Mr. and Mrs. Donald Beedle returned Monday from spending a week at Comins. The young couple left Tuesday for Bowling Green, Ohio, where Don will attend school.

Mr. and Mrs. John Miller and Mr. and Mrs. Elmer Stockwell drove to Frankenmuth for dinner last Sunday.

Mrs. Ray Peltier is visiting her sister at Mount Rose.

Mr. and Mrs. Murdo McDonald have returned from a two weeks trip in the upper peninsula.

Mr. and Mrs. Robert Radigan of Bowling Green, Ohio, were weekend guests of Mr. and Mrs. Robert Amos. They all attended the Yankee-Tiger ball game on Saturday afternoon.

Mrs. Howard Burf and daughter Lois of Ortonville, and Mrs. Henry Mehberg spent Thursday visiting Mrs. Fred Tuck and new daughter, Carol Louise, of Rochester.

Jack McCaffrey left Wednesday to begin his senior year at Ohio State University.

Jean Kray and Janice Root are among the students entering Michigan State College. They left Sunday for East Lansing.

Mr. and Mrs. John Watchpocket spent the weekend in Grand Rapids. They observed their 25th wedding anniversary on Saturday.

Mr. and Mrs. Stanley Hawkins and small son John returned home Monday after a three week tour of the west. En route they visited Mr. and Mrs. Clifford Waterbury (former Clarkston residents) in Phoenix, Arizona. They spent a day in Glendale, California, and came home through Yosemite National Park. While in Fresno they were guests of Reverend and Mrs. Philip Jordan, formerly of Waterford.

Mr. and Mrs. William Common and Mrs. William Jacober are home after visiting in Mountain Iron, Minnesota.

Mrs. Henri Buck is visiting her son-in-law and daughter, Mr. and Mrs. William Poland of Detroit.

Mrs. Robert Siever and son David returned to Lake Geneva, Wisconsin, after a short visit at Roy Pammenter home.

Rev. and Mrs. Charles Shock and son Mark of Reading, Mich., visited in Waterford and vicinity, the first of the week.

Mrs. Agnes Flickinger continues to improve at St. Joseph's Hospital where she has been for the last month.

Thirty-two ladies attended the Book Review at the home of Mrs. William Pelton on Waterford Road Monday afternoon. Mrs. Kenneth Valentine reviewed the book "The Way West", by A. B. Guthrie Jr. Mrs. Dalton Ertinger gave a short resume on "The Plum Tree" by Mary Ellen Chase. Mrs. A. J. Holstein will open her home for the October meeting at which time Mrs. W. H. Vann will review "The Mature Mind" by Dr. Harry O. Overstreet. All ladies in the community are invited to attend these book reviews held on the third Monday afternoon of each month.

Mrs. Otto Duguid will entertain the O. D. O. Club next Wednesday, September 27th. Work will be done on cancer pads. Pot-luck dinner at noon.

Eighteen Cheery Chum members and two guests met at the home of Mrs. Jack Hall last Friday for a pot-luck supper. During the evening games were played and Cheery Chum gifts distributed. Mrs. Ashton Emery showed colored movies taken on their recent trip to Florida and Cuba and also had with her some lovely hand-work done in Cuba.

Mrs. John Watchpocket was chairman of the committee for the evening. She was assisted by Mrs. Thomas Corbin, Mrs. Lawrence Giddings and Mrs. Claude Hoadley. Mrs. Giddings has invited the group to her home for the December 1st party, with Mrs. Carl Enden as co-hostess.

On Sunday, September 24th, the Waterford Community Church will hold its Family Day Service. The Church and Sunday School will be combined in a service

which begins at 10:30, closing at noon.

The Men's Beacon Club of the Waterford Church will meet Saturday at 8:30 at the church.

Rev. Wright Van Flew spoke at Niles, Michigan, last Sunday. Rev. Richard Rohland of Detroit was guest speaker at the Waterford Church for the morning service and Rev. Main of Royal Oak had the evening service.

A Truly Wonderful Car!

If you were to sum up, in one word, the complete story of the new Pontiac, no word would fit so precisely as "wonderful." It's the most natural thing in the world to describe Pontiac's rare beauty as "wonderful." No other word seems to quite do, either, for the luxurious comfort and appointments in Pontiac's big new Bodies by Fisher.

