CLARKSTON, MICHIGAN, THURSDAY, SEPTEMBER 15, 1949

Many Attend P. T. A. Supper

A Family Night pot-luck supper was the feature of the first meeting of the Clarkston P. T. A. last Thursday, Sept. 8. There were 150 parents, children and teachers sat down to a bountiful meal. Mrs. Walton Robbins, chairman of the home-room mothers was in charge of the coffee.

Following the supper the flag was presented by the Girl Scouts after which the group repeated the Pledge of Allegiance and The Lord's Prayer, Mrs, L. D. Gaynor, president, called the meeting to order. She made special mention of the 4-H work. The meeting was then turned over to superintendent, Mr. W. Ridgley, who introduced the two principals, Mrs. William Vliet and Mr. James Quick. They, in turn, introduced the members of the faculty, Mr. Ridgley then gave a brief re-

contact Miss Etzler, She also stated that her department is interested in anyone who could speak on vocation or handcraft.

Rotary Club News

The Ortonville Rotary Club and Waterford - Drayton Clubs were guests of the Clarkston Club on Monday to hear an address given by Dick Norton, of Detroit. The Ortonville members were introduced by Len Owen, acting for Arnold Nique, their president while Robert C. Beattie, president of the Waterford-Drayton Club introduced their members. Richard Morgan, president of the Clarkston club then introduced the Clarkston

Other guests included Dr. Bullard who is taking over the practice of Dr. Robert Buehrig, Hugh Dickey, a member of the Pontiac Club and Harold Kennedy, formerly of Clarkston.

This is the tenth year of the local club and tenth time Dick Norton has addressed the club. While all addresses have been on Rotary doings this year he stressed the meaning of Rotary and the kind of men we should strive to invite to become members.

The talk was inspiring and edbers, and very well given. Dick's the village found they had no have charge of the program and personality is of the pleasing and access to the alley back of the will be assisted by Maurice Ogto serious subjects lends sincerity and Seeterlin Brothers saved the friendly type and his approa

Seeterlin Bros., Inc., To Have Opening Friday, In New Building

With the opening of the Seeterlin Bros., Inc., new Sales and Sersume of the school situation. At vice Building on U S 10 at M-11 that time there were 700 students this week folks will start to think back to the changes that have Miss Betty Jo Etzler, head of taken place since they resided in the Home Economics Department, Clarkston. Many will remember made an appeal for pre-school back before 1919 when on the children. Anyone interested should southeast corner of Main and Church Street there was a blacksmith shop operated by Frank Yeager. Later, on that same corner, Ward Robbins operated a roadside service station. In 1919 Seeterlin Brothers bought the corner and in September of that year started to build their garage. Winter came on, the building was not completed so Henry Garter kindly offered to let Seeterlins run their service department in the basement of his building. The Seeterlin building was completed and ready for use on May 19, 1920.

In 1922 Seeterlin Bros., took over the Chevrolet Sales from Roy Gundry and in 1927 they sold their building to Reuben Beattie. For a time they had to have temporary quarters, so they moved across the street to the house owned by Mrs. Sam Oberheim, where the Morgan & Son Gas and Service Station now stands. The Oberheim house was moved to East Washington and was used as a telephone remodeled by Arthur Frank.

In the late summer of 1929 the Secterlin building on E. Church was started and completed about Christmas time of that year, It was in 1929 that John Haupt operated the City Service Station which was taken over by Sam Morgan & Son in 1935, In 1933 business meeting, Paul Tindall will ores on the east of Main Street den. day, by selling them 11 and one half feet off of the east side

Calling All Men!

The Men's Club of the Methodist Church will have their dinner meeting at the church tonight at

The program for tonight's meeting will be unusually interesting. It will be a recording presented by Harry D. Waggener. You will hear one of the best talks on "industrial Safety" by Dr. Alfred P. Haake of Park Ridge, Ill. Some of the men heard this recording a few weeks ago and they are very anxious to hear it again. They say that this talk is interesting, not only because the gentleman is an excellent speaker, but because he has something worthwhile to talk about and he makes every sentence thought provoking. All men in the community are cordially invited.

David Frick At Navy Center

David Frick, seaman recruit USN, son of Mr. and Mrs. Clayton Frick of Clarkston, Michigan is undergoing recruit training at the world's largest Naval Training Center, Great Lakes, Ill.

