**THIRD GRADE**

We had 26 E's in spelling last week out of 33 pupils present. We are learning in language class to tell stories aloud before the class.

We enjoy hearing a story of Abraham Lincoln.

We like gym periods on Tuesdays and Fridays.

**FIFTH GRADE**

We are so happy to have some new library books. We are having "Banana Tree House" read to us. It is very good.

Margaret Turek, Marjorie Lunn and Sharon Hoyt have been absent on account of illness. We miss them and hope they will be back soon.

Ronald Brisson has a broken ankle but was coming to school on crutches until the measles caught up with him. Hurry back Ronnie.

Twenty-six pupils got E in spelling on Friday. The other three present missed one word.

We enjoy having gym period

twice a week.

We are studying picture-making words in English. We pretend we are describing a scene to a little blind girl or boy but we are discovering that not all words make a clear picture.

**SIXTH GRADE**

We are making plans for our Valentine Party. We are happy to have most of our schoolmates back to school getting over the mumps.

We are decorating our room with stories and pictures of famous people. It is very attractive. The teacher put up new charts in spelling, boys against girls, the girls have beaten so far.

Last week's spell-down was won by Mickey Tersign. In Art we have been making pictures of the Netherlands, the places we have been studying in geography.

**HIGH SCHOOL NEWS**

Patricia Doyle and David Saxman have won class honors for this year. Patricia is the Valedictorian and David is the Salutatorian.

**Registration Notice  
FOR  
VILLAGE ELECTION  
Mon., Mar. 14th,  
1949**

To the Qualified Electors of the Village of Clarkston, County of Oakland, State of Michigan.

Notice is hereby given that in Conformity with the "Michigan Election Law", I, the undersigned Village Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Village not already registered who may apply to me personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the TWENTIETH DAY before any regular, special, or official primary election and the day of such election.

Notice is hereby further given that I will be at Village Hall on **Mon. February 21st, 1949**

The Twentieth Day Preceding Said Election as provided by Section 2822, Michigan Election Laws.

From 8 o'clock a. m. until 8 o'clock p. m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said VILLAGE as SHALL PROPERLY apply therefor.

Notice is hereby given that I will be at 154 W. Church St., Saturday, February 19, 1949 from 9 o'clock A. M. to 6 o'clock P. M.

**NOTE**

Monday, Feb. 21st, is the Last DAY

For General Registration by Personal Application for Said Election.

The name of no person but an ACTUAL Resident of the Village at the time of said registration, and entitled under the Constitution, of remaining such resident, to vote at the next election, shall be entered in the registration book.

**REGISTRATION OF ABSENTEE BY OATH**

PART II-A, CHAP. 1, SEC. 16— Any elector who is unable to make personal application for registration because of physical disability or absence from the township, city or village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the clerk of the township, city or village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the clerk of the township, city or village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registrant and designate his title.

NOTE—Sec. 2825 provides that in townships, cities, or villages having a population of 5,000 or less the duplicate "master" registrations may be dispensed with.

**NEW HATS FROM OLD**

Making the old hat look like new will be demonstrated at meetings now being planned by the Home Economics Extension groups of Oakland County.

Demonstration Agent, announces that leaders' meetings have been scheduled as follows from 10:00 a.m. to 3:30 p.m.: Tuesday, Feb. 22, Oxford District at Oxford High School; Wed. Feb. 23, Royal Oak District at Parker School; Fri. Feb. 25, Holly District at Council Rooms, Town Hall, Holly; Mon. Feb. 28, Rochester District at home of Mrs. Jessie Brim, 822 Highland, Rochester; Tues. March 1, Pontiac District at 1 Lafayette, Committee Room, Pontiac; Wed., March 2, Milford District to be announced later.

The lesson "New Hats From Old" will be taught by Lola Belle Green, Clothing Specialist from Michigan State College, and will include instructions on the cleaning and blocking of hats, freshening of veils and ribbons, and the retrimming of hats.

Practically every woman has an old hat which she wished she might wear. It may be one which she has enjoyed but is outdated or soiled, or it may be one which was a mistake in the first place. With planning, perseverance, and a little "know how" most women can clean and retrim an old hat and give it a new, up-to-date look.

**Duke Gets His Tractor**

Duke Thomas bought a farm with the money he'd saved in the Service, but he couldn't get a tractor. He needed it badly, but was tenth on the local dealer's list.

"Tall you what," old man Peters says, "If those nine fellows ahead of you agree, you'll get the next one I get in." "No, thanks," says Duke, "I'll just take my turn."

But old Peters mails out nine postcards. And the other day he tells Duke his tractor will be in next week. "I simply wrote the facts to the fellows ahead of you. They decided it."

