CLARKSTON, MICHIGAN, FRIDAY, MARCH 11, 1949

NUMBER 28

Have You Given To Your Red Cross?

The American Red Cross exists for a purpose. It was created originally, and has continuously been fashioned through the years, in an effort to meet group responsibilities and needs. It has undergone constant change. It has devolved from the very limited functions vested in it in earlier days into a comprehensive organization concerning itself more and more with the total life and activities of the people. These changes did not always follow consciously-charted directions. The circumstances and experiences of development have exerted their influence — and left their stamp. Throughout its planned and unplanned life there has always been noticeable the attempt to develop the kind of an organization which would thrive in democratic soil, which would be in keeping with the American community, and which would be so constituted as to effectively and efficiently discharge its total community responsibilities.

The annual Red Cross drive is on. Charles W. Robinson, chairman for Clarkston and Independence Township is hoping that everyone will be contacted and everyone will give, if only a little, to help meet the quota of \$875. To date the donations have amounted to \$350, just a little past the half way mark.

Dorcas Circle Met Last Week

The Dorcas Circle of the Methodist W. S. C. S., held its regular meeting at the home of Mrs. O. C. Adams on March 2nd. There were ten members present. The group enjoyed a delicious pot-luck luncheon at noon.

Mrs. Clark Souby, vice chairman, conducted the business meeting and Mrs. H. C. Souby was in charge of the devotions. The committee was appointed to have charge of the family night dinner on March 10th.

At the close of the business meeting Mrs. Earl Terry outlined what the missionaries were doing in Latin America. She told briefly the part that the Methodist women were taking in the mission field. Her talk was exceptionally interesting and very enlightening.

CLARKSTON STATION SCHOOL

Mae Pennell, Teacher
Dorothy Gilbert, Reporter
Our teacher gave out our report cards last Monday. Most of us were happy because we received better marks.
Gail Wilds and Georgine Orr made a very pretty border for our blackboard about an Easter Parade.
Our third grade has nearly finished their old readers and will soon have a new book.
Our second grade pupils are making a pet book.
Our first grade learned a new song this week.
Kenneth McCrum, Jeanette Frick, Joan Hilton and Gail Wilds were absent this week because of illness. Donald Bilbey went home Friday noon because he was sick.
We have some very nice bird pictures on our bulletin board made by Jerry Adams and Georgine Orr.
The fifth grade is reading the story "Lassie Come Home".
Our sixth grade history is studying the Athenians organized the first democracy.

Carnival Tonight At High School

Come one, come all to the carnival. At 7 P.M. at the High School Gym. Rain or shine, you'll have a good time.
Noise and fun for everyone. Ice cream, candy, entertainment that's dandy.
Vaudeville acts that are cracker-jacks.
Amusement galore, surprises in store—
Let's all join in the Carnival din.

Extension Programs At Sanatorium

On Tuesday Miss Josephine Hoke county home demonstration agent, met with Mrs. George Perry and they made plans for the Extension Clubs in the district to give programs at the T. B. Sanatorium every Monday afternoon at 3:30 for the next year.
Next Monday afternoon the Clarkston group will have charge. Their subjects will be: Home Decorations Can Be Fun; Farm House Plans Must Differ From City Dwellings; Kitchen Gadgets; Electrical Safety; Home Labor on the Farm; Home Making Hints; Records for the Young Child.

Students Return To Ferris Institute

Oakland county young people attending Ferris Institute returned to their classes Tuesday for the opening of the spring term, with heavy registration of new students, including many taking special work preparing for their entrance into the College of Pharmacy next September.

Coming from Clarkston is Lee W. Kirtledge, and from Drayton Plains are John H. Floyd, Robert R. Morse, Burt W. Taylor and Louis S. Tody.
Interest has been keen in the Institute lately with the college having been offered to the state of Michigan as an outright gift to the state. A special committee named by Governor Williams to investigate the gift and map how the school might fit into the state institutional setup, visited the campus Monday, spending the entire day inspecting the buildings, dormitories and apartment buildings for married students and for single veterans who are students.
The group has enjoyed a long weekend vacation, the winter term closing Friday and classes started Tuesday for the Spring term.

Obituaries

Mrs. Rhoda P. Parnall
Mrs. Rhoda Pearl Parnall, 59, of 7285 White Lake Road, passed away suddenly in St. Joseph Mercy hospital on Tuesday.
She was born on October 12, 1889, in Genesee county, the daughter of Richard and Theodosia Cramer Stephens. On December 23, 1906, she married Marford Parnall in Canada.
Surviving are one daughter, Mrs. Elsie Barnes of Waterford; two sons, Wayne of Walled Lake and Thomas of Wayne; one sister, Mrs. Elsie Rice of Davison; four brothers, George of Mt. Morris, Fred of Lapeer, Wood of Detroit and John Stephens of Davison, and four grandchildren.
The funeral service will be Friday afternoon at two o'clock at the Sharpe Funeral Home with the Reverend W. C. B. Saxman officiating. Burial will be in Lakeview cemetery.

