Leaves For Japan This Month

Kristine Lynn Haywood, daugh-

Kristine Lynn Haywood

On Thursday of last week the the granddaughter of Mr. and Mrs. Fred Haywood of Hastings Baker of Clarkston.

Kristine and her mother expect to leave about the twentieth of this month to join her father in Japan. S/S Haywood has been in Yokohama, Japan, since January, 1947. He is with the 8th Army Anti-Aircraft.

What a wonderful reunion this will be and what a happy Christmas the Haywoods will have.

Girl Scout News

The Girl Scouts are meeting in the Methodist Church every Monday at 4:00 P.M. Mrs. R. E. Spohn is Girl Scout Leader. Mrs. Don Stackable and Mrs. Ralph Walton are assistant leaders.

The Scouts are having Thanksgiving dinner on Monday, Nov. 22nd, Mrs. W. S. Barrows will be a guest of honor. Last E. Williams... week the girls in the Tenderfoot class made place cards. The sec- E. Credit Association Home Owned

The member-owners of the Pontiac Production Credit Association voited at their three annual meetings to pay off the stock owned by the government and become entirely owned by its members. It was felt that the association had served a worthy purpose and in follow. Also a bazaar will be athe future would be a necessary waiting you. part of the farming picture. Mr. Production Credit Association in this can be an annual affair money that had been advanced in 1933 to start the local associations was being paid and that the local association was taking the right step in becoming independent of

the parent organization. The Pontiac Production Credit Association has completed 15 years of service and during that time has made 5,687 loans to the farmers. The amount loaned exceeds \$4,040,000. The members number 818. Stock now owned is in excess of \$59,390, while reserves are in excess of 150,000. The sum of \$45,000, is still due the government and it is this sum that is being paid. Some additional stock will be sold to cover part of this amount. Before the vote the stock was 56.9% owned by its members.

Scripps Hotel in Pontiac, Tuesday evenof Lake Orion with five head ing. At each meeting a dinner was served and the business of the meetings were enlivened by community singing, entertainment and the drawing of door prizes.

Fred J. Beckman of Clarkston has served the association as the secretary - treasurer since founding 15 years ago.

RURAL AREAS BENEFIT BY PHONE CO. PROPOSALS

The Michigan Bell Telephone Company proposes to offer better types of service at attractive rates to areas, formerly rural in character but now grown into substan-Veterans' Hospitals throughout tial residential developments, in

on Dec. 15 to extend the area here and to establish three

new locality-rate areas. The base-rate area would be extended to include the following territory in which there are 28 telephone users: 1 square mile adjoining the present base rate boundary to the west and south In the territory to be added, the company proposes to eliminate rural service when facilities become available, Poll said. Instead, users would be offered urban-type

services. The change would not increase rate for rural-residence users but would involve somewhat higher charges for business users.

Users of urban-type services would no longer pay exchange-

ine mileage charges. There are 136 telephone users in the proposed three new locality rate areas. They cover 5 square miles to the west northwest and northeast of the present base rate area. Rapid development of yearround residential communities has occurred recently in these three lake areas, Walters Lake, Springfield and Big Lake.

In the proposed locality areas exchange-line mileage charges would be eliminated on urbantypes of service, resulting in savings of \$2.70 in monthly charges on the average, Poll said. Under the proposal, no change would be made in present rates

paid by rural-line users in the

new locality area, he said. COOK LECTURE SERIES ADVANCED, WILL OPEN

EXPECT GOOD

1949. First, they say a strong deprices and cash receipts from net income to farmers in 1949.

are in sight, say the farm economists. Consumer incomes will continue high in 1949 which means they will continue to be able to buy farmers' products. Private spending for construction of homes, factories, stores and public utilities will continue high and help maintain full employment.

more profitable livestock production for Michigan farmers. Farm price supports, too will cushion most price declines with a 90 percent of parity floor. Of course there are a few things

less bright. Marketing costs wil' be high. Transportation and wage costs are still going up. The farmer will get a smaller share o' the consumer's dollar. But barrin a radical change in our economy the economists say Michigan far mers can expect a good year ir 1949.

By the Way...

