## Rotary Club News

Even if one was not interested in hunting and fishing, the motion pictures presented to the Rotary Club on Monday night would be fascinating. These pictures were shown by Dale and Paul Williams, two of a family of six sons, who with their father operate the Williams Gun Shop at Davison. The first picture dealt with the Williams school of teaching the proper use of guns which has been so well accepted that it has been written up in several national magazines. The second picture was one of hunting and fishing in Alaska. The abundance of fish and game made this section of the country look like a hunter's or fisherman's paradise.

Guests of the Club included the following members of the Clarkston Volunteer Fire Department: Don Beach, Frank Rork, Fred Hemmings, Frank Green, Glenn Kerton, Clifford Bennett and William Wilson. Herbert Beach's guest was Raymond Jarvis; Alfred Lee's guest was his son, David; while Burden Bailey and Roger Walstead were guests of James Price. The dinner committee was under the chairmanship of Mrs. Ward Robbins, assisted by Mrs. George Marshall, Mrs. Arnold Mann, Mrs. Joseph Hubbard, Mrs. Walter Saxman and Phyllis Saxman.

Mr. and Mrs. James Gagnon are receiving congratulations on the birth of a 6 lb 12 oz daughter, Dianne Mary, on Friday, April 22nd at St. Joseph Mercy Hospital.

On Thursday of last week Mr. and Mrs. Edward Lee Horritt and Mrs. Carrie Walter went to Frankemuth where they met Mr. and Mrs. Gordon Will of Pinconning and enjoyed dinner together. The occasion celebrated the birthdays of Mr. Porritt and Mr. Will.

Everyone is glad to see all of the home folks getting back to Clarkston for the summer. However the southland didn't do any of them any harm if the southern tan they are wearing means anything. This past week Mrs. Blanche Walker, Mrs. Myra Wieland and Mr. and Mrs. E. V. Squier were welcomed back.

Have you those bundles of waste paper ready for the big drive in May? Everyone has had so much advance notice that the Boy Scouts are expecting to collect more paper than has ever been gathered in a drive in this district. Don't disappoint them. They are hoping to put a little money in their treasury and thus be able to do some of the things that troops in other sections are doing.

## Clarkston Swamps Country Day

Last Friday the High School baseball team traveled to Detroit where they won their second league game.

Clarkston opened the game by scoring two runs in the first inning which proved to be enough to win. In the second inning ten Clarkston batters faced Kresge, the Country Day pitcher, and collected six runs on two walks and two hits, including Bob Fell's first home run with the bases filled. Four more runs were scored in the third on one walk and three hits which included Fell's second home run with the bases filled. One run was scored in the fourth and two more in the sixth.

Country Day scored their run in the first on two walks and a double by Kresge.

Fell was again the batting star, collecting three hits out of four trips to the plate. Wells struck out fourteen batters in six innings, but was bothered by a strong wind as he walked six and hit four. Country Day collected but two hits. Rouse pitched the seventh, walked one and did not give up any hits.

Tuesday, under threatening skies, "Big Red" Keating pitched a fine game. He gave up but two hits while keeping the visitors scoreless. No more than four batters faced Keating in any inning.

In the first inning Clarkston batted out Beaver's starting pitcher before he could retire one batter. Ten men batted in this inning and scored four runs. The second inning produced three more runs. In the third two more runs were picked up. In the fourth we went scoreless, but this was probably because we were anxious to get in at least four and a half innings so in case of rain we would get credit for the win. In the fifth we again batted around the order and scored five more. The sixth inning gave us two more runs.

Bob Fell is the hottest batter this school has seen for many years and boasts a .688 average. Dan Keating, in addition to winning three games, is batting a .500 average.

Clarkston will probably come up against its strongest league competition when it meets Fraser on the local diamond this Friday.

## Interesting Program At Men's Meeting

## Rotary Anns Start Fund For Cathy

On Tuesday night the Clarkston Rotary Anns met at the home of Mrs. Garnet Poulton. Mrs. George Perry was the co-hostess. In the absence of the president, Mrs. Paul Henry, the vice president, Mrs. Don Stackable, took charge.

At the business meeting it was decided to have a rummage sale some time during May. All members were asked to get as many articles as possible ready. Mrs. Richard Morgan was made general chairman of the sale and she is to name her own committee. However, every member is to help.

