CLARKSTON, MICHIGAN, THURSDAY, DECEMBER 8, 1949

NUMBER 15

Clarkston Wins Over Oxford Tuesday Night -- 47 to 26

Clarkston opened the contest in very impressive fashion and had a 10 point lead at the end of the first quarter. The Oxford defense was slow in getting set and Clarkston took advantage of several fast breaks. The score at the end of the first quarter was Clarkston 14, Oxford 4.

In the second quarter the Clarkston attack fell apart and the Oxford defense stiffened. The Oxford offense also began to roll. The result was that Clarkston was greatly outscored. When the teams left the floor at the end of the half the score was 18 for both schools.

The third quarter Clarkston was able to pick up a 4 point lead; however, it was still anybody's ball game.

In the fourth quarter came the big blowup. The Clarkston offense really began to click and 18 were rolled up. House found the basket and made 9 points. Meanwhile Oxford was able to pick up but 2 points. The final score was Clarkston 47 Oxford 26.

Oxford had won two games before meeting Clarkston. It was Clarkston's first win in two starts. House was high point man of the game with 15, closely followed by Bob Olson with 14. Lewis was high for Oxford with 10.

Obituaries

LEROY MILLIARD GIBBS

LeRoy Milliard Gibbs passed away from a heart attack, on November 22nd at his home in Waterbury, Connecticut. He had been ill about three weeks. The funeral service was held the day after Thanksgiving.

He was the oldest son of William and Phoebe Milliard Gibbs and was born near Clarkston on November 8, 1879. He attended the Oak Hill School and graduated from the Clarkston High School. He has been in the insurance business for many years.

Besides his widow, Ida, two sons and two daughters, eight grandchildren and one sister, Mrs. Estelle Graham, of Detroit, survive.

JAMES R. BATES

James R. Bates of 4880 Sashabaw Road passed away suddenly on Tuesday, December 6th at the William Wilson home.

He was born November 27, 1896 in Louisville, Kentucky.

Surviving are his wife, Lena; two sons, Carl of Clarkston and Jack of Cedar Rapids, Iowa; one daughter, Lucile Bates of Pontiac; his mother, Mrs. Ida Mae Bates of Rensselaer, Indiana; five grandchildren; two brothers, Levin Bates of Rensselaer, Indiana, and Lytle Bates of Harrison, Michigan; and two sisters, Mrs. Della Yoder of Peoria, Illinois and Mrs. Margaret Bramhall of Ortonville, Iowa.

A funeral service will be held at the Sharpe Funeral Home in Clarkston on Thursday, December 8, at 2 o'clock. The body will be shipped to the Wright Funeral Home in Rensselaer, Indiana, where services will be held on Friday.

Board Members Attend Workshop

Paul L. Henry, Ronald Weber and Walton Robbins, members of the Clarkston School Board and Wallace A. Ridgley, attend a Conference-Workshop in Ann Arbor on Tuesday. The conference was held in the Rackham Building on the University of Michigan campus. This conference was for the members of all school boards in Michigan and was aimed at teaching the members how to better serve their communities.

Auxiliary Meets With Mrs. B. Mann

On Tuesday evening the Ladies' Auxiliary to the Campbell-Richmond Post, American Legion met at the home of Mrs. Bartlett Mann with Mrs. Clark Souby as co-hostess. At the close of the evening they served dainty refreshments.

At the meeting Mrs. Clark Souby, who was appointed to purchase gifts for the disabled veterans' Christmas Gift Shop, displayed the gifts. She had 12 useful gifts to be mailed this week.

Mrs. W. H. Stamp's name was drawn for attendance. There will be \$3 in the attendance fund for the next meeting.

The monthly bake sale will be held at the Township Hall on Friday, Dec. 9, at 4:00 P. M. The receipts from these sales go into the building fund.

The Auxiliary would appreciate donations of useful clothing for children and adults to be used for needy families at Christmas time. If you have clothing to donate please call Mrs. Al Kinsey, Clarkston 4271 and she will be glad to pick it up.

