### Waterford

Berneece Wells of Pontiac spent the weekend here at the home of JoAnn McCaffery.  
Mrs. Edwin Lamberton and Miss Vivian Wormnest attended the 17th District American Legion School of instruction on Saturday at Ferndale.  
Fred Beardsley, Representative of the 17th District in the House of Representatives of the State of Michigan, stopped to visit friends in Waterford on Thursday of last week.  
Mr. and Mrs. Earl Wilcox spent last weekend at their cabin near Atlanta.  
Weekend guests at the home of Mr. and Mrs. Harry Wormnest, Sr., were their son and daughter-in-law, Mr. and Mrs. Harry Wormnest, Jr., and two sons, Larry and Dennis.  
Mr. and Mrs. Percy Hunt of Pontiac called on Mr. and Mrs. L. V. VanSyckle on Sunday.  
The Good Will Club will meet at the home of Mrs. Percy King

on January 27 at one o'clock. The committee assisting the hostess includes Mrs. Henri Buck and Mrs. Henry Mehlerberg.  
Mr. and Mrs. Henry Mehlerberg entertained the following at their home on Saturday evening, Mr. and Mrs. Charles Maxwell, Mr. and Mrs. Leslie Dingman, Mr. and Mrs. Orville Gidcomb, Miss Patty Maxwell and Edward Amos.  
Mr. and Mrs. D. H. Mehlerberg and son, David, of Lapeer visited at the home of his parents, Mr. and Mrs. H. B. Mehlerberg on Friday and Saturday. Sunday guests at the Mehlerberg home were Mr. and Mrs. Fred Tuck and daughter, Barbara Jean, of Wayne.  
The MOMS met at the home of Mrs. Fred Mitchell on Wednesday afternoon. There were 12 members and 4 guests present. Mrs. J. S. Coulter, State president, Mrs. A. W. Mack, recording secretary, and Mrs. Blanche Bishop who is hospital advisor of the hospital work, all gave talks at the meeting which were very interesting and helpful. The January committee who went to Dearborn Hospital were Mrs. Clifford Wood, Mrs. Floyd Wallace, Mrs. Trunk and Mrs. Murdo McDonald. Committee chairmen for hospital work for this organization are to be Mrs. Murdo McDonald, and Mrs. Henry Mehlerberg. Mrs. Henri Buck will name the February visitation group. Mrs. August Jacober, Sr., will open her home for the February meeting on the 9th.

Tiny's Trailer closed on Sunday for repairs. No date has been set for reopening.  
Edward Craft Jr., entered the service on January 3, and is now stationed at Camp Breckinridge, Ky. He would enjoy hearing from his friends at home. His address is as follows:  
Ret. Edward Craft Jr. U. S. 5002330 Co. M., 3rd B., 506th A. B. Int. Regt.  
101st Airborne Division, Camp Breckinridge, Kentucky  
Mrs. Fred Tuck and Mrs. H. B. Mehlerberg gave a pink and blue shower via mail, honoring Mrs. Emerson Mitchell of Cleveland, former Waterford resident. Mrs. Mitchell (the former June Harris) is the daughter of Mrs. Henri Buck, and Mr. Mitchell is the son of Mr. and Mrs. Fred Mitchell of Waterford. The gifts were sent to the honoree on January 19.  
The next regular P. T. A. meeting will be held at the Waterford Village School on Thursday, January 27 at 8:00 p. m. The program for the evening will be conducted by Mrs. J. L. Bennett who will give a talk on "Bells" and will also display bells from all over the world. Anyone who has any odd bells please bring them to the meeting for display. Mr. A. Johnson will show some films on Education, which were given to the school by the P. T. A. for Christmas. The Williams Lake group will be in charge of refreshments, with Mrs. Robert

Russell as chairman.  
The Luther League held its meeting at the home of Ronald Grover last Sunday. A question and answer program was held with Pastor Jordan answering questions on the Youth and the Church. There were 15 members present and plans were made to entertain the District Spring Rally on May 1st in the afternoon and evening. The league is working on a project to purchase a typewriter and projector screen for the new church. Plans were also made for a toboggan party as soon as the weather permits.  
The King's Disciples of the Waterford Community Church will have their semi-formal banquet on Saturday, January 22. All members are urged to attend.  
Gospel Fellowship Class party will be held on Thursday January 27, at 8:00 p. m. This will be a skating party at the home of Mr. and Mrs. Carl Enden, on Allen Road, Bald Eagle Lake.  
Barbara Beedle is spending the weekend in Tawas City at the home of Miss Goldie Schultz.

