterioration or other causes. This 5 percent loss has taken an annual toll of more than 233,000,000 dozen eggs in the past five years.

Farmers are urged to collect eggs from nests at least three times each day - 10:00 a. m., noon and 5:00 p. m. Less frequent collection not only delays proper cooling of the eggs but also results in a partly cooled egg being left in a nest to be re-warmed by other hens using the same nest. In very hot weather, eggs should be gathered every two hours in the morning and twice in the afternoon.

egg. This is impossible when pails, boxes, or woven baskets are used. They should be placed on a wire tray and put in the cellar immediately after collecting. Because eggs absorb odors quickly they should not be kept in places where there are strong odors such as those of onions, lemons, kerosene or mustiness.

Eggs should be fully cooled before they are placed in egg cases since there is not sufficient air circulation in cases to allow eggs to cool properly, Moore concludes.

"Healing the Mind with Surgery" - New type of brain surgery, a 10-minute operation on the lobes of the brain is described by G. B. Lat. This operation particularly recommended for insanity or behavior disorders of less than a year is described in The American Weekly, the great magazine distributed with SUNDAY'S CHICAGO HERALD-AMERICAN.

OSCAR B. LUCAS

Republican
For Sheriff

Believes in cooperating with all Law Enforcement Agencies, Courts and Prosecutors.

Humane treatment of prisoners.
Interested in Youth and their problems.

Strict enforcement of Liquor Commission Rules and Regulations and Regulations and elimination of unsavory establishments.

Patrol Highways to curb speeding and reckless driving and police areas now without adequate protection.

Fair and sensible enforcement of all laws without fear or favor.

Has the experience gained by more than 25 years of service.

Taxpayer in Oakland County since 1927.

Holder of six police citations and three citations from the U. S. Treasury Department.

Three star rating by Oakland County Citizen's Committee.

"HIS EIGHT YEAR RECORD DESERVES RE-ELECTION"

RE-ELECT
George N. HIGGINS

TO THE
STATE SENATE
REPUBLICAN 12th DISTRICT

SHERIFF HUBBELL SEEKS RE-ELECTION

Little known to the average reader is the cost of maintaining a law enforcement department in Oakland county. For one-sixth of a cent per day each of the 333,120 persons living within the 900 square miles of this county is furnished protection and service equal to the finest available anywhere in the United States.

Whether it be running errands of mercy, delivering emergency messages almost instantaneously through the aid of police radio networks, or confronting serious crime waves, the sheriff's department is available 24 hours each day, every day of the week with prompt and courteous service. Since the inception of the town-

ship deputy plan inaugurated by Sheriff Clare L. Hubbell with the cooperation of nine of the county's 25 townships, an efficient road patrol system has been in effect throughout the area. Major crimes are becoming a thing of the past, petty criminals are constantly being rounded up and sent to prison and juvenile problems are readily combated.

Detective teams are specialized in their fields of crime detection and are qualified to capably handle anything from neglected children with drunk parents to most shocking of murders.

Traffic safety is ever emphasized by uniformed men on road patrol. Drunk and reckless drivers are herded off the highways and into jails.

In an effort to reduce traffic accidents on one of the most traveled thoroughfares in the country, Sheriff Hubbell asked the

state to post a seven mile traffic control zone on US-10 between Telegraph road and M-51. The plan was adopted in July 1947.

Full cooperation between the Oakland County Sheriff's department and other police agencies has brought fine results. Where the national average for crime detection is rated about 30 per cent solved, Sheriff Hubbell's men have scored 84.8 per cent.

Sheriff Hubbell has vowed to keep illegal liquor and gambling

out of this county. Incessant raiding by law enforcement officials has made Oakland county an unhealthy spot for racketeers of all types.

Typical is the "excellent" rating given the Oakland County Jail in February 1948 upon inspection by William H. Nestle, state department of corrections. In a letter to Lynn D. Allen, county clerk, Nestle said his surprise visit to the county jail "impressed me with the feeling Sheriff Clare L. Hubbell is doing an outstanding job in administering his duties."

the Patients' Benefit Association is sponsoring a home coming for all ex-patients of the Oakland County Tuberculosis Sanatorium on Saturday, September 11. Families and friends of ex-patients, and anyone interested in the sanatorium is invited to attend this affair.

This is purely a social get-together of all ex-patients but at the same time we hope it will be an inspiration to those in the

sanatorium seeing all the ex-patients who have taken the "cure" and are now leading normal lives.

