CLARKSTON, MICHIGAN, THURSDAY, JANUARY 19, 1950

Clarkston P. T. A. Has Fathers' Night

On Thursday evening of last week the Clarkston P. T. A. held its regular monthly meeting. It was Fathers' Night and a goodly crowd attended.

After the presentation of the flag the president, Mrs. L. D. Gaynor, conducted the business meeting and then turned the program over to Roderick Muma, father vice president, who was in charge. Mr. Muma should be complimented for arranging such a grand musical treat. To open the program Mr. Ladd at the piano and Mr. Staebler at the organ played two numbers, Carillon at Sunset by Kohlmann and Coronation March by Wilson. Jeanette Norton then played "My Happiness" on her marimba.

To close the musical program Mr. Ladd, Mr. Staebler and Jeanette Norton favored the group with three numbers.

The fourth and ninth grades won the attendance pictures.

The fourth grade room mothers served a table of refreshments from a table attractive with a center arrangement of fruit flanked by lighted white tapers in crystal holders. Mrs. Walter Saxman and Mrs. Vera Craven poured. The room mothers in charge of refreshments included Mrs. Roderick Muma, Mrs. Louis Gillis, Mrs. Ivan Norgrove and Mrs. Ronald Weber.

Reminders

The Executive Board of the Clarkston P. T. A. will meet at the school on Thursday afternoon, January 26th, at 3:45.

The Clarkston P. T. A. meetings are held on the evening of the second Thursday of each month at eight o'clock at the school.

Service In Alpena For J. W. Smith

James William Smith Jr., passed away Saturday in Pontiac General Hospital.

Mr. Smith was born in Alpena, Michigan, February 22nd, 1907, the son of James William and Mabel Wixom Smith. He was known to many in this vicinity as he was the operator of Hack's Diner on the Dixie in Springfield Township for several years. In the fall of '48 he returned to Alpena and this past summer he operated a dining room on the outskirts of the town. As the restaurant does not thrive in the north during the winter months, Mr. Smith came back to this area and was chef at Palmer's restaurant on the Dixie.

Surviving are his widow, Esther; one son, Craig, and a daughter, Marsha; his parents of Alpena and a brother, George, of Flint. The body was taken from the Sharpe Funeral Home in Clarkston on Monday to the Hunter Funeral Home in Alpena. The funeral service and burial took place on Tuesday.

Rotary Club News

The members of the Clarkston Rotary Club and their guests, including Charles Carr of the Detroit Club and Edwin Lambertson and Carlos Richardson of the Waterford-Drayton Club, were entertained on Monday by slides depicting life in Saltillo, Mexico, and vicinity, together with a description of the pictures and customs presented by Miss Helen Carey, of the Clarkston School Faculty. Miss Carey gave a very interesting description of the customs and folk dances and wore a Mexican dancing gown that she had brought home for a souvenir. The program was in charge of Wallace Ridgley, superintendent of the Clarkston Public Schools.

A rendition of the birthday song given in honor of Ronald A. Walter, was sung by the group.

A general discussion was held touching on the progress being made for the visit of the Rotary International President on March 14th.

The dinner committee was in charge of Mrs. William Dunston, assisted by Mrs. Garnet Poulton, Mrs. J. Turek, Mrs. F. Muma and Mrs. Allie Burnette.

Coming Events

January 20th, Friday evening there will be a public dinner served at the Masonic Temple in Clarkston from 5 until 7 o'clock. The dinner is being sponsored by Cedar Lodge, No. 80, F. & A. M. You are invited to attend and bring your family.

January 30th, Monday night, at 8 o'clock the Joseph C. Bird Chapter 294, O. E. S., will hold Friendship Night at the Masonic Temple.

February 4th, Saturday night from 9 until 12 there will be an old fashioned square dance at the Clarkston School sponsored by the P. T. A. Everybody is invited.

Clarkston Takes League Lead

Last Friday evening Clarkston defeated Fraser to take sole possession of first place in the League standing. Up until Friday these two teams were tied with three wins and no losses.

Clarkston piled up a big lead in the first quarter. All five starters broke into the scoring and rang up a total of 18 points. At the same time Fraser was able to pick up but 5. The second quarter Clarkston had in a new lineup which was still able to hold its own, Clarkston making 8 points and Fraser 7.

Fraser made its best bid in the third quarter by outscoring the locals by one point. However at the end of this quarter Fraser was still trailing by 13 points. The last quarter Clarkston turned on the heat and rolled up 18 points which was a repetition of the first quarter. Curry was the sparkplug in this quarter and chalked up 8 points.

Ed Olson was high point man for the game with 15 points. Kelly and Davies were high point for Fraser with 10 each. It is interesting to note that four of the five starters have at sometime or other been runner up. This means that Clarkston does not depend on any one person for its scoring.

The next league foe is Big Beaver and is played on the home court this Friday.

CLARKSTON LOSES HEART-BREAKER TO LAKE ORION

Orion again put the jinx on Clarkston in a whirlwind basketball game. Orion defeated Clarkston in football in the last two minutes and Tuesday night repeated the process in a basketball game.

Clarkston did not get off to its usual good start and found themselves trailing by 6 points at the end of the first period. "Dead-eye" Burrows for Orion hit the nets for 8 points in this quarter. The second quarter saw Clarkston drop further behind. The score at the half was Orion 30 Clarkston 20.

At the beginning of the second half Clarkston changed from zone defense to man-to-man. Burrows was held in check and Clarkston closed the gap to within 2 points. In the fourth quarter, Landrum, for Orion, who had been sitting on the bench came into the game and dropped in four long ones for 8 points. In spite of this one man barrage Clarkston was able to first tie and forge ahead by 5 points with three minutes to play. Orion was able to pare down this lead and go on to win by one point. Final score was Orion 54 Clarkston 53.

Miller for Clarkston and Burrows for Orion divided the scoring honors for the evening each getting 16.