Kaines; three brothers, Charles D. Ray Jr., and Joseph; and three sisters, Mrs. Elizabeth Howland, Mrs. Mabel Richardson and Mrs. Zelpha Stockwell.  
The funeral service was held in Pontiac on Monday afternoon with Dr. William Marbach, pastor of the First Presbyterian Church of Pontiac, officiating. Burial was in White Lake cemetery.  
Mrs. Mabel Minnie Baum.  
Mrs. Mabel Minnie Baum, 54, of 5915 Johnson Dr., Waterford Township passed away at St. Joseph Mercy Hospital on Monday after an illness of several months. She had been in the hospital three days.  
She is survived by her husband, George Baum; two daughters, Mrs. Janis White and Joan A. Baum; two sons, Junior E. and James A. Baum; and three sisters, Mrs. Lulu Reeves, Mrs. Cecil Ingamells and Mrs. Isabel Cummings.  
The funeral service was held in Pontiac on Wednesday afternoon with burial in Waterford Center Cemetery.

Alaska" shown by Jack VanCoevring of the Detroit Free Press.  
About four hundred people gathered at the Waterford Township High School Tuesday evening for the first get-together of the parents, teachers, and pupils of that school.  
Leo Larkin Sr., was chairman of the meeting which included the election of the first officers for this group. Albert Kray of Waterford was elected president; Helen M. Bula, vice president; Sally Eaton, secretary; and Leo Larkin Jr., treasurer. The name of this organization will be chosen by the governing committee in the near future.  
The evening's program included numbers by the girls' chorus under the direction of Leonard Griffith; square dancing; and open house in all school rooms and the office.  
Pie and coffee were served by a group of mothers.  
Private First Class James C. Fosdick graduated recently from the Air Force Communications School at Scott Air Force Base, Illinois, it was announced by the base commander Brigadier General Emil C. Kiel.  
Graduated as a control tower operator, Pfc Fosdick will be assigned to an Air Force Installation where he will direct the local flow of air traffic and thus provide for safer flying operations.  
Pfc Fosdick, son of Mr. and Mrs. James C. Fosdick, 6324 Cleveland Dr., Williams Lake, has been on active duty with the Air Force since his enlistment July 14, 1948.  
Prior to entering the Scott Air Force Base communications school, Pfc Fosdick completed basic training at Lackland Air Force Base, Texas.

return of the books so that they can be packed for shipment.  
Nineteen ladies gathered at the home of Mrs. O. L. Siegman Monday afternoon and enjoyed hearing Mrs. William Shunch review Graham Greene's book, "The Heart Of The Matter". It proved to be very interesting story and was followed with a lively discussion.  
The next review will be held in the Boothby Book Shop at the corner of M-15 and the Dixie Highway. Mrs. K. B. Valentine will review "The China Town Family" by Lin Y'Utang.  
Adah Shelly, librarian at Pontiac City Library, was guest speaker at Thursday's meeting of the Mothers' Club held in the Community Activities Building. Miss Shelly complimented the people of this vicinity for their civic spirit in getting such a place as Community Activities, Incorporated. She also complimented the library group on the fine library which is sponsored by the Mothers' Club.  
The speaker talked a good deal on books for children and recommended giving children books of a lower grade level for entertainment to encourage their reading habits when they find reading difficult. She had several beautifully illustrated books for children with her.  
Miss Shelly stated that "a world of books bring a rich and rewarding world" and that there is a "rewarding value in books".  
During the business meeting, which was conducted by Mrs. James Read, it was announced that \$40.85 had been realized by a recent rummage sale held in Pontiac, and \$36.00 from a recent ticket sale on a play.  
Mrs. Donna Russell invited the group to attend the meeting of the Waterford village P. T. A. on January 27 and hear Mrs. J. L. Bennett give an illustrated talk on "Bells".  
Twenty-five couples gathered at the Community House Monday evening for the purpose of forming a Square Dance Club. Time for membership has been extended until the time for the next party on January 31. There will be a suggestion box handy at the next party for dropping in a name

for the Club. The person putting in the name which will be chosen will receive a prize.  
Couples interested in joining are asked to call Mrs. George Beechum, Pontiac 3-1275. Couples who are twenty-one or over are eligible.

### Obituaries

John R. Ingamells  
John R. Ingamells, 72, of 2561 Williams Lake Road, passed away last Thursday at his home.  
He is survived by his widow, two sons, Lloyd J. and John R.; four daughters, Judith Ingamells, Mrs. Phyllis Richmond, Mrs. Hil-dred Sterling and Mrs. Wilma

### Waterford Township

The Waterford-Drayton Rotary club were guests of the Drayton Plains Exchange club Tuesday evening at a fish fry held in the Community Activities Building with the Woman's club serving. About two hundred men attended the meeting. The program included colored movies on "Green

### WELFARE WEARS THE NEW LOOK

A Red Cross Gray Lady serves a blind veteran at a Veterans Administration Hospital. Today, volunteer welfare workers such as this one are a far cry from their prototype, the self-satisfied "Lady Bountiful" of yesterday.

Jamie Alexander, Mary Jane Beardsley, Clayton Bell, Joan Dark, Carole Gagnon, Arlene Gagnor, Ann Lelton, Dawn Marks, Janet Miller, Lawrence McNeil, Doug Olson, Jean Porritt, Raymond Powers, Russell Powers, Lorraine Rioux, Robert Roy, Jim Rudduck, Larry Ruggles, Laura Ruggles, Mickey Tersigni, Robert Yahnke.