The Ladies of the Auxiliary made 14 rag dolls and Mrs. Clark Souby made a rag rug to be mailed to the Otter Lake billet for the children's Christmas.

The next meeting will be held on January 3rd, at the home of Mrs. Raymond Jarvis with Barbara Jarvis as co-hostess.

Calling Members Of 101st Airborne Div.

The Detroit Chapter of the 101st Airborne Division Association announced today that there are over 300 former members of the Division residing in Michigan who cannot be found. Even with the assistance of the Army, the Veterans Administration and the Red Cross, they have been unable to locate these men.

According to John Gabor, Secretary of the Detroit group, Army records do not show these men as members of the 101st Airborne Division because they were wounded and their records transferred to the hospital, or because their home addresses given were those of relatives - many of which were in other states.

"We are anxious to hear from these men as soon as possible," ex-sergeant Gabor stated. "On December 22nd, we are having a dinner and reunion to mark the 5th anniversary of that cold day in 1944 when General McAuliffe replied 'Nuts!' to the German demand that we surrender Bastogne. We want these men to attend, and we won't count the reunion a success unless they are able to do so."

Ex-members of the 101st are asked to write the Nuts Club, as the Detroit Chapter of the 101st Airborne Division Association is called, at 17148 Dresden Avenue, Detroit 5, Mr. Gabor also pointed out that veterans of the 705th Tank Destroyer Battalion and Combat Command B of the 10th Armored Division are also invited to communicate with him.

"While their outfits didn't get as much publicity from the siege of Bastogne as we did, they were a part of the team and fought right along with us in the successful defense of that position. So, we want them with us on December 22nd."

Clarkston Locals

Baptized in the Methodist Church last Sunday was Stephen Hartley McGill, son of Mr. and Mrs. Eugene H. McGill. Mr. and Mrs. J. L. Loche, brother and sister of Mrs. McGill, are the Godparents.

The friends of George Slayton of Otter Lake, formerly of Clarkston, will be glad to learn that he is recovering and is able to be about after being kicked in the chest by a horse. When the accident occurred Mr. Slayton felt that he was seriously injured and wondered how he could summon help. He crawled as far as the gate and could go no farther. The dog ran back and forth to the house and barked. Finally Mrs. Slayton wondered what he was barking so much for and went to investigate. She found Mr. Slayton and called the doctor.

Christmas Dinner Enjoyed Saturday

Last Saturday evening the American Legion and Ladies' Auxiliary of Clarkston enjoyed their annual Christmas dinner in the Rotary rooms.

There were eighty-five sat down to a delicious turkey dinner served at tables decorated with Christmas candles. The places were marked with small candy canes.

Following the dinner Barbara Boardway sang several Christmas carols with Mrs. Max Souby at the piano. She also led in group singing. Mrs. J. D. Powell, president of the Ladies' Auxiliary, thanked Mrs. Bartlett Mann and Mrs. Clark Souby who were in charge of the dinner, and those who helped in any way to make this annual occasion a success.

Later in the evening the group had a good time playing card games.

Rotary Club News

At the meeting of the Clarkston Rotary Club on Monday night, a round table discussion was held on what Rotary meant to the different members. It proved to be very interesting.

Guests at the meeting included: Vern Borst, Ray Barriock and Keith White of the Ortonville Club; Tom Corbin and Ed. Lamberton of the Waterford-Drayton Club and Jim Price of the Oxford Club.

The venison for the dinner was furnished by Dr. Don Stackable and was roasted to perfection by Bob Parker. The ladies who were in charge of the dinner were: chairman, Mrs. Gardell O'Dell; Mrs. Carrie Walter; Mrs. F. L. Spooner; Mrs. Leslie Shanks; Mrs. Adele Thomas and Judy O'Dell.

Clarkston Locals

The date of the Rotary Ann's Christmas Party has been changed to Tuesday evening, December 20th.

