Former Clarkston Girl Speaks Vows In Pontiac

MR. AND MRS. DONALD F. ESSER

On Friday evening, October 6th, at 8 o'clock, Ida May Beattie of Ann Arbor and Donald F. Esser of Ypsilanti spoke their nuptial vows to the Reverend Ivol Curtis in the All Saints Episcopal Church in Pontiac before 200 guests.

The bride is the daughter of Mr. and Mrs. Robert C. Beattie of Walton Boulevard and the bridegroom is the son of Mrs. Grace Esser of Chicago and the late Mr. Esser.

Lighted cathedral candles were at the front of the church and on the altar were lighted candles and vases holding white chrysanthemums.

The bride, given in marriage by her father, was a picture in white slipper satin fashioned with fitted bodice, a Victorian neckline, long sleeves with imported lace forming points over the wrists. Imported lace formed a V on the front of the bodice and a deep V on the back with tiny satin covered buttons from the neckline to well below the waistline. The full skirt fell into a medium length train. Her double, fingertip veil of illusion was held by a small, head-hugging cap of satin and lace. She carried white gladioli and white roses.

Margaret Ann Beattie was her sister's maid of honor. Her gown of shirred taffeta was styled with a portrait neckline, a fitted bodice with a dropped scalloped waistline and a full, hooped skirt. Her small cap, similar to that worn by the bride, matched her gown. She carried cream colored gladioli, and tea roses tied with emerald green ribbon. Her only jewelry was a gold lavalere.

Mary Jane Beattie, sister of the bride, as bridesmaid, was gowned in emerald green taffeta fashioned the same as the maid of honor's gown. She wore a matching cap, a gold lavalere and carried bronze gladioli and roses tied with bronze ribbon.

Assisting Mr. Esser as best man was his brother, Ted Esser, of Chicago. Seating the guests were Bob Beattie, brother of the bride, Charles Wenzel of Detroit and George Wrensky of Ypsilanti.

Miss Wilha Hutson played the traditional music and also accompanied Mrs. Victor Lindquist who sang "O Perfect Love" and "I Love Thee".

Immediately following the ceremony a reception was held in Stevens Hall. The bride's table was centered with a four tiered wedding cake topped with a miniature bride and groom. The cake was flanked by lighted, white candles in silver holders. The refreshment table was centered with a beautiful arrangement of white

gladioli and white chrysanthemums.

During the reception Mr. M. A. Calbi of Pontiac played several pretty numbers on the solo-vox. Just after the wedding cake had been cut and served, the Reverend Ivol Curtis read the following poem written by Mr. Robert C. Beattie for the newlyweds:

IN HOLY MATRIMONY
Two persons joined by bonds of love
Need naught of man's convention.
Their union comes from God above
Who knows each one's intention.
The union came when first they knew
They must live on together.
Their love within was tried and true,
Withstanding stormy weather.
The union came when they found out
Their vibrant souls could mingle,
That when together they were stout
But helpless going single.
So on through life the two are one
In work and thought and planning.
Their single purpose gets things done
With love and understanding.
No time again can one alone
Be whole without the other,
For they will join in what they own
And share with one another.
God grant that they shall live
Long years
Filled full with His rich blessing,
That they shall know more songs
Than tears
And love and fond carressing.
Let each one learn their best to give,
Though hearts be sore and aching,
Let them in love forever live
All other ones forsaking.

After the reception open house was held at the new home of the bride's parents on Walton Boulevard. Ida and Don opened many gifts and the guests enjoyed seeing the wedding and shower gifts that were arranged in the living room. Moving pictures were taken by Mr. Beattie. Ice cream, cake and punch were served from a long table on the side porch.

They were married October 17, 1900 at Lake Orion, Michigan.

Mr. Bailey was born and raised in the same vicinity in which he now resides. He spent his entire life in Independence Township, except for 20 years, which were devoted to the hardware business at Lake Orion.

Crowd Attends Firemen's Ball

Last Saturday evening, October 7th, the Clarkston Firefighters presented their Fourth Annual Fireman's Ball at the Clarkston High School Auditorium.

The music was furnished by Bill Dobyns and his orchestra with Garland Wells as his vocalist. The auditorium was beautifully decorated with red firemen's helmets and red hatchets with one line of solid balloons lengthwise of the auditorium floor. As each one came into the dance they were presented with a tag to pin on which read "4th Annual Fireman's Ball". There were approximately 200 people at the dance and everyone enjoyed themselves.

