CLARKSTON, MICHIGAN, THURSDAY, JANUARY 5, 1950

Fathers' Night At P. T. A. Meeting

Thursday night, January 12th, will be Fathers' Night at the Clarkston P. T. A. meeting. The father-vice president, Roderick Muma, will have charge of the program, which is usually an interesting surprise, and he will be assisted by William Ladd and James Quick. Refreshments will be served by the fourth grade room mothers with Mrs. Roderick Muma, Mrs. R. A. Weber, Mrs. Louis Gillis and Mrs. Ivan Norgrove in charge. Plan to attend this P. T. A. meeting. It is usually one of the outstanding meetings of the year.

County Society To Meet Tuesday

The third general meeting of the Oakland County Chapter of the Michigan Society for Mental Hygiene will be held on Tuesday, January 10, at 8 p. m. in Christ Church, Cranbrook, Bloomfield Hills.

The speaker will be Peter A. Mantin, M. D., psychiatrist, Detroit, who will address the group on the subject, "Hostility and Mental Health in the Family". Today no more vital topic in the structure of our personality could be chosen for discussion than that of hostility. The public is invited to attend this meeting.

Clarkston Locals

The Methodist Sunday School recognized the birthday of Frances Hancock, 10, on Sunday.

Ralph Powers and children, Pollyanna and Robert, have returned after spending over the holidays in Zephyr Hills, Fla., with Mr. Powers' parents.

Bobbie Boucard, 5 and one-half year old son of Mr. and Mrs. Joseph Boucard, was taken to St. Joseph Mercy Hospital on Monday with acute rheumatic fever. The latest report is that he is improving slightly.

Friends of the Harry D. Waggeners will be glad to hear that Mr. Waggener is home from St. Joseph Mercy Hospital and although he is not able to return to his work he is able to get around a little. Little three year old Judy Ann who has been in the TB Sanatorium with meningitis for the past five weeks, and is still confined there, is a little brighter. In fact her folks have been quite encouraged these past few days.

Pvt. Edward Craft, Jr., son of Mr. and Mrs. Edward Craft, who is stationed at the Air Corps Hospital at MacDill Field near Tampa, Fla., writes that he received a lovely Christmas package from the Service Mothers of Clarkston. It was most acceptable at this time of year and he sends his thanks to this thoughtful group. He expects to be released from army duty some time this month.

Bake Sale Tomorrow

The Clarkston Legion Auxiliary will hold a Bake Sale at the Township Hall on Friday, January 6th, at 4:00 o'clock.

Auxiliary Plans Future Activities

The Clarkston Legion Auxiliary held its January 3rd meeting at the home of Mrs. Raymond Jarvis with Barbara Jarvis as co-hostess. Following the business meeting, light refreshments were served. A Christmas box for the American Legion biller was packed and mailed. It contained 24 dolls, a rag rug and several miscellaneous toys. The Auxiliary is grateful to Mrs. A. B. Wompole for the toys and dolls she contributed. Mrs. Al Kinsey, children's welfare chairman, delivered all of the children's clothing to several needy families. The Auxiliary is still interested in collecting children's clothing as it is needed the year around.

Equador was chosen as the Pan-American project for 1950. Mrs. W. V. LaPlante volunteered to make a scrapbook for this project with the help of material gathered by the organization.

Mrs. Thomas Waid was appointed Poppy Chairman. She will be assisted by Barbara Jarvis.

The next meeting will be in the Clarkston Rotary rooms on February 7th, when the Legion and Auxiliary will join for a pot-luck supper at seven o'clock. Mrs. Charles Beach will give a talk on "Americanism" at this meeting.

Mrs. Robert Osgood has been appointed budget finance chairman of the Clarkston P. T. A. to fill the vacancy caused by the resignation of Mrs. James Talmage. Mrs. George Lawson will now be the publicity chairman.

New Phone Service Starts Sunday

When telephone subscribers here wake up Sunday morning they will find their "exchange has grown over-night."

District-exchange service permitting direct calls without toll charge to certain communities within an "extended calling area" will be inaugurated at exactly 12:01 a. m., January 8th, according to Robert E. Poll, manager here for the Michigan Bell Telephone Company.

Communities within Clarkston's extended-area are Pontiac, Commerce, Oxford (including Leonard), Lake Orion and Drayton Plains (including Waterford).

On all calls to the above zones, subscribers here simply will dial the two letters and five numerals comprising the telephone number of the called party. The 10 cent charge now applying on such calls will be eliminated.

In addition to an extended-area, district-exchange service establishes a schedule of "inter-zone" rates for calls to places outside the extended-area but within the district. In most cases, inter-zone rates are lower than toll rates for the same distance.

Calls to Rochester and Walled Lake will be on an inter-zone basis and should be placed with the operator.

Distribution of new directories containing all numbers which can be called for the flat monthly rate now is virtually complete.

Also printed instructions on how to use the new type service have been sent to all customers.

Poll urged all subscribers who have not yet received either the new directory or instruction to contact the telephone business office.

Final tests now are in progress on equipment which switches calls between exchanges and on "trunk" cables which carry the expected increase in the number of calls.

No public ceremony has been arranged for the historic cutover, however, because of the late hour.

Despite the lack of "fan-fare," Poll said introduction of extended-area service was one of the most important developments in telephony in recent years.

"Extended-area service is an entirely new concept in the telephone business. Michigan Bell is one of the first telephone companies to introduce the service throughout all its territory," Poll said.

"The service recognizes the widening field of interest of most people in these modern times. It now is commonplace for people to live in one community, work in another, and do their shopping in still a third.

Poll said the thousands of new telephones brought within range of the average user increases the value of service without much change in the cost.

"In most cases, the most of toll charges now being eliminated are greater than any increase in monthly rates as a result of extended-area service."

