Fourteen Enter Pie Contest

Last Friday the local apple pie contest was held at the Township Hall. It was sponsored by the Clarkston Rotary Club. The judges were Mrs. William Edgar, William Sharpe and Robert Waters.

There were fourteen pies entered and they were all so good that the judges had a real task selecting the best. Of course they had to follow a score card and that helped a great deal. The same score card was used throughout the county.

To make the program more interesting the Waterford Hill Orchards and Ralph Kreger exhibited some delicious looking apples.

At about 7:00 p. m. William Burns, president of the Rotary Club presented the prizes. The first prize of \$10.00 went to Mrs. Joseph Hubbard; second, \$7.50 to Mrs. Robert VanMarter; third, \$5.00 to Mrs. Ralph Thayer and a bushel of apples went to Mrs. Milan Vilet. Following the program the pies were sold at auction.

The three top winners will enter the county contest in Pontiac this afternoon.

Bobby Schwarze Celebrates Birthday

Bobby and Freddie Schwarze are the sons of Mr. and Mrs. Rudolf Schwarze of 6014 Pinehurst, Clarkston. Their grandparents are Mr. and Mrs. William Hagele of 120 Oliver St. in Pontiac. Bobby was seven years old on Thursday, September 16, and Freddie will be one year old on November 15.

Auburn Wins Doubleheader

The Auburn Heights ball team won two games last Sunday on the Clarkston High School field beating Keego Harbor 4 to 0 in the first tilt and coming back to take Clarkston's measure 7-0. The Clarkston-Auburn clash was a much closer game than the score indicates however, as Bill O'Rourke and Bob Hopp hooked up in a pitchers' duel that lasted for eight scoreless innings. Clarkston infield turned in sparkling plays all afternoon, but fell apart in the ninth to let Auburn tally 7 runs on one hit. O'Rourke, turning in one of his best performances of the season, held the hard hitting Heights team to three singles over the route, while the Merchants nipped Hopp for six hits including Hauer's triple.

Next Sunday these same three teams will play at the Auburn Heights field, with Keego and Clarkston teaming up in the first game at 1:00. Auburn will play the winner at 3:00.

Teachers Welcomed Next Wednesday Eve

Mrs. Ralph Kreger, general chairman for the welcoming dinner at the school next Wednesday evening, announces that she has some very competent helpers. Mrs. Leach is the dinner chairman with Mrs. Orlo Willoughby taking charge in the dining room.

All reservations must be in not later than Tuesday morning. Tickets may be secured from any member of the executive board or at O'Dell's Drug Store.

Local Girl Enters Stephens College

Miss Janet Hoyt of Clarkston has been accepted for admission at Stephens College in Columbia, Mo., and arrived on campus Sunday, September 12th. An important event during the Sept. 13-17 registration period was an all-college convocation on Monday evening as the formal opening of the 116th year in the history of Stephens College.

The calendar of events at Stephens during the coming months will include several nationally significant campus institutes concerned with "Women as World and Community Citizens". Scheduled to be housed in Stephens' new \$500-seat Assembly Hall, these conferences will attract educators and civic leaders from throughout the nation.

Miss Hoyt is the daughter of Dr. and Mrs. D. F. Hoyt of 7530 Maceady Lake Rd., Clarkston.

Lakefield Farms of Clarkston exhibited the Reserve Grand Champion Holstein Cow and the Grand Champion Shropshire Ewe at the Michigan State Fair last week.

Consumers Power To Pay Refund

Checks for a total of \$882,700 were mailed from Detroit today to more than 100,000 persons who were users of natural gas in the Pontiac Division of Consumers Power Company between October, 1942 and October, 1945.

The checks represent refunds due under a Federal Court Order reducing wholesale gas rates of the Panhandle Eastern Pipe Line Company. The court decided that Panhandle had charged Consumers too much for natural gas from Texas delivered during the 1942-45 period and ordered the overcharge distributed among the ultimate users of the gas.

