Double Ring Rites Read In Pontiac

When Mary Jo Pettengill approached the altar in All Saints Episcopal Church in Pontiac last Friday evening to speak her vows with Hartley Wayne Longair to the Reverend Ivor I. Curtis, she was wearing a gown of Chantilly lace fashioned with a deep portrait neckline, long fitted sleeves and a fitted bodice. The bouffant skirt of lace extended into two

tiers of net ruffles. Her fingertip veil of pure silk illusion fell from a snug fitting bonnet of Chantilly lace. She carried a crescent shaped bouquet of stephanotis and ivy.

Mary Jo is the daughter of Mr. and Mrs. Elmer R. Pettengill of Clarkston and the bridegroom is the son of Mr. and Mrs. Stephen Longair also of Clarkston.

Mary Jo's maid of honor was Mary Palace of Pontiac. She was gowned in dark, emerald green satin with a bustle back. Her half bonnet matched her gown and she carried a colonial bouquet of tulle roses and carnations and yellow chrysanthemums.

As bridesmaids, Sally Curry and Joan Johnston of Clarkston, wore lighter green satin gowns styled like the honor maid's. Their bouquets matched their dresses and their colonial bouquets were of yellow roses, carnations and chrysanthemums.

Ann Oliver of Pontiac, cousin of the bride, served as junior bridesmaid. The soft rolling collar of her pale green satin dress was caught by a bow at the neckline and fell over a ruffle of pleated net. The satin, hooped skirt was worn beneath a net overskirt. She wore a matching cap and carried a colonial bouquet of yellow roses, carnations and chrysanthemums.

Another cousin of the bride, Kathy Gould of Pontiac, as flower girl, wore a yellow net-overskirt dress fashioned with a full-length skirt held by a hoop. Her hat was of ruffled yellow net caught in the back by a yellow bow and streamers. She carried a small basket filled with baby chrysanthemums and yellow roses. Ivan Baumann was Mr. Longair's best man and seating the guests were Robert Linton of Lansing, Dave Lanjus of Hillsdale, S. Tom McDade of Flint and Robert Oliver of Pontiac.

To see her daughter married, Mrs. Pettengill wore a floor-length dress of desert rose crepe and a hair hat in a lighter shade. She carried brown, cypridium orchids on her brown purse. Mrs. Longair's floor-length dress was of grape colored crepe and her hat was of mauve velour. She carried a lavender orchid on her black purse.

Following the ceremony a reception was held in the Rose Kneale room of Stevens Hall, adjoining the church. A three tiered wedding cake centered the table which was covered with a point de venise lace cloth. Topping the cake was a small tower in which was suspended a wedding bell bearing the initials of the bride and groom. Around the top tier were heart-shaped plaques on which were the names of the bridesmaids. Lighted white candles in crystal candelabra flanked the cake. Flowers were used in profusion about the reception room.

Presiding at the silver services were Mrs. Frank Ronk of Clarkston and Miss Shirley Burns of Drayton Plains. Miss Barbara Hobbs of Chicago registered the guests.

When the newlyweds left for a short honeymoon at Hidden Valley the new Mrs. Longair was wearing a three-piece red and green tartan plaid suit with dark green accessories and a corsage of green cypridium orchids. Upon their return they will reside in Clarkston.

Out-of-town guests at the wedding were from Roseville, Michigan, Chicago, Ann Arbor, Hillsdale, Lansing, Flint, Culver, Ind., and Evelyn, Minn.

Roland-Jarvis Rites Read Saturday Eve

Cathedral candles and large baskets of white chrysanthemums formed the setting for the candlelight service in the Clarkston Methodist Church on Saturday evening at eight o'clock which united Barbara Anne Jarvis and Robert F. Roland in marriage.

The bride is the daughter of Mr. and Mrs. LaVern Jarvis of Clarkston and parents of the groom are Mr. and Mrs. James Roland of Lake Orion.

The Reverend R. M. Atkins read the nuptial rites before about one hundred and fifty guests.