There was a Grand March during the evening and just before intermission they arranged two square dances which seemed to have been appreciated. During intermission they had the door prize drawing which was a Fifty dollar savings bond and the lucky ticket holder was Delmont Walter of Waldon Road, Clarkston. Charles Robinson, who had a typewriter handy, presented the Bond to Delmont right then and there. Roderick Muma was the only member of the Village Council present, so he was called upon to say a few words and was chosen to present Fireman's badges to three qualified members of the Clarkston Firefighters.

The Clarkston Firefighters wish to thank everyone who helped to make this dance a success and they all hope to see all the people again next year at their 5th annual dance.

M. Stickney Home Scene Of Wedding

A very pretty wedding took place at the home of Mr. and Mrs. Mallory N. Stickney of Pine Knob Road last Saturday evening at 8:30 o'clock when their daughter, Mary Janet, and Dr. John Patterson, Mrs. E. B. Wallace, Mrs. I. A. Woodard, Miss Frances Backenstose, Mrs. Lloyd Porter, and Mrs. Fred G. Uptegrove.

Canon Charles Braidwood of Grace Episcopal Church in Lapeer officiated before an improvised altar banked with lighted white candles, ivy and white chrysanthemums, in the presence of the immediate families.

White candles in low holders concealed with ivy were used for lighting throughout the house.

Janet, given in marriage by her

MRS. M. C. McCORD

father was charming in white slipper satin fashioned with fitted bodice, a high round neck and long sleeves. A srape of Alencon lace complemented the front of the bodice and in the back it went from the neck line to the waist line and formed a bustle. The skirt fell into a medium length train and her full length veil of illusion was held by a halo of Alencon lace. For something old Janet wore her grandmother's wedding slippers. She carried white chrysanthemums and gardenias.

Honor Stickney was her sister's bridesmaid. She was gowned in moss green taffeta and wore long, matching mitts and carried white, baby chrysanthemums. In her hair was a circlet of white chrysanthemums.

Dr. James McCord of Cincinnati was his brother's best man.

Two of the bride's cousins, Arthur Malcolmson of Detroit and Norbert Kulsavage of Green Lake, held the white ribbons that formed the aisle for the bride and groom.

For her daughter's wedding Mrs. Stickney chose a gown of blue lace and Mrs. McCord was gowned in grey chiffon. They each wore a white orchid.

An informal reception for about one hundred guests followed the ceremony.

A large wedding cake centered the refreshment table. A wreath of braided ivy was around the base of the cake. Lighting the table were white candles in silver candelabra. The embroidered cloth that covered the table was the one used when the bride's parents were married. Two aunts of the bride, Mrs. C. W. Gregory of Orchard Lake and Dr. Caryl Kulsavage of Green Lake, presided at the silver coffee service.

The guests fully enjoyed the porch, and the grounds at the Stickney home. Large flood lights were used on the porch and with this strong light shining on the pretty autumn colors and the ideal weather made the grounds almost a veritable fairyland.

When the newlyweds left for their home in Dayton, Ohio, the bride was wearing a brown, menswear suit flecked with pumpkin and a pumpkin colored hat with brown feather trim, alligator shoes and pocketbook. Her corsage was of cymbidium orchids. She also wore a gold bar pin set with amethysts, an heirloom in the McCord family, which was a gift from her bridegroom.

Dr. and Mrs. McCord expect to have their honeymoon this winter when they are planning a trip to Bermuda.

Dr. McCord is a graduate of Dartmouth and the University of Michigan medical school. His fraternalities are Phi Kappa Psi and Nu Sigma Nu. The bride is a graduate of Kingswood school, Cranbrook and also the University of Michigan. She was pledged to the Delta Gamma Sorority.

On Friday evening of this week, the local members have been invited to attend a hayride and barn dance with the Wayne members in Wayne. There will be a short meeting at the home of Ruth Crommees before leaving Friday evening. All members planning to attend are asked to wear bluejeans and plaid flannel shirts.

On Sunday afternoon several of the members will convene at the home of Ruth Crommees before going hunting.

Monday evening the group will meet at 8:00 P. M. in the home of Mrs. Johnson.

The October meeting of the Waterford Woman's Club will be in the form of a pot-luck supper beginning at 6:30 on Thursday, October 19th. At this time the Sunshine Sisters will be revealed and new names drawn for the coming year. Hostesses for the meeting are Mrs. Lester Patton, Mrs. Gordon Bryce, Mrs. Robert Mawhinney and Mrs. Ernest Stevens.

