CLARKSTON, MICHIGAN, THURSDAY, FEBRUARY 23, 1950

## 3 FAMILIES MADE HOMELESS BY FIRE

Fire of an unknown origin broke out in the Linabury house just south of the Dairy Bar on S. Main Street in Clarkston about 10:30 A. M. Wednesday and totally destroyed the building. Three families were made homeless as a result. Fortunately none of the occupants were injured.

Three families living in the building were: Mr. and Mrs. Archie Greer and family consisting of two girls and one boy; Mr. and Mrs. Earl Greer and family of four sons and Mr. and Mrs. Edward Carter with a family of three boys and one girl. While none of them were injured their household contents were a total loss and as far as can be learned, as we go to press, was not covered by insurance.

The fire had gained such headway by the time the Clarkston Fire Department was called that it was necessary to call the departments from Springfield, and Waterford.

An appeal is made for clothing, furniture, etc., for the families who have instantly been made homeless. Since all belongings were destroyed most anything useable would be appreciated. There are 7 boys, ages from 3 to 13, and 2 girls ages 8 and 14. Leave the clothing in charge of Mrs. Al Poole at the Clarkston Motor Sales on the corner of Main and Church Streets. Furniture, bedding and household goods are to be taken to the Clarkston Dairy Bar adjacent to the burned building on Main Street. Your help is urgently needed NOW.

The building was owned by Roy Annett of Pontiac and was partially covered by fire insurance.

The local Red Cross in charge of Charles Robinson is trying to care for the immediate needs of the three families. However more help is requested.

Although the wind blew the fire away from the Dairy Bar, care had to be taken to protect the residence and shop of William Gassick on the south side of the building.

### Clarkston Locals

Mrs. N. E. Maytag arrived at her home last Friday after spending several weeks in the southland. Mrs. Maytag was accompanied by her friend, Mrs. Ethel Shelley of Newton, Iowa. They spent a couple of weeks with Mrs. George D. King in Boynton Beach, Fla., and then went across the state to Clearwater and St. Petersburg for a few weeks. They returned home by way of New Orleans and were in that interesting city in time to see the start of Mardi Gras. In leaving New Orleans they found that they could not take the direct route north to Birmingham, Ala., on account of flood waters. They say they know now what they mean when they hear of the turbulent waters of the Mississippi. The river was very high and very dangerous looking. They were routed from New Orleans to Baton Rouge, La., then to Natchez, Miss., and on to Birmingham, Ala. On account of flood waters they had to check the route almost every half day before proceeding. Mrs. Shelley expects to return to her home in Newton, Iowa, on Friday.

Born to Mr. and Mrs. Duane Richardson a 7 lb 11 1/2 oz son, Jeffrey Duane, on Monday, February, 13th.

## CANDIDATES NAMED FOR VILLAGE OFFICES ON MONDAY

At the Caucus held in the Council Chambers on Monday the following officers were nominated: president, Robert Waters; clerk, Russel Colton; treasurer, Mary Baldwin; assessor, Lloyd Sibley; trustees: Ralph Thayer, Roderick Muma and A. E. Butters. Ralph Thayer was named for the place held by E. V. Squier, while Muma and Butters will succeed themselves. Russel Colton had wanted to be relieved of his duties due to other work demanding his time but was persuaded to accept the nomination.

## Engagement Announced

Mr. and Mrs. David Beals of Clarkston announce the engagement of their daughter, Donna Lorraine, to Howard D. Cook, son of Mr. and Mrs. LaVerne Cook of Jackson, Michigan. The couple has set no date for their marriage.

## Waterford-Drayton Rotary Club News

The annual Ladies' Night was held on February 16th at Rotunda Inn and was a grand success. The group enjoyed a fine banquet and an evening of entertainment. Maurice Gly of Saginaw, author of Paul Bunyan Tales, was on hand to relate some fantastic incidents. A quintet of voices, Jimmie Donaldson, William Spalding, Clint Miller, Bud Nichol and Dean Peterson, rendered several songs. The evening was rounded out with humor and plenty laughter. The program chairman for the evening was Herb VanWent and was assisted by a willing and capable committee. Jerry Monroe furnished the corsages for the ladies.

At Tuesday's meeting at the C. A. I. building Mrs. Mulby of the Children's Juvenile Institute at Ann Arbor gave an excellent description and interesting and enlightening information on the activities of the Home, the placing of children in private homes, their care, likes and dislikes, peculiarities, physical handicaps and how handled. She made everyone realize that this was a full time job until the child reaches the age of 19 when they are on their own. So little is known of this type of institution that the Rotary members and their guests were pleased to hear Mrs. Mulby. Among the guests were Fred Breen of Pontiac, Homer Hoskins of the Pontiac Club and Wallace Ridgley of the Clarkston Club.

## Marriage Announced

The marriage of Mrs. Amanda Herrington, manager of Green Acres Rest Home, and Walter Alsbach, formerly of Hazel Park, took place on January 25th at the Chapel of Our Lady of the Lakes Parish. Reverend F. J. Delaney performed the ceremony.

## Waterford

Twenty-six attended the book review at the home of Mrs. George Dean last Monday. They heard two splendid reviews. Mrs. Shunk told the story of "The Passionate Warrior" by T. R. Ybarra and Mrs. Eugene Cleland outlined "Young Man of Caracas" by the same author. Dainty refreshments were served. The next meeting will be on March 20th at the home of Mrs. Arthur Arnold, 5756 Desmond Ct., Williams Lake. Mrs. Louise Davis will review "The Mud Lark" by Theodore Bonnet.

## BB Tournaments Start March 1

At a meeting held in Pontiac Tuesday the following drawing was made for this district. Oxford plays St. Mike's of Pontiac at 7:30 Wednesday — Holly plays St. Freds of Pontiac at 9 on the same evening. Clarkston drew a bye for the first round and plays the winner of the Oxford-St. Mike's game at 7:30 Thursday. Avondale drew the other bye and will play the winner of the Holly-St. Freds game at 9 on Thursday. The winners of these two games will play for the championship on Friday.