Recruit training is the sharp break between civilian and Naval life in which the new Navy man learns the fundamental principles of the Naval service.

In the course of his training the recruit is taught seamanship, Navy customs, terms, basic ordnance, the recruit is assigned either to units of the Fleet or to a service school for specialized training.

Mr. and Mrs. S. B. Rolland and son, Richard Allan, who have spent the past week with Mrs. Rolland's parents, Mr. and Mrs. William Edgar, have gone to Detroit where they will make their home while Mr. Rolland is teaching Wayne University.

P. T. A. Council **Meets Friday**

The Oakland County Council Parent-Teacher Association held their first meeting of the 1949-50 year at Waterford Center, Friday evening,

Mr. Wm. Vandervend sang for the Association and led a community sing.

Schools of instruction were held by Mrs. Iva O'Dell, Council pariamentarian, and Mrs. Frank Sutherland, past-president of the Council and current Membership chairman, on parliamentary law and membership.

The next meeting will be held on October 14th at the Donelson School when Mrs. Max Williams will speak.

Get In U. S. Army Without Waiting

More Parade Prize Winners

NUMBER 3

This week we have been able through the kindness of the school superintendent and the school faculty to secure the names of some of the prize winners in the Labor Day parade. They include: Edwin Glennie, Diane Hursfall, Georgia Robinson, Jay Ann Burley, Richard Mansfield, Helen Betts, Susan Hogg, Violet Jones, Cappy Buerhig, Heidi Buerhig, Bobby Schwarze, Rosemarie Jones, Sharon Crosby, Larry Powell, Jimmy Weber, Frances Hancock, Barbara Rockwell, "Chuckie" Rockwell, Elaine Crosby, Gail Shumway, Mary Lynn Muma, Penny Muma, Kay Robinson, Barbara Jones, Sharon Hoyt, Nathan Ribble, Sylvia Hemingway, Bob Jones, Lanny Leak, Ronald Schebor and Donald Johnson, Among the riders who won prizes were Mr. Glen Ellis and Mrs. R. D. Grubaugh (Connie Spooner).

Other prize winners were Sharon Glennie, Janet Sue Willoughby, Suellen O'Dell, Betty Laws, Bobette Buerhig and Patience Thay-

Local Man At **League Meeting**

Trustee Lloyd Megee, of Clarkston, will participate in the program of the Annual Convention of the Michigan Municipal League to gunnery, signaling and navigation. be held in Battle Creek this week. Upon completion of his training He will preside at a special group meeting conducted for the benefit of officials of small municipalities held on Thursday, September 15.

The meeting of city and village officials at Battle Creek will mark the 51st convention of the Municipal League since the time it was orginally organized. It is anticipated that over 500 municipal officials will attend the three-day session.

The program includes round table discussions for officials with similar positions in different cities and villages. The program will also feature speakers on such important and diverse current problems as highway legislation, unemployment, traffic problems, and housing.

A special address by Faul G. Hoffman, Administrator, Economic Cooperation, on "The Marshall Plan: Its Progress and Its Problems" will highlight the program. Other special program highlights will include addresses by Michigan's Governor G. Mennen Williams; Paul Bagwell, Immediate Past President of the United States Junior Chamber of Commerce, and Head of the Written and Spoken English Department, Michigan State College; and Carl Chatters, Executive Director, American Municipal Association.

The Michigan Municipal League is a cooperative organization of the cities and village of the state with headquarters in Ann Arbor. It is

store.

The thoughts of poverty or strain. I don't know why I'd look for war

I shall be master of my ship And steer it on a pleasant trip. The things of God I shall embrace With love and honor to His Grace. I shall not harbor satan's ills, Or be a slave to aches and chills. I'll not give in to fearful thought And all the havor it has wrought. I'll build this mortal man you see

With love, and life, and joy, and health, With wisdom, courage, strength and wealth.

Like God intended him to be.

With positive thinking free of fear To make his vision strong and clear.

had as their house guest Miss William Chase, Mrs. James Saylor Mr. and Mrs. Albert Kray have

Griddle Cake Breakfast

Start cool days with a platter of tempting hot cakes enhanced by broiled pineapple and peach slices.

The brisker the morning, the heartier the appetite. That's why griddle cakes are top favorites for fall and winter breakfasts.

Give hot cakes extra glamor for a special affair by serving them with broiled pineapple, apricots, or peaches. Such flavorful meats as sausage, bacon, ham, or lamb kidneys are generally preferred to round out a griddle cake meal out a griddle cake meal.

out a griddle cake meal.

