CLARKSTON, MICHIGAN, THURSDAY, APRIL 13, 1950

HOME BUILDING PROGRESSES IN CLARKSTON!

will be completed in a very few weeks. H. L. McGill and Sons have one nearly completed in the Clarkston School Subdivision and have just completed and sold another to Albert Knowles , who arrived in this country just tenweeks ago from England.

Mr. McGill also states that he ton Estates No. 2 subdivision, just of a home for Mr. and Mrs. Allison Holcomb, as well as the home for Mr. and Mrs. Edwin Ross in the same subdivision. In Clarkston Estates No. 1, just

south of Clarkston and west of M-15, a home is being built by the Robert Kenneys of Pontiac. Several others have stated that they hope to have construction started on new homes in this district before the summer is over.

Dorcas Circle Has Pot-Luck Luncheon

On Thursday afternoon of last week the Dorcas Circle of the W. S. C. S., met at the home of Mrs. Clark Soulby. A delicious pot-luck luncheon was enjoyed at 12:30 at a table attractive with a floral centerpiece.

Mrs. Soulby, chairman, conducted the business meeting, at which to help with the Father and Son time a committee was appointed Banquet.

Another chapter from the study book "Women of Scripture" was discussed by Mrs. Edmund T

Lilac Planting Time Is Near

This is the time of year when most folks are looking forward to working in the garden. It is a time when the painting of shrubs is being considered. This year it is hoped that many if not most of the folks in Clarkston will consider planting a few lilacs. Lilacs ars very hardy and one

of the easiest shrubs to transplant. Lilacs will grow most anywhere and need very little attention. When in bloom they are showy and very fragrant and after blooming they are beautiful because of the heavy foliage. Mrs. George Perry and Mrs.

Joseph Hubbard have generously offered to give roots of the common variety of lilacs to any who wish them. They have a great many bushes and the blooms are a very loyely color. Give them a call and make arrangements to get a

O. E. S. Association To Serve Brunch

The Oakland County Association, O. E. S. will serve a brunch at the Community Activities building on Thursday, April 20, starting at 11:30. There will be a style show and card games will be played in the afternoon. There will be table prizes.

Mid-week Mrs. Szomaya of Williams Lake town that we believe were for the betterment of this community.

. . And now the Clarkston Fire-

fighters are going to stage a home

talent show. This will be the first

While the show "Uncle Ezry's ers Association and which will Hayloft Jamboree" is not a search be staged on April 21st and 22nd for talent with a promise of puttat Clarkston High School Audi- ing local people on a radio program, still all of those who appear Miss Wanda Woodard comes to will be competing for ribbons and larkston well recommended. Sho cash prizes. The audience attending the show will be asked to vote

for their favorites. A blue ribbon cond place winner will receive the red ribbon and seven dollars and a half in cash and to third place goes the white ribbon with a five dollar cash award.

All of those taking part will be given names of popular radio entertainers depending upon the type and style of their act. Many times such favorites as Ernest Tubbs, Roy Acuff, Red Foley, Texas Ruby, Girls of The Golden West, Sons Of the Pioneers, Arkie The Arkansas Woodchopper, The Sod wanted for this big show. If you Busters, The Korn Krackers, are a singer, yodeler, tap, square Cumberland Ridgerunners, Shepard of The Hills, The Texas Blue Bonnet and The Hoosier Hot Shots and others are all impersonated on one evenings entertainment.

Practically every big barndance act in the nation has at sometime or other been imitated on Hayloft Jamboree which has been staged successfully from coast to coast. Many times those in the audience who attend the shows agree that the home town folks not only sound like the character they are imitating, but they do such a bang-up job that the contestants are encouraged to continue their playing and singing acts so that eventually they do land in radio themselves.

Certainly it is an opportunity to compete for the title of the most popular entertainer of Clarkston and at the same time win prizes as well as having the added advantage of free training from the professional director, Miss Woodard. Therefore, all persons who can do any type of specialty number is not only eligible but is urged to attend the tryouts on April 18th and 19th at 7:00 P. M. at Rotary Club Rooms.

