CLARKSTON, MICHIGAN, FRIDAY, NOVEMBER 5, 1948

NUMBER 10

Wolves Defeat Auburn Heights

It was a long time coming, but Clarkston High's second grid victory of the year came Friday when the Wolves defeated Auburn Heights 21-0.

The game was played before a large crowd on Clarkston's home field.

The first half was a See-Saw affair which saw Auburn ringing up 6 first down to Clarkston 3 but no scores were made.

Auburn, the under-dog, clearly had the better of the first half.

Clarkston received the second half kick-off and immediately began to roll. Fell passed to Leak, who hugged the pignskin to the 15. Wells and Adams smashed the line to the five, from where Wells passed to Cecil Miller for the score. Fell dropkicked the extra point and Clarkston led 7-0.

After the ensuing kick-off the Clarkston line held and Auburn was forced to punt. The Wolves immediately began to roll again with Wells, Adams and Leak punching to the 20 yd line. Wells then faked to Fell and handed the ball to Adams who ran off the weak side in to the end zone for the second score. Fell faked a dropkick and passed to Adams for the extra point which left the score at the quarter 14-0.

Auburn was again forced to punt, following the kick-off, and Clarkston took immediate advantage. Adams raced the ball to the forty on a weak side play. Fell then took Wells handoff to the 25. On the next play, Fell again took Wells handoff but this time he passed to Leak who gathered in the pignskin and continued on into the end zone. Fell passed to Adams for the extra point.

At this point, Auburn started their first sustained drive and they rolled to Clarkston 40. A long pass was intercepted by a second long pass was intercepted by Fell. The game ended amid a flurry of action with Clarkston on top 21-0.

School Principal Attends Conference

I. J. Lavis, Principal of Clarkston High School, will attend the 20th annual Principal-Freshman Conference at the University of Michigan Tuesday, Nov. 9.

On this occasion, high school principals will have an opportunity to talk over college adjustment problems with former students who have transferred to the University.

Students from Clarkston High School to be interviewed are: Shirley Crosby, 74 E. Washington St.; Frances Dailey, Waterford; and Charles Doyle, 4110 Farmer St., Drayton Plains.

Book Tea November 17

The annual Book Tea sponsored by the P. T. A. and the elementary school Library Board, will be held at the school on the afternoon of Nov. 17th. A special program is being arranged, and a worthwhile afternoon is promised. This affair is open to the public and everyone is urged to attend and bring a friend.

If you have never seen a children's library in operation it would do you good to attend this Tea if for nothing else than to visit the library and get a glimpse of how much the young people use and appreciate their books that are furnished through paper drives and the annual Book Tea.

Inez Miller Is Club President

Keeping up with the fortunes of the University of Michigan football team is far from being the only sports activity of the University's women students—they have a big program of sports of their own.

Every woman student is automatically a member of the Women's Athletic Association, headed by Gwendolyn Sperlich of Saginaw. The Association in turn has 18 member sports clubs. Any woman student may join a sports club and receive instruction in the sport from women's physical education instructors as well as take part in club contests.

The Association sponsors inter-house tournaments each year in volleyball, basketball and softball, with teams playing as representatives of dormitories, sororities and League houses.

Among the sports club presidents is Inez Miller of 89 N. Holcomb St., Clarkston, president of the Ballet Club.

Mrs. Sam Miller Hostess Saturday

Last Saturday afternoon Mrs. Sam Miller entertained at her home on Bridge Lake Road at a pink and blue party honoring Mrs. Carl Crossman of Royal Oak. Mrs. Carl Tricker of Pontiac was co-hostess.

Refreshments were served from a table attractive with pink tapers and a floral arrangement of gladioli and fall flowers.

Among the guests were: Mrs. Gladys Robertson, Mrs. Mamie Smith, Mrs. Mildred Donnell, Mrs. Ruth Frahm, Mrs. Katherine Baker, Mrs. Olive Huntley, Mrs. Gertrude Hewitt and Mrs. Marjorie Stolt, all of Pontiac.

Births

Born to Mr. and Mrs. Roger Galligan a 7 lb. 15 oz. son, Roger Franklin, on Monday, November 1, at Pontiac General Hospital.

