CLARKSTON, MICHIGAN, FRIDAY, DECEMBER 17, 1948

Townfolk Enjoy Senior Play

On Thursday evening of last week the senior class of the Clarkston High School presented "Three Days of Gracie". This wide-awake comedy filled with sparkling wit from start to finish kept the crowd happy and many were heard to say, following the presentation "That is one of the best plays I've seen at this school".

The characters were well chosen in that they not only acted their parts well but they seemed to enjoy doing it. All that adds up to a good play.

Specialties between acts included a solo by Connie Spooner with Charles Bradley as accompanist and a number by the high school quartet.

The director, Miss Carey, assistant director, Miss Bennett and student director, Lois Baynes are to be congratulated on the success of the presentation.

Rotary Club News

At the Monday evening meeting of the Clarkston Rotary Club final plans for the annual Goodfellow Paper Sale to be held by the Club in the Village on Saturday, December 18th were discussed.

The chairman for this year's Sale is Fred Hancock and the hours that members of the Club are to sell have been assigned, the proceeds of the sale to be used for community activities.

The annual Christmas Party given by the Club for the children of the Community will take place on Christmas Eve with Santa Clause due to arrive at the Christmas tree in front of the Township Hall at 7:00 p. m. Co-Chairmen for the Christmas Party are Earl Terry and Rudolph Schwarze assisted by committee chairmen Lloyd McGee, Keith Lowrie, Don Stackable and Robert Jones. The speaker at this meeting was Club President William Burns, who at the invitation of the Program Committee gave a very interesting account of the events of his life. The Dinner Committee consisted of Mrs. Louis Walter, chairman, assisted by Mrs. Clifford Cheeseman, Mrs. Clifford Wishart, Mrs. Ada Mills and Mrs. John Alander.

This Is A Time Of Giving

The Clarkston American Legion and Auxiliary does a good deal of local welfare work. Right now they are getting ready to make Christmas just a little brighter for several unfortunate families. Perhaps there are those who have used clothing they would like to donate or maybe help with a few cans of food. If so Phone Mrs. Elmer Collins, Clarkston 4586.

Grateful thanks are extended to those who have already donated.

Girl Scout News

At the meeting of the Girl Scouts this week the girls finished the Christmas presents for their mothers and took them home. We also sang Christmas carols.

Charlene Barber, Scribe

Notice

The W. S. C. S. of the Davisburg Methodist Church will hold a bake sale at the Pontiac Community Market on Saturday, December 18.

The Waterford Township Offices will be closed on the 24th and 31st of December in observance of Christmas and New Year's.

School Presents "The Nativity"

In spite of bad weather the Christmas program at the Clarkston school was presented to a well filled auditorium, under the direction of William Ladd, Grades 7 through 12 presented "The Nativity" in a very impressive manner.

The part of Mary was taken by Ann Spohn and David Vincent characterized Joseph. Richard Huttenlocher, Stanton Zang and Buddy Clements portrayed the three Kings. As always, the music was especially pretty. The high school chorus, a chorus from the seventh and eighth grades and several special groups sang. Mrs. Orlo Willoughby was the guest soloist and William Ladd, Judy O'Dell and Carolyn Ridgley presided at the piano.

The subdued lights used on the stage made the tableaux exceptionally pretty and the costumes used showed that a good deal of thought and work had been put into the production.

College Student Home For Holidays

Miss Janet Hoyt of Clarkston, Michigan a student of Stephens College in Columbia, Missouri, will spend the Christmas holidays at her home. She is the daughter of Dr. and Mrs. D. F. Hoyt, 7530 Maceday Lake Road, Route 1.

The Christmas vacation at Stephens College started on December 16 and classes will resume on January 5. A series of formal holiday balls will precede the vacation period, as well as numerous informal residence hall and club parties. The formal Christmas dinner on Tuesday night, December 14, was followed by the traditional Christmas program presented by the student concert chorus. Climaxing the holiday events was the twenty-first annual Christmas vesper service on the eve of departure, followed by caroling around the giant lighted Christmas tree on the college campus.

Family Night And Christmas Program

Tuesday evening at 6:30 the December Family Night potluck dinner will be held at the Methodist Church. After the dinner a short Christmas worship service will be held.

At eight o'clock the Christmas program for the church school will be presented in the sanctuary of the church. This program is designed after the old fashioned Christmas events of years ago. Carol singing, recitations, musical selections and group singing by the various classes of the school will be featured. The offering will be divided between the Children's Home and World Relief. Of course very special arrangements have been made for a special appearance of Santa with gifts for the children.

Christmas Leaves For Enlistees

U. S. Army and U. S. Air Force enlistees will be given leaves, if they so desire, so as to be home with their families for the holidays. It was announced today by S/Sgt Lynn D. Rexford, Recruiting Chief in this area.

Men who enlist now and until the 22nd of December will be given a leave at their training center and men enlisting between the 22nd of Dec. and the 1st of January will be given leave from the Central Examining Station, Dearborn, if they so desire.

In addition to this holiday leave, eligible previous service men with dependents will receive their initial family allowance at no cost to themselves.

Don't wait!!! Take advantage of these additional benefits now! See your local Recruiting Officer TODAY!!!

Recruiting Stations are located at 53 1/2 W. Huron St., Pontiac Post Office, and Pontiac State Bank Lobby, Pontiac, Michigan.

Waterford-Drayton Rotary Club News

At Tuesday's meeting of the Waterford-Drayton Rotary Club Ed. Lambertson, program chairman, introduced E. Stuart Capron Field Officer for the Oakland County Council of Veterans, who spoke on "Man's Effort for Peace". Gerald Monroe was welcomed as a new member.

Christmas Service At Local Church

This Sunday the Methodist Church will observe its annual Christmas Service with the presentation of its Christmas Cantata at the morning worship service at eleven o'clock. Mr. Orlo J. Willoughby will direct the choir in the singing of The Cantata by Bernard Hamblet "The Babe of Bethlehem".

At this service opportunity will be given to present at the altar the white gift offering for The Children's Home. The gifts of canned goods, fresh fruits and vegetables as well as cash contributions will be taken to The Children's Home in Detroit. The M. Y. F. will supervise the delivery of the canned goods before Christmas to the Home. Envelopes will be provided at the Church Sunday morning for those desiring to send money to the Home. It is hoped that all of the Sunday School pupils as well as Church attendants will have a part in making Christmas at the Home a pleasant and happy occasion.

