CLARKSTON, MICHIGAN, THURSDAY, MARCH 23, 1950

# INDEPENDENCE FIRST TWP. TO REACH QUOTA

A report from Red Cross Headquarters says that Independence Township was the first in the county to reach its quota in the present drive. The quota was \$750. In the United Fund Drive last fall an appropriation was made for the Red Cross, so at this time it was not necessary to make a house to house canvass. However, all contributions to the Red Cross are gratefully received by the chairman, Charles Robinson, at the Clarkston State Bank. These extra contributions will be sent in at the close of the drive, the end of the month.

Contribute one dollar and you are made a member of the American Red Cross.

### **Music Students Heard In Recital**

Last Sunday Mrs. Charles Matthews presented her intermediate piano students in recital at ner studio on E. Church St. There was quite a gathering of parents and friends to hear these young people play many pretty numbers. The advancement they had made in the last several months was quite noticeable and very encouraging to the teacher as well as the parents.

The students participating included Elaine and Sharon Crosby, Patience Thayer, Nadyne Gleason, Laura Ruggles, Lorraine Rioux Joan Hilton, Pat Lowery and Janice Roberts.

### Wanted - Men Who Like To Sing

The Ortonville Chapter of the Society for the Preservation and Encouragement of Barbershop mother arrived from Oregon late anxious to contact fellows from Church, Saturday evening, March Clarkston and vicinity who enjoy 25, beginning at 6:30 P. M. group singing. The Ortonville Reverend Harold P. Warren, Chapter meets at the Ortonville radio pastor of Flint Michigan Chapel on Saturday evening at High School on the 2nd and 4th will be the speaker of the even-Monday evenings of each month at 8 o'clock. If you would care to sing with this group see Ronald Waiter and he will give you information about the chapter.

You do not have to be a proessional singer, nor do you have to be able to read music to be a member of this group. All that is necessary is that you enjoy singing and are willing to meet with the group two nights a month. The Ortonville Chapter has a very fine director. The chapter would like to have some fellows from Clarkston so that in time they could work up a joint chapter from Clarkston and Ortonville.

### Coming Events

March 30th is one event the Junior class is looking forward to - "The Junior Play". This year's play will be, "Once Upon a Midnight" It is a mystery and comedy combined. It is expected to be one of the best plays planned. Starting time is 8:00 o'clock.

April 14th the music department will put on a Minstrel Show. The time and price will be announced later.

April 15th the track team will have their first meet. This will take place at River Rouge in Ann Arbor.

## Rotary Club News Les Fitzgerald of Drayton Plains

presented the program at the meeting of Rotary on Monday. His talk concerned collectors' items in guns and pistols of the past including the type in which one loaded by hand and used a ramrod to pack in the firing load. The members listened in rapt attention and crowded around to inspect the guns following the meeting. Guests included Jack Merton

Louis Terry, and Bobbie Schwarze. Visitors from other nearby clubs included Jack Hamilton, Verne Borst and Lyding Krug of the Ortonville Rotary Club. Ed Lamberton came to the club

as a new member. His old club. was the Waterford-Drayton in which he was serving as vicepresident. Roy Alger read several letters, including one from the president

of Rotary International, Percy club on its inter-city meeting. A fine dinner of swiss steak ind all that goes with it was served by Mrs. William Sharpe, assisted by Mrs. Wallace Ridgley, Mrs. Elizabeth Rockwell, Mrs. John Alander, Miss Ruth Sharpe.

### Waterford-Draytor **Rotary Club News**

The Waterford-Drayton Rotary Club enjoyed special entertainment at their meeting on Tuesday. Haan's orchestra was the special feature. They played several orchestral numbers and Mr. Haan and Pat Wolf were presented in solo numbers.

Nominations for the Board of Directors for the coming year were made.

Among the guests were Harold Strong, Floyd Lamphier, L. G. Simpson, E. R. Crawford, Earl Wilcox and Lloyd Megee.

Some of the members lost their rubbers in the mud in the parking lot, but they are not going to worry too much about that because they are quite sure they will recover them later in the spring.

## By the Way...

By the time the newspaper i on the street it is too late to correct your mistakes in that issue - but, as the saying goes, in weekly papers there will always be another week. So this week we must state that we entirely overlooked the beautiful music at the Rotary banquet, last week, which was given by Melvin Staebler, of our High School faculty on his electric organ. We heard many nice compliments on his work; we enjoyed it ourselves, so there is not an excuse for leaving his name out of the story There was one other omission, that we did not know of but which we are glad to mention here. Mrs. David Stewart is president of the Methodist W. S. C. S. We are informed that as the president she was chairman of the dinner with Mrs. Ralph Kreger assisting her. Now perhaps that red color will leave our countenance. . . Mr. and Mrs. M. Valentine returned home after spending a couple of months in Florida. This is a nice local. The reason we have it in this column is to mention that It matters not bout snows or farm, they arrived at their home on Friday, in the midst of perhaps the

worst snow storm if not small time blizzard of this winter. . . Spring is here - and so are the muddy road. Driveways or country roads are just full of nice, deep ruts and mud holes. It is almost a case that you may get through if you stay in the road but you will get stuck in the mud if you get out of the road. . . Citizens of Clarkston who are

interested in the financial statement will find it on page 5 of this issue. . . Business. must be picking up a little. In answer Hodgson, complimenting the local to our usual question concerning trade conditions on our round of meeting advertisers last week, most reported the best week this year. One reported a better week than last year. It may be because of Easter, although most of the merchants reporting would not be Carolyn Ridgley and Mrs. William affected at this time by the Flaster trade.