NUMBER 11

To many men and women of this community Armistice Day meant a lot for some years. Then came World War 2 and somehow the peace that they fought for. that was to be a lasting peace, seemed to fly away. Today the nation is training the youth of the country, in case we should have another conflict. Just what is there to justify war? Hunters are starting on their annual trek into northern Michigan to go after their "buck". While we have never gone north for this reason there must be something about the trip that works like a magnet. Each year sees the number increase. And as for the hunters, they start planning for the next year as soon as they return home this year. Many reserve their cabins a year in advance. . . . Because so many will be away the Clarkston Rotary Club will not hold a meeting next Monday but for those who will be at home a visit will be made to

the Grand Blanc Rotary Club. . . . Joe Harris known to many in this district as the former manager of the Drayton Theatre is in

the Harper Hospital in Detroit. In order to properly serve those who like to attend feather parties the American Legion and Rotary Club of Clarkston on Monday evening undertook to build 15 new tables. The way that those tables went together was like a circus putting up their outfit automatic drills for holes for screws - automatic electric drills for driving the screws — a pipe threading machine by Jim Price and lots of elbow grease by the members, and tables were done. .

Rotary Club News

The Clarkston Rotary Club meeting on Monday night was very brief on account of the work program which followed. Plans were completed for the party on Sat-

urday night. Among the guests were Charles Sherman and Frank Leaning of the Ortonville Club and William Jacober of the Waterford-Drayton

Club. The dinner was prepared and served by Mrs. Walton Robbins, chairman, assisted by Mrs. Keith Leak and Mrs. W. H. Stamp.

A card from Mr. and Mrs. Ira Jones says they arrived in St Cloud, Fla., safely, and found everything in fine shape. They are getting settled now for the winter and are enjoying the lovely warm weather.

Hands The baby's hands, so pudgy, white

With wrinkles soft and dimples Speak purity of angels' flight And peace of God when it's asleep. One watches hands as children

And in their shaping soon can tell If fingers deft will cook and sew, Or do rough work unusually well. The artist's hands express his

As do the toilers of the field, Oft times they tell of love or hate, Or of untruths they try to shield. There's father's hands that work all day

Providing sustenance of life, They match his temples, turning grev From worry in his world of strife. The truest story ever told . Is read in hands of mothers dear. They tell of hearts of purest gold

So hands tell stories tried and true. Of genius, love and gifts of God.

They speak of deeds their owners And paths of life their masters trod.

Waterford-Drayton Rotary Club News

Guest speaker at the noon luncheon of the Waterford-Drayton Rotary Club held Tuesday in the Waterford Activities Building, was J. F. Reegan, head of Pontiac Lake State Recreation Area. Some interesting facts were that thirteen people were employed in the summer and four people are employed during the winter for maintenance of this project. There is one-half mile of sandy beach. A "get acquainted" night for the camping grounds, 4 picnic sites, riding stables with 15 horses available, boat landing and dancing every Saturday night for young and old at the Harmony Valley house. There has been ample space reserved for future development for camping grounds available for clubs, churches and organ-Looman, speech teacher was in izations. Thirteen of these areas have been developed in Michigan.

Special guests at the meeting Tuesday were Robert Parker and James Price, members of the Clakston Rotary, R. Davis of Pon-Born to Mr. and Mrs. Lee Hu- tiac and Rev. W. J. Teeuwissen of

Pastry-Crust Meat Pies

A hearty meat mixture hides under the flaky crusts of these individual meat pies. Served with a crisp slaw, there's a complete meal, wanting only a fruit dessert.

Stews and similar meat mixtures have always been favorites with the family. Although they taste good and are high in food value, they seldom appear before guests. There's no good reason for this favoritism, for stews can be dressed up to meet company standards.

Flaky pastry crusts, covering the top of the large or individual casseroles in which the meat and vegetable mixture is baked, will really put the lid on the entree. These crusts will puff and brown so enticingly that everyone will want to be first with the fork that uncovers the filling.

