#### PRUNING DEMONSTRATION

Oakland County fruit growers will find the December 20th pruning demonstration to be very helpful. It will be held at 1:30 P. M., and Karl D. Bailey, district horticultural agent, will conduct the demonstration, showing how old apple trees can be pruned to add six to eight years of good productive life to the trees. The place is Paul Button's Orchard, two miles north and 34 mile west of Farmington on 12 mile road.

Out of this restlessness, a child may beome demanding for constantly more elaborate pleasures. And children do enjoy simple things. If they haven't been spoiled it takes little to make them happy. If they become accustomed to too much excitement, it can become a vicious circle as they constantly demand more. Christmas is a particularly good