About 70,000 gas meters are involved, but the number of checks runs about 100,000 because two or more customers, in many cases, share the refund for a particular address. Customers who used gas at two or more locations during the period will get more than one check. Average amount of the checks is about \$3.45, but many are much smaller, and many others much larger. Industrial, commercial and domestic customers all share in the refund.

Checks are drawn on the Community National Bank of Pontiac and signed by L. L. Laing, court-appointed administrator of the refund. A large staff under Mr. Laing's direction has been busy for several months calculating the amount of the refund for each customer.

The Pontiac Division of Consumers Power Company includes Mt. Clemens, Royal Oak, Birmingham, Ferndale, Hazel Park, Plymouth and many other communities in Oakland, Macomb and Wayne Counties.

Vows Spoken In Pontiac Saturday

Last Saturday afternoon, September 11, at 4:00 o'clock the wedding of Mary Ann Petford, niece of Miss Clara Petford of Pontiac, and Stanwood M. Radoye, son of Mrs. Madeline Radoye of Clarkston, took place at the All Saints Episcopal Church in Pontiac.

Two hundred guests heard the Reverend Ivor L. Curtis read the marriage rites before an altar banked with gladioli and chrysanthemums.

The bride wore a white satin gown featuring a fitted bodice, a full skirt and train. Seed pearls were used to border the neckline and trim the illusion yoke and the long sleeves ended in points over the wrists. Her finger tip veil of illusion fell from a lace Dutch cap. She carried a shower bouquet of gardenias, stephanotis and ivy from which fell long satin streamers.

Mrs. Robert L. Giroux was her sister's matron of honor and bridesmaids were Mary Keeler of Clarkston, Mrs. Richard L. Kimball of Ft. Wayne, Ind., and Patricia Paschall of Pontiac. They were dressed alike in pale blue satin styled with fitted bodices square necklines with rolled collars and full skirts. They wore small Dutch caps of the same material and carried shower bouquets of lavender, gladiolus and ivy.

At 8:30 p. m. a reception was held in the home of Mrs. Radoye at 1000 A. M. Church Bible School. Mrs. Radoye is the daughter of Mr. and Mrs. Frank G. Ronk of Clarkston, Clayton T. Walk of Clawson, Lawrence L. Bingham of Birmingham and Robert L. Randall of Berkeley seated the guests.

The bride's aunt wore a grey crepe dress with powder blue hat and black accessories. The bridegroom's mother was in powder blue with black accessories. Gardenias corsages complemented their attire.

Immediately following the ceremony a reception was held in the Rose Kneale room at Stevens Hall. For their honeymoon in northern Michigan, the bride was wearing a grey dress with grey accessories.

When the newlyweds return they will make their home in Clarkston.

Big Paper Drive Next Saturday

Just another week before the big waste paper drive is sponsored by the local boy scouts. They are looking forward to a bundle or two from every home in the district. Your cooperation is needed if the boy scouts here are to keep active. Very seldom do the boy scouts in Clarkston ever ask the public for anything. However, like any organization, they need something in the treasury in order to keep going. Now is your chance to help them.

Saturday, September 25, is the day. Have the bundles at the curb for easy pick-up.

C. H. S. Graduate At Taylor University

Miss Barbara Rioux, daughter of Mr. and Mrs. Harold E. Rioux, Davidsburg, Michigan, has enrolled for the fall semester of Taylor University, Upland, Indiana, according to an announcement made by Miss Ruth Young, Registrar. The freshmen orientation program at this 103-year-old college began September 6. The new students will be guests tonight at a Faculty-Student Reception at which they will be presented to Dr. Clyde W. Meridith, president.

Clarkston Locals

Last Sunday morning the Clarkston Methodist Sunday School recognized the birthdays of Porylli Snover, 13 years and Mrs. O. J. Willoughby.

Mr. and Mrs. Herbert Souby are leaving today (Friday) for Cincinnati, Ohio, where they will attend the Western and Southern Insurance Company's sixtieth anniversary. They expect to return home on Sunday.