Pastry tops are made just as for decreat

Pastry tops are made just as for dessert pies. Roll out tenderly and cut into fitting circle, using an overturned casserole cover as a guide. Crimp or prick the edges when the circles are fitted to the ramekins and cut a few slashes in the top so steam can escape while

the pie bakes. In this recipe, there's a further surprise as the contents of the casserole disappear. There's a bottom crust, too, as flaky and good as

PASTRY-CRUST MEAT PIES

STANDARD PIE PASTRY

Sift together flour and salt. Cut thick. Cut and line individual consistency of small peas. Add water thirds full of meat mixture. Cot

We have a fine library here which everyone is proud of. Books may be taken out any time there is an activity in the building. There is a work period in the library every Wednesday afternoon from 2 until 4. All help, even if for just an hour at a time, is greatly appreciated.

The Dairy Bar is open for business whenever there is an activity in the building.

Waterford Township

'The Ladies' Auxiliary to the Waterford Township American Legion Post, 431, met at the home of Mrs. Robert Drader on Monday November 8 at 8:00 p.m. The meeting was opened by the president, Elaine Dorman, and committee reports were given. It was reported that the sale of Christmas cards and wrappings is going very well and all Bake Sales have been cancelled temporarily. Auxiliary dues are due and have been coming in fast. All members are urged to get their dues in by Dec. 15 so the group can work for the National Citation.

All Auxiliary members are to contribute food or money for the Thanksgiving and Christmas baskets for the needy. Bring your contributions to the Old Mill or anyone wishing to make a money contribution mail checks to Mrs. Warren Weber, Child Chairman, Waterford American Legion Auxiliary, not later than Nov. 19.

From where I sit ... by Joe Marsh

To Dunk or Not To Dunk?

Hopkins' favorite morning pastime ... and for a long time Ma Hopkins has been trying to break him of the habit. Feels it sets a bad example for the children.

So one morning she puts a heavy frosting of chocolate on the doughnuts... figuring that will stop him. Sober thinks it over for a while and then: Dunk! Taste? Smile!! And Sober compliments the missus on the lovely mocha flavor!

I guess there'll always be two schools of thought: to dunk or not

Dunking doughnuts is Sober to dunk. But from where I sit, it's a matter of personal choice and taste-like some folks prefer beer to cider, ale to beer. And the less we criticize those differences of taste, the better.

> In fact, Ma Hopkins got so curious about the flavor of chocolatecovered doughnuts dunked in coffee, that she tried it herself. Nowyou've guessed it—she's a daily dunker, too!

> > Goe Marak

WATERFORD PARISH LAYS CORNERSTONE FOR NEW CHURCH

Christ Lutheran Church of Waterford held an impressive cornerstone laying service Sunday, Nov. 7th following the morning worship. Dr. Oscar Benson of Chicago, President of the Illinois Conference, conducted the service and he was assisted by Rev. Roswell Peterson, Regional Director of Home Missions for Michigan. and the local pastor, Rev. Philip Jordan. The congregation observed their fourth anniversary in connection with this service.

Charles Latta, vice chairman of the Board of Administration, held the copper box which was placed into the cornerstone. Into this box had been placed a Bible, a Lutheran hymnal, the annual year book of the local congregation, a copy of Luther's catechism, a membership list, a copy of the congregation's constitution and by-laws a list of the church officers, a copy of the Lutheran Companion a weekly periodical, and a copy of the Nov. 6th issue of the Pontiac Daily Press.

The beautiful Norman styled church is now under construction on Williams Lake Road at Airport Road. It will be the first unit of a larger building program. Construction will be of cinder block of Detroit is the architect and the Carlandy Construction Co., of Detroit are the builders. The congregation expects to dedicate the edifice in a few months, meanwhile they are worshipping in the Williams Lake School.

GIVES RECIPE FOR LONG LIFE OF INLAID LINOLEUM

If you want your inlaid linoleum to have lasting good looks and give long wear, give it gentle care. Too much water, strong soap and harsh cleaning agents are the vorst enemies of linoleum.

Homemakers will shorten the life of their linoleum by trying too hard to keep them clean advises Olevia Meyer, home management specialist at Michigan State College.

Best method of cleaning and protecting inlaid linoleum is to wash it with a mop or cloth wrung almost dry. Warm water and mild soap may safely be used for washing. It should be rinsed with clear warm water. After it has thoroughly dried give it two thin coats of paste wax and polish thoroughly.