Infant Harmon
A service was held at the Sharpe Funeral Home last Sunday morning at 10 o'clock for the infant daughter of Frank and Winifred Harmon of Rattalee Lake Road. Burial was in Andersonville cemetery.

The baby was dead at birth Sunday morning at Pontiac General hospital.
At the meeting of the Men's Club at the Methodist Church next Thursday evening Dr. Orrin C. Mohler of the Lake Angelus Observatory will be the speaker. He will give a talk on astronomy and will show colored slides.

Reorganization Of School Districts

The Clarkston Area Reorganization Committee has been studying the problem of reorganizing the school district identified as Bigelow, Clarkston Station, Clarkston, Fair and Springfield No. 1.
After careful consideration, it appears that the combination of these districts into a single unit would be a practical solution to our mutual problem of increasing school membership.
Clarkston is the center of a natural community. The formation of the surrounding school areas into a single unit will tend to strengthen this community of interests.
Not only would the educational program of the area be strengthened, but the business and social interests would become more closely knit together.
The reorganization of these areas into one unit could be accomplished without the necessity of involving the area in a large building program.
This program will not be effective until after petitions have been circulated and an election has been held.
This issue of the paper is carrying a full page general presentation of statistical information concerning the proposed reorganization. You are asked to examine the report carefully. Inform yourself of the facts. The committee welcomes your comments.

Mrs. Emma Young returned to her home this past weekend after spending about ten days with relatives in Grand Rapids and Grand Haven.

Clarkston P. T. A. Meets March 16

The meeting of the Clarkston P. T. A. will be held on Wednesday evening, March 16th, at 8 o'clock, in the school auditorium.
Dr. Glenn Harris of Birmingham is unable to attend but the committee has been very fortunate in securing another excellent speaker, Mr. Irving Gillies of Pontiac will be here to tell us about his recent visit to Denmark. Colored slides will help make the trip more interesting.
Refreshments will be served by the 2nd and 3rd grade mothers with Mrs. Ben Powell, Mrs. Stanley Stelmach, Mrs. Fenton Weaver and Mrs. H. E. Weston in charge.
Plan to attend.

Local Club Has Luncheon

The Clarkston Farm and Garden Club held the first meeting of 1949 on March 9th with a luncheon at Devon Gables.
A delightful and instructive catalogue program was given by Mrs. Arnold Barrett.
Mr. E. C. Eckert, the Chief Forester of the Highway Landscape Architect, State Highway Department, Lansing, Mich., will be the guest speaker for the April meeting at the home of Mrs. T. F. Boothby.

Open House Held Last Sunday

Last Sunday afternoon from three until six o'clock the Altar Society of Our Lady of the Lakes Parish sponsored an "open house" at the rectory on Mill Street in Waterford.
Many folks from Our Lady of the Lakes Parish, St. Patrick's and White Lake attended this lovely afternoon affair.
Dainty refreshments were served on a table covered with a cut-work cloth and centered with a pretty arrangement of white carnations. Mrs. Charles Morgan, Mrs. Milton Harrington and Mrs. Earl Lamberton presided at the silver service.
The Reverend F. J. Delaney was presented with many lovely gifts.
Mrs. Jack Foster was general chairman and she was assisted by Mrs. Alvin J. Law, Mrs. C. N. Tuohy and Mrs. James Stuart.

George Williams returned to his home on Holcomb St., last week from St. Joseph Mercy hospital after undergoing an operation. He is getting along nicely. Others who are convalescing at home after undergoing operations at Pontiac General hospital include Mrs. William Vliet and A. E. Butters.

Woman's World

A girl can settle down her mind. To figure out a thing or two, But boys it seems are nearly blind To ways and things they have to do.
A girl can learn to draw and paint Or put words in a flowery theme, But boy was never born a saint And rather'd walk beside a stream. A girl with certain gifts is blessed That fit into the scheme of things, While female work in schools is stressed
A boy drags through what each day brings, A woman teacher schools the lad From time he leaves his mother's arms, She teaches him what's good or bad, By woman's rule and woman's charms. If he could go to man taught schools Where he'd learn things he'd like to do, And learn man's work with man made tools, His school would take on pleasures new. I think a boy should try to learn And follow out the teacher's plan, But rules in schools should take a turn
Toward some plans to make a man.

Waterford

The Cheery Chum party when Chums will be identified will be held on March 18th at the home of Mrs. Lawrence Giddings. A 6:30 supper will start the evening. Assisting the hostess will be Mrs. Henri Buck, Mrs. Loyal Lumby, Mrs. Floyd Fullerton and Mrs. A. L. Purcell. All members are urged to attend and anyone who would

like to join the group is asked to contact Mrs. H. B. Mehlberg who has been the group chairman for the year. A gift is to be brought for each Chum and these will be presented at the close of the evening. Not all drivers of cars stick to the road for their travels. Early Sunday evening, about 6:45, a car, instead of turning to make the corner at Airport and Andersonville Roads ran into the fence and heavy stone pillar on the property of Mr. and Mrs. L. V. VanSycle. The rail fence was torn down for several feet. The driver evidently didn't have any sense of responsibility because he not only drove on someone's property but he hastened away from the scene of the accident.

