THE UNITED FUND CAMPAIGN NOW UNDERWAY

The Independence Township United Fund and Community Chest Drive got underway this week, The drive is expected to extend into next week as the entire.

Eight Completely Destroys Dairy Barn Wednesday this tend into next week as the entire. tend into next week as the entire area will be canvassed by volunteer workers,

This campaign is a new idea a new federated plan for giving to Hallowe'en Party health and welfare services. It is an opportunity to give to many campaigns at the same time. Independence Township is uniting their community chest with the United Foundation thereby eliminating all other house to house campaigns in this area for the year. There are a great many important advantages to this United Fund raising including:

It reduces the annoyance and confusion of multiple, separate, fund raising efforts.

It conserves manpower. It reduces campaign expense, making it possible for more of your dollar to go directly into service. It increases public confidence in the various agencies due to the fact that each agency is subject to budget review.

In Independence Township, quotas have been set for the following agencies and organizations: United Health and Welfare, Red. Cross, Cancer, Boy Scouts, Girl Scouts, plus a reserve to take care of all other solicitations in this area for the rest of the year. Those "other solicitations" will be referred to the local committee for donations and the committee will, at all times, attach the greatest interest to local projects.

So please remember, when a volunteer solicitor calls on you he. or she is taking part in a very important undertaking—that of providing a means by which enough money can be raised at one time to help support all of these LOCAL, state and national agen-

At the present time the following have generously donated their time as solicitors: Mrs. Ardo Crocker, Stan Radoye, Mrs. Elmer Collins, Wm. Sharpe, Miss Willma Doebler, Mrs. Leo Finzel, Clark Soulby, Mrs. Bartlett Man, Mrs. Iva Miller, Jim Hemingway, Mrs. Roderick Muma, Mrs. George Perry, Garnet Poulton, Miss Ada Mrs. David Stewart, Mrs. John Turek, Mrs. Ronald Walter, Mrs. Vera Craven, Mrs. Lee Volberding, Mrs. Fred Steiner, Mrs. Mabel VanHorn and Bart Mann.

More workers are needed. Anyone willing to volunteer their services as solicitors please contact Bill Radoye or Charly Robin-

GIVE once for all - GIVE enough for all - GIVE now to Mrs. Harold Weston for a get-tothe Independence Township United Fund and Community Chest Campaign. The total quota for Independence Township is \$2,145. Your support is needed.

Young Folks Enjoy

Everyone present enjoyed the party given at the school sponsored by the Clarkston Rotary Club on Hallowe'en eve.

Festivities started, with the usual torch light parade in which number of the school students participated. When the parade returned to the school the torches were thrown onto a huge pile and the resulting bon-fire burned while the youngsters enjoyed apples, pop-corn, fried cakes and

The masked and costumed youngsters were then taken into the school gymnasium where the winners were chosen by the udges, Mrs. Elmer Pettengill, Mrs. Durand Ogden and Mrs. Howard Johnson, The winners were: tramp, Robert Brisson; Pat, Paul. and Mike Gagnon as the three bears: Ronald Jyleen, as a black cat; Paul Richard Erickson as Red Riding Hood; Raymond Miller as a ghost; Patty Wilson, Robert Brisson, and Nathan Riffle: James Casey was dressed as a balloon clown and won a prize.

Following the judging two reels

of pictures were enjoyed. The Rotary committe was under the chairmanship of George Lang, assisted by Rudy Schwarze, Robert L. Jones and Garnet Poul-

A Welcome Awaits **At Harmony Valley**

Harmony Valley is in a rugged and secluded spot which adds to voods and hills. Access to the location is kept open. The fact that three mail routes converge on Teggerdine Road and this short stretch of highway is a connecting link between two important trunk ines practically assures use of hese facilities by groups of people who want to discover and explore the beauties of nature during the season that "summer sleeps in the seed".

The program of the creation of beautiful things in hand weaving and kindred arts goes on daily in the studios located in the farm

Visitors are always welcome. The successful operation of the new heating plant at Harmony Valley has made the first floor area of the big play house more useful than was actually expected. The venture now being considered by the advisory council, board of directors and friends of the folk art center is winterizing the second floor. A group meeting scheduled for the weekend of November 12th has this project as a part of the

An attendance of 120 at the Hallowe'en party Saturday night demonstrated the fact that while happy people can still be happy if they are crowded, arrangements for a better planned use of the Valley's facilities are now in order.