### **Local Girl** In Art Festival

The Second Annual Student Art Festival was held at the University of Michigan Friday, March 17th through Sunday, March 19th. The Festival, which is sponsored

by the Inter-Arts Union, has & four-fold purpose, according to Edward Chudacoff, 217 E. Chocolay, Munising, graduate student and President of Inter-Arts. These are: (1) It is designed to

encourage and promote student creative activity on campus; (2) Provide opportunity for students to get intelligent reactions and evaluations of their own work; (3) Provide student body with the opportunity to observe the creative work done on campus; (4) Present an opportunity to discuss various arts and present possi-

oilities for combining the arts. A student art exhibit in the north and south galleries of Alumni Memorial Hall displayed creative work in painting, sculpture, ceramics and photography. The opening session was held Friday at 8 P. M., in the Museum

of Arts. The University Symphony Orchestra, directed by Wayne Dunlap, opened the Sunday afternoon program at 2 p. m. in the Michigan Union Ballroom with 'An April Overture" by Lee Eitzen. The Ballet Club presented dances, "Puss and Boots" and "Chopin Waltz" by Inez Miller, 89 N. Holcomb, Clarkston; "Waltz of Flowers" by Doris Marsh, 506 Atwater, Saginaw; and "Spanish Dance" by Delphine Tyberghein, 840 Seward, Detroit. The Modern Dance Club gave "The Old City," a poem by Trousdale. The Michigan Singers and the Chamber Orchestra, Professor Maynard Klein conducting, sang "Four Metrical Psalms" by Leslie Bassett, Madera, Cal. The program was concluded with a discussion, "Time

Orientation of Artistic Materials." The final meeting on Sunday evening at 8 o'clock in the Museum of Art, featured an all-faculty panel to discuss "The Function and Potentiality of an Inter-Arts Organization." Oliver Edel, associate professor of violoncello, was the moderator.

### The Hilltopper VOCATIONAL GIRLS VISIT HOSPITÄL

On Tuesday of last week eleven girls from Mr. Weiss's vocational guidance class were guests of the St. Joseph Mercy Hospital staff. We arrived at 9:50 A. M. and assembled in the student nurses ciassroom where we received information on the nursing profession from Miss Kathryn Wenzel, assistant director of nurses. After the instruction we were divided into two groups and were taken on a complete tour of the hospital. We visited the physical therapy rooms, emergency rooms, and X-ray rooms and were given an explanation of these rooms as we enjoyed mostly as considerable time was spent in the nursery where we saw infants not only few nours old but premature infants weighing as little as two pounds which of course were in incubators. From the nursery we toured through the O. B. ward and delivery rooms where we were shown equipment used in deliveries. Next we visited the pediatric ward and from there we visited the adult ward. We weren't permitted in the surgical department due to surgery scheduled at the time we were in that

After the tour we assembled i the cafeteria where we ate a delicious luncheon with the student nurses. Following the luncheon we went back to the classroom where we enjoyed a half hour of dancing and table tennis. Later Miss Wenzel gave a demonstration, on the operation of an

The girls who were in uniform were permitted to work with the patients on the first floor.

At 1:00 P. M. we returned the classroom and attended class with the students. There were two classes in progress so therefore we were again divided so as to be able to have notes to compare from each class. The subjects of the classes were "Positions in the Operating Room" and "Clinical Technique". The students take down the information given by their instructor and are expected to be able to demonstrate whenever called upon to do so.

After class two of us viewed the morgue while the others played another game of table tennis. At 2:25 we boarded the bus for school. We had a very fine time and acquired plenty of information for our notebooks.

### U-M FORESTER ASKS THAT ALASKA STAY AS LAST FRONTIER

The old Alaska of abundant game and individualism, which the sourdoughs love so well, is melting fast, says Dow Baxter, professor of forest pathology at the University of Michigan.

Our last frontier, according to the forester, is taking on the appearance of the standardized American main street. Professor Baxter has spent 14 summers in Alaska and witnessed the changing conditions.

Caribou are in danger of becoming extinct, he reports, and cover in Interior Alaska for wildlife is being burned off at an alarming rate. Alaska needs to preserve game and, through man-· prevent .what has happened to wildlife resources in this country, the professor says.