Round-Up Planned For Boy Scout Week

The Oakland Circle Auxiliary Round-Up will be one of the big features of Boy Scout Week celebration for the Scouts of the Oakland Circle District. With the Oakland County Sportsmen's Club acting as host, all Troops in the District are invited to attend the Round-Up which will be held at the Sportsmen's Club House at Waterford on Tuesday, February 7th at 7:30 P. M.

The program for the occasion will be produced jointly by the Boy Scouts, under the direction of Kenneth Sanderson, District Commissioner, and by the Sportsmen's Club under the direction of Howard Shelley, Chairman of the Conservation Committee. The program will feature the awarding of Conservation and nature merit badges and Eagle Scout awards, and will also feature a mass dedication of all present to the Scout Oath and Law. Pageantry featuring the 40th Anniversary Crusade will be included. Mr. Clarence J. Tinker of the Motion Picture section of the Michigan Conservation Department will appear as the speaker of the evening. Mr. Tinker will bring and show some of the choicest films from his Department.

During the months of January and February the Commissioner staff of the Oakland Circle District has been distributing framed copies of the Conservation Pledge to each Troop in the District. These are presented to the Troop as a gift from the Sportsmen's Club. Scouts are being encouraged to learn the pledge and to join with all the Conservation Clubs in promoting conservation ideas and ideals.

Telephone Almanac Available Now

The Michigan Bell Telephone Company announced today that the 1950 edition of the perennially popular "Telephone Almanac" is now available to the public, without charge, at all of its business offices.

Theme of this year's almanac is the romantic and interesting account of man's efforts to communicate with his fellow-men. Words and pictures trace his progress in this endeavor from the day when he used drums, horns and cannon, up to the present-day use of radio, relay, teletype and a telephone in his automobile.

In addition to the traditional astronomical observations and other useful information, the new edition contains the usual Rebus, or brain-teasing word picture puzzle.

The Methodist Sunday School recognized the birthday of Bonnie Kutchins at last Sunday morning's session. Bonnie was nine years old.

You Are Invited To Big Square Dance

On Saturday night, February 19th, the Clarkston P. T. A. will sponsor an old fashioned square dance at the school. The committee is looking forward to a big crowd. Dancing will be from 9 until 12 to music by Haan's orchestra.

Dress in your calico or gingham and be there to enjoy a good time with your friends and neighbors. If you get hungry you will find a lunch counter all set up for your convenience. Tickets are on sale at Ainsley-Henry's store and at O'Dell's drug store.

P. T. A. Council Has Extra Fine Program

The regular monthly meeting of Oakland County Council, Parent-Teacher Association, was held on Friday evening, January 13th, at the Poppleton School.

Mrs. Milton Probert, program chairman, introduced Mr. Herbert L. Bodwin, consultant for the Michigan State Department of Mental Health, who spoke on the subject of mental health. He advised, "Mental health is adjustment to life—the way we get along with people". One specific ingredient is the aspect of technically facing reality—being truthful with ourselves.

Mr. Robert Williams of Gingsville sang "I Love Life", "Where'er You Walk", "Thine Alone", and "Smilin' Through". His accompanist was Elda Sutter.

Mrs. Robert Hickson took charge of the question box, answering questions pertaining to P. T. A. work, due to the absence of the Council Parliamentarian.

President Klinec announced the January 25th meeting of Oakland and Macomb County Parent-Teacher Associations at the Fitzgerald Recreation Bldg., Van Dyke, at which time Mrs. Marguerite Schied, field consultant of the National Congress of Parents and Teachers will speak. She asked that all Presidents stress good attendance from P. T. A. locals.

Sixty-four were present with eighteen schools represented. The February 10th meeting will be an all day meeting at the Union Lake School, honoring Founder's Day. The Walled Lake Consolidated District Parent-Teacher Associations will serve luncheon, without charge. Luncheon reservations must be in to Mrs. Robert Verker, 7960 Hillside Dr., Commerce, phone EM 3-4064, not later than February 3rd. Election of the nominating committee to prepare a slate for Council Officers for 1950-51 will be held at this meeting.

They Do Not Choose To Run

At the last village council meeting E. V. Squier and Russell Colton announced that they would not be candidates for re-election. Mr. Squier stated that he would be out of the village too much during the coming months as his reason for requesting that he not be considered as a candidate. Mr. Squier has served on the council for the past four years.

Mr. Colton stated that due to an increase in his duties as sanitary engineer for the Oakland County Department of Health he would be unable to devote the necessary time to the duties of the village clerk. Mr. Colton was appointed as village clerk to complete the term of David Stewart, who moved out of the village while holding the office, in 1945. Mr. Colton has been elected to the office of village clerk for the past four elections.

Post Offices Need Substitute Clerks

The United States Civil Service Commission announces an open competitive examination for the position of SUBSTITUTE CLERK in the Bloomfield Hills, Michigan and Grand Blanc, Michigan post offices.

The new pay rate for these positions is \$1.31 1/2 an hour with periodic increases for satisfactory work. All applicants will be required to take a written test.

Applications will be accepted from all persons, regardless of their residence, by Director of the Seventh U. S. Civil Service Region, New Post Office Building, Chicago 7, Illinois, until February 16, 1950.

Application blanks and full information may be obtained from the Regional Director or from the Postmaster at any post office in which this announcement is posted.

Farmers Reminded Of Deadline For Price Support

Oakland County farmers were reminded this week by Walter R. Cook, chairman of the Oakland County PMA Committee, that January 31, 1950, is the final date for the processing of loans and purchase agreements for price support protection on 1949-crop wheat, oats, barley, rye, dry beans and flaxseed. Commodities for which loan papers or purchase agreements have not been completed by January 31 will not be eligible for price support.

In the case of farm-stored loans, farmers are advised to contact the county PMA office not later than January 20 so that all necessary forms and documents can be cleared on or before the January 31st deadline date.

