CLARKSTON, MICHIGAN, THURSDAY, JUNE 1, 1950

NUMBER 40

Crowd Pays Tribute To Departed Veterans

Service men in this area who had served in the wars of the Obituary country and had answered the last call were fittingly remembered with memorial services on Tuesday by the Campbell-Richmond Post No. 63 of the American

Forming at Church and Buffalo Streets, the parade was led by the colors and guard, Willian Sharp and Ed Gunter carried the American and Legion Flags while Robert Henry and Donald Steiner acted as guard. All four were in the uniforms worn in the service

in their blue and gold uniforms, Ladd of the music department of

Right behind the band were the boys forming the firing squad all in the uniforms of the Navy, Marines and Army. The members of the Legion Post, who marched fell in the parade at this point. Some of the Legionnaires were from the Waterford Post No. 431. Boy Scouts and girl scouts together with the cub scouts completed the formation. Marshal of the day was Frank Green, in army

Commander Raymond Jarvis called the Post to attention to attend the memorial services.

Reverend George Halk gave the invocation after which the Commander read the list of the departed from this area. He then ordered a detail to place a wreath upon the grave of the late John A. Morley, the last veteran to answer the final call.

Reverend George Halk, of the First Baptist church in Clarkston, then gave a brief but inspiring address stressing the need of religious faith in maintaining peace in this world.

the firing squad followed by taps played by Frank Ronk and echoed by Don Coltson.

Formation was then called or the groups paraded back to Clarks-

weather was ideal and a good attendance of residents added to the solemnity of the occasion.

Born to Mr. and Mrs. Clifford W. Strandberg of Clarkston an 8 lb 10 oz. son, Dale Allan, on Thursday, May 25th, at Pontiac General Hospital Grandparents are Mr. and Mrs. Axel Strandberg of Webster, Wisconsin and Mrs. Carrie Walter of Clarkston Dale Allan was born on the birth date of his maternal grandfather the late Earl Walter, and also the birth date of his paternal grandmother, Mrs. Axel Strandberg.

Reminder

The Sunny Beach Property Owners Association of Walters and their friends that a box social will be held at the Sunny Beach Country Club on Sunday, June 4th. The social for the juniors will start at 1 p. m. and for the adults at 2 p. m.

There will be music, dancing

Murray L. Mathis, 8, of 631 Maybee Road passed away suddenly on Saturday. He was born in Birmingham, Ala., January ¥, 1942. He was the son of Mrs. Édna Sikes Lomas and the late Murray L. Mathis.

He is survived by his mother and stepfather, Mr. and Mrs. Hoyt Lomas; a half sister, Harriett Della omas; his grandparents, Mrs. M. C. Mathis of Childersburg, Ala., Mr. and Mrs. H. B. Sikes of Coy, Ala., and Mr. and Mrs. Paul P. Branch of Detroit.

The body was shipped from the Sharpe Funeral Home in Clarkston on Monday to the Vice Funeral Home in Birmingham, Ala., where the funeral service was held on Wiednesday, May 31st, at 2:30 P. M. Burial was in the Forest Hill cemetery in Birmingham.

Clarkston Locals

Reverend and Mrs. Walter Saxman and daughter, Phyllis, and her guest, Sue Shanks, returned ome late Tuesday night after enjoying a couple of days at their summer cottage at Pickerel Lake near Petoskey. On their way home they saw many deer grazing alongside the road. They were really surprised at the large number of deer and they were more than surprised at the way they leisurely grazed without paying too much attention to the passing motorists.

Donald J. Carter Finishes TV School

After completing a 36 week residential training program in Television and Radio Servicing, Donald Carter, 19, of 3320 Van Zandt Rd., Drayton Plains, Michigan has fraduated from DeForest's Training, Inc., 2735 N. Ashland Ave. one of the largest and best known training institutions of its kind

in the country. Donald, the son of George W. Carter attended Waterford Township High School and began his training for Television-Radio-Electronics in August 1949.

Commenting on Carter's graduation, O. I. Thompson, superintendent of DeForest's Training, Inc., resident school, said, "I believe this man is starting on the way toward a fine career in a field offering a wide variety or

opportunities for prepared men. "Television - alone," Thompson noted, "is making such rapid progress that it is becoming known as one of America's fastest growing industries. Already it has grown to a degree which but five years ago would have been labeled a fantastic prediction. Television has made as much progress in a little over two years as early

Radio made in ten.