Mrs. Wright VanPlew opened her home on Thursday evening of last week for her class of girls. Fifteen girls attended. The evening was spent sewing baby garments for the Meland Home. Officers were chosen for the ensuing year as follows: president, Marilyn Grafmiller; vice president, Doris Bannon; secretary-treasurer, Twyla Giddings; social chairman, Joan Kray with Rena Lowrey assisting. Refreshments were served at the close of the evening.

Phillip VanPlew has been suffering with an earache for the past several days.

Mrs. Frank Schultz and her entire class of 11 girls had a party on Thursday night at the home of Joyce Amos. A "scavenger hunt" furnished fun for the group.

Orville Gidcomb and his class of boys held a party at the Community Church on Thursday evening. Nine boys attended and enjoyed a social time and refreshments.

Mr. and Mrs. T. V. VanSycle entertained a group of friends at their home on Friday evening. On Saturday evening Mr. and Mrs. Leslie Dingman, Mr. and Mrs. Charles Maxwell, Mrs. Fred Tuck and Mr. and Mrs. H. B. Mehlberg were guests at the home of Mr. and Mrs. Orville Gidcomb.

Mrs. Ida Hayden has been ill at the home of her daughter, Mrs. Clarence Hayes. Waterford friends send best wishes for her return to health. The robins are starting to return and that is a sign that Mrs. Hayden will be making plans to return to Waterford for the summer months.

The March meeting of the Ladies' Auxiliary of the Community Church was held at the home of Mrs. Arthur Davis with a 12:30 luncheon. Mrs. William Granger was co-hostess. The church reception committee for March is Mr. and Mrs. Arthur Davis. The April meeting will be at the home of Mrs. James Saylor with Mrs. John Miller as co-hostess.

Dr. William Cohoon has returned to his home after enjoying a few weeks of southern sunshine.

Mrs. Lyman Girst spent the weekend in Grand Ledge where she helped her daughter and son-in-law, Mr. and Mrs. William Clement, Jr., move into their new

apartment. Miss Beverly Jackson of Pontiac spent the weekend in Waterford at the home of Miss Lillian Kawoliski.

Donald Beedle, Jack Saylor and Jack McCaffery returned to Bowling Green University on Sunday evening after spending the weekend here with their families.

Mary Mawhinney and Gloria Delap spent the weekend at their homes here. Both girls attend Ferris Institute.

Barbara Beedle spent Monday afternoon at the home of Mrs. Jack Herrington at Williams Lake.

An extension group was organized here on Thursday at the home of Mrs. Robert Materna. Miss Josephine Hoke, County Home Demonstration Agent, explained the home extension program to the group. The year's activities will consist of hat remodeling, dress making, preparing food for home freezing, home landscaping and several other interesting topics. The officers for the year are: Mrs. Materna, chairman; Mrs. John Harvey, vice chairman; Mrs. Rollin Smith, secretary-treasurer; Mrs. Richard Lamberton, recreation chairman; Mrs. Earl Lamberton, community chairman and Mrs. Albert Purcell, leader. The first lesson will be on hat remodeling and will be held on March 15 starting at 10:30 a.m. at the home of Mrs. Leslie Fitzgerald, 3600 Oakview Street.

The St. Elizabeth Guild of Our Lady of the Lakes Parish will

meet at the home of Mrs. Thomas Burke, 4661 Sashabaw Road, at 8:00 P. M. on Tuesday, March 15, instead of at the home of Mrs. Walter Rask as was originally announced.

Jimmy Wager returned to school, this week after several days illness.

Mr. and Mrs. Kenneth McVittie are announcing the birth of their second son, Kenneth Lee, at Pontiac General hospital March 3. The baby weighed six pounds and thirteen ounces.

Mr. and Mrs. Gramer Mann are receiving congratulations on the birth of a son, Gramer Mann II, in Pontiac General hospital on February 26. Mrs. Mann is the former Faith Knoll, an art teacher in our township schools.

Mr. and Mrs. Harold Rees of Waterford are spending this week in New York. Mrs. Rees was in Detroit last Wednesday and stopped in the building where the "Cinderella Weekend" program was in progress and her ticket number was called, much to her surprise, as she had stopped in to rest for a while. She took part in the program and was winner for the day so was told to return again on Friday to try for the weekend trip. She returned on Friday and was winner with a perfect score so she and her husband are in New York this weekend. Mr. Rees wasn't in Detroit with her on Friday because the television set which Mrs. Rees had recently won by answering a question correctly over the phone a few weeks ago was being installed that day. The television set was ready for use at just 1:00, the time for the Cinderella Weekend program, so he was able to see his wife win the trip.

Stanford Weyer is confined to his home this week with the mumps.

Friends of Mrs. Earl Grahl were happy to see her able to be in church on Sunday. She had recently undergone a major operation and this was her first outing.

Mr. and Mrs. Andrew Adams report having had a grand time on their trip to Texas.

Mr. and Mrs. O. G. Duguid have sold their home on the Dixie Highway and moved to the Elizabeth Lake Estates last weekend.