Mr. and Mrs. Glenn Putnam of San Francisco, California, formerly of Clarkston, announce the birth of their first child a 7 1/2 lb. daughter, Susan Louise, on Wednesday, Nov. 3, Grandparents are Mr. and Mrs. Herbie Boice and Mr. and Mrs. John Putnam of Clarkston.

Rotary Club News

Reverend I. W. Parrish, retired Presbyterian minister, now a resident of this community, was the guest speaker at the Monday evening meeting of the Clarkston Rotary Club. Reverend Parrish gave an impressive talk on the subject of "Worry".

Tom Corbin of the Waterford-Drayton Club was a guest.

Mrs. T. S. Boyns was chairman of the dinner committee and was assisted by Mrs. William Mansfield, Mrs. Clark Souley, Mrs. Elsie Smith, Miss Vivian O'Rourke, and Miss Joyce Spooner.

Hallow'e'n Spirit Visited Clarkston

Last Saturday evening Hallow'e'n got off to a good start with the party at the school starting at 6:30. The Rotary Club built a huge bon-fire which was the center of attraction following the torch-light parade from the school through the business section of town. The line of march was quite lengthy and the children had heaps of fun, dressed in most every conceivable costume that one could imagine. The crowd gathered around the fire enjoyed group singing and the school students gave out with many of their school yell and their school song. The Rotary members served doughnuts and cider. After the fire flared its last the crowd went into the school auditorium where the judging of costumes took place and prizes were awarded.

The judges had quite a task deciding which costumes were outstanding. However they tried to be as fair as possible and the prizes went to James Anderson, first; Janet Miller, second; Laura and Larry Ruggles, third and Gary Habermas, fourth. Honorable mention went to Mary Lynn Muma, Sandra Walls, Terry Kelley Susan Walter and Carol Walter.

Group singing was led by Wm. Ladd with Charles Robinson at the piano.

Following the awarding of prizes the children seated themselves on the auditorium floor and enjoyed a Punch and Judy show and several, clever feats of magic presented by Harold Ramm of the Cecil Chocolate Co., of Detroit.

Before the crowd of masked children disbanded, Don Beach arrived at the school with his camera and took a picture.

Local P. T. A. Host To County Council

The Clarkston P. T. A. will be host to the Oakland County Council on November 12th at the Clarkston Methodist Church starting at 10:00 a. m.

The Council is under the direction of Mrs. Herman Kinck. The morning will be devoted to conferences. A luncheon will be served at noon by the local P. T. A. The guest for the afternoon will be Mrs. Edith Roach Snyder. All Clarkston members are urged to attend this meeting.

Men's Club Elects Officers

At the October meeting of the Men's Club, Charles Rockwell was elected its new president. Others elected to office were: Charles Robinson, vice president; Walton Robbins, secretary and Howard Sage, treasurer.

An interesting and informative address given by the Reverend William H. Williams, former pastor at Scott Methodist Church in Detroit, was enjoyed by the fifty members of the Club present. His subject was "Inter-racial Progress".

Youth Hostel Plans Winter Program

Encouraged by the remarkable success of the Hallow'e'n week end, Harmony Valley Youth Hostel is lining up its forces for full steam ahead in preparation for the winter sports program.

The committee meeting on Sunday morning attended by William Reath, General Chairman of the works program, Chairman of Harmony Valley Hostel; Esther Sherrod, Director of Girls Activities in the Pontiac Recreation Division, Vice Chairman; Lucy Lawatch, Executive Secretary of Pontiac YWCA, Secretary; Meriam Hall, who has been active in Youth Hostelling since its introduction into Michigan a number of years ago; Treasurer and Mr. and Mrs. S. B. Siddal, House Parents, considered bids and means of financing the wintering of the ground floor area of the big barn play room. This room with its 1500 square feet of floor space will provide ample dormitory facility for boys and men. Redecoration of the second floor of the farm house for women and girls dormitory is already well under way.