From where I sit, it's that spirit of understanding that helps make our democracy so great. Understanding for the other fellow's problems and respect for the other fellow's rights—whether it's his right to earn a living, his right to cast his vote against your candidate, or even his right to enjoy a moderate, friendly glass of beer or ale—if and when he chooses. Let's always keep it that way!

**DUCT SYSTEMS ARE EASY TO INSTALL—ECONOMICAL TO OPERATE**

**ELECTRIC HAY DRYING IS SUITED TO ANY SIZE BARN!**

Equipment for mow curing hay is so simple to install and operate that any farmer can use it successfully. No boilers or coils are required—no costly equipment is needed.

Electric hay drying eliminates long field drying... permits high moisture-content while putting up. And no change is needed from your present system of making hay.

For complete specifications on the layout best suited to your needs, ask your Edison Farm Service Advisor without delay! He can give you practical help in planning a low cost curing system for your barn.

**The DETROIT EDISON Co.**

**FOUR OTHER ELECTRIC HAY DRYING ADVANTAGES**

1. Cuts down weather risk—permits cutting at right stage of maturity; rain, dew, and excessive sun bleaching eliminated; saves hay losses in bad weather.
2. Improves hay quality—eliminates leaf shattering, sun burning; assures more leaves, more color; gives increased food value, increased market value.
3. Reduces dangers of spontaneous combustion—controlled temperatures in mow prevent hazards of fire.
4. Saves money—makes money!—small investment, low operating costs; pays for itself in one season. Farmers claim \$5 to \$10 more per ton for mow-cured hay.

Can be used with long, chopped or baled hay.

the past few years by Mr. and Mrs. Kenneth Watson, has been purchased by Mr. and Mrs. Loren Aris of Rochester. Mr. Aris who is a pharmacist plans to establish a drug store as soon as a license can be obtained from the State Board of Pharmacy in Lansing. Mr. Aris will take possession on Feb. 13.

The Fashion Show and Games Party which was sponsored last week by the Drayton P. T. A. was

a great success. Mrs. Donald Reimold chose children from the community, of three school ages as well as those not of school age to model clothing furnished by the Margaret Ann Shop. Members of the local P. T. A. and High School led by Katie Cummins and Shirley Savage modeled clothing from the Bloomfield Fashion Shop. The models walked through a flower decked arch on to a run-way, out through the audience so all could view the clothing. Mrs. Emil Hagen played suitable selections during the show and Mrs. Roy Olson described the clothing, giving prices, sizes and colors in which the different garments could be obtained. Mr. Shapp of the Juvenile Bootery which furnished the children's shoes gave a preview of spring styles and also of what the young fry will be wearing next fall.

After the show various games were played at card tables and door prizes furnished by twenty merchants in the Drayton Plains area were distributed. Refreshments were served by the P. T. A.

Sawyer's Grill, the small lunchroom located at 4229 Farmer St., which has been owned and operated by Mr. and Mrs. Loren Sawyer, is now under the new man-

agement of Mrs. Grace Marvin. The Mothersingers will have their regular pot-luck dinner at the home of Mrs. Earl Springer on Feb. 14th. The birthdays of Mrs. Springer and Mrs. A. Solomon will be honored at this gathering. Pfc. Robert Newman, son of Mr. and Mrs. Peter Newman, following a ten day visit, will have reported to Lonvey Air Base, Denver, Colorado-Armament School this week where he will also receive his high school credits. Bob finished his basic training at Lackland Air Force Base, San Antonio, Texas.

Two other local boys enjoyed ten day visits with their parents last week. They are: Pfc. Herbert J. Tipalt, son of Mr. and Mrs. Peter Tipalt of Loon Lake Dr. and Pfc. Richards Sivan, son of Mr. and Mrs. Herbert Sivan of Lucille Dr. Both boys finished their basic training at Sheppard Air Force Base, Wichita Falls, Texas and now both will have reported to Lonvey Air Base, Denver, Colorado.

Mr. and Mrs. Lawrence Westover, formerly Joyce Moore, announce the birth of a daughter, recently.

Mr. and Mrs. Nicholas Villareal of Warren Dr., announce the birth of a son.

Mrs. Earl Grahl of Linda Ct. returned to her home last week after being operated on in St. Joseph's Hospital.

Mr. and Mrs. Donald Wall of Saginaw Trail announce the birth of an 8 lb. son, Michael Donn, born Feb. 2 in the Pontiac General Hospital.

The Blue Star Mothers will meet February 17 at 8 p. m. in the school auditorium for a regular meeting and refreshments. Mrs. Anna Brown and Mrs. Henry Floyd will serve as hostesses.

Mr. Glen O'Berry of Drayton Woods is in St. Joseph's Hospital for observation.

The Adult Bible Class of the United Presbyterian Church is

having their annual banquet in the church parlors Feb. 18, at 6:30. Mrs. Frank Jones and Mrs. Walter Aderholdt have charge of the program and Mrs. Howard Voelker and Mrs. Oscar Ream have charge of the decorations. Tickets can be purchased from John Waitkins and Floyd Wilson or other members of the class.