Service Monday For Mrs. Emma Hoyt

Mrs. Emma Hoyt, 90, a native of Independence Township passed away last Friday after a brief illness. She was born in Independence Township April 18, 1859, the daughter of Augustus and Sarah Chandler. She was wed to Henry Hoyt in September 1882. He died 18 years ago.

Surviving are one sister, Mrs. Maude Hunt of Fenton, five grandchildren and five great grandchildren.

The funeral service was held at the Sharpe Funeral Home on Monday afternoon at two o'clock with the Reverend Walter C. B. Saxman, pastor of the Clarkston Methodist Church, officiating. Burial was in Lakeview cemetery.

Waterford-Drayton Rotary Club News

The Waterford-Drayton Rotary Club met on Tuesday, January 3, at the C. A. I. building.

Everett Russell of the Pontiac Club was introduced by George H. Kimball, Jr.

A report on the Club's Christmas activities was given by chairman Don White.

Charles R. (Shorty) Miller, Governor of the 22nd District of Rotary International was the speaker of the day. He told of some of his interesting experiences and stressed what Rotary meant in a community.

Plans are being made for many interesting programs for the winter months.

Waterford

Donna Kay Lamberton is a patient at General Hospital in Pontiac where she underwent an operation on Wednesday of last week.

Mr. and Mrs. Donald Beedle, Jack McCaffrey and Jack Saylor returned to Bowling Green, Ohio, on Tuesday to resume their studies at the college there.

Chan Smith returned home from California last week after enjoying a visit with his son, Sam.

Sarah Lou Lehman returned to Purdue University after spending the holidays at her home here.

Mrs. Robert Bliss is confined to her home with an attack of pleurisy.

Mr. and Mrs. Victor Lindquist entertained Mr. and Mrs. Clarence Keith of Waterford on New Year's Eve.

Melvin Holt and daughters of Pontiac were Monday evening dinner guests of Mr. and Mrs. Leslie Holt.

Mrs. Roy Spencer Hostess To Circle

On Tuesday the Martha Circle of the Methodist W. S. C. S. met at the home of Mrs. Roy Spencer on N. Main Street. A delicious pot-luck luncheon was served at noon.

The regular business meeting was held in the afternoon. Mrs. Walton Robbins was in charge of the devotions and also presented for discussion a chapter, "Career and Business Women" from the book "Women of Scripture".

During the afternoon the group sewed 52 cancer pads.

Here's How District Exchange Telephone Service Works

The new Pontiac district exchange to be inaugurated Sunday is composed of eight "zones" represented by shaded areas. Areas in white are not part of the district exchange but share calling privileges with nearby zones. Calls between adjacent zones, as indicated by connecting lines, will be without toll charge. Calls between other zones within the district exchange generally will be at lower rates than present toll charges. To determine your extended calling area, find the black dot representing your zone. Then trace all lines radiating from it to the next dot. All dots so connected represent those places you can call without toll charge. Auburn Heights now is a part of the Pontiac zone but ultimately is to become a separate zone. Birmingham will be linked to the Pontiac zone later this year.

Young People Have Get-Together

On Sunday evening Lois Baynes, Mary Porritt and Janet Keelan entertained the "Clarkston 49ers" at the Baynes home on Reese Road.

The group had a good time playing games and visiting. Refreshments were served. The young people had many new experiences to tell about and of course they did a little reminiscing.

Among the guests were Regina Jennings, Joan Gorman, Joan Johnson, Mary Ee Volberding, Phyllis Brinker, Pat Doyle, Imogene Potter, Bob Fell, LeRoy Johnson, Dave Leak, Dave Saxman, Lewis (Spike) Masters, Richard Allen, Garland and Gilbert Wells, Dan Keating, Joe Sutton and Melvin Miller.

Royal Neighbors To Install Officers

The Clarkston Royal Neighbors will meet on Wednesday, Jan. 11, at the Clarkston Baptist Church.

There will be a pot-luck luncheon at noon. The regular business meeting will be held in the afternoon and installation of the new officers will take place. The District Deputy, Mrs. Marie Wyss, of Pontiac, will be the installing officer.

Protect Your Pet From Stray Dogs

Have you a pet that you would hate to lose? If so, keep it where stray animals cannot attack it.

Just lately there was a sad happening at the Ralph Haan home in the Greens Lake subdivision just off Andersonville Road. The Haans were the owners of two prize dogs. These dogs were kept in a fenced-in yard. About a month ago a stray dog got into the yard unnoticed and bit one of the dogs. The stray went on its way and the injured dog was cared for by its master. The idea of rabies at this time of year was unthought of. About a week and a half ago the dog became sick and on taking it to the veterinarian found that it had rabies and had to be put to sleep. As far as they know the stray dog is still on the loose.

Reminders

This afternoon at 12:30 the Priscilla Circle of the Methodist W. S. C. S. will meet at the home of Mrs. Ray C. Ainsley. A committee is planning the luncheon but each person attending is asked to furnish her own table service.

Tomorrow, Friday, the Dorcas group will meet at the home of Mrs. William Johnston. A pot-luck luncheon will be served at 12:30.

The Mary Circle will meet at the home of Mrs. Earl Hoyt on Friday, Jan. 6th. A pot-luck luncheon will be served at 12:30. Mrs. Roderick Muma will assist. Mrs. Hoyt.

Planning Council For 4-H Clubs

A 4-H County Planning Council has been organized in Oakland County. The purpose of this Council is to give the leaders of 4-H clubs a more active part in forming plans for 4-H activities.