Youth Hostelling in Western Europe is well established, with years of useful social service behind it. In Holland, for example, personnel and facilities are provided by the Government. In our country youth hostelling is relatively new, but well established in the East and pushing westward rapidly. The American Youth Hostel movement is headed by John D. Rockefeller III. The national organization seems well organized and efficient. Youth Hostelling in Michigan is directed by Justin Cline, executive secretary. It is a Red Feather organization in Detroit, and sponsored by the Detroit Rotary Club. A considerable number of members of Clarkston Rotary have an active interest in Harmony Valley Youth Hostel and the Club itself has given the hostel substantial financial support.

Harmony Valley Hostel has two unique and especially useful advantages.

First; Youth Hostellers have access to the facilities and program of Harmony Valley Folk Art Center.

Second: Both the Hostel and the Center, being housed in buildings owned by the Michigan Conservation Commission and under direction of the Department of Parks and Recreation have access to the three thousand acre Pontiac Lake Recreation Area. This area with its hills, lakes and woods, lends itself admirably to tobogganing, skating and hiking. An archery course is directly across the road and a riding stable with a fine string of horses owned by an excellent manager add variety.

The main attraction for winter sport in this section is the easy access to two big ski runs. Harmony Valley is now promoting the establishing of shorter ski runs directly across the road from the farm house for the benefit of the younger and less experienced skiers.

Of course, Clarkston folks are invited to use these facilities and group passes for organizations such as Camp Fire, Scouts and the like will be considered. Write Harmony Valley or call the Sidal-residence, Clarkston 5488 in the morning, evening or weekends.

Harmony Valley is rugged and secluded, but handy. Just six miles west of Clarkston at the corner of White Lake and Teggedine Roads.

Truman Wins Political Upset

Although results were not known until Wednesday noon the president who was "all washed up" will still be doing business at the old stand for the next four years. Even Michigan, which landed in the Dewey column replaced its republican governor with the democrat candidate, Williams. Congress will be under democratic control.

Independence Township divided its 1269 ballots as follows: Dewey 781, Truman 450, Sigler 711, Williams 553; State Senator Ferguson 766, Hook 476; Congressman 17th District, Dondero 716, Brown 526; Circuit Court Commissioners Cole and Hampton received majorities.

For State District Representative, Fred Beardsley received the nomination over Donald Adams.

What a Treat the Housewives in Clarkston are Having

On Saturday, Nov. 6th starting at 11 a.m. the American Legion Auxiliary will have a bake sale at the Township Hall.

You Are Invited To Gospel Meetings

Mr. Oscar Van Impe and his son Jack will begin a week of gospel meetings on Sunday at the First Baptist Church. They will play and sing at all the services Sunday and Mr. Van Impe will speak at the 11 A.M. Service and again at the evangelistic service at 7:30. Jack will have charge of the meeting especially for young people at the 6:30 P. M. service.

Mr. Van Impe was born in Belidun. He married and came to United States in 1928. Because of his dissatisfaction and unhappy state of mind he began to seek something to satisfy the longing of his heart. He began to play in beer-gardens in the city of Detroit and for several years gave himself to this kind of life and tried to add something to the happiness of the patrons of those places. In 1942 Mr. Van Impe under the guidance of the Lord was led to have fellowship with a group of christian people who met near where he lived. His son Jack was also converted and now Mr. Van Impe says, "the accordion that once lulled people to hell in beer-gardens vibrates with the message of salvation".

Since that time Mr. Van Impe has become a graduate of the Detroit Bible School and now is going his entire time to preaching the gospel that has made such a change in his life. He will speak and sing every evening next week at 7:30 P. M. in the Baptist Church. The public is cordially invited to attend these services and enjoy his messages in sermon and song.

Auxiliary Plans Future Activities

On Tuesday evening Mrs. Edward O'Roark and Miss Vivian O'Roark were hostesses to the Ladies' Auxiliary to Campbell's Richmond Post of the American Legion; at their home on E. Washington St. There were 22 present.

Mrs. William O'Roark, president conducted the business meeting when plans were made for a Bake Sale on Saturday morning, Nov. 6, at the Township Hall starting at 11:00 clock. Mrs. J. D. Powell will be in charge. It was decided to have the annual Christmas dinner for the members of the Legion Post and the Auxiliary in the Rotary rooms on the evening of Dec. 7th. Mrs. Hugh Cheeseman will be the general chairman. Projects for Christmas were discussed and decided upon. Members were urged to attend the District meeting in Clawson on Nov. 5.