Applications for loans and purchase agreements on 1949-crop corn will be accepted any time before May 31, 1950.

Cub Scouts Have Pack Meeting

The Cub Scouts of Clarkston held their regular Cub Pack meeting Wednesday, January 18, at the Clarkston High School.

The theme for the month of January is Crusade month. The Cubs of each Den have been busy making shields, and swords for the Pack meeting. Parents were urged to attend. Month of February will be banquet month.

Coon Dog Derby To Be Sunday

The annual snowball coon dog derby of the Oakland County Sportsmen's Club, Waterford, will be held Sunday, beginning at 10 a. m. More than 100 dogs from Michigan and surrounding states are expected for the day's races which will end in the grand final Sunday afternoon for which OCSB will award \$500 added prize money, \$175 for first tree, \$150 for first line, \$100 for second tree and \$75 for second line. Winners of each heat also will receive \$10 and the heats in this competition will be for junior and senior dogs. Fine trophies also will be awarded the winners.

An added event, for "green" dogs, those which have never before competed in a field trial, will be staged also. The winners receiving trophies plus heat money.

Pat Leibler, chairman of the OCSB coon dog field trials committee, announces that lunch and refreshments will be served all day in Sportsmen's hall.

Waterford

Approximately 350 attended each performance of "Show Boat" presented in the Waterford Township High School auditorium last Friday and Saturday nights by the graduating class of 1951. Bob Richardson as captain did exceedingly well. Patty Looman was the director and Leonard Griffin was the musical advisor. The audience thoroughly enjoyed the popular song hits of today as well as a few oldtimers. Francine Brown and Norma Vogel are to be complimented as accompanists.

The ham dinner which the Ladies' Guild of Christ Lutheran Church had scheduled in the church parlors on January 24th will be served on January 27th from 5 until 7 o'clock. The public is invited. For further information call Mrs. George Carter, OR 3-0325 or Mrs. William Sharpe, MA 5-2366.

By the Way . . .

Ever stop to think that if on the first of the month you should spend a dollar bill and the bill changed hands every day for a month the dollar would be used up in just paying the 3 per cent state sales tax? . . . Another tax item runs like this. If you smoke a package of cigarettes each day you have paid a tax during the year to the government of \$21.90. In other words now would be a good time to become tax conscious.

At the party on Christmas Eve one little child in answer to what he wanted from Santa said he wanted a pair of skates and a pair of skis. Poor child, even if he got them we doubt if he has had a chance to use them. Because with the kind of weather we are having it may be cold in the morning and raining at night. Or we may have the rain in the morning and cold at night. Seldom has the weather remained the same for 24 hours. . . If you like to square dance — and the number of those who do is growing — at the Clarkston School on Saturday February 4th there will be a dance in which nothing but square dances will be presented. . . With the death of Jim Smith the thought that the one time operators of Haack's Diner, might come back to this vicinity and open an eating place, vanishes forever. Jim's deliciously prepared food attracted many and the guests became good friends of both he and Mrs. Smith who waited on them. . .

Just to fill in time during a week when business is supposed to be rather dull, our job shop is running an order of 30,000 impressions. . . Somehow or other, although a lot of accidents in traffic occur on US 10 between the intersection of M-15 and Pontiac, we fear driving north on M-15 from Clarkston the most. Perhaps it is because of the hills and the fear of what may be coming up one side as you come up the other. . . We notice in the columns of the News this week some more citizens are going to Florida and California this week. We will not say we envy them but could we express just the tiniest wish that we were going along. . . Just when will we have what oldtimers used to call the January thaw?

Travellers Feted At Sunday Dinner

Last Sunday evening Mrs. L. F. Walter entertained 14 at dinner. The occasion honored Mrs. George D. King who left on Wednesday for her winter home in Boynton Beach, A. B. Wompole who also left on Wednesday to join Mrs. Wompole in San Leandro, California, and Mrs. Walter's son, Ronald A. Walter, who was celebrating his birth anniversary.

Music was enjoyed during the evening and best wishes were extended to the parting guests. Mrs. Walter expects to leave on February 1st, for St. Petersburg, Fla., and other southern points.

Extension Clubs To Hear About Flowers

Mr. H. L. R. Chapman, Extension Specialist, of Michigan State College, will come to Oakland County January 26. This will be a training lesson for leaders of home extension clubs. According to Mrs. Josephine Lawyer, County Home Demonstration Agent, the meeting is scheduled to begin promptly at 1:00 P. M., on the fifth floor of the County Office Building, 1 Lafayette Street, Pontiac.

Mr. Chapman will cover two topics of interest to women of the County: flowering outdoor plants and houseplants. This request for the 1950 home extension program was made by many clubs at the time of program planning in 1949.

Two leaders from each club are expected to attend the lesson so they may return to their communities and teach the lesson for their club.

Following the lesson by Mr. Chapman, Mrs. Lawyer plans to briefly discuss the following items for benefit of the leaders: (1) 1950 Home Extension Program Plans. (2) Club dues for 1950.

Materials such as program books and bulletins will be available at the meeting January 26th.

Waterford-Drayton Rotary Club News

At the regular meeting of the Waterford-Drayton Rotary Club on Tuesday at the C. A. I. building the members had the pleasure of listening to a very interesting account of Frank Williamson's trip through a tobacco warehouse, on his recent trip south. He reported seeing Ed. Biddinger at Titusville, Fla.

William Shunck gave a talk (with music) on the events of the first half of the century, and President Robert C. Beattie speculated on what the last half of the century might bring us. The club sang "Happy Birthday" for Dr. Hills. A guest at the meeting was Lloyd (Slip) Megee of the Clarkston Club.