Brownie News

On Monday the Brownies met for their Christmas party and dinner at the home of Mrs. Walter Barrows. We had such a good dinner that the mothers and leaders of the Brownies served us. We exchanged presents and had a lot of fun acting out riddles and playing games.

Our next meeting will be in January.

Local Boy At Fort Benning, Ga.

Pvt. Joseph E. Tersigni, son of Mr. and Mrs. Tersigni of 10300 Hadley Road, Clarkston, is a member of the Enlisted Motor Class at the Infantry School, Fort Benning, Georgia.

During his 15 weeks at Benning he will be trained to perform basic maintenance of vehicles used by infantry units.

While at Benning, considered America's most complete Army Post, he will also be studying convoy planning, and operations which includes the spacing of vehicles to provide the most safety in travel; loading of vehicles with men and equipment for comfortable travel and "Balance" field expedients, so that he may make repairs without the technical use of tools and equipment and technique of driving under various conditions.

This course is given to all interested enlisted personnel who demonstrates qualities of leadership and mechanical abilities.

Rotary Anns Have Christmas Party

On Tuesday evening the Clarkston Rotary Anns held their annual Christmas party at Green Acres Inn. Dinner was served at 7:30 and a short social time and an exchange of gifts followed.

The dinner table was attractive with a center of Christmas greens, large cones and silver and red bells. Down the center of the long table was a wide red satin ribbon on which, about two feet apart, were lighted red candles in crystal holders. Christmas music was played on a record player during the dinner hour. Mrs. Paul Henry and Mrs. Robert Beattie planned the music and Mrs. Don Stackable was responsible for the table decorations.

After dinner the group retired to the spacious living-room where they enjoyed a game of skill and a quiz program cleverly arranged by Mrs. Don Stackable. The gifts were distributed from around a prettily decorated table Christmas tree.

During the evening Mrs. Stackable took group pictures.

Clare Rasmuson came by plane from San Francisco a week ago Saturday on a business trip. While here he enjoyed a few hours with his folks. On the following Sunday he attended a family gathering at the George Perry home. He spent this week in Detroit and planned to return to San Francisco by plane today.

Crowd Attends Christmas Party

Last Saturday evening about one hundred members of the Campbell-Richmond Post, American Legion of Clarkston and the Ladies' Auxiliary met in the Rotary rooms and enjoyed a turkey dinner followed by a short program, dancing and cards.

The tables were attractive with Christmas decorations. The places were marked with small green and red cups filled with candies and nuts.

After the dinner the group participated in singing Christmas carols led by Clark-Souby, Bartlett Mann, Max Souby and James Bennett with Mrs. Max Souby at the piano. The Clarkston High School quartet was then introduced and they sang several numbers. The quartet includes Spenceley Butters, Richard Allen, Lewis Masters and Gilbert Wells.

Dancing, card playing and visiting completed a very fine evening.

Following the funeral services for PFC Elmer J. Wright last Saturday afternoon the members of the Wright family and relatives along with the pallbearers, guard of honor and firing squad, returned to the Clarkston Methodist Church parlors where the Service Mothers served a dinner provided by the Wright family.

THE 1948 CHRISTMAS SEAL

The age-old attempt of children to catch a glimpse of Santa on Christmas Eve inspired the picture on the 1948 Christmas Seals which were mailed to 50,000 families in Oakland County, according to A. R. Musson Executive Secretary of the Oakland County Tuberculosis Association.

The Seal features a small blond boy in red pajamas, sitting on the floor, hands clasped about his knees, and gazing into a blazing fireplace over which hang three empty stockings. "The brightly-colored red, yellow and blue seals will be particularly decorative on Christmas cards and packages," said Musson.

Oakland County's Seal Sale, part of the nationwide 42nd annual Christmas Seal Sale, opened November 22. Proceeds will be used for the 1949 tuberculosis control program of the Oakland County Tuberculosis Association in work of the following types:

Mobile chest x-ray survey, permanent free chest x-ray and outpatient clinic, health education, retraining of patients with tuberculosis, radio health education series, school health program assistance, industrial health education, cooperation with health departments and sanatorium, legislation, research. These and many other activities are factors which will help to maintain the gains which have been made against "The Constant Invader", tuberculosis.

Mr. and Mrs. Alfred Amy of Clio, Mich., formerly of Clarkston are receiving congratulations on the birth of an 8 lb. 10 1/2 oz. son, Robert Franklin, on December 3rd at the Pontiac General Hospital.

WORK ACCOMPLISHED BY EXTENSION GROUPS IN OAKLAND COUNTY DURING 1948

Miss Josephine Hoke, Home Demonstration Agent of Oakland County, in compiling the annual report of Home Extension work in the County, finds that the women in the County have accomplished many things during the year 1948.

Leader Training classes, which were given to local leaders of approximately 50 Home Extension groups were: A foods lesson, "Meals Made Easy", was given in February at the six leader training centers, namely: Royal Oak, Oxford, Rochester, Milford, Holly, Hartz and Pontiac. "New Finishes For Fabrics", was given at the training centers in April and May. Chair caning schools were given for leaders during March, November and December. A Christmas

Workshop was given for leaders in September and October.

A Landscaping lecture was given in Pontiac for Extension groups in January 1948, with approximately 80 people attending. Six Slip-cover schools were conducted in the county at the 6 training centers. The first school was at South Lyon in the Milford District on April 13, 14, 20, and 21. The second school was given at Clarkston in the Pontiac District on May 18-21. The third school was given at the Health Center in Royal Oak for the Royal Oak District on June 15. The fourth school was given at the Holly High School, Holly District on June 22-25. The fifth school was given at the Oxford High School, August 17-20, and the sixth school was given at Rochester, September 22-30, 1948.

From local club reports, Miss Josephine Hoke, Home Demonstration Agent, has recorded 72

Sleigh Bell Swing Tomorrow Night

The seniors of the Clarkston High School will sponsor the Sleigh Bell Swing in the school gym on Saturday night, Dec. 18, from 9 until 12 o'clock. "Spike" Masters and his band will furnish the music.

The proceeds will go into the "senior trip" fund. Everyone is invited to attend and have a good time.