We looked ahead, all winter long, For skies with sun a-shining: We dreamed we'd hear the robins

We felt ere long there'd come a When fields would lose protection,

Then'd come the resurrection. Then all earth's life would start

Each bud and branch a-straining,

New lambs would come into each

There'd be a tension with the For fields they'd like to ramble.

These promises have been fulfilled— All life of earth's a-quiver.

Each dam its share of water spilled, Relieving rampant river.

Man too doth propagate, each spring, And babies come o-cooing.. Rebirth is such a proven thing. All life takes up its doing.

Never Wanting for a Paying Customer

Dairy farmers who are members of the Michigan Milk Producers Association enjoy a marketing situation which is available to very few business men throughout the

These 15,000 members are GUARANTEED a market for all of the milk they produce at all times and furthermore, prompt payment for that milk is GUARANTEED.

Through their own cooperative efforts during the past third of a century, they have established these protective measures. Here is an outstanding example of self-help and free enterprise at its best. Even in cases of the farmer's family being quarantined and his supply of milk-banned from the market, he receives fifty per cent of the amount he would have obtained had the milk been salable.

These protective measures work just as much to the advantage of the consuming public as to the dairymen. The supply of milk in the Michigan cities provided by the MMPA is always ample to meet the needs of all the people—a, direct result of the association's farsighted and equitable

mittees will solicit their own help as needed. The speaker for the afternoon was Mrs. A. J. Holstein who gave a resume of five religious books.

the first of the first way to be a first of the first of

Over 150 people attended the Sunrise service at the Christ Lutheran Church, Sunday morning sponsored by the Luther League. Martin Wager Jr., gave the sermon with the choir emphasizing the main points. Donald Dryer had the liturgical side of the service. Jean Campbell and Jeannine McCaffery sang a duet accompanied by Mrs. Martin Waggir, Sr. After the service the league.

assisted by several mothers served a breakfast to 100 people. A free will offering was taken. This offering will be put in a fund to send all active league members to camp for 1 week this summer. Ushers were Clara Johnson and Donald Helman, Acolyte, James Elliott. 210 children and adults enjoyed a film entitled "The Easter Story" during the Sunder School hour. At the eleven o'clock service, Reverend Harry Wolfe brought a very interesting message to 275 worshippers. Soloist for

Sunday School Council meeting for the Community Church will be held at the church April 20th at 7:30 p. m. All officers and teachers are asked to be present.

this service was Mrs. Roy Olson.

About 75 people attended the Sunrise service at the Community Church when the theme was "Experiences of Resurrection of Life" Esther Banghart was the soloist, The men's quartet also gave a lovely selection. Pianist for all services of the day was Mrs. Helen Coventry.

Over 300 adults and children were present at the 10 o'clock Sunday school service.

At the eleven-fifteen church service there was an attendance of 250. The Choir gave a selection entitled, "Hallelujah, He Is Risen", (the choir had their new maroon choir robes on). The Pastor gave the message entitled "Why I Am Sure Christ Arose".

At the newly organized Junior church in the annex under the direction of Mr. and Mrs. Alton Goll and Mr. and Mrs. Corum Atkins, their was an attendance of fifty. The nursery in the church par-

lors had a good group to keep Miss Yvonne Thayer and her helpers busy.

by the choir "From Palms to Lilies" was under the direction of Mrs. Charles Jehle. Flowers for all Easter services were provided by the Dixie Floral, Mr. and Mrs. Cyrus LinaBury, The Ladies Auxiliary, Young People and Adult Bible Class.