And on the road, Pontiac just naturally accepts superlatives—because it is such an eager car, such a relaxed, easy-striding performer—for such a long, long time.

Perhaps the most "wonderful" thing of all is Pontiac's price—so low that virtually nobody seriously challenges the idea that dollar for dollar you can't beat a Pontiac!

1. Wonder-Working Magnesium Rod
Like "magic" the Magnesium Rod diverts corrosive elements from the tank walls to itself, thus checking tank "pitting," rust and "red water."
2. Famous Radiantube Heating Element
It's exclusive with Frigidaire. Immersed directly in the water, it delivers all its heat right into the water. Special construction reduces scale formation.

Eggs taken out of the refrigerator and warmed to room temperature will give better volume when beaten. If whites and yolks are to be separated, do that when the eggs are still chilled because they will separate more easily. Do not beat until you are ready to add the eggs to the recipe, says Lois Jackson, Michigan State College home economist.

Springfield News

Myron Strasburg of Imlay City was guest of honor at a farewell dinner last Sunday at the home of Mr. and Mrs. Frank Huff on Claridge Road. Myron left for the army this week.

PFC Charles Jarvis has been transferred to the Fire Detection Center. He is stationed in Japan. Grace Carte is getting to be quite mechanical. When her car refuses to run she just gets out

and starts tinkering and with excellent results — the car runs again. Marguerite Beckman submitted to an operation at Pontiac General Hospital on Monday. Ruby Helzer entertained at a House of Stuart clinic last Tuesday morning. Mr. and Mrs. Andy Henson have returned home after enjoying a vacation in Compton, Ky., and Hohenwald, Tenn. Mary Snyder entertained at a

household products demonstration last Monday evening. Cora Mae Furman won the door prize. Friends of Virginia Watson will be glad to hear that she is out of danger after undergoing an emergency operation in Pontiac General Hospital last Tuesday evening. Cora Mae Furman entertained at a permanent demonstration last Thursday afternoon. Mary Snyder won the door prize.

The Cub Scouts made hatchets at their meeting last Thursday evening. Cubs Warren and Dennis Gritzinger had their birthday party on Sunday. They all enjoyed the big car races at the Chief Pontiac Speedway. The following boys are joining Boy Scout Troop No. 49 in Clarkston — David Black, Bob Furman, Fred Vess, Don Smith, Dennis Gritzinger, Jimmy Harmon and John Holzer. Ernie Wallace and family spent the weekend in Midland visiting relatives.

The George Anderson family have moved into Pontiac. Mr. and Mrs. Harold Carte and family have moved into the Anderson house. Blanche Baur has returned home after a visit with relatives in Hillman, Michigan. Pat and Emery Carte will soon move into the Cora Fenton house. The Kryzanowicz family is moving back to Pinconning. Isaac Johnson of Claridge Road has the siding on his new home. Glenn Horne is now up and around after being quite ill with the flu.

Fred Miller has his place almost all sided and the roof has been completed. Frank Budrow has his furnace installed and will soon be moving into the new rooms that have been finished upstairs. Mr. and Mrs. L. V. Jarvis of 9383 Cherry Road announce the engagement of their daughters, Barbara Ann, to Robert Rolland of Lake Orion, and Ellen Jane to Keith Thayer of Clarkston. No dates have been set for the weddings.

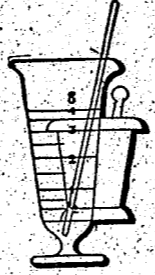

Mrs. Budrow and Mrs. Louise Miller were hostesses at a pink and blue shower honoring Mrs. Mary Miller on Saturday evening. Don Ridgeway expects he'll soon be changing his address to

an army camp as he has to report for his physical examination on September 23rd. Norman Rader is now able to return to school after recuperating from an appendix operation. Bill Carte of West Virginia is spending a few days with Mr. and Mrs. Charles Carte. Jake Masters and Norman Foster of West Virginia are now staying with Mr. and Mrs. Harold Carte. Mrs. Esther Crosby left last Wednesday morning for Springfield, Ohio, to see her husband's parents who were injured in an automobile accident.

At the past few home demonstrations that have been given in this area those attending have enjoyed taking a few minutes out of the evening to write a word or so to the boys in the service. A sheet of paper is passed around the room and each one writes a note.