Last Sunday the Methodist Sunday School recognized the birthdays of Susie Johnson, 8, and Bobbie Yahnke, 12 years old.

A guest for a few days at the home of Mr. and Mrs. William Sharpe is their little grandson, Robert Linman, of Fowlerville. He will stay in Clarkston until his mother returns home from the McPherson Hospital in Howell with his little sister, Janet Marie, who was born last Monday evening.

Service Mothers To Have Party

The Mothers' Service Club will hold their regular meeting and Christmas party at the home of Mrs. George Keelean, 8774 Dixie Highway, on Thursday, December 15th. There will be a pot-luck luncheon at 12:30.

Each member is requested to bring a fifty cent gift for exchange.

Andersonville News

The Reverend G. H. McGeheen of Royal Oak filled the pulpit in the Andersonville church last Sunday in the absence of the pastor. On Sunday, Dec. 11, the Reverend Harold Bate, Camden, N. J., who is a former pastor of the Andersonville Church will bring the message.

The Baters are in Michigan on business and this community is happy to have them for a visit.

A card had been received last week from Rev. and Mrs. Doyle saying they were enjoying such temperature as allowed shirt sleeves and only a sheet for covering at night. They had burned out a bearing and were waiting to have it repaired.

H. J. Johnson Made Worshipful Master

On Thursday evening of last week the Cedar Lodge No. 60, F. & A. M., held the annual meeting and election of officers. The following will be installed at a public installation on Wednesday evening, December 14, at eight o'clock: worshipful master, Howard J. Johnson; senior warden, Arvil T. Williams; junior warden, Lloyd L. Anderson; treasurer, Alfred E. Lee; secretary, Floyd Andrews; senior deacon, Edmund Bunyan; junior deacon, Elgan Wood; elected stewards, Charles Moore and Richard Snover; tiler, Emil Grischow. Appointed officers include: chaplain, Roy Conrad; stewards, Victor Kutchins and Raymond Ruggles; marshal, James Hoke.

The following past masters of Cedar Lodge will preside at the installation ceremony: installing officer, Claire Hopkins; installing marshal, Frank Petty; installing secretary, Elmer Going; installing chaplain, Roy Gundry. The guest organist will be Mrs. Elmer Going.

The date of the Methodist Men's Club meeting has been changed to Wednesday, December 21st.

Box Social At Fair School

The Mothers' Club of Fair School is sponsoring a Box Social on Saturday evening, Dec. 10, at 8:00 P. M., at the school house, White Lake and Teggerdine Roads.

Children are welcome to attend but must be provided with a box. These will be auctioned separately.

There will be fun for all.

This social is being given as a benefit for the school.

Waterford-Drayton Rotary Club News

Dr. Marbach of Pontiac spoke to the Waterford-Drayton Rotary Club on Tuesday on "Community Service". Dr. Marbach has been active on the Community Service Committee in his own Club in Pontiac and was able to give helpful information on its workings.

Guests at the meeting included Garnet E. Poulton and William H. Stamp of the Clarkston Club.

Birthday songs were sung for Ed. Fuller and Don White.

Frank Williamson won the jack-pot on his two minute talk on a subject from the Rotary magazine.

Over Enthusiasm Makes Work

On Tuesday of last week 480 pounds of used clothing was packed for shipment for Lutheran World Relief in Europe. This project was sponsored by the Sunday School of Christ Lutheran Church.

One little boy got over enthusiastic and put in his good suit hat. His mother had to open and re-pack 9 boxes before the cap was found.

Winter Arrives December 21

Interest in astronomy reaches its highest peak each December, according to Dr. Hazel M. Losh, assistant professor of astronomy at the University of Michigan.

The official arrival of winter, the appearance of some of the most beautiful stars in the heavens and the never-ending mystery of the Christmas star help to arouse the interest of both the amateur and professional astronomer, she reports.