Besides pleasing the family, griddle cakes can be relied on for much good food value. Enriched four is a good source of essential B-vitamins and iron, plus protein and food energy to keep morale high.

This recipe makes medium-thick griddle cakes. Folks who like the "thin ones" may add more liquid to the batter. In any case, the rule for light tender pancakes is the same as for other quickbreads—stirring batter only until ingredients are thoroughly mixed.

GRIDDLE CAKES

2 cups sifted enriched flour 4 teaspoons baking powder 1 teaspoon salt

Sift together flour, baking powder and salt. Beat egg slightly and add milk. Add to flour mixture, stirring until flour is moistened

Add shortening. Bake on ungreased, hot griddle.

Makes about 30 four-inch cakes.

Marie Wescott and Miss Doretta Bargholtz of Clinton, Iowa, for Guild was made. The next meetthe past week. They returned home by plane on Sunday evening. On Wednesday, September 21,

the deacons of the Christ Lutheran Church and their wives will be entertained at dinner at the home of the Reverend and Mrs. Philip

Mr. and Mrs. William Avis and two children, Karen and Vance, arrived on Sunday at the home of Mrs. Avis' parents, Mr. and Mrs. Mrs. Vernon Waltz; parliamen-W. B. Banghart. They will remain for a three weeks' visit.

Mr. and Mrs. Charles Maxwell and sons, Charles and Kenneth. motored to Grand Rapids on Friday to take Pat to the Grand Rapids School of the Bible. Pat's address is 521 Fulton Northeast Mr. and Mrs. Lyman Girst and Grand Rapids, Michigan.

Fifty-five relatives and friends of Mr. and Mrs. Ainsworth Wyckoff gathered at the James Lamberton home on Sunday to help themcelebrate their twenty-fifth wedding anniversary which occured on September 6.

Mrs. Sarah Baker of Allenford, Ontario, Mrs. Margaret Bagnall of Owen Sound, Ontario, have been visiting at the home of the latter's nieces and nephew, Mrs. of Waterford and Earl Barber of

Davisburg Road.

Fourteen members of the execuive board of the Waterford P. T. A. met at the home of Mr. and Mrs. Eugene Cleland recently, The first regular meeting will be held on September 22 beginning with a co-operative supper at 6:30. -H CLUB NOTES

By John Trocke, 4-H Club Agent, Oakland County

Oakland County 4-Hers had a ig week at 4-H Club State Show at Michigan State College, East Lansing, There were 70 exhibits from the county and 39 of us spent the week at the college.

Representing Oakland County were ten horses, twelve head of cattle, fifteen head of sheep, three head of hogs and many pens of chickens and rabbits. There were also large exhibits in clothing, food preparation, food preservation, conservation, handicraft, and electrical projects.

All of our boys and girls did a fine job and we can rightfully be proud of them.

Special honors were won by Oakland County in taking the County Ayrshire Herd first place. This county herd is composed of three animals shown by at least two exhibitors. It is the most coveted of all prizes awarded, Members, of the County Ayrshire Herd were Bill Ludwig, Oxford, Martha Miles, Lake Orion, and Martha Cook, Ortonville.

Another county herd prize was won when Oakland County placed first in County Horse Herd, Exhibitors were Tulan German, Northville, Bonnie Hannah, Northville, and Arlene Powers, Birmingham.

Speaking of horses, Ginger Carson of White Lake won a Registered Morgan Colt donated by the Morgan Horse Association, First and second place winners at State Show submitted records of their 4-H work and Virginia's judged most outstanding.

Hats off to George Mann of Clarkston who took all first and Grand Champions with his Cheviot the engine to misfire and lose pow-

MICHIGAN

The first day of school is one the most exciting events in any small boy or girl's life. It's a mosmall boy or girl's life. It's a mo-mentous occasion . . and that first day, and all the school days that follow it can be just as fun-filled and interesting, if every driver will dou-ble his safety precautions to insure that every school student will be allye when the term is over!

"Slow, School"; "School Zone"; or "School Crossing". These signs are placed there to protect our students placed there to protect our students—your own sons and daughters.
They're a signal to slow down, to look carefully in the street—and also on each sidewalk. Children may not take the necessary safety precautions. It's so easy to become excited in play and to dash into the street in a game of tag or ball. That's why it sup to you, the driver, to keep Michigan's children safe.