His Ship Arrived

His ship arrived at heaven's pier. Where peaceful zephyrs blow, The throngs sent out a lusty cheer. And heaven seemed to glow. His family heaped him up the stairs. With happy arms and strong. They brushed aside his earthly cares. They'd waited him so long. His faith that no one ever died. But lived forever more. Upon this day was verified. Upon this peaceful shore. He found the promise God had made. Of life beyond the sea. Had brought him from earth's darkened shade. And set his spirit free. We can't imagine how much fun They had upon that day. When promises of God were done. And clouds were brushed away. When old acquaintance were renewed. Neath heaven's buoyant tang. And he received what he'd accrued. And all the angels sang.

Mr. and Mrs. Alton Goll had as their Sunday dinner guests, Mr. and Mrs. Howard Keit and family.

The teachers and officers of the Waterford Community Sunday School are reminded of the council meeting tonight. It is important that every teacher and officer be present.

In the absence of Reverend Wright VanPlew, who is speaking in Mansfield, Ohio, this week, Floyd Miles of Pontiac Camp of Gideons gave a very interesting talk at the Community Church on Sunday morning. At the evening service Reverend E. M. Mains delivered the message. Reverend and Mrs. Mains also sang three songs. They were accompanied on the guitar by Reverend Mains.

Reverend VanPlew will return to Waterford the last of the week.

Men are urgently needed to work on the addition to the Community Church. Workers' nights are Tuesday, Thursday and all day Saturday. The building committee has announced that they would like to start holding services in the addition on the last Sunday of the month.

At the recent meeting of the intermediate troop No. 2 of the Waterford Village Girl Scouts the following officers were elected: president, Alberta Thornburg; vice president, Janice Gidley; secretary, Louella Bell; treasurer, Patricia Heathcott; 1st patrol leader, Sally Ann Purcell; assistant 1st patrol leader, Joan Hillman; secretary-treasurer, Connie Jones; 2nd patrol leader, Sally Hillman; assistant 2nd patrol leader, Temple Harrop; secretary-treasurer, Terrie Keech; 3rd patrol leader, Sandra Williams; assistant 3rd patrol leader, Janet Rowe; secretary-treasurer, Patricia Lowery. The group is working on photography and headband-craft badges.

Members of the Girl Scout Leaders' Association met at the home of Mrs. Louis Hillman on Thursday evening of last week to revise the constitution and make plans for the regular monthly meeting which was held on Monday at eight o'clock in the C. A. I. building.

Mrs. Ralph Sherrod, secretary, Mrs. Rosina Susslin, treasurer, Carlos G. Richardson.

The troop organization chairman is Mrs. Lloyd Porter and her committee members are William Shuck and Mrs. Egan Walsler. Program chairman is Mrs. Earl Floyd with committee members Jim Lambertson and Dr. Daniel McGeen. Mrs. Donald Herr is the Day Camp Director and the Camp's registered nurse is Mrs. Dorothy Lane. Training chairman is Mrs. Kenneth Barber assisted by Mrs. Harry Kuenzer in charge of public relations are Mrs. Thomas Ogden and Miss Shirley Giesch. The membership committee has Mrs. Martin Wolverton in charge with Mrs. Egan Walsler, Mrs. Marshall White and Mrs. Ralph Bergeman assisting. Mark Stewart is in charge of finances and his committee includes Erwin Greer and Herbert VanWelt.

At the meeting Mrs. William Gravilla taught a new song to the fifty members present. During the evening the group made decorations for the Oakland County Area Meeting to be held next Thursday.

MSC FARM PROGRAM OPEN TO VISITORS. Visitors to the Michigan State College campus on Tuesday, Wednesday, and Thursday of Farmers' Week this year will have an opportunity to be guests at the Farm Service Hour broadcast over WKAR and WKAR-FM, the MSC radio stations.

Grant Salisbury, farm editor, reports that the regular noontime farm service program will be broadcast direct from the stage of the auditorium on those three days. Farmers' Week visitors can "sit-in" for all or part of the program from noon to one o'clock. In addition to the regular features such as weather forecasts, market reports, and late world news, guest speakers on the campus that week will be introduced and interviewed.

Again this year, WKAR and WKAR-FM will broadcast the morning devotional period at nine o'clock and the afternoon general session at three o'clock as well as on-the-spot broadcasts from a number of the agricultural and home economics meetings. The WKAR frequency is 870 kilocycles and the WKAR-FM frequency is 90.5 megacycles.

GEORGINA THAYER
Georgina was born in Canada on August 20, 1932. She came to Clarkston in October, 1946. Georgina's favorite dish is fruit salad topped with whipped cream. Her hobby is collecting dog statues.

She says her pet peeves are some certain teachers. I don't believe we have much to worry about though since Georgina seems to have the ability to get along with most anyone.

Georgina's favorite sport is swimming. Her favorite song is "I Love You So Much It Hurts Me".

Georgina is 5 ft. 5 in. tall. She has been liked by most of her schoolmates and we know she will long be remembered.

WARM CHICKEN'S WATER IN WINTER
A warm drink on a cold day is a good way to combat winter egg laying slumps. When water gets below 45 degrees, the chickens don't drink readily and production drops.
Michigan State College poultrymen agree with some research done in sub-zero weather in Wisconsin that showed warm drinking water to be responsible for helping to keep up production.
An electric water heater is often used to supply the needed warmth so that hens don't have to break a skin of ice to get a drink.

