

LEGION SPONSORS POLO GAME SUNDAY

On Sunday afternoon starting at one o'clock the Campbell-Richmond Post No. 63, American Legion of Clarkston will sponsor an afternoon's entertainment on the Carl Betz "Tip Top" farm on the Dixie, just north of Clarkston, for the benefit of the new Drum and Bugle Corps.

The program will include entertainment for young and old. There will be a Junior Horse Show when the young folks, 15 and under, will participate in bending races; exhibit speed and action, junior horsemanship and musical stunts. The Michigan Rangers Riding Club will do square dancing while riding horseback.

At 3:30 the polo game will start. The players will be escorted on to the field by the Clarkston Drum and Bugle Corps. For those who have never seen a polo game we might say they have missed a sport which is a "natural" for Americans because it demands the hard-riding, the contact and the clever playing that is so much admired in other sports. Polo differs from other sports because the player, in addition to being familiar with the game and its rules, must also have a speaking acquaintance with the horse. In no other form of sport is the axiom that the best attack is the best defense more true than in polo. The players all move up and down the field unrestrained by zone lines or any rules that force them to remain at one end of the field. Potentially then every player is an attack man, as well as a defense man. Above all, play is fair and unselfish.

The speed with which the players make headway up and down the field is almost unbelievable. Of course the polo pony makes up much of the players' ability at the game because the player does not have time while concentrating on hitting to watch his riding.

Some of the outstanding polo players in this area will be in action on Sunday. Among them will be high scoring Volney Bayley, Harold Troy, Don McCarroll, Earl Gale, Dave Williams and Clarkston's Al Poole.

Be on hand on Sunday afternoon, July 30th, to enjoy one of the biggest local events of the summer season.

Mr. and Mrs. Glenn Howland are spending this week in the upper peninsula.

Mr. and Mrs. Jack Chisholm and son, Jack, spent the past week in northern Michigan. They attended the Indian Festival in Harbor Springs.

The friends of Henry T. Scraze will be sorry to learn that he was taken to Goodrich Hospital last Sunday night after suffering a slight stroke. As we go to press word comes that he is improving a little each day.

On Saturday evening, August 5th, the Seymour Lake Extension Club will sponsor a home made ice cream social at the Community House, corner of Sashabaw and Seymour Lake Roads. Some of those good, home made pies and cakes that are so delicious with ice cream will be featured. Serving will start at 7 o'clock. The public is invited.

The annual meeting of the Sashabaw Cemetery Association will be held on Saturday, July 29th at the Sashabaw Church on Maybes Road. A pot-luck dinner will be served at noon and the business meeting will follow the luncheon.

Program Planned For School Reunion

Those who attended the "old school" in Clarkston are reminded that the annual reunion is being planned for Saturday, August 12th. The gathering will take place at the Clarkston Methodist Church and a very fine program is being arranged for the afternoon.

The members who live in Clarkston are asked to contact as many as possible and urge them to attend, in order to make this the biggest and best reunion they have ever held.

William Brian Berwick
The funeral service for six year old William Brian Berwick was held at the Sharnpe Funeral Home on Tuesday afternoon, July 25th, at 2 o'clock. Burial was in Oakland Hills Memorial Gardens.

William, son of Earl and Alma Drury Berwick of Plainview Ave., Detroit was drowned in Tommy's Lake last Saturday when he fell from a boat. The family was spending the summer at their cottage at 1191 Randall Beach Rd. William was born in Detroit, June 9, 1944.

He is survived by his parents; two brothers, Earl J. Jr., and John Drury; his grandparents, Mr. and Mrs. C. E. Drury of Carlinville, Ill., and his great grandmother, Mrs. Maude Pender of Pontiac.

Perhaps the visitor to come the longest distance to Mondays meeting of the Clarkston Rotary Club was Clarence McGovern of the Kirtwood, Mo., Rotary Club. He was a guest of George A. Perry, Arthur Johnson and Edward Fuller of the Waterford-Drayton Club were present and James Alexander was a visitor.