The St. Ann's Guild of Drayton Plains met at the home of Mrs. Ray Caspari on Denby Dr. on Wednesday evening of last week. Mrs. Arthur LaVergne, chairman, conducted the business meeting when plans were completed for the card party on Feb. 5.

Mrs. Carleton Brown showed samples of greeting cards, and the Guild decided to have the sale of these cards as one of their projects.

Mrs. Edward Ruppahn could not continue as co-chairman of the Guild and Mrs. Frank Comps was elected to fill the vacancy. Two new members were welcomed.

The hostess served dainty refreshments. Mrs. William Oakes assisted Mrs. Caspari.

The next meeting will be held at the home of Mrs. Carleton Brown, 3317 Meinrad Ct., with Mrs. Arthur LaVergne and Mrs. J. Shaughnessy as hostesses.

The Benefit Card Party sponsored by the St. Ann's Guild of Drayton Plains at the Old Mill Tavern in Waterford last Saturday night was a success. There was a good attendance and everyone had a good time.

Mrs. Arthur LaVergne was the general chairman and she was assisted by publicity, Mrs. Henry Floyd; prizes, Mrs. Bernard Lawless and Mrs. Leo Baumgartner; tickets, Mrs. Willard Frye refreshments, Mrs. Peter Newman assisted by Mrs. Dewey Noe and Mrs. William Goulet.

The refreshments were served from a table attractive with a pink floral centerpiece. Mrs. Gwendell Purkiss and Mrs. Daril O'Dea poured.

The Guild is very grateful to the merchants who so generously donated prizes and so helped to make the party a success.

# PAGINATION ERROR

## Community Activities

(Continued from page 2)  
Harrington, Mark Stewart and Mrs. Edward Gallagher, Jerry

Root, Mark Stewart and Al Kray were named to audit last year's books.  
Mrs. O. L. Seigman announced that there are still 30 state library books out which should have been

turned in before the first of February. The library committee would appreciate an early return of these books so that they can be returned to the state at an early date.

It was reported that over 65,000 persons used the C. A. I. building the first year of its existence. Over one hundred persons enjoyed the "family night" last Thursday evening. After the pot-luck supper the families enjoyed a style show and music presented by the boy scouts. The next family night will be on March tenth with the girl scouts in charge.

during the month of December was one of the most bleak in recent years, according to a report released by Commissioner Donald S. Leonard, of the State Police.

Each day an average of six persons met death, the total for the month being 184. This was the worst record of any month since November of 1941, when 219 lost their lives, and it exceeded December of 1947 by 49, or 36 per cent.

The injury total climbed to 3,961, an average of 128 each day and the greatest number for any month of the year. The total exceeded December 1947 experience by 562 or 17 per cent.  
But conversely, while there was an alarming increase in deaths and injuries, there was a decrease in accidents. During December of 1948, 13,857 accidents were reported, which was 1,659 fewer, or 11 per cent, than the 15,516 in December of 1947. The reduction was attributed to better than normal driving conditions, with less ice and snow. These same conditions, however, contributed to the distribution and severity of the accidents which did occur.

Most of the fatality increase was recorded on the rural county road system, 47 persons being killed as compared to 19 in December of 1947.

On the basis of present figures, the death toll for all of 1948 stands at 1,477 persons. This exceeds previous estimates and the total is expected to be higher when delayed deaths, chargeable to 1948, are reported. The present figure represents an increase of 30 or two per cent more than the 1,447 killed in 1947.

The records also show a total of 40,413 persons injured in 1948, an increase of 2,761, or seven per cent, over 1947. Accidents totalled 138,864, an increase of 2,400 or

two per cent.  
Despite recent fatality figures, it still appears that the death rate for 1948 will be less than eight persons per 100 million miles of travel, which would be the lowest on record for Michigan.

**SOIL TESTING LABS**  
The establishment of soil testing laboratories in about ten counties in Michigan is the result of increased interest by farmers and agricultural groups in soil testing in the last three years.

Kirk Lawton, soils scientist at Michigan State College, says that this is one of the best moves farmers can make since soil tests are necessary for a good soil fertility program.  
The county soil testing laboratory provides a valuable service for the farmer or grower. The results of soil tests in the county

laboratory are turned over to the county agricultural agent. He is often familiar with the particular farm area tested and can interpret the tests and make soil management recommendations.  
The sponsorship of these laboratories has been undertaken by local agricultural groups including the county board of supervisors, farm organizations, the soil con-

servation district, and local business and civic groups. The soil science department at Michigan State college assists in setting up the laboratory equipment and methods. Soil tests are generally made for acidity, available phosphorus and available potassium. A slight charge is made to defray costs of labor, equipment and chemicals.