#### COUNTY AAA ELECTS COMMITTEE

The Oakland County AAA Committee to serve local farmers in administration of the various government farm programs during 1949 was elected by a convention of 16 delegates from all rural townships who assembled for the annual county AAA Convention.

Members elected to the county committee for 1949 are as follows: Walter R. Cook, Route 1, Lake Orion, Michigan, Chairman; Earl C. Taylor, Route 1, Holly, Mich., Vice Chairman; Cyril Oliver, Route 9, Pontiac, Michigan, Member; Harold Doebler, Route 1, Clarkston, Michigan, 1st Alternate; Stanley Allen, Route 1, Oxford, Michigan, 2nd Alternate.

The first official act of the committee was to appoint Meriel L. Andrews of Route 1, Pontiac, Michigan to serve as secretary-treasurer in the county AAA office for the coming year.

Mr. Cook has served as Chairman since 1940 and Mr. Taylor has acted as Vice Chairman during that period, while Mr. Oliver is starting his third year as member of the County Committee.

The new committee took office immediately upon re-election and will serve until the annual election in December, 1949.

The newly re-elected county chairman predicted that 1949 will be a busy and vital year for agriculture. Many of the post-war adjustment problems will be felt with intensity, for the first time and the government price support program will undergo its first big test in bolstering the national farm economy. He pointed out that continued and increased emphasis on soil conservation will be necessary to prevent further damage to the soil and to restore the great amount of fertility drained off during the war years.

#### HOLIDAY TRAFFIC DEATH TOLL ONE OF STATE'S WORST

The traffic fatality record during the recent holiday season was one of the worst in the history of the state, it is reported by State Police Commissioner Donald S. Leonard.

On the basis of still incomplete official figures, 72 persons lost their lives during the 10-day period beginning the day before Christmas and ending the day after New Year's. This was an increase of 25, or 53 per cent, over the number killed during the same period a year ago.

Tentative figures also indicate a death toll of 165 for the month of December, an increase of 22 per cent over December of 1947.

In the preceding month of November Michigan's death rate showed an increase of eight per cent while the national death rate decreased eight per cent.

Over the three-day Christmas week-end 29 persons lost their lives. During the next four-day interval 24 were killed, and over the three-day New Year's week-end 19 died.

Because of the sharp increase in the number of persons killed in November and December as compared with the same months in 1947, it now appears that total deaths for 1948 will approximate 1,465, or 18 more than in 1947. Earlier expectations had been that the total would show an encouraging decrease.

"Michigan's tragic record occurred despite repeated warnings by all police and safety agencies to be especially careful because of the extra hazards present during the holiday season, and despite the fact that winter driving conditions were less severe than normally," Leonard said. "But the record is there, and we hope that pedestrians and drivers alike will heed its costly lesson."

#### BEEKEEPERS TO MEET

The Oakland County Beekeepers Association, of which Henry Saeger of Holly is president will meet Saturday, January 22, at 7:00 P. M. for their annual meeting. The meeting will take place at the Bloomfield Township Hall, 5 miles south of Pontiac on Telegraph Road.

There are about 500 beekeepers in Oakland County who own about 5,000 colonies of bees which produce an average of about 60 lbs. of honey per colony per year. This gives 300,000 lbs. of honey, barely enough for one pound per consumer, in Oakland County per year.

Not only are bees important for

honey production but they are even more important for the pollination of Michigan fruit according to Karl D. Bailey, County Agricultural Agent. Bees can be placed in fruit orchards during blossoming period and later transferred to the regular apiary for honey production. According to Mr. Bailey, there is wide spread interest among fruit growers in securing honey bees for pollination.

#### ELECTRIC CLEANERS SAFE FOR NEW RUGS

If you're one of the homemakers who believes that no electric cleaner should ever touch a new rug or carpet—here's news for you.

You can use a cleaner on your rug from the very first moment it's laid on your floor. There will be no ill effects advises Ruth Peck, Michigan State college home economist. This information is

based on recommendations from the American Institute of Carpet Manufacturers who have good reason to want you to be satisfied with the wear your rug gives you.

A new rug or carpet will "fluff" to a certain extent because there are short fibers left in the pile when the yarn is cut. These gradually work loose, but this does not injure the life or quality of your rug. It will stop as soon as the loose fibers have been removed. Occasionally during the early life of your rug or carpet a tuft may protrude above the surface. Never try to pull this tuft out, as you may injure the fabric. Instead, clip the tuft close to the pile, with sharp shears.

Your new rug or carpet may also have a spot where several tufts are missing. Tufts may also be damaged or removed in service. When this happens, and when the

areas are small, the tufts may be replaced by sewing in the proper colored yarns. The store from which you bought the rug will be glad to help you with this problem.