Silver Tea

Next Wednesday afternoon, Nov. 10th, at three o'clock the Clarkston P. T. A. will sponsor a Silver Tea in the gym at the school for the benefit of the elementary library. A very fine program is planned. Mrs. K. B. Valentine of Waterford will review the book "The Bishop's Mantle" and Mrs. William Mansfield will sing.

The children will meet in the rindergarten room for supervised play while the adults attend the

P. T. A. program. This afternoon affair will take the place of the regular November P. T. A. meeting.

Games Party A Grand Success

The committee in charge of the P. T. A. Games Party at the school last Thursday night were ney. quite pleased with the success of the affair. There was a splendid attendance and everyone seemed to enjoy themselves. To date \$65.95 has been realized.

Before the games were started dessert and coffee were served. During the evening door prizes were given and those in charge of the party are grateful to the donors of the prizes. A feature of the evening was exhibition dancing by the Arthur Murray Dance Studio. This was especially interesting when they gave a short dance lesson to three local couples and then held a brief contest with the audience as the judge. Mr. and Mrs. Keith Leak won the prize.

It was announced that the Arthur Murray Studio would start a series of dancing lessons at the Clarkston School for adults and children. These lessons will start on Monday, Nov. 7th. The children in grades 4 through 6 will get instructions from 12 noon until 1:30 and the adults class will be held from 9:00 until 10:30 P. M.

St., entertained eight women at a lastic Demonstration last Thursday morning.

The Beacon Club of the Comnunity Church held their monthly meeting Saturday evening October 29th, in the form of a Father and Son Banquet. The 57 present were served by the girls of the King's Disciples assisted by Mrs. B. B. Banghart and Mrs. Stephen Pheteplace. The committee in charge were Mr. B. B. Banghart, Mrs. Corinne Atkins, and Mrs. Leslie Dingman with Nancy Brown and Twylla Giddings in change of decorations. The master of ceremonies was Mr. Alton Goll, with an oration to the sons given by Mr. Henry Melhberg and an oration to the fathers given by Kenneth Maxwell. Due to car difficulties the trio from the Grand Rapids School of Music and Bible were unable to attend. In their absence the Rev. Wright VanPlew gave a short nessage, followed by group singing. The committee in charge next month will be Mr. Corum Atkins, Mr. Isaac Shook and Mr. Milward.

Mr. and Mrs. Lemuel Van Syckle spent Sunday at the home of Mr. and Mrs. William Edgar where Mrs. Van Syckle was entertained at a family gathering for her birthday which was November 1st. Mr. and Mrs. Alfred Selberg motored to Roscommon on Thursbly would be added to the proposed refunds.

Thomas N. Lacy, Michigan Bell president, declaring the company "is seriously disturbed by the unfavorable ruling," said it would not decide upon what future action to pursue until the opinion had been carefully studied. He said the general situation throws doubts as to the company's ability to continue its construction program at

present levels. While Judge Salmon said the rate reduction had to be decided on the basis of 1945 conditions, Lacy pointed out the company's return on its intrastate investment for the 3-year period averaged "appreciably less than 4 per cent" at a time of the "best business in the nations history." The return for 1947 and 1948 was below 3 per cent. He termed such earnings nelp growers with their big supply "completely inadequate."

"In effect," Lacy said, "the ability of the company to obtain adequate earnings has been limited in these good times and there can be no guarantee to uphold earnings to enclose two apple cake recipes in bad times. Such a return obviously falls short of that necessary to attract new capital so vitally needed for the improvement of the service to existing customers and to extend service to others on the waiting list.

"Having had confidence that it would be permitted to earn a easonable return on its investment, Michigan Bell has put more flour; 1/2 teaspoon baking soda; than \$200,000,000 into new plant and equipment since VJ-Day to meet demands of Michigan citizens for more and better telephone spoon cloves. To make: Cream fat, service. sugar and spices together. Add the

"This confidence has been realized and the company has serious doubts as to its ability to continue its construction program at present mixture. Beat well and pour into

levels." Lacy cited the company's coninued construction needs, pointing out that 19,000 families are waiting for service and 165,000 other 40 to 45 minutes. The recipe for families are walting to change their service from party-line to individual-line operation.