Members of the 4-H Planning Council are: Bob Walls — Highland, White Lake; Mrs. C. J. Reibel — Southfield, Bloomfield, Troy, Royal Oak; Marvin Middleton — Orion, Oakland, Oxford, Addison; Arthur Schaldenbrand — Novi, Farmington; Mrs. Thurman Bowers — Milford and Lyon; Mrs. Mary Ann Gillette — Commerce, West Bloomfield; Glen Robinson — Holly, Rose, Springfield; Miss Olive Taylor — Groveland, Brandon, Independence; Ed Schlereth — Pontiac, Avon, Waterford.

These members will meet with the County 4-H Club Agent on the 12th of January for organizational purposes. This is one step on the road of progress toward making Oakland County the leading County in 4-H work in Michigan.

The Grist Mill

by Ed Alchlin
County Agricultural Agent

Since the annual dairy banquet on the 7th of December we have been busy in the office with writing the annual report, so even though it is delayed, we wish to extend our thanks to the Commerce Order of Eastern Star for the fine dinner provided for Oakland County dairymen. To Mrs. Yant, Mrs. Field and Mr. Holme, many thanks for providing us with a splendid evening.

Oh, for the life of a county agent! Our annual report shows that during the past year over 12,000 contacts were made on adult farmers in Oakland County through Extension meetings, farm calls, office calls, and telephone calls. It doesn't seem as though that is happening during the year, but it sure adds up.

Dairymen in Oakland County are going to have an opportunity to attend community meetings this winter. Meetings are being planned for South Lyon, Clarkston and Oxford at the present time. Meetings will cover general management of dairy herds for the average sized farm.

Along the dairy line, the Floben Farms' herd near Walled Lake are producing much better, according to their herdsman, Lester York. Up to 24 pounds of hay per day is being consumed by the farm's large Guernseys on this farm. They have been able to lower the protein content in their grain ration as a result of better hay due to mow drying.

Any poultrymen in the county who would like to have a farm call during January can arrange same by contacting our office in Pontiac. We feel that poultry is an important business in Oakland County and should get more attention. Now is a chance for people with poultry from farm flocks to commercial flocks to ask for assistance in their poultry.

Everyone in the community is invited to be at the Clarkston Methodist Church on Friday afternoon at 2 o'clock to hear and see how the new telephone system will operate. This meeting is sponsored by the Clarkston Home Extension Club.

It paid a bonus with the price and slipped them on the sly. This latest offspring of the earth gives promise it shall be a Miss, demure, with settled mind to fill our hearts with glee. It seems our family might take a normal turn at last. And run along on even keel, forgetting all its past.

—ROBERT C. BEATTIE
(All rights reserved)

Our New Baby

We've seen the new year baby born with hunger in its bowels, with gaunt and haggard sunken eyes and wrapped in panic towels.

We've seen inflation babes come forth, their mouths with silver filled, and spendthrift children in our day, both head strong and self willed.

We've seen the war babe come to earth with fear born in its heart, inheriting revenge within to tear the world apart.

Then, maladjusted years were born, that no one seemed to tame. A problem child, born to the world to trouble and defame.

Then years were born, with

member was dressed in clothing she had made during the dress-making period. After a cooperative luncheon the group played games, cards and had an exchange of gifts.

Christ Lutheran Church received a letter during the past week from the Reverend Palmer Sellstrom stating that he will be unable to accept the invitation recently extended to him to come to this district. Rev. Sellstrom is pastor of a church in Shenandoah, Iowa, and on account of Mrs. Sellstrom's poor health he thinks it would be unwise to make the move at this time.

Floyd Wallace of Airport Road returned home on Friday from St. Joseph Mercy Hospital where he was treated for a heart condition.

The Christ Lutheran Church was filled to capacity at their first Christmas Eve service last week when the two choirs presented the Christmas Message in Song. Mrs. Martin Wager, organist and director arranged the program which included "Yuletide Echoes" on the organ; seven carols by the entire congregation; a vocal solo, "No Candle was There and No Fire," by Mrs. Roy Olson; five anthems by the senior choir and three anthems by the junior choir. Student William Hesselgrave led devotions

and gave a short Christmas message.
Mr. and Mrs. Paul Mason (Doris Bunker) and children of Flint spent the weekend here with friends.

Lois Burt called at the Mehlberg home on Friday evening.
Mr. and Mrs. Henry Mehlberg spent New Year's Day with their son and daughter-in-law, Mr. and Mrs. David Mehlberg of Lapeer.

Mr. and Mrs. Leman Cambrey of Flint were Sunday callers at the home of their uncle, Mr. E. D. Spooner.

Oscar Virgin returned to his home on Saturday from Pontiac General Hospital.

Mr. and Mrs. John Watchpocket spent New Year's with Mr. and Mrs. Edward George in Detroit.

Lawrence Harrup of Cleveland, Ohio, returned to his home after spending the holidays here with his daughter, Temple, and his parents, Mr. and Mrs. Harry Harrup.

The Cheery Chums will meet at the home of Mrs. Marshall White on LeRoy Street on Friday at 6:30 P. M. for a cooperative supper. The committee in charge includes Mrs. Albert Kray, Mrs. Jack Hall, Mrs. Fred Tuck and Mrs. John Miller. The ladies are to bring their gifts for their chums.

Mr. and Mrs. Albert Kray and daughter, Joan, spent the holidays with relatives in Old Hickory, Tenn.

William "Bill" Jacober returned home on Saturday from Mt. Iron, Minnesota, where he spent the Christmas holidays with his wife and sons.

The MOMS will hold their monthly meeting on Thursday, Jan. 12th at two o'clock at the home of Mrs. Henri Buck on Andersonville Road.

The Community Church held its annual Watch Night Service on New Year's Eve. During the evening games were played and refreshments were served, after which a devotional period was held. During this time a series of films were shown entitled "The Story of Ming Hwa", which told the life story of a Chinese boy and "Consider Him" in which

Christ was presented as the Savior, Companion and Lord in 1950.