At the close of the evening the hostesses served dainty refreshments.

MRS. GEORGE PERRY ENTERTAINS CIRCLE

On Tuesday afternoon the Martha Circle of the Methodist W. S. C. S. met at the home of Mrs. George Perry. A pot-luck luncheon was served at 12:30. There were 18 present.

At the business meeting conducted by the chairman, Mrs. Agnes Beardsley, committees were named for the Rotary dinners, and Family Night dinner to be in charge of the Martha Circle. It was decided that the January meeting will be an evening meeting at the home of Mrs. Walter Saxman; in February the group will meet with Mrs. Earl Hoyt; the March meeting will be at the home of Mrs. W. H. Stamp; April meeting will be at the church and in May the Circle will meet with Mrs. Lloyd Sibley.

pleted the review of the book "Peace of Mind". This book has been very interesting as presented by chapters by Mrs. Ronald Alder and Mrs. Huttonlocher. The group gave them a vote of thanks and a hearty applause for their very fine outline of this splendid book.

By the Way . . .

Money—a commodity that can't buy happiness, but helps you look for it in a lot of interesting places. . . . In our estimation the upset in the presidential election results can be laid to one thing—political polls. All of them indicated the president would lose. The famous Kiplinger Letter indicated a trend to Dewey. The U. S. News and World Reports indicated Dewey. Standard and Poor's Financial Advisory Service printed a booklet on what to expect under a republican president. To the president this indicated he had to work if he wanted the job—so he went to work—and WON. To the republicans the polls indicated such a victory that they could relax. They did, and lost. Someone has said the difference between success and failure is 2%. The election was so close a trend of 2% might have changed the final results. It's the old story of the hare and the tortoise. Even one daily admits Gallop "Ain't so hot."

Current pictures in the dailies show a lady with long tresses, she does not intend to put until a republican president takes over the white house. On her the hairdo looks good. Come to think of it the goatie on brother Burt in the drug store is rather distinctive. He may get so used to it in the years to come he will retain it even after the election bet is paid. . . . Going back to Hallow'e'n, while the consensus of opinion seems to be that burning, prematurely, the fuel arranged for the children's bon-fire was unnecessary, if not uncalled for, most pranks were of a harmless nature. In fact we doubt if those who worked so hard to barricade the hardware and drug store got any more pleasure out of the undertaking than Alger or O'Dell. Perhaps the prank that caused the most discussion was the draping of the village limits sign post with a sign reading "Tombstone Village Limits". The writer noticed a few taking pictures of the sign post south of the village. . . . Now our attention can get off politics and relax on feather parties and deer hunting.

The Saturday Night Dance Club of Clarkston will not meet in November. Instead of the regular third Saturday of the month, the Club's next meeting will be on Saturday night, December 4. Mr. and Mrs. William O'Roark are chairman, telephone no. Clarkston 4751.

The Weather

I thought, how nice the weather'd been!
How perfect was the season.
I'd marveled at the perfect blend
Of warmth and cold with reason,
I thought way back to flowers
gay,
That bloomed when spring was
coming.
I still remembered creeks in May
With crystal water running.
I loved to think of things last June,
When buds were on the roses,
When heaven and earth were right
in tune,
And woods were full of posies,
I still have tan on face and limb
Acquired in the summer,
When I exposed myself to swim,
"The sun was sure a hummer"
The fall I thought had been just
grand,
With soft and gentle breezes.
The farmers gathered from the
land
Their crops before the freezes.
Yet just today a man complained
About this season's weather,
For all his hills, he placed the
blame.
On gloom and rain together.
I'm glad alike we couldn't see
For life had been quite thrilling
With months that seemed so good
to me,
While others had been chilling.

Mr. and Mrs. Henry Watchpocket of Detroit visited the former's brother and wife, Mr. and Mrs. John Watchpocket on Friday evening.

The young people of the Waterford Church will have a meeting on Nov. 7th at which time officers will be elected for a six month period in their organization.