Waterford

Twenty-one young people enjoyed an outdoor Luau League meeting at the home of Martin Wager on Sunday evening. A series of film strips on "How We Got Our Bible" was very interesting. Plans were made for a Halloween Party on October 30 at the Wager home with the neighboring Leagues as guests. The annual election of officers will be included in the next meeting on October 17th at the home of Nancy Nelson.

Mr. and Mrs. Guy Winters' and daughter, Betty, of Farmington spent Sunday with their cousins, Mr. and Mrs. John Miller. Mr. and Mrs. Kenneth Miller, who just returned home from a trip to Chicago also called at the Miller home.

There are 761 pupils enrolled in the Waterford village school so far. Last year the enrollment totaled 620.

Mrs. Stanley Hawkins is now the correspondent for the Clarkston News. She would appreciate your calling her if you have any news items.

The basement for the Christ Lutheran Church was dug this week. The erection of the new building will soon be under way.

November 25th has been chosen as the wedding date for Charlotte Hall, daughter of the late Mr. and Mrs. Charles Hall of Waterford, and Norman D. Schmuck son of Mrs. Mary Schmuck and the late Frank Schmuck of New Harmony, Indiana.

Marian Emery started her sophomore year at Augustana College, Rock Island, Ill., this week.

Mrs. Nellie King returned home Wednesday after having spent a few days in Hudson with her son-in-law and daughter, Mr. and Mrs. Harold Wormley. Mrs. Wormley came home with her mother and returned to Hudson on Thursday.

Plan to attend the first P. T. A. meeting next Thursday at the school. There will be a pot-luck supper at 6:30. Each person will furnish their own table service, bread and a large dish of food to pass. The teachers will be guests. The new officers will be installed.

It was also announced that the next Family Night will be on Sept. 22 with pot-luck dinner at 6:30. Patty Loomans' High School dramatics class will furnish the entertainment for the older ones.

Youth gatherings will be started soon.

Twenty-eight persons' enjoyed pinocle at the Club House on Monday evening. The group changed their night from Monday evening to Tuesday evening every two weeks. The next party will be on September 28. The group will patronize the Dairy Bar for refreshments.

The Dairy Bar is open every day except Sunday at 11:00. Why not come here for lunch with your friends?

Firemen's Ball Saturday, Oct. 2

The Clarkston Firefighters Association is once again preparing to bring you the best in an evening's entertainment when it presents the second annual Firemen's Ball.

This year's Ball will be held on Saturday night, October 2nd at the Clarkston School, with the music and dancing beginning at 9 o'clock. Music will be furnished by Bill Dobbins and his Serenaders of Pontiac. The Serenaders are well known and well liked in our community and the firemen feel quite sure that they will provide the best in music for your dancing and listening pleasure.

More beautiful prizes will be given away this year with the compliments of the association. Plans are also being made for a display of rescue and firefighting equipment.

A special added attraction to this year's program will be the identification of a mystery couple. Mr. and Mrs. X. Does it sound exciting, interesting and crazy? Be sure to watch this paper for further details and in the meantime take a good look at your next door neighbor!

So from all indications it looks like a bigger and better Firemen's Ball this year. Refreshments will be served throughout the evening and intermission time promises to be chock full of excitement. Ask any of the local firemen for additional information and watch this column carefully for the next few weeks.

Remember the date Saturday, October 2nd, and also remember that a wonderful surprise is in store for the person who identifies Mr. and Mrs. X!

Clarkston Pays Paving Bonds

In 1938-39 Clarkston paved its streets with black-top at a cost of \$30,000. Of this amount \$4,000 came from the general fund; \$16,000 was furnished from Federal and State aid; \$10,000 was from a bond issue.

This week the last of the bonds were paid for in full and the village is free from any bonded debts and Clarkston does have paved streets.

Promotions Made By Michigan Bell

Appointment of Harry L. Lawford, Commercial Superintendent of the Michigan Bell Telephone Company's Pontiac District, to the same post at Flint was announced today by James F. Healey, head of the Company's Eastern Division.