A group of young people will attend the Pontiac Youth for Christ meeting at the Oakland Avenue Tabernacle at 7:30. All those who wish to go are requested to be at the Community Church no later than seven o'clock.

Mr. and Mrs. Fitzpatrick of Saginaw spent New Year's with Mr. and Mrs. Murdo McDonald of Windiate Park.

Mr. and Mrs. Louis Irwin of E. Lansing were Friday evening callers of Mr. and Mrs. Victor Lindquist.

About seventy Merry Mixers gathered in their room at the C. A. I. building last Friday night and enjoyed a sociable evening, dancing, visiting and partaking of light refreshments during intermission. The group had a good time singing and swinging their partners with Lee Kaines, Kirby Millour and George Swayze doing the calling. The extra fine music was furnished by Haan's orchestra.

THERE IS BEAUTY IN WINTER SKIES, ASTRONOMER SAYS

If you don't take a look at the night sky on a clear winter night you'll be missing one of nature's most beautiful sights.

"It is unfortunate that cold weather drives us indoors and the magnificent company of the winter constellations meet the admiring eyes of only a few," according to Dr. Hazel M. Losh, assistant professor of astronomy at the University of Michigan.

There's a winter night picture now on display that far "outranks and exceeds all that the naked eye can behold in the sky," she declared. This is Orion which is halfway up the southern sky throughout the night.

"Unlike many of the constellations, it is easy to find on account of its many bright stars," Dr. Losh points out. "Look for three stars in a row enclosed in a great rectangle with bright stars at each corner."

In Greek mythology, Orion was a hunter slain by Artemis for making love to Eos, the Goddess of

Dawn, and Orion was changed into a constellation. So now he strides across the night skies, with a sword hanging from his bejeweled belt and a club held high in his right hand and a lion's skin before him as a shield.

You'd have to have an unusually clear night to pick out the faint stars outlining the club and the lion's skin but you'll have no trouble with the belt and the row of stars marking the sword. A bright red giant of a star known as Betelgeuse in the upper portion of the rectangle of stars marks Orion's shoulder and a white star, Rigel, at the lower corner is his knee.

Just to make the hustle and bustle of our modern life seem less important try to remember that the light coming from Betelgeuse left this star about the middle of the 17th century, and you see Rigel as it looked about 1400 A. D., Dr. Losh says. And Betelgeuse is really a giant of the skies since it has a diameter of more than 400 million miles.

Once you've located Orion and thoroughly enjoyed the beauty of this constellation, look downward in a straight line from the three stars on the belt. That very bright star you'll find is Sirius, in Canis Major, The Great Dog.

This is now the brightest star in the whole sky, Dr. Losh reports. Because of its brightness, it has been famous since the dawn of history and is responsible for the term "dog days" to express the hot, humid days of summer.

"The Egyptians believed the rays from this star, which is overhead in the daytime during the summer months, was what caused the weather to become unbearably hot at times," she says. "Now we know that this star, over eight light-years from us is too distant to add any appreciable heat."

WOMEN'S PROGRAMS PLANNED FOR MSC FARMERS' WEEK

Special home economics programs have been planned for three days of the annual Farmers' Week event at Michigan State College. They are scheduled for January 31, February 1 and 2. Dean Marie Dye announces.

Popular annual event for the visitors is the style show which will be staged in the College Auditorium. Over-flow crowds in the past have made it necessary to hold the event in the larger location. Costumes will be modeled

by the home economics students who made them.

Program features will include something for homemakers of all age groups and interests. Mrs. Leona MacLeod of the MSC staff will give a demonstration lecture on selecting clothes for the well-dressed look after forty. Another topic is, "A New Interest in Older People".

For mothers of young children and teen agers there will be two talks of particular interest. One is concerned with juvenile delinquency and the attitudes of youth toward school, authority and religion and other subjects. Children's dental health will be the subject of Dr. Guttorm Toverud of Oslo, Norway, who made a study of the effects of diet on children's teeth during the war. He will show pictures to illustrate his talk.

Many of Michigan's homemakers are interested in foods and nutrition research that is being done for them on the campus. This will be discussed at one of the sessions.

Mrs. Rajammal Devadas of India will come to the campus to discuss family life in her native country to which she will return after finishing advanced food study in the U. S. She has been

here several years and is able to contrast life in the two countries.

SOIL CONSERVATION STORY TOLD AT FARMERS' WEEK

Ten years of working together to establish soil conservation practices will highlight the soil conservation program to be held on Thursday, Feb. 2, of Farmers' Week at Michigan State College.

A group of farmers living near Eastwick Lake in Kent county will tell how for the past ten years they have reduced water and wind erosion and increased crop yields through soil conservation practices.

Of interest to farmers from the "heavy" soil areas will be a discussion of soil conservation problems on Michigan's heavy flat lands. Water management and soil structure of these lands will be featured.

A panel discussion led by Arthur Mauch of the MSC agricultural economics department, will consider the question, "Is more emphasis on Soil Conservation by farmers justified in light of mounting crop surpluses?" A group of Michigan rural people will take part in the program.

Nearly 500 years ago pepper was as precious as jewels in Europe and while searching for a shorter route to India, the source of supply, the New World was found. Today, following a war which destroyed pepper plantations in the South Sea Islands, pepper is again very precious. Wholesale, before the war, it was around seven cents a pound and now it is \$1.55. Pepper plants have to grow for seven years before harvest, Mildred Jones, Michigan State College, home economist reports.

Ford for power

Feel the "go" of the '50 Ford's 100-horsepower engine. It's the same type engine now used in America's costliest cars—but the '50 Ford brings it to you for hundreds less than most "sixes." And it's a quiet engine, too. It actually whispers while it works!