As the Rotary Anns project is to aid crippled children, it was decided that instead of sending money out of town it would be wise to help a child in our own neighborhood, Cathy Richardson. Everyone knows about Cathy's misfortune. She spent many weeks in the hospital this past winter and underwent two very serious operations. Following these operations it became necessary to amputate one of her legs above the knee. She was only a year old at the time and had never learned to walk. Now she has to start wearing an artificial limb in order to walk and this requires much stick-to-itiveness on the part of the child and a great deal of patience on the part of the mother. The "Cathy Richardson Fund" is set up at the Clarkston State Bank and the Rotary Anns are inviting anyone who wishes to step into the Bank and make a deposit in the fund. They are very anxious to see this fund grow. The club started the fund with a hundred dollars.

Mrs. Walter Saxman was reported ill.

The program chairman for the evening, Mrs. Earl Terry introduced Mrs. Bruce Siddall who told about Harmony Valley, the Folk Art Center, where families are invited to work and play together. Mrs. Siddall told how the project was dreamed of and started and what had been accomplished in the past year. Among the crafts that were enjoyed last summer by folks from far and near were weaving, painting and ceramics. They hope to carry on with this same program this summer and perhaps enlarge upon it if the need is adequate. Classes are carried on every Saturday afternoon and in the evening there is a dance where mothers and daughters, fathers and sons join hands to have a grand time. Mrs. Siddall painted a beautiful word picture of the valley—the country is very hilly and woody, and ideal for a picnic spot or a nature study hike. She invited the club to visit Harmony Valley.

Everyone enjoyed Mrs. Siddall's talk and made up their minds that this place, called Harmony Valley must be a sort of fairyland. Mrs. Terry presented Mrs. Siddall with a gift of appreciation.

At the close of the meeting the hostesses served delightful refreshments from a table covered with a lace cloth and centered with a fan shaped crystal vase holding sprigs of wild plum blossoms flanked by rose colored candles in crystal holders.

The next meeting will be held at the home of Mrs. Byron Nolan with Mrs. Don Stackable as co-hostess and Mrs. Ralph Thayer in charge of the program.

## Junior Fellowship Elects Officers

At the meeting of the Junior High Fellowship at the Clarkston Methodist Church on Sunday evening the following officers were elected: president, Judy O'Dell; 1st. vice president, Don Colton; 2nd vice president, Ann Spohn; secretary, Sue Shanks; treasurer, Ronald Schebor; pianist, Arlene Gagnor; Mrs. L. D. Gagnor is the counsellor for this group of young people.

For the last few weeks the lessons on Sunday evening have had to deal with various religions. After finishing the lessons on the Jewish religion the group visited a synagogue in Pontiac and as soon as the lessons are completed on catholicism the group hopes to visit a catholic church.

At the close of the meeting on Sunday evening the young folks enjoyed refreshments furnished by Richard Huttenlocher.

## Tri-City League Has Banquet

On Saturday evening the Tri-City Bowling League held its post season banquet at Clark's Restaurant. A very fine dinner, your choice of delicious chicken or steak was served. The places were marked with miniature bowling pins.

Harry Cecil, producer of Cecil's Chocolates, and a magician of note, assisted by Guy Scott of Clarkston, performed a number of feats of magic that interested and amused the crowd.

During the year Don Shields had maintained the lowest average and was personally presented with a cleverly made bowling alley and pins. Number 7 pin which had caused Don some trouble during the season had been removed.

Devere Lawrence of the Whitefield, Walter & Dawson team and president of the league presided at the short business meeting. Herb Cole of the same team was called upon to present the beautiful trophy, to be held permanently by the winning team, to The Clarkston News. Herb complimented all players for their sense of fair play during the season and the members of the winning team for their ability. The trophy was accepted by William H. Stamp, publisher of The News. Each member of the championship team received a gold, miniature bowling ball.

In addition to the cash awards to the members of the league, cash awards went to the Hanson Plastering fellows in a special tournament for over average playing and to Kenneth Craft and Fred Hemingway for over average couple play.

Officers for the coming year were elected as follows: Devere Lawrence, president; Ralph Hagen, secretary and Ernie Burt, treasurer.

Members of The News team were: Bruce Watson, Kenneth Craft, Ralph Hagen, Jack Hagen and Kenneth Hanley. Edward Craft, Jr., bowled for more than half of the season before entering the U. S. Army. Harvey Craft substituted in his place for the rest of the season.