Carpets frequently receive much wear in one or two spots, such as in front of a favorite chair or near a doorway. While a carpet is new, plan to protect it against such localized wear. Use scatter rugs or reverse the rug in the room.

Thirty-seven years ago Henry B. Harris, the prominent Broadway producer, drowned in the sinking of the Titanic. His widow, Renee Harris, now asks readers to help her decide if she did the right thing by leaving the ship without him. Read "Did I do the Right Thing?" in the American Weekly, the great magazine distributed with Sunday's Chicago Herald-American.

GREYHOUND TERMINAL CLARKSTON, MICHIGAN

GREYHOUND

#### The Hilltopper 2nd GRADE

The following children have brought their books to school and read them to us. Thayer Wilson, Freddie Turek, Douglas Powell, Fay-Muree Ash, Patty Fredericks, Danny Campbell, Ruth Ann Carman and Larry Powell. Everyone read his story very well and we enjoyed hearing them.

We are learning to do some simple story problems in Arithmetic.

We are learning a poem, "The Sea Shell."

#### 5th GRADE NEWS

For our current events, we are reading and listening to weather reports covering the United States. We discuss the losses caused by the storms in the west. We wish some of the snow would come our way so we may use the sleds we got for Christmas.

Twenty-six out of twenty-nine pupils present got E in spelling on Friday. Then we had a spell down of fifty words. Edna Brewer spelled the others down.

Irene Moore is out with the mumps. We are glad to have Kay back. Ronald Brisson is out with a broken ankle.

#### 6th GRADE NEWS

We appreciate the things from other lands that the Girl Scouts have put in the elementary library.

We will all have to work very hard this week to get a perfect paper on our examinations next week.

The following pupils got E in spelling last week: Glenn Abbott,

### NEW! Frigidaire HOME FREEZER

You get ALL this in a Frigidaire Home Freezer

- Famous Motor-Miser mechanism

NOW COMES THE LEADER WITH A 7-YEAR ADVANCE IN ONE!

# Welcome the New CHEVROLET

The Styline DeLuxe 4-Door Sedan

ON DISPLAY TOMORROW

## The most Beautiful BUY of all

We cordially invite you to see the new Chevrolet for '49—the first completely new car the leader has built in more than seven years—and the most beautiful buy of all!

You'll find it's the most beautiful buy for styling, for driving and riding ease, for performance and safety; and for sturdy endurance born of quality construction throughout... because it alone brings you all these advantages of highest-priced cars at the lowest

prices and with the low cost of operation and upkeep for which Chevrolet products have always been famous.

Yes, here's the newest of all new cars—pre-tested and preproved on the great General Motors Proving Ground—and predestined to win even wider preference for Chevrolet as the most beautiful buy of all, from every point of view and on every point of value. Come in and see it!

First for Quality at Lowest Cost

CLARKSTON

## CHEVROLET

is the only car bringing you all these fine-car advantages at lowest cost!

#### YOU'LL PREFER ITS "LUXURY LOOK"!

Chevrolet's new Leader-Line Styling is lower, wider, rarer... with new Dyna-Cool radiator grille, Single-Sweep front and rear fender treatment, and fleet-as-a-rocket lines all around... by far the most beautiful development of the new "functional form" for motor cars.

#### MORE BEAUTIFUL FROM EVERY ANGLE!

The new Beauty-Leader Bodies by Fisher (with push-button door openers outside) are true masterpieces by the master builder of fine coachcraft... with superb lines, extra-line upholstery and a wide variety of alluring colors... much more beautiful from every angle—inside and outside—from, side and rear.

#### MORE ROOM AT EVERY POINT!

The new Super-Size Interiors featuring extra-wide "Five-Foot Seats" give you plenty of head, leg and elbowroom as well as extraordinary seating space for six full-grown passengers; and you'll also notice that the giant rear deck has what amounts to "trunk room" capacity.

#### SEE ALL! ENJOY ALL!

New Panoramic Visibility, with wider curved windshield, thinner windshield pillars, and 50% more window area, all-round permits you to see all and enjoy all, and to travel in maximum safety.

#### THESE ARE CARS THAT "BREATHE"!

Yes, you'll enjoy the additional pleasure of riding in a "car that breathes," for a completely effective heating and ventilating system supplies warm air to every nook and corner of the interior—exhales stale air—and keeps glass clear in all weather. (Heater and defroster units optional at extra cost.)

#### THE NEW RIDE'S A REVELATION!

A vastly improved Unitized Knee-Action Ride, combined with new direct-cutting airplane type shock absorbers, front and rear, and extra low pressure tires, gives the stability, smoothness and road-safety you have always wanted.

#### THERE'S ONLY ONE WORLD'S CHAMPION ENGINE

You get the finer results of Chevrolet's sturdy Valve-in-Head Thrift-Master engine in all Chevrolet models... together with all of Chevrolet's money-saving economy of operation and upkeep... and this is the world's champion engine for miles served, owners satisfied, and years tested and proved.