Barbara Broadway of Ortonville and Mt. Pleasant sang "O Promise Me" just before the ceremony and "The Lord's Prayer" while the bride and groom were kneeling at the altar. Mrs. Adele Thomas played the traditional music and also accompanied Miss Broadway.

The bride, given in marriage by her father, was smart in a beige gabardine suit with a small matching velvet hat. Her accessories were brown and she carried white roses. She wore a gold pendant and matching earrings, the gift of the bridegroom.

Barbara's only attendant was Mrs. Robert Tarran of Detroit who was attired in a dark brown gabardine suit with a small pink hat. She carried pink roses.

Mr. Roland was assisted by his brother, James Roland as best man and Raymond Jarvis and Harold Jarvis, brothers of the bride, seated the guests.

For her daughter's wedding Mrs. Jarvis chose a sand colored crepe dress with a dark green hat and dark green accessories. Her corsage was of bronze chrysanthemums and yellow roses. Mrs. Roland wore a gray print with small black hat and bright red accessories. Her flowers were dark red carnations.

Immediately following the ceremony a reception was held in the church parlors. The refreshment table was centered with a four tiered wedding cake topped with a miniature bride and groom. Around the base of the cake were small white chrysanthemums and white ribbon. Presiding at the silver services were Mrs. Carl Stephens and Miss Betty Nersisyan. Miss Ellen Jarvis, the bride's sister, served the cake.

When the young couple left on their honeymoon the bride added to her costume a dark blue topper and a corsage of white roses from her bridal bouquet. On their return they will reside on Holcomb Street in Clarkston.

The bridegroom is a former Clarkston resident. He served eight years with the armed forces.

Girl Scout News

On Tuesday evening of last week a five o'clock Thanksgiving dinner was enjoyed by 36 girl scouts and their leaders at the Methodist Church. This lovely affair was sponsored by the Clarkston Rotary Anns.

Following the dinner an investiture ceremony took place with 15 girls becoming Tenderfoot Scouts. As Mrs. Richard Snover read the list of names the girls were presented with their tenderfoot pins by Mrs. Wallace Ridgley. Those who were welcomed into the scouts were: Barbara Rockwell, Mary Lou Prevost, Bonnie Abbott, Betty Brian, Sally Bauer, Carolyn Lapham, Carol Jantz, Nancy Curtis, Mary Lynn Muma, Joanna Springer, Rita Waterworth, Nancy Knox, Rita Langefeld, Sharon Norgrove and Ann Wright.

Because Mrs. Raymond Ruggles, Miss Ruth Sharpe and Mrs. Richard Snover were new in the ranks of the girl scout leaders Mrs. Ridgley presented each one with a girl scout pin.

The Girl Scouts met at the church this week. We said our motto which is "Be Prepared". Two of our Tenderfoots received pins. They are Gail Weston and Frances Hancock.

Plans for the Christmas gifts were discussed and then we all enjoyed folk dancing.

This year's squad finds Clark Rouse the only starter back from last year. Lindahl, Sharrock, Jim Hittenlocher and John Curry saw considerable action last season and will be counted upon heavily this year. Bullen, Keelan, Jim Smith, Hagyard, Morgan and Groven from the reserves should add some replacements. Devine, a transfer from Walled Lake will also be of some help to Clarkston.

It will require lots of hard work on the part of these boys if Clarkston is to keep up to the record of the past few years.

A TRIP TO A MUSEUM

On last Tuesday the Gay Thirty's (section 1 of the 8th grade) piled into a school bus driven by Frank Green and with their sponsor, Miss Stites, set out for Ann Arbor. Reaching Ann Arbor, the group went directly to the General Museum of the University of Michigan. Here they were met by Miss Maud Hukill who, with an assistant, conducted them through the museum.

On the first floor the students saw exhibits of various types of insects.

Proceeding up to the second floor, called the Hall of Evolution, they saw displays which showed that increasingly complex life forms have inhabited the earth in successive geologic periods.

Some of the more spectacular exhibits seen here were the skeletons of huge dinosaurs, the remains and models of the giant, and now extinct, Mastodons found near Birmingham and Ypsilanti, the Lungfish, reproductions of amphibians and reptiles.