Mrs. Louis Hillman and her daughter Sally are slowly recovering from illness in their home. Mrs. Hillman has been ill for over three weeks and Sally has been in for about two weeks.

David Corbin was ill at his home the first of the week.

Mr. and Mrs. Louis Dorman, Sr., returned home last Friday from a 7 weeks' vacation in Hollywood, Florida. They visited friends and many interesting places while there. The weather was reported to be wonderful in Florida and by the looks of the tan they received this statement was correct.

A bridal shower, honoring Miss Mary Beth Schenck, was given on Tuesday evening at the home of Mrs. Jack Herrington. Mrs. Herrington was assisted by Mrs. James Seeterlin. About 15 persons attended and enjoyed playing games and presenting the honoree with many wonderful gifts. Lovely refreshments were served from a lace covered table decorated in a bridal motif. Miss Schenck will become the bride of Robert Lee on Saturday, March 12.

Members and friends of Christ Lutheran Church were certainly thrilled last Wednesday evening when they entered the church for the annual Ash Wednesday evening communion service and heard the strains of organ music played by Mrs. Martin Wager on the

new Wurlitzer organ recently given the church by Mrs. Edith Myers of Clarkston in loving memory of Charles and Mary Myers. Several beautiful hymns were played during the serving of the Lord's Supper as well as the regular music for the service. The Pastor's study and office were moved into the church over last weekend and is really a beautiful room, thanks to the efforts of several of the older boys and men who painted the walls and laid the linoleum.

A junior choir was organized this Thursday evening and will meet each Thursday evening from 7:00 until 8:00. This choir is for boys and girls ranging in age from nine through fifteen.

A youth instruction class will be organized next Tuesday evening in the church and will meet each Tuesday evening until confirmation.

An adult instruction class is being held each Sunday morning for one hour beginning at 9:45 for the purpose of instructing friends and prospective members the major teachings of the church. There will be reception of members on Palm Sunday. Persons interested in sitting in on the adult instruction classes may do so without feeling obligated to join the church unless they so desire.

Waterford-Drayton Rotary Club News

Henry Mehlberg auctioned off several articles donated by members of the Waterford-Drayton Rotary Club at its dinner meeting at the Community Activities building on Tuesday. The sale netted \$40 for the Paul Harris Foundation.

George Kimball, Jr., was program chairman and talked on vocational service in its relation to the Community. Plans were made to have a special evening party on March 28 to which each farmer will be asking a farmer friend as his guest.

Waterford Township

The next regular monthly business meeting of the Waterford Township American Legion Auxiliary to Post 431 will be held Monday, March 14, at 8:00 P. M., at the home of Mrs. Mary Lambertson.

Joan Kray was crowned queen and Burt Fangel reigned as king at the King Neptune Festival at the township high school last Saturday night. Over 500 persons attended the affair which included skits, a puppet show, instrumental programs, ballet and many other forms of fun and entertainment. The school was decorated to resemble a ship including a gang plank, life preservers, oars and other salty paraphernalia adorning the walls. The festival was sponsored by the senior class. They realized about \$350 which will be used to help defray expenses when they spend a week at Camp St. Mary at Battle Creek in May.

Two hundred and twenty-five persons attended the Cub Scout pack 31, "Blue and Gold" banquet at the Community Activities building on Thursday evening of last week. Kenneth Sanderson, district commissioner, spoke on scouting and pointed out the need for another scout troop in this community. Leslie Fitzgerald, a gun collector, brought several of his weapons and took the boys on a verbal trip across the country with a demonstration of different types of guns. A comedy skit was

GREYHOUND

Judy Walker emerged victorious in the fifth grade winning over LeRoy Volberding on the word, business. Over 300 words were used to spell down this group.

The sixth grade winner was Dawn Marks. Jean Porritt was the runner-up, losing on the word, generally.

Charlene Barber defeated 59 classmates to emerge as the eighth grade champion, spelling down Martha Masters on, prevalent.

The school spelling bee will be held on March 18th. The last ten standing in each grade compose the group for the school spelling-down. They are as follows:

5th Grade: Judy Walker, LeRoy Volberding, Billy Annette, Donald Hopson, Sharon Hoyt, Ruth Ann Althouse, Marjorie Lumm, Edna Brewer, Ronald Brisson, Alan Walton.

Alternates: Barbara Bell and Betty Anderson.

6th Grade: Dawn Marks, Jean Porritt, Ann Leison, Mickey Ter-signi, Richard Johnston, Carole Gagnon, Laura Ruggles, Lorraine Rioux, Lawrence McNeil, Raymond Powers.

Alternates: Jamie Alexander and Russell Powers.

7th Grade: Charlene Barber, Mary Dean, Ann Barrows, Buddy Clement, Cherie Littleton, Nancy Morgan, Hazel Carter, Lela Jones, Jeanette Norton, Leslie Schmuck.

Alternates: Ronald Schebor and Anna Lou Terry.

8th Grade: Bob Hopson, Martha Masters, Terry Brown, Fran Crowley, Joan Parker, Etta Smith, Hazel Carter, Lela Jones, Jeanette Norton, Arzela Brewer.

Alternates: Judy O'Dell and Barbara Caverly.