Ford for style

Ford's "Fashion Car" styling—now more beautiful than ever—is protected by new baked-on colors, "built to live outdoors." New sparkling upholstery fabrics are long lived, too. Even seat life has been lengthened through the use of non-sag front seat springs under foam rubber cushions.

Ford for price

To ride in a '50 Ford, you'd think you were riding in one of America's costliest cars—yet Ford is America's lowest-priced car with a V-8 engine. This hundred-horsepower "eight" is yours for hundreds less than most "sixes." Quality feature after quality feature such as Ford's low level "Mid Ship" Ride—Ford's sound-conditioned "lifeguard" Body—Ford's 35% easier acting King-Size Brakes—make the '50 Ford the one fine car in its field.

Buttercup

Pat. Pending

Spring tonic for your table

Springtime, anytime—set your table with wonderful, whimsical *Buttercup*, the popular new pattern by Knowles, makers of fine American dinnerware that's lustrous, strong and highly chip-resistant. Jaunty sprays of yellow buttercups nod among green leaves and whisper-soft grey tracery in this superbly glazed, gay design that goes with everything. At budget prices, too.

SHANTIES TO BE MARKED ACCORDING TO LAW

The conservation department points out to ice fishermen that the law requires all shanties be "properly" marked with the owners' names and addresses.

Tacking a board (with the name and address thereon) to the shanty does not comply with the intent of the law, the department's law enforcement division emphasized. The writing must be on an outside wall of the shanty and in letters of insoluble material not less than two inches high.

This year, a shanty must be removed at any time during the ice fishing season when unsafe conditions prevail. Last year, there was a grace period of 30 days before the angler was legally obligated to remove the shanty, after the ice became unsafe or the shanty actually went under.

Under the law, the department may remove and store or destroy such structures and assess the costs of same to owner in addition to penalties which may be assessed for violation.

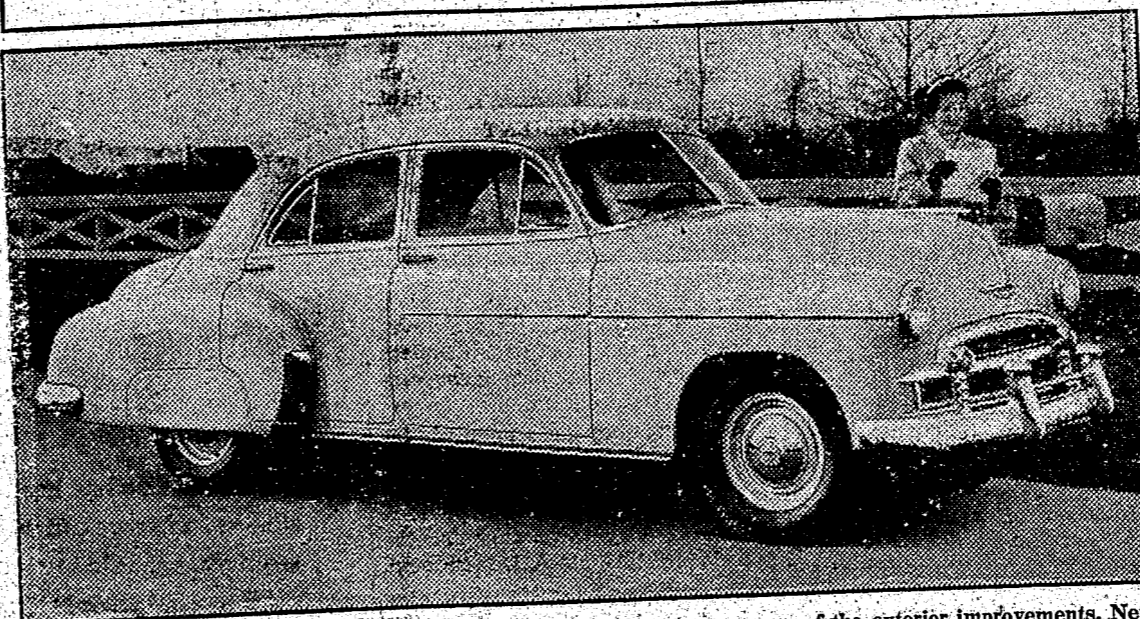

It's time to bring out the bean pot if it's not already in winter use and to round up a collection of recipes for tasty concoctions

of dried beans and peas. These foods will be tops among those which will be in extra plentiful supply the first month of the new year.

The most important guide to follow in all meat cookery is the use of low cooking temperatures advises, Jeanette Lee, Michigan State College home economist.

This keeps the savour and juices in the meat, cuts shrinkage, produces more tender, palatable meat and clear, flavorful meat drippings.

One of Two Sedans in 1950 Chevrolet Line

The Styleline, one of two individually designed sedans which have achieved immense popularity with Chevrolet owners, will have new beauty in 1950. Improved grille work, sturdier bumper guards and more tasteful ornamentation are some of the exterior improvements. New Chevrolets also offer increased power and comfort with the Powerglide automatic transmission as optional equipment on De Luxe models.

FIRST...and Finest...at Lowest Cost!

Chevrolet for '50 brings you the best of everything at lowest cost . . . greater beauty . . . finer performance with economy . . . outstanding driving ease, comfort and safety!

Here, in Chevrolet for '50, are the finest values the leader has ever offered to the motoring public.

These thrilling new Chevrolets are available in 14 surpassingly beautiful Styleline and Fleetline body-types. They bring you a choice of two great engines and two great drives—the Automatic Power-Team* and the

Standard Power-Team—described in detail below. And they also bring you quality feature after quality feature of styling, riding comfort, safety and dependability ordinarily associated with higher-priced cars, but found only in Chevrolet at such low prices and with such low cost of operation and upkeep.