Said Jim Rudduck, "The dinosaurs were what I was most interested in." Arlene Gaynor agreed, "I was amazed by the great size of just the hip bone of one of the dinosaurs." It was surprising to some students to learn that some of these huge animals were not carnivorous, but ate only plants.

Ascending to the third floor the Gay Thirty's visited what is called the Michigan Wild Life Balcony. Here they saw displays of Michigan's birds, small mammals, reptiles, fishes, and mollusks. Betty Root was interested to learn that the rattlesnake is the Michigan's only poisonous snake. All of the students actually heard the kattle of the snake when they pushed a button on the display case. Seen here also were stuffed passenger pigeons, once plentiful in Michigan, but now extinct, and hawks, which surprisingly often do more good than harm.

Then in the fourth floor corridor the main features were the South Seas exhibits showing objects of native craftsmanship, the exhibits showing Eskimo life and the Indian exhibits. Of particular interest was the Indian suit of a scalp hunter, on which was hung pieces of human hair.

Finally the students visited the 4th floor Hall of Biological Principles. Some of the most interesting exhibits here display phosphorescent fish, under sea scenes, insect-catching plants. Also seen here was a large painting showing some changes which have taken place through geologic time, and a model of a cave.

The tour was interesting and educational. Most students agreed with Glen Abbot when he said, "I've never seen anything like that before. I'd like to go back there again sometime."

Blush Pink Satin Worn By Bride

The Clarkston Methodist Church was the scene of a very pretty candlelight marriage service last Friday evening, November 24, at eight o'clock when Betty Ann Richardson, daughter of Mrs. Agnes E. Richardson of Clarkston and the late C. Wilbur Richardson, and Harold R. Horn, son of Mr. and Mrs. John P. Horn of Drayton Plains, spoke their vows. The Reverend Robert M. Atkins read the double ring rites before an altar banked with palms and baskets of white, baby chrysanthemums and the larger chrysanthemums. Lighted white candles in the cathedral candelabra and a lighted cross high above the altar were used to light the sanctuary.

Mrs. Adele Thomas played the wedding music and accompanied Mrs. Roy Olson who sang "Because" just before the service and when the couple knelt at the altar, towards the end of the ceremony, she sang "The Lord's Prayer".

When E. Frank Richardson escorted his sister down the aisle she was wearing a blush pink satin gown fashioned with a fitted bodice with small satin covered buttons down the back to below the waistline. The long pointed sleeves were edged with nylon net at the wrists. The nylon net yoke formed a round neck line and around the shoulders the net was draped and caught with little satin rosettes centered with pearls. The bouffant skirt fell from the scalloped, low waistline and extended to a full-length, court train which was edged with a ruffle of the nylon net. A wide ruffle of the nylon net topped with a bias fold of the satin accented the bottom of the skirt. A tatra of braided satin and seed pearls held her fingertip veil of blush pink illusion. She carried a cascade bouquet of gardenias, ivy and baby chrysanthemums.

Miss Mary Reese of Pontiac was Betty's maid of honor. Her gown of turquoise net was styled with a fitted bodice and stand-out double net skirt. A jacket of turquoise satin with stand-up portrait neckline and cap sleeves complemented the dress. Her tiara of matching net was trimmed with braided satin and tucked with tiny, seed pearls. She wore mits of net trimmed at the cuff with satin and seed pearls and she carried a fan of pink net with pink carnations and ivy, and streamers of pink satin.

The bridesmaids were Mrs. John Ronk of Clarkston, sister of the bride, and Mrs. Everett Grubb, Jr., of Clarkston, sister of the groom. Their dresses were identical to the honor maid's and they also carried fans of pink net with pink carnations and ivy and pink satin streamers.

Assisting Mr. Horn was William F. Wyckoff of Waterford as best man and Duane W. Richardson, brother of the bride, and Herbert Horn, brother of the bridegroom, seated the guests.

For her daughter's wedding Mrs. Richardson chose a street-length dress of beige crepe, a white hat and white gloves with brown accessories. Mrs. Horn was in navy with grey hat and gloves and black accessories. Both mothers wore pink roses.