#### JUST COUNT THE COMFORTS!

Push-Button Starter for simplest, easiest starting; Hand-E-Gearshift with Synchro-Mesh Transmission for maximum shifting ease; and Firm Foundation Box-Girdle Frame for ride-stability and road-steadiness unsurpassed in the Chevrolet price range.

#### STOP MORE SWIFTLY AND SAFELY!

The new Curt-Safe Hydraulic Brakes give even faster stops with safety... and assure the highest degree of effective braking action for you and your family.

#### YOU'LL SAVE MORE MONEY, TOO!

This new Chevrolet is designed, engineered and built to speed your pulse and spare your pocketbook, for it brings you all these and many other important improvements at the lowest prices and with extraordinary economy of operation and upkeep.

#### Plus NEW CENTER-POINT DESIGN!

A remarkable 4-way engineering advance exclusive to Chevrolet in its field, and consisting of Center-Point Steering—Center-Point Seating—Lower Center of Gravity and Center-Point Rear Suspension gives the new Chevrolet riding and driving results without precedent or parallel in low-cost motoring. That means a new kind of riding ease and a new kind of driving ease heretofore reserved for owners of more expensive cars. Remember—only new Center-Point Design can give you all these finer motor results; and only the new Chevrolet brings you Center-Point Design at lowest cost!

### POTATO ACREAGE GOALS NOW BEING ASSIGNED

Preliminary work is now underway in Oakland County in connection with establishing 1949 potato acreage goals for each individual farm, according to Walter R. Cook, Chairman of Oakland County AAA Committee. The Chairman said that letters are now going out from his office to all commercial potato growers in the county who are listed on his records as having grown three or more acres of potatoes in any one of the past four years. These letters ask the growers to indicate by January 25, 1949, their actual planted acreage for 1949, 1946, 1947, and 1948, and to indicate their intended planted acreage for 1949. This information will assist the County AAA Committee in determining what the acreage goal shall be for each individual farm.

Mr. Cook said that any farmer who intends to grow three or more acres of potatoes in 1949 and who does not receive a letter from the County AAA Office shall notify the County AAA Office, either by mail or by personal call, of the potato acreage he intends to plant in 1949, so that he may have an official goal assigned to his farm.

This is important, Mr. Cook said, because a farm must have been assigned a potato acreage goal and the grower must have planted within that goal, in order to be eligible for price support protection on his 1949 crop.

The price in 1949 will be supported at a level equal to 60 percent of parity. Unless the grower meets the eligibility requirements, he cannot receive a loan from the government on his potatoes, nor can he sell the government at the support level.

The Chairman emphasized again that this information should be supplied on or before January 25, 1949, by all growers who intend to plant three or more acres of potatoes in 1949.

### CONGRESSMAN DONDERO INTRODUCES BILLS

Congressman George A. Dondero, at the opening of the 81st Congress, introduced a bill "designating the first Tuesday of March of each year as 'National Teachers Day'". He says: "No group in America has a greater responsibility than our school teachers in directing the youth of our land in the right channels. Not one of us who has matured to adult life but remembers at least one school teacher who did much to influence us at the beginning of life's pathway. My own case is no exception." His bill would honor the teachers of America and invites our people to observe such

a day in schools and other suitable places with appropriate ceremonies.

Mr. Dondero offered a Joint Resolution proposing an Amendment to the Constitution of the U. S. to limit the number of Justices of the Supreme Court to nine, one to be appointed as Chief Justice and eight as Associate Justices. "My purpose in introducing this bill is to prevent any President from packing the Court to suit his own political whims, whether Republican or Democrat", he said.

### BOYS AND GIRLS, FUN GALORE FOR YOU!

Fun! Fun! Fun! Yes, boys and girls, here comes fun for YOU! Play games! Do puzzles! See THE COMIC WEEKLY CLUB CORNER, a brand new feature packed with games, puzzles and surprises, every week in PUCK, The Comic Weekly, with The Detroit Sunday Times, starting with this Sunday's issue.

### Legal Notices

ESTES & COONEY, Attorneys, 812 Pontiac State Bank Bldg., Pontiac, Michigan

STATE OF MICHIGAN—The Probate Court for the County of Oakland. At a session of said Court, held at the Probate Office in the City of Pontiac, in said County on the 12th day of January, A. D. 1949.

It is Ordered, That the 7th day of February, A. D. 1949 at nine o'clock in the forenoon, at said probate office, be and is hereby appointed for hearing said petition.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order once each week for three successive weeks previous to said day of hearing, in the Clarkston News, a newspaper printed and circulated in said County.

## "CAPTAIN OF THE MEN OF DEATH"

★ Pneumonia is a disease which strikes swiftly and proceeds quickly and dramatically to a crisis. Until recent years little could be done to help the patient. The brief decisive struggle between the infection and the patient earned for pneumonia the dreadful title, "Captain of the men of death."