## Wolves Muff Chance To Clinch Title

Friday night Clarkston traveled to Fraser to absorb its first league setback of the season. Clarkston was having a "cold" night and this coupled with a bit of overconfidence brought on the downfall. Fraser on the other hand was a determined team and not to be denied. Clarkston found themselves 3 points behind at the end of the first quarter, 9 points behind at the half, 10 points at the end of the third quarter, and behind 13 points at the end of the game. This was the biggest margin by which Clarkston has lost this season. Final score Clarkston 36 Fraser 49. Jim Hartsig had a field day for Fraser and racked up 20 points. Rouse was high for Clarkston with 15.

## Service Friday In Clarkston

On the first Friday in Lent, the World Day of Prayer will be observed in 90 countries. The chain of prayer will be made by millions of people worshipping in all corners and centers of the earth and praying in sixty different languages. Following the sun, it will be started in the Fiji Islands at dawn and continue westward from the crowded ports of Singapore and Shanghai into isolated villages of China and Pakistan; to the African jungles to the Arctic wildernesses.

## World Day of Prayer is Interdenominational, Interracial, and International in Scope

Offerings are divided between missionary work at home and abroad to bring the people of our country and the world into greater communion with each other through supplying their spiritual, educational and recreational needs. Last year a quarter million dollars was collected and used in this work. The annual event is sponsored throughout the world and in this country by the United Council of Church Women, an organization representing 10,000,000 women. The observance of the World Day of Prayer will be at the Clarkston Baptist Church on Friday afternoon from 3 until 4 o'clock. There will be a speaker and special music. The committee in charge of the program includes Mrs. Walter C. B. Saxman, Mrs. Fred Steiner and Mrs. David Stewart. Regardless of your church affiliations you are invited to attend this service.

## Notice

On Sunday morning, Feb. 26, from 9:15 to 11:15 the Waterford Township American Legion Post No. 431 will serve a Pancake Breakfast at the Community Activities building on Williams Lake Road. The public is invited.

## Clarkston Locals

The friends of Mrs. Carl Anthony, Jr., will be glad to learn that she is recovering nicely in St. Joseph Mercy Hospital in Pontiac after undergoing an operation last week. Mr. Wallace Ridgley, school superintendent, will attend the convention of the American Association of School Administrators in Atlantic City, N. J. from February 25 to March 3rd.

## Church News

Wednesday, March 1st — The W. S. C. S. will hold the quarterly meeting at the church. The Priscilla Circle will be host for the afternoon and will serve a planned luncheon at 12:30. The members are urged to attend.

## New Phone Service Well Accepted

In the few weeks that have elapsed since the introduction of extended-area telephone service here on January 8, the plan has been well accepted by telephone users.

Robert E. Poll, manager of the Michigan Bell Telephone Company, said the volume of calls to Commerce, Drayton Plains, Lake Orion, Oxford (including Leonard), and Pontiac is running considerably higher than during the period prior to January 8, when toll charges were in effect for all users on calls to these adjacent exchanges.

Poll said the new service had now been extended to 161 of the company's exchanges throughout the state and that the calling rate between exchanges included in each area had increased from two to five times over the previous rate.

This, he said, bears out Michigan Bell's contention that modern living habits have vastly increased the size of local "communities of interest."

"Communications, like transportation facilities, must be kept up to date if our present social and economic progress is to continue," Poll said.

"Extended-area service was designed to fulfill the needs of modern living in an enlarged community and was termed a 'forward-looking step in the history of telephony' by the Michigan Public Service Commission in approving Michigan Bell's application to inaugurate the service in most of its outstate exchanges."

## Williams Lake

The executive board of the P. T. A. will meet on Tuesday evening at 7:30 at the home of Mrs. William Kelly on Hatchery Road. The regular meeting of the P. T. A. will be on Thursday evening, March 2, Open House will be held at 7:30 to give the parents a chance to visit the classrooms. At 8 o'clock the president, Mrs. Roy Olson, will open the regular business meeting. The annual election of officers will be held. On the nominating committee are: Mrs. Richard Spies, chairman; Mrs. Lewis Eisenlohr, Mrs. Harry Luxon, Mrs. Clifton Williams and Mrs. Clare Hubbell. The guest speaker will be Colonel James Walsh, The Old Traveler for AAA.

At the last meeting of Girl Scout Troop No. 2 the girls made place cards to be put on the lunch trays at the contagious hospital on Washington's birthday. Mrs. Harold Pattison, assistant leader, delivered the cards to the hospital. Mrs. Jack Boyd is the troop leader.

## INTERESTING LETTER COMES FROM WEST

Marveling at the growth of Southern California within the past two years since she last visited the Far West, Mrs. Edward Wieland, who is spending the winter with her daughter and son-in-law, Mr. and Mrs. Guy Price in Beverly Hills, California, writes an interesting letter to friends here. She states that the sky line of the City of Los Angeles has changed so much, with its hundreds of new building structures, in the past 24 months since she was last there that she hardly recognized it. "I just couldn't believe my eyes as we drove through the streets of the city to my daughter's home in Beverly Hills," she says in her letter. "How they can say that business conditions are bad with so much improvement is something I do not understand. I have been enjoying myself immensely, attending radio and television shows and occasionally visiting the motion picture studios with my son-in-law who has extensive business relations with many of the producers and stars. The Al Jolson broadcasts and the Ed Wynn show, which is televised from here, are my favorites. "Aside from a few days of rain, we have had very nice summery weather, enabling me to get my two or three hours of sunshine every day. For a change, on my trips up the Coast was in a rain shower and the glistening pavements and reflections on the Pacific Ocean as we motored past the coastline resorts and the motion picture Colony, where so many of the stars have their homes, were really a sight to be-

## Cub Scouts Dinner Grand Success

Nearly one hundred and twenty-five Cub Scouts, parents and guests attended the Blue and Gold pot-luck dinner at the Clarkston School on Wednesday evening of last week. Reverend Charles Halk of the Baptist Church gave the invocation.

Jerry Snover, Kenneth Hogg and John Reynolds conducted the flag ceremony. Charles Wasson acted as toastmaster and introduced Mr. Wampler who gave a reading on the origin of the Cub Scouts. An accordion solo was played by Bal-dorise Pelham and Mr. Stuart Caprot of Oxford entertained with magic acts with rope.