The speaker "Arthur J. J.", being the first name and middle initial, of the speaker, was a member of Alcoholics Anonymous and gave a very interesting talk on the aims and purposes of that organization. He was careful to explain that the members were not "cured" of drinking to excess but were only one drink from being the heaviest kind of drinkers. His talk not only contained a resume of his attempts to consume all the liquor in the path of his travels including some of his really worth-while campaigns but also outlined some of his experiences since becoming a member of AA.

It is interesting to note that AA does not bear any grudge nor does it battle with alcoholic liquor as such, contenting itself with trying to help those who are slaves of the drinking habit. The speaker earned his living by selling and was perhaps one of the better speakers we have heard on this subject.

A delicious turkey dinner was prepared and served by Mrs. Roy Gundry assisted by Mrs. Ronald A. Walker, Mrs. Orlo J. Willoughby, Mrs. John Mann and Misses Judy O'Dell, Martha Masters, and Carolyn Yoder.

Mr. and Mrs. Clare Rasmuson and son Eric, who have been living in California, have returned to Michigan and expect to make their home in Royal Oak. Mr. Rasmuson will be connected with the Detroit Transmission. They have been here about two weeks and they notice quite a change in the temperature. When they left California the temperature was 112 degrees.

A business session and games formed the program for St. Anne Church of Our Lady of the Lakes Guild July 19th. Mrs. Leo Baumgardner was hostess to the group.

Fancywork and parcel post booths at the summer festival were discussed and a gift for the church from the guild was proposed. Mrs. Carlton Brown read an article on "A Day in the Pope's Life," and led in the recitation of the Rosary.

At the close of the meeting games were played and gifts awarded which were to be wrapped for the parcel post booth.

Punch and dainty cookies was served by the hostess.

Mrs. Merle Gibson of 3224 Signal street will be hostess for the next meeting, August 23rd.

J. D. Powell Made Legion Commander

A special meeting of the Campbell-Richmond Post No. 63, American Legion, Clarkston, Michigan was held Thursday night July 20 for the purpose of electing officers for the coming year. Those elected were: Commander, J. D. Powell; Senior Vice Commander, Frank Green; Junior Vice Commander, Lee T. Masters; Adjutant, Hugh C. Cheeseman; Finance Officer, Robert Henry; Sergeant-at-Arms, Howard Wright; Chaplain, Don E. Steiner; Historian, William Vliet.

Delegates to the department convention to be held at Grand Rapids August 24th through 27th were present: Commander Raymond Jarvis, L. D. Hemingway and Herbert Baynes.

A motion was made and unanimously supported at the last regular meeting that the Campbell-Richmond Post No. 63 sponsor the Boy Scout troop 49 of Clarkston.

Leland E. Masters was elected Institutional Representative for the scout troop while Frank Green, John Turek and Al Kinsey were elected to the reviewing committee. Richard Snover of 6221 Onion Road was unanimously approved as scout master with Robert Henry to be assistant scoutmaster.

On August 1, the Campbell-Richmond Post No. 63 will be the guests of the Oxford American Legion Post for the installation of officers and initiation ceremonies of new members.

On August 3, the Allied Council of Veterans will be the guests of the Campbell-Richmond Post No. 63 here in Clarkston. The Drum and Bugle corps will handle the entertainment and refreshments for the evening. The Allied Council of Veterans makes it a point to hold their meetings at a different post every month. This council includes delegates from every veterans organization which were ever in a war in which American troops fought.

As this paper does not come out until Thursday and if last night was a fair night, we would not doubt know by now that the Drum and Bugle corps was out in full uniform with escort to drum up some business for the big Polo Game this coming Sunday, July 30th, between the Detroit Evergreens and Detroit Gold Hats. If it wasn't a nice night, we assure you that we would have been out anyhow. So which ever way it turned out, how about coming out Sunday and seeing a wonderful afternoon's entertainment knowing that by your being there you have helped a proud organization which is trying to put Clarkston on the map as a community that is always trying to better itself with organizations that are working for your benefit and enjoyment. See our ad on page three.

Hugh C. Cheeseman
Adjutant

Plans Made For Grass Days In '51
With the 1950 Michigan State College Grass Days program barely over plans are underway for another series of educational demonstrations for 1951.

Locations for six of the all-demonstrations next year have already been selected and committees are preparing demonstration plots to be ready for showing next June.