For the record, winter will arrive officially at 11:24 p. m., on Wednesday, December 21st, when the sun enters the winter solstice. The shortest day of the year occurs then but this also means that the sun will be heading northward again after dropping more than 23 degrees south of the equator.

"The mystery of the Christmas star stirs men's thoughts and imagination," Dr. Losh says. "Everyone is familiar with the story of how a bright star directed the wise men, bearing gifts for the newborn Christ, to Bethlehem. But the astronomical information is too incomplete and the date and early calendar too uncertain for any definite conclusions to be drawn as to the identity of this star."

Venus is mentioned most frequently since it is in a favored position for the Christmas season, the University astronomer reports. During the month, Venus will be a "miraculously beautiful and brilliant" object in the southwest twilight and will reach its greatest brilliance on Christmas night.

(continued on page six)

Community To Have Reserve Garden

Mrs. J. E. Weighell and Mr. and Mrs. Lloyd Mege of Holcomb Street have offered the use of the property directly back of their home, at the corner of Madison Court and Church Street, for a transplanting and holding garden for the Clarkston Community.

All who have extra perennials, shrubs or small trees are urged to donate them. Anyone who has shoots of Persian or French lilacs is especially urged to donate them so that bushes can be growing to be transplanted later. It is hoped that many fine lilacs, because finer varieties have larger and more brilliant blooms, will be planted by the residents of Clarkston. If Clarkston can become lilac conscious, in a few years the town will be outstanding in its beauty. In having a reserve garden or nursery, shrubs and flowers can be given for public and private use in beautifying the village. Everyone is urged to cooperate and plan to give something nice for the community garden in the spring so that all may benefit later.

Missionary At Waterford Church

Mission work in Arabia, including Aden and the Somalilands will be presented next Sunday at the Waterford Community Church by Mr. H. Warren Modricker.

As guest speaker at every service on the quarterly Missionary Day program, Mr. Modricker, who has recently returned to the States on furlough, will tell of his experiences as he has followed the command of Jesus to "go into all the world and preach the Gospel."

Services will be held at the regular times, with Sunday School beginning at 10:00 A. M. and the morning worship at 11:15.

In the evening, after speaking to the young people at 6:15 the closing service of the day will be held at 7:30. At this service the message will be illustrated with films depicting the actual work of presenting the good news of salvation on the field. Pictures from the cities of Crater, Aden, and Djibouti, including views of Ethiopia will be shown, and a stirring challenge to increase missionary activity will be presented.

Waterford

Mr. and Mrs. Victor Lindquist attended the Orpheum Cinema to see "Hamlet". Friends of Betty Jencks will be sorry to hear that she is confined

to her home with virus pneumonia. Mr. and Mrs. Arthur Walter have moved into Mrs. Agnes Flickinger's house which they purchased recently. The members of the Lutheran Church Sunday School gathered

480 pounds of usable clothing to be sent to Europe through the Lutheran World Action. Wednesday, December 15, Mrs. Harry Harrup will entertain the Birthday Club in the form of a Christmas party. The meeting will consist of a play and a dinner at noon. There will be an exchange of fifty cent gifts. Loretta Hall, young daughter of

Mr. and Mrs. Harvey Spaetzle underwent a mastoid operation at the St. Joseph Mercy Hospital in Pontiac last Wednesday. Mr. and Mrs. Harvey Spaetzle moved to Maceday Lake recently from their home on Airport Road. The speaker at the 11 o'clock service at the Christ Lutheran Church on Sunday will be the Reverend Harry Wolf, executive director of the Lutheran Charities. This will be a communion service and will be the last one until after the Christmas season.

the daily instances of mastitis infection over a period of three years had been decreased from 20 cases to from zero to 3 cases a day. To get these results, two men to the milking with one man weighing, stripping and feeding, and the other man washed udders, waits about a minute and applies the milking machine, working with two units. Separate cloths are used on each cow and a chlorine solution is added to warm water to disinfect the udder. Everett believes that one man can handle one milker and do

his own stripping and weighing of milk. From the looks of the results on his herd, it would pay any farmer to plan his milking program, not only to save time, but to cut down mastitis, which is costly in terms of milk production.