ANIMALS TO SHARE SPOTLIGHT DURING FARM WEEK PROGRAM
Aiding farmers to produce top quality livestock is the job of the Michigan State College animal husbandry department. Showing these animals to the public and telling how results can be obtained by others is one of the features of Farmers' Week at East Lansing, January 30 to February 3. The Michigan beef calf feeding project steer show will again add popularity to the livestock events. About 45 top quality steers will be on parade on Thursday and will be sold at auction the same day.
The Michigan Sheep Breeders' association will again offer a special discount to all 4-H and FFA purchasers at the association's annual bred ewe sale on Wednesday. Sixty purebred ewes will be sold.
Swine events on Wednesday will again be led off by the judging of barrows as individuals and as pens. Entries will come from 18 counties. It is expected that at least 40 pens will qualify and around 150 choice pigs selected for the show.
Tuesday, January 31, is horse day. The Michigan Horse Breeders' and Dynamometer association have arranged a number of programs for the day. Draft colts will be judged in the morning, followed by a feature heavyweight pulling contest.
The annual livestock banquet is scheduled for Wednesday night with entertainment and guest speakers.
An added feature this year will be the "Little International," held Friday and Saturday by MSC agricultural students. Top-flight entertainment and animals are set for the event.

ETIQUETTE
When introducing one person to another do not say Mrs. Jones meet Mrs. Smith; Mrs. Smith meet Mrs. Jones. The correct way is to repeat it only once - Mrs. Jones meet Mrs. Smith.

When gentlemen are introduced to each other they always shake hands but when a gentleman is introduced to a lady she generally merely smiles, bows slightly and says "how do you do". She does not necessarily have to shake hands but when the man offers her his hand she of course should offer hers.

JOKES
Tom - I bet you think twice before you leave that beautiful wife of yours alone for an evening.
Jim - Yep, first I think of an excuse for going out, then I think of a reason why she can't come along.

Oh, a little disagreement.
'Between you and the boss?
No, between the books and the till.

Mary's cousin came over. They were talking about report card marks. Her cousin said, "I got an F-B on my report card".
"And what does that stand for?" asked Mary.
"F is for failure, and B is for better luck next time".

Ma threw pa's spittoon away. Pa said to ma, "Boy, I sure miss my spittoon, ma".
Ma said, "That's just why I threw it away, you always miss it".