Richard Bell, farm crops specialist and chairman of the 1950 Grass Days committee, says the great interest shown in the educational tours was a feature of the events this year. An average of 2,400 people attended the eight Grass Days held throughout Michigan.

Farmers were eager to study the results of fertilizer and management procedures and methods to get better seedings. As usual, machinery demonstrations were popular, but the big increase in interest was in the growing and utilization of grasses and legumes.

In 1951, two Grass Days will be held in each of the three extension districts in lower Michigan.

Farms listed for 1951 events include: Franklin Kells farm near Avoca in St. Clair county; Matthew Borzenick farm near Brant in Saginaw county; Flora Dantz farm near Manistee in Manistee county; Ralph Cook farm near Marshall in Calhoun county; Arthur Leitch farm near Stanton in Montcalm county. For the first time a Grass Day will be held on two neighboring farms the same day. This will be on the Clifford Shantz and the Handrich farm, operated by Elsworth and Arnold Handrich, near Fairview in Oscoda county.

Township Buys Old School

At the special election held last Friday for the purpose of deciding whether or not to purchase the property on North Main Street known as the "Old School" property, the voters decided to purchase.

VOTE RESULTS
On the millage proposition —
yea — 220, no — 134. Carried by 86 votes.
On the Bond proposition —
yea — 198, no — 127. Carried by 71 votes.

It was understood that the school district would use one floor for a period of not exceeding two years.

Future plans for the balance of the building must now be worked out by the Township Board. Plans were for a community building to the extent that any organizations could use it for a meeting place. There is room for holding public meetings, dances, lodge or club meetings and scout get-togethers.

"Love" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, July 30th.
The Golden Text (1 John 4:7) is: "Beloved, let us love one another: for love is of God; and every one that loveth his brother is born of God, and knoweth God."
Among the Bible citations is this passage, (Rom. 13:8): "Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law."
Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following: (p. 454): "Love for God and man is the true incentive in both healing and teaching. Love inspires, illumines, designates, and leads the way. Right motives give pinions to thought and strength and freedom to speech and action."

Colonial Shores Being Built North of Clarkston

Kitchen Shower Honors Localite

On Wednesday evening of last week Mrs. John Ronk and Carole Torr entertained at a shower at the Ronk home honoring Marilyn Mortimore who will become a bride on Saturday of this week.

During the evening the group had a good time playing games and presenting Marilyn with many lovely and useful gifts. The presentations were made from a large orchid and white wheelbarrow.

Dainty refreshments were served from a table centered with a cake inscribed with "Marilyn and Kenny". From the corners of the table to the chandeliers were yellow, orchid and white streamers.

Among the guests, besides the honoree, were her mother, Mrs. D. B. Mortimore, Mrs. Edward Craft, Mrs. Agnes Richardson, Mrs. Margaret Denton, Mrs. David Mansfield, Mrs. Mike Larst, Virginia Day, Mrs. Richardson, Mary Keelean, Mary Porritt and Janet Keelean.

New 4-H Agent Starts Duties
Mr. John K. Bray of Saginaw, Michigan, took over duties as Oakland County's 4-H Club Agent, July 26th, according to Edmond W. Alchin, Oakland County Agricultural Agent.

Mr. Bray is a recent graduate of Michigan State College where he majored in agricultural extension and dairy production. Mr. Bray has been a former 4-H Club member, carrying projects for eight years in dairy and field crops. He is a veteran of World War II, having served in the 11th Airborne division in Japan.

Mr. Bray is married and he and Mrs. Bray will live at the 2115 E. 29th Street, Clarkston, Mich.

Clarkston Locals
Mr. and Mrs. Lee M. Clark spent last week at East Jordan with Dr. and Mrs. R. J. Hamilton of Detroit.

Mr. and Mrs. Lee M. Clark entertained at a dinner on Sunday honoring their great grandson, Dennis Patrick O'Brien, on his 7th birthday. His parents, Mr. and Mrs. John O'Brien, and his grandparents, Mr. and Mrs. Stanley McCrum, all of Detroit, celebrated with him. Denny received many lovely gifts.