Each Den had its own dinner table and was responsible for the table decorations. Den three won the honor banner for the most original idea. Mrs. Wallace Ridgley, Reverend Halk and Stuart Capron were the judges.

Wolf badges were presented to Fred Turek, Jr., John Tisch, Billy Wampler and Charles Wasson, Jr. Fred Turek, Jr., was also presented with the golden arrow. Bear badges went to Gary Craven, Richard Zepplin and Jimmy Weber. Jerry Snover and Kenneth Hogg received their Lion badges.

Den Chief awards were presented to Billy Turek, Don Turek, Vaughn Walton, and Jim Rudduck. Bobby Porritt won his Bob Cat pin.

## Milo E. Shaw Completes Course

A unified class of 158 enlisted students from the Army, Navy, Air Force, Marines and Canadian Air Force graduated from the Armed Forces Information School at Carlisle Barracks, Pa., on February 15th. They have now departed for their home posts, bases and installations all over the nation to work as information specialists. Colonel K. R. Powell, USAF, acting commandant in the temporary absence of Brigadier E. J. McGaw, addressed the class and presented the diplomas. Sergeant First Class Milo E. Shaw, son of Mr. and Mrs. Elmer C. Shaw, 9785 Crosby Lake Rd., Clarkston, was a graduate of the Public Information course in the above group. He has now returned to his home station, Fort Hancock, N. J.

## Rotary Anns Meet Tuesday

The Clarkston Rotary Anns will meet at the home of Mrs. W. H. Stamp on Tuesday evening, February 28th, at 8 o'clock sharp. Mrs. William Sharpe will be the assisting hostess. The program will be in charge of Mrs. Ronald Walter who is pleased to announce that the guest speaker will be Mrs. Donald Adams of Pontiac. Mrs. Adams, whose name is almost synonymous with the word "historical" will tell the history of Oakland County. Mrs. Adams is vice president of the State Historical Society; secretary of the County Historical Foundation and the only woman member of the State Historical Commission.

## Rotary Club News

Loyal D. McMullin, Field Executive for the Boy Scouts in this area was the speaker at Monday's meeting of the Clarkston Rotary Club. He thanked the Club for having donated the steel pier at Camp Agawam; explained what was happening at the camp and showed a picture depicting the advantages of the Boy Scout program for boys. Guests included Fred L. Lennen of the Ortonville Rotary Club and Dr. Rockwood Bullard. Dinner was served by a committee headed by Mrs. Wallace Ridgley, assisted by Mrs. O. C. Adams, Mrs. Lee Clark, Mrs. Paul Henry, Mrs. John Turek, Carolyn Ridgley and Carol Vincent.

## Clarkston Locals

Mr. and Mrs. Earl Terry went to Ann Arbor on Tuesday to visit Mrs. Terry's father who is a patient in the hospital there.

## Guild Met Tuesday Evening

On Tuesday evening the Mary-Martha Guild of Our Lady of the Lakes Church met at the home of Mrs. Milton Harrington at Williams Lake. Eleven members were present and plans were discussed for dressing dolls and also for a parcel post booth at the summer festival. The next meeting will be held on Tuesday, March 21st at the home of Mrs. Alvin Law.

## THREE CLASSES VISIT CANCER INSTITUTE

Last Friday the Vocational Guidance, Chemistry and Home Nursing Classes visited the American Cancer Society in Detroit. Upon arrival at the Institute we assembled in the Auditorium to see a movie on "You Are the Switchman". The movie compared how important the alertness of a switchman is for the protection of train passengers to how important it is that we should be aware of symptoms that could destroy our bodies. It showed how a typical Doe family's home was destroyed by unhappiness when Mr. Doe postponed a doctor's examination for an unhealing lip sore. It also showed how happy the family would have been if Mr. Doe would have gone immediately to the doctor or when the sore failed to heal. We were told if we learned nothing from the visit we were to learn these seven danger signals of Cancer.

1. — Any sore that does not heal particularly about the tongue, mouth or lips.
2. — A painless lump, especially in the breast, lip or tongue.
3. — Bloody discharge from any of the natural body openings.
4. — Progressive change in the color or size of a wart or mole.

## Cub Scout News

The Cub Scouts are indeed grateful to all who helped make their waste paper drive last Saturday a real success. They collected paper until early evening. The Cubs are planning to have another drive early in May and they are in hopes that they will be as successful as they were last Saturday. Start saving your papers now for the next drive. On Tuesday starting at 1:30 P. M. there will be a Stanley party in the parlors at the Clarkston Baptist Church for the benefit of the Cub Scouts. Mrs. Charles Wasson and Mrs. Richard Snover will be the hostesses. The public is invited. If you cannot attend the party but you would like to help the Cubs by ordering some of the products phone MA 5-5097 or OR 8-6212 and your order will be taken care of.

## Farm and Garden Club News

The Clarkston Farm and Garden Club invites all women in the community to an open meeting and Tea in the parlors of the Clarkston Methodist Church on Monday, 6th day of March, at 3 o'clock. There will be no charge. Miss Maude Upton of the Upton Lilac Nursery of Goodrich will give a short talk and show films of the beautiful varieties of lilacs and lilac gardens of the Nursery. Mr. Wompole has suggested that Clarkston make lilacs the local flower and use the shrub in many varieties to beautify this locality in much the same way that Birmingham has used the flowering crab.

## By The Way

If Clarkston had to have a fire perhaps it was better that it happened Wednesday morning rather than in the afternoon when the stores would have been closed. Fighting fire at any time is a hard job but in the strong wind and with snow falling some of the boys had slightly frozen hands. Kenneth Craft and brother Harvey Craft from the shop "look off" at the sound of the fire siren. After a hasty lunch, having rushed the preparation of the News, we went down to see what had happened. Looking for the fire chief, Don Beach, we found him and most of the firemen, including our shop force enjoying a dinner given by Roy Annett, the owner of the former Linabury place. It was a nice gesture, Roy, and we know the firemen are asked to give to the Red Cross. During a war it is easy to give. In times of peace and when there is no catastrophe it is sometimes difficult to see the reason for giving. However to see Charles Robinson, Red Cross Chairman in Clarkston, on the job to see what the Red Cross could do for those so quickly made homeless, made one wonder if giving to the Red Cross was not very good business and a certain kind of insurance in time of trouble. . . .