When we consider that country is expected to have a thousand Television stations by the end of 1955 (including 600 satellite stations to serve smaller communities) and that each major station is estimated to create hundreds of brand new jobs t's little wonder there is a great future for qualified men in Tele-

vision." Thompson went on to say that was enjoyed by all. ndustrial electronics also is finding wider and wider acceptance in factories across the nation, where electronic devices perform countless tasks quickly, accurately and with greater safety than is possible even with highly skilled workers.

"Even the Radio broadcasting at 7:30. industry - which has tripled in size just since the end of the war — is entering a new era with the development of FM Radio, Facsimile, Citizen's Radio, 2-Way Mobile Radio-Telephone and other new developments that make this a truly great opportunity field, the educator concluded.

Waterford

The weekly hot-dog sales sponored by the P. T. A. have been discontinued until the fall.

The Waterford P. T. A. is spon soring a Tea on Friday, June 9th, at three o'clock, for the mothers of pre-school children who will be registering for kindergarten in the fall. The mothers are asked to bring along the child's birth certhicate. Children must be five

Last Friday Clarkston closed its regular season by defeating Orion by the close score of 10-9. Although the score was close it was one of the poorest played games of the season. Seventeen errors were made during the game. Clarkston scored four runs in

the first as a result of three walks, an error and two singles. Orion came back in the second and scored five runs. This was accomplished by four errors, a walk, a wild pitch, a passed ball and two hits. Not content to be behind Clarkston added three more runs in their half of the second. After the second inning the scoring slowed down a bit. In the third Orion added one which was matched by Clarkston in their half of the third, Orion picked up two in the fourth and one in the fifth. This gave Orion their nine runs. Clarkston added one in the fourth and one in the fifth. All totaled Clarkston had ten. Both teams played better ball as

the game moved on. Jacobs was the winning pitcher, striking out 5, walking 5 and giving up 7 hits.

This was the last game for the following Seniors: Shell, Guerin, Jacobs, Miller and Morgan, While the Seniors are in Washington, Clarkston will play Fenton, Both schools will be using only players who will be back next year.

Clarkston Locals

Mr. and Mrs. Frank Green entertained about 49 relatives on Memorial Day at an annual potuck picnic. This group gathers in Clarkston each year to pay their respects to their departed ones who lie in Lakeview cemetery.

The members of the senior class of the Clarkston High School left on Wednesday afternoon at three o'clock to start their trip to Washington, D. C. They are looking forward to a grand time.

Mr. and Mrs. Herbert Beach are receiving congratulations on the birth of a 7 lb. daughter, Edith, on Monday, May 29th, at St. Joseph Mercy Hospital.

SPECIAL FEATURES AT GENESEE GRASS DAY

The David Hewitt Farm, 3517 W. Hill Road, Swartz Creek, on which the Genesee County Grass Day Program will be held on Friday, June 16th, offers visitors an opportunity to see many types

of farming operations. Hewitt operates more than 300 acres in a combination of cash crop and livestock farming. His soil conservation program, worked out in cooperation with the Genesee Soil Conservation District includes terraces, sod waterways, tile drainage and a crop rotation program that leaves much of his land covered with sod crops during winter months.

Livestock includes a small herd of Holstein cattle and an extensive steer feeding operation. Hewitt buys steers of light weight in the fall and winters them well. The following spring he puts them on good pasture. About August, they go into a lot where they are fed heavily with silage, hay and grain and pushed for market around

· CLARKSTON, MICHIGAN

Save the surface and you save all!

January 1st.

Since the farm includes some rolling land, terraces are necessary College Agricultural Engineers have assisted in working out a drainage plan which includes oper and tile drainage.

By laying tile in one field last spring, Hewitt increased the yield of beans from that field nearly enough to pay for the cost of the tile job. Farmers should arrive by 9:30 a. m. to see the entire program of demonstrations.

County Agent Ed. Alchin believes farmers with similar farming problems in the Thumb will profit by visiting the Hewitt farm during Grass Day to learn of farm layout. "In addition," Alchin explained, "they will get much from the fertilization plots, farm machinery demonstrations and exhibits".

COOK BOOK AVAILABLE TO HOUSEWIVES

A special edition of the U.S. Department of Agriculture's new 96-page cook book "Family Fare" is being printed by the Kroger company for distribution through its stores starting June 5th, C. Olaf Talla of the Detroit branch said today. The book, ordinarily obtainable through the U.S. Government Printing Office for 25 cents, is being offered by Kroger to the customers at a cost of production price of 10 cents, Branch Mgr. Talla added.