Following the rites a reception for one hundred and fifty guests was held at the home of the bride's mother on Reese Road. A four-tiered wedding cake attractively decorated with red roses and ivy centered the table. The bride's aunt, Mrs. Carlos G. Richardson served the cake and Mrs. Joseph McGee and Mrs. Herbert Horn presided at the silver services. Mrs. William Wyckoff and Mrs. Kenneth Craft poured the punch.

When the newlyweds left for a short honeymoon the bride was wearing a navy, knitted suit with a pink hat and topper, navy accessories and the gardenias from her bridal bouquet.

The bride is a graduate of the Pontiac High School and the groom graduated from the Clarkston High School. He is now serving with the United States Army and at present is stationed at Fort Custer in Battle Creek, Michigan, where he had to report on Sunday night.

Out-of-town guests at the wedding were from Birmingham, Clare, Drayton Plains and Pontiac.

Science Club News

On Tuesday evening of last week, the Domestic Science Club members enjoyed a delectable turkey dinner in the Reed City Club-house, Reed City, Mich., with several other science club members from various clubs throughout Michigan.

A program consisting of a movie showing the history of the club, musical selections and addresses by prominent businessmen preceded the dinner.

Mrs. Matthew Johnson and Mrs. Allen Brandau, along with the other Club leaders were presented leadership certificates and orchids in recognition of their service.

This was the first opportunity the local members had to wear their new winter uniforms.

The Domestic Science Club members convened at the home of Evelyn McCrum on Monday evening, instead of at the home of Mrs. Matthew Johnson on Tuesday evening as was previously announced.

Due to the serious illness of Mrs. Johnson, and unexpected circumstances requiring Mrs. Brandau to spend a few months in California, the members have many problems confronting them. The most important is being without two qualified leaders. Anyone feeling qualified to lead the group is asked to contact any club member.

The forthcoming meetings will be held at members' homes until two leaders are secured.

On Monday the Christmas program was discussed. A skit, vocal and instrumental musical selections, and a handicraft display were chosen for this year's activity, when the group joins with the Clio and Bay City Clubs for the program on the evening of December 22nd.

A television program followed by refreshments which were served by Ilene Schott, Jean MacDonald and Evelyn McCrum was enjoyed later in the evening.

On Sunday afternoon the members are requested to attend a meeting at the home of Ruth Crommees on North M-15 at 12:30. The meeting next week will be on Tuesday evening at the home of Marlene Nelson in Pontiac, with Marlene Nelson, Shirley Calbowski and Mae Seyvald in charge of refreshments.

Attending the meeting as guests on Monday evening were Ilene Woods, Adeline Kuschinsky and Jerilyn Marco.

Localites To Help With Pontiac Show

When the Pontiac High School presents "Our Town" on Dec. 6-7-8 some local residents and one former Clarkston resident will be on hand to do their part. The curtain will rise in the Pontiac School auditorium at 8:15 on a setting and a story that will warm the heart of everyone present. The story unfolds serious situations in a town where all types of people dwell. There are lovable characters that win your sympathy and affection and here and there are bits of humor to make you realize that in spite of the world's perplexities everyone can take time to laugh.

One of the main characters will be Donald Lord, former Clarkston boy, who will be the stage manager. His role is very important. Melvyn Staebler a member of the Clarkston school faculty will play background music on his Hammond organ. Another artist from Clarkston is Mary Parrish who will direct the play. Miss Parrish is a member of the Pontiac High School faculty.

Everyone in this area is invited to attend. See the special notice on page 6.

Thoughtfulness

The wave of the hand with a nod and a smile
Are every day acts that are well worth your while,
Some lines on a card, your thoughts to express
Off times bring some hope to a soul in distress.
Some small act of kindness to one who is down
Brings laughter and smiles to a face with a frown,
It takes little effort to be just and kind
To lend a strong arm to the lame and the blind.
It's little for man to be asking each day
Of the welfare of those who pass by his way,

Michigan Bell Telephone Strike Ended Sunday

The strike of nearly 17,000 Michigan Bell Telephone Company employees ended Sunday, less than 11 days after its inception.