## Persistent indigestion, or difficulty in swallowing.

7 — Any radical change in normal bowel habits. And see a doctor at least once a year for a general physical check-up. After the movie we were divided into three groups that were led by volunteer workers. First we visited the kitchen where food for volunteers is prepared. Then we went into the Cancer Detection Clinic where examinations are made. Across the hall from the clinic is the Loan Closet sponsored by the Colony Club where medicine, bandages, wheelchairs etc. are loaned. Across from the Loan Closet is the work room where dressings, bed jackets and gowns are made. Next we went to the library where books on every subject of cancer study are kept. Then we went and stood in the hall by the Radio-Active Laboratory and stock room while our guide read us information on these rooms. We then progressed to the Biology laboratory where the study of tumors and normal tissues are made. The mouse and rat rooms were especially interesting as we saw mice and rats afflicted with cancer, tumors and other diseases. We were also shown a dissection by Dr. Curtis and Dr. Dunning of two rats. One was afflicted with a spontaneous tumor and the other a transplanted tumor. Next we visited the tissue culture lab, where the tissues of dead animals are kept alive in incubators. In the next room was the Physical Biology laboratory where the study of chromosomes and enzymes are made. Also how cancer spreads through the body is studied. The last room we visited was the Histology laboratory where tissue is prepared for the doctors so they can distinguish whether it is cancerous or not. After the tour we went back to the auditorium where we were served cookies and cocoa by our hostesses. About 1:30 the group of about 90 with our chaperones Mr. Weiss and Mr. Ridgley boarded the busses to come back to school. We had a very fine time and learned much helpful information on cancer research.

Evelyn M. McCrum

## Brotherhood

It matters not his skin or face, His customs or his native race, His mannerisms or his grace, He's my brother. It matters not where he was born, If what he wears is old and worn, Or if he lives a life forlorn, He's my brother. It matters not if he should stray, And wander off the right of way, For he's the one who'll have to pay, He's my brother. When God produced our family tree He made us one great family, He made him just as good as me, He's my brother. When he's in need I understand, That I should lend a helping hand, And bring him closer in our band, He's my brother. When hope and light seem very dim, And chances of success look slim, Then I should go encourage him, He's my brother. I cannot let him fall because My life is judged by what he does, Together, we must share applause, He's my brother.

Son Banquet, sponsored by Scout Troop 31, at the C. A. I. building this evening at 7:30. Floyd Brazil of the University of Michigan will be guest speaker and a 2 1/2 hour movie on baseball will be shown. All men and boys are welcomed.

Mrs. Henri Buck spent the weekend with her son-in-law and daughter, Mr. and Mrs. William Poland of Detroit.

Mr. and Mrs. Sam Buck were Sunday callers at the home of Mrs. Henri Buck.

Forty-one attended the Waterford Leader's Association at the C. A. I. building on Monday evening. Group singing was enjoyed and directed by Mrs. Ralph Sherrod. Plans were discussed for the Girl Scout Rally March 11th at the C. A. I. building from 1:00 to 4:00. It was also announced that there will be a tour through Cranbrook March 13th from 10:00 to 12:30. Reservations must be made by March 6th to Mrs. Warren Allen - OR 3-6730. The attendance plaques were won by Waterford Intermediate, Troop 5 and Drayton Plains Brownie troop.

Each leader enjoyed working with felt and making a little flower lei pin for arts and crafts. Ten ladies from Keego Harbor and Whitfield were guests at the meeting. The lunch was served by the Holy group. Nine ladies from the Waterford Leader's Association attended the Girl Scout Leader's Institute of Southeastern Michigan at Birmingham on Friday.

On Saturday night, the Men's Beacon Club will hold their regular monthly meeting with supper and entertainment at the Waterford Community Church.

The Sunday School Council of the Community Church held their meeting Thursday night and decided to have the Children's Easter Program on Palm Sunday evening. The committee will be named later.

Mrs. Minnie Weyer of Mt. Pleasant returned to her home the latter part of last week after visiting her sister, Mrs. Frances Chamberlain and niece, Mrs. Bessie Owen.

Mr. and Mrs. L. V. Van Syckle were surprised recently when they opened their door to see their nephew Lee Chamberlain of San Antonio, Texas. While here he visited friends and relatives and returned home last Monday.

Mr. and Mrs. Henry Mehlerberg spent Sunday afternoon at the home of their son-in-law and daughter, Mr. and Mrs. Fred L. Tuck to help celebrate the sixth birthday of their granddaughter, Barbara Jean. Other guests were Mr. and Mrs. Mel Baker and daughters of Detroit, Mr. and Mrs. David Mehlerberg and sons of Lapeer and Mr. D. W. Elliott of Seattle, Washington.

Mr. and Mrs. David Mehlerberg and D. W. Elliott and Mr. and Mrs. Henry Mehlerberg attended the hockey game in Detroit on Monday evening.

Mr. and Mrs. Henry Mehlerberg motored to Lapeer Thursday evening of last week where Mr. Mehlerberg attended a father and son banquet with his son, David, while Mrs. Mehlerberg spent the evening with her daughter-in-law.

The regular meeting of the

Auxiliary will be held at the home of Mrs. Arthur Davis on Thursday March 2nd, with a potluck dinner at 12:30 with Mrs. Albert Kray as co-hostess. All ladies of the community are invited.

Mr. and Mrs. Lawrence Giddings entertained at a dinner for their daughters Mrs. Carl Ender and Myrilla Mae, and friends Mrs. Wright Van Plew and son, David, for their birthdays on Monday evening.

Several ladies of the Community Church and neighborhood surprised Mrs. Wright Van Plew at her home Tuesday afternoon in honor of her birthday. After an enjoyable afternoon ice cream and a lovely birthday cake were served by Mrs. Isaac Shook and Mrs. Murdo Macdonald.

Thursday - February 23rd Father and Son Banquet sponsored by Boy Scout Troop 31 and Explorers. Lloyd Brazil, speaker; presentation of Eagle Scout award to Stanton Zang.