In the parlance of the army, the captain has been "busted." First came antipneumococcal serum, which removed one bar. Later, powerful sulfa drugs teamed up with serum to completely break the captain. Both of these powerful weapons are kept in readiness in our prescription department, waiting only for the physician's order.

### New Appliance Cords for Old...

another EXTRA Edison Service

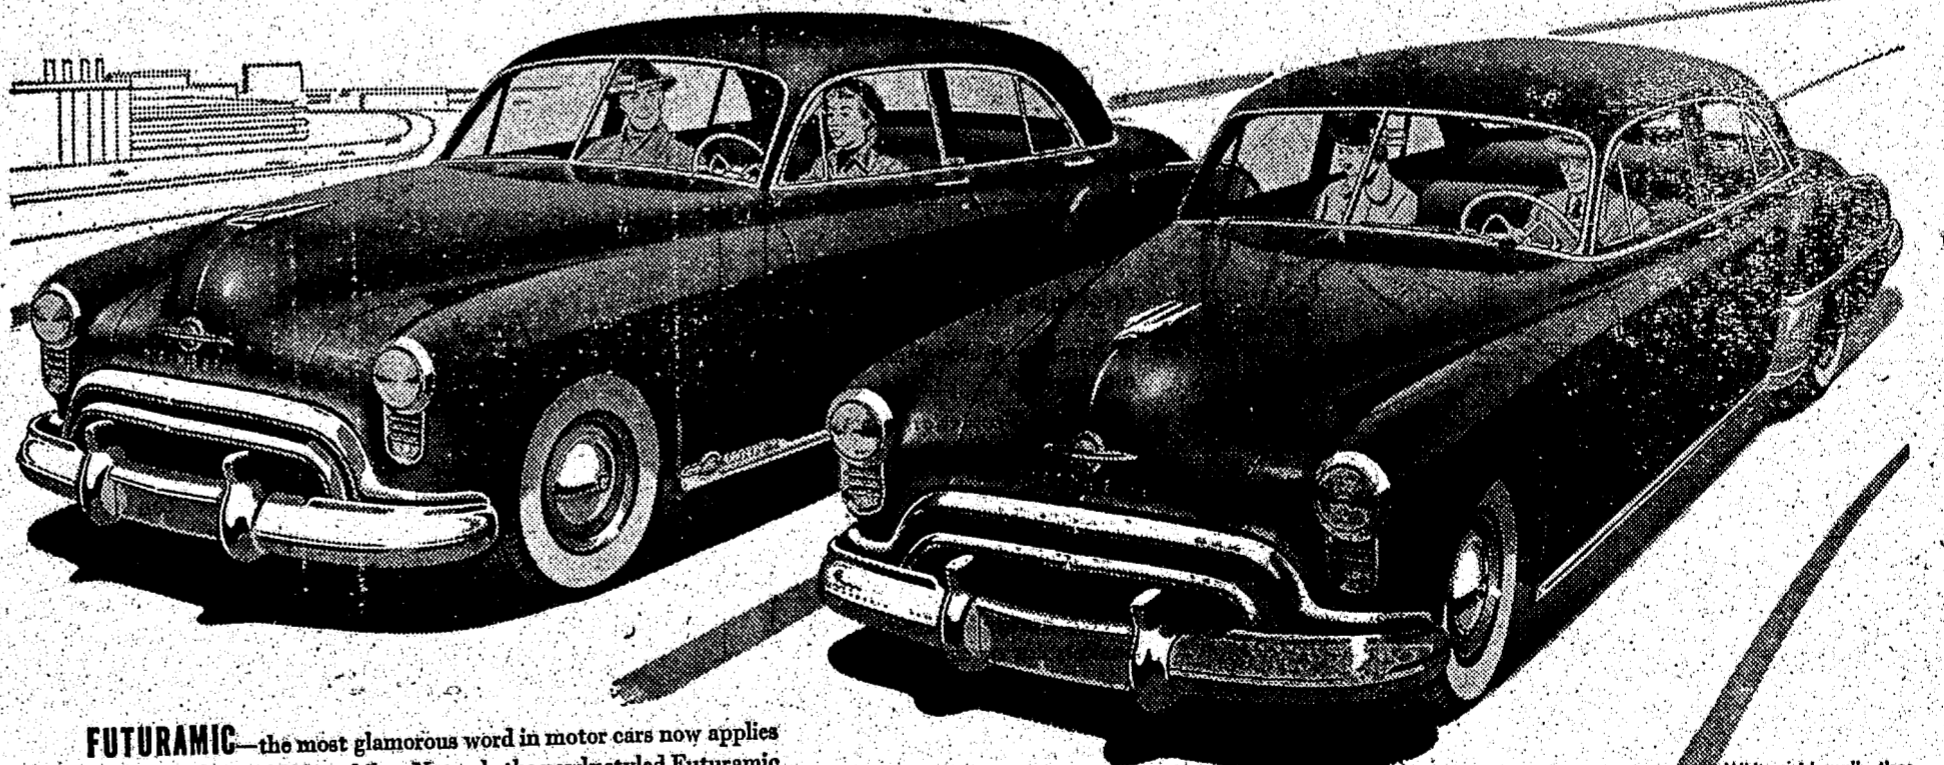

Yes, you can exchange frayed appliance cords for brand-new ones—at no extra charge—and at any Edison customer office.