Vacation Time
The highway teems with speeding cars. Their roar, our peace and quiet mars. They're loaded down from roof to floor. And anxious kids peer out the door. There's tents and boats and camping togs. And some who take their cats and dogs. Upon each face a look of peace. With thought, for days their work will cease. That they'll relax beside some stream. And find a time to lie and dream. I sometimes wonder if we knew The laws that govern what we do. That we could live so we could find A way for more vacation time. Perhaps with time to think things out. We'd know more what this life's about. We might turn drudgery to fun. And thus find joy in work well done. We might conceive a better way. To make life happier each day. So I'm all for some days of rest. When man can lie and think his best. When he's apart from man-made din. And lies and waits to let God in.

The library will be open every Wednesday afternoon from 1 until 3 P. M. for the remainder of the summer.

PLAN ANNUAL FARM TOUR IN AUGUST
Farmers who wish to find out the "inside story" of successful farming should plan to attend the second annual state farm management tour, reports John Donath, Michigan State College farm management specialist.

First stop on the tour will be the Frank Crandall farm, Calhoun county, five miles north of Battle Creek on North Avenue. Soil management and efficient swine and dairy enterprises will be on view.

Reservations for the banquet and overnight lodging in Battle Creek should be made with Burrell Henry, county agricultural agent, Federal Building, Marshall.

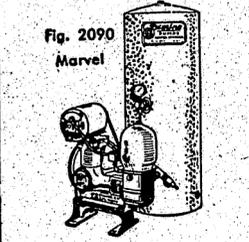

Friday's stops will include the Lorraine Marshall farm, Calhoun county, three miles south of Albion on M-99, then one and three-quarters mile east. A 240-acre farm, this stop will feature swine,

AN IMPRESSIVE RECORD
Although tuberculosis is one of the oldest known diseases, its cause was first conclusively proved when Robert Koch isolated the tubercle bacillus a little over fifty years ago. The success resulting from vigorous public health measures, particularly in the last quarter of the century, is impressive. At the beginning of the century, tuberculosis led the list of diseases as the most frequent cause of death. Today it has dropped to seventh place. There is no reason why it should not drop completely from the list of important causes of death. This splendid record has resulted from the combined efforts of many agencies. An enlightened public opinion with respect to the value of the physician's services has contributed immeasurably. Have that long-delayed physical examination today. We are prescription specialists.

GIVES MODERN TIPS FOR SANDWICH SEASON

Most homemakers have had plenty of experience in making that favorite American food, sandwiches, but a few modern tips about them are timely now that we are in the midst of "sandwich season."

Ruth Ingalls, Michigan State College home economist, believes that a few suggestions may help

your efficiency in sandwich-making. Did you know that day-old bread is easier to cut and to spread but that bread chilled in the refrigerator gives the same results? Butter will spread easier if it is first softened. You can do this, of course, by leaving it at room temperature for awhile. Or you can cut it in large chunks, put it in a bowl, and cover it with warm water. Then you can work it with

a fork until the butter is soft and drain off the water. You can also use the trick of putting the butter in a hot bowl and then mashing it with a fork.

You can keep sandwiches moist even if you have to make them ahead of time. Wrap each sandwich in waxed paper. Then wrap all of them in a dampened tea towel and keep in the refrigerator. Sandwiches can be made the night before and frozen if the filling is one which can stand freezing. When they thaw out, they taste exactly as if they had been freshly made.

Variety in bread and in the fillings make sandwich eating more enjoyable. Search for different breads or rolls at your grocery store and for new fillings in your cookbook.

If the sandwich is to be the main part of the meal think of its nutritive value and include eggs, peanut butter, meat, but also remember the many fruit and vegetable fillings.

COOK BOOK FOR THE ASKING

Would you like a copy of an excellent cookbook and home management bulletin? If so, you may have one merely by sending a postcard, bearing your name

and address, to Congressman George A. Dondero, 1414 House Office Bldg., Washington, D. C. They are free so long as the supply lasts. The publication is entitled "Family Fare; Food Management and Recipes". It is an invaluable aid to the homemaker who wants to know how to buy

food economically and how to prepare it in many new and interesting ways.

Two U. S. Presidents received the Nobel peace prize—Theodore Roosevelt in 1906 and Woodrow Wilson in 1919.