Friday - February 24th Community Party Saturday - February 25th Modern and old time dance. Sunday - February 26th Catholic Mass at 8:15 and 11:15. Pancake breakfast sponsored by

American Legion Post No. 431 from 9:15 A. M. to 11:15 A. M. Monday - February 27th Girl Scout Troops from 6:30 P. M. to 7:00 P. M. Boy Scouts at 7:00 P. M. Tuesday - February 28th Waterford-Drayton Rotary Club at noon. Drayton Exchange Club at 6:30 P. M. Pinochle Club at 8:00 P. M. Wednesday - March 1st Youth Night, 7:30 to 10:30 P. M., dancing, shuffle board, ping pong, and table games. C. A. I. Board of Directors meets at 8:00 P. M. Catholic Ladies' Guild meets at 8:00 P. M. Thursday - March 2nd Open Date.

EDISON PRESIDENT SPEAKS TO CLUB Against the expressed will of Congress, the Southwestern Power Administration and its parent federal agency, the Department of the Interior, are trying to force their way into the full-scale, unrestricted field of generating and distributing electric power.

This opinion was expressed last Wednesday night, (February 15th) by J. W. Parker, president of the Detroit Edison Company, in an after-dinner address at the company's Marysville power plant auditorium. He spoke to about 150

members of the Thumb District Edison Club. In support of his charges of federal encroachment on investor-financed power production, Parker cited facts and figures presented before Congress February 1, by Representative Boyd Tackett, Arkansas Democrat. "The kind of thing described by Representative Tackett is one example of a definite movement to socialize the electric power industry," Parker said. He explained that the Southwestern Power Administration originally was set up to distribute power generated at various government dams built primarily for flood control. Hydraulically-generated power, depending on seasonal river-flow, is not "firm" or steady he pointed out. So now, he said, SPA is getting together with the Rural Administration to get REA steam generating plants set up - these plants, together with proposed additional transmission lines, to be taken over by SPA. "This could ultimately lead to complete socialization of the electrical power industry in a six-state area," the utility official declared. "The way SPA works," Parker said, "is to investigate the banding of REA power distributing co-operatives in a super-co-operative. The super-co-operative then gets a loan from REA to build or purchase steam plants and lines. Here's a further rub - then SPA contracts to rent the lines and buy the entire output of the steam plants. "In this way," the speaker concluded, "SPA can circumvent Congress, and with tax payers' dollars, gain the ability to compete with investor-financed industry."

Fruit-filled Coffee Cake Square

Slices of this unusual square coffee cake reveal an unusual and rich - filling made with dried figs. Fig square makes a novel bread for afternoon parties.

Every home baker delights in surprising friends and guests now and then with a different cake, cookie, or yeast bread. Fig square is "hot off the press" and a coffee cake that will be wanted on the family table often. As highlight on breakfast or luncheon menu, this coffee cake made with enriched flour includes a generous amount of the B-vitamins and iron the family needs. The fig filling is mineral-rich. Be sure to scald fresh liquid milk used in making fig square and other yeast breads. Scalding stops enzyme action which might otherwise cause some softening of the dough. It also makes a dough that is easy to handle. You'll be delighted with the easy shaping of fig coffee cake square. Spread fig filling over rolled-out dough and roll up like a jelly roll. Place filled roll along sides of a square pan, and the square is made.

FIG SQUARE 1 package yeast, compressed or dry 2 tablespoons melted shortening 1/4 cup lukewarm water 1 egg, beaten 1/2 teaspoon grated lemon rind (if desired) 1 cup milk 1/2 cup sifted enriched flour Melted butter or margarine Soften yeast in lukewarm water. Add sugar, salt and shortening. Cool to lukewarm. Add flour to make a thick batter. Mix well. Add softened yeast and egg. Beat well. Add enough more flour to make a soft dough. Turn out on lightly floured board and knead until smooth and satiny. Place in greased bowl. Cover and let rise in warm place until doubled (about 1 1/2 hours). When light, punch down. Let rest 10 minutes. Pat or roll into a rectangular sheet about one-half inch thick and eight inches wide. Brush with butter or margarine. Spread with fig filling. Roll up like jelly roll sealing edge. Shape around edges of an 8-inch square pan. At each corner, with scissors, cut through the roll almost to the bottom. Then cut slantwise through the roll in three places on each side of the square. Let rise until doubled (about 1 hour). Bake in moderate oven (350° F.) 20 to 25 minutes.

FIG FILLING 1/4 cup dried figs 2 tablespoons water 2 tablespoons sugar 1 tablespoon enriched flour Dash salt 1 tablespoon lemon juice Cover figs with boiling water and let stand about 10 minutes. Drain, clip off stems, and snip figs into small pieces with scissors. Add water, sugar mixed with flour, and salt. Cook slowly about 10 minutes or until thickened. Add lemon juice and cool. Makes one fig square.

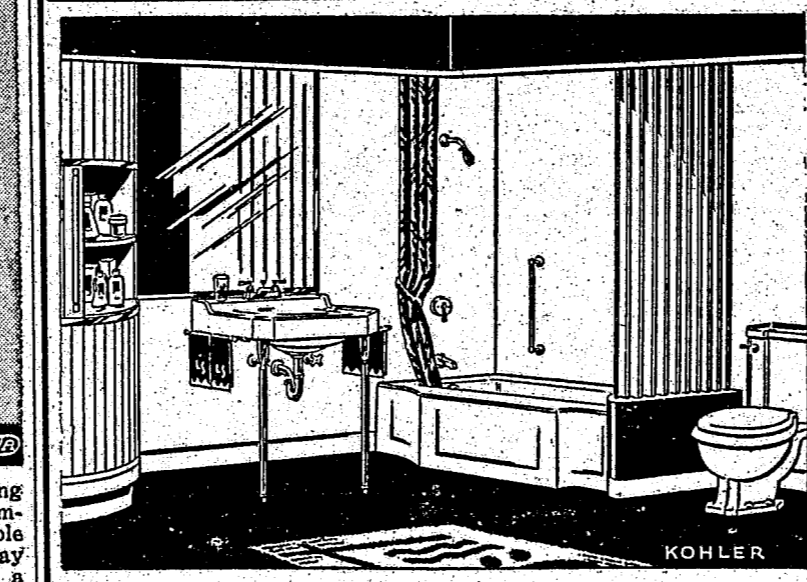

DEFENDS TITLE

GLEN ELLYN, ILL. - Training to defend her title as 1949 champion of the All-American Table Tennis tournament in Chicago May 6 is pretty Sharon Koehnke, a high school sophomore. District tournaments will be held all over the country under sponsorship of recreation departments, Y.M.C.A.'s and high schools. District winners will be chosen for the Chicago finals in the following age groups: Boys and girls under 11 years; 12, 13 and 14 years; 15, 16, 17 years; and men and women 18 years and over. Sharon is a busy champion. Besides the tennis title she has won honors in tennis, speed skating and swimming. She's also a Patricia Stevens model.