Come in. See these superb new Chevrolets for 1950—the smartest, liveliest, most powerful cars in all Chevrolet history—and we believe you'll agree they're **FIRST AND FINEST AT LOWEST COST!**

ONLY LOW-PRICED CAR TO OFFER A CHOICE OF STANDARD OR AUTOMATIC DRIVING

THE AUTOMATIC POWER-TEAM*

Built by Chevrolet—Proved by Chevrolet—Exclusive to Chevrolet

NEW POWERGLIDE AUTOMATIC TRANSMISSION—for finest Automatic Driving (with no clutch pedal—no clutch pushing—no gearshifting). It combines with Chevrolet's new Economiser High-Reduction Axle to bring you an entirely new kind of driving . . . low-cost automatic driving that is almost 100% effortless . . . it's the simple, smooth and thrifty automatic transmission. **NEW 105-H.P. VALVE-IN-HEAD ENGINE** (with Power-Jet carburetor and Hydraulic valve-lifters). Here's the most powerful, as well as the most thoroughly proved engine, in the low-price field . . . giving performance extraordinary . . . together with traditional Chevrolet economy in over-all driving.

*Optional on De Luxe Models at Extra Cost

THE STANDARD POWER-TEAM

Outstanding for Standard Driving Ease . . . Performance . . . and Economy

HIGHLY IMPROVED, MORE POWERFUL VALVE-IN-HEAD ENGINE (with Power-Jet carburetor and larger exhaust valves). The fine standard Chevrolet engine now made even finer . . . giving more power, more responsive pickup, greater over-all performance . . . plus the outstanding economy for which Chevrolet has always been noted. **THE FAMOUS SILENT SYNCHRO-MESH TRANSMISSION** (with Extra-Easy Hand-E-Gearshift). Long recognized, by automotive engineers and the motoring public alike, as the pattern of smooth, quiet gear transmissions . . . assuring extremely simple and easy gearshifting . . . in fact, owners say easiest car operation, next to automatic driving itself.

MORTGAGE SALE
DEFAULT having been made for more than thirty days in the terms and conditions of a certain mortgage made by Ralph Haberman and Opal Oakland County, Michigan, Mortgagees to Clarkston State Bank, a Michigan corporation, Mortgagee dated the 9th day of July, A. D. 1948, and recorded in the office of the Register of Deeds for the County of Oakland and State of Michigan, on the 22nd day of July A.D. 1948 in Liber 2285, Oakland County Register of Deeds Records on pages 107 to 109, inclusive, on which mortgage there is claimed to be due, at the date of this notice, for principal and interest the sum of Two thousand Six Hundred Nineteen and 63/100 (\$2,619.63) Dollars, and an attorney's fee of Fifty (\$50.00) dollars as provided for in said mortgage. No suit or proceeding at law or in equity having been instituted to recover the moneys secured by said mortgage or any part thereof.

NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said mortgage, and the statute in such made No. 64,161, Monday the 13th day of February, A. D. 1950, at 10:00 o'clock in the forenoon, Eastern Standard Time, the undersigned will at the easterly or Saginaw Street entrance of the Court House in the City of Pontiac, Oakland County, Michigan, (that being the place where the Circuit Court for the County of

Oakland is held), sell at public auction, to the highest bidder, the premises described in said mortgage, or so much thereof as may be necessary to pay the amount so as aforesaid due on said mortgage, with seven per cent interest, and all other legal costs, charges and expenses, including the said attorney's fee, also any sum or sums which may be paid by the venditor, for taxes, insurance or other expense necessary to protect its interest in the premises. Which said premises are described as follows: All land situate in the Village of Clarkston in the County of Oakland, the State of Michigan and described as follows, to-wit:

Lot 60 of Supervisor's Plat No. 1, a subdivision of part of Section 20, Town 4 North, Range 9 East, according to Liber 42 of plats on page 20, Oakland County Records.

RECORD ENROLLMENT RANKS MSC NO. 11 IN UNITED STATES

History-making enrollment figures placed Michigan State College among the largest colleges and universities in the nation as 1949 ended.

Full-time enrollment reached 15,062 in 1949 to place Michigan State 11th, one notch higher in the national rankings than in 1948, according to a survey conducted by Dr. Raymond Walters, president of the University of Cincinnati.

Among Michigan institutions, Michigan State ranked 22nd in the nation and third in the state with 16,243 full and part-time students; Michigan seventh with 23,141 and Wayne University 19th with 19,174.

Walters said the year was marked by sustained enrollments through the number of veterans attending college dipped 14 per cent from last year.

As the year ended, wholesale graduation of veterans pushed MSC enrollment downward near the 15,000 mark. Prospects of 259 new student arrivals for the winter term only slightly softened the departure of 586 fall term graduates, according to Registrar

Robert S. Linton.

"With the graduation of a large number of veterans this year, total graduates during the school year will approach 4,000," Linton said.

However, short courses will attract 565 new students in early January, according to Ralph Tenney, director of the MSC short course department. Most of these courses will be in agricultural and allied subjects, he said.

FARM MANAGEMENT BANQUET SET FOR FARMERS' WEEK

The Farm Management Banquet, one of the highlights of Farmers' Week activities at Michigan State College in past years, is expected to be bigger and better than ever this year according to John Doneth, MSC agricultural economist arranging the program.

The banquet is scheduled for 6:15 p. m. February 2 in the MSC Union building ballroom. With increasing attendance each year, it was necessary to arrange for the larger meeting place, Doneth said.

Allan Kline, main speaker on the program, will talk on "How I see Iowa Farmer Looks at Farm Management". Kline is a successful Iowa farm operator, and has travelled abroad extensively for a first-hand view of European agricultural conditions. He is currently serving as President of the American Farm Bureau.