Congratulations to the winners and good luck to all of you in the school spelling bee.

The monthly faculty dinner was held Thursday in the Home Economics room.

Mr. and Mrs. Ridgley attended the regional meeting of the American Association of School Administrators held in St. Louis, Monday, Feb. 27 - March 3rd.

On Friday evening the annual School Carnival will be held. All are invited to attend and enjoy the fun.

We have a new picture hanging in the north stairway. In this picture an old man, who has been building a model ship, stops to admire the model airplane which his grandson has just completed. This picture was a gift of the Josten Company.

Basketball season has ended. Clarkston won the Twin-County League Championship.

We have two more famous paintings upstairs. One, "The Harvesters" by Pieter Brueghel, the Elder, is outstanding for his insight into human ways and for his technical achievements. He broke away from the religious themes and the Italian art which had dominated Flemish painting; instead he painted fine figure compositions and landscapes which were extraordinary in their space and sweep. Landscape had been only a decorative adjunct to figure painting; Brueghel made it an art in its own right. "The Harvesters",

is one series of months, represented by labors and pastimes proper to the season; the time is July or August. The landscape which stretches out into vast distances is constructed in a series of recessive planes; large in design and broad in outlook, it shows complete technical and interpretative mastery. The figures are in perfect scale with the landscape, and the mood of harmony between nature and man and his activities shows unsurpassed powers of observation and understanding.

The other on "The Polish Rider" by Rembrandt. Rembrandt is one of the very great figures in painting, of all times and all countries; contemporary artists and all succeeding generations as well, have felt his influence. But he has an enigma to the Dutch Citizens of the 17th Century Holland, those generous patrons of art who desired primarily small, gay pictures of casual incidents from everyday life to adorn their homes.

Like himself, Rembrandt's painting is lonely and brooding, solemn and uncompromising in mood. His mastery of light and shadow lends drama and nobility to his work, and with his limited palette he achieves harmonious color effects that are purposeful and forceful. Rembrandt painted, above all, religious subjects from Biblical history and portraits. In his portraiture he reveals unsurpassed powers of representing character and of depicting emotion. His insight into the minds of his subjects is acutely penetrating, and the mood he creates through a combination of interpretative and

technical genius is profoundly moving.

THIRD GRADE

We are beginning our unit on American Indians. The girl scouts made a nice display of Indian life in the library to help us.

We are learning to borrow in subtraction.

We are sorry to have Dorothy Crane move away.

We are glad Mrs. Vliet is getting along nicely.

This week we have many interesting articles in our "You May Touch" museum.

SIXTH GRADE

We were all very sorry to hear of Mrs. Vliet's illness so we sent her a basket of fruit and a get-well card.

Saturday, March 5th, our class went to the Drayton Theater and had a very nice time.

We were all so busy studying for the spell-down that we didn't have very much time for our other words but we have twelve perfect papers anyway.