Don't Take Your Greatest Asset for Granted

★ Most of us throw every safeguard possible around our property. Homes, automobiles, and valuable personal property are carefully insured against losses by fire, theft, and storm. We insure our lives to protect the economic well-being of our dependents. Yet health, on which depends our ability to earn these material comforts, is often completely neglected. Good health is too frequently taken for granted until it is lost. It is wise to protect this priceless asset. Include a health examination for every member of the family in your yearly budget. When medicine is prescribed, bring the prescription to us for prompt, economical service.

Nationwide Proving Ground Demonstrates FAMED ECONOMY of FORD TRUCKS

Port Huron, Mich. Both driver and owner stand beside the Ford F-5 Platform job of the Wilbert Burial Vault Company. Ford's Economy Run is covering every trucking occupation.

Gigantic Ford Economy Run shows what Ford Truck owners have known all along—Ford operation is amazingly thrifty.

Every model of the famous Ford Truck line is entered in Ford's gigantic, 48-state Economy Run. Every type of job and occupation all across the nation is represented.

All four of Ford's great truck engines—the 95-h.p. and the 110-h.p. Sixes, the 100-h.p. and 145-h.p. V-8's—are now demonstrating what most truck owners have found out for fact—a Ford Truck engine uses less gas to give you the power you need for your job.

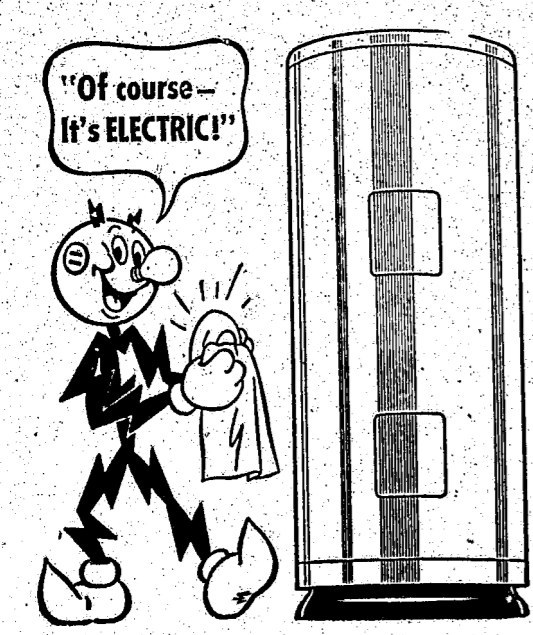

On-the-Job Proof! This amazing Economy Run started July 1 and will run to December 31, 1950. Thousands of Ford Truck owners are keeping authentic day-to-day records of gas and oil consumption, of repairs and maintenance, of miles travelled, of loads hauled. The result—the most comprehensive demonstration of operating economy in truck history.

Get in on that money-saving Ford Truck economy now! Your Ford Dealer will show you how a Ford Truck will save money on your job. See him today!

"Hot all the time?"

"Of course—It's ELECTRIC!"

ELECTRIC WATER HEATERS GIVE YOU ALL THE HOT WATER YOU WANT

Just turn the tap—there's hot water a-plenty for all the family all the time with the right-sized electric water heater. The automatic control makes sure of that.

For convenience, dependability, cleanliness and long-life, no other water heating system comes even close to electricity. Let your family enjoy all the advantages of an electric water heater. See your plumbing dealer, your appliance dealer or any Edison office.

EVERY FORD TRUCK IN THE GIGANTIC ECONOMY RUN CARRIES THIS SIGN—
 Look for this black and orange sign on every Ford Truck in the Economy Run. Ask the driver about the economy of his Ford Truck.

Das Moines, Ia. Carl Nixley, Superior Oil Co. states that these Ford F-8 tank-trailers Big Jobs average six miles per gallon under heavy load. No repair expenses since they were bought.

Houston, Tex. Russell R. Brient of Nursery Service Co. has used Ford Trucks since 1920. This is one of his F-5 Dumps. He says he's found them more economical than any other truck in their price field.

Hyllaville, Md. Ernest Moler, Inc. pauses midway in a hauling job to show their fine, economy-minded Ford F-5 under load. The records kept will prove the economy of this Ford model.

Cincinnati, O. This Ford F-6 Dump is entered by the Randy Construction Company to dramatically record Ford Truck economy in the construction business, too!

