A letter was received by Herbert Baynes of Clarkston from the Service Office of the Oakland County Council of Veterans which requested that Ground Observation Station be set up throughout the state. The letter further requested that Mr. Baynes recruit a group to man a station to serve Ortonville, Oxford, Milford, Pontiac, South Lyon, Wixom, Andersonville, Clyde, Birmingham, Leonard, Goodison, Commerce, Farmington as well as this community.

It is planned to station the observers near Andersonville and Mr. Baynes' immediate duties are to recruit sufficient volunteer personnel to man the station during operational exercises and in the event we are involved in war.

The first observer to volunteer was G. E. McNieve. It is expected that a force of 20 men will be needed and none will serve more than 4 hours in one week.

District Governor To Visit Here

Fletcher Renton, District Governor of the group of clubs in this district will visit the Clarkston Rotary Club next Monday.

Fletcher is a past president of

Fletcher Renton

the Oakland Bar Association, and former Mayor of the Village of Royal Oak. He is a very active Rotarian in his club and should have a good message for the local Rotarians.

Officers are asked to attend the meeting early to discuss Rotary business with Mr. Renton and a 100% attendance is requested of the members.

The meeting on Monday at the Clarkston Methodist Church was devoted to a discussion of what the Club could do for the community in the line of making it an even more attractive place to live.

One idea that would help the younger people was to light the school athletic field and help promote the athletic activities. It was proposed that in this way more support would be given.

Another idea was how best to help the township use the newly purchased township property on North Main Street. Naturally there were many and varied ideas even as to the possibilities of a library for public use.

It was believed that public support could be enlisted for any idea that was sound, progressive and solely for the benefit of the village and township.

Guests present at the meeting included: George Boyd, of Pontiac; Lewis C. Warden of Winter Garden, Fla.; William Shunk; Art Johnson and Gerry Monroe of Waterford-Drayton, all members of Rotary Clubs. George Lang had as a guest Lee T. Masters.

The dinner committee was under direction of Mrs. William Johnson, Mrs. Ralph Kreger, Mrs. Arnold Mann, Mrs. Paul Eliason and Miss Floss Hubbard. As usual the meal was enjoyed by everyone.

June Darvishian was carrying a bouquet of album lilies arranged on a fan of ivory and Batenburg lace when she met Welling M. Squier at the altar of All Saints Episcopal church of Pontiac last Saturday afternoon at 4 o'clock to exchange marriage vows.

The flowers accented her wedding gown which was fashioned of imported Chantilly lace for the bodice and overskirt which fell into a train. The bouffant underskirt was formed of white tulle and the fingertip veil was made of identical lace and tulle with the pattern of the lace outlined in crystal beads. A necklace of cut crystal was the bride's only jewelry.

June formerly resided on Liberty street in Pontiac. She was escorted to the altar by her brother Arthur Darvishian of Detroit.

A ballerina length frock of lavender nylon marquisette with a bateau neckline was the choice of Shirley Saunders of Berkeley for her duties as maid of honor. She wore a matching cloche of interwoven velvet ribbon.

The frocks of the bridesmaids, Levada Vaught of Pontiac and Mary Beth Christie of Drayton Plains were styled like the honor maid's. Miss Vaught wore lime green and Miss Christie wore lemon yellow. Their caps were of marquisette. The three attendants carried nosegays of carnations.

The bridegroom, who is the son of Mr. and Mrs. Ernest V. Squier of Clarkston was attended by Charles E. Squier of Harbor Springs. Ushers were Joseph and James Christie of Drayton Plains, John McGaw of Birmingham, Joseph Ross of Royal Oak, W. R. Campbell of Detroit and James Huttenlocher of Clarkston.

The ceremony was read by the Rev. Kenneth C. Morris before 250 guests. White flowers were used to bank the altar for the occasion. Miss Marion Straighter was the soloist. She sang the Lord's Prayer and other selections. The organist was Miss Wihla Hutson.

Mrs. Squier chose a street length dress of navy blue crepe with white embroidered organdy trim for her son's wedding. Her hat was a cloche of blue and white feathers and she wore an arrangement of Eucharis lilies on her blue handbag.

The bridegroom's grandmother, Mrs. Monroe V. Miller of Crystal Valley, wore a mauve crepe and lace dress with a mauve hat. Her corsage was of sweetheart roses and delphiniums.

The reception was held at Kingsley Inn and after the reception Mr. and Mrs. Squier entertained the wedding party at a supper at their home in Clarkston.

For the wedding trip the bride selected a suit of navy blue shantung with navy and white accessories. The couple will motor through the southeast and Florida. When they return they will live in Flint where Mr. Squier is a senior at General Motors Institute of Technology.