"We are destroying the atmosphere we go to Alaska to see and enjoy", Professor Baxter asserts. The old sourdoughs conquered the elements, he points out, but they are deathly afraid of competition and hub-bub-. "The 'riff-raff' of the United States are driving us Alaskans out," one villager living within the Arctic Circle, told Professor Baxter last The general public also will be

. The Professor, whose Alaskan friends consider him a resident of the northern territory who just winters in Michigan, suggests that we make the "last frontier" a resource in itself. Natural resources should be used for making the country richer but not the University is host to the exploited. Year-round industries Michigan Schoolmasters' Club should be developed, he recommends, but those based upon the club is scheduled for April 27th wise use of the natural resources, and not upon creating types of work that have to be continually subsidized from outside.

This problem is being met by the farseeing plans of the United States Forest Service which is trying to apply lessons we have learned elsewhere, he says. The service is being competently managed by Frank B. Heinzle, but Professor Barter points out that much of its activity is limited because of inadequate funds. The service is making every

County Agricultural Agent The new supplement for the spraying calendar for control of insects and diseases in orchards is now available, E. W. Alchin, county agricultural agent announced today. Copies of the supplement may be obtained from 1, Lafayette St., Pontiac, Michigan,

The supplement replaces only pages 46 through 55 of the sprayng calendar (Michigan State College Extension Bulletin 154) used by fruit growers last year. Material in the 1949 spraying calendar on pages 1 through 45 is still valid and should be used in conjunction with the 1950 spraying schedules, the agent explained.

-Issuing a word of warning to those spraying fruit, the county agent suggested that accidents be avoided and that directions on the label of each container be read before it is opened. He also suggested that no new material should be used under any consideration unless its dangers are understood and all precautionary measures are followed.

Parathion is one of the new materials that will be used extensively in 1950. Agent Alchin warns that this is highly dangerous to the user unless handled properly.

Looks like spring have been delayed by our winter. However, it this, there is a big change in the weather.

Speaking of weather, the first break we get is time for farmers present time, we will be able to test for Phosphorous, Potash, as well as Lime. In my humble opinion, this is one of the first steps in good soil management, -

to have an accurate soil test. In taking soil tests, it is important that the job be done properly. In each field wherever the soil seems to vary in color oa in texture, a sample should be taken. Stick a shovel into the ground its full depth and tip it over. This will leave a "V" cut in the ground, about eight inches deep, With a tablespoon, peel off a thin layer from the bottom of this cut to the top of the ground, and put it in a sack. Do this as many times as necessary to include all the different soil conditions in one field. Usually six to ten times is sufficient. Put all samples taken in this manner into one sack for that field and label or number this sack according to a rough map of the farm, so you land, will know where it came from. Dry these samples for a couple of days and then bring them into our office at 1 Lafayette Street. and we will be glad to run your

### BAKING POWDER BISCUIT

Served piping hot from the oven, golden-brown, flaky biscuits make any meal more enjoyable and bring requests for encores. Here's the formula for a sure success with Baking Powder Biscuit

cups flour teaspoons baking powder

½ teaspoon salt 3 to 4 tablespoons fortified margarine % cup milk (about)

Sift together flour, baking powder, and salt. Cut margarine into flour until it looks like peas (do not cut too small—flaky bits about the size of peas will make flakier biscuits.) Add milk sufficient to make a soft but not sticky dough Turn out on a floured board and knead for two or three turns. Roll out or press to desired thickness Cut. Bake on uncreased biscuit pan in hot oven (425° F.) 12 to 15 minutes. Makes about 1½ dozen biscuits.

## VEAL ROLL

They'll sing your praises loud and long when you serve veal in this unusual and palate-pleasing fashion. Not only does it tast good, but it looks good, too. Truthis soon.

Veal Roll

Veal Roll shoulder of veal salt, pepper bunch watercress tablespoon minced parsley onion, finely minced

dash red pepper teaspoon celery salt gt. boiling water

cup vinegar teaspoon pickling spices teaspoon salt tbs. fortified margarine 1/2 cup bread crumbs

Have bones removed from mea at market (but be sure to carry them home). Spread meat operand flat. Season with salt and pepper. Chop watercress rather fine. Add minced parsley, onion, red pepper, celery salt. Spread this filling over the cut side of the meat. Roll (like a jelly roll), folding in the "flying" ends of meat. Tie into firm roll. Cover with boiling water; add vinegar, salt, pickling spices, meat bones. Simmer, covered, 2 hours. Remove meat roll from water. Place in baking pan. Spread meat with the margarine, cover with the bread crumbs and season with salt and pepper. Bake in moderate oven (350° F.) about 45 minutes, until crumbs are browned. Remove strings before serving. Serve hot or cold. Water in which meat was cooked may be used for a sauce to be served with hot meat, or, if meat is to be served cold, use as base for soup. Have bones removed from mea