CLASS NEWS
The Freshman Class is sponsoring a dance "The Snow Ball", which will be held December 21 from 9 to 1 o'clock. Don Smith's five piece band will provide the music. Get your tickets from the freshmen.

The Juniors sold hot dogs and soft drinks during the football season and will continue this project through the basketball season. Since the middle of September the Seniors have been selling candy and school supplies every noon hour.

STUDENT COUNCIL NEWS

The Student Council is busily trying to get the best possible programs for assemblies at a minimum cost to the students. A Christmas program is now being planned.

SENIOR SKETCH

Caroline Beardley, born November 29, 1931, is one of our pleasant seniors. Holly, Michigan was the first residence of Caro-

line; shortly afterward she moved to Andronville, and in the third grade she came to Clarkston.

Caroline is five feet, five inches tall and has medium blond hair and slate blue eyes. She likes her fiance. She dislikes the expression "sure". We have heard that Caroline has traded her school ring for a diamond solitaire. By the way she is to be married in June.

Caroline, a shy and quiet senior, will always be remembered for her smiling face.

MEET "CHUCK"

In Paris - not France but Kentucky - the dynamic "Chuck" Collins was born on October 27, 1932. At the young age of eight the Collins family moved to Rochester, Michigan, where our young automobile enthusiast went to school through the fifth grade.

Clarkston opened wide the doors to admit "Moe" as he was then dubbed. He has attended Clarkston during the rest of his high school career. He maintained all "A's" up to the ninth grade where his interests varied to a broader field which included girls, girls and more girls, and last but not least, cars.

When asked what his pet peeves were "Chuck" replied, "Slippery roads, big trees, and the law enforcement department". These he always seems to encounter on his nightly jaunts in his '36" Chevrolet. His favorite likes are Beverly and late hours.

Chuck is a handsome seventeen year old senior standing 5 feet 10 1/2 inches, weighing 147 pounds, and having dark blond hair and hazel eyes.

After graduating, Chuck will continue working at the Village Market helping the ladies with their groceries.

KENNY THE COCKROACH

Hi there, Folks:
Well, here I am again with the latest gossip from good old Clarkston High.

Of course the big news last week was the successful completion of an eating marathon by Dale "Jitters" Jacobs. It seems that a few nights ago "Jitters" entered Sy's and mentioned "that he felt so hungry that he could eat five banana splits. Part of the cast provided the money for them on the agreement that Jake would pay for all that he had eaten if he didn't reach the limit of five. Jake returned to school the next day a sad but wiser lad.

Well by now the Senior Play is all over but I must tell you of some of the exciting happenings of the many long weeks that the seniors have been practicing. I witnessed the fight that didn't happen between two of the cast. Then, best of all, from my private box I could watch Mr. Heimburger show the cast how to act their parts. He's worth more to see than the cast will ever be worth.

Well, Chuck Henry, I hear that you found the grass greener on the other side of the fence - Ortonville, that is son! However, I hear that on your first date you ended up

climbing trees with Chuck Collins on Waterford Hill.

Well, if there is anything more of unimportant goings on that I haven't heard of, you can reach me in the same old haunt, the show case, I'll have to close this week's letter now.

Your friendly gossip
Kenny

FIFTH GRADE NEWS

We want to thank the P. T. A. for making it possible for us to take dancing lessons Monday noons. We like it very much.

In Geography and English we are making a "Natural Wealth" Exhibit. We discovered that we are living in a very wealthy part of our country with so many raw materials, industrial centers and several means of transportation available.

We should be able to do our own Christmas shopping this year because we are learning how to make change with real money.

In English class we learned how to write business letters. To make them really interesting we sent to both Lansing and Washington, D. C. for several interesting booklets. We also sent to Louisiana for samples of sugar cane, cotton seeds and a cotton boll; all we lack is the boll weevil but we found out about them in our encyclopedia. We are glad to get our mail these days.