The bride is a graduate of the Gerhardt school at Delray Beach, Fla., and the Detroit Business Institute. Mr. Squier is a graduate of Howe Military school at Howe, Indiana.

He is survived by his widow, Anna.

Fire Destroys MSC Cafeteria

A lightning-blamed fire completely gutted the giant Quonset Village cafeteria at Michigan State College, August 1st.

Two companies of firemen from East Lansing, a unit from Lansing, and over 30 students volunteers battled the blaze for over an hour before bringing it under control.

Lawn Picnic Enjoyed Tuesday

Fifty-eight members of the Fellowship Bible Class of the First Baptist Church, of Pontiac, enjoyed a class picnic on Tuesday at the home of Mr. and Mrs. Charles O. Lanning on Holcomb Street. A cooperative dinner was served and a good time was enjoyed by the large attendance of the class members who had assembled.

Legion News

A special business meeting of the Campbell-Richmond Post No. 63, American Legion, Clarkston Michigan was held Tuesday night at 8 P. M.

The total profit from the Legion sponsored Polo Game July 30th amounted to \$124.97. This is about one third of the amount needed at the present time to pay for the drums and bugle which we now have. The Drum and Bugle corp has another hot deal on the fire to raise money for the balance.

Ask any legionnaire what's cooking, or if you are in the Clarkston State Bank, ask Charlie Robinson, he will be glad to tell you.

To get to a much more serious nature, it was discussed at Tuesday's meeting, and plans started, to have in our Post a permanent burial service squad. This will consist of The Nations Colors, The Post Colors, and color guards, a four to eight man firing squad, and two buglers. We feel that the incident in Detroit last week for the funeral of Detroit first war dead was a black eye to every veterans organization, and we are determined that it won't happen here. We want the respect of all our citizens and as a veterans organization in this community we feel very strongly that it is our duty to provide military funerals for all those who give their lives in sacrifice, so that the rest of us at home may go on having all the luxuries we have long been accustomed to, especially that most wonderful of all luxury, FREEDOM. We in this community have had few losses, and can be grateful, to give fitting services when and if needed.

Parish Guild To Sponsor Dance

The first fall dance to be held September 16th in the Parish hall, sponsored by the general guild of Our Lady of the Lakes Church was planned when 36 members met Wednesday night in the parish hall.

Mrs. Howard Brinker, general chairman, named her committee Mrs. Daril O'Dea, tickets; Mrs. Patrick Perry, refreshments; Mrs. Merle Gibson, publicity; Mrs. William Pelletier and Mrs. William Goulet, decoration.

The group decided to keep the few articles of fancywork and dolls left over from the festival for the winter Bazaar and to prepare other items for this event.

Mrs. Albert Deconinck was appointed to get information on a large coffee urn for the hall kitchen.

The parish's Altar society membership drive will begin next month, guild chairman were asked to contact as many members as possible.

The next church bake sale will follow Masses at 7, 9, 11 a. m., August 27th at the hall. All ladies of the parish are urged to bring bake goods.

The next general guild meeting will be September 6th in the hall. Members are asked to be present at 7:50 in the future so that they may recite the Rosary for world peace before the meeting in the church. St. Anne guild will be hostess for the next meeting.

Mary Martha guild was hostess for the August meeting, serving dainty sandwiches, potato chips, pickles and coffee and tea.

Clarkston Locals

The Clarkston chapter of the Royal Neighbors of America met at the home of Mrs. Albert Wyss for a picnic on August 9th. Plans were made for a bazaar and bake sale to be held sometime in September. Today, the ladies are holding a juvenile picnic at the Ortonville State Park for members and their mothers.

By the Way . . .