Figure fertilizer needs, place an order in advance with the dealer, and take delivery when it comes, say Michigan State College soil scientists.

Getting your "money's worth" in buying a farm is important. One of the first things to check is the productiveness of the soil.

CREATING NEW CONVENIENCE IN THE BATHROOM

New bathroom convenience requires fixtures and fittings of the most practical modern design coupled with recognized quality. Home owners recognize that the name "KOHLER and AMERICAN STANDARD" stands for reliability of all working parts and styles that harmonize with the new beauty and comfort of modern home interiors.

and because foreign outlets for beans have fallen off sharply, it is expected that more than 9 1/2 million bags (100 pounds each) of the 1948 and 1949 crops will still be in storage next fall when the 1950 harvest gets underway. This carry-over will represent almost two-thirds of a normal year's requirements.

DIET IS KEY TO HEALTH OF EWES

Lambing paralysis, also called ketosis or pregnancy disease, is a serious and costly problem wherever sheep are raised, states Dr. B. J. Killham, Michigan State College extension veterinarian. "Death of one or more ewes in a flock just before lambing time should arouse suspicion of this disease. Earlier signs are dullness, weakness, trembling when exercised, lack of appetite, and grinding of the teeth. Addition of a small amount of molasses or corn syrup to the ewe's ration for several days before lambing helps to prevent the condition. The ration also should include plenty of high-quality legume hay if the animals are not on pasture, plus an adequate amount of grain.

Warm rays followed by cold nights often set the stage for outbreaks of swine influenza.

ACREAGE ALLOTMENTS FOR DRY EDIBLE BEANS IN 1950

The U. S. Department of Agriculture has announced that price support loans and purchase agreements on the 1950-crop of dry edible beans will be made available only to those growers who plant within assigned farm acreage allotments next spring.

At the same time, it was announced that the price support rate for the 1950 dry beans' crop will be about 25 cents per hundredweight less than the 1949 rate. Price support will apply to Navy beans, Red Kidney beans, and Cranberry beans in Michigan, and only these three varieties will be assigned allotments in Michigan. There will be no support nor acreage allotments on Yelloweye beans.

Mr. Cook, Chairman of the Oakland County PMA Committee, said that individual farm acreage allotments for beans would be established and farmers notified in the early spring, well in advance of planting time. Cooperation in the allotment program is entirely voluntary, Mr. Cook said. Farmers who desire to plant beans in excess of their allotments may do so, but in so doing they declare themselves ineligible for price support next fall on their 1950 crop.

Mr. Cook said that the acreage allotment program, combined with the price support program, are designed to affect production adjustments that will maintain supplies and prices at fair levels to both producers and consumers. Because of the large crops of beans nationally in the past two harvests,

**SEVENTH GRADE HEARS TALK ON BANKING**

On Friday, February 17, Mr. Staebler's section of the seventh grade heard a very interesting talk on banking by Mr. Robert

Jones. He started his talk by showing a pack of new one dollar bills, and told how they were printed. The package was passed around the class for all to see.

The personalities of bank clerks were discussed, along with the principles of banking. He explained the use of checks, and told why they were so much more convenient than money. The denomination of bills were discussed and bills of different value were passed around the class—a two dollar bill, a five, ten, twenty, fifty, one hundred, five hundred, and one thousand dollar bill. In all, one thousand seven hundred and sixty five dollars were passed around. Mr. Jones showed containers for currency and straps which were put around packets of bills.

Everyone was shown how to write a check and in closing, the class was shown two buffalo nickels which had fused together in a fire. The one buffalo, in perfect condition, sat on top of both nickels.

Terry Brown

**SADIE HAWKINS WEEK**

February 20th starts Sadie Hawkins Week at Clarkston High. Girls, here's your chance to catch your man. During the week the girls are required to follow these rules:

- (1) Open boy's books.
- (2) Carry boy's books.
- (3) Let boys leave assembly first.
- (4) Stand still until boys sit down.
- (5) Seat the boys.
- (6) Walk them to classes.
- (7) Girls ask all boys for dates during the week.
- (8) Girls sharpen boys pencils.
- (9) Girls hold drinking fountain for boys.

All girls must follow these rules or they will be punished by the Senior girls. The week will be topped off with a big Sadie Hawkins Dance on February 25th, which will be sponsored by the seniors. Everyone is invited.

**TOURIST PUBLICATION LIST NOW AVAILABLE**

A new, up to date list of 100 publications pertaining to the tourist and resort industry has been issued by Michigan State College. The new listing summarizes the material put out since the tourist and resort service was begun four years ago.

Headed by L. R. Schoenmann, director of the conservation institute, the tourist and resort service work is carried on in all 83 counties of Michigan through the offices of the county agricultural agent.

The listing covers publications on food-service, construction, interior decoration, business management, and entertainment. A copy of the listing can be obtained from county extension offices or by writing to the Tourist and Resort Service, 409 Agricultural Hall, Michigan State College, East Lansing, Michigan.

"Are nails removed promptly from loose boards?" asks David Steinbock, Michigan State College rural safety specialist.

Keeping barnyards well drained and free of sharp-edged stones, helps to prevent foot rot in cattle and sheep.

In the 7th grade, they are experimenting with bacteria to determine the ideal conditions in which bacteria can live.

They are also trying to find the common humidity, both inside the class room and out by using a psychrometer.