BRIGHT PROSPECTS FOR THE TWIN COUNTY CHAMPIONSHIP

Basketball is here again with its good, clean fun, and exciting games. We hope to win the league championship again this year. This season we will not have much stiff competition in the Twin County League. However, the non-league games which "Doc" Thayer has scheduled will provide plenty of thrills for those who demand competition all through the season.

The season opened last Friday at Walled Lake with five members of last year's first team and some new recruits.

The cheerleaders were all dressed up in their new blue and gold gabardine shirts.

Here's a toast to the team and

the school—GOOD LUCK FOR ALL THE SEASON.

WOLVES LOSE FIRST GAME

The first half of Friday's basketball game spelled defeat for the Clarkston team. The fast moving Walled Lake team got the "jump" on the Wolves at the start with the score at the half at 25 to 7.

When the "Wolves" returned to the floor after the half, they looked like the smooth working team which won the Twin County Championship last year.

Even with the improved team, the clock ran out before they could prove themselves a menace to the Walled Lake team.

The starting line-up was: Ed Olson, Bob Olson, Clark Rouse, Cecil Miller and Dale Jacobs.

The leading scorers were Clark Rouse and Ed Olson with eight points apiece. Final score, 43-34.

HAVE YOU NOTICED THE NEW ADDITIONS TO OUR SCHOOL?

Well, first of all we have a new duplicator in the office which lessens the amount of work that Mrs. Jarvis has to do. Then there is the brand new built in blackboard which has been put in Mr. Weiss's room. As you know the old shop has been divided into two English rooms for Miss Murphy and Mr. Weiss.

Webster's geographical dictionary has been placed in the high school library. It contains more than 40,000 entries, 177 maps, and information covering all the world's important places. The order for new books in the library is not completed, but 150 books have already been ordered.

As everyone has noticed, the rims of the basketball nets have been painted orange in accordance with the rules of the State Athletic Association.

New black curtains are being put up in the large English room so small groups may go in and see educational movies.

Note girls: From a very reliable source I hear we are to have two new boys in school. The Seniors girls may take notice of this as there are two girls to every boy. Three Seniors have "dropped out of school" far. Birdie Lou Cross-

Marriage; Jesse Boatright-U. S. Army Air Force; Phyllis Marks-Marriage.

Enough for high school. Let's switch to the grade side; we find over forty badly needed new International Desks. They're very streamlined and really brighten up the second grade room.

TEACHER OF THE WEEK

One of the unknown teachers to members of the Senior High School student body is Mr. Weiss, who spends the whole day in the back section of the old shop. He teaches math, and science to a group of seventh graders.

Mr. Weiss was born "many long years ago" in Georgetown, Colorado. He was educated at the University of Denver and Michigan State College; he is at present time taking an extension course from the University of Michigan.

He says that Clarkston is one of the best schools in its class that he has seen. However, he says that there are many things such as equipment and books lacking, which could make a teachers job easier.

He says that his major "gripe" about Clarkston concerns its drinking water. Mr. Weiss says

that it is so hard that it's just like drinking rocks.

**FOR LASTING GIFTS
...GO ELECTRIC!**

Your appliance dealer or Edison office will help you select the right gift for every friend and relative. Electric? ... of course! Here are a few quick suggestions:

ROASTERS AND ROASTER OVENS

You get all the advantages of modern electric cooking with one of these "Electric Kitchens." Flips in anywhere, keeps food hot for hours. Cooks complete meals for as little as 8. Priced from \$39.95 to \$59.95.

MIXERS

You can't beat an electric mixer for saving time and trouble. Good for hundreds of appreciative ones. \$34.95 to \$57.50.

TOASTERS

Smart-looking electric toasters. Edison has a wide variety of makes and models. Toasters from \$5.95 to \$22.95.

CLOCKS

Choose a handsome, reliable, noiseless clock for Christmas giving. Edison has wall, mantel and table models—some with alarms and illuminated dials. \$3.98 to \$32.00.