Marshall Wells, farm editor for radio station WJR, Detroit, will bring another outstanding entertainment program to the banquet. Prof. E. B. Hill of the MSC agricultural economics department will recognize cooperating farmers' and farm managers and rural appraisers.

For reservations or further details, write to the Agricultural Economics Department, Room 203 Agricultural Hall at the college. Everyone planning to attend is advised to get tickets early.

CALCIUM NEEDED FOR EGG SHELLS

Since an egg shell is largely calcium carbonate, hens must have plenty of this mineral.

One of her sources of calcium is the feed which she receives each day. The other is the calcium that is present in her bones.

Hens get a big part of their calcium from the laying mash, but a hopper of oyster shells or other calcium carrying material should be kept before the hen so she will be sure of an adequate supply.

Safest and easiest stairs for climbing are 10 inches wide with risers seven and one-half inches high. A hand rail, or two, adds to the safety of dangerous stairs reminds Olevia Meyer, extension specialist at Michigan State College.

WHEN ARE WE OLD?

★ "When life has been well spent, age is a loss of what we can well spare—muscular strength, organic instincts and gross bulk.

"But wisdom, which was old in infancy, is young in fourscore years, and dropping off obstructions, leaves the mind purified and wise."—Emerson

To augment the richness of wisdom is modern medicine, a comforting ally of the aged. For the physician, together with the pharmacist, stands ready to alleviate the infirmities of age in the interest of happier, healthier, and longer lives.

 Wednesday Evening Service 8:00
 P. M.

Reading Room at rear of Church,
 open Wednesday from 2 to 4 and
 7 to 8 P. M.

"Sacrament" will be the sub-
 ject of the Lesson-Sermon in all
 Christian Science churches
 throughout the world on Sunday,
 January 8.

The Golden Text (Proverbs 16:
 1,3.) is: "The preparations of the
 heart in man and the answer of
 the tongue, is from the Lord. . . .
 Commit thy works unto the Lord,
 and thy thoughts shall be estab-
 lished."

Among the Bible citations is
 this passage, (Mal. 3:1): "Behold
 I will send my messenger, and he
 shall prepare the way before me,
 and the Lord, whom ye seek, shall
 suddenly come to his temple."

Correlative passages to be read
 from the Christian Science text-
 book, "Science and Health with
 Key to the Scriptures" by Mary
 Baker Eddy, include the following
 (p. 20): "Jesus' history made a
 new calendar; which we call the
 Christian era; but he established
 no ritualistic worship. He knew
 that men can be baptized, partake
 of the Eucharist, support the cler-
 gy, observe the Sabbath, make
 long prayers, and yet be sensual
 and sinful."

BEGINNING SUNDAY

CLARKSTON
telephone subscribers
will be able to call

PONTIAC (including Auburn Heights), Commerce, Drayton Plains, Lake Orion, Oxford (including Leonard) WITHOUT PAYING TOLL CHARGES.

On Sunday, January 8, the new Pontiac district exchange and extended area tele-
 phone service become effective. This new, improved and faster telephone
 service will enlarge your local calling area. . . the area in which you can make
 calls without paying toll charges.

In addition to being able to call telephones in the above zones without charge,
 Clarkston subscribers will be able to call ROCHESTER and WALLED LAKE at
 "message-unit" rates which generally will be lower than present toll rates.

ALL CLARKSTON TELEPHONE NUMBERS CHANGE SUNDAY
 Also on Sunday, January 8, new telephone numbers become effective in Clarkston.
 All numbers will have a central office name. . . Maple. . . and five digits.
 To call any Clarkston number, starting Sunday, you will dial the FIRST TWO
 LETTERS in the central office name, followed by the five digits in the number. For
 example, to dial Maple 5-8234, you will dial M-A-5-8-2-3-4.

HOW TO CALL TELEPHONES IN OTHER ZONES ABOVE
 Complete instructions on how to dial telephones in all zones of your local calling
 area are included in your new telephone directories and in the folder sent to all
 subscribers. Please refer to those instructions before placing a call on and after
 Sunday, January 8.

Parade of Progress

Introduction of canned fruits and vegetables was a milestone in the progress of food retailing. Since that time many other changes have been made until today we have in America the world's most efficient system of food distribution. And for more than half a century Kroger has been a leader in bringing greater variety in high quality food products to homemakers at close-to-cost prices.

Card of Thanks

I want to express my sincere appreciation for the many visits and lovely cards from friends and relatives. I especially want to thank The American Legion, The Clarkston Mothers' Club, The Methodist Church and all others who so graciously remembered me at Christmas time. Happy New Year to all.
William "Bill" Howland

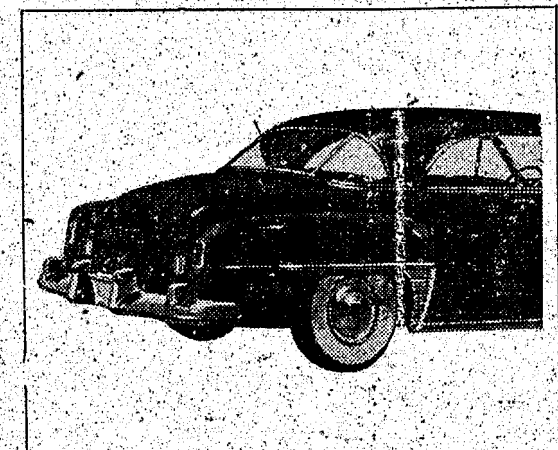

Appreciation

My sincere appreciation is extended to all those who were so considerate when I was in the hospital and since I have been convalescing at home. The lovely gifts, cards, flowers, etc. helped to shorten what would have been long dreary days. My special thanks go to the Dixie Saddle Club for the basket of fruit; the Clarkston Rotary Club for the Christmas rose and the Methodist Men's Club for the beautiful plant.
Harry D. Waggener