Dec. 22, Last Day For Farmer's Ballot

Only a few days remain in which farmers may return their AAA election ballots inasmuch as the deadline date for accepting the marked ballots is December 22. This final reminder as issued this week by Walter R. Cook, Chairman of the Oakland County AAA Committee, who said that all ballots received in his office on or before December 22 will be counted on December 23 by an impartial election board consisting of the following:

Fred Beckman, Secretary-Treasurer of Pontiac Production Credit Association, 319 Hubbard Building, Pontiac, Michigan; Harry Garling, Secretary-Treasurer of Monitor Insurance Co., Pontiac, Michigan and S. C. Chamberlain, retired farmer, Pontiac, Michigan.

The Chairman explained that the ballots, which were mailed to all eligible farm voters in the county several weeks ago, contain the name of candidates for the positions of community AAA Committeemen in the township as well as the names of candidates for the positions of delegates and alternate delegates to the county AAA Convention which will be held in 320 Hubbard Building Pontiac, Michigan, on December 31, for the purpose of electing a county AAA Committee for the year 1949.

Mr. Cook, said that the ballot when marked may be returned by farmers to the county AAA office either by mail or in person. Adequate provision has been made for farmers who choose to return their ballots by mail to maintain the secrecy of their votes. Farmers who did not receive ballots through the mail and who feel that they may be eligible to vote should contact the county AAA office or one of the county AAA Committeemen. Serving with Walter R. Cook, the Chairman, on the County Committee for 1948 are Carl C. Taylor, Vice Chairman, and Cyril Oliver, Regular Member.

Mr. and Mrs. Alfred Amy of Clio, Mich., formerly of Clarkston are receiving congratulations on the birth of an 8 lb. 10 1/2 oz. son, Robert Franklin, on December 3rd at the Pontiac General Hospital.

slip covers made, 21 cushions re-built, 20 pieces of furniture re-finished, 70 chairs caned, and 7 lampshades made during the year.

From the Project Accomplishment Sheets, which the local leaders keep, the following results are given as accomplishments following the leader training lessons: "Keeping Fit", "Selection of Floor Coverings", "Meals Made Easy" and

Waterford

Mr. and Mrs. Arthur Walter left on Saturday for Florida where they plan to spend a month.

Don't forget to attend the church of your choice at Christmas time. But for the birth of Christ there would be no Christmas.

If you haven't mailed your Christmas mail it is time that it was done. If you aren't sure of an address be sure and put on your return address and first class postage. Don't forget the "shut-ins".

Mr. and Mrs. Lewis Shedden are the proud parents of a daughter born in St. Joseph Hospital in Flint Sunday morning.

Thirty-five of the Waterford mothers' group participated in serving the teachers of the Waterford village school a pot-luck dinner at the Community House on Wednesday. The mothers held their Christmas party after the dinner. Games were played and gifts exchanged.

The Waterford Men's Club will sponsor a Christmas party for the smaller children of the community on Thursday evening at 7 o'clock at the Men's Club House in Windiate Park. All children under 7 are invited.

The teachers of the village school held their Christmas party on December 9 at the school. A

30 lb. turkey was roasted by the principal, Arthur Johnson with the assistance of his daughter-in-law, Mrs. Don Johnson. The teachers arranging for this dinner and entertainment included: Mrs. Effie McVittie, Mrs. Ada Campbell, Mrs. Nell Sutton, dinner committee; Mrs. John Watchpocket and Mrs. Florence Slosser, decorations and Miss Martha Overman and Ray Laramee arranged the program.

The Gospel Fellowship Class of the Community Church will hold its annual Christmas dinner and business meeting on Friday evening at 6:30 at the parsonage.

Mrs. Frank Schultz was a recent visitor in the home of Mr. and Mrs. Arnold Hardley in Mesick, Michigan. The Hardleys were former residents of Waterford.

The Waterford MOMS met at the home of Mrs. Murdo McDonald in Windiate Park on Wednesday of last week when they were served a paid luncheon. The proceeds were placed in the treasury. During the business meeting plans were made to take gifts to the Veterans' Hospital at Dearborn. Magazine subscriptions were sent to veterans' Hospital in New York, Ohio and Michigan. Fifty dollars was voted to MOMS of America Inc., for use in the hospitals and two packages were sent to CARE for overseas relief.

Meetings of all Good News Clubs will be cancelled from Dec. 23 to Jan. 3.

The Misses Mary and Nellie VanZandt and Mrs. George Whitfield were entertained on Friday afternoon by Mrs. William King of Andersonville Road.

Mr. and Mrs. James Lemon of Williams Lake entertained for their three children at three birthday parties on three consecutive Saturdays. Jimmy's eleventh birthday was on Dec. 5; Janet's

Midnight mass on Christmas Eve.

"Family Night was well attended last Thursday evening. Every one enjoyed the colored movies and the "ballet dance" by "Ozzie" and "Schmitt". Several stayed for dancing after the program.

WEAR A SCARF THIS SEASON

Neatest accessory trick of the season is the use of scarves. With out scarf you can have a belt, stole, turban or neckerchief.

Collect a number of scarves of different shapes and sizes and see how they will add color and sparkle to your winter coat, suits and dresses.

To make a loop tie for a sweater or wool blouse, Miss Josephine Hoke, home demonstration agent, obtained directions from Mary Gephart, home economist at Michigan State College.

Fold the square with the opposite points overlapping in the center. Then fold it in half so that the straight edges meet, forming a long narrow strip. Then fold this strip in half so that the pointed ends meet. When it is put around your neck, the end will be on one side, the fold on the other side, forming a loop. Pull the ends through the loop, spread them out and secure them with a small pin -- one of your favorite pieces of costume jewelry.

You will find many new ways to wear scarves as you experiment with the soft, easy-to-drape fabrics. Have you tried twisting your pearls with your scarf for an interesting and different effect on a plain neckline?

Scarves are just the accessory this season to keynote your costume. There are many new patterns in prints of all kinds -- geometric designs, paisley prints and many new floral and figure designs. The lovely soft colors of one scarf or the dashing gay colors of another make it possible to choose a scarf to give your ensemble the "right" touch.

ARMY ONE YEAR ENLISTMENT PERIOD FALLING

The one year enlistment period for 18 year olds in the Oakland County area has fallen far short

of expectation according to S/Sgt. Lynn D. Rexford Recruiting Chief.