The 43 exchanges in which refunds would apply are Detroit, Bay City, Big Rapids, Benton Albion, Ann Arbor, Battle Creek, Harbor, Birmingham, Cadillac, Calumet, Center line, Cheboygan, Charlotte, Flint, Grand Rapids, Greenville, Hillsdale, Ionia, Iron Mountain, Ironwood, Iron River, Ispheming, Jackson, Kalamazoo. Lansing, Livonia, Manistee, Monroe, Mt. Clemens, Niles, Northville, Petoskey, Pontiac, Port Huron, Roseville, Royal Oak, Saginaw, St. Joseph, Southfield, Wyandotte, or pastry blender. Combine egg and Ypsilanti.

The opinion was handed down as Michigan Bell's application for a rate increase was still pending.

YOUR OLD TRUCK MAY TRADE FOR \$25 TO \$200 MORE THAN YOU THINK

THESE FOLKS MADE MONEY ON A FORD Why Don't You? TRUCK TRADE!

"My old truck was just about ready for retirement, so when I heard about the big trade-in allowances my Ford Dealer was making, I decided to deal. If I had was making, I decided to dear. If I had waited a few months longer, I would have had to take a couple of hundred dollars less for my old truck."—Roy Gigi.

When I decided to trade in my old truck, I did a little shopping around to see how good a deal I could make. The best deal was at Ford! My old truck brought me \$75 more from my Ford Dealer than it would have at three other -Ben Fleischman

"My old truck was facing some big repair bills: So, when I heard that my Ford Dealer was making big trade in allowances, I went down to see. In addition to a dandy allowance, I figure I made a fast \$200 on a Ford Truck trade. Used rruck prices were slipping so fast that in 90 days, the kind of truck I traded in was selling for \$200 less." —Leonard Doble.

"When I heard my Ford Dealer was making the best truck deals in town, I decided to check. I made up my mind on the spot, and I'm tickled pink I did. Used the last truck values have slipped in the last three months, so that I figure my quick thinking and fast action got me at least \$175 extra on a Ford Truck trade." -Andrew Ligeski.

"When he topped the best previous offer by \$100, my Ford Dealer proved he was making the best truck 'deals' in town. But that isn't all! I figure I made another \$150 by trading rather than waiting be-cause used truck values were slipping so fast."

KEEP UP THE GOOD WORK, CLARKSTON

The crowd is going wild, People tre yelling so loud the noise can be heard in Waterford. The noise, the people heard, was just Clarkston's pupils and other onlookers cheering as the Clarkston team comes running out onto the field. Yes sir, there's quite a few voices yelling. This year we have more school spirit than we have ever had. We also want to give credit to the town people who have come out by flocks to see our games. Seeing how the team knows the school is backing them up we're sure the team will fight hard for good old Clarkston High

CLARKSTON DEFEATS FRASER 13-7

Clarkston flootball team was anything but impressive for the first half of its games with Fraser, In the first few minutes of the game Clarkston had the ball on Fraser's six yard line but fumbled away its opportunity. Fumbles and penalties kept Clarkston from even getting close to the goal line the rest of the half.

In the meantime Fraser completed a long pass and followed this up by pushing over a touchdown. The extra point was made by a drop kick. Score at the end of the half was Fraser 7 Clarkston 0.

As the second half opened it immediately became evident that the Clarkston boys were a different club. The line began tearing large holes in the Fraser forward wall through which the backs made substantial gains. Eddie Olson carried the ball over for Clarkston's first touchdown, Just as the third quarter ended Clarkston took the ball on its own ten yard line and on a sustained drive saw Jacobs carry the ball for Clarkston's second touchdown. Olson plunged over for the extra point. As the game ended Clarkstion was just short of another touchdown.

Potter, Henry, Huttenlocher and Garnean looked good on the line while Jacobs and Olson looked good in the backfield. Shell at quanter did his best job of signal calling this season.

Clarkston plays Bloomfield Hills at their school this Friday.

Smith on January 3, 1912.

He attended a small country school outside of Grand Rapids. and then moved to attend a small school at Fort Worth, Texas. This was followed by Rockford High and then he moved back to his old home town, where he graduated from Union High.

Mr. Smith was a tool and die maker for seven years. Leaving this vocation he joined the Army and served for thirty months. He was a station master for the Railroad Attachment in such places as England, France, Belguim, Holland and Germany.

Upon returning to the United States, he attended Michigan State College and there he graduated in three years with Bachelor of Arts degree on September 3, 1949, and immediately began teaching at our school on September 6, 1949. This we think is quite remarkable.

Speaking of Bachelors, Mr. Smith does not come under this heading for he is quite a family man. He resides on Buffalo Street with his wife, Edna, and small baby, Darrell.