Lawford will be succeeded by F. L. Spooner now manager of the Pontiac Exchange, while Robert E. Poll, Manager at Mt. Clemens, will take Spooner's place.

All appointments are effective immediately.

Lawford has guided the Activities of the important Pontiac district of the Telephone Company since January, 1947, having been promoted from manager of the Pontiac Exchange.

In addition to Pontiac, the district here includes Clarkston, Lake Orion, Leonard, Oxford, Rochester, and nine exchanges in the Mt. Clemens area.

At Flint, Lawford will have jurisdiction over 17 exchanges. He first went with Michigan Bell as a salesman at Saginaw in 1934. He also has been outside Representative at Pontiac; suburban manager at Port Huron, unit manager at Flint, and manager at Bad Axe and Bay City.

Spooner has been with the Company 23 years, starting in survey work in the Commercial Engineering Department at Detroit. He was a unit manager for the company at Detroit from 1943 until he was promoted to manager of the exchange here in January, 1947.

A graduate of the University of Michigan in 1926, Poll has been with Michigan Bell 15 years, before being named manager at Mt. Clemens in 1946. He served in various capacities for the company at Detroit; Lansing, Grand Rapids, Saginaw, and Flint.

Ortonville News

The apple pie contest sponsored by the Ortonville Rotary Saturday was a tremendous success.

In the afternoon a pie eating contest was enjoyed both by the children and the adults who watched the contest. Three age groups of children participated in the Pie Eating Contest. Of the first group the winner was Dickie Hutchings; in the second group Clark Flood was the winner; in the third group Bob Barwick won.

The Women of Ortonville and surrounding community backed the contest wholeheartedly by entering 33 pies to be judged. The judges made their final decision of 5 winners; from 31 pies, as 2 pies were entered after the time limit.

The judges, Mrs. Beatrice Williams, Mrs. Pauline Westlake, and Mr. George Marble began their task at 6:30 and deliberated over a period of 4 hours.

While waiting for the judges to announce the winners, an ice cream social and a local talent program, under the direction of Mr. J. Flannigan of the Honolulu Conservatory of Music, was enjoyed by the waiting group.

At 10:30 the judges announced the following winners: Mrs. Ester Weil, first place; Mrs. Daisy Featherstone, 2nd place; Mrs. Clark Miller, third place; Mrs. A. Bailey, 4th place and Miss Barbara McPhail, fifth place.

Miss McPhail is a student at the Ortonville High School.

Initial Enrollment 1948-1949: Kindergarten - 45; first grade - 47; second - 38; third - 33; fourth - 26; fifth - 35; sixth - 51. Total - 275. Last year's enrollment was 240. Seventh - 57; eighth - 61; ninth - 62; tenth - 60; eleventh - 45; twelfth - 45. Total - 328. Last year's high school enrollment - 284. Total enrollment in elementary and high schools this year - 605; last year - 524; an increase of 81.

Bus routes are temporary and subject to change as we analyze provide that elementary pupils shall not be required to walk more than 1/2 mile. High School pupils may be asked to walk one mile. The routes will be established to provide as convenient transportation as is possible. The operation of a second bus is being considered.

FIRST GRADE

We are off to a good start. Monday we started our first book "Before We Read". It is a reading readiness book to help us learn some of the things we must know about good reading habits. Each morning some of the children tell a little personal experience story. Those who tell a story have their names on the story board.

We are also learning to write on the board. First we must learn how to hold our chalk in a little house and how to stand. Tuesday we made nice straight lines to music. We found letters on the board that we can make with our straight lines. Soon we will be learning to write some of them.

FIFTH GRADE NEWS

There are thirty-five in the fifth grade this year.

We had a lot of fun telling what we did during vacation. Several of us took some nice trips. We are sharing our pleasures with others by bringing pictures, petrified wood, mica and other souvenirs.

We have a large collection of arrow heads and Indian relics, to make our first history lessons more interesting. Indian pictures adorn our room.