So you like to drive fast!

Next time you're tempted to step on the gas, remember this picture. Remember, too, that you're not just risking your own neck when you speed up, but the lives of other motorists, passengers, and pedestrians as well. Speed helped to kill about 10,000

motorists and pedestrians during 1948. Safe speed for you and others means driving slow enough for road and traffic conditions, not just within the law. Take it easy-the life you save may be your own!

This happens when you lose a race with a railroad train. Thousands are injured or killed every year in accidents like this. Don't race trains. To save a minute you may lose your life.

Can you stop in time? You need good brakes to be a safe driver. Have brakes checked regularly by a reliable service station or garage. Your life may depend on how fast you can stop.

Cyclists deserve as much courtesy as any other vehicle on the road. Always drive as if your own youngsters were on the bicycle ahead. It's the least you can do for safety's sake.

sage prepared by The Advertising Council in cooperation with the National Safety Council.

CHAMPION MARE

racing secretary, has announced that the world's champion halfmile track trotting mare, Onolee Hanover, will arrive by plane at Northville where she is entered in the \$10,000 Governor's Cup Trot on June 9th. She probably

will be the favorite, Keller said. Onolee Hanover, owned by the Saunders Mills Stable of Toledo, set the world mark of 2:01 3/5 in 1948 at Delaware, Ohio, She is being flown from the Santa Anita Grand Circuit meeting in Califor-

The mare, four years old, was purchased three years ago by the Saunders Mill Stable for \$30,000. The first triple of the Northville Downs meet, which last through July 15th, has been scored by Driver Herman Ross of Palestine Ohio. Driving his own horse, Calculator, he won both ends of the Bad Axe Fair Stake, first division. Then he drove Boger Stone for his third victory of the night.

PRE-SCHOOL AGE CHILDREN NEED YOUR ATTENTION

When all their playmates are in school, how do you provide preschool age Jimmy, and Susy with something to do?

Now that authorities put so much importance on these early years of childhood, the problem causes more and more worry among parents, advises Shirley Newsom, Michigan State College nursery school staff member. For nursery school training is not available to many families.

playmates near their own age. Sometimes parents attempt to satisfy them by sending them along to school with older brothers or sisters. Of course this isn't satisfactory even in one-room schools. City children may not even have a safe place to play. Rural children at least have the freedom of the fields and experiences with animals and chores that contribute to before-school

Children of four or five need

Too often, reports Miss Newsom, an early over-emphasis on books and book learning interferes with later school progress. Movies, radio or television may fill in hours with resulting eye strain or questionable emotional stimulation. They are not a satisfactory substitute for active outdoor play with other children.

Parents may get some help from their local libraries whose picture books and story book hours are an old standby. Sunday School may offer a valuable chance to talk, work and play with other children once a week.

In some Michigan communities groups of parents are organizing cooperative nursery schools to provide supervised outdoor and indoor play. The present trend is for such groups to represent an attempt to meet a community need and to organize with an advisory board in order to have full community backing.

PERSONAL RESPONSIBILITY

★ It is estimated that on an average day in the United States four million people are actually disabled by illness, and countless others are afflicted with minor ailments. Not only is the economic loss incalculable, but the effect on the spirit of the nation is a factor to be

reckoned: What can we do to better this situation? Certainly very minimum, you can care for your own health and the health of your family. In the end, most problems are resolved in the individual's sense of personal responsibility: Observe common health rules. Consult your physician in case of illness. If medication is needed, have your prescelption compounded by our expert prescriptions

Mr. and Mrs. T. S. Boyns, Coun. Reading Room at rear of Church, Tuesday - 7:45 P. M. Choir pen Wednesday from 2 to 4 and Wednesday, June 7th, Quarterly meeting of the W. S. C. S. at

"God the Only Cause and Creator" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, June 4th. 🤝

The Golden Text (Jeremian 10:16) is: "He is former of all things; and Israel is the rod of his inheritance: The Lord of hosts in his name."

Among the Bible citations is this passage, (Rom. 11:33) "O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgments, and his ways past finding out!"

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following (p. 331): "God is individual, in corporeal. He is divine Principle, Love, the universal cause, the only 11:30 A. M. Sunday School, Ward