When interviewed, Mr. Smith stated that he likes all types, kinds, or anything which resembles food and his hobbies are golf, riding, fishing, and hunting.

He also attends a night class or mild psychology and guidance at a nearby high school on Thursday evenings.

Mr. Smith, we can only say that we are happy you are with us and hope you remain for many years to come.

OUR HAYRIDE

The junior class has been very active these past two months planning for a hayride and dance of modern and old-time styles which will be on November 4th from 7:00 - 9:00 for grades 9-12

the dence will be 42 cents for dents. students and 60 cents for adults. Refreshments will be served at the dance and a good time is Donald Dawley.

We are also selling refreshments at all home games and have been doing so the past three weeks. We have made a profit of \$49.18 under the able leadership of Evelyn Mc-Crum.

At our meeting on Thursday we elected Mary Beattie, Joice Carte, and Beverly Covert to the Yearbook staff.

We are very glad that our class rings arrived this week as we have been waiting for them since last spring.

ROSE SARVIS ELECTED

PRESIDENT OF CLASS "53" At a recent election held by the Freshman class, Rose Sarvis was elected president of the group. In the office of vice-president is Dan Curry, Ann Spohn is secretary and John Stageman is treasurer. The two Freshman who are representing their class on the student council are Terry Brown and John Stageman, Martha Masters, Bill Sutton; and Terry Brown are representing the class on the staff of the Yearbook, the high school

nnual. Dave Vincent, class president of last year, planned a very nice "get acquainted dance" which was held September 23 in the school auditorium. There was a formal reception line consisting of the principal, Mr. J. Quick, faculty members and last year's class officers. Mr. Melvin Stabler furnished organ music for dancing. There was a good turnout and a good time was had by all who

Well here I am again with all the latest in line of gossip and news from good old Clarkston

It seems that the pep meetings are getting into the news more and more as the school spirit increases. In the pep meeting last

Hearing a large amount of racket down the hall during Teachers Institute, I slowly wandered down to the Home Ec. room. Here I saw a group of men working like mad to reshuffle, the Home Ec. room, the fitting room and the tool room so that it will turn out to be a larger Home Ec. room with a small room for second grade pupils. My, what a mess!

Speaking of messes you should have seen some of the boys and girls as they returned from the tomato fight. There is only one Chevrolet in Clarkston with a for the second time for the atten- tomato colored dashboard. Ay! Bob and Ed?

Last Tuesday night it seems like everything happened at once. First at the school there was band practice, senior play practice and a committee of juniors supposedly painting posters but the larger part ended up as beards on Jim Smith and Chuck Henry, Mary Lou Althouse was also an article of

lecoration. After I tired of watching these okers sling paint, I proceeded up the stairs to room 202 and found the seniors at work in play practice. Watching Mr. Heimburger's demonstrating to the boys is more fun than even watching these

cards themselves. Also on Wednesday night it seems that Terry Brown had a red hot party, scheduled. Being unable to make it myself, I sent my cousin Herbie to get the news. He brought back the following report: food good, cider good, donuts good. I guess that Herbie

needs a little more training as a gossip columnist. If I had been there I would have noticed the latest in the line of couples and romances, Speaking of romances, I heard

two hall guards talking about the of the present year. Mr. Heimnew Hank Shell — Arlene Urick— Dick Guerin triangle. Who is it Arlene? I happened to stumble upon

a mass meeting of senior and junior boys yesterday. It seems that they were taking up a collection to buy "Jitters the Great" a stronger pair of glasses. Reason the girls that he finds down in Waterford and describes after football practice in the booth never come up to his descriptions when they are seen by the other players. Well there isn't anymore news to put in this week's paper so 'll sign off for now. Yours sincerely,

Kenny The Cockroach

The eighth grade history class has been having some fun, too. Miss Murphy, their teacher, has instructed them to make notes on their history chapters. And, or course, they did it. But then she coming along very well, three of said, "Now you can really have some fun. You can make projects. You can make maps, colonial pictures, anything, but you have to make something." So the kids got busy. Chere Littleson made a setting of Balboa discovering the Pacific. Well done, Chere.

Raised plaster maps were made by several boys and girls. They showed the explored and unexplored parts of what is now the United States about 300 years ago. They are also studying about the days of the pillories, the dunking chair, and witchcraft.

Seventh Grade Science The Seventh grade science class under Mr. Quick has been studying rock formations. They have been shown colored slide pictures of rocks. Mr. Quick says, "they are also studying about how the earth was formed". It's all very interest-