ELECTRIC BLANKET

A nationally famous brand that makes warm friends—and keeps 'em warm—no matter what the weather. A bargain for \$49.95.

HAND IRONS

Streamlined, lightweight hand irons to lighten housework. Easy to use for steam or dry ironing. \$7.95 to \$19.95.

COFFEE MAKERS

These glass-and-chromium plated coffee makers turn out wonderful cups of coffee, brewed easily, quickly, right at the table. Most priced from \$9.95 to \$32.50.

Prices without Sales Tax

These and many other appliances will be on display right up to Christmas at every Edison office—as well as in hardware, department and appliance stores. For your convenience Edison offices are open until 5 Monday through Saturday.

DETROIT EDISON

REDDY KLOWATT
Your Electric Servant

ADD VARIETY TO SIMPLE RECIPES THESE EASY WAYS

If your cooking problem is finding recipes for two people or just thinking of new ways of fixing simple basic foods these suggestions from Pearl Jackson will give your menus some added zip.

Miss Jackson, who has worked with planning means for the women's dormitories at Michigan State College for some time, first suggests some possibilities for a simple vanilla pudding recipe.

With a double recipe you can make four different desserts. A pineapple pie to serve guests, too, can be made by using 2 and one-half cups of the pudding with 1 cup drained crushed pineapple. Use one-half cup to make a Boston cream pie on another day.

For a third dessert mix 3 tablespoons cream or milk with three-quarter cup of the pudding and add either sliced bananas or orange sections. Top with plain or toasted coconut. Use one-quarter cup of cream filling blended with 2 tablespoons cream to make a sauce for a dessert of gelatin cubes or whipped gelatin.

A recipe for plain yellow cake offers a basis for a variety of cup cakes. A recipe which yields 2 layers will make 18 to 20 cup cakes or one layer and 8 cup cakes. For chocolate cakes use one-half cup of batter plus one-half square melted chocolate and one-sixteenth teaspoon soda.

For other variations add 2 tablespoons chopped and drained maraschino cherries to 6 tablespoons batter or add 2 tablespoons chopped nuts to 6 tablespoons of the batter.

Or try pouring one-half cup of the batter in custard cups with 1 tablespoon crushed pineapple, 1 teaspoon brown sugar and one-half teaspoon butter in the bottom of the cups.

bate Court for the County of Oakland. At a session of said Court, held at the Probate Office in the City of Pontiac, in said County, on the 22nd day of November A. D. 1949.

Present: Hon. ARTHUR E. MOORE, Judge of Probate. In the Matter of the Estate of Ellen T. Giass, Deceased.

Fred J. Beckman, Administrator of said estate, having filed in said Court a petition praying that the time for the presentation of claims against said estate be limited and that a time and place be appointed to receive, examine and adjust all claims and demands against said deceased by and before.

It is ordered, that two months from this date be allowed for creditors to present claims against said estate. It is further ordered, that the 6th day of February 1950 at nine o'clock in the forenoon, at said Probate Office, in the County of Oakland, Michigan, be and is hereby appointed for the examination and adjustment of all claims against said deceased.

Mr. Robert Brien speaking.

"God the Preserver of Man" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, December 11.

The Golden Text (Isaiah 31:5) is: "As birds flying, so will the Lord of hosts defend Jerusalem; defending also he will deliver it; and passing over he will preserve it."

Among the Bible citations is this passage, (Isa. 25:9): "And it shall be said in that day, Lo, this is our God; we have waited for him, and he will save us."

Correlative passages to be read from the Christian Science text-book, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following (p. 106): "God has endowed man with inalienable rights, among which are self-government, reason, and conscience. Man is properly self-governed only when he is guided rightly and governed by his Maker, divine Truth and Love."

HOMEMAKERS NOTES
by Mrs. Josephine Lawyer
Home Demonstration Agent

STEAM PRESSURE NEEDED FOR SAFE CANNING OF MEAT
Home-canned meat on your storage shelves will help spread your meat supply throughout the year and will be a wonderful time-saver on busy days.