Resolve now, as the new school year begins, that you will keep Michigan's children safe by careful, safe driving. Resolve, too, to protect

Michigan's children safe by careful, safe driving. Resolve, too, to protect your children from the other fellow's auto, by instilling in their minds the need for care in crossing streets. Make "Safety" the slogan in your home and keep your

CARE IN DRYING NEEDED FOR HOME LUMBER SUPPLY

Drying is one of the most important operations in the utilization of homegrown timber say Michigan State College foresters. A few pre-cautions will help insure better quality lumber.

The foresters say lumber should be stacked on a site well-drained and exposed to the wind. It should be kept free of weeds and trash and should be 25 or more feet from the nearest building. A strong foundation is important. Concrete piers are best, but wooden ones can be made by sinking posts into the ground.

THIS IS SAFETY MONTH; DRIVE CAREFULLY

This is Back-To-School Safety Month when any child on a curb or parkway must be a GO SLOW sign to any driver, Dr. A. E. Heustis, State Health Commissioner said today.

Give a child a "brake" he said Cautious speed and watchful eyes of drivers can save many lives this month. But, he suggested, drivers are not always at fault when a child is killed by a car.

Every parent must teach his or her child by example as well as by word of mouth how to cross a street, not to take risks, and not to play in or near streets. The parents must make, sure that the with two row pickers gave rates child will safely operate any wheeled vehicles he may use roller skates, tricycles, bicycles, motor scooters, automobiles-and that he knows the rules for their operation.

Then, he added another word for drivers: Children have many things to occupy their minds-a hopping robin, a friend across the street, a ball rolling down a driveway, a runaway pet, a school bell ringing. Be especially careful in the vicinity of schools and playgrounds, he urged.

Shrubby plantings help keep troublesome snow from drifting off open fields onto the road when winter winds blow.

Now in newspaper serial form, you will be able to read Fulton J Sheen's widely acclaimed PEACE OF SOUL. Here is a best-seller that thoughtfully and earnestly seeks to show you the way to solve the perplexing problems of everyday life. Follow PEACE OF SOUL every day in THE CHICAGO HERALD-AMERICAN.

It is very gratifying to see that some breeders' associations are taking the "cow by the horns" actually speaking. There is a great move on at the present time to dehorn cattle of most of the major breeds. The latest move is by the Guernsey Breeders' Association. Reports say that John Brecheise of Dryden, who is president of the Thumb District Guernsey Breeders' Association, is foremost in this move to de-horn Guernsey cattle. Dr. Weaver of Michigan State College reports that even some Ayrshire Breeders are eliminating horns on animals in their

De-horning cattle should certainly be done as calves. Many are seated and become part of the skull. Your local veterinarian can recommend products which, if handled properly, do a very good

I had a meeting of the southvest Oakland County Artificial Breeders Association this last week at the home of Omar Joramo. manager. The association directors at this meeting decided to put on campaign to further artificial breeding in this area. This program, available to farmers in this area, can do wonders in improving cattle on farms where planned breeding programs are not at present in use.

SUGGESTS MODERN FURNITURE FOR PRACTICAL BUYER

If you are thinking of buying furniture, here are some practical suggestions from Dorothy Washburn, home furnishings authority at Michigan State College. She suggests a few considerations before you buy since furniture is a long time investment.

Are you going to buy furniture to suit your family's needs or are you going to buy the long accepted furniture pieces? Flexibility is the keynote of modern furnishings. Rooms can serve several purposes if furnished accordingly.

Make a list of the present and future needs of your family. Then select the pieces that best fit those eds. In many cases you will find the right piece will serve several purposes. Modern furniture is the most flexible and is second to eighteenth century furniture in popularity. Furniture sales people say that it is the conservative couples who are furnishing their

From where I sit ... by Joe Marsh

Sure You Haven't A "Blind Spot"?

As I was driving gown Main It could be anything from day-Street last Saturday, another car dreaming while driving a car to humming out loud at the movies. swung out right in front of me. It turned out to be Buck Blake. He wasn't going fast. It was just that he had something else on his mind at that particular moment.

Buck's really one of the nicest fellows I've ever known. But, sometimes he gets to day-dreaming on the road. He sort of gets: ten to some classical music if he a "blind spot" to what's going on wants to.

about him! Now, lots of normally considerate folks have their "blind spots."