At the Ladies Auxiliary held at the home of Mr. and Mrs. L Giddings on Thursday of last week, nineteen members and one guest enjoyed a pot-luck dinner after which 175 cancer pads were sewed. At the business meeting conducted by Mrs. H. B. Mehlberg the ladies voted to help with the mother and daughter banget to be held May 6th, under the sponsorship of the The Goodfellowship Club. Plans were completed for "Come as you are" Breakfas

CLARKSTON JOINS NEW LEAGUE

At a recent meeting five schools formed a new league. The following schools are members at present: Holly, Clarkston, Milford, At the evening service a cantata Northville and Clarenceville, It is hoped that before the league starts

son; Committee No. 3 — Mrs. Ver- to be held the week of April 24— to operate one more school will have to work harder, but I think join. The league will start with they can do it. baseball in 1951.

This league will be an activities league. Schools will compete in the following sports for the present: football, baseball, basketball and track, There will be competition also in forensics such as debate, declamation, etc. The studen council of the various schools will

all meet together several times during the year, Bands of the different schools will get together and one league bands will be picked from the others. So far plans for girls' athletics are incomplete.

Membership in this league is very desirable. Although Clarkston will be the smallest member. the enrollment of the various schools is about as even as would be obtainable anywhere. Also the league is not limited to athletic competition but covers many other extracurricular activities, some of which will have to be installed in on Sunday to spend Easter with our system. A league of this type should promote a good, friendly feeling among the students of the participating schools.

QUESTIONNAIRE

Question: What do you think of the new league being formed? Wesley Smith-I think it's

ery good idea. Frank Keelean-I think it's a very good idea.

Jeanette Norton-I think it's a good idea.

Ellen Jarvis-It will be o.k. if we win all the games. Delores McClain-I think it's a

good thing. Bill Ward-I think it's a good one but I think it should start next

Mr. Ridgley—I think it's a good dea because instead of thinking of sports all the time, the new setup will enable us to think of mu-

sic, debates, etc. Mr. Quick-It's a good possib-Mrs. Frances Chamberlain and fility of developing into something

Mr. Heimburger—I don't think we will win as many games but we've got good competition.

Mr. Staebler—I think it's a good idea and I'm glad to see it around more than just athletics.

Miss Murphy-I think it's a good idea, and it will be a stiffer: competition and Clarkston will

4-H Club News By John Trocke 4-H Club Agent"

The Oakland County Service Club is sponsoring a campaign to sell blocks to Oakland County residents. The idea behind the block drive is the erection of a new building on the 4-H fair grounds. This building would include toilet facilities, kitchen and dining facilities and office space. The dining hall would be converted into a girls dormitory at

The proposed building is 36 X 70 feet in size and will be constructed of cement blocks. The Service Club has had tickets printed to represent these blocks. 4-H Club members and leaders will be selling these tickets through the month of May.

The Oakland County Board of Supervisors has appropriated \$7500' for the construction of toilet facilities and the 4-H members expect to raise an additional \$8500 to complete the building.

Never has a better opportunity appeared for a chance to help the rural boys and girls of Oakland County in there 4-H work. These 4-H Club members 2200 strong and their 165 leaders are busy making themselves ready for a better world tomorrow.

They learn to do by doing. Good citizenship is exemplified in 4-H Club members. Proof of which is the fact that no Oakland County 4-H member has ever been arrested for juvenile delinquency.

Your contribution to this most worthwhile cause will help strengthen and broaden the program in this area.

PLAN BIG PARADE TO MARK OPENING OF U-M' MICHIGRAS

Ann Arbor will assume a Mardi Gras atmosphere on Friday afternoon, April 21, when a huge parade will be staged to mark the opening of Michigras, a combination carnival-country fair staged by University of Michigan stu-

Twenty huge helium balloons in various shapes and sizes including a dragon, 70 feet long, five bands and 40 floats will be in the parade which will move from the downtown business area through the campus section. "Comic Capers" will be the theme of the floats and a pint-size "Li'l Abner and Daisy Mae," winners of a "kiddle" beauty contest, will ride the lead float. A calliope will add a circus touch to the parade.

The Ann Arbor Merchants Association is co-sponsoring the parade along with the Michigras committee, and special Michigras Days will be observed by the

Michigras, sponsored every two years by the Michigan Union and and booklets... the Women's Athletic Association, will bring a carnival atmosphere to Yost Field House on Friday and Saturday evenings, April 21 and 22. A special children's matinee is scheduled for Saturday afternoon. Mechanical rides will be set up in adjacent Ferry Field.