## Shower Honors Constance Spooner

Among the lovely affairs that are being given for Constance Spooner, who will be a June bride, was a personal shower in her honor last Thursday night at which Mrs. Walter Gregory and daughter, Janet, were hostesses at the Gregory home on N. Main St.

The group enjoyed playing appropriate games and presenting "Combie" with many beautiful gifts.

Delightful refreshments were served from a table laid with a lace cloth and centered with an arrangement of white snapdragons and yellow daffodils flanked by white tapers in crystal holders.

Among the guests were Mrs. Milton Grubaugh of Holly, Mrs. F. L. Spooner, Joyce Spooner, Mrs. H. W. Huttenlocher, Mrs. Gerald O'Dell, Mrs. Keith Leak, Mrs. Leigh Bonner, Mrs. Fred Hancock, Mrs. Ray Parker, Mrs. William Johnston, Mrs. Floyd Hammond, Mrs. Paul Henry, Mrs. Rudduck, Mrs. A. E. Butters, Mrs. Roy Gundry, Mrs. John Stageman, Mrs. Fred Rosevear, Mrs. Kenneth Thompson, Mrs. C. A. Bradley and Mrs. John Edstrom.

## Emery Bennett In Guild Competition

Emery Bennett, 6109 Overlook, Clarkston, Michigan, has re-enrolled in the annual competition of the Fisher Body Craftsman's Guild and has started the design and construction of a model automobile in hopes of winning a cash award and university scholarship, according to word received at Guild headquarters.

The Clarkston youth, who must complete his model by July 1, will enter it first in Michigan state competition, which has 14 awards equally divided between the Junior (12 through 15) and Senior (16 through 19) age groups. First place in the state brings a \$150 award. State winners then compete regionally, and the 40 regional winners receive an expense-free trip to the Guild convention next August at Detroit where the eight national scholarship winners will be named. The scholarships range from \$1,000 to \$4,000.

## Vows Spoken Saturday Afternoon

Last Saturday afternoon a very pretty wedding took place at the Clarkston Methodist Church at four o'clock when Alice Crossman Rose and Robert Keller Noyes spoke their nuptial vows.

The bride is the daughter of Mr. and Mrs. Arthur L. Rose of Clarkston and Mr. Noyes is the son of Roy E. Noyes of Ft. Lauderdale, Fla., and the late Mrs. Noyes.

The rites were read by the bridegroom's uncle, the Reverend Robert O. Keller of Buffalo, N. Y., before an altar banked with palms, white snapdragons, tulips and ivy and lighted by cathedral candles in candelabra and a lighted cross high above the altar.

Mrs. Adele Thomas of Clarkston played the traditional music.

The bride, given in marriage by her father, was gowned in white satin and net, fashioned with a fitted bodice, a square neckline, long pointed sleeves and the full net skirt over the satin falling from just below the hip line into a cathedral train. Her fingertip veil of illusion fell from a small cap of orange blossoms. She carried a bouquet of spring flowers and her only jewelry was a single strand of pearls, the gift of the bridegroom.

Alethea Rose was her sister's only attendant. She wore a sky blue net gown with fitted bodice, short sleeves and a long full skirt. Her net mitts matched her gown and her large, crownless hat was of matching material. She carried deep blue anemone and yellow daisies.

Merle Ryder of Birmingham assisted Mr. Noyes as best man and Roy E. Noyes, the bridegroom's brother and Herbert Rose, the bride's brother, seated the guests.

A reception for the immediate families and a few very close friends was held at the Arthur Rose home on the Dixie Highway following the ceremony. The bride's table was covered with a pastel green cloth and was centered with a three tiered wedding cake, surrounded at the base by gardenias. White tapers in pewter candelabra graced each end of the table.

For her daughter's wedding, Mrs. Rose wore a grey sheer crepe with a crownless, navy hat and navy accessories and a corsage of baby orchids.

The young couple left by motor for the southland, the bride traveling in a grey tailored suit with dabbonnet accessories and a corsage from her bridal bouquet. On their return they will be at home after May first, at 15375 Cherrylawn Ave., Detroit.

3rd GRADE. In Arithmetic we are busy learning to multiply 2 & 3 figure numbers by 2 and 3 and carrying.

In our science reader we have been learning how to care for cats and dogs. We have a new boy in our room, Daurience Marshall. In English we are learning to

use is and are; was and were, correctly. We enjoy having the story, "The Mystery of the Old Barn" read in our story period.