Mr. Staebler, who teaches 7th grade Arithmetic, had a speaker from the Clarkston State Bank, last Thursday to talk to the 7th graders on making out checks and other interesting things. The speaker was Mr. Robert Jones.

Mr. Staebler also hopes to have a speaker on real estate, life insurance and how to invest in stock which should be interesting.

**EIGHTH GRADE**

The eighth grade had a Valentine Party on the 14th during which they exchanged unique Valentines. A Scripto Pencil was given to the writer of the cutest verse. The winner? Why, Jo-Ann Valentine, of course!

Saturday is a big day for our eighth grade cooks. They're having a baked-goods sale at 10:00 o'clock at DeConick Market, 4580 Sashabaw. Be sure to come.

On the 21st of this month the eighth graders are having a class party. It starts right after school and everyone is asked to bring a dish for the pot-luck dinner. After they eat there will be a basketball game immediately followed by a game. Afterwards everyone dances till 9:00.

**ASSEMBLY**

On February 16th, in the Clarkston High School Auditorium, Mr. John Shirreff gave a very interesting review of his recent trip to Germany and Russia. Mr. Shirreff told of the returning power of Germany and of the communists in Russia. He gave many facts about the death of Eva Braun and Hitler. He also said that we would not have a war with Russia as long as we are well protected.

Everyone enjoyed his talk very much and we hope that he will come again.

From where I sit ... by Joe Marsh

How to Get That Homework Done

Miss Gilbert, our grammar school principal, spoke the other night at the regular Parent-Teachers meeting, on getting children to do their homework when they want to listen to the radio.

"We musn't give them a flat 'no,'" Miss Gilbert said. "If we adults really believe in tolerance and moderation, we should instill these qualities in our children. Listening to the radio is fine—in moderation—as long as homework gets done, too."

From where I sit, the lady was dead-right. This radio vs. homework problem is a wonderful way to see to it that our youngsters acquire the sensible moderate habits they'll need later on.

I've never believed in hard and fast rules—except where absolutely necessary. Let the other fellow do as he likes, as long as he's temperate and tolerant. Guess that's why I've never felt we should quarrel with the fellow who is partial to a glass of beer—the "Beverage of Moderation."

Joe Marsh

Better Eating By Jean Allen

Menu With A Modern Flare

Planning a new menu is like planning a new ensemble and may be just as exciting. In the language of the homemaker the same terms may be used to describe the menu as the outfit.

Let's plan a menu with the latest flare in color, line, texture, and that ever important angle—thrill.

Serve golden round salmon patties with piquant tomato cheese sauce in contrast to snowy white steamed rice for color, line and flavor. Crisp cole slaw and crunchy peanuts on fresh tray spinach leaves lend texture as well as color. Whole wheat bread and butter or margarine contribute to all points. Even the dessert rates high with dark spicy cookies and delicately sweet creamy pears. Take your choice of coffee, tea, or milk to drink.

**Salmon Patties**  
(Yield: 8 patties)

1 pound can salmon  
16 soda crackers, crushed  
1 egg, beaten  
1 teaspoon salt

Drain salmon and remove skin, add cracker crumbs saving enough to roll patties in. Add salt and beaten egg, mix well. Form patties, roll in cracker crumbs and brown in hot skillet containing one tablespoon fat.

**Tomato-Cheese Sauce**

Heat one cup undiluted tomato soup, add 1/4 pound cubed processed cheese and 1/4 teaspoon celery salt. Stir until cheese is melted. Serve over salmon patties.

**Spicy Applesauce Cookies**  
(Yield: 4 dozen cookies)

1/2 cup vegetable shortening  
1 cup brown sugar  
1 egg, well beaten  
2 cups flour  
1/4 teaspoon cinnamon  
1/2 teaspoon cloves  
1/2 teaspoon soda  
1 teaspoon baking powder

1 cup applesauce  
Grated rind of 1 lemon  
1/2 cup raisins or nuts

Cream the shortening and add brown sugar gradually, creaming continuously; add beaten egg to mixture. Mix and sift the dry ingredients. Add alternately with applesauce, adding grated lemon rind and raisins or nuts last. Drop from tip of teaspoon onto a greased cookie sheet about 2 inches apart. Bake in moderately hot oven (375°F), until firm and slightly browned.

**1950 POTATO PRICE SUPPORT ANNOUNCED**  
The schedule of prices, by months at which 1950 crop pota-

atoes produced in Oakland County will be supported was released this week by the county office of the Production and Marketing Administration. The prices, which are based on 60 percent of parity on January 1, 1950, range from \$1.43 per hundred in September, 1950 to \$1.90 per hundred throughout the fall and winter months of 1950 and 1951.

To be eligible for support, growers must stay within their acreage allotments, pay a nominal service fee, (comply with marketing regulations issued under the marketing agreement and order for this producing area), and enter into an agreement with the Department of

Agriculture under which, among other things, limits may be set on the rate at which potatoes may be offered to the Department, and the growers may be required to withhold specified low grades and sizes of potatoes from commercial markets. Eligibility requirements of potato dealers and co-operatives will be in line with those required of growers, the committee explains.

With certain exceptions, all potatoes produced by eligible growers will be eligible for price support, say the committee. They list these exceptions: (1) Potatoes failing to meet the quality requirements of the various grades; (2) Potatoes whose distribution is restricted or limited by State or Federal Quarantine regulations; (3) Potatoes harvested from land designated by a State or Federal agency before harvesting time as infested with golden nematode; (4) Potatoes not in suitable shipping condition under regulations of the Perishable Agricultural Commodities Act, or potatoes found objectionable because of odor, flavor, internal discoloration, or other invisible damage, whether or not his damage is apparent at time of shipment of subject to determination by customary shipping point inspection procedure; (5) Potatoes less than fairly well matured, as defined in applicable program or purchase announcement.

A two inch minimum diameter is required in 1950 for the No. 1, Commercial and No. 2 grades, there by removing the overlap in size requirements between Standard No. 1's and size B potatoes (1 1/2 to 2 inches in diameter) which has existed in previous years, the committee points out.

The announced prices are for potatoes segregated by grades, packed in new burlap or cotton bags, and loaded f. o. b. through carrier in carlots, or trucklots at country shipping points.