The Fall Festival held on Monday night at the Waterford Community Church was a success in that there was a capacity crowd and those who attended had a good time. The young people and the Gospel Fellowship Cass were in charge. A committee composed of Alton Goll, Henry Mehlerberg and Mrs. Alton Banfield assisted the other groups. Games of all kinds suitable for the occasion were played. Doughnuts and cider were served at the close of the evening.

Over one hundred persons heard Superintendent William Shunck speak on what he thought of P. T. A. and his experiences with it as a teacher. He stated that "Any School system is just as good as the people in the community want it to be, and just as poor as the people will let it be." He urged the people to attend the monthly meetings held in the high school which dwell on "Normal Human Behavior." James Sutton father vice president, conducted the meeting in the absence of Mrs. K. B. Valentine. The fifth and sixth grade pupils from Mrs. Gladys Watchpocket's room gave a demonstration of their daily opening exercises which included prayer, flag salute, and singing. This room will have the "parent attendance plaque" for this month for having the largest percentage of parents at this meeting.

Mr. and Mrs. Arthur Walter spent last weekend with relatives in Sarnia.

Mr. and Mrs. Clyde Deo have returned home from a trip to

Florida. It is Jack Davidson who has joined the Coast Guards and is stationed at Cape May, New Jersey instead of Jack Hall as was published last week.

Mrs. Ida Hayden left on Tuesday to spend the winter in Detroit with her son-in-law and daughter, Mr. and Mrs. Clarence Hayes.

Mr. and Mrs. James Stites attended the funeral of Mr. Stites' father on Monday.

Four hundred and twenty-five persons enjoyed a fine Costume, Halloween Party in the building last Saturday evening. The judges report that they found it very difficult to award the prizes for the costumes because there were so many to choose from that were so very good.

WINTER FEEDING CAN START NOW

Pasture days for Michigan cows are about at an end so A. C. Baltzer, extension dairyman at Michigan State College, advises beginning the winter feeding program as soon as possible.

The silo should be opened to prevent spoilage of the top layer. Fresh chopped stalks can be fed to supplement the daily feed. A balanced grain ration should be worked out and feeding begun. Once the milk flow has dropped, Baltzer points out, it is impossible to bring it back up. Good feeding will help to hold production at a profitable level.

The specialist gives a word of caution about the cow's water supply. Sudden freezing can cause broken pipes. A little protection will prevent a sudden stop in the water supply due to freezing weather.

THANK YOU VOTERS!

The Hilltopper

THIRD GRADE NEWS

We enjoyed our Hallowe'en party and were glad to have Mrs. Weston with us.

We saw a strip film "Twin Bears" last week.

Ronald Annett brought his pet turtle and we enjoyed watching him.

Last week the following had E in spelling, Harold Mahieu, Betty Brian, Jerry Snover, Joanne Springer, Barbara Rockwell, Garet Marks, Frances Hancock, Gail Weston, Nancy Knox, Rea Watterworth, Sandra Walls, Jeanne Holcomb, James Weber, Deanne Tebo, Bobby Waters.

5th Grade

We have a new girl in our room. Her name is Anna Brewer.

Because we need to do better work in Arithmetic we have revised our schedule so that we have twenty minutes in the afternoon for practice problems besides our regular morning period.

We had a lot of fun at our Hallowe'en Party. There were so many funny costumes it was hard to judge them. However, Judy Walker, won first prize, Billy Annett, second and LeRoy Volberding third. We had so much to eat we had to take some home.

Five albums of records have been purchased for the Music Department.

18 new books have been added to the High School Library. 12 new books have been added to the Faculty Library.

C. Findley Bowser, a Mountain Climber, was here and gave a demonstration of mountain climbing with an interesting talk followed by a movie. All the students enjoyed it and it was educational as well as entertaining.

SIXTH GRADE

Last week we had our Hallowe'en party and everybody enjoyed it. We had refreshments and played Bingo until everybody had won a prize.

The following people have a perfect spelling lesson this week: Carol Gagnon, Ann Letson, Janet Miller, Jean Porritt, Raymond Powers, Lorraine Rioux, Larry Ruggles, Laura Ruggles and Mickey Tersigni.

trip to Washington, D. C. To those who have not yet been informed about the project... you may think it slightly impossible. Well it's not impossible at all; very probable, in fact. We just need your help! Your cooperation means more to us than you know.