The Rev. Arvid E. Anderson announced on Sunday that there will be a reception of new members at Christ Lutheran Church on October 29th. All adults interested in joining at this time are asked to contact the Pastor. Those who have never been baptized are invited to have it done at a special service to be held the afternoon of October 22nd. The Pastor is having a special class each Sunday morning at 9:30 for those who are interested in church membership. The class is also open to anyone wishing to attend.

Mrs. Arvid E. Anderson gave a very interesting talk on "The Church Year in Music" for the Ladies Guild at Christ Lutheran Church Wednesday afternoon. She emphasized many points by playing some numbers on the piano and by using some recordings. Mrs. William Sharpe conducted the business meeting and named chairmen for the dinner and bazaar to be put on at the church by the Guild on November 8th. Mrs. William Chase will head the kitchen committee and Mrs. Howard Peterson the dining room for the supper; Mrs. William Schultz and Mrs. Elmer Johnson will work on the bazaar. Donations by members and friends may be turned over to Mrs. Schultz and Mrs. Johnson.

Upon arrival the girls were divided into two groups, a guide provided for each group. They were taken through the art room, china and silver departments and the "Ideal Home". A visit to the pattern and yard-goods department where they purchased their pattern and material for class-work climaxed the tour.

A very interesting and enjoyable time was reported by the girls who wish to express their appreciation to Miss White, the home economics teacher, for arranging the trip.

The eighth grade class has requested that a dancing class be started. The instruction will be provided by volunteer teachers. But whether or not this idea will be carried out depends upon the cooperation of the students and parents. The dates for instruction have not yet been decided.

The eighth grade of Clarkston high school had a hay ride on September 29th. The hay ride started at 7:30 at the school. There are 96 students in the

class and about 75 of them were present. We went up the Waldon Road to Sashabaw Road and turned left, went to Clarkston-Orion Road, and came back to the school for refreshments which included cider, donuts and potato chips. The eighth grade would like to thank Mr. Robert Powers for the tractor and wagons and also Mr. Drake for the refreshments.

STUDENT COUNCILS MEET

The purpose was to discuss the means of getting the different groups together, such as the G. A. A., the Forensics, Band, Boys' Athletics, and Student Councils. Their aim is to promote good will among the students in our league.

Plans are underway for having an "all high school mixer" after the football game at Holly, November 4th. The dance will be held in the Clarkston auditorium. Students and teachers will provide the entertainment.

Last Saturday about 50 students from the football team and band attended the Michigan State vs.

Enroute home, Mr. Green stopped the bus in Howell to let the students look around. Just as the bus stopped, Mrs. Crosby, a former teacher and her two children were walking along the sidewalk. The students enjoyed talking with her a few minutes before coming home. She sends her best regards to the students of the Clarkston Public School.

for rural people to do everything in their power to ward off the attack of fire. President Truman has proclaimed the week of October 8-14 as Fire Prevention Week. Michigan State College safety specialists claim it doesn't take much time or money to see that a farm is fire safe. The college specialists also urge that farmers get together in each particular section to see that they have a good fire department with adequate water supplies.

the Congress? the President?

OR YOU AND THE MAN NEXT DOOR?

RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today —keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

IN MUCH OF THE WORLD today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organizations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

General Federation of Women's Clubs	American Legion
American Farm Bureau Federation	National Association of Small Business Men
National Grange	United States Chamber of Commerce
Veterans of Foreign Wars	National Association of Retail Grocers
National Conference of Catholic Charities	National Retail Dry Goods Association
American Protestant Hospital Association	American Bar Association

Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the proudest security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor.

In America—70 million people are protected by Voluntary Health Insurance! Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

You and Your Neighbor Run America!

"Doctrine of Atonement" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday October 15.

The Golden Text (1 John 4: 10) is: "Herein is love, not that we loved God, but that he loved us, and sent his Son to be the propitiation for our sins."

Among the Bible citations is this passage, (Mic. 6:8): "He hath shewed thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?"

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 202): "The scientific unity which exists between God and man must be wrought out in life-practice, and God's will must be universally done."

That's what more and more farmers in this community are saying. They are giving up the messy chore of butchering on the farm and are now having it done the sensible way... in our modern and sanitary abattoir.

When you let us take care of your slaughtering, you don't have to worry about the weather, or if the meat will spoil, or what to do with the offal. We're fully equipped to take over the drudgery of slaughtering, and we will properly chill, process, wrap, sharp freeze, and put the meat in your locker.

So why not do what other progressive farmers are doing... let us do your butchering. It's the modern and economical way to put your meat in your locker.