4th GRADE

Dan Carter, Evelyn Hopson, Betty Laws, David Lassner, Arlene Mogg, Onalee Morgan, Suellen O'Dell, Pat Thayer, Janet Sue Wiloughby, Janet Brower and Ken Hogg received an E in Spelling. We are busy working on Mother's gift for Mother's Day.

The supplementary readers "Singing Wheels" which we are beginning this week we are sure will be an interesting and stimulating study of pioneer times.

Beginning fractions in simple forms is very fascinating and we hope we are developing a good foundation for fifth grade arithmetic.

SEVENTH GRADE NEWS

In our Science Class we are beginning to study ourselves, about our bodies, and how we need energy to live.

In Arithmetic class we are studying "Business Methods in the Home", such as how to keep the family's cash accounts and how to send money by mail.

In History we have our classroom all decorated to look like it did in the past.

EXTENSION LEADERS COMMENDED FOR WORK

Local leaders of home demonstration groups in Oakland County were commended today by Josephine Hoke, home demonstration agent.

"These local leaders of 64 extension clubs have given their time and talents to bring other women in the county information and new skills to make homemaking easier and homes more pleasant", Miss Hoke said.

Recognition of the contribution local leaders are making to home and community development comes as members of local groups observe National Home Demonstration Week, May 1 to 7.

Local leaders act as teachers in their home demonstration groups, bringing up-to-date information and recommended practices on all phases of homemaking. They are trained at special leader training meetings and then return to their own communities to teach others.

Among the local leaders in the county are: Davidsburg Club, Mrs. Norris Walls; Mt. Bethel Club, Mrs. Ralph Larsen; Ortonville Extension leader, Mrs. Volney Cotton; Seymour Lake Club, Mrs. Essel Bradley; Clarkston Club, Mrs. George Perry and Mrs. Harry Bates; Drayton Plains Club, Mrs.

TROUT FISHERMEN GET READY FOR SATURDAY

For most trout fishermen going north for the season opener, April 30, the fishing regulations are unchanged.

Designed to spread the catch among more anglers, the number per day or in possession continues at 15 (10 from trout lakes), but not more than 10 pounds and one fish.

The weight ruling limits the fortunate few who could otherwise take more than two, 10-pound trout in a day.

Special rules apply to a few experimental waters and can be easily checked in the fish law digest. Trout ponds subject to special regulation also are posted and identified as such at fishing sites.

Additional waters have been designated trout lakes this season and are quickly noted by boldface type in the digest.

DO IT WITH THY MIGHT

★ Faith gives healing a great impetus. The will to live has carried many past the valley of the shadow. The writer of Ecclesiastes says, "Whatever thy hand findeth to do, do it with thy might." The man who puts his heart into both work and play gives his life purpose and direction. When illness comes, he is ready to fight it with a disciplined will. From where I sit... by Joe Marsh How We Licked The Parking Problem For a while it looked like we'd have to put up parking meters. Folks working in town—including some of the store owners—were taking up all of the space along Main Street. Farmers coming in to shop never found a place to park, and sometimes had to lug stuff a half mile or so. Some started to do their buying in other towns. Finally, store owners and farmers had a get-together—with the result that the empty field near the depot was fixed up for all-day parkers. Now farmers get their shopping done comfortably, and the merchants have a better place to park than they had before. Just took a little friendly co-operation to make everybody happy. From where I sit, most differences can be ironed out by just talking things over—maybe with a cup of coffee or glass of beer—and seeing the other person's side of it. Next time you have a problem or a little difference to settle, why not try just that? Joe Marsh

**MSC WILL RETURN TO FIVE-DAY WEEK**  
A return to the pre-war five-day week for Michigan State College students has been approved by the college faculty. The new regulation will go into effect for the fall term of 1949, according to Robert S. Linton, registrar and secretary of the group.  
"This means that eventually, the whole college plant will be closed down from Friday night to Monday morning," Linton said. He added that in some cases, Saturday classes may be necessary because of limited laboratory space in certain fields. This decision will be left to individual department heads.

## Card of Thanks

My sincere thanks are extended to all of my friends who were so kind to me while I was in the hospital and while I have been convalescing at home. The pretty cards, flowers, gifts and thoughtful messages helped to brighten what would otherwise have been long, gloomy days.