There is something inspiring in the action of a group trying to plan, without thought of profit, how to better the home town and increase the pleasure of living there. This last week two such groups met and discussed just such plans. One was a group composed of representatives of local organizations meeting at the so called Old School to see how the building could best be utilized for the public good and how to make it a community center so that more could enjoy the building. The other group was the Clarkston Rotary Club which devoted a whole evening to the question of what lasting and useful good the Club could do for the community. Some good is sure to come from such meetings. . . . Sunday, September 10th is the date of the Second Annual Horse Show sponsored by the Dixie Saddle Club. The programs are out and offer 23 events which should make a well rounded exhibition. You will hear more about this show before the date but if you love horses you will want to plan for this event. . . . This is a little early but the Clarkston Fire Fighters Association will hold their fourth annual Firemen's Ball on Saturday, October 7th. . . . Coming back to the present time, have you attended the Oakland County 4-H Club Fair this year. It is going on at the present time. Because this country would be a sorry affair if it were not for our farmers, it would not hurt to encourage the 4-H club members in this undertaking. All of these members will be the future farmers of this community. . . . To a lot of residents it would be interesting to hear from the Oakland County Road Commission or the State Highway Department as to why the fancy road construction at M-15 on the Dixie got that way. So far we have heard more against it than for. However there are always two sides to a question and perhaps there is a good reason for its construction although it is not apparent at first glance. . . . Wednesday, August 23rd is the last day to register if you desire to vote at the Primary Election in September. Some people are content to vote at the November election as to which of the candidates they desire to see elected. However, one should attend history in making and not only vote in November but vote in September as well and help pick the candidate who will run in the later election. . . . This week the News carries an ad. for the summer festival of St. Anne's church at Ortonville. The festival will take place this Friday, Saturday and Sunday. This week, also, the first announcement of the Michigan State Fair appears. You will hear more about this but most desire to attend this big event in the lives of people in this section. Your friends just take you as you are. If you be dud or shining star Your friends don't care, for you can't hide From friends, the feeling that's inside. Your friends are people that you pick To come and share your balivwick. You tell them all your secret woes And honor each for what he knows. With friends you feel at perfect ease To get and dress just as you please. Your friends do not expect from you The things that they would never do. Waterford

Sixty-five persons attended the thirteenth annual reunion of the Waterford Village school Saturday. After a potluck dinner a business meeting was conducted by Mrs. Glenn Campbell. Donna Kay

Lamberton accompanied Jean Campbell and Jeannine McCaffrey as they opened the program with three vocal selections. Mrs. James Sutton told the group about our schools at the present time. She said that according to Supt. William Shunek, the building program at the new township high school is on schedule and should be completed by December 1st. It is expected that there will be over 5,000 pupils in the school system this year as compared to 4,900 last year. Henry Mehlerberg said that when he taught here in

1913 he had 30 pupils in the five upper grades of the two-room village school. Mrs. Mehlerberg had 33 pupils in the five lower grades. In the present village school, and some of the other township schools, it is not unusual to find over 60 pupils in any one grade. Mr. Mehlerberg pointed out that when the first four rooms were added to the original two rooms about 25 years ago, it was thought that only two rooms would be needed immediately. It was soon discovered that those rooms were all needed and it was necessary to convert the basement into school rooms. Several persons who had attended school here several years ago were introduced and told of some of their experiences. Wesley Stevens, who lives on the Sashabaw road, said that he was the first boy to receive a diploma in the village school. Mr. and Mrs. Mehlerberg led the community singing. Fred VanAtta of South Lyons was named president for the 1951 school reunion to be held on August 14th. Mrs. Margaret King Stephens of Lake Orion will be vice-president; Mrs. Helen Spooner Mehlerberg, secretary-treasurer and Mrs. Nellie Northrup King, corresponding secretary. Mrs. Stephens will arrange the program; Mrs. Gladys Jones Porritt will be menu chairman and John Miller will be custodian. Mrs. Ailene King Wormley came 105 miles from Hudson to attend

the reunion and Mrs. Bertha Jones Wells came 85 miles from Pinconning. Lemuel VanSycle who celebrated his ninety-second birthday last Wednesday was the oldest man present and Mrs. Ida Hayden who is nearly 90 was the oldest lady attending. Mr. and Mrs. John Barling of Waterfront Drive spent last week vacationing in Northern Michigan. Mr. and Mrs. Robert Materna and two children of Northfield Street are enjoying a vacation at Platte Lake. Mr. and Mrs. Thomas Peterson and children, Debbie and John, moved into their home on the Andersonville Road last Friday. They recently purchased the Henry Mehlerberg home. Lawrence Harrup of Cleveland, Ohio, spent the week-end with his parents, Mr. and Mrs. Harry Harrup. His daughter Temple returned with him after a two weeks visit in Cleveland. Mr. and Mrs. Edgar Keller of Pleasant Ridge were Sunday guests of Mr. and Mrs. Fred Tuck of Waterford Street. Twyla Giddings is home from Grand Rapids where she has been for several weeks. She will remain home until the first week in September and then return to study at the Grand Rapids School of Bible and Music.

Fred Toles of Andersonville Road is convalescing from a recent illness.

Mrs. Maude O'Connor entertained the Waterford Moms of America last Wednesday of last week. Eight members and two guests were present, with Mrs. Anna Gesch and Mrs. Charles Topham joining the group. Plans were made for an Experience Tea and pot-luck dinner to be held in November. The names of boys in the service from this vicinity are Kenneth Maxwell, Donald Carter, Edward Amos, James Amos, Burt Skelton, William White, Dale Milward, William Milward, Dick Van Emmerick, Howard Johnson, Frank Huff and Don Zettle. It is asked that anyone knowing the names of any other boys from this territory who are in the service please send their names to Mrs. Fred Mitchell so the Moms can remember them from time to time.