If you have any frayed or worn-out cords, be sure to trade them in. It's another extra service which Detroit Edison customers have enjoyed for more than forty years.

Don't forget, too, that we also exchange new incandescent lamp bulbs for old. Drop in soon—there's an Edison customer office in your neighborhood. It's there to help you get the most from all the electricity you use.

## DETROIT EDISON

# THE NEW FUTURAMICS

FUTURAMIC—the most glamorous word in motor cars now applies to two great lines of Oldsmobiles. Not only the newly styled Futuramic '99—but also a brand new Futuramic '76' with a new '49 Fisher Body that's lower, wider and offers greater visibility. And this year, Oldsmobile has struck a new balance of power with two great engines for these Futuramic cars. The new "Big Six" Engine in the '76' is more powerful than ever. And the new '98' is powered by the revolutionary "Rocket" Engine. It's a high-compression, valve-in-head eight—an engineering marvel that steps up horsepower to 135; yet actually cuts down on gas costs. Words can't describe it. You've got to drive it yourself for Oldsmobile's "NEW THRILL!"

Clarkston, Michigan

Drayton Plains

The members of the David Be- lisle Post, No. 4102, V. F. W., will attend the funeral service for

Since 1925 ALLAN H. HINZ PAINTING and DECORATING Spray or Brush Pont. 32-8361 Waterford

Clarence Damamarter on Sunday. The Drayton Plains P. T. A. will sponsor a fashion show and party in the school auditorium on Friday night, Feb. 4th at 8 o'clock. The Bloomfield Fashion Shop will feature misses' and women's wear; the Margaret Ann Shop will show children's clothes and music will be furnished throughout the evening. Mrs. Francis Duncan is general chairman of the show and she will also have charge of the prizes. On

her committees are: tickets, Mrs. Elvin; publicity, Mrs. Harry Richardson; tables, Mrs. Anton Anderson; decorations, Mrs. Manning and hospitality, Mrs. James DenHerder. The public is invited.

ST. ANN'S GUILD HAS BENEFIT PARTY

Last Saturday evening the St. Ann's Guild of Drayton Plains held a benefit card party at the Old Mill Tavern Hotel in Waterford. There were 120 in attendance.

Everyone had a grand time. The sweepstake prize of \$250 went to Mrs. Milton Harrington of Williams Lake; the steam iron went to William Oakes of Drayton Plains and many other door prizes were distributed by Reverend Father DeLaney. The prizes were generously donated by many Pontiac business places, the Drayton Plains merchants and the Guild members.

Refreshments were served from a table attractively centered with a large, colorful azalea plant. Mrs. George Brinker and Mrs. Frank Dion poured.

The committee in charge of this delightful affair included: Mrs. Daril O'Dea, general chairman; Mrs. Bernard Lawless, prizes; Mrs. Leo Baumgartner, publicity; Mrs.

William Goulet, tickets; Mrs. Peter Newman, refreshments, assisted by Mrs. Arthur LaVergne.

HAVE YOU SENT IN YOUR PAYMENT ON TB CHRISTMAS SEALS

The 42nd Annual Tuberculosis Christmas Seal drive of the Oakland County Tuberculosis Association for funds to fight tuberculosis officially ended at Christmas time, but many families have not yet returned the yellow envelope with payment for the seals.

To date, \$28,511.39 has been received, according to A. R. Musson, Executive Secretary, to carry on the fight against tuberculosis in Oakland County. Several thousand dollars are yet needed if the program is to be accomplished.

One of the services sponsored by the Oakland County Tuberculosis Association is the case finding survey now in progress using the mobile X-ray unit. Another important work is the rehabilitation or re-training of those who have the disease so that they can better re-adjust to normal life after they are cured. One of the most pressing problems now is education toward finding cases early as only 5.8% of the tuberculosis admissions at Oakland County Tuberculosis Sanatorium in 1948 were minimal cases. There are many other problems in this fight to win against tuberculosis.

If each person who has not yet sent in his Christmas Seal money

will do so soon, another step in the control of the disease can be accomplished.

The Association wishes to express appreciation to all those who have so generously contributed and also to those who will send in their contributions.

TAKE A LOOK AT YOUR FURNITURE

With the current high cost of furniture, it isn't a bad idea to consider what can be done with old furniture. Maybe you can find someone with furniture to give away, or at least second hand stores and newspaper ads are a source of supply for solid furniture.