The entire program will be held out of doors weather permitting but arrangements are being made so that the patients will be able to see and hear the entertainment from the sanatorium.

11:30 until 1:00 — lunch hour and social hour; 1:15 until 2:15 — children's games and entertainment; 2:30 until 5:00 — adult entertainment.

Open house at the sanatorium from 2:30 on.

The stage program will include singing, dancing, music, etc.

Everyone is urged to bring their picnic lunch — there will be tables and chairs also refreshments furnished on the grounds.

The occupational therapy department will have a counter for the sale of articles made by the patients.

Seven Keys to Safety

Every one of these keys should jingle on your mental key-ring every single second you're behind the wheel of an automobile.

They're the keys to your safety... that of your family... your friends and every person with whom you come in contact while driving. Check them over — then keep them in mind:

1. Learn to judge conditions which may affect your driving — traffic, visibility, road surface, mechanical condition of cars — the physical condition of drivers.
2. Remember — it isn't how fast you go — it's how fast you can stop. Stopping — braking distance — your reaction distance.
3. Keep one car length behind the other fellow or every ten miles on your speedometer. Double it for wet days. Double that for snow or ice.
4. Suspect every single pedestrian of wanting to commit suicide.
5. Slow down at yellow lights. Slow down at no lights. Slow down at green lights. Every intersection is a crash point.
6. Signal your intentions every time. Protect yourself from the fellow at the wheel of the other car.
7. Always expect the worst — be prepared for it — and chances are, it won't happen — because you'll be following the seven keys to safety!

CECIL McCALLUM IS CANDIDATE FOR CIRCUIT COURT COMMISSIONER

Cecil McCallum, born on a farm near Cass City, Michigan, and 41 years a resident of Oakland County, is a candidate for the Pontiac office of Circuit Court Commissioner, on the non-Partisan ballot, at the coming primary election.

He graduated from the Pontiac school system, took his pre-law at University of Michigan and graduated from Detroit College of Law. He is a popular and successful Pontiac trial lawyer, with fifteen years experience.

Mr. McCallum has extensive business training, having been assistant manager, for four years, of Star Motor Coach Line, Birmingham, Michigan, later Eastern Michigan Motorbuses.

He is affiliated with the Masons, Exchange Club, Chamber of Commerce, Oakland County Sportsmen's Club, and is a district committee member of the Clinton Valley Council of Boy Scouts. He is married and lives with his wife and two children in Pontiac, Michigan.

Mr. McCallum states that, if elected, the Pontiac office will be open full time and clerical help will be installed in order to eliminate the irritating and costly waiting by litigants and attorneys.

ANNIVERSARY CELEBRATION

Celebrating its first anniversary

THE VITAL PRIMARY ELECTION — TUESDAY, SEPT. 14TH • • • 14TH • • • • •

REPUBLICAN VOTERS! This Year You Have a Choice!

MILTON F. COONEY

Freedom Is Your Job!
Study the Man and the Issues!

You Will AGREE That COONEY

Has the Ability, Experience, Honesty, and Diplomacy To Be the New Leader from this District in Congress

Milton F. Cooney is 42 years old, educated in the Pontiac schools, Wayne University and a graduate of the Detroit College of Law. He resides with his wife and son in Pontiac, Michigan.

Entering private law practice in 1930, he so distinguished himself that friends and fellow attorneys urged him to run for Judge in Metropolitan Pontiac. This he did and was first elected in 1935; then re-elected in 1938. During his term in office, he led a movement to modernize the operation of the court. This effort on his part resulted in the establishment of such efficiency in procedure that the taxpayers have been saved thousands of dollars each year.

He has had extensive trial experience in local, state and federal courts, and is recognized by litigants and those acquainted with courts for his ability as an aggressive and competent lawyer.

In 1943, Cooney entered military service, serving three years with 18 months of this as an enlisted man. Upon return to civilian life, he served as state commander of one of the leading veterans organizations. During these years of leadership, Cooney has met and talked with thousands of people in the 17th district about their problems — the problems of the community and of the nation.

Milton F. Cooney is an aggressive man — a sound constructive thinker — in the prime of life (age 42) — with a distinguished future before him... a future embracing the destiny of a great Metropolitan area. He pledges activity in the best interest of this district and the nation, without obligation to labor, management, pressure groups or persons or agencies having special interest in legislation.

PROTECT YOUR CHILD AGAINST WHOOPING COUGH

★ World-wide in its distribution, whooping cough is endemic in large cities, becoming epidemic on a large scale every two to four years. The seriousness of pertussis, especially in young children, is evidenced by the mortality rate—about 26 percent in infants less than one year old.