SUMMER COUNSELING PLAN FOR FRESHMEN ANNOUNCED BY U-M

Students who expect to enrol as freshmen at the University or Michigan this fall may take advantage of a summer counseling service which will be in effect for the first time this year.

Undergraduate units in the University will have faculty members available from Commencement Day, June 17, until the opening of Orientation Week on September 18, to consult with entering freshmen about courses to take or other problems of an academic nature, Provost James P. Adams has

A pre-registration conference with an academic counselor is part of the orientation procedure

week preceding the opening of SPRING BURNING classes. Since this is a period DAMAGES SOIL of considerable activity, University officials have felt that many students would like to have more time to consider their academic programs with the help of a fa-

culty adviser. The prospective freshmen should write to the dean of the college they plan to enroll in to get further information about the summer counseling plan.

ONLY EIGHT POPULATION CENSUS INQUIRIES APPLY TO ALL PERSONS

households during April. This was if it damaged his own property. United States Bureau of the Cen-] season.

The eight inquiries to be made concerning every person will be out a permit when the ground is and citizenship status.

Two additional inquiries constatus and kind of Job, The remainder of the questions

of persons, selected by chance according to the order in which their APRIL IS TIME FOR names fall on the Census schedule.

For every fifth person, there will be four questions as to place of residence one year ago, country of birth of father and mother, whether attending school, and highest grade attended. For every fifth person 14 years old and over there are four questions on number of weeks worked in 1949, income in 1949, veteran status (males only); and duration of unemployment (if unemployed):

Three other inquiries will apply only to every thirtieth person 14 years old and over in certain categories. One in 30 persons neither working nor seeking work during the week before the Census will be asked to report on kind of job last held if employed at anytime in 1949. One in 30 per sons reporting themselves as ever having been married will be asked if they have been married more than once, and the number years in, present marital status. One in 30 married women will be asked how many children they have borne.

Persons who give little heed to soil scientists' warning about the damage spring burning does to soil fertility are asked by the conservation department to consider more obvious consequences of setting fire to ground cover.

First is substantial damage to ences. Charred posts and wire from which the galvanizinz has been burned become useless long before their normal utility is end-

Second is the liability of the

man who starts the fire if the fire Only eight specific questions in gets out of hand. If it gets into the 1950 Census of Population will his neighbor's woodlot or outbe asked of all individuals when buildings the cost may be greater, enumerators make their calls at and less convenient to meet, than pointed out today by District Pheasant and other wildlife Supervisor Michael A. Bida in nests also are destroyed if burncharge of the local office of the ing is carried on during the spring

State fire law specifies any person who starts an open fire withname, relationship to head of not snow covered, except for dohousehold, race, sex, age, marital mestic purposes, is subject to a status, state or country of birth maximum fine of \$100 and/or 90 days in jail. The law now also provides that a person who willcern all persons 14 years old and fully or negligently causes a damover. These relate to employment, aging fire is liable for all expenses incurred by the state in suppressing, over and above services of will be asked only of a sample regular personnel and equipment.

FARM CLEAN-UP

. Giving the farm a spring cleanup is like the farmer and his wife getting a new suit and dress David Steinicke, rural safety and fire prevention specialist at Michigan State College says it's just

like a spring tonic. A check-up on debris accumulation will expose many of the unsightly places that are both accident and fire hazards on farms.

April is Spring Clean-up month in Michigan. The Michigan Cor operative Extension Service is cooperating with the Michigan Rural Safety Council in urging state-wide observance;

Steinicke says that eliminating the fire hazards will also make the farm a healthier place to live. Rats like rubbish and trash and elimination of these will get rid of breeding, nesting and living quarters of rodents.

"You'll find a clean farmstead is easier to work around than one that has nothing in place," the extension specialist suggested.