Jimmie Beebe of Lincoln Park was a guest last week of his cousin Jimmie Beebe of Van Sycle Street.

Mr. and Mrs. Albert Dryden of Williams Lake Road, drove to London, Ontario, Sunday where they visited friends for the day.

Betty Bunts came from Findlay, Ohio to spend the week-end with Joyce Amos. Joyce returned home with her Sunday and will remain in Findlay a few days.

Announcement is made of the birth of a son Dean Jay, on August 8th, to Mr. and Mrs. Dick Cole of Whittemore, Michigan. Mrs. Cole will be remembered as Lucy Shepherd and she formerly worked in the Post Office.

Week-end guests at the Jacober cabin near Comins were Mr. and Mrs. Robert Amos and Jack McCaffrey of Van Sycle Street.

Donald Dryden entertained 19 members of the Luther League at his home Sunday evening, with Howard Peterson in charge of devotions. The group is forming a baby sitting service called "Kidets Incorporated". Both boys and girls will take part and anyone in need of a "sitter" should call Jeannine McCaffrey for Waterford; Consie Bahm for the south side of Williams Lake and Verona Adams for the North side of the lake. A percentage of the earning will go to the Luther League. Ronald Grover who left Monday for San Antonio to begin Army training was presented with a farewell gift.

Plans are under way for a Ma and Pa banquet to be held at a later date. The next meeting of the group will be held at the Peterson home on Sunday, August 27th, at 7:30 p. m.

BEER
AMERICA'S BEVERAGE OF MODERATION

The American Way

The words "Michigan" and "fishing" are practically synonymous at this time of the year. And after an exciting day's fishing, it's the "American Way" to enjoy a glass of cool, refreshing Michigan brewed beer to top off the day.

For beer is the kind of beverage Americans like. It belongs... to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy it, this too, belongs... to our own American heritage of personal freedom. *Beer Belongs... Enjoy It*

MEDICAL SCHOOL'S CENTENNIAL TO BE OBSERVED AT U-M
 The University of Michigan Medical School will celebrate its 100th anniversary in September. Medical School alumni will mark the occasion in a special three-day conference from Sept. 28th through 30th. A special convocation of the Medical School is scheduled at 10:00 a. m. on Saturday, September 30th, as the concluding event.

The Medical School is the second oldest unit in the University ranking next to the Literary Department which had opened its doors in September 1841. Ninety students presented themselves to Dean Abram Sager and his five faculty colleagues when the Medical School's first classes were held in October of 1850.

This first class was larger than the Literary Department's enrollment of 64 students and the Medical School continued to grow with extraordinary rapidity so that it continued to show a higher enrollment than the Literary Department for several years.

SEED LAWNS NOW
 August 15th to September 1st is the best time of the year to seed lawns. The month of August is preferred to spring months because the small grass seedlings have much less competition from weeds at that time of the year. Spring is the time weeds grow most rapidly. By sowing the grass seed in August the grass gets established and is ahead of the weeds the following spring.

Everyone wants a nice green lawn, free of weeds and one which stays green all summer. As August 15th to September 1st is the best time to seed the lawn, then is the time to start off on the right foot. First of all, level the lawn site. A level lawn adds more beauty than one full of holes. Secondly, have the soil tested to determine what fertilizer analysis is needed or if top soil is needed.

Thirdly, after the top soil has been added or after fertilizer has been worked in, then is the time to apply the seed. Kentucky Bluegrass is Michigan's most popular lawn grass and makes a fine looking lawn. One precaution in using Kentucky Bluegrass seed, it is slow to germinate, which means it takes approximately three to

four weeks for it to come up. For shady places, Cheewing's Fescue will grow better than Kentucky Bluegrass.

Kroger
Live Better
for Less
Live Better for Less is more than a slogan...
It's a promise from us at Kroger that we will
keep our quality high, our prices close to cost.
To help carry out our promise of high quality,
there's the Kroger Food Foundation, a unique
testing laboratory set up to safeguard the
quality of the Kroger family of products. To
fulfill the promise of low prices, Kroger relies
on a small per-item profit and a large volume
of sales. Live Better for Less... four little
words which mean a lot to Kroger people and
to you.

Appreciation
I wish to express my sincere thanks and appreciation for the lovely flowers, gifts and cards which I have received.
The beautiful remembrances of so many friends during my recent stay at the hospital and convalescent at home meant a great deal to me.
Mrs. James Stites
In the family food budget the price per serving is more important than the price per pound or dozen. Meat cuts may vary from one to five servings per pound. A small chicken has more bone waste in relation to weight than a large one.