Under the settlement, employees were granted immediate wage increases ranging from \$3 to \$5 a week, depending on their present pay. The settlement provides for a 15-month contract.

In addition to basic wage increases, employees below top rates will receive periodic increases averaging more than \$4 a week during the life of the contract. Wage-progression schedules are shortened by as much as 1 1/2 years.

John A. Greene, president of the company, pointing out that the settlement adds \$9,400,000 to the company's wage bill the next 15 months, announced that Michigan Bell will apply for a further rate increase before the Public Service Commission.

"The rate increase obtained by the company last June, of course, made no allowance for the cost of this settlement," Greene said. "There is only one way that a regulated institution such as the Michigan Bell can obtain the money to cover this wage increase and other rising costs of doing business and that is from its customers."

"In the last 10 years, prior increases in basic wages have represented an annual cost to the

company of \$35,000,000 while rate increases, during the same period, have come to only \$21,000,000."

After a general walk-out on the opening day, the strike developed into "hit-and-run" tactics by Division 15, Communications Workers of America-CIO, representing Michigan Bell employees, with certain exchanges alternately selected as targets. Service, for the most part, was almost normal with supervisory employees on the job.

SOCIAL SECURITY FOR FARM WORKERS IS A "MUST"

Beginning January 1, 1951, social security for farm workers will be in effect. This tax must be paid. It will allow the farm worker to qualify for social security benefits at the age of 65, or in case of death his family is entitled to benefits.

Who Is Covered?

Only a regular farm worker is covered. He must work at least a three months' period for one operator and then continue to work for that same operator for 60 days, and he must earn at least \$50.00 in cash. The quarterly periods must begin in January, April, July and October, and to start with, the 1950 October quarter can be used. Cooks and household workers on farms are covered by this law. The worker loses if he changes employers, works less than 60 days, or gets less than \$50.00 any one.

What Should the Operator Do?

First, get the proper forms from the United States Collector of Internal Revenue, Detroit, Michigan. See that his workers have a social

security card, deduct 1 1/2% from the wages of the worker, and match this 1 1/2% from his own pocket. Only the first \$3,600.00 of the total yearly wage is taxable.

PING PONG CHAMPIONS PRESENT ASSEMBLY

Last Thursday morning, Mr. Douglas Cartman and Miss Riley, national ping pong champions, presented a very interesting program in the school auditorium. They demonstrated various forms used in the game, legal and illegal ways of serving, and other important rules and regulations concerning the game.

Mr. Arthur Heimburger, commercial teacher, Clark Rouse and Jim Huttenlocher each played a game with one of the champions.

MOVIE SHOW ON NOVEMBER 16th

On the afternoon of November 16th, a movie obtained by Mr. Boyce was shown in the gym. The movie "Of This We Are Proud" was sponsored by General Motors Corporation, under the presentation of Kelvinator. It stressed the progress of America through the centuries and compared the earlier centuries with the present century.

BAND NOTES

The high school band, under the direction of Mr. William Ladd, is preparing a few selections for the Christmas program which will be given on the evening of December 14th. One number will include the beautiful Saskatchewan Overture.

Each week the following familiar tunes are practiced: Officer of the Day March, The Booster March, Washington and Lee Swing, Our Director March, Mutual March, Recruits March, The Old Grey Mare, El Capitán March, Football Squad, Military Escort March, Overture Eroica, Victory March, Gymnasium Waltz and The Star Spangled Banner.

STUDENT COUNCIL MEETS

The Student Council met on Wednesday, November 15th, for the third time this year. The elections were held and Jim Huttenlocher was elected president; Martha Masters, vice-president; Dorothy Ward, secretary; Mickey Palazolla, treasurer; Girls' Commissioner of Activities, Delores McMullen; Boys' Commissioner of

Activities. Frank Weyer. Members of Clarkston's Student Council will meet at Clarenceville with the student councils from the other schools in the league to draw up a constitution for the new league and also to decide upon a name. They decided to sponsor movies at noons, with a charge of 5c. These movies will be on Thursday and Friday noons and will feature sports, comedies and travelogues. They refused the offer of Waterford High to sponsor dances at the Community Activities building because they figured there would be plenty of school activities coming up.