A good way to apply paste wax is to put about one-half cup of wax in an old stocking or two thicknesses of cheese cloth, Rur the cloth over the surface of the linoleum. Enough wax will work through the cloth to coat the sur-

Worn places can be renewed by washing and rewaxing the spot. From time to time it is well to wash the linoleum with a damr cloth or mop wrung from water. Liquid wax of the self polishing type may be applied occasionally to renew the finish and add to its wearing quality.

Don'ts for linoleum care listed by Miss Meyer include using too much water which rots linoleum and loosens the edges or coating it with plastic, varnish or shellac. Finishes make linoleum hard brittle and discolored.

RESIDENCE:		

Subscribers to one, two or four-party line service in the territory proposed to be added to the base rate area would no longer pay exchange line mileage charges. Rural line service would no longer be furnished in the territory proposed to be added to the base rate area except on a temporary basis until such time as facilities become available to convert the rural services to urban services.

The proposed 3 Locality Rate Areas would include the territory bounded

as follows: Walters Lake—Lessity Area

Starting at Michigamme and Whipple Lake Roads, east to the northeast corner of Section 12, Independence Township; south 134 miles; west to the intersection of Clarkston Road and Clintonville Road; continuing west on Clarkston Road to Michigamme Road extended; north on Michigamme Road extended and Michigamme Road to the starting point.

Springfield-Locality Area

Starting at Rattalee Lake Road and Dixie Highway (U.S. 10); east to Bridge Lake Road; south, west and southwesterly on Bridge Lake Road to Dixie Highway (U.S. 10); northwesterly on Dixie Highway to Davisburg Road; west on Davisburg Road (south line of Section 10, Springfield Township) to the north-south center line of Section 10; north to Rattalee Lake Road; east to the starting point Starting at Big Lake and Hillsboro Roads, southerly on Hillsboro Road to the south-line of Section 28, Springfield Township; west to Shafer Road and westerly on Shafer Road to a point 16 of a mile west of the east line of Section 29, Springfield Township; north 1 mile; east to the starting point.

Within the above described Locality Rate Areas it is proposed that subscribers to one, two or four-party line service would pay flat monthly rates as shown below. Those rates would be lower in each case than charges comprised of base rates plus mileage charges which otherwise would be applicable.

Co-Owners

Visiting Nurse Association has Chest, you have actually contri-

The Chest is not, as some supmaterial relief. It is an organizainclude Drayton Plains in the tion which once a year, seeks guidance, job placement, and funds enough to maintain qualified Social Service agencies. Each representing the 14 Red Feather of these agencies must submit a full accounting of incomes and all conditions surrounding young expenditures to the Chest Board people. The Boys Club, the Y. W. of Directors. Funds are disbursed to the agencies in accordance with budgets which have been studied and analyzed by the Board. The fullest service-value of every dollar is therefore assur-

Surveys have shown that as high as 70 percent of a community's population have used one or another of the Red Feather services. Serving Drayton Plains we find the Boy Scouts, Girls' Protective League, Pontiac Day Nursery, The Salvation Army, Michigan Children's Aid Society, Family Service Center, Visiting Nurse Association, Y. M. C. A. and the Y. W. C. A.

Red Feather services help the community through staffs of carefully trained caseworkers who have developed skills and under-

extend their services to the com- service individually. Once you dividuals with such problems as: Syckles leave on Friday for their munity of Drayton Plains, The give through your Community unhappy marriages, financial and winter home in California. Featbudget management, emotional ures of the day were the dinner difficulties, relations parents and children, adult recrenew Girl Scout Council is being pose, an organization of public ation and education, securing, of

> Several Red Feather services are dedicated to the bettehment of C. A., Boy Scouts, Y. M. C. A. Camp Fire Girls, teen age clubs and summer camps, all strive to guide and develop the young in matters of citizenship, health, democratic attitudes, crafts, personal skills and arts, and in community service.

Such vital work as temporary foster home placement, adoption, services to new mothers, a day nursery for children of ill or employed mothers is being carried on by agencies of child care.