From where I sit... by Joe Marsh
Take Your Choice
Sitting around last Friday evening, the talk turned to the best way of getting to sleep when it seems you just can't. "The way I always do," says Sandy Johnson, "is to breathe deep and make believe I weigh a ton."
"Just throw away the pillow—it works every time," says Buzz Ellis. When counting sheep came up, right away was the question: What kind of sheep?
From where I sit, you could argue 'til Doomsday and never get complete agreement on a lot of things. Now, take me. I'm all for having a glass of beer or ale on occasion. Your "social beverage" may be a "Coke"—or buttermilk or maybe a cup of hot coffee.
But enjoying our preferences is a right in this country and each of us is entitled to his own. The important thing is to respect that right in the true democratic spirit of understanding! As a matter of fact, what a tiresome old world this would be if we all did have the same likes and dislikes!
Joe Marsh

FRANCES YOUNG, Plaintiff
vs.
DAVID YOUNG, Defendant.

ORDER OF PUBLICATION

At a session of said Court held

at the Court House in the City of

Pontiac in said County on the 11th

day of July A. D. 1950.

Present: Honorable H. Russel Hol-

land Circuit Judge.

It appearing from the affidavit on

file herein, that the defendant, David

Young, is not a resident of the State

of Michigan and resides out of

such state, on motion of Estes &

Cooney, attorneys for the plaintiff,

It is Ordered that said defendant

enter his appearance in this cause

within three (3) months from the

date of this order, and in default there-

of that the bill of complaint filed

by the plaintiff herein be taken as

confessed, and that this order be

published or a copy thereof served

as required by law.

HELEN L. RUMER, Plaintiff vs.

ROBERT A. RUMER, Defendant.

ORDER

At a session of said court held at

the County Building in the City of

Pontiac, County of Oakland, and State

of Michigan on the 29th day of June

A. D. 1950.

Present: Honorable H. Russel Hol-

land Circuit Judge.

It appearing from the affidavit on

file that the residence of the De-

fendant Robert A. Rumer, is not the

City of Pontiac, County of Oakland

and State of Michigan, but that the

last known address of the defendant

herein Robert A. Rumer, is Indiana

State Prison, Michigan City, Indiana.

It is Ordered that the said Robert

A. Rumer, appear and answer the

Bill of Complaint filed in this cause

within three (3) months from the

date of this Order, or said Bill will

be taken as confessed against him.

It is Further Ordered, that a copy

of this Order be sent by Registered

Mail to said defendant, Robert A.

Rumer Indiana State Prison, Michigan

City, Indiana, with return receipt

requested at least twenty (20) days

before the time above set for his

appearance and that this Order

be published as required by law.

World Renowned Road Record for Economy and Long Life

A Great Beauty - A Great Car!

All great beauties have one thing in common—the ability to stand strikingly apart from the crowd, to be instantly recognizable as something very special.

Certainly Pontiac has that distinction to a rare degree. Wherever you go, you see the new Pontiac, you are sharply aware that this one car asserts itself in any company. And yet, beautiful as Pontiac is, it has inner qualities which are even more desirable. Pontiac is built, from the bottom up, to be thoroughly good, to be an outstanding performer, a dependable, economical, completely satisfying car.

Yes, almost everybody knows that Pontiac is a great beauty. But only Pontiac owners really know that it's a great car in every way. You should be a Pontiac owner—dollar for dollar, you can't beat a Pontiac!