LOCAL STUDENTS SEE "MACBETH"

Last Wednesday evening the students in Miss Anderson's 12th grade English Class and several other English students had the privilege of seeing one of William Shakespeare's tragedies, Macbeth, at the Krim Theatre on Woodward Avenue in Detroit.

Macbeth became king of the Scots in 1040, securing the throne by murdering Duncan, who reigned for 17 years and was killed during a battle with Duncan's son Malcolm, and his English ally, Siward, Earl of Northumbria. The story as told by Holingshead in his Chronicle, served as the basis of Shakespeare's Macbeth.

The underlying theme of Macbeth is the destruction wrought by misdirected ambition. Macbeth, a gallant general, the commander-in-chief of the armies of Scotland, finds himself a popular hero. Inspired by the prophecy of three witches, he is fired with the ambition to make himself king. His wife, knowing her husband's mind and heart, determines to aid him. The way to the throne lies through the murder of the reigning king. Then, having gained the throne, Macbeth finds he can hide this first crime only by murdering all who suspect his guilt. He even goes so far as to cause the needless butchery of the wife and children of the honest and noble-hearted Macduff. Finally, the revolt of the people and the suicide of Lady Macbeth leave the guilty Macbeth alone and friendless, to fall before the vengeance of the mighty thane Macduff.

The group was accompanied by Miss Anderson and Miss Carey. The only comments were, "It is worth seeing twice," and "It was an evening well spent."

Old Glory's New Home at Valley Forge

The first American flag to fly over the nation's new super-road, was raised by these seven former fighting men in a stirring ceremony marking the public opening of the eastern extension of the 267-mile Pennsylvania Turnpike. Now serving American motorists at the Gulf stations on the Turnpike, the men, (from left to right) Robert E. Walters, Allentown, Pa.; J. J. Fisher, Pittsburgh; Ed Walker, Washington, D.C.; Sayles Steere, Philadelphia; T. W. McKee, Blairsville, Pa.; Jack Ward, Cynwyd, Pa.; and John Rinehart, Pittsburgh; will conduct the flag raising and lowering every day at this new site overlooking beautiful and historic Valley Forge.

GOSSIP

It seems that the "Football Frolic," on November 11th, brought together new couples at our school. However, we cannot give all the credit to the dance. Some of these dates were made with the compliments of the "Leigh Bonner Date Bureau." Of course there are always the old steady couples such as Fred Groven and Betty Stauter; Les Boyce and Joyce Spooner; Hank Shell and Mary Lou Althouse; Bill Switzer and Gail Robertson; George Mantyla and Nancy Morgan; and look who is back together: Clark Rouse and Gerry Lang. Then there is that cute couple, Bob Lindahl and Ann Spohn. Picking on the out-of-town dates, were Frank Keellean, who took Kay Graves; Marie Orr, who came with her steady, Roy Wegman; Clarence Holgerston with Ronnie Wimpel; and Beverly Covert, with Kenny Wimpel. Of course Mr. and Mrs. Quick were there; also Mr. Staebler, Miss Murphy, and Miss Anderson. One of the alumni, Dave Leak, took Mary Ellen Curry. Other couples were: Bill Sutton, Maxine Sage; John Curry, Joice Carter; Danny Curry, Judy Clark; Dave Vincent, Fran Crawley; Tom Bullen, Sally Stageman; Dick Latta, Lottie Sawyer; Terry Fiscus, Sue Shanks; Paul Wilmoit, Virginia Demski. The main feature occurred accidentally when everyone stopped to watch Dave Leak and Miss Anderson do the Charleston. The dance was very successful, and most everyone had a nice time.

THANKSGIVING ASSEMBLY GIVEN LAST WEDNESDAY

The Clarkston High School Auditorium was the scene, last Wednesday afternoon, of a Thanksgiving program under the direction of the music instructor, Mr. William Ladd.