Good health of the community is primary concern of such agencies as the Boys Club, Y. M. C. A. and others. Specifically, the Visiting Nurse Association devotes its activities to every branch of health improvement. Trained nurses wait to give advice and lend aid and comfort when or whereever needed. No hóme, regardless of its financial status is denied the faciliies of this, or any other Red Feather Service.

The Community Chest is part of the civic structure of Drayton Plains — it is part of every citizen. When you contribute to the Chest you contribute to the improved welfare of the entire community. So when you are called upon

to give - give generously. These Red Feather services need the support of everyone — 100%.

Mrs. Gerald Shell of Sashabaw road and Mrs. Wm. Moore will be hostesses to the Pearl Sutton Missionary Society and the Anderson Mission Circle at the Shell home on Tuesday evening, Nov. 16 at 7:30. Devotions will be given by Mrs. Gerald Rustem and Mrs. Lester Snyder of Pontiac will be the guest speaker. Her topic will be on Indians.

Mr. and Mrs. Charles Griffith of Sherwood street assisted by Mr. and Mrs. Ralph Shell will be hosts to the Fellowship Sunday School Class of the United Presbyterian church on Friday evening, Nov. 12 at 8 o'clock.

Mr. and Mrs. Myron VanSyckle entertained at a family dinner recently. Guests included Mr. and Mrs. Richard Ballek and family and William Looman and daughter, Elmyra. The occasion was a going-away party for the Van-Syckles and Loomans who will leave Friday for SanDiego, Calif., where they will spend the winter. Mr. and Mrs. Harold Hale of 4052 Lakeside Drive, Lake Oakland entertained 18 little guests or Sunday afternoon, Oct. 31, honoring their son, Gary, on his 7th birthday and their daughter, Pamela, on her 2nd birthday. They were Hallowe'en babies. A wiener roast, refreshments and games on the lawn highlighted the after-

The Richard Ballek home at 4112 Lakeview Ct., was the scene on Sunday of a very lovely dinner honoring Mrs. Ballek's parents, Mr. and Mrs. Myon VanSyckle, lifelong residents of Drayton Plains, for their 50th wedding anniversary which falls on November 15. The occasion was cel- ton News Want Ad.

TEAMWORK

★ With the passing of each year, a great number of facts are added to man's increasing

store of knowledge. Not over seventy-five

years ago a man of superior intelligence could

possessa working knowledge of all of science.

Now, however, the realm of the known is so vast that it is necessary for men to specialize

in order to master one small but deep corner of scientific

Thus we have the physician, who diagnoses disease and

prescribes medication and treatment. The pharmacist

compounds and dispenses. Both the physician and the

pharmacist benefit greatly from the researches of the biol-

ogist, the chemist, the physiologist, and the physicist, to

name but a few. Through the teamwork of the allied sci-

ences, increasingly better medical service for all is assured.

grass along fence rows and sod ing mice by means of poison bait; formula is given in the extension and weeds around trees are good pruning the trees; and painting bulletin.

D. Bailey reports that matted tree with cinders or gravel; kill- the holes in the ground made by mice. The poison bait can be obtained from the Grand Rapids Growers, Grand Rapids, which is the distributor for Michigan.

Hints for using the bait can be found in Extension Bulletin 196: Protecting Fruit Trees Against Mice and Rabbits", which can be obtained from agent Bailey's

Satisfactory control of rabbits is usually possible by the use of a repellent which is applied to the runk of the trees. A repellent

SOUP STRATEGY

How to save the soup course from a bad case of doldrums is a secret lots of homemakers would like to have at their finger-tips. Here's one clever trick, using canned peas in a rescue role. It's called most intriguingly Gypsy Soup, because of its carefree color. Use a regular ten and a half ounce can of condensed mushroom soup as your base, and add a cup of milk as usual. Then comes the gypsy touch! To your soup mixture, add half a cup of canned peas, a third of a cup of cooked or

a third of a cup of cooked or canned whole kernel corn, and a tablespoon of diced pimento. Heat

thoroughly, stirring frequently, and you'll have a colorful, hearty, delicious soup that's sure to become a family favorite!