When buying old furniture it is wise to consider it from many angles, advises Josephine Hoke, Home Demonstration Agent. According to Julia Tear, Home Furnishings Instructor at Michigan State College, you should think about the possibilities of turning the piece under consideration into one that you can use.

Is it reasonably good quality and well constructed? Does it seem to be worth spending the time and effort that will be necessary to produce good results?

There are, all kinds of old furniture for sale, but a great deal that is old-fashioned is not only very well made but a good quality of wood was used in its construction. In restoring old furniture, it may

Kroger He's Buying a Hat This Kroger man is buying a hat in the neighborhood of his Kroger store. Kroger people spend their pay in their home town where they work and live. And since the Kroger store, office and warehouse payrolls total about \$1,500,000 a week Kroger people have plenty of buying power. A Kroger store, warehouse or plant is good for other merchants wherever Kroger goes. JANUARY CANNED KROGER 46-Oz. Orange Juice 4 Cans 89c KROGER GRAPEFRUIT JUICE 5 46 Oz. Cans 1.00 FOODS SALE! FOOD... through the ages... MILLION-YEAR-OLD REMAINS OF CHINA'S "PEKING MAN" REVEAL HE BANQUETED ON COOKED MEAT AND MARROW BONES. FEASTING WAS CHIEF MEDIUM ENTERTAINMENT. BESIDES MOUNTAINS OF FOOD, DANCERS, JUGGLERS, SINGERS AND STORY TELLERS PERFORMED. TO PROMOTE MODERATION, REPRESENTATIVE (LATER PRESIDENT) JAMES MADISON PROPOSED (1789) A LOW TAX TO INCREASE PRODUCTION OF BEER. LAVOISIER, SCIENTIST BEHEADED IN FRENCH REVOLUTION, FIRST APPLIED CHEMISTRY TO DIET, ESTABLISHING SCIENCE OF NUTRITION. COPYRIGHT 1948 J.V. CLARKE

Rural Tele-news NIPS TROUBLE IN THE BUD—Special equipment in the telephone central office tells the approximate location of cable trouble miles away. A tone is sent out over the wires. Then a repairman out on the line moves an electrical instrument called a "Cable Bug" along the cable until he no longer hears the tone. Right at that spot he opens the cable and finds the trouble. Another example of how fast and economical methods have been developed to do difficult telephone jobs. ASTRONOMICAL FIGURES—To serve its customers, Michigan Bell has some 6,000,000 miles of wire and 822,000 telephone poles in Michigan. The wire is equal to 25 single strands stretched from here to the moon. "The poles, if "planted" 40 feet apart, would form an "orchard" of 7,548 acres. Money for poles, wire and other equipment needed to provide service comes from folks who invest a part of their savings in the telephone business and expect a fair return on their investment. RURAL-LINE SERVICE IS WHAT YOU MAKE IT—The quality of rural-line service rests in the hands of those who use it. It can be good service if everyone shares the line . . . spaces out calls . . . surrenders the line when others have emergency calls to make . . . hangs up the receiver carefully after each call. MICHIGAN BELL TELEPHONE COMPANY Our \$13,500,000 post-war rural construction program means more and better rural telephone service.

**CARE OF TRACTORS NOW PAYS IN SPRING**

If that farm tractor is to be ready to go at the first break of spring, it needs some attention now according to Jack R. Schram,

agricultural engineer at Michigan State college. The farm tractor or any engine on a baler, combine or another implement, should be serviced just as though you were getting

ready for a big day in the field, Schram says. It should be completely lubricated and the oil drained from the crankcase. The oil filter should be cleaned or replaced.

Schram advises if the crankcase is refilled with new oil and the tractor or engine run for a short period of time, a protective film of new oil will be pumped into all working parts.

Wheels should be jacked up off the ground. The spark plugs should be removed and two table-spoons of motor oil placed in each cylinder, and then the engine turned over by hand. Batteries should be stored inside. All drain cocks should be opened and fuel drained from tank and carburetor.

Schram reminds that complete draining of the radiator and block and leaving all drain plugs open or out is also important.

The hen that finds ice instead of water in the drinking fountain will not have the moisture in her body that is required to produce eggs, MSC poultry specialists advise.

**Chevrolet's 'Balanced Design' Adds Beauty and Comfort**

Progressive streamlining of the 1949 Chevrolet is in line. Notable in the roomier, lower cars is a balance emphasis in this view of the Styline De Luxe four-door sedan against a new Martin 202 passenger air- as well as smart appearance.

**MISC ENROLLMENT REACHES NEW HIGH**

Enrollment at Michigan State College for the winter quarter totals 15,374 students, according to Robert S. Linton, registrar.

This figure represents the highest winter term enrollment in the college's history, surpassing by more than 500 the previous all-time high of 14,798 reached last year.

Regular students number 14,280 and students enrolled in short courses and specialized training courses totaled 494, Linton said.

Of this total, 7,690 are attending college under the G. I. Bill of

Rights, and men students outnumber women students by a ratio of 11,635 to 3,679.
