## Vows Spoken In Methodist Church

On Thursday afternoon of last week Helen Maxine Hodges and Anthony V. Capillo spoke their marriage vows at a double ring ceremony in the Clarkston Methodist Church before one hundred, close friends and relatives.

The bride is the daughter of Mr. and Mrs. Garnet E. Poulton of Clarkston and the bridegroom's parents are Mr. and Mrs. Frank Capillo of Middletown, N. Y.

The rites were read by the Reverend Walter C. B. Saxman before an altar banked with baskets of white snapdragons, chrysanthemums and gladioli with lighted tapers in candelabra forming the background.

Just before the ceremony Phil Burke of Rossford, Ohio, sang "Because" and "Through The Years". Mrs. Adele Thomas presided at the organ.

The bride, given in marriage by her father, was dressed in ivory crepe fashioned with a hem-length tier in front which ended in a soft bow in the back. The tiny collar and sleeves were edged with gold piping. Her small hat was gold and brown and her bouquet was an arrangement of Johanna Hill roses edged with gold leaves and ribbons.

The bridesmaid, Mrs. John Hollander of Chicago, Ill., wore green faille, styled with a peplum, a small, brown, straw hat and brown accessories. Her flowers were roses with natural green and ribbons matching the roses.

Mr. Capillo was assisted by Robert Laraway of East Lansing as best man and Larry Baker of New York City and Jack Hodges of Pontiac, brother of the bride, seating the guests.

Mrs. Poulton, mother of the bride, wore dark fuschia crepe with matching felt hat and a shoulder corsage of rubrum lilies. A reception in the church parlors followed the ceremony. The bride's table was centered with a four tiered cake flanked with lighted tapers. The bride's aunts, Mrs. Ward Robbins and Mrs. Fern Crosby, both of Clarkston, presided at the silver services. Mrs. Jack Hodges of Pontiac, sister-in-law of the bride, poured the punch.

Following a short wedding trip the newlyweds will reside in East Lansing. The bride is a graduate of Clarkston High School and Michigan State College. She is now dietitian in St. Lawrence Hospital in Lansing.

The bridegroom served four years in the navy during the war and is now attending Michigan State College.

Guests at the wedding were from Inwood, Ontario, East Lansing, Inkster, Farmington, Temperance, Marysville, Detroit, Pontiac, Chicago, Ill., New York City, Toledo and Rossford, Ohio, and Clarkston.

J. H. F. Plans 1949 Activities  
The Junior High Fellowship of the Clarkston Methodist Church has just closed the year 1948 in a happy and an encouraging manner. This organization of 7th and 8th graders has been functioning approximately three months and in that short time they enjoyed a christian fellowship that has aroused a keen interest in projects and subjects that will help build worthwhile Americans. They have an enrollment of 25 and an average attendance of 14.

At Christmas time seventeen of these young people visited the homes of shut-ins and sang the beloved carols and distributed bags of homemade candy. After their jaunt around town they went to the home of their counselor, Mrs. L. D. Gaynor where they enjoyed a social hour, the exchanging of gifts and refreshments. The group also sent a package to Finland at Christmas and at Thanksgiving they helped the senior group pack baskets for distribution in this district.

This group is looking forward to many fine programs in 1949. They are planning to discuss other religions and hope to visit other churches. They are also planning a recreational program to include skating parties, hay rides, winter roasts and other outdoor activities. With the generous help of Reverend W. C. B. Saxman these young folks are able to carry on some of their projects, as he looks after many of the necessary details.

Mrs. Gaynor is counselor of the group and the officers include: president, Mary Dean; vice president in charge of recreation and social times, Kathleen Stauter and Danny Curry; secretary, Phyllis Saxman; treasurer, Richard Huttenlocher; choral leader, Judy O'Dell; pianist, Arlene Gaynor.

## Man of Note At Waterford Church

Paul Gerrard Jackson, impersonator and Bible lecturer, will present his program of Gospel Life Portraits at the Waterford Community Church on the evenings of January 9 through 11 at 7:30 o'clock. Using his powers of impersonations, Mr. Jackson will make Bible characters come to life, such as Pontius Pilate, the Old

Rev. Paul Gerrard Jackson

Innkeeper of Bethlehem, the Apostle John in his old age, the Roman Soldier at the Crucifixion, and literary and historical characters such as John Bunyan and Martin Luther.