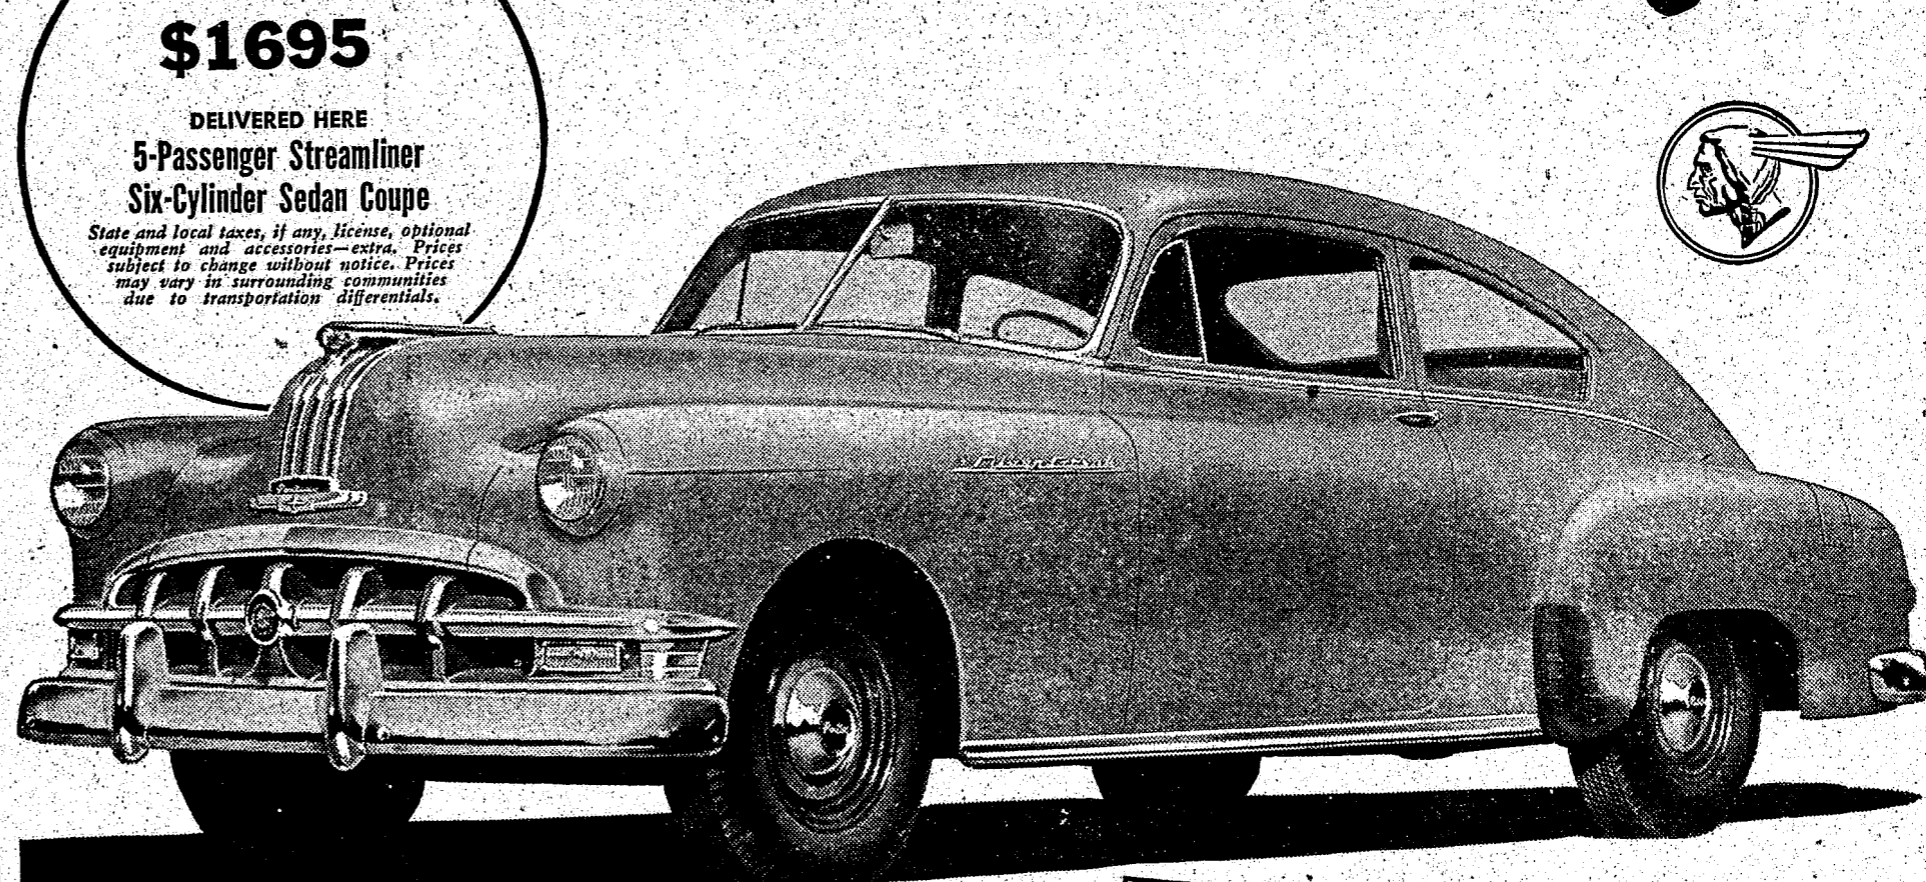

Little John came running in the house saying, "Mother, I got a hundred in school today".
"You did", replied the mother.
"Yup, forty in one test, and sixty in the other".

Rural Tele-news

BEARING FRUIT
Michigan Bell's rural construction program continues to produce more telephone service for Michigan farmers and their families. There are now 73,000 more telephones in the rural areas we serve than before the war. This required setting 76,000 poles and stringing 37,000 miles of wire. Since V-J Day we've spent \$15,000,000 on rural telephone construction.

LET'S TAKE IN A FREE MOVIE
Michigan Bell maintains a library of interesting and entertaining films, which are provided without cost to clubs, Granges, Farm Bureau groups, schools, church gatherings, and meetings of all kinds. These films show many phases of the telephone business. To obtain a free catalog listing many interesting telephone movies, or to arrange for the films, simply call your Telephone Business Office.

THE FARMER AND THE TELEPHONE
If you made a list of the equipment that helps the Michigan farmer work his farm efficiently, more profitably, you'd undoubtedly include the telephone. For the telephone is one of the world's greatest time-savers . . . and time is money on the farm. The telephone is important for ordering supplies from town, getting the latest market prices, selling, or simply talking over mutual problems with friends and neighbors. It's easy to see how a telephone on the farm is worth a lot more than it costs.

BELIEVE RECORD SET BY MICHIGAN POTATOES Paul Damme's yield of 1,038 bushels of potatoes on a acre from his Marquette county farm in 1949 may have set a new world

production record for unirrigated potato crops. D. L. Clamahan, farm crops extension specialist at Michigan State College, has searched American records of high yields and can find no previous claim of such heavy production.

VanDamme reported his yield in late September of 1949 and it was checked by R. H. Kaven, Marquette county agricultural agent. The yield of 1,038 bushels an acre came from a six acre plot of recently cleared land on the Van Damme farm.

Electrical Service of all kinds Clayton Frick, Sr. Licensed Electrician Phone MA 5-3205 Clarkston, Mich.

Clamahan says records show that two different Colorado potato farmers, using irrigation, produced crops in 1920 and 1939 that yielded more than 1,000 bushels an acre. No yields in excess of 1,000

bushels an acre on fields not irrigated have been recorded in potato publications. Clamahan reports.