Although Oakland County has a quota of 22 men (18 AUS and 4 AFUS) it is very rarely filled. This may be due to the fact that many young men fail to realize the benefits of such a plan. If you are planning on going to college or have an opportunity to get a good job or position in a year or so this plan is what you are looking for.

Open to all men, 17 to 35 inclusive, is the U. S. Constabulary

and First Infantry Division in Europe, the Far Eastern Command Unassigned, etc. Men of draft age may volunteer for a period of 21 months and be a member of the Regular Army.

Interested men should check on these enlistment advantages as soon as possible. Recruiting Stations in this area are located at 53 1/2 W. Huron St., Pontiac Post Office, Pontiac State Bank lobby and 109 E. Third St., Royal Oak, Michigan.

CLARKSTON GIRL IN CHORAL CONCERT

Jo Anne Drayer, of Clarkston, Michigan, participated in Indiana University's Christmas choral concert held Tuesday evening (Dec. 7) at 8 o'clock in the University

auditorium under the direction of Prof. George F. Krueger of the music school faculty. Approximately 250 students were chosen to take part in the concert, for which the theme was "The Family at Christmas."

Musical groups presenting the concert were the women's Madrigal singers, brass octet, women's chorus, men's concert choir, chapel choir and the a cappella singers.

The continuity for the concert was written by Jules Bergman, a sophomore student from New York City, with the assistance of Dr. Harold Whitehall of the University's English department.

The program was made up of well-known Christmas songs, and closed with the singing of familiar carols and the King of Kings (Messiah) by Handel in which the entire 250 students participated.

A CAREFUL CHRISTMAS IS A CHEERFUL CHRISTMAS

"Don't let accident, sickness or death take your holiday", the Health Department warned in its annual reminder of pre-holiday and holiday hazards in the December issue of Michigan Public Health, now being distributed.

One tenth of all accidental deaths in the state in 1947 occurred during December. Of the 322 December fatalities due to accident, 102 occurred in the home while traffic took the lives of 137. Falls, burns and poison gasses were other major causes of accidental death.

Falls took the lives of 86 persons during the month, with 42 persons dying from falls in their own homes, and 44, from falls in buildings and public places.

People fall when they climb when they miss a step going down stairs, when they stumble over something, or when they slip on something in their path. Use sturdy stepladder when you are decorating your Christmas tree. Move it around the tree. Remove those skating rugs from above and below the staircase. Don't leave toys, packages or wrapping on the staircase, and don't carry huge armfuls of bundles down the stairs. Be sure your outdoor steps are sanded, and remind all members of the family of furniture moves made to accommodate the Christmas tree.

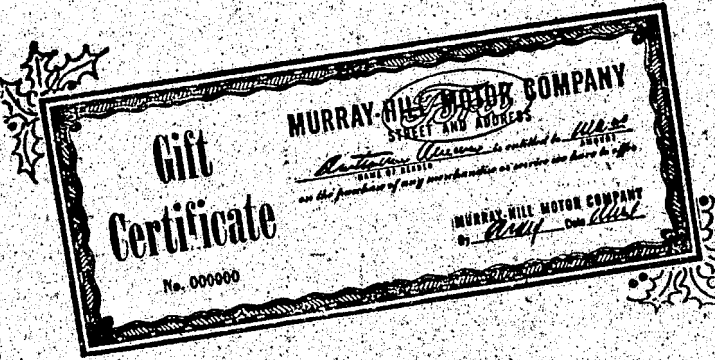

Home fires, burns and explosions took 31 lives last December. Guard against over-heated furnaces and stoves, and put out open fires, candles and lights when leaving the house, (even for a few minutes) and when going to

bed. This includes Christmas tree lights. If your tree lights flicker turn them out until they are checked. Santa Claus can find a totally dark home, but he might miss a burned one. Use a strong standard for your

Christmas tree so it will not fall, and place it far from fire place or candles. Don't hang stockings by a lighted fireplace nor place candles near curtains. Check your tree lighting circuit for shorts, and be sure that neither

tinsel nor metal icicles touch it. Put discarded wrapping paper in to metal containers, and dispose of it at once. It is highly inflammable. Keep lights and breakable decorations out of the reach of the small child.

"Look! ...an Electric Blanket!"

JUST WHAT I'VE ALWAYS WANTED!"

"Right you are, Sis," says Dad. "Electric blankets give real, honest-to-Morpheus sleeping pleasure. Automatic controls adjust to meet temperature changes—without disturbing your comfort."

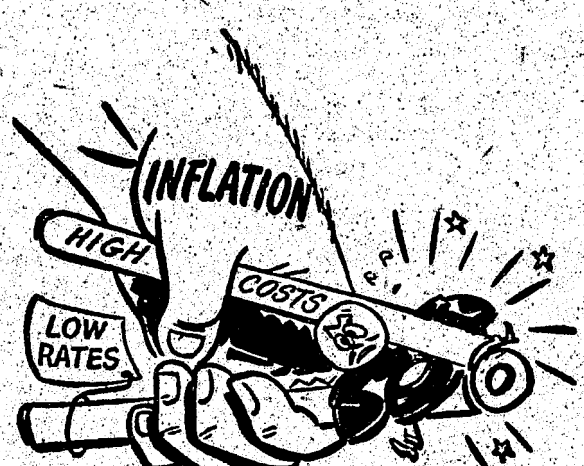

Mother's as pleased as Punch about the practical luxury of electric blankets. "One takes the place of three old-fashioned blankets—cuts down on bedmaking, storage space and laundry bills. That's real saving!"

"These slumber-numbers are fool-proof, too," says Brother. "They're constructed like electrically-lined flying suits—they're built to last for years. Make mine an electric blanket next Christmas!"

Beautifully made of virgin wool, bound with satin, electric blankets are available in many pastel shades at your favorite appliance shop or any Edison office.

The DETROIT EDISON Co.