The band played the "Booster March" as the students assembled in the auditorium.

The chorus led in the group singing of several traditional Thanksgiving songs, accompanied by Sylvia Peterson at the piano.

Following "Saskatchewan Overture" played by the band, Lottie

Sawyer read the "History of Thanksgiving" alternately while the students and teachers sang songs to correspond with the reading.

The first Thanksgiving was held by the Pilgrims in Plymouth, Massachusetts, during the autumn of 1621, following an abundant harvest which had been the result of much hard work. The Pilgrims felt that they had much to be thankful for after overcoming severe hardships, so Governor William Bradford decreed a day of Thanksgiving, when they would hold a religious service to offer their thanks to God, after which they were all to join in a great feast.

This custom was gradually adopted by the close of the Revolutionary War. Many states still continued to follow this custom, although no specific date was set. Each state observed Thanksgiving if and when it wished, until the year of 1864, when President Abraham Lincoln named the first national Thanksgiving Day on the last Thursday in November.

Each president followed this custom until 1939 when President Roosevelt named the next to the

last Thursday in November as Thanksgiving Day.

Much controversy followed this change in the date. In 1941 Congress officially declared the 4th Thursday in November as Thanksgiving Day.

The program concluded with the band playing "Military Escort."

This is the first time in several years that this type of program has been given. However, it proved to be successful, so plans are now underway towards a similar Christmas assembly.

DEBATE AT PONTIAC HIGH

Clarkston high school's first debate teams proved very successful in Thursday nights practice debate tournament at Pontiac High. The evening was divided into two rounds of debates and one team could participate in both rounds. In the first round, the affirmative team of Ann Barrows and Terry Brown won over Lake Orion. The second affirmative team, Pat Jewell and Jim Huttenlocher, lost to Hazel Park and the negative team, Gail Robertson and Dorothy Ward, won over Walled Lake. In the second round only two Clarkston teams debated, with Ann and Terry defeating Hazel Park and Gail and Dorothy losing to Pontiac High. This was a total of three wins and two losses for the evening, a good average for their first debates. The first of the school's eight forensic debates will be Tuesday, November 14th, with Terry Brown and Ann Barrows debating affirmative and Gail Robertson and Dorothy Ward debating negative.

WENT FOR A SPIN
DROVE TOO FAST
THAT SPIN TURNED OUT
TO BE HIS LAST

From where I sit... by Joe Marsh

I Have A "Close Squeak"!

Spent last Saturday morning wandering all over the house. Wherever I went—upstairs or down—I kept hearing a "squeak." Couldn't find out where it was coming from until noon-time when the missus came home from her weekly shopping.

"Listen," I said to her, "hear that squeak?" I started walking real quiet-like across the kitchen and there it went again! "Joe Marsh," she laughs, "that is nothing but your suspender clips rubbing back and forth when you walk!" And darned if it wasn't! From where I sit, I'd been let-

ting a little thing become a serious problem. Like some little difference of opinion or taste will start off a great big argument. I may prefer a temperate glass of beer with my dinner—while the missus likes tea—but we figure that no two people have exactly the same likes and dislikes. So, why get all "het up" about it?

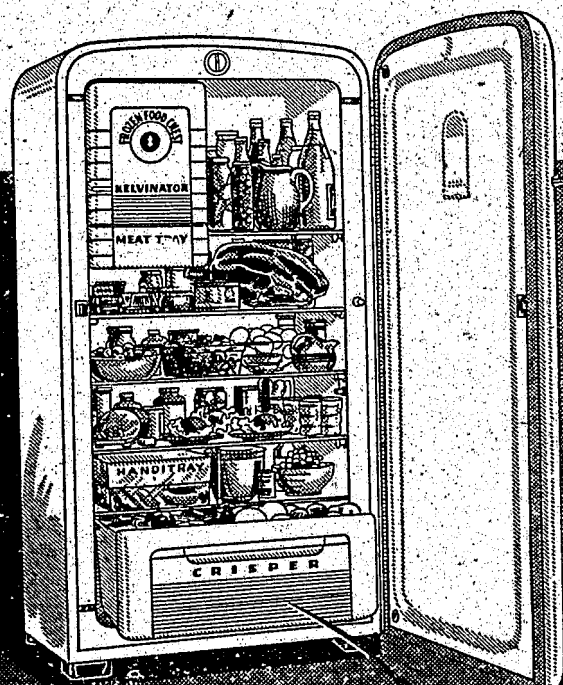

The moral is, check your suspenders—and check your temper when it comes to little things.