Mr. Jackson's Gospel Life Portraits are given in full costume, with interpretive lighting effects and music. The special lighting and audio-electronic equipment is operated by his son, Philip Jackson, who assists his father as a technician.

Now an ordained minister of the Gospel, Paul Gerrard Jackson was formerly a professional actor. He specialized in the classical drama, and played a variety of Shakespearean roles in transcontinental tours of the United States and Canada.

Mr. Jackson has been a popular speaker at youth rallies throughout the country. On several occasions he has been called to supply the pulpit of the Moody Memorial Church of Chicago, and has also spoken at the People's church of Toronto, as well as having an extensive ministry at Bible Conferences.

In addition to the evening services at the Waterford Community Church, Mr. Jackson will be on the program of Youth for Christ at the Oakland Avenue Tabernacle in Pontiac on Saturday evenings, and will deliver the morning sermon at the Waterford Community Church on Sunday, January 9.

New Chevrolet for '49 Tested and Proved...

on the world's toughest Proving Ground

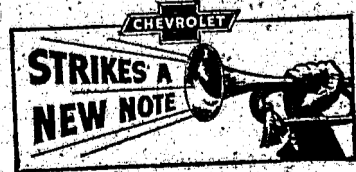

ITS ECONOMY WAS PROVED HERE ITS RIDING COMFORT WAS PROVED HERE ITS DURABILITY WAS PROVED HERE ITS RELIABILITY WAS PROVED HERE ITS DEPENDABILITY WAS PROVED HERE ITS SPEED WAS PROVED HERE ITS STABILITY WAS PROVED HERE ITS IMPROVED PERFORMANCE WAS MEASURED HERE ITS DURABILITY WAS CHECKED HERE ITS POWER WAS PROVED HERE ITS VISIBILITY WAS PROVED HERE

WHEN you see the 1949 Chevrolets, a glance will be enough to tell you they're new—all new—in line and contour, in beauty and style. And when you look inside, and under the hood, and beneath the chassis, you'll see that their newness is not merely in outward appearance, but in design and engineering and construction as well.

They are the engineers and technicians of the General Motors Proving Ground—the largest, most completely equipped, outdoor testing laboratory in the automobile world.

Here, before a single new 1949 Chevrolet went into production, experimental models were tested—made to show that they possess, in greater measure than ever, all those qualities on which Chevrolet has built its leadership.

In short, the General Motors Proving Ground tests are your assurance that your new-model Chevrolet has proved its worth through many months and many, many thousands of miles of rough handling. Soon you will see the new Chevrolet—and when you do, you will see a car not only new, but tried and true.

THE COST OF MEDICAL CARE

That the cost of medical care has risen, no one can deny. But the rise has not been out of proportion to the general advance in the cost of living. At the same time the quality of medical service has been immeasurably improved.

Consider that today your physician has invested from eight to ten years and about ten thousand dollars in his education alone. He has no chance to earn until he is twenty-six or twenty-seven years old. He must have an office in a good neighborhood, good equipment, a car, good clothes.

Pharmacy, too, has stepped up its standards. Almost every state now requires four years of college and a year or two of practice before registration. All this adds up to better medical service for you.

and answer period was conducted by Wm. H. Stamp. **HEARING DATE SET ON TELEPHONE INCREASE** Hearings on the application of the Michigan Bell Telephone Company for a \$20,400,000 increase in revenues will get under way Jan. 26 before the Michigan Public

Service Commission. The Commission set the hearing date promptly upon the receipt of the company's formal application for the revenue increase, which, after taxes, would mean \$12,600,000. Half the amount of the additional revenue is sought as immediate relief, amounting to a boost of 25 cents a month in rates for residence service and 50 cents monthly on business telephones, along with increases in long distance rates. Plant additions of \$38,000,000 in

the past year and increased operating costs, including wage hikes of \$7,000,000 a year have combined to depress the company's return to less than 4 1/2 per cent on its investment, the application said. The company's request would permit a return of at least 7 per cent. Michigan Bell asked the Commission to give consideration to the depreciated value of the dollar in making its determination. Failure to do so, the company said, "will cast an unfair share of the burden of inflation upon investors in the telephone industry."