Built right from the heart! WINDSOR CONVERTIBLE ROYAL CLUB COUPE WINDSOR 4-DOOR SEDAN NEW YORKER NEWPORT THE IMPERIAL 4-DOOR SEDAN Make no mistake! Chrysler was first to develop high compression. And Chrysler's kept its big head start! This is the much-admired... much-imitated... but never equaled Chrysler High Compression Spiffire Engine with Full Flow Oil Filter! And what a powerhouse! Rain and high water won't stop it! Its exclusive combination of advantages mean long life—trouble-free performance that beats anything you've known! Come feel the difference in smooth power... see the difference in workmanship! In quality of materials... in great engineering! In built-in value all the way through! Come get the inside story of today's best buy... and we're sure you'll drive Chryslers from now on! See it—drive it... there's built-in value all the way through! Advantages of Chrysler's High Compression Spiffire Engine: Waterproof Ignition—prevents stalling in rain or high water. Chemically Treated Cylinder Walls—for greater wear. Floating Power—helps eliminate vibration. Superfinished Parts—reduce friction, last longer. Exhaust Valve Seat Insects—reduce need for valve grinding! Full Flow Oil Filter—keeps oil clean! Advantages of Chrysler's Fluid Drive: Automatic Gear Shifting—with full control of your car! Better traction—safer on slippery roads. Convenience of clutch for easier parking. Slower Engine Speeds—reduced noise, wear. Saves gasoline! Drive in high while others drive in low in traffic! Chrysler's Advantages in Comfort and Safety: Functional Design—full room for your head, legs, shoulders. Easy to enter and leave! Safe-Guard Hydraulic Brakes—smoother stops, less pedal pressure. Cyclebonded linings for double the wear. Electrically Operated Windshield Wipers—constant speed all the time! Chair Height Seats—no crouching, you sit naturally! Safety Rim Wheels—won't throw tires after blowouts at normal speeds. Double-width Arm Rest—for arm chair comfort.

WORK SUPERVISORS SHOULD LEAD, NOT PUSH, U-M FINDS

The work supervisor who works about production generally has a poor production record. Company benefits and recreational programs have no significant relationship to the amount of productive effort.

Better supervisors lead and do not push their men. These are partial results of a

survey on organizing human behavior which have been released by the University of Michigan's Survey Research Center. They are included in an article by Stuart M. Reed, assistant to the University's Bureau of Business Research, appearing in the current issue of the Bureau's "Michigan Business Review." The findings are described as tentative.

The survey showed that when a supervisor failed to lead, some-

er than where this direct pressure does not exist.

"Better supervisors are more likely to consider interest in their employees, rather than production, to be of primary importance in their jobs," Reed reports. "Also the more effective supervisors are more likely to regard their employees as human beings rather than as parts of a machine."

While benefits have no "marked" effect on production, the survey did show that they tend to "create a favorable attitude toward the company."

OF INTEREST TO DEER HUNTERS

No rifles can be used in hunting deer in downstate counties in the open season next November 15-30th inclusive.

The conservation commission during its July meeting this week turned thumbs down on a proposal to legalize the use of rifles in southern Michigan counties, restricting firearms instead of shotguns with buckshot, ball and slug loads.

All of Michigan will be open to bow and arrow hunting of male deer from October 1st to November 5th inclusive. A major portion of the state will be open to taking of deer of either sex with bows and arrows during the same period. Counties where deer of either sex may be taken during the archery season include Alcona, Alger, Antrim, Alpena, Baraga,

Archers may again hunt deer of either sex in Allegan county from October 1st to December 15th inclusive.

Look for "Cupid's Contract", in The American Weekly, with Sunday's HERALD-AMERICAN, an absorbing article which features a unique marriage-saving pledge you'll want to sign, cut out and save. Don't miss "Cupid's Contract" in the great color magazine of true-life stories with Sunday's CHICAGO HERALD-AMERICAN!

A time-honored rule for choice of dressings is to use French dressings for dinner salads which accompany a meal and mayonnaise or cooked dressings for some of the more substantial salads, advise Michigan State College home economists.

Use softened butter spread to the very edge of the slices for sandwiches to keep the filling from soaking through. Both slices should be buttered — not too thick and not too thin, advises Elaine Mashler, Michigan State College home economist.

LOCKERS ARE FOR CITY FOLKS TOO!

YOU don't have to raise your own meat, fruits, vegetables, and poultry to live better for less the locker way.

We'll be glad to sell you wholesale cuts of meat on money-saving wholesale prices. And you can buy frozen fruits and vegetables from us in bulk lots at budget-stretching prices the year round.

Come in and select the beef, pork, and other meat you need for the next several months. Let us cut it to your family size, package it scientifically, freeze it at a b-r-r temperature, and put it in your locker.

Most families save up to \$5 a week by living the locker way. Drop in soon—and let's talk it over.