Houston, Tex. A. L. O'Quinn of Hignella Service has entered his Ford F-1 Pickup in the Economy Run, too. He says it's in a class by itself for day and night dependability and economy.

Alexandria, Va. The Metal Distributing Co., Inc. of Alexandria, places this Ford F-7 in Ford's nationwide Economy Run. Records of its daily operation will demonstrate Ford Truck economy in this industry, too.

East Point, Ga. Walter C. James of Arco Drilling and Metal Products, Inc. is his Ford F-6 Tractor-Trailer. He states he's more than willing to show his Ford's economy!

Control...that has no equal!

Prestomatic Fluid Drive Transmission... simple, cool-running, with three rugged compact units designed with a minimum of moving parts... a great Fluid Drive, the Safety Clutch, and Prestomatic Transmission. Ruggedly built for trouble-free service.

Take this beautiful car out on the road... and you'll discover the most important driving difference in cars today. For here is the only automatic gear shifting that gives you full control of your car at all times! Here is the only automatic transmission that takes its orders from you... that shifts when you want to shift... that can't shift you up and down when you'd prefer another gear. See... feel... and hear the difference in slow moving traffic. You cruise smoothly along in high, even at 12 miles an hour... saving gasoline... saving wear and tear on your engine. But at 12 miles an hour, other automatic shifts drop you down into lower gears—and there's nothing you can do about it. Try Chrysler's Fluid Drive and automatic transmission... learn how Chrysler has kept far ahead of all others. And discover the built-in value all the way through that has no equal today!

CHRYSLER IMPERIAL 4-DOOR... the car that has no equal at any price. One of 21 beautiful Chrysler body-styles.

See it—drive it... there's built-in value all the way through!

Advantages of Chrysler's Fluid Drive

Automatic Gear Shifting—with full control of your car! Better traction—safety on slippery roads. Convenience of clutch for easier parking. Slower Engine Speeds—reduced noise, wear. Saves gasoline! Drive in high while others drive in low in traffic.

Advantages of Chrysler's High Compression Spitfire Engine!

Waterproof Ignition—prevents stalling in rain or high water! Chemically Treated Cylinder Walls—for greater wear. Floating Power—helps eliminate vibration. Superfinished Parts—reduce friction, last longer. Exhaust Valve Seat Inserts—reduce need for valve grinding! Full Flow Oil Filter—keeps oil clean longer!

Chrysler's Advantages in Comfort and Safety

Functional Design—full room for your head, legs, shoulders. Easy to enter and leave! Safe Guard Hydraulic Brakes—smoother stops. Easy-Lock Parking Brake—holds car on any hill. Electrically Operated Windshield Wipers—constant speed all the time! Chair Height Seats—no crouching, you sit naturally! Safety Rim Wheels—won't throw tires after blowouts at normal speeds. Double-width Arm Rest—for arm chair comfort.

FALL FASHIONS REFLECT "DANDY" STYLES OF PAST
 Fall fashion news says that the "little boy" look we had on many of our clothes last year has grown up into the "gentleman" look.
 Designers have found inspiration in Beau Brummell and other dandies of the past.
 Such things as waistcoats, scarfs, and wing collars have been adopted for our new styles advises Mrs. Leona MacLeod, state home demonstration leader at Michigan State College.
 The new 1950 fall silhouette has been described as "narrow as an arrow". It is straight but not skimpy. The narrow skirt is relieved by pleats, panels, slits and lower waistlines.
 Coat styles seem to be more varied than usual, but one of the most popular is the loose casual coat that can be worn anywhere. It varies from last year's in that it has a straight up and down line and does not flare in back. There are many more fitted and belted coats than there were last year. Among the style features of the new coats are deep sleeve facings which make it possible to wear the sleeves long for warmth or to turn them back to three-quarter length with a wide cuff for early fall wear.
 Stand-up collars are also a mark of this season. Pockets are an important feature — not quite as large as last year's and placed low down on the garment so you can really get your hands in them.
 Suits are always important in the fall. This season they have very little shoulder padding, set-in sleeves, small and neatly curved waistlines, and straight narrow skirts about 13 to 14 inches from the floor. Fabrics may be the old favorite gabardine or the new grey flannel or worsted tweed.