 "God the Only Cause and Creator" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, December 3rd.

The Golden Text (Acts 4:24) is: "Lord, thou art God, which hast made heaven, and earth, and the sea, and all that in them is."
 Among the Bible citations is this passage, (Isa. 43:15): "I am the Lord, your Holy One, the creator of Israel, your King."
 Correlative passage to be read from the Christian Science textbook, "Science and Health with

Key to the Scriptures," by Mary Baker Eddy, include the following (p. 256): "Infinite Mind is the creator, and creation is the infinite image of idea emanating from this Mind. If Mind is within and without all things, then all is Mind; and this definition is scientific."

IS MEDICINE DESTROYING ITSELF?

★ Things dramatic capture the imagination, sometimes to the point of distorting the perspective. This is as true in medicine as in other fields. The sensational results with sulfa drugs and penicillin are examples.

Less dramatic, but responsible for saving uncounted lives, are the broader public health measures. Sewage disposal, swamp clearance, water, milk, and food inspection are but a few of these triumphs.

The physician and the pharmacist have always been leaders in the field of preventive medicine. This fact led James Brice to observe, "Medicine is the only profession that labors incessantly to destroy the reason for its own existence."

The fight, however, is far from won. Diagnosis and treatment of disease are still the primary functions of the physician. The accurate filling of prescriptions is our responsibility as pharmacists.

All matters handled through the Probate Court require a certain amount of legal publication in one of the county papers. Foreclosing a mortgage entails publication of the foreclosure notice in a county paper.

RENTING AN APPLE ORCHARD
A suggested plan for renting an orchard comes from E. B. Hill, of the Michigan State College agricultural economics department. If the tenant is to receive two out of every three bushels of fruit — say apples — produced, he should provide the power, machinery, labor and one-half the

spray materials and fertilizer. The landlord should pay for his share of the spray and fertilizer and provide the orchard equipment. If the tenant wants to receive three out of every four bushels of fruit, he should furnish everything including spray materials, fertilizer and labor.

U. S. AIR FORCE ACCEPTING MARRIED MEN

According to information received from Sgt. 1/c Robert W. Wiles, Oakland County recruiting chief, the United States Air Force, after a period of more than two years, will again accept veterans or non-veterans with dependents.

For rating at which veterans may enter the U. S. Air Force, check with one of our three offices in Pontiac, located at: 1. Pontiac Post Office; 2. Oakland County Court House; 3. The Huron Building, 53 1/2 W. Huron St.

ADD MORE COWS TO ABA PROGRAM

Thirteen thousand more cows in 2,207 additional Michigan dairy herds were added to the rolls of the Michigan Artificial Breeders' Cooperative during the first six months of 1950. A. C. Baltzer, secretary-manager of the group and extension dairyman at Michigan State College, reports that internal growth of the organization is now replacing expansion into new counties.

The farmer-owned cooperative, with its central laboratory on land leased from Michigan State College at East Lansing, serves 146 local associations in 70 counties.

NOTICE OF PUBLIC HEARING ON AMENDMENT TO VILLAGE ZONING ORDINANCE.
TO THE ELECTORS OF THE VILLAGE OF CLARKSTON

NOTICE IS HEREBY GIVEN that a public hearing will be held on the 18th day of December, A. D. 1950, at 8:00 o'clock in the evening, at the Village Hall in the Village of Clarkston, on the question of amending the village zoning ordinance, sub-paragraph

8 of Section 3, so as to provide that certain village or township uses for public purposes of property in all districts shall be permitted, provided that no gasoline shall be stored on the premises or any objectionable or injurious use made of the premises, which would be contrary to the spirit of the village zoning ordinance.