SUGGESTED SCHOOL DISTRICT REORGANIZATION

One School District - One Board Of Education - One Tax Rate

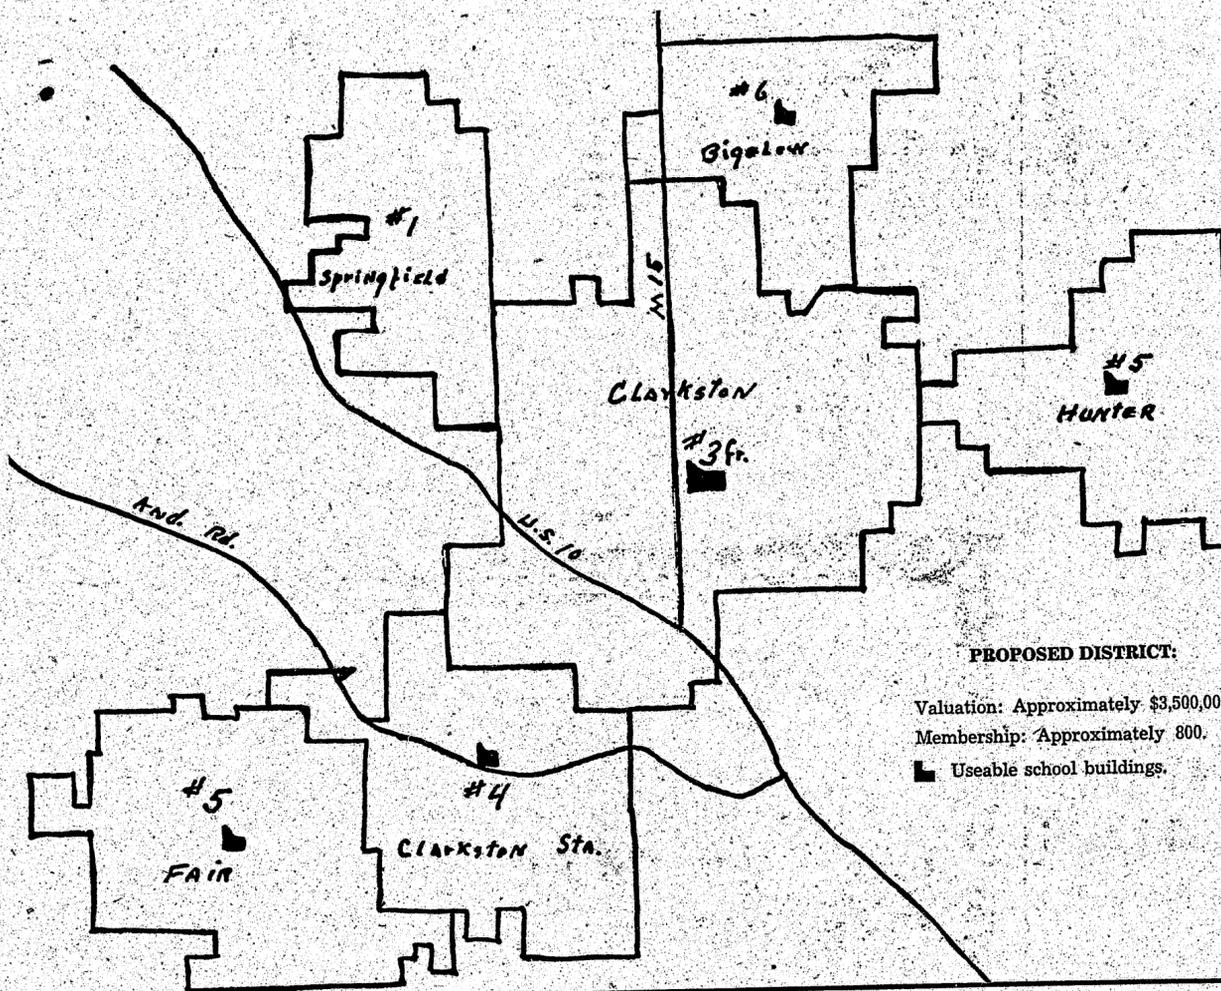

Three Elementary Schools

REASONS FOR HAVING 3 ELEMENTARY SCHOOLS

1. Small children kept close to home.
2. Enough children in each center to run an economical school.
3. Enrollment small enough in each center to provide for individual attention.

REASONS FOR REORGANIZATION

1. Uniformity of schools and curriculum throughout area.
2. Better schools for the same tax.
3. Increased state aid for operation.
4. One Board of Education will represent all the people.
5. All children living more than one mile from school will be transported with cost borne by the state.
6. Better and broader curriculum for all grades.
7. Failure to reorganize will in all probability result in Clarkson losing the surrounding areas in the near future and declining to a class D school.

One Senior High School

REASONS FOR HAVING ONE SENIOR HIGH SCHOOL

1. Enough children in one center to justify good technical equipment.
2. Enough children in one center to have a broad curriculum.
3. Per pupil costs are lower in a high school of over 300.
4. State Aid increases to schools over 300 with broader curriculum.

ADVANTAGEOUS ADDITIONS TO THE CURRICULUM OF THE CLARKSTON PUBLIC SCHOOL WHICH COULD BE BROUGHT BY REORGANIZATION

1. Woodworking for grades 8-9-10.
2. Metalworking for grades 11-12.
3. Full time Music Teacher for Grade and High School.
4. Art Instruction.
5. Expanded Commercial and Science Department.
6. Gym for Elementary School.
7. Smaller elementary classes.
8. Teacher-Librarian could be added to the staff.

PROPOSED DISTRICT:

Valuation: Approximately \$3,500,000.
Membership: Approximately 800.
Useable school buildings.

INCREASED STATE AID FROM REORGANIZATION CAN BE USED TO:

1. Have better schools.
2. Decrease the tax rate.

IN A LARGE REORGANIZED DISTRICT, SPECIALIZED HELP MAY BE OFFERED TO THOSE WHO NEED IT AT SMALL COST TO THE DISTRICT

Many people expect a growth of population in certain parts of this metropolitan area, but it is impossible to predict just where that growth will occur. Under reorganization, the cost caused by this growth will be borne by the whole district rather than by one small area.

BUILDING NEEDS:

The proposed reorganization area would be in need of additional rooms, not now available. The committee is considering the enlargement of two rural schools. It will take a majority vote of the property owners to issue bonds for any building. The people will build when they are ready and not before. It is possible that there will be state and federal funds for building. A shop and cafeteria are a most desirable addition to the present building and should be seriously considered.

The chart above shows that the support for some schools comes almost entirely from local taxation. The support for other schools comes largely from state aid. This financial chart illustrates the statement, "State Aid tends to equalize educational opportunity as well as educational costs." The largest percent of the support for the proposed equalized district would come from state aid.

The true "ability to pay" of any school district is the amount of valuation behind each child. A high valuation behind each child coupled with a large enough enrollment for an economical school makes an ideal situation. The proposed reorganized school district has a valuation behind each census child of \$4,300.00. This is a very satisfactory figure and compares very favorably with other school districts in the county.