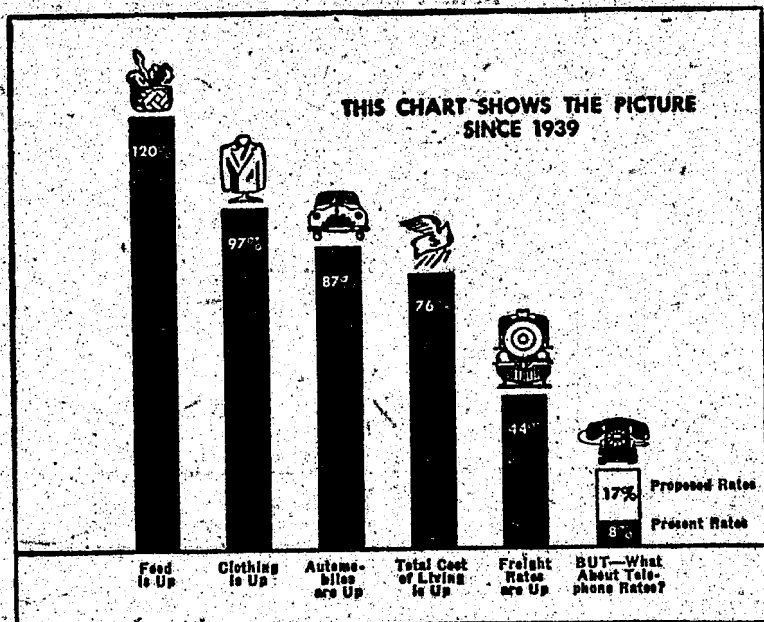

For the Good of Your Service . . . Adequate Telephone Rates are Essential

You want good telephone service and we want you to have good service. But to be able to continue it, another increase in telephone rates is essential.

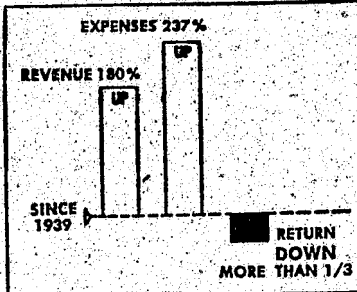

The rate increases put into effect in October were based on conditions in a past period, and already the effect of those increases has been wiped out by rising costs.

Elsewhere in this newspaper, in accordance with the State law, legal notice of our intention to ask the Michigan Public Service Commission for a further increase and details of the proposed rates appear.

1 TELEPHONE RATES ARE UP MUCH LESS THAN MOST OTHER THINGS YOU BUY

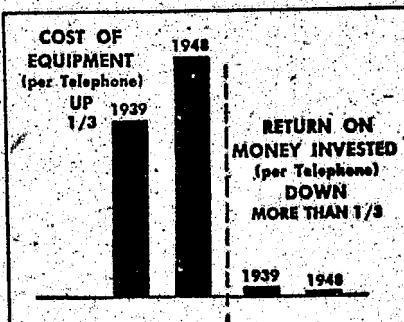

The recent increase in Michigan Bell rates—the first in nearly a quarter of a century—plus the new one now being asked, would boost the average customer's bill only about 25% over prewar telephone rates. Most businesses have had to raise their prices not once but many times. Compared with other prices, as you can see from the chart, telephone rates will still be low.

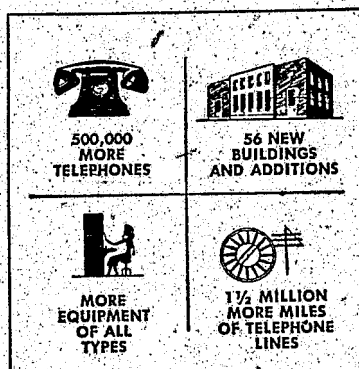

180% over 1939. But the cost of giving you service has gone up even faster . . . 237%. Wages, for example, make up more than half of our total expenses; and our wage bill is now over four times as big as in 1939. And the return on the money people have invested in our business is down more than a third.

2 TODAY EACH NEW TELEPHONE COSTS MORE . . . AND EARNS LESS

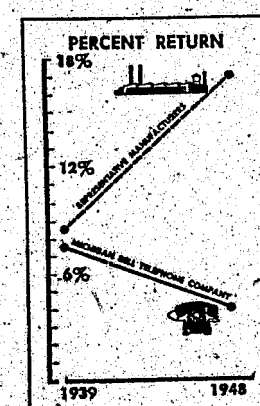

As the chart shows, the higher cost of labor and materials makes the cost of providing the equipment needed to serve a new telephone about one-third more than in the period through 1939. But the return per telephone is down more than a third from what it was in 1939.

4 \$162,000,000 SPENT SINCE VJ DAY FOR MORE AND BETTER SERVICE . . . MILLIONS MORE NEEDED

Since the war, Michigan Bell has been carrying on one of the largest construction programs—in the State. It is not yet completed. Even though over 500,000 more telephones have been connected, a lot still must be done to give everyone the kind of service he wants and to provide a telephone for everyone who wants one. But to build telephone plant, of course, takes money—at today's prices, lots of money.

5 MONEY FOR SERVICE IMPROVEMENT AND EXPANSION MUST COME FROM INVESTORS

This money must come largely from people all over America who have savings to invest in the telephone business. Naturally, they'll invest their money only if they're convinced it will earn a reasonable return. We compete with other businesses for this investment money. And our return is substantially below that of representative companies in other industries.

We want to continue our improvement and expansion program because it is for your good. We can go ahead with it if investors continue to put money into our business.

ADEQUATE TELEPHONE RATES ARE NEEDED

It all boils down to this: The money to provide you with the service you want can be obtained from investors only if their return is adequate. Unfortunately, it's not. So, although we'd rather not be asking for this second rate increase, adequate rates are needed—and needed right away—to protect the future quality of your telephone service.

MICHIGAN BELL TELEPHONE COMPANY

PHONE COMPANY REVEALS FINANCIAL SITUATION

The Michigan Bell Telephone Company announced today it will ask the Public Service Commission

on Dec. 29 for permission to raise telephone rates an average of 17 per cent.

Robert E. Poll, manager here for the company, said the application would cover two main items: (1) the amounts requested in the recent rate proceedings but ruled out because of legal advertising requirements and (2) wage boosts that are imminent and other increased costs.

The increase would be applied to virtually every type of service

and to every exchange in order to spread it out as equitable as possible for all customers, according to Poll.

The additional revenues being sought by the company would total \$20,000,000. Only \$12,400,000, however, would be available to the company after taxes.

Emphasizing the seriousness with which Michigan Bell views its financial situation, the company will ask for \$10,000,000 of the amount, it needs as "immediate relief to meet increased payroll costs and other urgent expenses."