Directions given by Michigan State College home economists for canning meat safely and holding food value and flavor will help you to can successfully.

Beef, veal, mutton, lamb, pork and rabbit may be canned at home, and so can poultry. Meat mixtures are not recommended for home canning. These include chile con carne, stews, or soups made with cereals and vegetables.

For safe canning, meat must be heated through and through in a steam pressure canner. A boiling-water bath, an oven, a steamer without pressure, or an open kettle will not heat the meat hot enough to kill bacteria and the meat may spoil or cause serious food poisoning. If you don't have or can't borrow a steam pressure canner preserve the meat by curing or freezing.

After the animal to be canned has been butchered, it should be chilled at once and kept chilled until canning time. Chilled meat is easier to handle and calls for refrigeration or for weather that can be counted on to keep the meat at 40 degrees or lower. Meat

Kroger
A Friend in Need

Piloting his truck over a deserted road late at night, Kenneth Kerr, Kansas City Kroger driver came upon an injured man near an overturned truck. Kerr stopped, gave first aid, carried the victim to a nearby farmhouse, and called an ambulance. The injured driver recovered and Kerr received Missouri's "Driver of the Month" award. Courtesy and helpfulness are watchwords for every Kroger driver.

Remember YOUR HOME NEWSPAPER

All matters handled through the Probate Court require a certain amount of legal publication in one of the county papers. Foreclosing a mortgage entails publication of the foreclosure notice in a county paper.

Either the probate court officers or your attorney will have your legal publication carried in The Clarkston News if you request it.

We solicit the privilege of carrying such legal publications. This form of advertising is valuable to us. When you support us in this way we are able to give you a better paper each week.

Winter Arrives December 21

"Besides Venus, a bright meteor, a bright comet, a new star or nova or an unusual grouping of two or more planets have been suggested as other possibilities as the Christmas star 1,949 years ago," Dr. Losh says. This year,

Venus passed just to the south of Jupiter on the night of December 6, providing an unusual attraction in the heavens.

While there will be many beautiful stars in the December sky, Dr. Losh calls particular attention to the Northern Cross which will be standing upright in the west at around 9:00 p. m., on Christmas Eve.

ALLEMAN SAYS PUBLIC OPINION STILL LARGELY DETERMINED BY PRESS

Public opinion is still largely determined by the newspapers, Gene Alleman, secretary-manager of the Michigan Press Association told journalism students at the University of Michigan.

And that opinion is based on the news story turned in by the reporter, Alleman said in the first of a series of lectures on "Dyna-

mics of Today's Newspapers" sponsored by the Department of Journalism. The reporter is still the heart of any newspaper. He said newsmen must separate their primary responsibility of accurate news reporting from their secondary job of interpreting.

HOMEMAKERS

By Mrs. Josephine Lawyer Home Demonstration Agent

CHECK YOUR STITCHES

Do you know how to check your sewing machine so that it will sew perfectly when you start out on a new piece of material? Always practice first on a scrap of the fabric to set the tension and length of stitch just right.

Fold the test material and sew on the straight of the grain. Then examine the stitch carefully on both sides of the material, suggests Josephine Lawyer, home demonstration agent. If the stitch is not the same on both sides, the tension must be adjusted. Remember that

it is easier to adjust the upper tension than the lower one.

If the stitching is flat on the top — loops of bobbin thread showing and the top thread straight — the upper tension is too tight. Loosen it by turning the screw so that it is further out from the head of the machine. Repeat the test until the stitch is correct.

If the stitching is flat on the bottom — loops of the upper thread showing and the lower or bobbin thread straight — the upper tension is too loose and should be tightened. Tighten the tension by turning the screw so that it is closer to the machine head.

Good stitching means serviceable and good looking garments. If tensions are unbalanced, seams tend to pucker or draw, causing stitches to break.