Children should be vaccinated during the first year of life. Do not wait for an epidemic. It takes several weeks after vaccination for the body to produce antibodies. Ask your physician now about protection from whooping cough for your baby.

We carry fresh stocks of vaccine under refrigeration at all times.

DRAYTON DRUG STORE

From where I sit... by Joe Marsh

One Great American Trait

I always think it does a newspaper editor good to get out from behind his desk and see how folks in other parts of America look, and think, and act.

And that's what I've been doing these past weeks, touring the country from Michigan to Texas, California to Maine. It's a mighty encouraging experience. Not only because of the different points of view you run into—but because of the tolerance which reconciles those different points of view.

I mean the tolerance of a Pennsylvania farmer for the habits of his city cousin; the tolerance of folks who vote one way towards those who vote another; the tolerance of those who prefer spring water towards those who enjoy a moderate beverage like beer.

From where I sit, it's that great American trait of tolerance—respect for individual tastes and liberties—that makes this country strong. Let's never lose it!

Rural Tele-news

THE RINGS YOU CAN'T HEAR — Many improvements in telephone services come about so gradually that it's sometimes easy to overlook the results. Take the matter of ringing on rural lines, for example. Ten years ago, nearly every rural-line telephone customer served by Michigan Bell heard the rings of all other parties on the line. Today 87 out of every 100 hear the rings of no more than half the parties on their line.

METAL MUNCHER—Squirrels occasionally gnaw holes in the lead sheathing around telephone cables. To prevent damage from moisture reaching the wires through these and other types of punctures, many cables are kept filled with gas. When the gas escapes, lowered pressure sets off an alarm in the telephone central office. Sensitive devices help tell where the break has occurred and a repairman can go out and clear the trouble, in most cases before service is interrupted.

DIAL DECADE—Ten years ago only one-tenth of the telephones on Michigan Bell's rural lines were dial. Today, even though the war years temporarily halted the extension of dial service, nearly two-thirds of the rural-line telephones are dial. Michigan Bell's \$13,500,000 5-year postwar rural expansion and improvement program will mean still more rural dial telephones as time goes on.

MICHIGAN BELL TELEPHONE COMPANY
Our \$13,500,000 postwar rural construction program means more and better rural telephone service

Mrs. Holbrook was formerly Julia Mae Chestnut. Mr. and Mrs. Robert Howell and family spent last weekend near Standish on a fishing trip. David, Sanford and Lucille

COONEY SAYS CONGRESS MUST CUT LIVING COSTS Veteran, Judge Seeks Congressional Seat Congress faces two critical problems — how to cut the high cost of living and what shall be done to preserve the American way of life, threatened as it is within the United States, and the peace of the entire World — according to Milton F. Cooney, Pontiac attorney and former Pontiac Judge who is a Republican candidate for U. S. Congressman from the 17th District. "Price controls were removed to give competition an opportunity to produce lower prices, but government subsidies of farm prices continue. The use of millions of tax dollars in the program has helped materially in forcing food prices to an all time record high," said Cooney in a statement to the press today in which he outlined his platform. "There is no common sense basis for removing price controls with glib statements that the law of supply and demand will bring prices to their normal level and then at the same time allow the government to keep prices up," Cooney continued. "And this is only one of many examples."

Serve "Their" Favorite Food Often BUTTER-CRUNCH A LA MODE 4 tablespoons butter 1 cup brown sugar 2 tablespoons flour 1/4 cup water 4 to 5 cups-corn flakes 1 qt. ice cream Melt butter and stir in the combined sugar and flour. Add water, stirring to blend; cook over low heat until mixture forms a soft ball in cold water. 236° F. Quickly pour over cereal, mixing thoroughly. Spread out on large pan and partially cool. Pack into a well oiled 1 quart ring mold. Chill in refrigerator. Loosen edges with knife and turn out onto serving plate. Fill center with ice cream. Sprinkle fresh or frozen berries on top. Serves 6.