Some of the projects sponsored by the Seniors this year are: Magazine sales, Senior dance, Bake sales, Sale of "everyday" and Christmas gift wrapping paper and stationery and sale of candy during the school noon hour.

You see, friends, we do need your help! You and we, may benefit by each one of these projects. Do you realize how much a trip to Washington might mean to some of our Seniors? They may never get a chance to visit that wonderful, exciting city again. If

would be an experience that they would remember forever. Our capital holds within itself the key to the whole government of our United States. For our Seniors, citizens of tomorrow, a trip to Washington, with the friends they have known during their treasured high school years, would surely be a perfect goal to strive for. Other schools have done it... Why can't we? WE CAN! Won't YOU help us? ? ?

CHRISTMAS TREE TIME IN THE WOODS

To those counting the days until Christmas, it may seem too early to be thinking of Christmas trees, but those who bring Christmas trees from the woods, are now busy at it, reports C. A. Boyer, Chief, Bureau of Plant Industry, Michigan Department of Agriculture. Actually the selection and marking of numerous Christmas Tree species - particularly the Spruce and the Balsam, have been in progress for several weeks. An exceedingly heavy harvest in all of the Christmas tree areas of Michigan is anticipated.

The Christmas tree industry is a big business in Michigan, with normally one and 1/4 million trees being handled each year. To eliminate indiscriminate cutting by those who would cut on land not their own, the 1933 Michigan Legislature passed Act No. 124, known as "The Christmas Tree Act", which governs the removal and transportation of both Christmas trees and Christmas boughs. It prohibits the cutting and/or removal or transportation of such stock without the written consent of the owner, which, interpreted means a legal bill of sale must accompany the Christmas trees or boughs. Such a legal bill of sale shows the number of trees or amount of boughs, the exact legal description of the land where grown, and must be signed by the legal land owner and two witnesses. Legal bill of sale forms may be obtained from the County Agricultural Agents, Conservation Officers, State Police, County Sheriffs, or from the Michigan Department of Agriculture, Lansing.

These bill of sale forms are free for the asking. If you wish to transport a Christmas tree or a load of trees, you must have the properly completed form in your possession to present to the inspectors or other authorized persons who may request to see it. Road blocks are set up, where State Police, Conservation Officers, members of Sheriff's departments, will be assisting Michigan Department of Agriculture inspectors in checking, 24 hours a day, the transportation of Christmas trees and boughs. Be prepared to cooperate with these officers and avoid delay, by having the bill of sale ready. Failure to have such a bill of sale may mean that the trees will be confiscated at one of the established road blocks.

To the hunters, campers and others driving over gorgeous country roads, there may be a thought of removing a live tree with roots - to bring home for Christmas. Such trees are nursery stock, and as such, they must be inspected where they are growing and before being removed, in order to avoid transportation of dangerous plant diseases or insects. Again, the inspectors will take care of this inspection.

Anyone thinking about Christmas trees, and having any questions regarding the provisions of the Christmas Tree Act, may make inquiry to the Michigan Department of Agriculture, Lansing.

DDT EFFECTIVE FOR MOTH CONTROL

Applications of DDT can be a very effective answer to your moth control problem if you use it correctly.

Use a five percent solution of DDT for spraying on closet surfaces, floors, carpets, around baseboards, or on other surfaces where the insects are breeding or where they may come in contact with the DDT residue. Remember that DDT differs from moth flakes or crystals in not giving off a gas or odor - reminds Miss Josephine Hoke, home demonstration agent. DDT also protects clothes against moths. DDT solution can be sprayed lightly on clothes without injuring any fabric that can be dry-cleaned. Too much of the DDT solution may leave a white deposit on dark fabrics, but it can be removed by brushing or dry-cleaning.

These residual sprays leave a number of poisonous crystals which will kill insects for weeks after the spray dries. These residues will kill insects as they emerge from hiding places and crawl around.

Solutions of DDT in refined kerosene are satisfactory for use in households.