STATE TO BUY RED PINE CONES

The conservation department will buy 1,400 bushels of red pine (Norway) cones at \$8 a bushel this year in the lower peninsula to supply seed for the department's nursery. The price is \$3 over that of last year.

Five district foresters have been named to pay cash for the cones, which will be inspected closely to see that they are ripe and in good condition.

The cones are expected to mature about September 15. Before this time, they are generally not "out of the milk", that is, not ripe yet. When red pine cones open, they are of a deep purple shade with brown scale tips.

Persons who plan to pick cones for sale to the department should check with district foresters as to the proper time to start picking, in order to avoid rejection.

District foresters authorized to purchase cones are: Fred Haskin, Fife Lake state forest; H. V. Borgerson, Higgins Lake state forest; Shirley Gowling, AuSable state forest; Grayling; Robert Leeson, Pere Marquette state forest, Baldwin; and Allen R. Philbrick, Ogemaw state forest, West Branch.

FRESH AIR IS BEST WEAPON AGAINST GERMS

Best way to keep the air in your home comparatively germ-free is to ventilate the house properly, a University of Michigan professor of bacteriology has commented.

"Diluting indoor air in homes and hospitals with outside air is the easiest way to lower the concentration of bacteria", Dr. Walter J. Nungester explained.

Ultra violet lamps, which are occasionally used to reduce bacteria concentrations in the air, have definite limitations, he added. The effect of the rays is weakened in accordance with the distance they must travel. Also it is necessary to take precautions against burns to the skin and against eye damage which may result from over-exposure to the ultra violet rays.

Although many disease-causing bacteria are carried by air and dust particles—for example, tuberculosis, diphtheria, measles and mumps—it is not very easy to catch an airborne infection, Dr. Nungester says. To be dangerous, the germs must be inhaled and kept in the air passages of the nose or lungs. Quite often, germs are breathed out immediately. Even if retained, they must be in sufficient numbers and strength to cause disease. Experiments indicate that getting chilled and drinking alcohol increase susceptibility to airborne diseases, Dr. Nungester observed.

MIGRAINE -- MALADY OF THE EMOTIONS

Scientists find deliberately suppressed or unconscious feeling of anger is a basic cause of migraine headaches. How science is straightening out these mental twists to bring relief to migraine sufferers, is described in "Migraine -- Malady of Emotions", in The American Weekly, great magazine with this Sunday's (Sept. 19) issue of The Detroit Sunday Times.

Default having been made for more than thirty days in the conditions of certain mortgage made by Harold E. Ogden, a widower, and Susie Ogden to Clarkston State Bank, a Michigan corporation, dated the 30th day of April, A. D. 1947, and recorded in the office of the Register of Deeds for the County of Oakland and State of Michigan, on the 8th day of May A. D. 1947, in Liber 2090, Oakland County Register of Deeds Records on Pages 261 to 263 both inclusive, which default has continued for a period of thirty days and upwards as a result

of which the Mortgagee has elected to declare, and does hereby declare, the entire amount remaining unpaid on such mortgage due and payable forthwith, on which mortgage there is claimed to be due at the date of this notice, for principal and interest, the sum of Two Hundred Fifteen and Eighty-four one-hundredths (\$215.84) dollars, as provided for in said mortgage, and no suit or proceedings at law having been instituted to recover the moneys secured by said mortgage, or any part thereof.

NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said mortgage, and the statute in such case made and provided, on Monday the 18th day of October, A. D. 1948, at 11:00 o'clock in the forenoon, Eastern Standard Time, the undersigned will at the Easterly Saginaw Street entrance to the court house in the City of Pontiac, Oakland County, Michigan, that being the place where the Circuit Court for the County of Oakland is held, sell at public auction, to the highest bidder, the

premises described in said mortgage, or so much thereof as may be necessary to pay the amount so as aforesaid due on said mortgage, with Seven per cent interest, and all legal costs together with said attorney's fee, which premises are situated in the Township of Waterford, Oakland County, Michigan, and described as Lot numbered Forty Three (43) of Lake Williams Heights Subdivision, according to the plat thereof recorded in Liber 31 of Plats on page 13, Oakland County Records.