Ice cream will fill the bill of taste enjoyment for lunch, dinner or snacks. Serve the family all the ice cream they can eat for no matter what season of the year it remains at the top of the list of America's favorite foods. It is one food when served alone, needs no advance preparation. Or if served with a sauce can be as simple and time-saving as necessary. For a new taste treat, try a butter-crunch ring filled with ice cream and topped with fruit-in-season. The cereal ring may be made with your favorite flaked cereal and the ring may be formed in a ring mold or pressed into a ring on a shallow pan. The crisp crunchy texture of the cereal is a pleasant contrast to the ice cream and the fruit will add a tartness that is most refreshing. Lake herring is among the fish the U. S. Fish and Wildlife Service is experimenting with in the making of canned fish spreads. extend through October 5th, conservation department officials report. The first full season for daylight dog training on pheasants, grouse or rabbits, established last year by the Legislature, is now running. It extends from July 15 to April 15 throughout the state. Cooney, 42, resides in Pontiac where he was born and attended high school. He attended Wayne University and was graduated from the Detroit College of Law. In 1935 he was elected Judge of the Pontiac Municipal Court and was re-elected in 1938. During his occupancy of that bench he led a fight to streamline the operation of the Court which resulted in its being operated at a profit rather than at a cost to the taxpayers. "The voters have a right to know their candidates and what they intend to do," declared Cooney, "and I am willing to have my stand and aims thoroughly discussed."

"For example, I believe the best way to prevent war and the surest guarantee of peace is in preparedness." Cooney is a veteran of World War II and served both as an enlisted man and as an officer. He is a past State Commander of the AMVETS, the newly recognized veterans organization of the second World conflict. "In helping to get the cost of living in line, we must remove Federal taxes on oleo and all other items of food and household necessities," Cooney stated. "In discussing housing, Cooney said that he will actively back extension of FHA to aid private home building and encourage Federal aid in prompting municipal housing projects that will allow owner occupied, taxpaying homes where such homes are not provided through private housing."

"I will actively back passage of a bill to make the St. Lawrence waterway project an actuality, because this project will bring great benefits to Michigan and the 17th District. Cooperation with other sections of the midwest and east is essential if we are to see its completion. I also want to see a 'West Point' for career diplomats established so that deserving young people can be properly trained in the subtle art of diplomacy," Cooney stated. "Because education of our people can best guarantee the continuation of the American way of life, I will support Federal aid to education so that every American child can be assured a sound, basic education. This aid should be available to locally controlled schools so that it can be used best to fit local needs," Cooney declared. "I will support Presidential candidate Dewey in a thorough housecleaning and reorganization of the Federal government to eliminate unnecessary employees, improve its efficiency and help bring the cost of government down to earth," Cooney stated.

FUMIGATE GRANARIES TO PROTECT GRAIN

Bran bugs and weevils are big enemies of grain stored in granaries, points out county agricultural agent Karl D. Balley. He urges farmers to inspect their stor-

ed grain regularly from now on for evidence of damage by these insects.

Damp grain tends to heat and it is in heated grain that these pests may be at work. Bran bugs and weevils can cause grain to

heat enough to cause great damage in addition to the injury done by their feeding. Warm weather during the fall is very favorable for grain insects.

Fumigation is the best means of getting rid of bran bugs and weevils, once they infest the grain. Ray L. James, extension entomologist at Michigan State college advises that careful attention must be paid to the conditions under

which fumigation is done. The granary must be tight enough to prevent the fumigating material from escaping through the walls while fumigating is being done. The temperature of the grain must be above 65 degrees Fahrenheit when the work is done. The fumigant should be used according to directions obtainable from the agent's office.

James recommends a mixture of three parts of ethylene dichloride and one part of carbon tetrachloride for fumigating. The carbon tetrachloride is essential because ethylene dichloride is explosive when used alone. Both substances are poisonous and must be used with great care. Avoid breathing

the fumes. The mixture is used at the rate of one gallon to 200 bushels of grain.

Take the capacity of the granary into consideration, since one gallon of the mixture will not be enough for 200 bushels of grain in a 1000 bushel capacity granary. County agricultural agent, Balley can give further information on the fumigation of stored grain.

VOTE REPUBLICAN FOR

J. HAROLD STEFFES FOR PROSECUTOR

Judge J. Harold Steffes

The Fighting Judge of Berkley

★ Attorney at Law

★ Judge of the Municipal Court

★ Aggressive, Honest, Relentless Prosecutor of Crime

A Common Man with the common purpose of all good citizens to

STAMP OUT CRIME

in Oakland County

-NOW-

There comes a time when all good citizens arise to action. Now is the time to elect a prosecuting attorney who is pledged to work for the ideals we all work for every day... a safe and secure community in which we, our wives and children, may be protected from the vicious criminals and hoodlums who now strut in our midst flouting their crimes and bragging of their misdeeds.

J. HAROLD STEFFES for Prosecutor