In accordance with the recommendation of a fact-finding panel appointed by the Governor, Michigan Bell has granted its employees "third-round" wage boosts of \$7,000,000 annually. In addition, the cost of materials and equipment, said Poll, "have increased for the telephone company just as rapidly as for all other companies."

Michigan Bell will propose immediate raises of 25 cents per month for all residence lines; 75 cents for private branch exchange trunks; 60 cents for semi-public lines; 50 cents for all other business lines, and \$1.50 for service connection charges.

Rates for long-distance calls within the state also would be raised immediately. Station-to-station messages would be increased 5 to 15 cents, depending upon distance. Person-to-person rates would be upped from 35 to 40 per cent above station rates. Sunday and night discounts on all calls would be reduced from 35 to 20 per cent less than day rates.

Poll said further increases in long-distance rates, private branch exchange trunks, and service connection charges were not contemplated at this time.

Exchange rates, however, would be further boosted when and if the additional rates are approved by the Commission.

The services to be affected by the additional boost, and the amount of both increases, follow:

Residence lines (including both immediate and additional increases), individual, \$1.00; two-party, 75c; four-party, 75c; rural, 75c. Business lines (including both immediate and additional increases), individual, \$1.50; two-party, \$1.25; rural, \$1.25; semi-public, \$1.50.

These rates are based on schedules currently in effect and do not include an increase which may result when extended area service is introduced.

All residence and business extensions would be raised 25 cents.

In a statement released in Detroit, Thomas N. Lacy, president of Michigan Bell, said, "Most businesses have had to raise their prices not once nor twice but many times in the last few years," Lacy said. "For almost a quarter of a century—from 1926 to 1948—there was no increase in telephone rates in Michigan. In fact, during that period there were substantial reductions in the charges for service.

"The 8 per cent increase granted us this year helped but was little more than the amount of the 'second-round' wage boost given to our employees in May, 1947, a few months before we made application for our first rate increase in 21 years.

"The first increase plus the one we now are asking totals only 25 per cent," said Lacy.

Compared to other price increases, telephone rates still would be low, the telephone president pointed out. "Since 1939, for example, building construction has gone up 126 per cent, food 120 per cent, automobiles 87 per cent, railroad freight rates 44 per cent, and total cost of living 76 per cent.

"Higher prices for all the things we buy plus the rise in payroll expense have increased the cost of providing the people of Michigan with telephone service by 237 per cent. Our total wage bill, for example, which makes up more than half our total expenses, is now four times as much as before the war," Lacy said.

"Our revenue, on the other hand, has gone up only 180 per cent in the same period.

"As a result of costs increasing faster than revenue, our return is dangerously low—and getting lower.

"This points out clearly the necessity of having rates adequate to carry the company for a reasonable period ahead. The rates which we are now requesting are to apply in a future period and should be sufficient to meet the needs of that period," said Lacy.

"We have spent \$162,000,000 since V J Day on new facilities. Almost all of this came from investors. By the end of next year we will have spent \$220,000,000.

"This is one of the largest construction programs in the state, if not the largest. But it is not yet completed. A lot still has to be done to give everyone the kind and quality of service he wants—and to provide a telephone for everyone who wants one.

"This program requires a great deal of investment money. People will put their savings into a business only if they have confidence in it and earnings of the business are adequate to provide a reasonable return on their investments," said Lacy.

"To meet the increased costs of doing business and to insure the new money necessary to improve and expand service, higher rates are needed.

"A financially sound telephone company is essential not only to the many telephone users and investors, but also to a large segment of Michigan people who depend upon it for their livelihood," Lacy said.

He pointed out that the 25,000 Michigan Bell employees "earn and spend in Michigan" an annual payroll of \$75,000,000.

"With so many people—customers, investors, employees—depending upon a financially sound company, we as managers, have no alternative but to seek higher rates in order to protect their interests," declared Lacy.

HOW TO WIN A HUSBAND

No romantic attachments in sight? Then, girls, come out of your daze and get into circulation. Here's how! BEAVER FALLS BEFORE THE CLARKSTON AVALANCHE

A Clarkston team never says die. After the unmerciful defeat at the hands of Oxford, "Doc" Thayer emptied the bench in an effort to keep the Clarkston-Beaver score down, but the final was Clarkston 58 Big Beaver 14.

Although the Wolves showed very few spots of smooth playing, they scored at will against an outmanned but game Beaver five. The Wolves, playing their first home game, opened defense of their twin county championship in this outlandish fashion.

Led by Don Dubats, the Wolves scored 16 points to 3 for Beaver to lead 16-3 at the end of the first period.

In the second period an entirely new team rolled the score up to 23-11.

In the third period with the five starters in, the score was

quickly boosted to 43-11.

The final period found the roughest play of the night during which Clarkston again did most of the scoring and the final gun ended the game with the score Clarkston 58, Big Beaver 14. Bob Rioux was high point man for Clarkston with 14 points.

Tonight, Clarkston meets, its second league opponent, Auburn Heights at home.

OXFORD TRIUMPHS OVER CLARKSTON

A smooth passing Oxford five, led by their all state nominee, Don Quayle, steam rolled Clarkston last Tuesday, night, 54-27.

The Wildcats, playing on their home floor, quickly built up a seven point lead before Don Dubats sunk Clarkston's first floor shot. The fast breaking Wildcats added 5 more, while Dubats added four, and led at quarter 12-6.

With a good lead to work on, nothing went wrong for Oxford in the second quarter. Long shots were caged or the rebounds were received by their greater height. Although, the whole Oxford team was playing steady ball, it was Quayle who really showed. When the first half ended, with Oxford leading 28-12, Quayle led the scoring with 11 points.

The second half was a replica of the first. The tall team from Oxford received virtually all of the rebounds and they turned half of them into breakaways or quick baskets. It was a game Clarkston team that kept up the fight until the final gun, however. The Clarkston boys realized that they were playing their toughest opponent of the year. Too much, Quayle seemed to be there. The game ended with Oxford on the long end of a 54-27 score. Quayle led the Wildcats 23 points while Bob Fell was high for Clarkston with seven.

CHRISTMAS IN OUR LIBRARY

By Mickey Tersigni

We thank the Girl Scouts for the splendid decorations in the Elementary Library. It is very attractively trimmed with angels, a manger scene, Christmas trees, and Santa and his reindeer. They have cotton on the windows to give the real touch of winter. We appreciate it all very much and we also thank Mrs. F. L. Spooner, chairman, who planned the decoration.