WOMEN TAP SOURCE OF LEGAL INFORMATION

Thousands of Michigan homemakers have found their local lawyers to be helpful friends who have saved them legal tangles and losses of property through their generous contributions of information.

These homemakers are mempers of home demonstration groups who have studied a lesson on the

property and wills as part of their extension program with Michigan State College.

Home demonstration agents and Olevia Meyer, extension specialist at Michigan State College who prepared the lesson, used gratis lawyer talent in helping train more than 2,000 local leaders who in turn instructed their local home

→ With the passing of each year, a great number of facts are added to man's increasing store of knowledge. Not over seventy-five years ago a man of superior intelligence could possess a working knowledge of all of science. Now, however, the realm of the known is so vast that it is necessary for men to specialize in order to master one small but deep corner of scientific knowledge.

Thus we have the physician, who diagnoses disease and prescribes medication and treatment. The pharmacist compounds and dispenses. Both the physician and the pharmacist benefit greatly from the researches of the biologist, the chemist, the physiologist, and the physicist, to name but a few. Through the teamwork of the allied sciences, increasingly better medical service for all is assured.

The Grist Mill by Ed Alchin County Agricultural Agent

Poor farm "housekeeping" auses a great share of rural fires and E. W. Alchin, county agricultural agent, suggests April is the time to clean up. The Michigan State College Cooperative Extension service is working with the Michigan Rural Safety Council in promoting the April program.

. The county agricultural agent reminds that a day spent looking after "housekeeping" details may save thousands of dollars and perhaps lives. If it's done before the rush of spring work begins, it will be easier to find things and do a better and more thorough job of farming, he thinks.

The agent outlined this 12-point fire prevention program for local farmers:

1. Remove all rubbish and oily rags, which may ignite spontaneously. Burn them or store them in closed metal containers.

2. Examine heating systems for cracks, soot clogging and defects and see that no combustible materials are directly exposed to heat. 3. Examine wood shingle roofs if old, replace with fire retardant

roofing. 4. Keep ashes in metal 'containers.

5. Replace frayed electric cords and have defective electric equipment replaced or repaired by competent electrician.

6. Remove rags, paper, boxes and old furniture from attics, barn and other buildings.

Chimneys and flues should be inspected and cleaned once a

8. Cut down and burn dead vines, brush and weeds along fence rows and near farm buildings. 9. Remove cobwebs and dust from switch boxes and clean

10. Install lightning rods. 11. Keep furnace clean and keep stoves a safe distance from

walls and wooden boxes. 12. Keep in a very handy place a ladder, long enough to reach the roof of the highest farm build-

County Agent Alchin made plea for 100 percent cooperation with the April Clean-Up Month program in the county with this warning: "Remember, if you clean up your farm today, it won't burn up tomorrow. A clean farm seldom burns."

This completes my first year in the Oakland County Extension Service as county agricultural agent. We hope that we have accomplished something of benefit to everyone in the county and would like to take this opportunity of thanking those who have given their wholehearted cooperation in planning and executing our Extension programs.

Something for Artificial Breed

VISOR LIGHT NEW BEAUTY AID

In a new spring costume topped off with the latest thing in millinery. Pat Lance deftly administers the final touch with a lipstick in front of the newest Chevrolet accessory, an electrically lighted vanity mirror mounted on the sun visor of a 1950 Chevrolet. The light above the mirror gives a soft glow, makes the mirror instantly usable day or night.

ng Association members:

Webb J. Doughertf, manager at summer pasture. Good summer the William F. Pioch Farm on pasture not only makes for high one Tree Road near Milford, re- production during the grazing ports that their first heifer has months but also puts the cow in produced 60 pounds of butterfat shape to do a better year-round for the last three consecutive job. months. "Eech" is the name of this heifer; she is from Cesar's Neptune, one of the fine bulls of the artificial breeding stud in RONALD A. WALTER, Attorney, the Guernsey breed. We expect to hear more and more such results as the heifers from artificial breeding come into production.

Trips around the country indicate that wheat and alfalfa suffered from this last "messy" winter. Continual freezing and thawing has caused considerable damage to both. However, we hope that they will recover and come on to make good crops this year.