Do not spray oil solutions near open fires, because the oil may catch on fire. Remove from the room or cover house plants, fish and pets when applying DDT. Wash your hands when you have finished applying DDT. Do not allow any spray to touch eating utensils or food and keep it out of the reach of children.

LUNCH BOX SPECIAL

HERE'S the lunch box Special-of-the-Month: Coffee Caraway Cookies. Tasty and nutritious, they pack well and will satisfy both school and work appetites regularly. These spicy, flavorful cookies are easy to make and delicious to taste. They double nicely as a favorite cookie jar filler, to be dipped into for mid-morning snacks, afternoon coffee, and an evening bite. Make up a large enough batch at one time to satisfy all comers. They'll be a standby. Here's the tested recipe:

Coffee Caraway Cookies
3 cups sifted flour 2 eggs, well beaten
3 teaspoons baking powder 4 teaspoons caraway seeds
1/2 teaspoon salt 1 teaspoon vanilla
1/2 cup shortening 1/2 teaspoon baking soda
1 1/2 cups brown sugar, firmly packed 1/2 cup strong coffee

Mix and sift flour, baking powder and salt. Cream shortening and brown sugar; beat until light. Add eggs; mix well. Add caraway seeds and vanilla. Dissolve baking soda in coffee. Add dry ingredients and coffee alternately to creamed mixture; mix well. Chill. Drop by teaspoons - 2 or 3 inches apart on greased baking sheet. Bake in hot oven, 400°F., 8 to 10 minutes. Yield: about 5 dozen cookies.

"I'M GOING ON A DIET"

★ Perhaps overeating is the most common dietary indiscretion. The natural result of overeating is obesity. It has been said that we in America eat ourselves into a premature grave. The pendulum then frequently swings back to the other extreme. We go on a diet. Many self-imposed reducing diets wouldn't keep a bird alive, and often serious vitamin, mineral, and protein deficiencies result.

In recent years great strides have been made in our knowledge of nutrition. For the maintenance of optimal health one must be assured that proper balance of various foods is maintained. For dietary advice of any kind see your physician. You can then be certain that all bodily needs are being adequately met. Bring your prescriptions to us.

From where I sit... by Joe Marsh

"Husbands, Wives, and Marriage"

Maybe you read that survey published recently in a national magazine, entitled "Husbands, Wives, and Marriage."

It showed that among happily married couples, those who criticized themselves outnumbered those who criticized the other person. Among unhappily married couples, it was just the opposite—each one tended to criticize the other.

That's the way it is in our town, as I guess it is in yours. Criticism, whether it's of a wife's taste for hats, or a husband's taste for pipe tobacco and an evening glass of beer or ale, is a sure start towards unhappiness.

As for what made happy marriages, companionship within the home was listed most important of all. And from where I sit, a husband and wife who can spend an evening by the fire—with nothing more exciting than a mellow glass of beer, and a friendly conversation—are a truly well-matched couple!

Card of Thanks

I wish to thank the many friends and neighbors, the members of the Clarkston Baptist Church, the students of the Clarkston High School and the

4-H Club for the beautiful cards, gifts and flowers sent to me during my recent illness while confined at St. Joseph Mercy Hospital.

Conservation News

The number of deer seen by Michigan conservation officers during the late summer months in the lower peninsula compares favorably with the count taken in the corresponding period last

year. The conservation department's game division reports, however, that checks covering the same period in the upper peninsula indicate somewhat less deer in evidence.

In connection with their regular patrol duties, officers in the lower peninsula have observed an average of 43 deer per hundred hours in 35 northern counties. In 23 counties they noticed a

slightly lesser count than in the same 1947 period. A greater percentage of deer was in evidence in Otsego, Alpena, Oscoda, Lee-lanau, Benzie, Grand Traverse, Wexford, Iosco, Lake, Osceola, Clare and Oceana counties.

Upper peninsula reports show about 33 deer per hundred hours of observation during these two summer months as in contrast to a 40 count last year. Eleven

counties showed less deer while four others — Chippewa, Delta, Mackinac and Ontonagon — indicated more.

The complete report for July and August revealed a total of 15,641 deer seen in 41,403 hours of checking.