2nd GRADE

Several children have returned to school after having the mumps. We hope the others return soon. Thursday we had a spell down in our room. Larry Powell won and Marshall Wikle was runner up.

During art class we decorated the blackboard to represent a large Christmas Card.

3rd GRADE

We have a new girl in our room Sally Norman.

The following were neither absent or tardy this working period. Joanna Springer, Betty Brian, James Weber, Deanna Tebo, Bobby Waters, Gail Weston, Rea Watterworth, Bobby Gilles, Bonnie Abbot.

We are learning songs for Christmas and writing them for a Christmas song booklet.

In arithmetic we are learning to carry when we add.

We had a spell down last week ending in a tie. Harold Mahieu and Eugene Vliet are back after the mumps.

6th GRADE

For Christmas we are decorating our room and have a town on our table.

In language we are going to have a book fair and have already appointed committees for it.

The following people had a perfect spelling lesson last week. Glenn Abbott, Mary Jane Beardsley, Clayton Bell, Carol Collins, Joan Dark, Carole Gagnon, Arlene Gaynor, Roger Johnson, Bob Jones, Carolyn Kerton, Lanny Leak, Ann Letson, Dawn Marks, Marvin Menzies, Janet Miller, Lawrence McNeil, Jean Porritt, Raymond Powers, Russell Powers, Janice Roberts, Betty Root, Rob Roy, Laura Ruggles, Richard Tebo, Mickey Tersigni, Patrick Thompson, Don Turek, Robert Yankhe, and Richard Johnson.

The Clarkston School has given the complete Stanford Achievement Tests to all pupils in the school from the 2nd grade through the 9th grade.

The purpose of this test was to determine the quality of teaching in our school by testing the progress of our pupils in comparison to the national averages. All grades taking this test showed an average equal to or better than the national average for each grade and subject.

The test also showed clearly that the pupils coming into the Clarkston school from nearby rural areas were not as well prepared as the Clarkston students.

At the end of the semester, subject tests will be given in the high school to check the quality of our high school teaching.

TO CLARKSTON TELEPHONE CUSTOMERS:

Notice of Application to the Michigan Public Service Commission by the Michigan Bell Telephone Company
For Authority to Make Effective Certain Schedules of Rates, Rentals, and Charges

In accordance with statutory requirements, notice is hereby given that an application will be presented by the Michigan Bell Telephone Company to the Michigan Public Service Commission in the City of Lansing on the 29th day of December, 1948, for authority to make effective increased schedules of rates, rentals and charges for the furnishing of telephone service and facilities in the exchanges of the Michigan Bell Telephone Company in the State of Michigan, as set forth below. The application also will request the Commission to set a date for the hearing of the matter.

revenues now needed to assure good telephone service in the future. The authorized increases were based on the financial condition of the Company in the period beginning September 1947 and ending August 1948. The increases were not large enough to meet the steadily rising costs since the Company filed its application in 1947. The Company now asks that the Commission consider increases to meet conditions as they exist today and as they will be in the near future. To meet present needs, the Company will ask approval at once for increases in certain rates and charges as shown immediately below. Those increases would remain in effect until the Commission has had an opportunity to determine that the remaining increases shown in the following tables are reasonable and proper.

Rate increases authorized by the Commission in October were insufficient by a large margin to provide the

PROPOSED INITIAL RATE INCREASES

Pending complete consideration of all the rate changes proposed below, the following initial rate increases are proposed:

Exchange Rates

Increase the present basic monthly rates for business main tele- phones 50c.
Increase the present basic monthly rates for residence main tele- phones 25c.
Increase the present basic monthly rates for private branch exchange trunk lines 75c.

Increase the present daily guarantee for semi-public coin box service 2c.
Increase the present monthly switching rate for service stations 25c.
Miscellaneous Rates
Increase service connection charges the full amount as proposed below.
Intrastate Toll Rates
Increase intrastate telephone and teletypewriter message toll rates the full amount as proposed below.

EXCHANGE RATES (Excluding Federal Tax)

For rate purposes, exchanges are grouped according to the total number of telephones that can be reached, at the rates shown below, without payment of a toll charge. In the case of present rates, there are 8 groups. The total number of telephones in service on March 31, 1947 in all exchanges and zones of the Company is the basis used generally to determine the group rates applicable for local area service and those applicable for "Extended Area Service." In the case of proposed rates, there are 7 groups. The current total number of telephones in service in all exchanges and zones of the Company is the basis used to determine the group rates applicable for local area service and

those applicable for "Extended Area Service." In the majority of the Company's exchanges "Extended Area Service," which will increase the number of telephones that can be reached without payment of a toll charge, is to be furnished when facilities are available. Meantime, a lower schedule of rates is applicable in most exchanges until "Extended Area Service" is furnished. In a few exchanges, the furnishing of "Extended Area Service" will not change the rates. In a few cases, "Extended Area Service" will not be furnished. In a few other cases "Extended Area Service" already is being furnished.

PRESENT SCHEDULES OF MONTHLY EXCHANGE RATES

Group 1 rates (see note below), as shown in the following table, now are applicable in Clarkston. When Pontiac District Exchange Service is provided, Group 7 rates would be applicable under the present schedule.

Note: These rates include a temporary two-party residence rate of \$2.00 per month.

Table with columns: GROUP, NUMBER OF TELEPHONES, BUSINESS SERVICE, RESIDENCE SERVICE, BUREAU & RESIDENCE, PRIVATE BRANCH EXCHANGE TRUNK LINES. Includes sub-tables for Commercial Rates and Hotel Rates.

PROPOSED SCHEDULES OF MONTHLY EXCHANGE RATES

Group 1 rates would apply in Clarkston until Pontiac District Exchange Service is furnished, at which time Group 6 rates would apply.

Table with columns: GROUP, NUMBER OF TELEPHONES, BUSINESS SERVICE, RESIDENCE SERVICE, BUREAU & RESIDENCE, PRIVATE BRANCH EXCHANGE TRUNK LINES. Includes sub-tables for Commercial Rates and Hotel Rates.