Not too much can be done in the case of alfalfa, especially new seeding, to rejuvenate them and get them started.

In the case of wheat, we have different situation. Possibilities are that an application of 150 to 180 pounds of Ammonium Sulfate to the acre will have a beneficial effect in causing wheat to stool out and to increase the crop. This wheat treatment with

Ammonium Sulfate should not be needed in case of an application of manure as a top dress or where legumes were plowed down for wheat. Only apply Ammonium Sulfate if the crop looks burned and sparse as new growth starts. Do not apply the Nitrogen on frozen ground but wait until the new growth begins to come on, wise Nitrogen fertilizer will dissipate by air and water leeching and the full benefit will not be obtained.

KENT OAT SEED NOW AVAILABLE

Seed of Kent oats, a variety eleased by the Michigan Agricultural Experiment Station in 1948 and increased under certification in 1949, is available in good supply for planting this sea-

Gabby Enjoys Going to The Dentist

One of my molars was giving me a bad time Tuesday afternoon, so I slipped over to Doc Jones, hoping to catch him free. When I arrived, Gabby Jackson was sitting there stand, but if Gabby-or anyone reading a magazine. I said hello to Gabby and he nodded.

Doc comes out and says I'm next, "Wait a minute," I says. (My tooth seemed to have stopped aching.) "How about Gabby—doesn't he glass of beer with my supper and have an appointment?" Doc smiles and says, "Gabby? Why, he's got. the finest teeth in the county. He just comes up here and reads the magazines whenever he's in town!"

As Doc went to work he told me that he's glad to have Gabby come up and read magazines ... they might not all be fresh off the newswants to while away some time who is he to stand in their way? From where I sit, this "live and

let live" spirit helps make America what it is. If I prefer a friendly you prefer milk-who's to say one's right and the other wrong?

On Tuesday, March 21, there wa a demonstration in the Home Ec onomics department on how to make pasties. It was given by Mrs. Boyns, The pasties resemble little individual meat pies, in the shape of small crescents. They are made of chopped meat, potatoes, onlons and seasoning, and are covered with a thin pastry dough,

On Thursday of the same week there was a demonstration on using the racks and pans in the new Home Economics stoves. It was given by Miss Good who is with the Consumers Power Company The demonstration consisted of to be plain or checked material, broiler meals. One centered around inexpensive meats in which "swanky franks" and barbecued bologna with corn were prepared on the rack. Another centered around broiled perch, peaches, potatoes and partially frozen peas We had a jiffy frosting prepared

This year's fashions are a lo different from last year's. Here are some of the fashions:

Smart hair styles: It's short or it looks short. It's shaped to the head. The hair is straighter, with fewer curls and more waves.

The datest bonnet will have all the frills. Gems and fruit perch on the top of spring hats. Most chapeaux jut backward or forward and

drape on one side. The make-up is darker. The eye brows and eye lashes are darker. Also, the girls are wearing sweet-

heart lips. The gloves are going to be long and mostly nylon.

Coats are straight in front and have full backs. The dresses are mostly navy blue with full skirts. The material

is going to be sheer. Blouses are going to be something different from what they have been before. They are going without sleeves.

Skirts are of very bright colors this year. They are full with the hemlines 141/2 to 16 inches from the floor.

The heels on the hose get their share of limelight this spring and invite admiring backward glances. There's a new clock idea, knit into the back of seam-free nylons. Popular too, are the frame heels which with vertical lines tend to slender-

The shoes are very open year. Most of them are sandals of facts, in The American Weekly, different colors.

By Jane and Di

What The Well Dressed Man Will Wear This Spring

Suspenders-bright orange with green stripes; Hat—white Derby; Shirt-purple with yellow pinstripes; Tie—red with orange and green designs; Jacket-black, yellow, red, and green tweed; Pantsbarbershop stripes, red, white and blue; Socks blue and white; Shoes—yellow and red checks; Spats-orange and green.