THE DOCTOR CAN WAIT

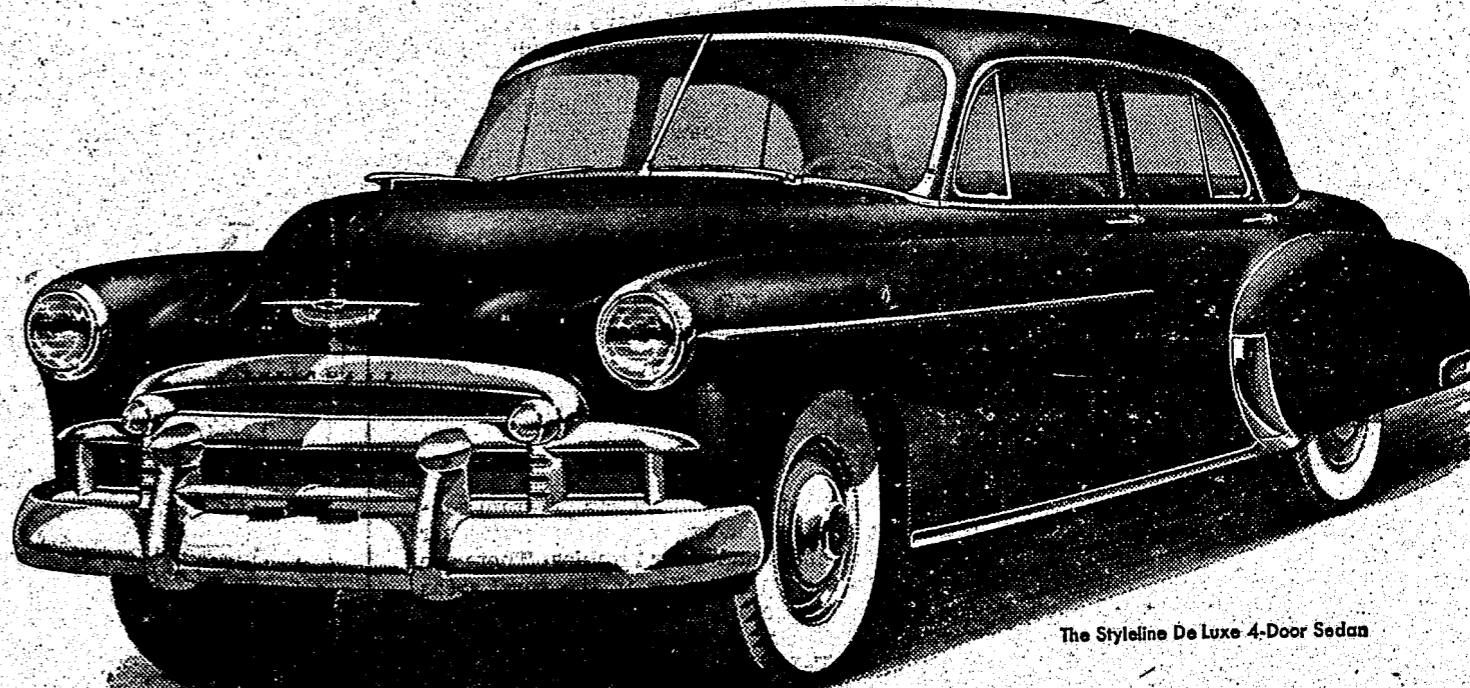

How often have you heard it said, "I've paid all my bills except the doctor's. He can wait?" When we have recovered, the fearful urgency of that night call is easily forgotten. In answer to our frantic call, what if the doctor had said, "Oh, it's nothing serious. Wait until morning and come down to the office." The chances are we would agree to pay double if he would come at once. Health is not an item for trade and barter. In fact, the only wealth is health. Consider your doctor bill as your best investment in the continued enjoyment of life. As pharmacists, we stand ready to fill your prescriptions promptly and accurately.

 well equipped industry which has
 been engaged in the making of
 many items which have met with
 approval all over the country.
 In our present era no firm has
 progressed without meeting the
 most exacting demands of its pa-

 which are dependable and which
 meet all the requirements of ap-
 pearance, longevity and economy.
 These thoughts have been born
 in mind by Robert White, the
 owner of the Ortonville Tool &
 Manufacturing Company and to-
 day they make a host of products
 that range from carpet display
 racks to wheel barrows. In fact,
 a list of items made by them in-

**WANT TO MAKE THE NEW YEAR
 HAPPIER**

Want to make the new year
 happier than the last? Maybe some
 resolutions regarding your chil-
 dren will make daily living easier
 and happier.

Relax and enjoy your children.
 Keep your sense of humor and
 sense of values, but don't confuse
 relaxation with indifference, ad-
 vices Herculio Borgman, child de-
 velopment authority at Michigan
 State College.

It is very likely that finding out
 what you should expect of your
 child will help you relax. For ex-
 ample, if you know that most two-
 year-olds do not play co-
 operatively you will not be em-
 barrassed because your own ig-
 nores another child who came to
 visit. You will be satisfied if
 they want only to play in the
 presence of another.

Of course, children are individu-
 als and no one child can be ex-
 pected to conform in all respects
 to a set pattern. Individual differ-
 ences account for the fact that a
 child may be ahead of his group
 in some respects but behind in
 some others and yet be a very
 normal child.

When we ask more mature be-
 havior of a child than he is cap-
 able of, it usually means failure
 for him and almost always
 causes strain between the parent
 and child. Neither does he want
 us to underestimate his experi-
 ence and abilities. Consequently,
 the more you learn about all chil-
 dren, the better background you
 will have to understand all chil-
 dren.

If you put the emphasis on im-
 portant things you can take lesser
 things in stride. If you have in
 mind that you want Billy's home
 to be a place where his friends are
 welcome, you are less likely to be
 annoyed at the mess they are
 making on the porch with model
 airplanes! You can honestly tell
 them you are glad they are having
 a good time, admire their work
 and help them restore order.

**CURB RINGWORM
 BY SANITATION**

Rapid spread of ringworm, a
 fungus-caused skin disease, often
 occurs during the winter in herds
 of young cattle crowded into damp,
 poorly lighted barns.

Dr. B. J. Killiam, Michigan
 State College extension veterinar-
 ian, says that scrubbing the quar-
 ters with a solution of lye dissolved
 in boiling hot water is one step
 in preventing it. Good ventilation,
 plenty of light and a coat of
 whitewash over the interior of the
 barn will also help in safeguarding
 cattle against the disease.

To remove a candy stain which
 contains sugar and no fat, use
 water. Dip a toothbrush into luke-
 warm water, and tap the stain
 with the brush to get water com-
 pletely through it. Then dry with
 a chamois, advise Michigan State
 College home economists.

The home which is comfortably
 operated, following the golden
 mean of not too much nor too
 little system, is apt to be one in
 which family members are freer
 to enjoy each other.

Homemakers attending the annual
 Farmers' Week at Michigan
 State College will find outstanding
 programs planned for them on
 January 31, February 1 and 2.
 Events are planned for women of
 all ages and interests.

Values that Endure...

The old-fashioned cracker barrel, once standard equipment for every grocery store, is as dead as the dodo bird in today's modern food market. But the old-fashioned standards of friendliness and the standards of value established by Kroger 68 years ago are first in importance for every Kroger store today.

The growth and development of
 this firm, has in a large measure,
 been due to the fact that it has
 placed emphasis upon good ma-
 terials and good workmanship. The
 resulting products have been of
 a quality that has placed them
 in the front in their respective
 fields. Being a small organization
 with eight to twelve employees
 it can adapt itself to almost any
 conditions. However, the firm has
 in many ways contributed to the
 general well being of the commu-
 nity by bringing in many thou-
 sands of dollars each year and
 giving gainful employment to
 skilled workmen.

The board of directors of Artificial Breeders Association No. 1 met Wednesday, January 11, and it was interesting to note that

Dick Mackenroth is getting very good results in the breeding work in this association covering south-west Oakland County. The board of directors of A. B. A. No. 1 are planning on a tour of the East Lansing artificial breeding set up to see the bulls and barns located on the Michigan State College Farm. It is expected that the tour will take place February 15. Members of the board who will go on the tour are: Don Hines, Lloyd Croft, Bernard Carver, Lyman Joslin, Bill Peters and George Campbell.