SUGGESTED SCHOOL ORGANIZATION PROVIDING REVISIONS AND EXPANSION IN SCHOOL DISTRICT TERRITORY, PUPIL TRANSPORTATION, CURRICULUM, PLANT AND STAFF

I. FINANCE

- A. The reorganized district would have a property valuation of \$3,500,000.
- B. Operation tax rate would be approximately .009.
- C. The debt service to the Clarkston area for the present building would be reduced to .002. The present debt service of .006 if spread over the reorganized area, would provide all the new buildings needed without raising the rate for the present Clarkston area.

II. SCHOOL MEMBERSHIP

- A. Approximately 800 pupils. Probable division by grades would be 450 kindergarten - 6th and 350 in grades 7-12.
- B. This would require a faculty of 30 persons.

III. TRANSPORTATION

- A. 4 or 5 busses would be needed. 3 are now available plus station wagon.

IV. HOUSING

- A. Present large social studies room in the Clarkston school to be divided into two class rooms.
- B. Operate Hunter and Clarkston Station. This would keep small children close to home.

Other advantages to the reorganized district as a whole would be the development of closer community spirit which would reflect itself in business and social activities.

Reorganization will take place when a majority of the electors vote for it. Know the facts so that you can vote intelligently.

**16th ANNUAL EASTER SEAL
SALE, MARCH 17 - APRIL 17**

The 16th Annual sale of Easter
Seals in Michigan will begin on
March 17 and end Easter Sunday,
April 17. It was officially announ-
ced by Emmet Richards of Alpena,
President of the Michigan Society
for Crippled Children and Adults,
Inc. It is a three-way campaign,
national, state and local, but over
90% of the money raised remains
in Michigan.

The Easter Seal Sale, sponsored
by an organization now its 26th
year of service, is the Society's
only means of support. The So-
ciety maintains its own identity
but cooperates with all agencies
both public and private. The East-
er Seal Sale does not involve a
highly personalized solicitation
method. It does not seek contri-
butions from just a few, rather,
every citizen of Michigan is af-
forded an opportunity to contri-
bute.

What does Easter mean to you?
Sunrise services — a period of
praise and prayer — new spring
clothes — baskets of gaily colored
eggs for the children — of course,
but, it means much more to untold
numbers of crippled children be-
cause for them, Easter Time is
Easter Seal Time, symbolic of
Hope and Resurrection, for they
must be helped to help themselves.

Easter seals make the following
possible: wheel chairs, braces,
crutches, special equipment, trans-
portation to and from clinics, hos-
pitals and schools, healthful speci-
alized summer camping and other
recreational experiences, home
tutoring for those unable to attend
school, boarding care, and many
other services depending upon in-
dividual needs.

In addition to the above, money
derived from this year's sale of
Easter seals will assure the con-
tinuance of 30 Rheumatic Fever
Diagnostic and control centers
throughout the state. This disease
alone kills five times more chil-
dren each year than does infantile
paralysis, measles, whooping
cough, diphtheria and meningitis
combined. It will assure the main-
tenance of the Society's state-wide
program of Occupational Therapy
craft service to the severely handi-
capped homebound cripple, over
500 of whom are being served at
the present time, and which for
many of them have remunerative
value. It will also make possible
the continuance of the Society's
highly specialized services for the
cerebral palsied who rank high in
the most severe crippling condi-
tions. These children were not
being properly considered until
the Society initiated its clinical
and treatment program. During
the past year, nine Cerebral Palsy
clinics were conducted by its na-
tionally known consultant, and as
a result, over 300 are under treat-
ment.

Many more services could be
enumerated, suffice to say, the
need for generous support is great-
er today than ever before. The
above and other needed services
must be maintained and developed

in order that greater good may
accrue to a greater number of
crippled persons in Michigan.

Tracing the history of the So-
ciety, Mr. Richards states, "The
challenge of 28 years ago that gave
birth and impetus to our Society
has not diminished — and the
challenge before us today and for
the future should stir us all to re-
newed and increased effort. No
physically handicapped person in
Michigan must be denied the priv-
ilege afforded his more favored
fellows. A great task — a greater
challenge — and we pledge our-
selves to meet it."

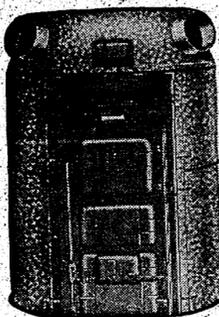

The many friends throughout
Michigan, made up primarily of
volunteers, are urged to marshal
their efforts for the greatest Easter
Seal Sale ever in order that ade-
quate funds through this year's
sale of Easter Seals, might be raised
to carry forward a more com-
plete and enlarged program.

The very generous people of
Michigan who have so ably sup-
ported the cause in the past are
urged this year to give their full
measure of help through their
generous purchase of Easter Seals.
SHARE YOUR EASTER JOY.

"I GET MORE FOR MY MOW-CURED HAY!"

ELECTRIC HAY DRYING IMPROVES HAY QUALITY

By curing in the mow, you can count on greener, leafier, extra-quality hay of high protein content. There is no leaf shattering, or sun burning with mow-cured hay. This proved electric hay drying method also permits a high moisture content while putting up the hay; reduces supplemental feeding, and produces more milk. Mow-cured hay is recognized as the best substitute for fresh pasture. For further details see your Edison Farm Service Advisor today.