Copyright, 1949, United States Brewers Foundation

From where I sit, it's mighty

important to be on guard against

your own "blind spots." The other

fellow has a right to his "share of

the road," too—whether it's hav-

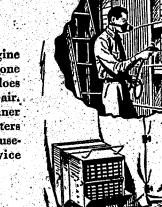

ing a taste for a temperate glass

of sparkling beer or a desire to lis-

Rural Rele-news

GOOD CUSTOMERS OF YOURS—The average Michigan family eats about \$500 worth of fruits, vegetables and dairy products a year. On this basis, Michigan Bell employees and their families consume about \$12,000,000 worth of farm products a year, much of which is produced by Michigan farmers.

HOUSEKEEPING NOTE - Can you imagine dusting the millions of tiny parts in telephone dial switching equipment? Michigan Bell does it by blowing out the dust with compressed air. In some telephone buildings a vacuum cleaner system is used to draw the dust into filters where it is collected for disposal. Good housekeeping helps to keep telephone service operating efficiently.

EVERY MINUTE COUNTS AT HARVEST TIME If your farm machinery breaks down, a quick Long

Distance call will start spare parts on the way from your distributor or the factory. And when you're busy, telephoning is the easy way to keep in touch with friends and relatives who live at a distance. Service is friendly and courteous. And Long Distance calls cost surprisingly little.

Our \$13,590,000 postwar rural construction program means

more and better rural telephone service.

SOIL CONSERVATION NEWS By Larry Tripp

Soil conservation calls for long time planning. The Holmwood Brothers, Jeff and Will, at White Lake, are doing well with their plan. The two boys bought a farm soon after Jeff was released from the army in 1946. The following winter they put in an application to the Soil Conservation Distric for help in working out a soil conservation farm plan.

Land use on their farm will be considerably changed from the old pattern of farming. Their fields are being rearranged to conform with the soil capabilities. Strip cropping, and terracing are being used in certain fields. Drainage work is being done. Swamp clearing is nearly completed and sool Reed's Canary grass pasture should help increase the livestock carrying capacity of the farm.

Jeff Holmwood says, "We aren't able to get the farm plan into effect as fast as we would like because of the cost, but we just keep doing a small part each year,' Jeff and Will really like their long time farm plan for it points out the final goal to them and

the best way for them to achieve it. Whereas, the Holmwood boys think that they are progressing too slowly, the Soil Conservation District directors believe they are doing a bang-up job. The directors picked them as one of the three Plymouth First farms in the county this last year. National Bank

BENEFACTORS

* One of the greatest accomplishments of civilization has been the remarkable progress made in increasing the average life expectancy. In the Middle Ages the average life span was twenty years. In the seventeenth century it had advanced to twenty-five years. Through the years there has been a steady increase until, today, the life expectancy is sixty-three years for men and sixty-six for women.

Authorities agree that the most productive years of life lie between the ages of forty and sixty. Medicine and the allied sciences have thus been indirectly responsible for all progress. Good minds that had sickened and died before reaching their zenith now live to apply the judgment and experience of maturity. As pharmacists, we are proud of our function in the distribution of lifesaving medical supplies.

FALL WILL ARRIVE SEPTEMBER 23, U-M ASTRONOMER SAYS

Fall will begin on Friday, September 23, at 4:06 a, m., Eastern Standard Time, when the sun enters the autumnal equinox,

This will be the feature attraction of an astronomical nature during September, according to Dr. Hazel M. Losh, assistant professor of astronomy at the University of

If you want to check your directions note where the sun rises and sets on September 23, Dr. Losh advises, since it will be at exact east and west on that date. The day and night will be of equal length and the sun will start its long journey south of the equator, Days will be increasingly shorter and the nights longer until the sun reaches its most southern point, the winter

olstice, in December. The bright planet, Jupiter, will continue to dominate the night sky during September, according to Dr. Losh, Jupiter will be in the south while Venus will be the bright "evening star" in the west. Take a look in the west at twilight on the evening of September 25 and the crescent moon will be

The period around September 25 should prove favorable for the observation; of "earthshine," a faint pinkish glow on the moon caused by the reflection of sunlight from the earth. The glow lights up the lunar landscape at a time when it is turned away from the direct rays of the sun, Dr. Losh says a more fanciful title for this astronomical event is "The Old Moon in the New Moon's