The complete schedule of prices per hundred pounds, by months, for potatoes grading U. S. No. 1, U. S. Commercial, and U. S. No. 2 is as follows: \$1.45 Sept., 1950; \$1.45 Oct., 1950; \$1.55 Nov., 1950; \$1.65 Dec., 1950; \$1.75 Jan., 1951; \$1.85 Feb., 1951; \$1.90 Mar., 1951.

**THE FRUIT OF UNCEASING LABOR**

★ Between 1911 and 1935, a brief span of twenty-five years, extraordinary progress was made in public health. According to figures released by the Metropolitan Life Insurance Company, the duration of human life during this period was extended by almost fourteen years. It is all the more remarkable in the light of the history of this period, which included the first World War, the worst epidemic in recent history, and America's most severe depression.

Many agencies have contributed to make America a more healthful place in which to live. Not the least of these are scientific medicine and pharmacy, which work unceasingly for better methods of prevention and treatment of disease.

vice.

TO AIR RESEARCH
FINDINGS AT MSC

Recent research in swine nutri-
tion has brought out many findings
that will help farmers develop
profitable porkers on less feed and
in a shorter time.

The Michigan Agricultural Ex-
periment Station at East Lansing
is among those leading the nation in
his work and three of their re-
searchers will discuss swine nutri-
tion at the American Farmer pro-
gram on February 25, at 12:30 P. M. on Saturday,
February 25. A total of 108 stations
will carry the network program.

Dr. Frank Thorp Jr., animal
pathologist; Dr. Richard Leucke,
agricultural chemist; and W. N.
McMillen, animal husbandry swine
specialist, all of the Michigan
State College staff will give farm-
ers practical application of this re-
search. They will be interviewed
by Earl C. Richardson, Michigan
Agricultural extension editor.

On the same American Farmer
program, broadcast on ABC sta-
tions in Michigan at 12:30 P. M.
Saturday, February 25, will be the
third in a series of home economics
research features from Michigan
State College.

Dr. Pauline Paul, foods author-
ity at Michigan State, will be in-
terviewed by June Szosz, WKAR
home economics editor, on re-
search in foods. Miss Paul will
cover results in dried non-fat milk
solids, potatoes, and freezing food.

These sheets are designed to fit
the mattress perfectly and elimi-
nate the problem of sheet ends from
pulling out. This, of course, will
save homemakers time in making
the beds every morning. The fabric
in these sheets is pre-shrunk so
that it will not shrink more than
one percent after washing and will
still fit. They are made for both
twin and double-sized beds.

Some homemakers have found
it a little more difficult to iron and
fold the mitered-corner sheets but
the advantages of having a neat
bed seem to outweigh this disad-
vantage. Since these sheets are
made to fit the mattress, a regular
sheet is still needed as a top sheet
for the bed.

Another innovation increasingly
popular with homemakers is col-
ored sheets for everyday use. Some
take full advantage of these quar-
ters. These are manufactured both
in percale and muslin. A word of
warning from Miss Bayor is to
check fastness of color for wash-
ing and also for crocking, or rub-
bing off on sleeping garments.

Decker advises that certified
seed comes from field inspected
crops and the seed must meet high
standards of purity and germina-
tion. The certified tag that has
been issued by the certifying agent
insures varietal purity.

A report recently came to the
MSC farm crops department from
a wheat grower in Hillsdale county
who used certified seed but lacked
enough to plant the entire field.
He finished the field with his own
seed and stated that a difference
was visible to the dividing line
between the two kinds of seed and
that the certified seed was more
thrifty.

County agricultural agents can
supply sources of certified seed
and can help farmers choose the
right variety for their location.

RED CROSS HELPS RESTORE FAMILIES
TO NORMAL LIVING AFTER DISASTERS

Planning resumption of normal living with this disaster stricken
family of East Prairie, Mo., following mid-January floods is the task of
the Red Cross worker. Scenes like this are duplicated in Arkansas and
Illinois following floods that drove 30,000 from homes, damaged house-
hold furnishings and buildings. Financial aid and planning for future
are Red Cross contributions to those without sufficient resources to get
back to normal, made possible by annual generous gifts of American
people to organization. Such aid was given in 330 disasters last year
for total amount of \$10,000,000. About 70 per cent was spent for long-term rehabilita-
tion for immediate emergency care.

Remember
YOUR HOME NEWSPAPER

All matters handled through the Pro-
bate Court require a certain amount of
legal publication in one of the county
papers. Foreclosing a mortgage entails
publication of the foreclosure notice in
a county paper.

Either the probate court officers or
your attorney will have your legal pub-
lication carried in The Clarkston News
if you request it.

We solicit the privilege of carrying
such legal publications. This form of ad-
vertising is valuable to us. When you sup-
port us in this way we are able to give
you a better paper each week.

# Solid Comfort Solid Truck!

There's comfort a-plenty in GMC cabs. They're appointed in the "solid comfort" passenger car manner... with deep, adjustable seats; big windshields and windows for clear, wide-angle vision; protective sealing against dust, drafts, engine heat and noise; built-in ventilation system... a dozen other features, including ash trays, dome light and package compartment.

Under these all-steel cabs lies the firm base of truck-built engines and chassis... solid power and strength which combine with GMC comfort to form a really solid truck!

## GMC TRUCKS

GMC "Triple Checked" used trucks are inspected... for appearance, performance, value. Use the "Triple Checked" insignia as a guide to a better buy.

**Packed with Power**  
Every one of GMC's seven gasoline engines is an efficient valve-in-head... packed with power. And there are two Diesel engines of famous, exclusive GM 2-cycle design.

**Ruggedly Built**  
From front bumper to rear axle GMCs are truck-built by truck men. Hunky, heavy frames, springs, clutches and axles are built for the toughest going.

**Handsomely Styled**  
GMCs possess outstanding attention value and appearance appeal with their smoothly streamlined fenders, hoods and cabs providing modern, rugged good looks.

**Easy to Handle**  
Ball-bearing steering, Synchro-Mesh transmissions and easy-action clutches and brakes make GMCs handle with almost the ease of a passenger car.