From where I sit... by Joe Marsh
"Farming" Versus "Ranching"

Talked to some editors who run my column in their papers—in states where there's mostly cattle and sheep raising—about the differences there might be between farming and ranching.
And they told me: "Joe, there's no real difference between cattlemen and farmers. We make our living from the land like your folks do; we have the same 4-H Clubs, and Granges; the same problems of prices and marketing.
"When it comes to recreation, we have the same liking to get together now and then for a barbecue and a friendly glass of beer."
And from where I sit, that about sums it up. Ranchers may have different names for things or grow different crops. But all over America folks who work the land share those common traits of hard work, sober moderation, and good fellowship, whether they're growing cattle for beef, or barley for good American beer and ale.

EYES AT WORK NEED Certified LIGHT

IN THE EVENING when lighting is poorest, many eye-taxing, headache-inviting tasks arise. Mother mends... Father checks the accounts... Junior does his school work... Sis practices her music. All of these tasks call for the best in seeing.

The best way to lighten the load on precious eyes is with Certified Lamps. What is a Certified Lamp? It's a lamp engineered to exacting specifications... especially designed to direct the right light onto the work surface... not into the eyes.

Not all lamps are Certified Lamps, but it is easy to identify those that are for only they bear a Certified Lamp tag. They're easy to own, too—\$10.95 and up. See them today in leading department, furniture, and specialty stores.

The Ladies Aid Society of the United Presbyterian Church is making plans for a "Harvest Home Supper" and bazaar to be held on October 1st in the church parlors. A cafeteria supper will be served from 5:30 until 7:00. Mrs. Alfred Hutchinson is general chairman of the affair and Mrs. Frank Jeffery will have charge of the kitchen. Mrs. A. A. Solomon and Mrs. Burl Morris, the dining-room and Mrs. William Sutliff will be in

charge of fancy work. Donations of handwork for the bazaar will be appreciated. Two hundred attended the first P. T. A. meeting of the year on Tuesday evening at the school. A pot-luck supper was served at 6:30 to teachers, parents and their families. After the supper a reception was held for the teachers. A short business meeting was held and then everyone enjoyed a social hour. Plans were completed by the Blue Star Mothers, Chapter 10,

of Drayton Plains and Mrs. John Scott, general chairman, for the unveiling and dedication of the newly erected monument in honor of the service men and women of the community. The program took place Thursday evening at 7:00 p.m. on the lawn at the Drayton Plains school. All of the Blue Star Mothers attended in a body and they were dressed in their white uniforms.

The Fellowship Sunday School Class of the United Presbyterian Church will hold its business and social meeting on Friday evening at the home of Mr. and Mrs. Glenn O'Berry in Drayton Woods. A pot-luck picnic supper will be served at 6:30. Everyone is to furnish their own table service, hamburger or wieners and rolls for themselves and a dish of food to pass.

Patsy Doyle returned to her home last Monday from the contagious hospital where she had been confined with diphtheria for the past three weeks.

The adult Sunday School Bible class will sponsor a pot-luck supper at 6:30 followed by a program and a reception for the new pastor and his family on Friday evening in the United Presbyterian church parlors. Everyone is cordially invited.

Conservation News

A white spruce worthy of Paul Bunyan's forests has been discovered in the Little Harbor area of the Garden peninsula in Schoolcraft county.

The tree measures 7 feet 4 inches around at a point 4 1/2 feet above the ground, just three inches short of the girth of the largest of this species on record, and is 90 feet high.

The largest living white spruce in this country, according to an American Forestry association list, is in St. Louis county, Minnesota. This tree is 7 feet 7 inches in circumference and 80 feet high.

The timberland giant was reported to the conservation department's forestry division by Robert Schmeling, forester for the Manistique Pulp and Paper company.