FOUR OTHER ELECTRIC HAY DRYING ADVANTAGES

- 1 Cuts down weather risk-permits cutting at right stage of maturity; eliminates loss from rain, and excessive sun bleaching; saves hay losses in bad weather. 2 Reduces dangers of spontaneous combustion-constant temperatures in mow prevent hazards of fire. 3 Saves money-makes money-small investment, low operating costs; pays for itself in a surprisingly short time; more hay can be stored in barn. 4 Easy to set up-any size barn will do; no bolters or collars; uses an easy and inexpensive to build. Mow-curing requires no change from your present system of making hay.

Michigan Bell points out that the costs of doing business have risen 237 per cent since 1939 while revenues have gone up only 180 per cent in the same period. Proposed increases are well below the general price rise, it emphasizes.

The company was granted an 8 percent revenue boost in October, 14 months after it had filed its application. It was the first rate increase for the company in 22 years.

HEARINGS ON TELEPHONE INCREASE TO BE MARCH 14.

Hearings on the application of the Michigan Bell Telephone Company for a 17 per cent increase in its revenues are scheduled to be resumed before the Public Service Commission Monday, March 14.

The Commission restored the case to its docket following the failure of the city of Detroit to file an appeal with the State Supreme Court from a Commission order of Jan. 27 denying the City's motion to dismiss the proceedings. At that time, the Commission urged the City to appeal its decision and adjourned the hearings pending such a move.

Michigan Bell seeks overall increases of 50 cents to \$1 a month in residence rates and \$1 to \$1.50 on business lines, depending on the size of the exchange and classes of service. Long distance increases also are sought.

The company was granted an 8 percent revenue boost in October, 14 months after it had filed its application. It was the first rate increase for the company in 22 years.

The New '49 PONTIAC

North...South...East...West
America likes Pontiac best!

In their own words below, the automotive editors of America's leading newspapers graphically record the nation-wide triumph which the 1949 Pontiac scored on its introduction a few weeks ago. Read what they say. Then come in and see the great new car that has created the greatest public enthusiasm in Pontiac history.

San Francisco: "Pontiac's 'forty niners' shot quickly into popular favor on their initial showing here stop. Their 'new look' and astonishing low price tags winning immediate approval and rightly so from record crowds because of these two features to say nothing of their mechanical advancement and improved riding qualities."
LEON J. PINKSON, AUTOMOTIVE EDITOR, SAN FRANCISCO CHRONICLE

Detroit: "Public reception of new Pontiac was up to the highest expectations of company's officials stop. It looks like another good year for the division judging by customers' enthusiasm."
SILVER FREEMAN, AUTOMOTIVE EDITOR, DETROIT TIMES

New York: "Beauty of appearance combined with advanced utility and styling features of Pontiac models drew much attention from big crowds at dealers' showrooms in New York."
BERT FIERCE, AUTOMOBILE EDITOR, NEW YORK TIMES

Chicago: "Chicago welcomed the new 1949 Pontiac with a 24-gun salute of approval judging by the enthusiastic reception and the long lines crowding dealer showings stop. The new Pontiac should prove to be one of 1949's biggest highway hits."
MAURICE RODDY, AUTOMOBILE EDITOR, CHICAGO SUN-TIMES

Memphis: "The greatest and most enthusiastic public reception in Pontiac's history here stop. Many orders taken regardless of no definite date of delivery stop. If production can meet public demand I predict the biggest year Pontiac ever had."
ACE BAILLY, AUTOMOBILE EDITOR, MEMPHIS COMMERCIAL APPEAL

MICHIGAN Motoring

Do you really know and obey the signals and lights which tell you when you must stop your auto; when it is safe to proceed? Check over these rules... then follow them for safety.

You must come to a complete stop (and remain stopped until it is safe to proceed) at:

- 1. All stop signs. 2. Red signal lights. 3. Amber signals alone or in combination with green signal. 4. Flashing red lights. 5. Flashing red arrow signals before turning in the direction indicated by the arrow.

These are the basic laws for stopping. However, you must also come to a complete stop for ambulances, fire or police cars, sounding a warning after you have pulled out of the way, autos forming a funeral procession. Review these laws, make sure that you obey them. And make sure, too, that your automobile will obey you! Police are checking lights and brakes! They're helping you make your car safe. So be sure when your car is checked that you've already had it completely gone over at your local mechanics garage. An unsafe car may mean DEATH for you. Don't take chances with your life! Mich. Township Caucus

Notice is hereby given that a Republican Township Caucus for the purpose of placing in nomination candidates for Township Offices of the Township of Independence, County of Oakland, State of Michigan, and for the purpose of transacting such other business as may properly come before it, will be held at Masonic Temple, Clarkston on the 12th day of March, 1949 at 2 o'clock P. M. By order of Harold J. Doebler Township Clerk.

Michigan in the average year has 500,000 maple trees tapped for sap, and farmers are now ready for this year's run.

The adulteration or misbranding of maple sugar, molasses and syrup is punishable under the state law by imprisonment in the county jail for not more than one year, or by a fine of not more than \$500.