MISCELLANEOUS RATES (Excluding Federal Tax)

Table with columns: MISCELLANEOUS EQUIPMENT, PRIVATE BRANCH EXCHANGE EQUIPMENT, SERVICE CONNECTION, MOVE AND CHANGE CHARGES. Includes sub-tables for Instruments Not in Place, Instruments in Place, Move (Inside) and Change (4) Charges, and INSTALLATION CHARGES.

INTRASTATE TOLL RATES (Excluding Federal Tax)

Telephone Message Toll Rates
Two-point Connections:
Increase most day station-to-station rates 5¢ to 15¢.
Increase day person-to-person rates 5¢ to 30¢.

Increase initial period rates 15¢ to 45¢ for first two stations in the connection farthest apart, and 10¢ to 25¢ for each additional station in the connection, on distances over 50 miles.
Increase overtime charges 5¢ to \$1.25 per minute on most connections, depending upon the initial period charge.

Teletypewriter Message Toll Rates (Including Interzone Rates)

Two-point Connections:
Reduce initial period rate on connections involving distances up to 45 miles from 5 or 4 minutes to 3 minutes.
Increase initial period rates 5¢ to 15¢ on connections involving distances over 45 miles.
Increase overtime charges from approximately 1/4 to approximately 1/2 of initial period charges.

Conference Connections:
Increase initial period rates 5¢ to 15¢ for the first two stations in the connection farthest apart and for each additional station in the connection.
Increase overtime charges from approximately 1/4 to approximately 1/2 of the initial period charges.

Drayton Shoe Repair

Christmas Gifts, boxed, Shoe Trees... \$1.19, Bill Folds... \$1.45 to \$2.00, Shoe Shine Kits... \$1.25

Mrs. Howard Voelker was hostess to twenty-four members of the Women's Missionary Society on Thursday afternoon at her home on Dixie Highway. Mrs. Walter Aderholdt, who was in charge of the program, presented a radio monologue "Peace on Earth" assisted by Mrs. Voelker. Mrs. Joseph Bennett of Pontiac, a bell hobbyist gave a talk and showed many specimens of her collection of bells. A report was given on the annual Thank Offering which amounted to \$370 for all the missionary groups of the Drayton Plains church. Refreshments were served by the hostess with decorations carried out in the Christmas motif.

Mrs. Katherine Cable received word Thursday of last week of the death of her brother, C. R. Beadles of Elmhurst, Ill. Mr. Beadles is known to several people around Drayton as he has been a frequent guest at the L. G. Rowley and Cable home.

The Pearl Sutton Missionary Society will meet for their regular meeting on Tuesday evening at 8 o'clock at the home of Mrs. Gerald Rustem on Addie street. Mrs. James Cowen will have charge of the program. Roll call will be answered by an interesting article from the Missionary magazine. Each guest will bring a toy, new or used, for the church nursery.

CLARKSTON METHODIST Walter C. B. Saxman, Minister 945 Church School. Special Christmas Service with White Gift offering.

11:00 Morning Worship—Christmas service with a White Gift offering for the Children's Home. Sermon—The Christmas Story. How Many Desks Will Be Empty?

In the next few days - schools throughout the country will be closing for the eagerly awaited Christmas Vacation period. Youngsters will be on the streets - sliding - going to the skating rinks - hurrying downtown to finish their Christmas shopping. Will they remember to stop, look and listen before crossing the street? No driver can afford to take a chance - never assume that a child will do the right thing. Watch out - every minute - every second for the youngster who may dart in front of your car. Make it a safe vacation - make sure that you will not be the cause of any empty desk when school reopens at the first of the year!

Bad winter weather - ice and snow are serious accident hazards. Last year, the weather was rainy, foggy or snowy in one out of every seven fatal accidents. Take every precaution possible to insure good driving vision - to make sure that you will not kill or injure a child. What are these precautions? Check your windshield wipers - defrosters - lights - to be sure they are in good working order. Use your tire chains when the streets are snowy and icy. Check your brakes - to be sure that you can stop in time. And - discuss safety precautions for pedestrians with the children in your family. Teach them safety - and practise it yourself. Don't let Death take your holiday - make yours a Merry Christmas and a Safe One!

Kroger Savings that Count In these days when all expenses are heavy, savings made by shopping at Kroger count for more than ever before. A penny saved is a penny earned. You'll remember. And many a dollar can be saved by shopping the Kroger way... Kroger always sells close-to-cost.

PAGINATION ERROR

COMFORT, BEAUTY IN GOOD LIGHTING

How good is your lighting? Darkness comes early these days and when you flip on the switches

what kind of results do you get? There are two important factors in home lighting. One is comfort and the other is the decorative quality. Since the two go hand in hand, Hildred Wilson,

Michigan State college home economist, discusses both together.

Comfort is concerned with the amount, the distribution and the quality of light. Good lighting means good health. It has no glare and no shadow. The amount of light will vary with the people in the room, the type of work they are doing and the length of time they will spend at the work.

When you're sewing, studying, reading or writing you need local illumination. For the room itself there should be general illumination. These needs are filled through the use of direct and indirect lighting.

Paint on the wall can influence the effectiveness of light. Glossy finishes will glare and flat finishes are more pleasing since they produce less glare. Color makes a difference too. Light colors reflect more light than dark ones do. The woods make a difference. Mahogany reflects only 12 percent

while maple reflects 42 percent. For decorative effects good general lighting will make the room

one while local lights create contrasts and place emphasis on parts of the room. Soft subdued light creates a mood of hospitality and intimacy. Direct light with contrasts of light and dark creates a gay and vivacious mood. Cove lighting spells sophistication, richness and a modern feeling.

to consider, they believe, is anti-freeze to prevent motor freeze-ups.

Elderly widow would like to rent a small apartment or light housekeeping rooms. Phone Clarkston 4321. 16c

The cooling system should be carefully inspected before adding anti-freeze. Costly damage can develop from leaks, and under severe conditions an engine block can be ruined, putting the car, tractor or other equipment out of service.

Here are some of the tips passed along for a cooling-system inspection.

1. Inspect radiator—if it is rust-clogged, it should be drained and

cleaned. A cooling system cleanser is excellent for this purpose.

2. Check for leaks—radiator hose, hose clamps, and pump should be tight. Servicemen will indicate need for any repairs or replacement.

3. Try cylinder bolts—if they need tightening, use a special tension wrench.