Schmeling said that a company cruiser, Eino Sainio, observed the tree while crossing a woodland owned by John Wood of Manistique. The big spruce was reported sound, thrifty and well-formed. Through a boring at breast by which foresters determine tree height with an increment board, age, this tree was estimated to be 140 years old.

KEEP KETTLES FREE OF LIME DEPOSITS

Your tea kettle can be free of lime deposit although you may use hard water. It's as simple as this - wash it often and empty it when not in use, advises Miss Josephine Hoke, home demonstration agent.

Many tea kettles have a heavy lime deposit which adds to the weight, makes it harder to heat and crumbles off. If it is aluminum you can set it on a burner to dry the lime deposit. Watch it carefully and after a time the lime will begin to flake off. Tap the

kettle gently with a padded hammer and the lime can be almost completely removed.

If you have an enamel tea kettle you can't use this method but can use an acid. Fill the kettle with strong vinegar and bring it to a boil. Then let it stand with the vinegar solution several hours until the lime deposit becomes soft. This may take quite a long time especially if the deposit is heavy.

When you're canning tomatoes or making lemonade you may want to put the skins or rinds in the kettle with some liquid. Either boil this or let it stand for several days and you can remove the lime very easily.

Once you have removed the lime, washing the kettle often and letting it stand empty will prevent any more trouble with lime deposits.

PONTIAC
A Product of General Motors
Your admiration will *Grow!*
The first time you take the wheel of your new Pontiac, guide it out into the country and put it through its paces, you will make a very pleasant discovery. You'll find that you own one of the sweetest-performing cars you ever had your hands on! And, of course, you'll be pleasantly surprised at the astonishing ease and driving convenience offered by General Motors Hydra-Matic Drive, which is now available on all models of the great new Pontiac.
Yet, pleasant as these discoveries are, you'll be even more gratified to find that you like your Pontiac better every day. The thrill of that first mile not only endures—but the car's faithful dependability, and economy are a source of never-ending satisfaction. We feel certain you will be very happy if you choose a Pontiac for your next new car. Regardless of when you get it, it will be a wise choice—for Pontiac is always good—and always getting better!
General Motors Hydra-Matic Drive and White Sidewall Tires and Bumper Guards optional at additional cost.

Veteran's News

Veterans who wear artificial limbs or other prosthetic or orthopedic devices obtained through the Veterans Administration are entitled to necessary repairs and

replacements for these appliances, VA branch office officials in Columbus, Ohio, explained today. Eligible veterans include those requiring appliances as a result of service-connected injuries or associated conditions, not attrib-

ed to service, but which are aggravated by the service-connected disabilities. Appliances available include artificial limbs, artificial eyes, braces, orthopedic shoes, trusses, crutches, canes, stump socks, hearing devices and batteries, elastic stockings or belts, eye lenses and frames, cosmetic appliances necessary because of disfigurement of the face or hands, and special

clothing made necessary through wearing an appliance. The devices may be repaired or replaced when necessary due to wear, loss not due to negligence or for other sufficient reasons. VA provides the necessary fitting and training in use of the devices, including expenses to and from the veterans' homes and a hospital or training center. Veterans may obtain detailed information concerning the prosthetic and orthopedic appliance program at their nearest VA office.

Card of Thanks

We wish to thank our many friends and relatives for the kindness and sympathy shown us during the recent illness and death of our beloved mother and sister. ALL ARE CORDIALLY INVITED

now... A BETTER CORN PICKER that costs less!

We have it!—a corn picker that picks clean and husks clean—that's built stronger but weighs less!
It's the new Belle City Corn Picker, now available after two seasons of thorough field testing. Belle City engineers have increased strength, while cutting down on weight. With more than 60 antifriction bearings, and enclosed gear drives, it's remarkably easy to pull. It has hinged gathering points to pick up stalks that are leaning or blown over, and a large-capacity husking bed with steel and rubber rolls for exceptionally clean husking. With perfect balance, you don't have to lift and strain to hook it to your tractor drawbar. Operates with ALL types of farm tractors.