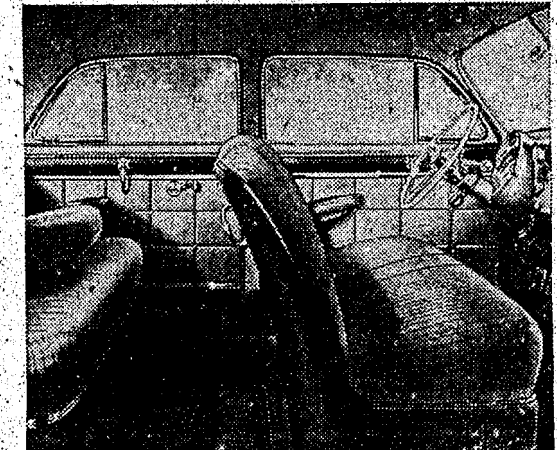

ACCENT IS ON STYLE IN 1950 CHRYSLER MODELS

The Chrysler 1950 New Yorker four-door sedan, with restyled longer rear fenders, more massive bumpers, new radiator grille, better visibility from the larger rear window and powered by the 135-hp. Spitfire engine.

Rear view of the Chrysler Windsor series Newport, a new steel top "convertible" with distinctive styling around the rear window and no window or door posts to obstruct the view when windows are down.

Interior of the 1950 Chrysler New Yorker four-door sedan, showing the new arm rest on the doors, a waffle pattern in the door panel upholstery and the center arm rest in the rear seat.

Completely new and distinctive styling, producing added beauty inside and out, features the 1950 Chrysler line. Among the important improvements are a new grille, longer rear fenders, carried to their full height almost to the rear of the car; a new and artistic grouping of tail light, stop-light and turn signal flush mounted in each rear fender, giving sleek, graceful rear end lines; a new rear window with 27 per cent more glass area; changes in the instrument panel; and larger brakes on the six-cylinder models. Nineteen body styles are offered in the Royal, Windsor, New Yorker, Saratoga and Crown Imperial series.

Newport Model Is New

There is a slight increase in exterior width, length and height. Interior dimensions remain unchanged, retaining the generous head room, leg room, chair-height seats and ease of entrance and exit that have proved so popular in the 1949 models.

One entirely new model, the Newport, has been introduced. This is known as a special club coupe, but in effect it is a hard top convertible available on both six and eight-cylinder chassis. It offers the sleek lines of a standard convertible, with the added safety provided by a fixed steel top. Chrysler's new self-energizing disk brakes are standard equipment on the Town and Country Newport, as well as on the Crown Imperial models.

Appearance improvements begin at the front bumper, which is wider and more massive, and are carried through to the rear bumper. Different styling features have been incorporated in the sixes and in the eights, so that one is readily distinguished from the other at first glance. Among the points of difference between the two lines are the parking lights, the length of the molding on the front fender, the nameplate on the front of the radiator and the wheel cover.

15 Standard Body Colors

Upholstery options have been increased and finer fabrics are offered. Fifteen standard body colors and four special colors are available, nine of them entirely new.

The new 12-inch diameter brakes adopted for the sixes have 15 per cent more lining contact area than the 11-inch type formerly used. This results in lighter brake pedal pressure and greater reserve.

CHILDREN NEED SUNSHINE VITAMIN SOURCE IN WINTER

In the few months of summer sunshine, Michigan's children become brown and sturdy, but then come these dark winter months and the "sunshine vitamin" disappears.

Because the sunshine vitamin, or vitamin D, is necessary for bone growth, it is important that children be given another source of the vitamin. Mary Lewis, foods and nutrition department, Michigan State College, says it can be given through drug store sources or milk to which vitamin D has been added.

Since the minerals in milk important to bone growth are used more effectively with vitamin D present, it has been added to milk to the extent of 400 international units per quart. This is enough for the majority of children and is the most convenient way for parents to make certain their children secure enough.

Rural children drinking milk which has not been fortified with vitamin D, may need to have some drug store source until they can again play long hours in the sunshine.

There are various forms of vitamin D available in drug stores. It is not necessary to purchase an expensive form but to choose one which the child will accept. It should provide about 400 international units per day. This is the one known vitamin not supplied in adequate amounts by natural foods commonly eaten. Thus during the winter months the use of vitamin D milk or a drug store source is necessary.

VACCINATION WILL PROTECT YOU AND YOUR DOG

Rabies in animals is increasing in Michigan, the Michigan Department of Health warned today in urging that all dogs be vaccinated.

Early spring is the time when rabies is most rapidly spread among animals.

Now is the time to have your dog vaccinated — to protect his life, your life and the lives of your family, the Department warned. Many veterinarians are offering special rates on dog vaccinations at this time.

Some counties require that dogs be vaccinated for rabies before they can be licensed. Under a 1949 law, any county board of supervisors can require dogs to be vaccinated before they are given licenses, whether or not there is a case of rabies in the county and whether or not the county is quarantined.

Compulsory vaccination of dogs, the impounding of all stray dogs, and the quarantine of dogs in infected areas are the only protection against rabies for either man or his animals.

Rabies in animals is hydrophobia in humans. Man gets the disease from a bite or the saliva of an infected animal. Since rabies is increasing, any person bitten by an animal should go to his physician at once. Not only dogs, but cats, cows, horses, squirrels, skunks, foxes and other warm-blooded animals contract rabies and can give it to humans.

For additional information on rabies ask for the pamphlet, "Protect Yourself, Your Family and Your Dog Against Rabies", from your local health department or from the Michigan Department of Health, Lansing 4, Michigan. Either of these departments will assist in planning for rabies control in your community.