It will be our pleasure to talk at the Oxford Coop meeting to be held at Oxford, January 26. We are always happy to attend such events and get in our "two cents worth."

The first meeting of the Oakland County Planning Council was held on January 12, at the Social Welfare Building. The purpose of the Planning Council is to disperse information to the local leaders in the districts which are represented by the Council members. Also to present to the Oakland County Extension Service, material which will enable them to present to the leaders the things which will help them most. The Planning Council will provide for a two way flow of information.

HOME EXTENSION CHAIRMAN ATTENDS DISTRICT MEETING
Mrs. Maurice Young, Oakland County Home Demonstration Executive Committee Chairman, and Mrs. Arthur Simmons, past chairman, accompanied Mrs. Josephine Lawyer, Home Demonstration Agent, to attend the district meeting for County Chairmen of Home Extension Clubs in the East District on January 12, in Ann Arbor, Michigan.

Other extension women and Home Extension Clubs in the East District on January 12, in Ann Arbor, Michigan.

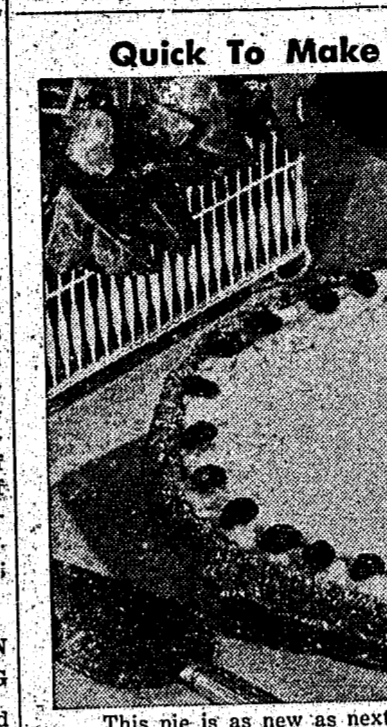

Mrs. Grace Howard of Livingston County was elected District Chairman of the East District for a two year term.

Business of the National and Michigan Home Demonstration Councils was discussed. The program of work for the nation during 1950 was discussed.

The scholarships awarded by the Michigan Home Demonstration Council were thoroughly studied. A Freshman Scholarship of \$150 is given two freshman girls at Michigan State College each year. Awards are made on the basis of (1) high scholarship, (2) interest in a career as home demonstration agent, (3) 4-H Club membership and (4) need for financial assistance.

A Foreign Student Scholarship fund is being established to bring a home economist (probably from Germany) to Michigan State College for a six months period. She will work with Home Demonstration Agents and live in Michigan rural and urban homes to participate in the daily problems of the homemaker. On return to her country, she will carry on an extension educational program.

Lansing the week of July 17th to 21st.
A Health and Safety Program for all counties was described by Mr. David Steinicke, Extension Specialist in Health and Safety. The County Chairman, Mrs. Maurice Young, will be responsible for this committee and its work through home extension clubs in this county.

Quick To Make And Good To Eat
This pie is as new as next week's headlines. It is a happy combination of modern cooking methods and old-fashioned goodness. A glance at the recipe will show you that it takes but a few minutes to prepare this pie, and yet it has all the flavor and real tastiness of an old-fashioned pie. First you make the corn flake crust and put it in the ice box to chill. Then all you need is the applesauce filling, and the actual count to make this filling is one minute. The secret is that the new instant dessert used in this recipe is pre-cooked, so you eliminate the cooking and cooling step. This packaged 30-second instant dessert comes in three flavors—vanilla, chocolate and butterscotch—try using them as a pie filling for other pies, too.

APPLESAUCE CREAM PIE
4 cups corn flakes
1/2 cup melted butter or margarine
Yield: One 8 or 9 inch pie shell.
Crush corn flakes into fine crumbs. Add sugar and butter; mix well. Press evenly and firmly around sides and bottom of pie pan saving two tablespoons for topping, if desired. Chill well or bake in moderate oven (350° F.) about 8 minutes. Cool before adding pie filling.

APPLESAUCE CREAM FILLING
1 1/2 cups cold milk
2 tablespoons lemon juice
1/2 teaspoon cinnamon
1/2 teaspoon cloves
1 package instant vanilla dessert
1 cup applesauce
raisins
Pour milk into a large bowl, add lemon juice, cinnamon, clove, and instant dessert and whip with a rotary beater 30 seconds.

When buying meat consider cost not only from the standpoint of the price per pound, but from the standpoint of cost per serving, considering the amounts of fat, bone and waste. Consider also family satisfaction, advises Jeanette Lee, assistant to the dean of home economics at Michigan State College.

MARCH OF DIMES WEAPONS AGAINST POLIO

ELECTRON MICROSCOPE \$15,000	COST OF A PHYSICAL THERAPIST OR NURSE PER DAY \$10	ULTRA CENTRIFUGE \$10,000
RESPIRATOR \$1,500	COST OF HOSPITAL SERVICE FOR 1 DAY \$13	HOT PACK MACHINE \$300
ONE POUND OF HOT PACKING MATERIAL \$1	PROFESSIONAL SCHOLARSHIPS AND FELLOWSHIPS \$150-\$6,000	WHEEL CHAIR \$50
ISOLATION MASK 10¢		

What Your Dimes Buy

A glance at the chart gives a partial idea of the huge costs involved in fighting polio. Tremendous outlays for polio research, great expenditures for medical and professional education, together with skyrocketing costs for medical care caused by last year's record polio epidemics, have seriously reduced the resources of the National Foundation for Infantile Paralysis. Give to the 1950 March of Dimes (January 16-31).
